The letter also reminded the clubs that the annual membership dues of \$5.00 per club are to be paid.

KEOKUK SWING-EZY REPORT

The Swing-Ezy Foundation, established to handle
 the donations and affairs of the victims of the
 terrible explosion in Keokuk, Iowa has recently
 issued a report of the situation six months
 after the catastrophe.

Total contributions to the disaster fund exceed
 \$220,000.00 and current contributions have re-
 duced to a mere two to three pieces a week.

The fund Trustees have authorized expenditures
 in excess of \$41,900.00 and will continue to
 meet expenses for the injured as long as is
 necessary. The money has paid doctor and hos-
 pital expenses above insurance benefits, travel
 expenses by specialists to Keokuk, special nur-
 se expenses, living expenses for those unable
 to work and aid to orphaned children.

In some of the cases, continued care and cor-
 rective surgery will continue for as long as two
 years.

Contributions were received from all over the
 world--Australia, Canada, Hawaii, Germany,
 France Puerto Rico, Phillipines, New South
 Wales and from every state in the Union.

Anyone wishing to know more about the Keokuk
 situation may write: Swing-Ezy Benefit Foun-
 dation, Box 653, Keokuk, Iowa.

One indeed gets a feeling of warmth knowing that
 contributions from various local clubs and pri-
 vate groups plus the Dance-O-Rama donation have
 helped fellow dancers half a continent away.

Belles 'n Beaus

We must have broken all club attendance records for our first dance of the season. "Old" members and new graduates were in top form and Art Harris showed us no mercy. He picked up where he left off last year and really made us work.

Reg and Gwen Wolfenden danced this summer in Maine, New Hampshire, with Gloria Rios at Woodlands, and at the Midway of the Alleghany Fair. The last spot happened to be occupied by the Friendship Squares of Friendship, N. Y., so Reg and Gwen loaned them their considerable talents and a good time was had by all.

Art Harris and Jim Stewart from Chicago turned in one of the best performances of all time at Prudhommes over the Labor Day week-end. The dancers were somewhat handicapped by a complete turkey dinner Saturday noon and a complete prime ribs of beef dinner Saturday night. Try dancing that combination off sometime!

Ed and Doris Haddleton journeyed west to Calgary Stampede in Calgary, Alberta, Canada and then on to Vancouver. Ask Ed how he enjoyed the big salmon he caught and sent home for a gourmet's dinner...then duck!

Club sympathy is extended to Tom and Sarah Vieira on the death of Tom's sister.
...Murray and Alice Maybee

Triggers

Another Trigger "First Nighter" is past and while we're sure it will never be recorded in the National archives, future historians might do well to remember how square dancers in 1966 managed to have fun in spite of war, pollution, coliform and personal tension. There was many a rousing "Ya-Hoo" heard as the Triggers, with a few personal guests to add to the enjoyment, got back into swing again. It was a very warm evening--bust wasn't that due mostly to the friendship and good fellowship that prevailed as old friends met again after a long summer of preoccupation with other things? "Howard Johnson" made out all right too, it seemed like half the club was there after the dance--restoring the energy they had so freely expounded all evening.

We've changed the scene and are now dancing at English Village School on Sutorius Dr., which runs off Dewey Avenue, directly opposite Northgate Plaza. We cordially invite all of you to come down and "make the scene" with us on Tuesday nights, starting with rounds at 8:00 p.m.

Big plans are in the making for our Hallowe'en Party on Nov. 1st. Will we dare venture out on such a "spooky" night? Come over and see how many of us turn chicken.

We'll leave you with a few words many a square dancer has uttered: "Thank God for that left allemande."
...Jim and Marion Holden

Swingin' Eights

Our "Open House" dance held at Hosea Rogers School on Saturday, September 17th, was most successful. Tom Trainor was in good voice, as usual, and the more than 13 sets seemed to enjoy his calling.

Helen Klein has been at Northside Hospital for an appendectomy. We wish her luck and a speedy recovery during her convalescence.

