Where to go Dancing

Many of our newer dancers and also those "old timers" who have recently moved into the Rochester area are subscribers to PROMENADER. Every month they see listed on page 3 all the dances our Federation affiliated clubs are having. We list the address of the school, church, or wherever these dances are being held. But where is Hosea Rogers school or for that matter, Northfield Road? In an effort to help these "lost souls" find our dancing places, some of which are well hidden, PROMENADER plans to periodically present a map to help you get there. This month we will help you get to Swinging Eights and at the same time the new home of the Irondequoit Squares. Our maps will not necessarily be geographically correct but accurate enough to get you to the dance without sightseeing Syracuse first accidentally.

CUES - CALLS

BY

MIKE AND MARY PRADO...

Somehow, somewhere, in this area, a story got started years ago, and is passed on to new square dancers, that you must dance several years before you attempt rounds. We do not agree! We are sure the other area teachers have the same feeling.

Leaders in this field, who meet thousands of dancers a year and indeed make their very living by this means, have made an interesting survey: the average square dancers last about four years. But the couples who combine rounds as well enjoy this pastime ten years or more! (The Prados, for instance, have been s-round for ten years. Need we say more?)

Some beginners are lucky enough to be introduced to simple rounds along with their square dance instructions. In fact, they are almost always the only ones who are curious enough to find out more about round dancing, and pursue this activity. However, those who have not experienced rounds, somehow feel they are above, or beneath, or castoffs from this "foreign" dancing. Furthermore, these dancers feel they have graduated, and don't care to start in first grade again.

So why this plea for Rochester Round Dancing? Because so many Rochester dancers are missing half the fun and learning only half the activity!

Rounds teach you to dance to music and keep to rhythm. Beginners in square dancing have to learn so many basics, however, that they do not learn to dance to a beat. If that doesn't grab you, here's a practical viewpoint: we implore you to fight inflation by getting your money's worth at vacation and at your own clubs. Why spend the full amount of money and enjoy only half the program? The round dancers get the benefit of the entire evening's program. Many times a person yanks you through a right and left grand as though he is making the winning home run at the World's Series. If nothing else, round dancing gets the girl in the player's arms...and what better way to play a game?

Forward two step,

Mike and Mary Prado

BARON H. VON ABBERGER

(THE GREEN BARON?)

Well, Hallo dere! Ve iss a little late dis season in writing dis column. Ve bin on a couple uf vacations and now ve iss back, "ready to go".

Vun uf our vacations ve vent to Europe. You would never guess vet country. You're right, Chermany! Somebody must haf told you. Ya, da Fatterland. Und now I know why dey call it da Fatterland, because uf de delicious food everybody iss getting fatter und fatter.

Ve tried so hard to speak und understand de language dat now I speak vit an accent. Alidough you can hardly notice it. Dey said don't drink de vater. I didn't. I drank the beer, und I almost got a rupture trying to lift de heavy steins.

Der ver some direction signs vich ver very confusining. Aus Fahrt, Ein Fahrt, und Gut Fahrt. From dis you wouldn't know vich vay to Fahrt, but vonce you learned dat Aus Fahrt vas Exit und Ein Fahrt vas Entrance, und Gut Fahrt vas Good Journey, it vas den very easy to know vich vay to go....

Ve vent to Munich vere der iss a big Beer Garden. Dey had a large Cherman bandvich vent "Unp Pa Pa" und dere vas many people round dancing. Der vas no Cueing or Calling except da leader uf da band. About every five minutes he vould shout "Hier Prosit!" und everybody vould go back to their tables, lift up large steins of beer and shout "Prosit".. I suppose that meant stop the dance.

The only Square Dancing vas at a NATO Army Post in Mannheim. Da caller vas supposed to be calling in English but some of the calls sounded like Cherman. To me dis vas not unusual because even in Rochester some calls sound like Cherman to me. So ve choined a set und started dancing, und choost like here ve got all mixed up. The caller vas very nice about it, he stopped for our set und valked us thru. Now ve started dancing again und again our set got mixed up. Dis iss vere da caller paid me a compliment. He said in Cherman, "Dummkopf", vich probably means Gut Dancer or Friend or somthing like dat. Und ven he repeated "Dummkopf" da second time, da entire set laughed und cheered. All caller should be dis friendly.

Vel, I tink dis iss enough for now because dis accent iss hard on my voice. I tink I vill eat some sauerkraut und soothe my throat.

Danke, anyway

Hal Abberger

P.S. In spite uf inflation I am still charging only two marks, I mean fifty cents, to stay out uf your set. But I have had to cut out giving stamps.

NEWS

Batavia Twirlers

Our beginners class is booming with enthusiasm to the tutelage of LEO PARSONS in Western style square dancing. There are about 22 couples and they meet every Tuesday night at the Batavia YMCA.

Sixty couples including guests enjoyed our October 4th dance with LARRY DUNN calling in spite of a bout with laryngitis. LEO helped him out on the "singing calls".

Thanks to the Belles 'n Beaus when we were their guests on the 6th of October for the wonderful evening of dancing. We were so glad to see so many of the Genesee dancers on the 18th. It is especially nice to have other clubs as guests and meet their members.

