

"PROMENADER"

VOL. IV ISSUE 2

ROCHESTER, N.Y.

NOVEMBER 1965

172 COUPLES SIGN UP

Forty three sets of newcomers have been organized into instruction classes by the Area's square dance clubs.

The customary enthusiasm is again prevalent among the dancers and to quote an old cliché "they are having a ball."

Again this year, as in the past, hats off to the club officers and their committees for a job well done--without this annual "push" for newcomers our hobby would certainly fold in time.

Belles 'N Beaus, 5 sets; Country Twirlers, 4 sets; EKC-O Squares, 4 sets; Friendship Squares, 3 sets (Geneva branch, 5 sets); Genesee Dancers, 8 sets; Irondequoit Squares, 4 sets; Lima Grand Squares, 3 sets; Swingin' Eights, 3 sets and Boots'N Slippers, 4 sets. Triggers class will start in January.

AN INTERNATIONAL SQUARE AROUND TOWN

I knew you would miss me. I was told that many dancers even had the correct change ready, but I didn't come to the dance. So you saved fifty cents, but only for a short while. I'm back now dancing at least as worse as last year, if not worse.

Oh! I must tell you the reason I was absent. I went on a business trip to Mexico City, and what you will be interested in is that I went to a Mexican square dance. I didn't actually dance myself. I only watched them dance. I'm glad I didn't dance with them, because they get awful mad when anybody goofs, why they, but now I'm getting ahead of my story.

It was on Sunday afternoon when I asked a man on the street, "Does anybody square dance here, and if so where?" At first he didn't understand my Spanish, but I

shuffled my feet several times. He brightened up and said, "Si, si, Senor." He then pointed to a large building at the end of the avenue. I bought a ticket for ten pesos and went in.

Well, this was different! The building was a large open auditorium and I had paid to watch a demonstration. Actually, almost everything was different. There were four seniors, who were dressed magnificently. They wore beautiful sequined vests and they all carried red capes. There were no senoras or señoritas, but instead, now get this, they danced with a well trained he-cow.

The band played and the crowd would shout calls. I only recognized a couple of movements that were called. The crowd would shout in Spanish, "O Lay" which probably meant Do Sa Do because one senior would gracefully wave his cape and the he-cow would do sa do around him. They were doing some beautiful dancing until one time the he-cow was supposed to do sa do, instead he goofed and tried to star thru.

Well, as I mentioned above, the senior got real mad and the next time the he-cow tried to star thru, the senior pulled a long knife and stuck him with it. Now the he-cow got mad and did something like a Centers in and Cast off and he tossed the senior right over the wall. Well as I wrote earlier, I was glad I didn't get into the set. In the first place, nobody should get that mad if somebody goofs and in the second place, I'm bashful. I can't dance before an audience.

Mucho gracias, anyway.

Representatives of all the clubs met on
Sunday, October 17 and selected JOHNNY-O-
POLKA as the second round dance of the
season for the Rochester Area. As you
know, VELVET GLOVE was the first. Our
aim is to choose four rounds a season and
hope all the clubs will dance and enjoy
these rounds at their own club as well as
when they visit others.

CLUB NEWS

BOOTS 'N SLIPPERS

Well, club news is at a premium this month. Talked with club officers and they have everything squared away, hoping for smooth sailing till the end of the year.

We all have wallet sized schedules that start with Bill Bartsch in September and end up with Bill in May. There are also ten guest callers. Looks like a real good year.

Hilton now has a teen club. Bruce Shaw is caller. They meet the first and third Sundays of every month at the Lutheran Church.

Get well quick for the Woodams' daughter, Keitha. We are also worried about Herb, it seems he's been putting his nose to the grind stone too much lately. The biggest mystery yet though is Howie's new way of walking.

I wonder who is coming to the Hallowe'en dance as Santa this year. My ears have been burning but I won't tell. By the way, don't forget the Nov. 12th dance has been cancelled.

...Jane and Dick Laurer

IRONDEQUOIT SQUARES

To Paul and Anne Mutter.....Help!

