Introducing a Low Intensity ... Highly Enjoyable... C1 Training Experience

Did you enjoy learning and dancing calls at the advanced levels?
Are you interested in seeing what the next level brings?
We are looking to organize a C1 class that will start in early 2015.

If you are a couple or a single who would have interest in giving this a try please email Ron at: newsdcalls@gmail.com or contact us by phone at (585) 576-0301 with any questions or concerns.

We plan on lessons to be in the town of Greece, the cost to be \$2/person, have flexible class schedules and require casual attire.

We would like to have at least one square in the class, but lessons will be held if we have fewer dancers. Hope to hear from you soon.

Tri-club Dance

Saturday April 25, 2015

Steve Park

Steve began square dancing as a teenager with his family in 1973 and learned to call in 1975. He introduced his wife, Mary Ann, to square dancing when they began dating in 1977. They danced until 1984, when they took time off to raise their three children in Watki, MA a suburb west of Boston.

They resumed square dancing in 2005. With the assistance of local Callers, Charlie Trapp, and Bob Butler, Steve also resumed calling that year. He has also attended Ken Sittuco's Callers School in Manchester, NH.

Steve is a member of the Old Colony Callers Association of southern Massachusetts and of Caller Lab.

He is the club caller for the Hobomokk Hoedowners of Abington, MA, and calls throughout the New-England area.

Mark Thone

Mark and Marlene met at a singles square dance in 1990 and soon became regular dance partners. They started teaching as a round dance couple in 1987 and were later married in 1992.

Mark has been round and square dancing for over 35 years. Marlene has been square and round dancing for 30 years. They teach and cue all levels. Phase II-VI and currently lead two round dance clubs in the Rochester area, dancing levels II - IV. Besides being staff callers and leaders for a local square dance club, they organize classes and clinics as needed in the area and are guest callers for many square dance clubs.

64th NATIONAL SQUARE DANCE CONVENTION®
Springfield, Massachusetts
JUNE 24, 25, 26 & 27, 2015

Counting down, less than six months before the 64th National Square Dance Convention® in Springfield, City of Firsts, Massachusetts, June 24-27 2015! You still have plenty of time to register for this once in a lifetime event and to order things such as the New England Cookbook, featured later in this release.

We have added a new tour of the City of Springfield, details to come. We are also working to bring discounted shuttle service from the airport to the convention.

We have added new hotels and rooms. Please check with registration when you are completing your registration form. Do not forget to get your bus pass if you are not staying at the headquarters hotels. You can also purchase our cookbook, the sew and save book, "Needle Nook Notes," the Tribute to Neil Diamond Dinner and Show tickets, and syllabus for Rounds and Contra on the registration form. We highly recommend you purchase your program book using this form. This is the only place the program book and Daily Schedule will be sold. If you have already registered for the convention and did not order any of the above, just complete another form and add the additional items you want to purchase. Please add your registration number to the form.

Many items can be purchased from our website 64nsdc.org. Ways and Means also travels around to conventions in many states and has registration forms and many of the items for sale. We personally will be attending the Mississippi, Florida, and Ohio state conventions at the first of the year. I know we will have a table at the South Carolina convention in January.

Thanks to Shirley McEwen and Joan Gumkowski for the comments on the cookbook below:

The "New England Cookbook" that is being featured at the 64th National Convention! This coming year in Springfield, MA, is a brand new book authored by New Englanders. Featured recipes were submitted by square dancers, their friends, and some of the famous New Englanders who reside here. Included are approximately 200 delicious recipes, many New England historical notes, food facts, and helpful hints as well as some cuisine history of New England. There are many colorful photos from various famous locations in N.E., such as lighthouses, panoramic views of some of our beautiful mountains decked out in fabulous autumn colors, and popular lakes and coastal seashores. Locating a recipe is simple in this book due to the table of contents at the very beginning of the recipe section. The colorful dividers are helpful, separating the recipes by category and the colorful hard cover provides easy cleanup from splashes and fingerprints. We the authors are very proud of this beautiful book and urge everyone to get a copy.

Lynda and I have enjoyed reading the New England Cookbook and even if you do not cook you will enjoy the pictures, information and quality of this book.

We thank you for taking the time to read our release, and we really would enjoy seeing you at the 64th NSDC® in Springfield, MA June 24-27, 2015. We hope you had a great holiday season, and are enjoying 2015!

HOPE TO SEE YOU AT NSDC 2015!
