1966 DANCE-O-RAMA

Plans are well under way for a very enjoyable day at Bishop Kearney High School on April 16, 1966 under the leadership of Lou and Lillian Stork.

Earle Park from Yorkton, Sask., one of the callers, has been calling for Western Square dancing since 1949. He has been throughout many parts of the United States and Western Canada. Many of our own people have danced to him and tell us that he is one of the best.

George Jabbusch from Loraine, Ohio, is married and has four children. He is a caller of twelve clubs in his area. He has been on the staff at numerous festivals, weekends and camps. He has called in this area many times and is well known to many of you who will be coming to Dance-O-Rama.

The Decoration committee, the Metherells of Genesee Dancers and the Caccamise of Lima Grand Squares, are hard at work. We are sure they will come up with something very interesting.

The EKC-O Squares with Carl Presgrave and the Bacons at the helm are in charge of the tickets. They have selected one couple from each club to sell the tickets to members of their own club.

A social hour is being planned for this year from 4 P.M. on to help straggle the supper hour. Coffee will be available for each and every one who wishes.

More about the other callers and Dance-O-Rama committees at a future date.

...Doris & Ed Haddleton

CLUB REPORTERS

The deadline date for the March issue of PROMENADER is February 15. Please confirm your club's dance schedule for the next two months. Hats off to the club reporters who have recently relinquished their positions. You did a wonderful job. Many many thanks.

JUST IN PASSING --

"You, down there!" shouted the father from the head of the stairs. "It's one-thirty in the morning! Do you think you can stay all night?"
 "Thank you, sir" said the young man. "But I'll have to phone home first."

SNAP-O-GRAPH

LOU AND LILLIAN STORK...general chairmen of 1966 Dance-O-Rama...members of EKC-O Squares and Rollaways...both were "Eastern" square dancers for many years before taking up "Western" several years ago.

Both are native Rochesterians...married October 22, 1938...Lou was graduated from RIT with Electrical Engineering degree...Lill worked for Kodak Office prior to getting married...Lou is now in Quality Control Dept. for Kodak in Lee Road building...has worked for Kodak for over 25 years.

The Storks spend summers and week-ends at a summer home at Port Bay which Lou built...they rest and relax here unless the lawn needs mowing...Lill makes all her own square dance clothes but hasn't attempted a shirt for Lou as yet.

There are two daughters...Karyl in her final year at Rider University to become a business teacher...Anne is married and teaching mentally retarded children at East High School.

Lou and Lill have been known to dance steadily at least four nights a week...the other nights they rest up and relax with Demon their 2 year old French poodle...a gift from the daughters...Lou cultivates tuberous begonias and Lill raises mums...both enjoy gardening and flowers...both dislike snow and cold weather and plan eventually to retire to winters in a "hot" climate.

PROMENADER salutes the Storks!

FEDERATION DELEGATES MEET

Ken Schreib presided over his second meeting of the Federation Board of Delegates on Tuesday, January 18th at Cutler Union.

Plans for a donation to be sent to the survivors of the deadly blast at which up to 20 persons have reportedly died in a natural gas explosion in Keokuk, Iowa were discussed. Several clubs reported they have already sent donations. The final decision was to delay the collection as a Federation function until during the Dance-O-Rama when a general donation would be asked for from the dancers on the floor. The money collected would then be forwarded to the fund headquarters under the name of our Federation.

Open 9:00 To 5:30

Longs was read. A lengthy discussion followed which was terminated by a motion that the application be tabled for further study.

Ken Schreib introduced comments in regard to questions in the legal field which bear on the Federation as an organization and on the member clubs as well. The general feeling was that the club delegates would inquire as to any lawyers who are club members so that the Federation could engage him. If no lawyers are dancers, then Schreib was empowered to engage a lawyer for legal assistance.

A motion was introduced to effect a change in the present constitution to raise the maximum amount of money to be retained in the treasury from the present \$100 to a maximum of \$500. This change in the constitution will now have a 30 day period in which it will go to the clubs for review, a delegate vote to be scheduled at the next meeting.