Great plans are in the making for our Halloween masquerade dance on November 1st, (costumes optional) when the witches and goblins, bats and cats make their appearance. As in the past, prizes will be awarded for the prettiest, most original, etc. We always have a good time. Come and join us.

.....Don and Lucile Palmer

Belles 'n Beaus

We are so happy with our Ballroom at Greece Olympia High School. We can now reciprocate for the hospitality shown to Belles 'n Beaus all these years by the other clubs. The Batavia Twirlers were our guests on October 6th and five couples from this club danced with us. We want to remind you that all our dances are open now that we have so much room and we welcome visitors from all clubs at anytime.

We're still hearing about the great vacations enjoyed this summer. RHEA and MARTY MYERS spent several weeks touring the West. Their stops included Las Vegas, Durango, and Los Angeles. RHEA said they plan to make their home in Phoenix, Arizona -- someday.

The HASMANS recently visited their son who is in the Air Force and is stationed in Biloxi, Miss. He and his wife waited out the recent hurricane in a shelter and came through it unharmed. They did lose some of their possessions but all in all, felt that they were pretty lucky at that. This was RUTH's first airplane trip and we understand she found it quite thrilling.

The MARINUS and DOYLES recently went on a shopping binge in Buffalo. While there, they stopped in to see VERA HARRIS who has been convalescing from an illness. They found her in the best of spirits and eager to be up and about again. Many thanks to IDA and HOBY HERRON for writing the column last month while we were on vacation.

.....George and Delores Wentis

Boots 'n Slippers

We are happy to let our club members know that our beginners class has 24 couples, and the enthusiasm among them is great. We'll be seeing the new class members at the hayride we are having on Oct. 17th at the SWEENEY's, with hotdogs and a marshmallow roast after the ride.

I hear that DOROTHY TROX is bringing a real special food for my better half who underwent slight surgery a week ago.

We have a lot of young (at heart) members, for instance LORENZ and JOHN, who can't wait for the hayride. I hope that we have a full moon that night. Sorry to hear about ALTHEA RUSHFORTH and ED CONE's fathers death recently. Please accept our heartfelt sympathy.

By the time you get this issue you will have danced to Stan Burdick. But just in time to remind you that Carl Geels with his organ will be back here Nov. 14th. So keep this date in mind. We had a terrific turnout last year, let's do it again.

On October 23rd, a group put on a demonstration for the Senior Citizens for Halloween. The group did it last year and they loved it. This year they were invited for supper. (I guess they really liked us!) Our own Jerry Carmen did the calling.

Late bulletin: We has eleven couples go to SASDA, the Syracuse festival. They were the BUSHARTS, TAYLORS, COPELANDS, MULLANS, STEPHENSONS, WEBSTERS, R and I DAVIS, FURLONGS, HOWELLS, AND WELLS. I heard they had a real great time. And I also hear from the grapevine that a lot of little funnies happened. I won't mention any names, girls. Happy dancing,

.....Dean and Terry Harris.

Country Twirlers

On Saturday, October 11th, we kicked off our 10th anniversary celebration with a dinner at the Chili Country Club, with 46 couples in attendance. From there we went to the "ol' barn" and joined 40 guests for the most fantastic evening of dancing and fellowship we've seen in a long time. The decorations were unbelievable and the callers, TINK TINKLER, BILL BARTSCH, and JIM McQUADE, were in great form. The final tip and a highlight of the evening was JIM and BILL teaming up and really rattling the windows, and we mean rattle!! We all retired to coffee and cakes decorated to reflect each major function thru the years. We hope you had your picture taken by the SAUTERS to commemorate this occasion.

On November 29th JOE REILLY will be calling for us and we are anticipating a lively crowd that night.

Another dance to keep an open date for is December 13th, which is our Christmas Dinner - Dance. Reservations are necessary for the dinner, dancing is open to all. Line up your babysitters early!

Two bouquets go out this month. The first to our 10th Anniversary Committee. Enough praise cannot be given, it will remain in our memories for years to come. The second goes to ESTHER and AL FIEGE, who, at the anniversary dance, were recognized as charter members.

.....Dave and Arlene Plummer

EKC-O Squares

Here we are in October, the month of witches and pumpkins. EKC-O Squares will celebrate Halloween with a party on October 29th, costumes optional, but preferred, with prizes to be awarded.

Please note this change - every Wednesday we now have BETTY WOLCOTT from Batavia teaching new rounds from 7:30 to 8:00, and if it's a Ken Anderson night, his workshop will be from 8:00 to 8:30.

Our beginners have loads of enthusiasm. BOB ELLIS is doing a terrific job, and he has about ten full squares every week.

That old bird, the stork, has been busy. He left a boy in September for PEGGY and RON STIMSON, and made DOT and DON SECONI grandparents, also a boy. Congratulations.

CHUCK and HELEN SPIEGEL couldn't rave enough about the wonderful time they had at Hidden Valley a few week-ends ago. They went with DOT and JIM SANDER, and there were about fourteen squares from EKC-O enjoying the fun-filled weekend. HELEN recommends that everyone plan on a week-end there, as she says it's just terrific.