Our hats off to the Triggers and EKC-0 Squares for the fun and enjoyment they lent our group. I wonder if Don's ears have been ringing lately, for the many compliments that have been coming his way for his smooth calling.

If there are any expectant mothers about, the Brodnars are willing to teach you how to do pickles. If they are busy, there are always the Welch's Johnstons and Biblers to help out. We understand Bill was crowned "King of the Wine"...whoops, we mean Brine.

Our congratulations go to Ernie Johnston whose suggestion won him a well earned Kodak bonus. The club is ready and willing to help you paint the town RED, Ernie, so let's go.

...Phil and Peggy King

ROCHESTER ROLLAWAYS

Rollaways are looking forward to a special Anniversary Party on November 26th to celebrate seven years of dancing with Don Duffin as club caller.

The big news of the month is the arrival of a daughter, Heather, on Tuesday, October 5, to keep Ry and Gunny Rogers busier for at least the next twenty years.

We were glad to welcome back Ed and Marge Fox after the exhausting ordeal of getting daughter Kathryn married and off to Jamaica on her honeymoon. Best wishes to Kathryn and John. Hope they will soon be enthusiastic square dancers too. Most of our late vacationers are back dancing now except for our bird watchers. Do hope they are not lost in the Montezuma Swamps.

Thinking back to our Anniversary, we would send best wishes to an original member of Rollaways, George and Marian Kerridge during his long stay in West Side General Hospital and say we wish him well again soon.

...Lu and Don Hicks

LIMA GRAND SQUARES

A special "hello" to Lockie Gravett who is up and around again after months of convalescing from an operation. We hope to see you dancing soon.

Our sympathy to Marilyn Shanks and her family on the recent passing of her father.

We will be celebrating Thanksgiving a week ahead of time by having a covered dish supper on November 19th at 7:00 P.M. Just bring a dish to pass. Dancing as usual after dinner.

Our thanks to Chuck Prister for his excellent instruction of our beginners while Don Stumbo was touring New England.

For an evening of fun at minimum cost (\$5 per couple) come to our New Year's Eve dance. For those who like to eat as well as dance, chips, dips and punch will be on hand throughout the evening. Fancy hats and noisemakers will usher in the new year. Maybe Ken would sing for us again! Last but not least, a complete breakfast to conclude

LIMA GRAND SQUARES (Cont'd.)
a most enjoyable New Year's Eve celebration.

...Reg and Gwenn Wolfenden

EKC-0 SQUARES

The new season of dancing is well underway. Regular members are brushing up on some of the calls that have slipped away. Seventeen couples of enthusiastic dancers have joined the class this year. Having the club and beginners' class on the same night has sparked a good exchange of on-lookers and helpers for the class.

Howard and Clara Griffin are the PROMENADER subscription representatives this year. As you enjoy reading your PROMENADER, remind yourself to keep the issues coming for another year.

Chuck and Doris Rademaker have started teaching and reviewing the round dance, "hello Dolly". They plan on continuing with other rounds that will be popular this season.

...Larry and Ann Bartlett

FIDDLE A ROUNDS

Hats off to Perkie Tucker who had to pilot the club for four consecutive Mondays while Charlie was away on business in Iowa. The club will have to help Charlie brush up on the new dance, "Rumba Rehan", they learned during his absence.

The new class has also been started. The location of the Tuesday night beginners' class has been changed from the Echo Club to the Tuckers' basement.

Our heartfelt sympathy goes to Lois and Ken Moyer, our club presidents. Lois lost both her grandfathers during the past month. Our sympathy is also extended to Ed Principe whose brother died recently.

...Gordon J. Nitsch

SWINGIN' EIGHTS

"We could have danced all night, we could have danced all night, and still have danced some more."

Our September and October dances with caller "Tom Trainor" have given the club this new attitude on square dancing. After all, let's face it, we want to have one thought in mind when we attend a dance and that is to have fun. We should let ourselves "go" --forget our daily routines, chores and

pressures and try to be sociable to each and everyone in the Club.

Socially speaking--our congratulations go out to Mary Ann and Roger Boddery, proud parents of a new baby girl.

Did you know that Dick and Grace Boyer have three of their children in college? I'm sure they are very proud of them.