CLUB NEWS

ROCHESTER ROLLAWAYS

The Hicks have gone to Florida and have left the reporting of Rollaway news to me. If it's news you want, I suggest you read a column written by a more conscientious news reporter. I plan to devote the column for the next few months (unless the Hicks get back in time to rescue you) to a dissertation on the extra-curricular activities of our members. I've often heard it said that Rollaways do nothing but dance, and I'm out to refute that claim if it takes all winter.

You've already heard about our Bird Watchers in Montezuma Swamp. Any windy week-end in spring you'll find a group of Rollaways lying flat on their backs in the parking lot at Braddocks Bay. No, they didn't collapse after a hot tip, they're watching hawks making lazy circles in the sky--sometimes hundreds of hawks. Late at night, when other dancers are asleep in their beds, these same Rollaways are stumbling around in the cattails and poison ivy of Powder Mill Park listening for owls. Usually all they hear is an "ouch" followed by a few choice words when someone accidentally runs into a tree. We used to practice our owl calls at Rollaway dances, but the other dancers complained that the owls flying in and out were breaking down the sets. Our bird watchers: McKennas, Guenthers, Wiltons, Smiths, Rogers, Goulds, Costiches, Wildeys, Dorises and Perkie Tucker.

You've heard of Bill Fitzgerald's pedometer and star gazing, but did you know that Bill and George Dawson were once quite a sports car rally team? They won so many trophies they made it look easy. Then their wives, as wives will, got into the act. Since Ione Dawson didn't have a driver's license, naturally she was picked to do the driving while Ruth navigated. And they too have a trophy. Long after the sun had set over the judges' stand, long after most everyone else had gone home, they chugged across the finish line. Everyone was so surprised to see them come in at all that they were awarded the trophy for effort.

More next month
.....Kay Doris

LIMA GRAND SQUARES

The new officers are busy planning for the 1966 dancing season.

The first big event will be Sunday, Feb. 13th when we will have a Valentine's Dinner Dance. Dancing will be to Don Stumbo and Gordie Cooper from 4-6 and 8-10:30. At 6:00, we'll be served one of Mrs. Ashley's famous buffet dinners. Tickets are on sale now at all club dances at \$4.50 per couple for dinner or reservations can be made by calling 582-1395 or 582-1555. Reservations must be made by Feb. 7th.

Our next big event will be on March 18 when a fashion show will be presented by "Town and Country". Plan to attend and select your new outfit for the Dance-O-Rama.

On Jan. 1th five couples went to Geneseo State Teachers College to give a demonstration of western dancing for a group of enthusiastic prospective dancers. Fourteen couples were signed for instructions from Don Stumbo. Good luck to the Geneseo dancers.

We welcome the Lloyd Hunter's and Seldon Chases's back to dancing. We hope to see more of our dancing friends at our regular Friday night dances.

Correction to last month's news: Roger and Marilyn Smith are our new Secretary-Treasurer. Ken and Sylvia Schreib are our delegates to the Federation. In fact, we are proud to have Ken acting as Executive Secretary of the Federation.

.....Marilyn Shanks & Marilyn Smith

BOOTS 'N SLIPPERS

The Christmas dance was celebrated with our beginner class. They are good dancers. We look forward to their graduation when we can all dance together again.

Bruce Shaw also visited that night with the "Little Squares". Those little tots can really go!

The second annual Chicken Dinner was held Jan. 2nd, with the new Teen group. The
(Cont'd. On Next Page)

BOOTS 'N SLIPPERS (Cont'd.)

food was delicious, thanks to club officers.

We would like to welcome back the Floods at this time and also all the new members.

...Dick and Jane Laurer

IRONDEQUOIT SQUARES

Ring out the old--ring in the new but above all, don't iron a plastic zipper or you're in trouble. Just ask me!

It seemed good to see everyone with Don calling the shots and Ernie teaching the rounds. Did anyone note Don's sprained ankle? His Taw says it happened the day before New Year's Eve--honest! Anybody with doubts? That curb must have been pretty high.

We wish to welcome two new couples to our club. Ridley and Mary Ruth hail from Tennessee where it's nice and warm and now reside in Brighton with their pedigreed alley cat, Mischief. Barc and Muriel Beahm hail from Philadelphia and New Hampshire respectfully. The two reside in Brighton with their three angels: John, 4½; Nancy, 3; and Ginny, 10 weeks.

Our deepest sympathy goes to the Boyers on the loss of her father. Indeed, we have missed them and are glad to see them back in the ranks.

