PROMENADER CO-EDITOR BILL BIBLER RESIGNS

Federation officials regretfully announce the resignation of C. William Bibler as co-editor of PROMENADER.

Bill Bibler, one of the founding editors of this paper in September 1962, has been a most important cog in the machinery of editing and circulating the Federation's monthly over the years.

His editorial and layout skills, clever phraseology, sense of recognizing what the readers would enjoy, and above all, his enthusiasm and dedication to the job - all these capabilities have helped immeasurably in making PROMENADER an interesting and informative square dance periodical.

The PROMENADER staff, on behalf of its readers and the Federation, wishes to express heartfelt appreciation for Bill Bibler's tireless and unselfish efforts in furthering the square dance movement throughout the Area.

Genesee Dancers

The summer proved to be a very busy one for many members who participated not only in dancing activities but in many others as well. Trips seem to be getting longer and farther away from the Rochester area. Bob and Lucille Vincent represented us at the 17th National Convention in Omaha. They stopped there on their way to Denver to visit Bob's mother. Perhaps they met up with Jan and Bob, our mural artist, Momford who spent the summer trailering across the country. We have a feeling Bob's brushes didn't get much of a chance to dry. . . . And speaking of trailering----The Hudsons invited a group of their trailering friends to Bonnie Brae on the Fourth to help them celebrate their Twenty-fifth. Congratulations!

Oftentimes vacations are a so-called blast, but the group that went to Spring Gulch, Pa. for a Ken Anderson Dancing-Camping week found it literally so when the local gas company emptied its mains and almost blasted everyone back to Rochester. It was the hottest week of the summer and the Jefferys, Bournes, Ranscos, Nortons and Betlems found the Maxons' and Reeds' shady streamside campsite the coolest place to be. Our ingenious dancers cooled their dancing feet while playing bridge on a table set up in the stream.

The week at Boyne Highlands, Michigan, with Dave Taylor was enjoyed by the Magins, Clarks, Walshes, Meyers, McKennas, Conways and Leonards of EKC-O Sq's. Ruth and Al Niblack were there too but were absent from the dance floor because of Al's broken wrist. Al, take it easy! . . . Dancing with Dick Jones in Niagara Falls was enjoyed by the Shaws--senior and junior--, Killenbecks, Musshavens Kirvans, Bradts and Betlems. The latter three couples have also done some camping at New Lake near Batavia.

Besides vacationing either at home or away, some of our members planned for weddings and births. Bonjornos' daughter, Borrellis' son, and Pratts' daughter were married and the Ellises and Backers have smaller additions in their families. Jeanne and Carter Perkins, on the other hand, said farewell to the Japanese exchange student who spent a year with them.

We know we have perhaps only scratched the surface of the club's summer activities and we ask your forgiveness if we've left out important items but our dancing was cut short this year. We especially thank George and Heidi Betlem for keeping us informed. Many thanks also to all of our kind and thoughtful friends for their expression of sympathy on the tragic death of our (Hilda's) father.

The Betlems have a good dance schedule lined up for us. Our first national caller on Oct. 24 will be Ralph Pavlik of Ohio. Although a stranger in this area, Ralph is a full-time caller for 15 clubs in the Cleveland area. According to Sets in Order, Ralph always pleases his dancers.

Attention club members! Don't forget to pick up and fill in a News Item slip available at all dances. Give your reporters a helping hand--please. See you soon.

Batavia Twirlers

A busy summer has sped by for the Twirlers. A very successful camp-out started the season. Larry Dunn assisted Don Kennedy in this three-day program at Silver Lake that lingers in our memory.

Summer dances at Alexander were well attended by members and guests. Our new presidents, Bill and Cathy Fendley, arranged several special events. The highlight was a celebration of "Christmas in July". Everything possible was done in the Christmas tradition--decorations, dress, food and exchanged gifts. Santa, however, had to trade in his sleigh for a convertible. The last summer dance closed with a steak roast.

Several demonstration dances were staged during the summer season and hopefully another fine class will be organized this fall. We regret that our regular caller, Don Kennedy, finds that the pressure of work and family responsibility will not permit him to teach the class this season. Caller-member Leo Parsons will conduct the class sessions. Leo has been a student of the callers art for some time and took a regular part in last year's sessions. This venture is a big new step for Leo and we are all pulling for his success. The class will be registered at an Open Dance on Sept. 17th at the Y.M.C.A. at 8:00 P.M. Both professors, Kennedy and Parsons, will be on hand.

