HAPPY DANCING!

QUICKIE WORKSHOP

JIM JAM - - It is done from regular facing lines of four. Everyone first does a full Square Thru. When that is completed, the two couples facing one another in the center do a Star Thru followed immediately by a California Twirl. Meanwhile, the other couples (who found themselves facing out after the Square Thru) do a Cloverleaf and end up facing in toward the people who have completed the Star Thru and California Twirl. As it turns out, everyone is now facing the one who was his (or her) partner in the starting lines of four. Simple when you know how.

Square dancers at D-O-R were given the highest of praise for their conduct and treatment of the premises by the Rev. Brother Edward M. Tracey, Principal of Bishop Kearney High School. Brother Tracey said, "You square dancers are the very best group we've had to use our school. Everybody is well behaved, there's no drinking, the premises are always left clean and in order. And, in the three years that you have used our School, I've observed that you have everything extremely well organized and planned. You should be proud of your people."

We are, and thank you, Brother Tracey!

Mike Foss reports that France has bought the Rock of Gibraltar and will change its name . . . They will call it "DeGaulle Stone".

When it takes* * * half as long to get tired, you're getting old!

Batavia Twirlers

Graduation night saw the introduction of an "Alma Mater" sung by Paul Ruhland to fourteen couples. The lyrics haven't been released for publication but we are happy to welcome our graduates to the club; this group swells the membership to 96 couples and over 70 of them were present for this occasion.

New officers have been elected and installed since the last report. Bill and Cathy Fendley have accepted the honor and responsibility of the presidency. Ron and Ruby DeMay will support them as vice presidents, Chet and Thelma Andrews as treasurers, and Nellie and Helen Brown as secretaries. An Advisory Board will be comprised of the presidents, retiring presidents, Ray and Ginny Walker plus newly-elected members Sam and Audrey Tumminello, Les and Dorothy Taylor, Chet and Marion Dwarzack. We are again made aware of the club's dependence upon the willingness of its many members to make their contributions as officers or committee members from time to time.

This is being prepared at a time when the closing events are near at hand. For many the highlight of the year may be the second camp-out at Silver Lake. This is considered the end of the regular dance season but the "beat goes on" all summer. The summer sessions will be in an open pavilion at the Alexander Firemans grounds, Route #98, Alexander, N. Y., just south of the four corners. The dates fall on the first and third Wednesdays of the month beginning on June 19th. Dances are open to all club dancers interested in keeping sharp during the long summer.

Demonstration dances have been scheduled for July 26th at the Alexander Firemans Carnival and for Aug. 8th at the Genesee County Fair, Batavia. These are return engagements and we try to demonstrate how much we enjoy dancing.

Country Twirlers

Would you believe we had 29 happy squares to dance with Gloria Rios Roth? An After Party was held at the Wishing Well which was enjoyed by many of the dancers. Thanks to all our round and square dance friends for coming! Winner of the door prize of a weekend at Gloria's camp in Nova Scotia were the lucky George Musshafens. Happy dancing, folks!

So glad to hear that Tina Mann is recovering nicely from her recent operation . . . hope to see you back on the floor real soon, Tina!

A good time was had by all on April 27 when the Skirts 'N Shirts and their square dancing parents, danced with us to the excellent calling of Mike Callahan. Oh to be young again! Such enthusiasm these young dancers have.

July seems to be a busy month for Country Twirlers . . . Eleanor and Bernie Balsam are going to California, and their son, Steve is taking off for Europe. Steve is also taking flying lessons, so anyone interested in a personally conducted flying trip to Bermuda or what have you, just get in touch with Steve! Also, wedding bells and wedding cakes are about to be rung and baked. Auldine and Don Charles will be busy preparing the wedding cake for their daughter's wedding on July 20, and our daughter Marsha is taking the big step on the same day.

Our sincere thanks go to Jim McQuade for providing the club with a year of delightful and challenging square dancing, for teaching the "Rounds of the Month" and

for cuing rounds in between tips. It's been a good year, Jim! Also, our thanks to Gert McQuade for her assistance to Jim in the round dance teaching, and for her bits of humor which just seemed to make our evenings sparkle!

