DANCE-O-RAMA 1963 NOW A MEMORY

The halls have emptied, the callers gone, the dancers dispersed! 1963 Dance-O-Rama was the best!

To the majority of our Area dancing population who attended, there is no need to sing the praises of all who were in anyway connected with the success of the affair. To those who could not attend, our sympathies and better luck in 1964.

PROMENADER has gone to each of the committee heads to get comments, statistics and reports as follows:

TREASURER-Don and Norma Weekes-No report available now--all the bills are not in but we're in the black.

SOFT DRINKS-Doc and Eleanor Chandler-the Boy Scouts (Troup 56) sold at least 1,200 soft drinks. They get all the profit, the money goes toward troupe expenses.

HOUSE-Al and Ruth Niblack-Everyone was a good helper, the many couples who took jobs for an hour or so all did a fine job, everything was very smooth!

DECORATION-Ambrose and Dorothy Baker-the big story here is Mr. Transistor who showed the hot shots a thing or two. Ambrose reports that Mr. T will not be dumped or dismantled but will live on--some plans are in committee to use him for promotion purposes. Who earned a Mr. Transistor badge? The report is still in committee.

CATERING-Ray and Dottie Handell-340 buffet dinners served to as many hungry dancers in an extremely short time. Very little waiting in line, the food seemed to satisfy everyone.

TICKETS-Chuck and Doris Rademaker-total attendance was 546 dancers. Out of town guests included 18 from the Utica-Rome-Oriskany area, 2 from Buffalo, 4 from Syracuse, 4 from Canada.

PRINTING-Jim and Mary Ann Higgins-600 programs were printed, 150 more than last year. Size was changed to fit a man's pocket, the entire schedule was fit into the center page for easy reference.

CALLERS-Ed and Marge Fox-staff was selected only after 20 some callers were contacted. Hiring of top flight men must be done at least one year in advance.

SOCIAL HOUR--John and Kay Welch-the coffee pot was a popular spot--an estimated 350 cups of coffee were served, 50 cups of tea. The Rochester policeman who was on duty praised the committee for being so thoughtful to have tea for those who wished it.

PUBLICITY-Frank and Stella Beahan-a nice spread of pictures in the Democrat. No pictures in the Times Union since they had featured pictures of the Teen-O-Rama. The Democrat reporter spent about 2 hours at the dance.

That's the wind-up except for this thought from PROMENADER...the next time you see any of the above persons, step up and say: "Thank you from me, thank you for working for the enjoyment of all in our Rochester Area square dance movement."

BEHIND THE MIKE AT RCA

A callers' workshop with Art Harris presiding will be held Sunday, May 26th at Chili Baptist Church, Chili Ave. & Paul Rd. near Rte. 251. Call Helen Principe HU2-7641 or Myron Huss NO3-7264 for reservations. Anyone interested is welcome to attend.

EKC-0 SQUARES TO HOST 1964 DANCE-O-RAMA
The EKC-0 SQUARES will host Rochester's 6th Annual Dance-O-Rama which is sponsored by the Rochester Area Federation of Western Round and Square Dance Clubs. April 18, 1964 will find the Kodak Park Recreation Center "Swingin" and "Swayin" to the calls of the Rochester and four national callers. The larger facilities at Kodak will accommodate the increased needs of Rochester's fast growing square and round dance enthusiasts.

The growth of the activity also permits an expanded dance menu to whet the appetites of all area dancers. The plans for the banquet are not complete; however, the chefs providing the culinary art will be the Rochester callers along with Al Brundage of Westport, Connecticut; Earl Johnston of Vernon, Connecticut; Lloyd Litman and Frank Mayerske of Cleveland, Ohio. The hash, patter and singing calls will be a gourmet's delight.

Late last year Earl Stafford, the 1963 Dance-O-Rama general chairman, and Ralph Weber, executive secretary of the Federation, made preliminary arrangements with the Eastman Kodak Company which resulted in the invitation to hold the Dance-O-Rama at Kodak as the guests of the EKC-0 Squares. The facilities will accommodate over 800 dancers with adequate room for each square.

LETTER TO THE EDITORS

During the past week numerous letters and phone calls were received complimenting the Dance-O-Rama committee for a most enjoyable and well scheduled program.

It should be of interest to everyone to know that the national callers, Dave Taylor and Singin' Sam Mitchell, considered the Dance-O-Rama to be one of the most outstanding festivals they have ever attended. Their comments on the enthusiasm of the dancers, the opportunity of two levels of dancing and the good sound equipment was most gratifying to hear.

We wish to extend our thanks and appreciation to the Dance-O-Rama committee and to the many couples who participated so energetically on the various sub-committees. Without the combined efforts of all these people success would not have been possible.

...Earl & Bonnie Stafford

CLUBS IN REVIEW.....

