## WELCOME TO THE SQUARE, ALL OF YOU!

### HOW FICKLE CAN YOU GET?

We note in March Sets In Order that caller Don Kennedy on page 65, says that SiO is "the monthly wonder"... "each issue tops last month's," etc. And all along, we believed it when he told us that PROMENADER is the best square dance publication. Gives you that jilted feeling you know!

K.P.A.A. SPRING DANCE TO BE AN ANNUAL EVENT

The response to the dance held in Building 28, Kodak Park, on March 13 went beyond all expectations and definitely indicated the desire of everyone present to repeat the event next year.

Because I have been "grounded for an indefinite period" by my doctor, I had to miss the dance. However Frank Mayerske and his lovely wife visited me the following day with a verbal picture of the marvelous evening.

Frank said he counted either 33 or 35 squares of enthusiastic happy dancers. He commented favorably on the ability of the various instructors in producing capable and confident dancers. "The floor just seemed to be alive," he said, which indicated to him that everyone was having a good time. The dancers didn't sit down at the end of the tip but stood waiting for him to call again. Myron Huss came to Franks rescue now and then with a round dance.

Many of you reading this know more about this dance than I do because you were there and helped to make this a gala affair for the beginners classes.

Mr. G. M. Krembel of K.P.A.A. has a contract with Frank Mayerske for March 12, 1966 to call the 2nd Annual Spring Dance.

Many people directly or indirectly helped to put this dance across and I would like to extend my sincere thanks to them. "Hack" Krembel, as host, provided the place and caller; the various club presidents, both present and past, encouraged the classes to attend; the class instructors did a splendid job of preparing the dancers; the many club members who attended boosted the morale and gave the classes confidence.

Frank Mayerske like the veteran caller he is kept the floor moving and alive all evening. And last, but by no means least, are the beginners classes themselves, they, too, were important---they made the dance a success.

### IT'S A BIG BIG BIG BIG DANCE IN BIG D

### "DIP AND DIVE IN '65"

The labors of many months of many BIG minded Texans will be evident to many thousands of dancers out Dallas way next June 21, 25 and 26. Those are the dates of the 14th National Squares Dance Convention.

In character with the Texans' reputation of BIG doings the host organization, the North Texas Square Dance Assoc. is going all out to make this 14th the biggest ever.

Included in the publicity information received by PROMENADER are these gems of information: Dallas Chamber of Commerce wrote to us with publicity blurbs, offered glossy photos for use in news media...Clave and Bee Cooper, publicity vice-chairman, gently scolded us for not giving more space to their event, they point out that their success is based on the cooperation of our square dance publications to spread the word on the 14th...they will distribute as many copies of PROMENADER during the convention as we are willing to send...an after party to make your mouth water, a real Texas pit cooked hickory smoked barbecue and a championship rodeo at the State Fair Park, catered by Walter Jetton who has catered some of LBJ's barbecues...use of a multi-million dollar computer on the campus of Southern Methodist Univ. to process the registration information of the thousands of dancers who will attend, saving hours of work by the committees, to answer all questions of attendance by groups, by areas, by interests, etc. in a matter of seconds...registrations have been coming in at the rate of nearly 200 per week...a grand march is scheduled, headed by the beautiful Klugore Rangerettes...two full squares of dancers have registered from far off Saudi Arabia...an invitation to your editors to attend a free luncheon for the press (but how to get there?)...a program of square dancing, round dancing, contra dancing, teenage dancing, pre-teen dancing, discussion panels, workshops, clinics.

A "National" is an unforgettable experience to any square dancer--the contacts, the quick friendships, the color, the costumes, the "square dance spirit" are thrills to keep with you forever. Dip and Dive in '65!

**CHILD CARE HINT:** How do you keep your children out of the cookie jar? It's easy--lock the pantry door and hide the key under the soap in the bathroom.

# CLUB NEWS

## BOOTS 'N SLIPPERS

Our club members were guests at a Valentine Dance Party, given by the Boots 'n Slippers' beginners' class on Feb. 16th at the Henry St. School in Hilton. Refreshments included varieties of cakes which were baked and beautifully decorated by the class members. A tip of the hat goes to the instruction class for a job well done, a good time was had by all. The caller was Bob Brunshidle.

Four couples of our club demonstrated Western style square dancing at the Hilton Rotary Show Friday and Saturday evenings, March 5th and 6th. The dancers were Bob and Alice White, Don and Jean Newton, Warren and Betty Gavigan and Dick and Jane Lauer. The caller was Mike Callahan.