Plans are underway for the Camp-out on June 7, 8, 9 at Camp Wyomoco, and they tell us that if you haven't attended one of these, you have really missed out on a most memorable weekend.

We cannot let the dancing season close without a compliment to the hard working staff who make the PROMENADER possible. Their efforts have kept the local clubs well informed of the area activities -- which contributes greatly to the success of all of the club dances.

Well, folks, we'll be signing off until your August issue of PROMENADER. Keep dancing during the summer months, and we look forward to seeing you all again in September. Joe Reilly will be with us then, so check your PROMENADER for the date.

Lima Grand Sqs.

The 3rd of May the Lima Grand Squares honored two couples who have been with the club since it was formed in January, 1960. This was a surprise for the two couples that almost didn't come off. Neither couple was coming to the dance that night, but after a couple of hours of persuasion they finally showed up. The two couples were: Everett and Florence Kingsley & Nelson and Lois Lloyd.

The professional actors of the Lima Grand Squares, Bob and Bess Messig, William Ernest, Louis Lambert, Jerry Bishoping, Charles Kleeh and Howard Eddy played some scenes from the past life of the Kingsleys and the Lloyds.

The first Presidents of Lima Grand Squares, John and Hilda McTaragan, dropped in and paid us a visit, even dancing with the Kingsleys and the Lloyds. A very enjoyable evening was had by all who were present.

. . . Howard & Vangie Eddy

Triggers

The flurry of events that besieged Triggers during May truly makes it a month to remember. We were introduced to the weird effects of 'Strobe' lighting on square dancing. Then off to put on a demonstration of western dancing for Oddfellows at "Redman's Club".

Myron was on the spot again, good thing he can take it. With cries of, "Who taught you how to call," and other derogatory remarks, those red-decked imps of Satan heckled him unmercifully. It's the only way to get the "Square Devil" badge.

Triggers are overjoyed with the many repeat guest dancers who visit our fun club and participate in our "tomfoolery."

On their way to the fifty mark, a pair of young bloods, the Nesbitts, just reached their nineteenth year of "Martian Blitz"-- we mean "Martial Bliss". All kidding aside we wish this popular couple thirty-one more years of squaring off, whoops! we mean 'up'.

Sharing honors on this auspicious occasion was a quartet of Birthdayers. The squared set wished each other "happies" as they attempted to blow out a tricky candle on their token cake.

A sneak preview was enacted when caller and members dropped unexpectedly on the Levesques in their new home; the heat that was generated by the enthusiastic dancers more than "warmed the house".

When Triggers get together well?-- that's it, no wonder the Grange dinner dance was such a huge success. The contented feeling following dinner led to reminiscent chit-chat of former episodes: A 'Skit' by Doerings and Hungarian Folk-dance, authentic in the flesh by David Valentine and Jane Monaghan, spiced the entertainment. Then the class of '64' squared up with consecutive classes thru '68' not far behind. No doubt about it, a great time was had by all.

Now for the forward look to summer dancing, both round and square, see Trigger's schedule. DON'T MISS ANYTHING!
. . . Bob & Rose Kausch

Rochester Rollaways

It is hard to believe that we are at the end of another dancing year and let's hope all the Rollaways can make it to the Trail End dance before we say goodbye for the summer.

Last month we enjoyed a lively dance called by Jack May, but our dance on the 24th of May marked the last dance which will be called for us by George Jabbusch. During the summer he will move to Sarasota, Florida where he will make his home and all of us who have enjoyed him will miss his great calling and his equally great personality.

Some Rollaways are still traveling around. Fred and Eleanor Hudson are on an extended car trip to Mexico City with a stop-off in San Antonio to visit the HemisFair. Those who have returned recently from trips to South Carolina include the Mikels, Czerniaks and the Wildeys. June Wildey wins hands down for having the very best tan.

We are hoping that John Barker will soon be recovered from illness so that he and Loretta will be dancing again and also be in shape for that trip to Maine in June for the wedding of their son, Michael.

John Johnson has been devoting his time and his basement for the use of very young square dancers of junior and senior high school age. Can't get them started too early and it should be a good source of square dancers for the future.

I'm sure all the Rollaways want to thank Bill Fitzgerald and the board for doing such a splendid job during the past year.

