64th NATIONAL SQUARE DANCE CONVENTION®

Springfield, Massachusetts
JUNE 24, 25, 26 & 27, 2015

Counting down, less than six months before the 64th National Square Dance Convention® in Springfield, City of Firsts, Massachusetts, June 24-27 2015! You still have plenty of time to register for this once in a lifetime event and to order things such as the New England Cookbook, featured later in this release.

We have added a new tour of the City of Springfield, details to come. We are also working to bring discounted shuttle service from the airport to the convention.

We have added new hotels and rooms. Please check with registration when you are completing your registration form. Do not forget to get your bus pass if you are not staying at the headquarters hotels. You can also purchase our cookbook, the sew and save book, "Needle Nook Notes," the Tribute to Neil Diamond Dinner and Show tickets, and syllabus for Rounds and Contests on the registration form. We highly recommend you purchase your program book using this form. This is the only place the program book and Daily Schedule will be sold. If you have already registered for the convention and did not order any of the above, just complete another form and add the additional items you want to purchase. Please add your registration number to the form.

Many items can be purchased from our website 64nsdc.org. Ways and Means also travels around to conventions in many states and has registration forms and many of the items for sale. We personally will be attending the Mississippi, Florida, and Ohio state conventions at the first of the year. I know we will have a table at the South Carolina convention in January.

Thanks to Shirley McEwen and Joan Gumkowski for the comments on the cookbook below:

The "New England Cookbook" that is being featured at the 64th National Convention® this coming year in Springfield, MA, is a brand new book authored by New Englanders. Featured recipes were submitted by square dancers, their friends, and some of the famous New Englanders who reside here.

Included are approximately 200 delicious recipes, many New England historical notes, food facts, and helpful hints as well as some cuisine history of New England. There are many colorful photos from various famous locations in N.E., such as lighthouses, panoramic views of some of our beautiful mountains decked out in fabulous autumn colors, and popular lakes and coastal seashores.

Locating a recipe is simple in this book due to the table of contents at the very beginning of the recipe section. The colorful dividers are helpful, separating the recipes by category and the colorful hard cover provides easy cleanup from splashes and fingerprints.

We the authors are very proud of this beautiful book and urge everyone to get a copy.

Lynda and I have enjoyed reading the New England Cookbook and even if you do not cook you will enjoy the pictures, information and quality of this book.

We thank you for taking the time to read our release, and we really would enjoy seeing you at the 64th NSDC® in Springfield, MA June 24-27, 2015. We hope you had a great holiday season, and are enjoying 2015!

HOPE TO SEE YOU AT NSDC 2015!

Jason Raleigh

I began square dance calling in 1991 with the Kittyhawk Squares in Kettering, OH. I started my calling career in 1992 in the Dayton, Ohio, area under the instruction of Sam Dunn and other callers. I started judging in 1997, where it quickly became my signature trademark.

I have been a long time member of the Miami Valley Callers Association (MVCA) a new I am Past President of that organization. I am a former member of the Central Ohio Callers Association (COCA) where I held the office of Secretary. I am a current member of the Midwestern Ohio Callers Association (MOCA). I am also member of The American Callers Association (ACA). Since November of 2004, I have been a Certified Call Instructor through ACA.

Mark and Marlene Thone

Mark and Marlene met at a single square dance in 1988 and soon became regular dance partners. They started teaching as a square dance couple in 1987 and were later married in 1990.

Mark has been round and square dancing for over 35 years. Marlene has been square and round dancing for 30 years. They teach and cue all levels, Phase III and currently lead two round dance clubs in the Rochester area, dancing levels 2-4. Besides being staff canteen and hosts for a local square dance club, they organize classes and clinics as needed in the area and are guest canteen for many square dance clubs.
