Find the Pittsford Community Center on the south side of Lincoln Ave. (in Pittsford Village) Park behind the building.

Walk from the parking lot through the main door.

Room 215 is on the east (right-hand) end of the building – up one and a half flights of stairs.

Take the ELEVATOR diagonally to your right ... take it to the 2nd floor (two floors up).

Turn RIGHT and walk to the end of the hall.

Room 215 is all the way down the hall, just to the left before the stairway.

If in doubt, ask the Receptionist how to get to Room 215. (or call Peter Emmel 585-732-1004)