Twirl A Rounds

Summer fun is drawing to a close for '68, but there is more fun ahead with club dances rolling around. We are looking forward to our club dances this fall as we were unable to dance with many of you people this summer due to other commitments.

Cotys, Joopenburgs, Gentles and Kirvans have been enjoying camping together weekends, mostly at Sugar Creek. Knabs have had their new camper on the move this summer.

The DeGraves had two nice get-togethers for the club members in July and August, at Sunset Lanes. I'm sure all that attended had a grand time, but by the looks of some of the dancers, including us, September better get here fast. I guess you could call it summertime rustiness. . . The club members had a surprise party for Dot & Howie to help celebrate their 25th Wedding Anniversary, which was August 28th. Congratulations to a wonderful couple. May you have many more.

Evie Thomas has been under the weather most of the summer. Sure will be happy to see her and Ted back dancing again. . . Seen Jane Laurers' picture in the paper, she has been busy with ceramics.

Because of our being unable to circulate much, news is rather slim this month. Hope to do better in the months ahead.

. . . Chuck and Norma Dolan

NON-FEDERATION NEWS:

Swingin' Eights

Seems like last week we had our Trail End dance and here we are starting our fall season. Incidentally, laurels to the Rosiks, Alexanders, Bortfeldts and Johnsons for their well planned dinner dance. The raffia lapel pins for all the ladies were made by Jean Johnson and daughter Susan. The scheduled entertainment program was canceled due to the sudden illness of Tish Knight, but rumors are we may look forward to the same program at one of our future dances. Tish would like to offer her THANKS for the kindness and concern of so many Swinging 8's. We are all looking forward to her return to dancing in the fall.

Understand Tom Trainor has been "swinging through" this summer with a paint brush this time. After working on his 47 foot high house - bet he is glad to get both feet on the ground - Marilyn too.

Our hats are off to our three enterprising young businesswomen. A much needed Square Store, the "Ironda" Square Dance Shoppe on Washington Ave. in Irondequoit is open for business and run by our own Sally Soltysaik, Barb Vreeland and Judy Wilcox. Square clothes, new and "almost new", yard goods and trims are available plus the opportunity to have custom made dresses. Let's give them our support and encouragement. Who knows - this might be the start of another Macys or Gimbels.

Wedding bells rang for the Boyers and Sandersons this summer. Sons Dick Boyer and Mike Sanderson both took the big step. Our Congratulations and Best wishes to both. . . Understand the Macomers are proud grandparents of a boy. Bub will really kick up his heels now. . . Our sincere sympathy is extended to Stan Kubasiewicz on the death of his brother Bruno in August.

Of our convalescents we are happy to report: Mary Prado is dancing with us again after a little setback with a back ailment this time. Sometimes it doesn't pay to scrub both tubs - eh Mary? . . . Helen Klein after two trips to the hospital this summer is squareing and rounding again. . . Don Hicks should be ready to really dance a storm after all his miles of walking this summer. It will be good to see you in a set again, Don and Lou.

John Barker is convalescing at home after another brief stay in the hospital. Our Prayers and very Best Wishes are with you, John, for a speedy recovery - we all miss you and Loretta.

Our Beginners Class, held this year at Irondequoit High School on Cooper Rd. will be on Friday nights at 8:00 P.M. starting on September 13, Tom Trainor will be instructing. . . Don't forget our October 5th dance will be in the Irondequoit High School Gym on Cooper Rd. and not at Rogers School.

. . . Iva and Gordon Allen

Irondequoit Sqs.

Just hurried back from Florida; 2½ hrs. jet from Ft. Myers to Rochester. We are leaving in the morning for a few days camping trip up in Maine to finish out our vacation. . . We expect many of our fellow square dancers are all just as busy going thither and yon this summer vacation time and should be able to tell of much interesting travel and square dancing.

The June picnic had a good large turn-out -- many families participating. . . We are glad to hear that the Matthews will be staying in Rochester, sorry to hear that Smearings are moving to Schenectady. . . Also glad to report that the Vanderlin's little boy is better after a very serious illness.

Dieting going well for several club members - only 3 more lbs. for Mary Deane - that's a real accomplishment.

We are proud to announce that Carl Warschkow is the new President of the Rochester Federation.

. . . Millie and Bob Scott

Fiddle A Rounds

If you all had as busy and enjoyable a summer as we Making Whoopie on American, Cuban, or Spanish Nights and happily awaking to a New Dawn and another beautiful day, you don't have to wonder why it passed so quickly--just wish it could have lasted a bit longer.