COUNTRY TWIRLERS

A phone call early on a spring Sunday morning and Country Twirlers was born!! Martha Hanson called me and said, "We just have to get a club started here in Gates-Chili!" The five couples, Kolbs, Holderles, Hansons, Wehles and Brunshidles, who had been square dancing together, decided to unite and run several open dances with our most helpful friend and caller "Tink" Tinkler at the Gates Firehouse on Long Pond Road. We held three dances that Spring.

In the fall of 1959 the group moved to the Chili Grange. After much discussion, the name Country Twirlers was accepted and our distinctive bright red barn badge was designed. The first election made the Brunshidles President; Major and Martha Hanson, Vice-President; Fred and Helen Kolb, Secretary and Ray and Irene Callahan, Treasurer.

Our first year was also the first year of the Federation and Dance-O-Rama. With the Spicklers and Vincents representing us, Country Twirlers all helped to make it a memorable year. Ginny Mestler made our handsome banner despite the help of her tiny Peter.

The next year, under the leadership of the Hansons as President, the Twirlers ended its season with the wonderful Grasshoppers Ball, which has become an annual affair with the children having as much fun as their parents. This was the year Bob Brunshidle undertook the instruction of our beginners class and it started a new avocation for Bob.

The Higgins, Mary Ann and Jim, gave most able leadership next and club membership continued to grow. This was the year of our first national callers, too. This was also the year that we decided to go on a Camping and Square Dancing Weekend at Orchard Beach campsite in Sodus, N.Y. It was such fun that the group decided it should become an annual affair.

Howard and Dot DeGrave are ably guiding the Country Twirlers now and also, under their capable instruction, a round dance program has been growing along with the squares. We dance on the 2nd and 4th Saturdays at Brasser School on Coldwater Rd. and visitors are always welcome. Our club has always been recognized as a friendly one and will continue as such because of its wonderful, friendly members. Quench!

HOT-FOOT HOLIDAY

Did your feet burn at midnite on April 6th? If you attended the full session of Dance-O-Rama perhaps they had reason.

Several weeks ago we obtained a pedometer--you know, the thing you carry to see if you've walked 50 miles to qualify for the President's Physical Fitness Program. We've worn the pedometer to several club dances and found that, in the course of an evening, we average around 3 miles. 3 Miles! A pedometer can't allow for twirls and balances, goofs and trips to the water fountain. True, but the nature of the beast will allow it to be calibrated to correspond to an even number of steps to the mile, so ours means that we've taken 2,000 steps when it reads 1 mile.

So we set the pedometer at 0 at 2:00 and started dancing. We eliminated round dances, but we visited the dealer displays and climbed to the balcony to watch the Tuckers' workshop. The enjoyable business of eating prevented us from dancing the entire RCA session, but we did get in one tip. The flesh became weaker as the evening progressed, and we actually sat out one tip. It's difficult to see why we tired because on Friday night in practice we had no trouble dancing from 8 to midnite.

On Saturday night, we danced until the last tip was dead and the happy mob dispersed. Then we dragged out the pedometer and read the total. It read exactly 10 miles, or a total of 20,000 times we had picked 'em up and put 'em down. No wonder they were hot dogs!

SQUARING AT MIDTOWN

A group of 5 sets representing the Genesee Dancers and the Country Twirlers contributed their time Monday night, April 22nd to launch a series of promotional performances at Midtown Plaza to benefit the annual Community Chest-Red Cross fund drive. Arranged by Jim Higgins thru the Rochester Ad Council, our dancers, responding to Tink Tinkler's calls drew applause. They shared the program with pert Pat Torpey and a western instrumental group. We need a volunteer to talk Pat into being a western caller--she'd be a dandy!

DID YOU KNOW THAT a youth student caller's class, sponsored by the Greece Y, meets on the first and third Saturday mornings under the coaching of Ernie Johnston?

ODE TO A CALLER'S TAW

In what we refer to proudly
As the "American way of life",
Society has developed
A peculiar type of wife.

She seems to have no husband
Although she has been wed;
We even call her "widow"
'Though her husband's far from dead.

She it is who cuts the grass
While her husband tramps the greens;
Or when the trout are running,
She's putting up the screens.

Alone she watches the late, late show
While her mate deals "one more hand",
Or perhaps he's bowling with the boys
Or practicing with his band.

But, of all these "hobby" widows,
There's one figure most appalling,
She's the little hen whose rooster
Takes up square dance calling.

It's a sneaky, vicious hobby
For it starts as a harmless one;
The little woman doesn't mind,
If he calls one - "just for fun".

But soon he turns up missing--
He's holed up in the cellar;
His household chores are piling up,
While he sings of "Rosa-Bellar".

After awhile it seems
He's hardly home at all;
He's found a couple sets
Who love to hear him call.