Mike and Mary Prado, continuing from last season, will be in charge of round dancing at all of our dances. Round dancing starts at 8:00 p.m.

Save the date, November 19th, national caller Bob Dubree will be with us at Hosea Rogers. You will enjoy his brand of calling.

On Saturday, October 29th, we will join the Irondequoit Squares at Pardee School for a combined dance as the Squares continue their annual "Ghost Walk" series. Our own Tom Trainor and the Squares' Don Kennedy will share the calling honors.

...Bill and Ginnie Sanderson

Country Twirlers

"East is East and West is West and never the twain shall meet" wrote Kipling, but Jim McQuade proved he was not referring to square dancing at our Open House dance, Sept. 10th. Jim called a most delightful dance that was a mixture of eastern and western styles, and it put our newcomers right at ease.

October is the month of witches and goblins and Hallowe'en Parties that we all look forward to. Yes, we have a Hallowe'en dance Oct. 29th with Dan Dedo calling, so dig out your costume and join the dancing and sipping Clay Potter's delicious cider.

We can be proud that our club members encourage their children to take an active part in square dance entertaining. Mike Callahan, son of Ray and Irene Callahan, attended Callers' School in New Hampshire this summer. The school was conducted by Earl Johnston, Al Brundage and Dirk and Andy Jones.

Howie and Dot DeGrave were one of 50 round dance instructor couples to attend an instruction week-end with Nita and Manning Smith. Oh, those wonderful dances we will be exposed to this year.

Remember--Smile and the whole club smiles with you; frown and you frown alone, and, who can square dance alone?

...Joe and Tina Mann

Hospital patient, upon receiving his bill for an operation: "No wonder they wore masks in the operating room."

Irondequoit Sqs.

Our first dance of the fall season with Don Kennedy calling was a huge success. We had a good turn-out of newcomers to square dancing. Bruce Shaw, our class instructor, did a fine job of calling a few tips. During the evening, Grass-hopper badges were given out by Kay Welch for the "hoppers" at the July picnic.

Club members went miles to dance during the summer. The Peterboro week-end was attended by the Bradleys, Bubbs, Mathews, Welches, Deanes and "yours truly". A good time was had and Idiot badges were earned.

I'm sure the couple travelling the farthest was Gil and Alice Kreuzer. They square danced in Riverside, California. They were gone for seven weeks and travelled across and around the country--10,800 miles to be exact.

Wonderful happenings for Veep Paul and Janet Weitz this summer--they now have a bouncing boy named David Edward.

Unfortunately, one of our favorite members, Lorene Phillips, will be having an operation this month. We all hope to see you dancing soon.

Guess who received the September PROMENADER two weeks late--would you believe Bill Bibler, editor? Could it be he didn't RENEW?

Don't forget, our annual Ghost Walk will be in cooperation with the Swingin' Eights on October 29th with the 8's coming as our guests and bringing caller Tom Trainor to share the mike with Don Kennedy. Costumes are in order, of course!

P.S. We're pinch-hitting for Phil and Peggy King as reporters--their son had an operation and they are pretty busy these days.

...Jim and Mary Alice Brooks

Fiddle A Rounds

Summer is over and the busy Fall season is upon us, but still our dancers haven't stopped travelling. This time they are headed North to Canada. The Barkers, Browns and Prados to Canadian Capers at Brocton, Ontario. Principes, Tuckers and Whiteheads to Canadian-Cade at Prud-homes.

We had an excellent turnout for our first dance of September. Joe and Audrey Brodner were guests for the evening. Dances reviewed were: Remember When, Deep in my Heart and Desert Blues.

We hope that Lorene Phillips' stay at the hospital is a brief one and that she and George will be back dancing soon.

...Howie and Dot DeGrave

Lima Grand Sqs.

Our last dance at the Barn proved to be a very exciting evening with a lost banner and missing hub caps. Too bad Roger and Norm can't tell one car from another.

We are all busy working on our Fall schedule now that we have returned to the Town Hall.