Coming up on the national caller list for our club is "Frank Mayerske" on December 4th. All area dancers are invited to dance with "Frank". We have had him in the past and he has always been very enjoyable. So until next month--keep dancing--have fun--be sociable.

...Bob & Jeannette Meagher

FRIENDSHIP SQUARES

The twenty-five couples who went to Newcomb on the weekend of September 25 reported that it was a real fun weekend. They were the guests of the Newcomb Squares, who organized a club and wanted to learn more about Western square dancing. One of the highlights of the weekend was dancing

on top of beautiful Gore Mountain. Each one participating received a pin. A few of the gals were a little squeamish about riding the ski tow to the top, but all agreed that it was well worth the trip. A letter was received from Bill and Mary Jenkins, owner of the lodge, inviting the group to reserve the last weekend in September 1966 for a return engagement. They mentioned that they will have a bear cub in captivity for the raffle. Sounds interesting???

We wish to extend our sincere sympathy to Mr. and Mrs. Frank Showers of our beginners class who lost their son, Michael 2½, on September 13 as a result of an auto accident. Mr. Showers is in critical condition in Sodus Hospital.

We were happy to welcome two sets from the Lima Grand Squares to our dance Saturday, September 9. Afterwards Tom Hall invited the dancers to the Republican rally at the Fairgrounds, where they put on a short square dance demonstration.

On October 10 a 25th wedding anniversary party was given for Don and Lucille Pratt by George and Mary Tompkins. The lovely cake was baked by Henrietta Brewster. An orchestra played for dancing, but guest of honor, Don, called a couple of tips for square dancing.

Don Pratt is starting a beginners class in Geneva N.Y. at the YMCA, beginning Friday, October 15 from 8:30 to 11. A demonstration was put on at the first class by Friendship Squares.

Rosemary Fisher has been ill at home.

We welcome the following new members to our club: Ed & Alice Jeffery, Royce & Shirley Lowry and Leon & Lois Brown.
...Roger & Peg Taylor

GENESEE DANCERS

First of all, we would like to congratulate John and Ann Lee Hansen on the birth of a baby boy who arrived on September 22.

Also, our congratulations and best wishes to Elias and Eleanor Lipschutz who celebrated their 25th wedding anniversary on September 15th, and to Don and Lucille Pratt who celebrated 25 years of wedded bliss on Sunday, October 10.

On September 17, 18 and 19, Al and Blanche Hoffman, Marcie and Chuck Taille and John and Marge O'Hara attended a Square Dance Weekend sponsored by the Stetson Strutters from Northern Canada, at Brockville, Ontario. The principal caller was Earl Park from Saskatchewan.

Helen and Les Stanton recently spent two weeks on a "Down East Windjammer Cruise" off the coast of Maine.

We have missed Hazel and Harold Conklin recently and have learned that Hazel suffered a sprained ankle while vacationing in New York. Hope she will be able to join us again soon.

A group of Genesee Dancers, including the Don Clarks, Henry Meyers, Elias Lipschutz, Fred Hudsons, John Nadigs, Ed Jeffreys and the Ralph Metherells spent the weekend of September 25 with Don Pratt's Friendship Squares at Newcomb, N.Y. On Saturday they enjoyed dancing at The Lodge on the summit of Gore Mountain which they reached by chair lift. Guitar music was furnished by Don and his son Howard.

The Genesee Dancers were well represented at the first International Festival of Square Dancers in Syracuse on Oct. 9.

Genesee Dancers extend heartfelt sympathy to Ed Principe on the death of his brother Arthur and also to Ruth Bonjorno and Bert Ehmann on the passing of their mother, Mrs. Josephine Ehmann.

BELLES 'N BEAUS

Life is funny!

Several weeks ago a former friend of mine came up to me and said, "Can you write?" I thought he meant could I write my name. He didn't. Now, like the cartoon says: "Yesterday I couldn't spell the word 'correspondent' and now I am one."

From this point on I will be trying to cultivate club members with keyhole shaped ears. What I need are facts, or a reasonably exact facsimile. Watch for my ads on the club bulletin board. The pay for facts turned in will be poor, but your fellow members will love you for them.