...Phil and Peggy King

EKC-0 SQUARES

On February 23rd, EKC-0 Squares are planning a Western fashion show put on by the Town & Country Square Dance Fashions of No. Tonawanda, N.Y. The clothes will be modeled by members of the club. Everyone is invited to attend. Afterwards there will be dancing so come and enjoy both.

Thanks to all the couples who came to visit us from Swingin' Eights. It was nice to see so many there.

We are sorry Clara Griffin will be out for awhile. Hope she will soon be back with us. In the meantime, Howard is doing a fine job of collecting money.

February 16th we'll be welcoming the Rochester Rollaways as our guests.

...Larry and Ann Bartlett

COUNTRY TWIRLERS

Well, here we go with our first attempt at journalism. We hope we will be able to maintain the fine standards kept by Ollie and Bill McHugh.

The Country Twirlers greeted the New Year with plenty of noise at Holy Ghost hall. Bill Bartsch entertained us by calling all the best dances of 1965. He also introduced some of us to his "Simon Says" dance. We can assure you this is no dance for "eager beavers".

We are sure you noticed on the PROMENADER calendar that something new has been added to our program for the rest of the year. Tom Trainor will be calling a workshop dance once a month. Here is your opportunity to have a good time and catch up on what's new in square dancing.

TWANG! TWANG! TWANG! Be sure you circle February 26 on your square dance calendar. Dick Ledger is bringing his lil'ole guitar all the way from Rhode Island to entertain us. We are sure you have enjoyed dancing to many of his recordings, including "Marina". Come and meet him in person.

We are looking forward to having the members of our beginners class at the Valentine's dance on Feb. 12.

Art and Mary Mastrolio spent Christmas vacation with her family in Florida. They remembered to take their badges but couldn't find a square dance. However, Mary found a square dance store and brought back a couple of pretty outfits.

Sadness has come into the lives of two of our members. We would like to extend our sympathy to Kay Falls on the death of her father, and to Irene Callahan on the death of her mother.

...Tina & Joe Mann

TRIGGERS

The month of January started off a "New Year" and "New Dancers", as on January 6, a terrific turn-out of beginners made the scene at English Village School. Peg and Myron Huss were wonderful hosts in welcoming the new group of "left-footers"; they were assisted by a good turn-out of Triggers.

(Cont'd. On Next Page)

TRIGGERS (Cont'd.)

Please remember this date--February 8. The Triggers Valentine party, with the Friendship Squares as guests, will swing underway at 8 P.M. at Longridge School. Our "open door" policy still stands! Come one, come all.

Our best wishes for a speedy recovery go out to Marguerite Neshitt. We've missed you and hope to see you with us soon.

Say, Al Morris, we've heard of men trying to "collar" a woman before, but haven't you gone a bit too far? Hope to see you dancing again soon, Fran.

Our appreciation for a fine job of past reporting go to Sandie and Bill Tacy. Now that they have assumed the presidency of the Triggers we will attempt to take over here and keep you posted on happenings in our club.

So, as the may says, keep your squares tight.

... Jim & Marica Holden

FIDDLE A ROUNDS

Our new presidents Ed and Helen Principe "pinned" our newest members, George and Una Shaw. Watch out George or your son Bruce will steal your badge.

We all offer our sympathy to Irene Callahan on the passing of her mother.

F.A. had a wonderful Holiday party at Wandikes. Twenty four couples attended, including five beginner couples.

Ask Charlie why Perkie wore no earrings to the party--she didn't need them anyway.

Our newest dance taught by the Tuckers is "Heavenly Night".

... Howie & Dot DeGrave

BELLES IN BEAUS

Unfortunately for my secret hopes of immortality, Winston Churchill beat me to the punch with the lines "never have so many owed so much to so few". Our recent Christmas party brought these words to mind 23 years or so late.

From the time one fat (he didn't really need the pillow), bed-raggl'd old Santa Claus (in bare feet yet) finished his argument with Rudolph and staggered into

full view to dispense entertainment and worldly gifts, the party was one huge success.