The Swinging Eights were our guests on Friday, March 5th. The Triggers signed the guest book the following Friday, Mar. 12th.

Our instruction class will soon be graduating and we are looking forward for them to join our club as members. Good luck to them and happy dancing! Many thanks to Bob Brunshidle for a job well done in instructing our new class.

...Pete and Bobbie Molinari

## LIMA GRAND SQUARES

SAVE THE DATE.....JUNE 4TH

The Club appreciates the excellent turn out of members and beginners at Batavia. Despite the fog and poor driving conditions, we had about five sets of Squares on the floor. Our hosts, the Batavia club, were most hospitable and made our visit one we will long remember. Our thanks to them

March 19th was graduation night for the class. These are the hardy ones who since last Fall have struggled, straggled, stumbled and staggered thru all the complex patterns and figures and finally emerged as "square dancers". Welcome to the Club... let's all be boosters of the Lima Grand Squares!

The graduation program marked a new first. After the diplomas were presented, Don Stumbo started his new "class"...and how

they needed his instructions! Did anyone recognize the "lovely ladies" who were the partners of the men from the beginners' class on their first club level tip? It was a fun filled evening, topped by the superbly decorated graduation cake made by Mary Sorensen and enjoyed by all.

We were sorry to hear that Doris Sixt has been in the hospital and in traction for a back injury. She is now home and we wish her a speedy recovery.

There will be a special May Day celebration dance on April 30th similar to the one last year. Maybe those who missed it last year would like to join us this time for an evening of fun and surprises.

A covered dish supper will be held May 14th, with dancing to follow. The Club will furnish rolls, butter, coffee and meat. Bring a dish to pass. A small contribution will be asked.

IRONDEQUOIT SQUARES

A big "HELLO" to Kay Welch. We are glad that your stay in the old horse-pistol was fairly short (what she has is not contagious, folks) and that you could come back to dance with us. Looks like Kay will be doing her usual good job of decorating in time for Dance-O-Rama. We were never worried for a minute.

Graduation night was March 27th, when we presented diplomas to 22 new members. Best of good luck and lots of "square your sets" to you. We are sure you will find much enjoyment in the square dance movement. Many thanks to Chuck Prister for his hard work instructing. Thanks too, to Gerry, for sparing him for so many evenings.

Prexy Bob Scott reports that at all dances we will try to have a tip for all you "Mad Hatters". To qualify for your Mad Hatters badge you must dance one full tip wearing your Western hat. That hat must be owned by you. If you are not already a member, come dance a tip with us to earn another fun badge.

The Squares will be represented by a demonstration square as part of the entertainment on the Community Chest-Red Cross campaign Thursday, April 29th at Midtown Plaza. Best wishes to this group.

Reminder: Belles 'n Beaus... April 10 is your night to dance with us as our guests.  
... Paul and Anne Mutter

FIDDLE A ROUNDS

Charlie and Perkie Tucker, our leaders, and Ed and Helen Principe spent a week-end at "Round-A-Cade" in York, Pennsylvania this past month and learned 11 new round dances under the direction of the Hamiltons and Turners. Singin' Sam provided the square dance program. This was not enough for the Tuckers; they also attended the Washington Festival for 3 days with Walt and Lucille McKenna. And, to top it off, came back to teach us "Lefty Louie" the following Monday. I'd like to describe "Lefty Louie" but can't.

Other travelers we miss, and also envy, are Don and Lu Hicks and Tip and Millie Costich. They have been in Florida.

Round Dancers... just where do they come from, anyhow? Using the FAR's as a case in point, the breed is made up of enthusiastic square dancers who have found further enjoyment in the change-of-pace rhythm and challenge of styled round dancing. All FAR's are active in area square dance clubs and currently represent 8 of the 10 Federation member clubs. Over 50% of the Fiddle A Rounds belong to two area square dance clubs! They dance at organized dances an average of 10 times each month, to say nothing of frequent basement sessions and square dance week-ends.

They are also active club workers and organizers. Of the 24 members, 4 currently hold club offices and 18 have held offices during the past 4 years.

What does all this lead to? One thing, regardless of their historical place, they are truly Western Square Dancers!

Gordon Nitsch

A well informed man is one whose wife has just told him what she thinks of him.

## EKC-O SQUARES

We are happy to report that our president, Linc Osborne, is well on the road to recovery from his recent illness. Everyone wishes him a speedy return. In his absence, Veep Gordon MacDonald and his wife, Dorothy, are doing a fine job of keeping the activities of the club rolling.