Very soon he has a club--
Then it's three or four;
As a handyman around the house
He's lost forevermore!

So little wifie learns to paint;
And if she wants a shelf,
She buys some wood - reads a book-
And nails it up herself.

Note: Written by Norma Harvey in honor of Lucille Tinkler's birthday.

And still she's always there--
To see that he is fed;
She keeps him looking clean and neat,
And warms his empty bed.

She describes him to the children,
So they'll not scream in fright
Should they chance to meet him
When he's home some dance-free night.

But, ere long he needs a partner
The rounds to demonstrate;
So she's drafted to the cellar
While her unwashed dishes wait.

She has to give up ironing--
Her clothes she cannot sprinkle;
She's so involved in learning
To two-step, twirl and twinkle.

Altho her feet may kill her,
And her furrowed brow feel clammy,
She dare not miss a step
Of "Gadabout" or "Tammy".

But, once the rounds are over,
(Altho she loves to dance)
Because her man is calling,
She seldom gets a chance.

And altho we leave her sitting
Glued for hours to her chair;
We always feel a sense of loss
If some night she isn't there.

For our spirits always brighten
When we see her smiling face,
And the evening's more complete
If she's in her usual place.

Her patience, charm and willingness
To fill in where she's needed,
We're sure won't go forever
Unrewarded and unheeded.

Tho' it may not be till Gabriel
Calls all square dancers to advance,
We feel that surely, someday,
She'll get her chance to dance!

CLUB NEWS

ROCHESTER ROLLAWAYS

The Rollaways recently elected new officers and members of the board of directors. The officers, whose terms will run from April 1963 to April 1964, are: Chairman, Gene and Jean Boyd; Vice-Chairman, Gordon and Connie Nitsch; Sec-Treasurer, George and Lila Shoales.

The new board members will hold office until April 1965 and will be our officers for the second year of that term. Those elected were Ed and Marge Fox, Al & Jane Manning, Charlie and Perkie Tucker. A real fine group of dancers there.

A party has been planned for May 3rd at Penfield Legion Post. There will be dancing to tapes until midnite and then a buffet dinner will be served.

As of mid-April John Muench was still in the hospital recovering from his operation. John will be out of action for several more weeks. His address is 313 Spencer Road, Zone 9, for all you card senders.

George Campbell was our guest caller on April 28 and lived up to the promise that he is better than ever.

The Rollaways congratulate Earl and Bonnie Stafford and their fine committees for the terrific job on the 1963 Dance-O-Rama.

FIDDLE A ROUNDS

Thanks to Lu and Walt McKenna and Carrie Smith for finishing our new banner in time for Dance-O-Rama. As the young folks say, "It's the most!"

Speaking of young folks, we are glad to see some young adults taking such a serious interest in round dance teaching. They are so wise to consult those already experienced in this field.

Because of Dance-O-Rama, we learned two new round dances last month: Lucky and Canadian Sunset. Our review dance was Kiss Waltz.

Lou and Don Hickes deserve a blue ribbon for their true to life photo in the April 7th Democrat.

Charlie and Perkie Tucker certainly did an A-1 teaching job at Dance-O-Rama. It was unfortunate that the noise in the adjoining room made it impossible to hear Charlie at times. When demonstrating a dance, and not using a mike, it is so important to have a quiet place in which to teach. Also, let's face one fact: unless a person is a genius, it is practically impossible to learn new dance patterns without a thorough knowledge of the basics.

Ray and Irene Callahan

IRONDEQUOIT SQUARES

Hey! Where is everybody? Seems like years since we have had a club dance.

Plans are moving along for our annual picnic. The date is Saturday, June 22nd, Hamlin Beach Park, same time, same pavilion. Don Kennedy will be calling.

GENESEE DANCERS

A gala and most pleasurable evening was enjoyed on April 2nd at the Barn when our class received their diplomas. The square featuring the eight members encased in boxing gloves was a knockout. When the four Crepe Suzy Q's from Broomtown took those nice guys away from their gals all eyes were focused on the demonstration which met with the greatest approval. Don and Dorian were "auctioned" off so we won't see them again this year.

The cake decorated by Dorothy Clark was very apropos with graduates adorning it. A big thank you goes to Don & Dot Clark, Chairman, and their committee of Charles & Rosemarie Gardner, Harold & Hazel Conklin and Al & Blanche Hoffman.

SYMPATHY - Our condolences to the following members whose close relatives passed away recently:

Don & Lou Hicks - Lou's mother, Amelia Colby.

George & Marion Kerridge - Marion's mother, Mary O'Neill.

Leo & Virginia Reifsteck - Leo's mother.

Genesee Dancers are in possession of a Friendship Banner belonging to Y.M. Squares of Holland, Michigan. It moves from one club to another any distance beyond 100 miles and was brought to our club by Ed & Wally Gladis upon returning

GENESEE DANCERS (CONT'D.)

from the Swinging Squares in Utica, N.Y.