Verne and Marge Merle deserve much credit as General Chairman, having selected the following assistants who should be used by other clubs as consultants. Food - Don & Mary Waterman, Fred & Grace Katerle and John & Ruth Gosling; Games-Myron & Peg Huss; Decorations-Fred & June Krasselt; Tickets-Charles & Kathy Kunz; Gifts-Hal & Fran Abberger and Publicity-Phil & Irene Warner.

Santa Claus, or to be more exact, his "heiper", was enacted by Hal Abberger. The fact that TV cameras were not present was the only thing that saved Christmas as a national institution. There's no doubt that Santa scraped the bottom of the toy barrel in order to find this mad-cap clown!

Ed and Doris Haddleton flew to Homestead Air Force Base in Florida for the Christmas holidays to visit their daughter and four grand-children. On New Year's Eve they earned their "HAFB" wings by square dancing on the base. Ed predicts a dire future for this pastime in Florida. He says that half of the dancers will be kicked to death by the other half during 1966. Golly, we're glad you're back, Ed and Doris. Better wear shin guards next year!

... Murray & Alice Maybee

GENESEE DANCERS

As we enter a new year, we wish all the officers and members a most happy and prosperous New Year.

Returning to our Christmas party for 1965, it was held Dec. 16, with the new class of dancers joining in for all the fun. We were treated to a most unusual sight, as the Little Squares under the direction of Bruce Shaw, distinguished themselves with a Western square dance. Trudy and George Brauntt put on a cute round dance. This group has been in operation for six weeks and are composed of 16 couples ranging from the 1st to 4th grades. Congratulations kids--keep dancing! Nice work, Bruce!

A goodly number of our members attended the New Years Eve party at the Lima Grand Squares. Hats and noise makers and bai-

(Cont'd. On Next Page)

GENESEE DANCERS (Cont'd.)

loons were the scene as the clock struck 12. The singing of Auld Lang Syne and we were in a new year, topped off with a breakfast at two.

Our first dance of the New Year was January 6, at which time the new club officers were installed.

Nellie Johnson is now recuperating at home after her recent operation. Andy Bestram is also recuperating after his operation. George Kerridge, one of the originators of the club and past president has now been transferred to the Rehabilitation Center at Strong Memorial Hospital.

The following committee chairmen have been appointed: Social Club Refreshments, Bill & Ann Uebelacker; Decorations and Social Class Refreshments, Bert & Lauretta Ehmann and Ray & Thelma Springett; Club Decorations, Don & Dorothy Clark; Dance-O-Rama Tickets, Andy & Ruth Bestram; News Editor for PROMENADER, Bob & Bernice Bourne and Round Dance Instructors Ed & Helen Principe.

...Bernice & Bob Bourne

FRIENDSHIP SQUARES

We wish to congratulate Ray and Thelma Springett who recently celebrated their 36th wedding anniversary.

The doughnuts which are served at our dances are the product of Don Moore's new doughnut manufacturing business. Don is understandably enthused about his new venture and we are delighted with his delicious doughnuts.

Your writers recently headed back home to Champaign, Illinois for the holidays. We spent New Year's eve as guests of the Belles and Beaus Club. Their caller, Ben Baldwin, whom we enjoyed very much, is scheduled to be with the Genesee Dancers February. We're looking forward to dancing with him again.

Mary Tompkins is thinking about starting a square dance dress club. Each of 15 members will put in \$1.00 per week and at the end of 5 weeks one lucky gal will win a dress. Contact Mary for the details.

...Rog & Peg Taylor

SWINGIN' EIGHTS

We appreciate the hospitality of the EKC-0 SQUARES on January 5. We enjoyed the company, the dancing and the refreshments. Thanks, EKC-0's.

The large crowd dancing to Swingin' Sam Mitchell on January 15 had an unusually good time judging by the ovation Sam received at dance end.

Happy to see so many Triggers and Lima Grand Squares dancing with us on January 29.

Rounds with Mike and Mary Prado from 8 to 8:30; square dancing from 8:30 to 11:30 P.M.

...Bill & Ginny Sanderson

THANKS TO TUCKER QUICK COPY

PROMENADER thanks all members of the Tucker Quick Copy Service who rallied miraculously following a fire which forced them to vacate and move to a new location and overhaul their printing machinery. This happened at the time PROMENADER was to go to press for the January issue. Very little delay resulted due to Tucker's efforts and we thank him very much.