In mid-July when we arrived at Boyne Highlands and scanned over the guest list we were pleasantly surprised so see that John and Jean Muench were also spending the week there. We have to admit that we all had a "hot time" at Boyne Squarama that week . . . Mike and Mary Prado's names were also on the guest list at Boyne during the week of the 4th. It's nice to know that Mary's feeling better and getting in her share of dancing these days. They were among several Rochesterians who spent a day at Alfred and joined in the festivities at Art Harris August barbecue where Mary says they always have a real fun time.

Tip and Millie Costich spent 4th of July week in the Prattsburg area with their trailer, and their weekends (the rest of the summer) at the White Birch trailer camp at Sodus Point . . . The DeGraves' trailer traveled down to Allegheny country this summer. Then Dottie went into the hospital for some leg surgery. We understand she's coming along fine now and should soon be "well healed" and ready for some good fall dancing.

Owen and Helene Whitehead journeyed to Riviera Beach, Florida to visit with his mother, and while in that area managed to get in some dancing with clubs in Boynton Beach, Fort Lauderdale, Hollywood, and several other spots. Helene says it's great fun dancing at so many different places and meeting so many friendly people.

Guess we missed the best club dance night while we were on vacation. During the hot spell the dance location was switched to Irv and Marge Brown's home in Spencerport where they hosted the members. We hear everyone had a wonderful time dancing in their cabana after a relaxing and cooling dip in their pool.

And now that we've all (we hope) had our sun and summer fun, hope we can all be together again at the weekly dances.

. . . George and Dorothy Riesenberger

Lima Grand Sqs.

We have had a good year at the barn--in fact, we are staying two more weeks this year. So, if the first two Fridays in September, the 6th and 13th, are too hot in the city, come to the barn where it is cool to dance before the season closes. There have been some very enjoyable nights at the barn meeting old acquaintances, even though sometimes we dodged the raindrops. Our three special nights of the strawberry shortcake, hot dog roast, and cantaloupe and ice cream, were very well received by all the visitors.

Our new class starts in September, so if unable to make it the first Monday night, Sept. 9th, there are three more weeks before we settle down to closing the class for lessons. We are also accepting teenagers when they are accompanied by a parent.

Our first pot luck supper is to be held October 18th at 6:30 P.M. So those that want to eat be sure to join us that night.

. . . Howard Eddy

DID YOU KNOW THAT --

Mary Prado's clever poem "New Basic, Fly the Wig" (June PROMENADER) has been reprinted in the July-August issue of "Idafed Tattler", the square dance periodical of the Idaho Federation. PROMENADER really gets around the country!

Belles 'n Beaus

Congratulations to Don and Arlene MacDonald on the marriage of their daughter, Dolores. The wedding took place on Aug. 3. . . Bill and Aileen Wilkinson have been enjoying their new sailboat.

Bob Fisk and Al Brundage called the dances on July 19 and 20 at Art Harris' in Buffalo. The Butlers, Flynn's, Heffer's, and Haddleton's were there, and from all reports had a fine time. We understand that the gentlemen were pleasantly surprised to find that their ladies had made purchases for them, rather than for themselves, while on a shopping spree at the Town and Country Store.

Sixteen Belles 'n Beaus couples attended the Art Harris Mid-Summer Square Dance in Alfred, N. Y., Aug. 10. There was afternoon and evening dancing, as well as a chicken bar-b-que. Thank you, Doris Haddleton, for making the arrangements.

The Tom Smith's, George Kraus', Howie Hillengas', Bernie Berninger's, and Hoby Herron's should not be sitting out the rounds anymore. They have been attending Peg and Myron Huss' classes throughout the summer, and we understand that considerable progress has been made.

Country Twirlers

Everybody set for another year of excellent square dancing in the "ole Barn"? After a busy summer the Country Travelers should be ready to start in with real enthusiasm. Some of our travelers include the Balsams and the Manns to California, the Muras, Blinds, Falls and Predmores to Michigan, Betty Deisinger to Florida, and 10 couples are planning to attend Jim McQuade's weekend at Lake Couchiching this August.

Our Open House dance will be held on Saturday, Sept. 14 and club members are requested to invite prospective square dancers to attend. If you have not already submitted their name to us, please do so and we will be glad to send them an invitation.

Congratulations to Grandma and Grandpa Goldstein -- it's a boy!

Necessity is the mother of invention, isn't that right, George Mura? Be sure and ask George about the refrigeration system he invented while he and Audrey were at Boyne Highlands, Michigan. The Blinds or the Predmores can testify as to its effectiveness!

