

Hello,

My name is Ray Tompkins and I am a Square Dance Caller in the Rochester area. I started dancing in 1969 and calling in 1973. I called for teen clubs in the Rochester area.

I met my wife while dancing and married in 1977.

We were away from dancing for 30 years. I am back dancing and started calling again 2 years ago.

This letter is to get my name out there. I will do one night stand or start a group for your organization or church group.

I will also fill in if you need a substitute caller. I can teach and call.