Twirl A Rounds

"In the good old summertime!" What a wonderful time of the year this is. So many things going on and so many things to look forward to. With the snowboots and heavy duds put away in moth balls for awhile, we can look to new horizons with the usual summertime activities that will be going on. Some of our members will be spreading their wings to all parts of the country within the next few months. Betlams and DeGraves to Toronto, Canada for the Convention in May. DeGraves to Dance-A-Cade, Summit, Penn. in June. Betlams to Spring Gulch New Holland, Penn. in July. Kirvans, Eichas, Bradts, Coopenburg, DeGraves to Petersboro, Canada in August. Falls, Muras, Thomas' to Boyne Highlands, Michigan. Vincents to Denver, Colorado. They also plan on taking in the National Convention in Omaha, Nebraska. Ted & Evie Thomas took a trip to Florida in May. Last but not least, Annie Gentles and her mother are crossing the ocean to the Highlands of Scotland for 3 weeks in August, where they will visit Annie's sister whom she hasn't seen in 10 years. Bon Voyage Annie.

We extend a warm welcome to our newest members, Ben & Sadie McGilvery. They took their basics from Laverne & Doris Reilly in Niagara Falls.

Had a wonderful time at our Trail End Dinner & Dance, held at Wandtkes. Those that went to the camp-out at Bonnie Brae had a ball. All of us helped Howie DeGrave celebrate his birthday which was May 27th. The year hasn't changed him much other than a little more distinguished looking with the addition of his glasses. Dick Laurer and Marv Falls put on their yearly exhibition. They make the ideal dancing twosome. Dick is so graceful dancing as a girl.

Other Birthdays celebrated this month were: Willis Justice and Marv Falls.

Dot DeGrave will have to put her dancing shoes on the shelf, for what we all hope will be a short time, as she is scheduled for an operation in July. Tell the Doc to be extra careful with those valuable limbs. All the members wish you well.

We have a few couples in our club that are kind of quiet, so consequently, we haven't been able to get their names in the PROMENADER. So . . . we have made up a list of their names which we will call "The Angel List" (Sorry no badges awarded for these particular angels) They are: Agnes & Jack Low, George & Peg Mullen, Doris & Qman Fosberg and June & Bruce Cope. Never fear, we will try harder next year.

Dot and Howie have kept us pretty busy this year as always. To sum up this last report of the year, we have come up with this incomplete list of dances learned this year.

Genesee Dancers

Spring was busting out all over! Birds were flying and nesting. Flowers were found in great profusion. Blossoming trees and romantic bowers near sparkling fountains intermingled with happy talk and dancing made our Spring Garden Festival, a trail-end dance to long remember. Hats off to Jean and Neal Maxon and their hardworking decorating committee for truly making spring come to the Green Lantern Inn. We're grateful for Bob Momford's artistic talent and to Joey and Ollie Ransco's able planning of the dinner and dance.

And now to backtrack a bit. Groups from the club continually and unselfishly share their fun and enthusiasm with others. Ed Jeffery, our President, took the Reeds, Ranscos, Caspers, and of course, Alice to a church club for a demonstration. Elderly people, whose age shuts them off from the dancing world, especially thrill to this sort of entertainment and being asked to join in adds a spark to an often dull existence.

Dance-O-Rama is behind us and we won't forget that Bob and Lucille Vincent's choice of callers made the day a real pleasure. We'll keep the "Light in the Window" for Dick Jones any time. Pauline and Art Bennett, can you even look at another cup of coffee these days?

Our Spring Open House was a big success. Don Duffin did such a marvelous job getting all the newcomers involved that we're looking forward to a very enthusiastic fall class. It was nice to welcome Ginn and Mason Fitch back to the fold that evening after too long an absence.

Our club members keep on the move. The Shaws, Bratts, Kirvans, and Killenbecks recently attended the Olean dance festival. Our program chairmen, Heidi and George Betlem and your reporters represented the club at the annual Utica Festival. Any one of the callers alone would have been great but put them all together they spelled dancing at its best. Can you imagine the thrill of squaring up and finding Dan Dedo as my corner! Would you believe I almost forgot how to do an allemande left?