Our best wishes for a speedy recuperation to Bea Ford and Evie Thomas who are back home again after another visit to the hospital. Both are doing well and wish to thank all their friends for the cards and get well notes sent them. Hope to see you both back dancing real soon gals.

Country Twirlers had two squares for an exhibition dance at the Rochester State Hospital on July 8. Unless you have ever danced at one of these exhibitions, you can't realize how much the patients enjoy both the dancing and the finger-snapping music.

Rochester Rollaways

After a summer of traveling, camping, vacationing and mowing lawns, the Rollaways will reconvene at the Greece Y on Sept. 13. Herb Keys will start the season at 8:30.

The Lasry tape workshop started last year resumes on Monday, Sept. 16 from 8:15 to 10:15 P.M. These sessions will continue on alternate Monday nights through Nov. 28. Attendance at these workshops is limited to those who attended this series in the Spring and to all Rollaways. . . . A second Lasry tape workshop series will be started this fall. This series will provide many fine evenings to those who enjoy dancing. Information on this new series is located in an Ad in this issue of the PROMENADER.

Lillian Stork injured her back in a fall and wore a cast for most of the summer. This did not prevent her from being "Mother of the Bride" at a July wedding. Lil, plan to be in the first square at our September 13 dance.

Speaking of weddings, two Rollaway couples, John and Jean Huench and Fred and Eleanor Nelson celebrated Twenty fifth anniversaries during the summer. Both couples have successfully combined two volatile activities, marriage and round dancing. Congratulations.

Triggers

As the long, hot summer draws neigh, and the cool breeze of fall winds its way, we can hear those plaintive cries of the callers from afar. Get it! Square dance time again, the restless Triggers are eager to have at it. Sound off starts Sept. 10th Tuesday, 8:00 at Parkland School.

Great things are in store for the coming season. Foremost of these activities is our family picnic. This

escapage will be held at Hamlin Beach Park, where we hope to get by with one picnic area. If this popular event continues to expand, future turnouts may require the entire park. Many opportunities are afforded here to earn some of those fun badges everyone enjoys so much. East Shelter, Saturday Sept. 7th, 10:00 A.M. - 3:30 P.M. \$1. per family. Bring your own favorite picnic lunch.

Jeet! Lila, you and Harold didn't have to go all the way to Hawaii to have fun. We had quite a bit right here at home. Like the pool parties at Podgers and Lita's and our summer dances, for instance.

Anyone caring to brush up, might find dancing with Triggers Intermediates a pretty good refresher course. They have 10 lessons left to finish their tour.

Geneva Friendship Sqs.

We began the summer dance season on June 12th with 18 couples dancing. We had one visiting couple from Horseheads. . . Our June 26th dance which was to have been in the downtown parking lot was rained out, and we danced in the Geneva Youth Center. Again we had 18 couples. Visiting couples were from Auburn and Canandaigua.

Our July 10th dance was in the Pavilion at Seneca Lake Park. We had 31 couples dancing. Visitors were Penn Yan Friendship Squares, Canandaigua Magic Squares, and several couples from ERC-C Squares and Belles 'n Beaus of Rochester. Two former Genevans, Evy and Bill Johnson, came all the way from Florida to dance with us and acquire a Rovers badge, and our old friends the J. P. Barrett's came all the way from Watkins Glen.

Our July 24th dance, held at the Pavilion, was again attended by 18 couples with visitors from Penn Yan and Canandaigua, and another Rover and former Genevan, Mrs. Jo Burke of California. . . This dance was made notable by a special feature. One set danced in the water. I don't recall whether the Caller (Don Pratt) entered the water or not but Bud and Pinky Naegele, M. H. & Caroline Keeb, Art & Lucy Masfeller, & Dom & Dorothy Serrett formed a square at about knee depth and actually danced---- They are after some kind of a badge.

The fellows danced with their trousers rolled up to their knees, and the ladies tucked their skirts into their petti-pants. Lucy Masfeller fell down and every one got soaking wet, and a good time was had by all.

These dances have been notable for a 100% attendance of all the officers.

Boots 'n Slippers

Good ole summertime with vacations has come and gone and now our new dancing season is just about to begin. Sept. 6th is our open house dance so bring along your friends and Mike Callahan will show them how easy it is to have fun square dancing. Our instruction classes will begin Sept. 10th, and every Tuesday after that Bob Brunshidle will do the instructing and the registration will be the 10th, 17th, and 24th of September.