Our boy, Art Harris, launched the 1965-66 season in his usual professional style with
(Cont'd. On Next Page)

BELLES 'N BEAUS (Cont'd.)

a series of "dancing room only" dances. Then, on October 4, Jerry Helt provided a second stage booster to Art's already successful launch. Jerry gave a well balanced program which delighted and challenged all present.

His program had many unusual touches. At one point Jerry asked each woman to put her right hand on her right ear and her left hand on her left ear. Then he said, "Now tell me who lost this earring?" Needless to say, the owner was located immediately.

Friends of George Kerridge will be sorry to hear that he is very ill in the General Hospital on West Main Street. George's illness has caused paralysis which, in his own words, will take "a long period of very slow recovery." Letters or cards or even short visits would be greatly appreciated.

Belles 'N Beaus will be losing one of their nicest couples very shortly when Jim and Helen Stuehling move out of town. Jim has accepted a position with a firm in Philadelphia. Remember, Jim, you promised to write.

They say the first ten issues of PROMENADER are the hardest. So, with nine more to go, how about slipping me some "hot tips" during those hot tips in the weeks to come.

...Murray & Alice Maybee

TRIGGERS

"Neck-up" from the Triggers to you!! This was the theme of our annual Halloween Party. The hall was a paradise for ghosts and goblins; with tombstones and visitors from the Adams Family of T.V. fame. Our visitors, the Swingin' Eights, were greeted by a smoking Mortica. After an enjoyable evening of dancing, embalming fluid and Morticians supplies were blended to make a tasty treat by the Lawsons and Mendalls. With the cry of--"Don't forget to help your funeral director!"--the Tacys and the DiCesares picked up the remains and the tombstones and left.

On the 19th of Nov. at Longridge School, our own Myron Huss will call an open dance for the PTA (at which all new square dance beginners are welcome).

Anyone that knows someone who is interested in learning to dance would be most welcome. A class will start in January; every Thursday for a total of thirty lessons.

On November 30, the Triggers will graduate their Intermediates in to the Club. It should be a royal affair with a Triggers salute.

"Ain't jist speakin, cause Triggers is lookin! Fer who? Fer you!! If'n you could enjoy, fun dancin with us'n and Myron."

...Bill & Sandie Tacy

P.S. if you were wondering about the "Neck-up" theme for our Halloween Party, ask the Swingin' Eights if anyone was recognizable from the "Neck-up"!

COUNTRY TWIRLERS

Attention!! ALL SQUARE DANCERS!! Get ready for the CURLY CUSTER DANCE at the Gates-Chili JUNIOR High School on November 12. It's a Friday night and dancing is from 8:15 to 11:15. Be on time for one of the country's most popular square dance callers. \$2.50 will buy one evening of complete dancing pleasure.

Country Twirlers are getting ready for the election of next year's officers. The nominating committee appointed consists of George and Una Shaw, Jim and Ann Gentles and George and Audrey Mura. Elections will be held in December.

Our Friday night Workshops have been received most enthusiastically by the Country Twirlers. Much has been accomplished under the capable leadership of our caller, Bob Brunshidle.

Congratulations to Kay and Marv Falls on their 25th wedding anniversary! May you both have many more happy years dancing together.

We understand through the "grape vine" that some of our more patient square dancers have started a Little League of square dancers around 7 and 8 years old. We'll keep you posted as to the progress of this new venture.

THE STORK SET

Born to caller Don & Pat Kennedy a girl, Sharon Elizabeth, at 1:00 P.M. Wednesday, Oct. 13th at Buffalo General Hospital. Mother, daughter, and father are all doing well.

Don says this makes four girls for them and he's now looking for someone with four boys so they can make up a set.

Editors note: During this waiting period for Miss Kennedy, the staffs of PROMENADER and Script-O-Squares of Buffalo have been jockeying to see who gets the "scoop". S-O-S has taken the honors but editors Herb & Monica Seitz were in such a hurry with it they published the date incorrectly. PROMENADER brings you the true facts, maybe not first, but always accurate.