A big "thank you" to the Boots 'n Slippers for inviting the Squares as guests to their dance of Feb. 19th.

Everyone enjoyed a pleasant evening of dancing on Feb. 17th when the Rollaways were our guests. Also on that night, several couples from Joe Reilly's Windom Whirlers of Orchard Park paid us a visit.

Glad to see Kay Welch back dancing with us again after she spent a week in the hospital. Hospital or not, her work on the decorations for Dance-O-Rama continued.

Congratulations to Elmer and Claire Wittman on their new grand-daughter.

Don't forget, on April 28th the Lima Grand Squares will be our guests, and on May 5th, Vaughn Parrish from Boulder, Colorado will be the visiting caller.

Bob Page, from Hayward, California, called to a full house on March 10th. The auditorium literally rocked to his rhythm. Bob is well known for his recordings. He also serves as square dance editor for the Workshop articles appearing in "Sets in Order".

Our beginners' class will soon be dancing with us. Graduation will be April 19th.

...Larry and Ann Bartlett

## ROCHESTER ROLLAWAYS

Did you notice? Last month, seamstresses danced with a far-away look; Norma Weeks knew more measurements than a beauty contest judge; husbands, nervously clutching wallets, were hustled off to Royal, Wenigers, F-Bar-H and Town & Country. The double barreled reason was Dance-O-Rama on the heels of a Lloyd Litman dance--a superlative combination.

Meanwhile, Rollaways were hitting the road (and air) in all directions, and as one who seldom travels west of Buffalo, it is with great respect that I report: Bacons-Europe, for skiing; Jim Doris-Colorado, for same;

Marge Fox-Georgia, for meeting with new grandson; Fitzgeralds, McKennas, Tuckers-Washington, for Spring Festival; Smiths, Wildeys-Myrtle Beach, for camping and dancing on the sands; Principes, Tuckers-(Oh, relax, Gordie, I won't tell. You see, so many Rollaways are Fiddle-A-Rounds that Gordie and I have a thing going about who writes what about whom. This month I generously gave him Principes and Tuckers.)

We Harveys did make one small trip--out to Chili Town Hall to participate in a Hobby Show. Our hobby? One guess. We were, as Helen Johnston says, "spreading the gospel". Country Twirlers' Alene and Clayt Potter were there also, with a collection of miniature books and one of their Edison cylindrical-record phonographs. Incidentally, Clayt borrowed Bill's mike and demonstrated his fine calling ability.

Our feature this month was to have been the Bruces' BIG announcement. I told Peggy how editor B.B. (Big Boss) hounds us to get this stuff in on time, and she tried nobly to meet our deadline, but, unfortunately, the stork wouldn't cooperate. We've all enjoyed their infanticipating; she has been so well and happy, and even Sam showed very little strain.

And, on this pleasant note, I'm signing off--with a word of advice. If your club asks you to be a reporter (or anything, for that matter) say "yes." Last year, I died a thousand deaths thinking of what lay ahead, but it hasn't been bad at all. I've even enjoyed it!

...Norma Harvey

## SWINGIN' EIGHTS

On Friday night, March 5, the Prados, Macomber, Kleins, Whiteheads, Jenkins and the Sheplers settled the "blueberry pie" as the guests of the Boots 'N Slippers. Thanks--Hilton Gang.

The club was host to the beginners group on March 6. Everyone enjoyed the dance and the dancers. "Tink" Tinkler was asked to call a tip. He obliged and did a very nice job.

Trail End dance this year will be at the Lake Shore Country Club on May 15. Jeff and Millie Guiffre are chairmen and Olga and Norm Fritz and Ana and Thorpe Roberts are co-chairmen. A gala time is planned.

"MIDLAND CHARGE PLAN"

SWINGIN' EIGHTS (Cont'd.)

Tom Trainor will be calling for us on April  
24 at Hosea Rogers School.

On March 30, our beginner group graduated  
"cum laude" under the able direction of  
"Professor Tinkler" and all his "angels."

It has been my personal observation that  
quite a few of our members attend other club  
dances in the area. This is one of the best  
ways to broaden your knowledge of square  
dancing and meet so many nice people at the  
same time. I wholeheartedly encourage all  
beginners, new members and regular members  
of our club to do so.

...Bob and Jeannette Meagher

GENESEE DANCERS

The Valentine Party on February 11 with Art  
Harris calling was most enjoyable, as usual.

Also, dancing to Max Forsyth on the 18th was  
a delight and drew a crowd of nineteen sets.  
We are all looking forward to his next visit.