Our summer dances at Manitou Beach gave us another successful season. All the area clubs were well represented.

Our third annual July 4th camp-out was a smashing success. It was held at Bonnie Brae in Prattsburg, N.Y. We had two nights of dancing with Don Pratt calling and an evening around a generous campfire . . . During the day many of our campers went sightseeing in the area, and some took in the winery tours. Now we know what wine goes with what food and how it tastes. Saturday was our night for potluck supper, and you can't say campers are not inventive or something, cause if you are on a diet, just stay away. You couldn't possibly resist what was offered . . . Our thanks to Bob and Pat Hutchison and Chet and Evelyn Seegar for the fine job they did organizing our camp-out.

Chuck Crouse and his trusty bow are back in the news again. Chuck came in second in the "Mid Atlantic Shoot"; that means he had to shoot against the best in the seven mid-Atlantic states.

A little note to all who read the "PROMENADER" - your reporter can use news items of you and your square dancing friends, so please pass along some info to them so they can pass it along to the rest of us. Thanks.

Friendship Sqs.

The town of Henrietta is 150 years old. Friendship Squares helped it celebrate by having an outdoor square dance on July 18 in Southtown Plaza parking lot with Don Pratt calling. About 500 dancers and spectators came out even though the temperature that day was around 90°. We had 13 clubs represented. Batavia Twirlers won the prize for sending one square from the greatest distance; and Lima Grand Squares won the prize for having the greatest number of couples. We also had one couple from Saudi Arabia. We would like to thank all the people who helped us make the dance a success. We all had a lot of fun.

The camp-out at Bonnie Brae proved square dancers are as nutty as ever. 3-3/4 squares danced at 3 A.M. for their idiot badge, but what is 3/4 of a square?

Dancing season begins on October 12 at the Henrietta Town Hall at 8 o'clock. The open dance for beginners will be September 30 at Sherman School.

EKC-O Squares

HI EVERYBODY!!!! So nice to have the "PROMENADER" back so that we can keep up with all Club activities. Sorta gives one a feeling of "Fall", doesn't it? So let's push it back and enjoy what is left of summer. This has sure been a "dancin' fun" summer. We were delighted to have so many members of other Clubs take advantage of our delightfully cool hall and outstanding callers--INcluding our own Ken Anderson. Do come and visit us during the year. Those of us (and there were many!) that danced at The Barn and at Manitou had a ball! Thanks, "LIMA Squares" and "Boots 'n Slippers."

"BEST IDEA OF THE SUMMER" award, or at least a Gold Oscar should be given to Ken Anderson for the half hour refresher course he initiated this summer (and not all the participants were recent graduates, either!)

HAIL and FAREWELL!!! Hail to Kay and John Welch who are the new Federation representatives (they are good at anything they do! Remember the picnic!) Farewell to Ethelyn and Jack Hamlin, who are the retiring members. Ethelyn and Jack always have so much fun at whatever they are doing, that we are sure they added a lot besides hard work and ideas to those meetings.

HELP!!!!

You all know the column HELP!
And the red tape it cuts through.
Well, Ye Olde Reporters are asking
For a little HELP! from you.
Anything gonna happen?
Someone takin' a trip?
Anyone win the lottery?
Please call and give us the tip!
Ya know the latest gossip?
Ya got some inside dope?
Ya know anything interesting?
You'll give us a ring- WE HOPE!
Those PROMENADER Editors are
What we call "Simon Legrees,"
If the copy isn't ready--
They beat us to our knees!
So come on, all you EKC-O Squares,
Please heed what we've just said --
We gotta feed those editors
Or, BROTHER, we're just dead!!!!

"CLIQUE"

RUMOR has it that our clubs are run by cliques. Careful investigation shows that this is true. Furthermore, you will find that the clique is composed of faithful members who are present at almost every dance, who do all the work who give willingly of their time, energies, and efforts and who sincerely believe that the more one puts into his affiliation with the organization, the more he will get out of it.

There is no question that the enthusiasm, responsibility and efforts of those members are of inestimable value to the membership and the organization. And it is suggested, therefore, that you join this clique. It is very easy. Begin by attending dances regularly; take a lively interest in its activities, accept responsibilities in its floor work and on its committees. Show a continual interest in all affairs pertaining to your club's activities. Before you realize it, you will become a member of a clique, and you would be surprised to know how anxious they are to have you.

DON'T CRITICIZE THE CLIQUE, JOIN IT!