On October 7th, Gordie Cooper, a real favorite of ours, will be our guest caller. Swingin' Eights and Irondequoit Squares have been invited to join us for the evening.

We hope all of our friends will get busy on their costumes for our annual Hallowe'en Party on October 28th. Why not plan to attend and bring your friends? Cider and donuts will be served.

Our new class was started September 20th and will be held every Tuesday at 8:00 at the Lima Town Hall. Don Stumbo will be instructing the new class. We hope to introduce many more enthusiastic dancers to the enjoyment of western square dancing.

...Marilyn Shanks and Marilyn Smith

Rochester Rollaways

Hey, Rollaways! Don't forget the new round dance program with the Tuckers. Come at 8:00 to learn and review the square dancers' rounds. Perkie and Charlie have been working on "Desert Blues" lately.

Caller Dewey Berry of the Cleveland area was warmly received at a rather warm dance (in both temperature and choreography) Sept. 9th. Dewey will be sharing the first dance of the month spot this season with George Jabbusch, also of the Cleveland area. Dewey's piece-de-resistance (and, boy, did we resist) for the evening was an arky "Yellow Rock". I don't really know how it worked out--too busy running.

It seems as though Rollaways just can't stay home. The Pikes, Webers and Ambrose Bakers drove to Cleveland for a Saturday night dance with George Jabbusch followed by a Sunday of dancing sponsored by the Cleveland Area Callers Association. Last we heard they were stuck in promenade position and couldn't sit down all day Monday.

For those who want to get away from it all, avid campers Jack and June Wildey have bought 72 acres of wild timberland (no pun intended) near Dundee. They say it has nothing but trees, but we're trying to talk them into building a square dance hall--rent free, of course.

...Chick Wolfe

Genesee Dancers

Our Fall season of dancing started out with our Second Annual picnic at Mendon Ponds Park, after our picnic supper, the tables were removed and everyone enjoyed dancing to the calling of Don Pratt. Lights out at ten and everyone should have been home early.

Our new class sessions started Tuesday night with an open house at the Winslow School. Any club members interested in helping out are cordially invited.

The sympathy of the club is extended to Bill

and Doris Lieber in the recent loss of their son.

Did you know that the Genesee Dancers have a travelling banner in circulation? It all started in the Fall of 1964 when Hazel and Harold Conklin presented to the club a banner similar to our original banner, with the stipulation that any couple attending a dance a minimum of 80 miles away could take it back with them. So far, the banner has been travelling all around the North Eastern part of the country and at present is at Catamount Gadabouts, Bennington, Vermont.

Get your Hallowe'en costumes out and ready for our party Oct. 27th with Art Harris calling.

Best wishes are extended to Ruth Scheg and congratulations to Harvey Jackson on their upcoming wedding, October 8th.

A correction...Batavia Twirlers are our guests on Oct. 6th instead of Sept. 29th, along with the Triggers.

Our first national caller for the Fall season will be Gloria Rios, October 13th. Many of us have enjoyed dancing to her calling at the Dance-O-Rama.

...Bernice and Bob Bourne

EKC-O Squares

How nice it was to see so many old and new faces at our Open House dance! We hope to see all of you every Wednesday night this year for club level dancing or for our beginners' class. Chuck Prister will be giving instructions in the 9th floor cafeteria, while Ken Anderson will be calling to the club in the Auditorium. Both the club and the class will be on Wednesday night from 8:00 to 10:30 p.m.

Congratulations to Betty and Bob Coopenberg on the arrival of a baby girl and to Sue and Greg Stafford with a baby boy.

Did you notice Clara Griffin is back dancing again this year, after sitting on the sidelines for so long? Maybe now Howard's dancing will improve.

Several EKC-O Squares spent Labor Day week-end camping together. It is always a lot of fun to get together with our tents and trailers. Square dancing was also provided for the campers to make it a perfect week-end. It did rain for three days and nights, but that doesn't stop campers and square dancers from having fun. Hope more of you join us next summer for a week-end together or, maybe this Fall yet?