It was nice to see Don and Lucille Pratt at  
the Max Forsyth dance after a long absence  
due to Lucille's illness. We hope that  
everything is fine now Lucille and we will  
see you often at Cutler Union.

By the time this issue goes to press Al and  
Ruth Niblack will be dancing in Boca Roton  
and other parts of Florida, where they are  
vacationing for the next few weeks.

Hal Abberger says, "Nobody ever tells me any-  
thing", but someone told us that he has been  
serving on Jury.

We understand that since Dr. Waldo Westwater's  
retirement on January 1, he and Bea have been  
very busy working with the teen-agers in pre-  
paration for the Teen-O-Rama which was held  
on March 20.

We were glad to see Jim and Tut Ransom again,  
after a long absence.

Sorry to hear about the Hansens' car being  
stolen from in front of Cutler Union recent-  
ly and hope it has been recovered by this  
time.

...Ted and Nell Johnson

## BELLES 'N BEAUS

On March 15th, we sat down to a most delicious supper served in pleasant surroundings at the Greece Grange Hall. Fifty-seven couples were in attendance. This was followed by an enjoyable evening of dancing. While this was a first "supper affair", judging by the satisfied comments of those attending, it will not be our last.

On the "drawing board" for future events are plans for a Family Picnic. More about that later!

On Monday, March 8, we played host to our beginners class. They demonstrated an ability to dance that was a credit both to them and instructor. We look forward to their joining the club in the fall.

At last count, almost 60 couples have signed up for Dance-O-Rama. It looks like a gala affair.

So, Lezz Dance  
...John and Marion Butler

## COUNTRY TWIRLERS

The club extends its sympathy to Trudy Burandt on the passing of her mother. Congratulations to Ken and Lill Boss on the birth of their EIGHTH (8th) daughter. Who turns who?

On February 25, 1965, two sets of Country Twirlers entertained patients at the Rochester State Hospital. Our charitable dancers were the Fieges, Blinds, Codys, Falls, Goldsteins, Johnstons, Vincents and the Voglers. Ed. note-a most admirable project.

A terrific job of decorating made our Valentine's dance a happy occasion. This was done by Horace and Ellen Price along with Bill and Mary Couwenhoven.

We all wish Ann Predmore a speedy recovery. We'll be looking for you at the dances, Ann.

Betty and Larry Deisinger announced the arrival of a new grandchild. Congratulations to you both.

...Ollie and Bill McHugh

## TRIGGERS

Sure do want to thank the Boots 'N Slippers for inviting us to be their guests on March 12. We enjoyed Bob's calling and were delighted that Cal Lauder, our vice-president, was the lucky one to win the "Door-Prize"-you know-"A DOOR that opens to New Friends". The Boots 'N Slippers were very kind to our gold door and very

graciously left their "calling card" on it. Thanks again.

Al and Harriet Jerram invited the Triggers over recently to baptize their new basement. Between Red Smith and his shoes (look at them sometime!) and our "Stick in the Muds", Ed and Blanche Ollie Lawson, (it is sticky, isn't it Ed?) a fine time was had by all.

The Triggers have added another "Fun Badge" toward their goal of "Royal Badges". We earned the "Teacher's Pet" badge recently, when our own Myron Huss called an open dance for the Longridge School PTA.

Peg Huss (I think it was Peg, with her cold and larengitis, it's difficult to tell if it's Myron or our "cue'er" Peg) awarded the new badges at one of our recent dances. She also gave Bill and Sandie Tacy the "Square Angels" badge, which is appreciated very much. A word of thanks always goes a long ways, but something like this means more than anything else! Thank you Triggers and Hussesssss!

We want to wish our Pres., Len DiCesare, a speedy recovery. We know he won't enjoy the DOR as we hope all the rest of the Federation members will, if his back isn't back to normal. Len--you're going to have to be careful doing the Samba - honest.

C.U. all at the D.O.R. - as Confucius say, "He who uses D.O.R. tickets be happy fella (unless He be happy She)."

## NON-FEDERATION ACTIVITIES

Friendship Squares Saturday night dances, May 1st and 15th, Floyd Winslow school; Don Pratt calling.

// Never imagine  
// yourself not to be  
// otherwise than what  
// it might appear to  
// others that what you  
// were or might have  
// been was not  
// otherwise than what  
// you had been would  
// have appeared to  
// them to be otherwise.

The Lima Grand Squares seem to be very mysterious about that special surprise event on June 4th. They promise to release it to the world in next issue of PROMENADER.