Al & Ruth Niblack, Chairman of the Trail End dinner dance, are getting things lined up for a good party. It will be on Saturday, May 25th, at 6 p.m. Our guest caller for that evening will be Gordon Lindland from Ann Arbor, Michigan.

Jerry and Hazel Root were missed at the recent dances but we hope they are enjoying their annual trip in the Southland. That's all - we thank the nice people and take four.

BELLES 'N BEAUS

NOBODY EVER SELLS ME ANYTHING, but I managed to buy a ticket on the black market. So--oo off I went to the Dance-O-Rama. I won't say it was close dancing, but when the caller said, "pass thru", I didn't have to. The dancers were divided into two groups, those who got stamped on and those who did the stamping. I joined one set outside on the patio. We were doing fine, till I stepped in the birds' bathroom and nearly broke my neck.

There was a splendid group of callers during the day. Of course those who called in English made the biggest hit. At night there were Dave and Sam, the Mutt and Jeff of square dancing. Sam had on his Easter suit. I wonder what color it was before it faded. Then there was Mr. Transistor, he called in four languages, I think. Now if some one will invent a pair of electronic roller skates to wheel me thru the calls, everything will be fine.

Everybody went to an after party. I had a choice of two places, my mother-in-law's or home, but I overheard someone say that they were going to the Inn. So I went to the Inn. It had one of those cozy, dark sitting rooms. It was kind of cute the way they used seeing-eye dogs to lead you to a table.

I ordered a pitcher of brew, and I poured for about three minutes before I filled the glass. When I put my elbow on a sopping wet table cloth, I knew why it had taken so long. I'm sure there were other people at the table, as I could hear them breathing. If any of you were there, please write me, as I would like to know whom I was with. Thanks anyway.

....Hal Abberger

COUNTRY TWIRLERS

All the Country Twirlers who attended the Dance-O-Rama had a wonderful time and all agreed that the Committee did a marvelous job.

What with Dance-O-Rama and Easter preparations, there is not much to report; although on March 30th the Country Twirlers were the guests of Irondequoit Squares and the large number who attended had a very good time. On the same evening, a few of us travelled to Buffalo to attend a dance called by Curley Custer and a few others enjoyed a Cellar Party.

...Kay and Marve Falls

SWINGIN' EIGHTS

Don't forget-All Rochester Club Level Dancers-Saturday May 4th. Frank Mayerske will be our caller. Admission will be \$2.50 per guest couple and the dance will be held at the Hosea Rogers school on Northfield Road in Irondequoit from 8 til 11 p.m. Tickets will be available at the door.

Swingin' Eights will inaugurate a new frontier in programming for the 1963-64 dance season. To provide our members and friends an opportunity to improve their dancing skills, our club has scheduled a travelling caller each month as part of the regular dance program. The remainder of the schedule will be devoted to workshops with our own "Tink" Tinkler.

The out of town callers will be:
"Singing" Sam Mitchell, Lansing, Michigan,
Johnny Hendron, Boston, Mass.
Earle Park, Yorkton, Canada.
C. O. Guest, Dallas, Texas.
Frank Mayerske and George Jabbusch, Cleveland, Michigan.
Thanks to Russ and Doris Jenkins for contacting and arranging such a star studded travelling callers' program.

John Muench is recuperating quite satisfactorily from recent surgery - hurry back John for we miss you.

Earl and Bonnie Stafford did an excellent job as Chairman of the Dance-O-Rama and our club is rightfully very proud of our President.

...Bud Young & Norm Metzinger

EKC-0 SQUARES

Enjoying a preview of warmer weather in Florida were Helen & Al Magin. Ditto for Fran & Harold Connelly who rounded their trip out with a boat cruise to Nassau. Patronizing the competition, Francis & Dave Melton headed west to California with, no doubt, a stop off at Reno for a bit of night life.

During March Helen & Owen Whitehead became the proud grandparents of a young man dubbed Gene. Helen scurried off to Washington to liven up his first few days but made it back in time to accompany Owen to the Dance-O-Rama. Ed Fox missed this affair though, due to the after effects of a bout with the flu. He hopes to make it back to active duty some time in May. Meanwhile Marge entertains him by playing toe-tapping tunes on a newly acquired electronic organ.

About 12 couples attended the Utica S.D. festival on April 27th but not before enjoying Dick Jones' appearance on the 17th and welcoming 27 couples into the club at the annual graduation dinner-dance staged April 22nd.

As was done last year, EKC-0 SQUARES will sponsor one national caller dance a month in our air-conditioned auditorium during

June, July and August. Wallet size schedules are available in addition to the usual announcements in PROMENADER.