...Larry and Anne Bartlett

Friendship Sqs.

The Friendship Squares started the season with a steak roast and dance. Our thanks to Shirley and Royce Louy for all the work they did to prepare this meal.

For the couples who did and did not dance all summer, there is going to be a refresher course offered. It will be offered on these dates:

October 1, 15, 29; November 12. The 7:30 to 8:30 series will cost only 50¢ per couple per evening or nothing if the couple stays for the evening at the regular cost of \$2.00 visitor fee. Please phone names to Hazel Spaven at 266-7375.

Congratulations are in order for the Geneva group. They graduated their second group.

A Hallowe'en dance is going to be held Oct. 29. Get your ghost and goblin costumes out.

Round dancing courses are being offered by Bill and Joanie Newman down in Geneva. For further information, call Don Pratt.

Beginners' classes are starting. How about a few helpers? Remember, you were a beginner once. A few friendly faces are nice to see.

A hearty welcome to Jan and Jim Huges of the "Rocking Roosters" of Connecticut. Jan and Jim have just moved to the Rochester area. We hope to see you soon Jan and Jim.

...Judy and Jack Coe

Boots 'n Slippers

Let's wish a speedy recovery to Al Christenson who is recovering from an operation.

The gym was filled for our open dance last week and it was great to see so many friends. Bob Brunshidle did the calling. In the middle of the evening, he called a club level dance but confessed at the end that someone had turned the speed of his turn table up and he hadn't noticed it. We really did some high flying. I wonder how many prospective dancers we scared away?

This is dues paying time for club members. Be sure to be prompt with your payment.

...Bob and Dorothy Woodams

JUNE 29-30-JULY 1st 1967

SWING YOUR QUEEN AT SWEET 16--That's ^{the} slogan for the 16th National Annual Square Dance Convention set in historic Philadelphia for 1967.

Publicity releases rate the dancing facilities in the air conditioned, new Civic Center as "terrific". Included in the various halls is the Liberty Bell Room, 450'x300' which can hold approximately 10,000 persons for dancing at one time.

More information and more plans are on the way. Registration blanks for the Convention as well as hotel accommodations are now available. Get moving for an early registration. The 1967 swinger will be the last National in this area for at least 2 to 3 years!

HELP WANTED

The editors are asking for volunteers who are gifted artistically as artists or cartoonists to supply us with an occasional bit of art work to "dress up" our PROMENADER. Will anyone who is handy with black and white illustrations be kind enough to give us a call? The work can be planned ahead, done at your leisure. The pay is the same as received by the editors. Help us?

"VOLUME V: ISSUE I"

Yes, that's what it says in our heading caption on page 1 of this issue.

Yes, that's the beginning of our FIFTH year of publication...four completed years, that's a total of 40 issues come and gone. It comes pretty close to about 16,000 stamps licked and stuck, 16,000 address labels put on...and a pile of about 64,000 sheets of paper!

The "human" statistics would be just as staggering if they were available. Many club reporters have toiled on behalf of their individual groups. Many more club officers have cooperated with night time phone calls for help and information and verification of dance dates, callers, etc. Who could count the phone calls from Editor Lew to Editor Bill in getting our PROMENADER into what it is today?

At this pleasant point, we Editors feel justified in noting this milestone for our readers to ponder. If we feel that our completely voluntary efforts have produced a chronicle that is interesting, valuable, informative and one which acts as a strong cohesive agent to draw our supporting member clubs into a strong area Federation, it is because our dancing readers tell us so here and there between tips or between sips at an after-party now and then.

We purposely have tried to maintain PROMENADER as a reporting paper and not as a crusading paper. Editorial comments have been few thru the years. We feel that the real "writers" of PROMENADER are the other people and we are just the assemblers. We feel this is a success formula.

So, as we set up for our fifth year, the Editor section congratulates the dancers for their fine publication, PROMENADER.