Al and Ruth Niblack's trip to Australia was a huge success. Al is now sharing his slides and experiences with various groups of school children. After all, what good are pictures tucked away in some closet.

And now with many fond memories of our first full year of club dancing we leave you with best wishes for a safe, healthy, and happy summer. Spring Gulch, Bonnie Brae, and Conneaut Lake, Kodak and the Bar, here we come!
. . . Fran and Hilda Desmond

Belles 'n Beaus

From all observations, the couples who recently graduated from class to club level dancing, will certainly be an asset to our organization. Congratulations and welcome.

An evening of dancing was enjoyed by all, with guest caller, Bob Fisk. In the true spirit of square dancing, he exerted great effort to keep his engagement with us in spite of many transportation problems.

We are pleased to be able to tell you that Don Hicks is home from the hospital, looking forward to receiving visitors. The best news from Don is that he and Lu expect to be back dancing next September.

John & Bernice Moylan have a new boat and are looking forward to a fun-filled fair weather season, fishing, fishing, and more fishing.

As you know, square dancing is a year round activity. So, we hope that many of you will include it in your list of things to do this summer. Continue "putting a little fun in your life", keep dancing.

. . . Howard & Evelyn Hillengas

EKC-O Squares

"SUMMA CUM SQUARE!!!!" With Highest honors! That's the way our class graduated! We are indeed proud of them. The Graduation dinner and dance was an hilarious affair. The howls heard from EKC-O Hall were sheer laughter. When Uncle Mort (alias we ain't tellin') put on his famous whistling act, we were practically rolling on the floor! Just to see and hear this is well worth joining the Class or Club. The graduates were so darn good, we were hard put to tell them from the Club! Congratulations to them and to Ken Anderson for the tremendous idea he has initiated. Half an hour before each "Ken Anderson" dance, he is drilling the class (and all those that come early) in some of the more intricate figures learned during the year (and it "ain't" just the graduates that need drilling, either!)

Our heartfelt sympathy to Peg Stimson in the loss of her mother. Our thoughts and prayers are with her.

Our thanks to Boots 'N Slippers for the wonderful evening of dancing. We all had a marvellous time - and you were delightful nosts.

Word has seeped down thru the grapevine that one of the very best dancers - one who knows every single figure (ask him-and he'll tell you that is true!) goofed on an "allemande left!" Word has it he was so disgraced he was contemplating suicide! (Ah! don't let it get you down, Ed.) . . . Helen and Owen Whitehead are off on a month's vacation. They are going to literally dance their way across the country! Have a marvellous time, you both need it, and deserve it!

SCOOP!!!!!! The coolest hall and the hottest callers!! That's what EKC-O Squares is offering all you "KOOL KATS" for the entire summer. Stay "KOOL" and join us every week. Promises to be a long "fun-filled" summer. We'll be lookin' for ya!

. . . Mae and Harry Malley

Irondequoit Sqs.

Sure had a grand time visiting our good friends, the Pairs & Squares in Syracuse, almost two busloads of us took the trip. They call us the Irondequoits. I really thought that sounded peculiar, but wouldn't say a thing "cause they are such nice folks." It was suggested that we take a box lunch, so we did, except that it was a big box and we were pretty full - must have taken half the way to Syracuse to eat it all.

Well, about eleven o'clock these people roll out the tables - yess, really roll them out - you see the tables are round and they just start rolling them out on the floor - it was almost frightening all these tables coming out of the corner. They did warn us ahead of time - said go out in the hall and line up for a light lunch. So we dodged the tables and drivers and out we went!

There was all that food again - funny thing, most everyone seemed just delighted, and heaped up their plates with large buns, sandwich fillings, meat, cheese, pickles and cupcakes. Come to think of it Doug Shultz had kept us moving pretty fast - really was most pleasant dancing to his excellent calling, so we had worked up an appetite.

We were very glad to have so many of our recent graduating class and their teacher Bruce Shaw, and of course, Shirley, as well as our own caller Don Kennedy, take the trip with us. These new dancers are really good - they know all the new stuff.

This sort of winds up the season for us - except our trail end dinner and then the picnic at Webster Park. We hope to see all our club members and their families there - it's a real fun day. Especially, our members who have been ill, we have missed you, do come.

. . . Bob and Millie Scott

Geneva Friendship Sqs.

Geneva Friendship Squares will be dancing twice-a-month from June thru September. Don Pratt will be the Caller and Joan and Bill Newman will conduct the round dances as usual. Mike Callahan and Doug Schultz will be guest callers in September.

Our Spring Fling with Jim Schnabel Calling was a complete success - Ninety Five (95) couples danced, thirty-eight (38) couples from the Geneva Club and Fifty Eight (58) visiting couples. Our visitors came from as far away as Buffalo, Elmira-Ithaca, Syracuse, and of course many friends from Rochester.

The crowd fitted comfortably into our High School Gym. We had many spectators. We plan to have "Jim" back again sometime in 1969.

Fiddle A Rounds

Do hope everyone had a happy and enjoyable holiday weekend. We can vouch for two couples who couldn't have had anything but--Howie & Dot DeGrave and Charlie and Perkie Tucker "took in" the 7th International Square Dance Convention at the Royal York in Toronto, and that's one place where one can't help but have a real "happy".

It's sure nice to have Mike and Mary Prado back joining us in a few dances each week. We are sincerely looking forward to the evening when you won't have to sit out a single dance, Mary . . . We were very sorry to hear that after several weeks illness John Barker was confined to the hospital. We all hope this "bout" won't keep you down too long, John, and you and Loretta will be back with us soon. . . . The dance floor was off limits to Marg Brown for a couple of weeks after a ladder turned on her during a window-washing spree.

The DeGraves are a busy couple--just back from Toronto Convention. Then the happy day when daughter, Eileen, will be graduating from St. Agnes High School. Congratulations, Howie and Dot. And right after that, it's on to Summit, Penna. where they expect to join Ed & Helen Principe and Owen & Helen Whitehead for a week at Dance-A-Cade.

Shortly after Easter, Tip and Millie Cos tich got the jump on vacationers and took their first one for this year (they'll have a couple of more before the year is over). They hitched their "wagon" to their trailer and set out for Sherwood Forest trailer park near Myrtle Beach, S.C., a wonder spot for a couple of weeks of loafing, swimming, sunning, or what have you. . . . Also toting trailers this summer will be the DeGraves and Gil and Alice Kreuzer. The Kreuzers are planning a trip to New York City and then back to their cozy campsite on Conesus Lake.

Jim and Maelle Bushnell expect to spend some time this summer at their "cabin" in the Upper Saranac area. We're sure Jim will be looking forward to vacation after coming out of retirement and going back to substitute teaching to help wind up the school year. Nice work, Jim.

Don and Norma Weekes favorite song this summer will be "Tenting Tonight" while working on plans for their future 'cabin in the pines' in the Adirondacks. And George and Lorene Phillips spend much of their summer at a favorite spot they call "The Barn" on Canandaigua Lake. . . . Then there's Irv and Marg brown and John and Jean Muench, who already tucked away a winter vacation and figure it's real nice in the hot summer to stay around home and swim in your own back yard.

Your reporters also have plans for the summer and are looking forward to a fun-filled round and square dance

week at Boyne Highlands in upper Michigan followed by a week of leisurely sightseeing in the beautiful state of Michigan.

. . . George & Dorothy Riesenberger

Boots 'n Slippers

Well, another dancing season is drawing to a close, so we wish to thank all our local callers who gave us many hours of fine dancing. Little do we realize that their job is more demanding than the national callers. Here's a group that come up with something different each week and entertain us royally. Several clubs will be having summer dances so the least we can do to show our appreciation to our callers is to attend some of these dances.

It's no fun to be sick and have to miss all the fun, so we are all happy to have Keene Coleman back with us. . . Our sympathy goes to Chet Seegar and Herb Hitzke who have lost their mothers. We are all very sorry, Chet and Herb.

This being the last news letter til September, we would like to extend Best Wishes and Happy Birthday to John Fratta, Ed Cone, Gordy Copeland, Geo. Mullan, Judy Smith Bob Borgyon, Mabel McGrath, Roy Ramsdell and Eleanor Rood, who celebrate theirs in June. In July we have Don Hagg, Joan Hennekey, Bob Hutchison, Kay Platt, Helen Steinmetz, Carl DeRuyter, Gene Fox, Joe Galante and Chuck Smallidge. In the month of August we have Helen Davis, Chuck Crouse, Ella Reger, Dick Rood and Mary Smallidge. And also congratulations to all of you who have anniversaries this summer.

We hope to see you all at our Manitou Dances this summer for as you can see from our schedule we have some fine callers. So keep a smile on your face and a song in your heart, and we'll see you around.

. . . Bill and Helen Steinmetz

Friendship Sqs.

Several Friendship couples attended the Jim Schnabel Dance in Geneva on May 10. Our regular dance on May 11 was a grand success, thanks to the guests from EKCO Squares, Boots and Slippers and the Irondequoit Squares (and any others I may have missed). Don was in "high gear". He had called for Boots and Slippers the night before and hadn't cooled off yet.

Saturday, May 18, was Friendship Squares Nite at the Green Lantern Inn in Fairport. The Trail End Dinner and Dance count showed 30 couples from Penn Yan Friendship, 15 couples from Geneva Friendship, and 22 from Henrietta Friendship. After the good meal, dancing got under way -- and the "die hards" were still hangin' on until the wee small hours.

Trail End would up our activities for the season. We will be dancing on the 2nd and 4th Saturdays starting October 12. Our instruction class will start Monday, October 27. Talk up Western Square Dancing among your friends and "bring 'em out" to the class on Oct. 27.

Clem and Evelyn Tiska wish to thank our officers for their cooperation and help this year.

. . . Larry and Hazel Spaven

The "ROVIN SQUARES", member of National Square Dance Campers, invites Rochester Area camping dancers to write for their summer schedule, including their special campout with DICK JONES, of Long Island, New York.

Swingin' Eights

It's that time again - another club season coming to an end. Our grand finale, Trail End Dinner Dance at Pilgrim's Landing is always a super production. This year was no exception, thanks to a very capable committee.

It has been a very successful and fun year for Swingin' Eights under the guidance of our President Barb & Dick Wahl and their Executive Board and the very capable calling of Tom Trainor with Mary and Mike Prado on the Rounds. Many thanks must go to all members for their complete cooperation all year, and to all our visiting friends. We hope to see them back with us next season - they are always welcome.

Helen & Bill Klein would like to express their sincere appreciation to all club members for their kind wishes and thoughts during Helen's recent recuperation period and the death of Bill's mother.

Isn't it just wonderful to see Mary Prado dancing again? True it is on a small scale, but with Mary's determination she'll be in full swing by fall, we are willing to bet. . . More good news concerns Don Hicks - he returned home from the hospital May 14th where he is convalescing. With Lou's good nursing care and all our good wishes - we hope to see him on the dance floor come fall. . . We are sorry to report at this time of writing that John Barker is seriously ill at Strong Memorial Hospital. We all wish him a very speedy recovery.

Our May 10, Open Dance at Eastridge High School was a huge success, in size and enthusiasm. We feel apologies are in order for the last minute switch in the schools. It was advertized in Promenader as Irondequoit High School. We hope every one desiring to dance found their way to us. It was good to have Anne and Thorpe Roberts back with us after a long absence. Incidentally, congratulations to them and their daughter Anita who has just been elected to Phi Beta Kappa at the University of New Hampshire. She has also been awarded a Scholarship to do graduate work under the Ford Foundation. They have reason to be real proud.

By the way, did you notice the Cadillac Tom Trainor is driving?

The Town of Henrietta will celebrate its Sesqui-Centennial in July 1968. As part of the activities, the Friendship Squares of Henrietta will host a square dance on Thursday, July 18, from 9 -11:30 p.m. in the Southtown Plaza parking lot. Don Pratt, calling.

NEW BASIC: "FLY THE WIG"

There we were, circling in a set
First to the right, then to the left
Promenade home, and twirl her he said
Just about then, my partner hit my head
His hand didn't quite reach up very high
All at once something flew thru the sky.

Without missing a beat
I reached down to the floor
Set it back on its seat
And danced some more.

Boys, let me warn you
Twirl, with your hands high up in the air
Or you'll see on the floor
What you thought was her hair.

. . . Mary Prado

Mary writes that the above incident is true and actually happened to her.