A small, but enthusiastic group of trailers spent a week-end at Hamlin Beach State Park under the capable manage-

ment of HOWARD and CLARA GRIFFIN. A good time was had by all.

According to BARB VREELAND, quite a group is going to Syracuse for the weekend starting October 10th to dance at the War Memorial. BARB says that this is a fun festival with national callers.

This is the month we say Aloha (for a short period) to ED and EDIE SNOW, who are leaving for two weeks in Hawaii. Have a good time, we all wish we were going with you.

.....Paul and Marge Walz

Fiddle A Rounds

November and December to go, and so far we haven't earned our reporters badge. We're still hoping.

JEGRAVES, WHITEHEADS and our teachers, the TUCKERS, attended Canada-Cade to learn more rounds. Whew! It's a go go all the time.

RIESENBERGERS are touring down the southern way somewhere - Myrtle Beach, I think.

Our latest dance is "Mr. Fire Eyes". It's a fast one. Now we have a samba step to mix up.

If I had my life to live over again I would become a fireman because they have more vacations than Nixon. No names or he won't come to put out my house fire if I should have one.

The COSTICHS are headed for California on October 16th. I really don't know how he does it.

JIM BUSHNELL goes into Genesee Hospital for surgery. We wish him a speedy recovery.

.....Mike and Mary Prado

Genesee Dancers

From the reports that keep drifting in to us, the club may have to add "The Travelling Group" to its name. BEA and HENRY MEYERS and DOTTIE and DON CLARK flew to the Canadian Rockies in July, had a good time, and HENRY is very excited about the pictures of animals he was able to take. HILDA and FRAN DESMOND took a trip to San Jose, California, to visit their son. Danced with a very nice club there and also danced at Frankie Lane's Dance Rance in Colorado enroute. THELMA and RAY SPRINGET went to the Rebel Roundup in Fontana, North Carolina and had a marvelous time. There were six callers each night for a good variety of dancing. RUTH and AL NIBLACK leave for Florida November 4th, then on to South America with the Sets-In-Order group

ANN WEBBLACKER is attending Genesee College this year, doing graduate work in Library Science. Good luck, ANN - maybe someday soon they will write a musical about you like they did about Marian, the Librarian.

There was excellent attendance at the BOB FISK dance on October 2nd, our own members and many guests from local and out-of-town clubs. It was a very good dance and eleven o'clock came too soon. Those who couldn't make it missed a lot of fun.

The nominating committee has been chosen and it is hoped that the couples who have been considered as officer material will accept the challenge. It can be a very rewarding experience. Our present Board of Directors has done an outstanding job during the past year and the success of the club depends on dedicated people.

Geneva Friendship Sqs.

We got off to an early start in September. The class has already met five times as of this date (Oct. 15) and fourteen enthusiastic couples are already buying costumes. FLOYD and JESSIE CLARK have been elected presidents of the class.

The club is happy to see the return of several old friends who have been absent for a year. CARL and HEATHER ATEN, BUD and PINKY NABEGL, PHIL and PEGGY REED, and FRANK and SHIRLEY TORREY. They must have done a lot of dancing on their travels since they don't seem to be having any trouble in keeping up.

We are sorry that BILL BUELL and BYANE FLOOD are on the sick list. We hope to see them back with us soon.

On Sunday afternoon, October 12th, the Geneva Friendship Squares attended a dance at Ithaca. The Ithaca Square-A-Naders had DICK LEGER as guest caller. (The man from Rhode Island with the guitar.) The caller was good, the music was great, and the National Cash Register cafeteria is a lovely place to dance. FRANK DARROW cued the rounds. Besides ten couples from Geneva, there were four couples from the Penn Yan Friendship Squares and two couples from Henrietta Friendship Squares, also our mutual call and his wife, DON and LUCILLE PRATT.

RED BATES will be at Geneva on Tuesday, November 17th, at the Junior School gym. Come and dance with us.

November 22nd, a Pot Luck Supper before the dance at 7:00. Bring your own favorite dish to pass. We will be having JERRY CARMEN calling this night. Let's see all of you there. Flyers will be out in circulation on this event.

Get well wishes are out for TOM VAN NEEL. Bon voyage to DORIS and ART VAN NEEL who left October 19th for Germany to visit their daughter.

Irondequoit Sqs.

After the ghosts, goblins and witches were all swept out the door for another year and the dust cleared, there appeared the new home of Irondequoit Squares -- Hosea Rogers School at 219 Northfield Road. Yep! It still belongs to our neighbors, the Swingin' Eights, and between us we'll keep it hopping every Saturday night. CHARLIE and PERKIE TUCKER will have a round dance period beginning at 7:45 PM every dance, so let's get out and learn all the newest rounds with the "experts".

Our sympathy goes out to RON and ROXANNE GERTNER in the loss of RON'S father last month.

You've heard of Smokey the Bear! Well, we have his helpers in the guise of GERT and RUSS HARDING, who spotted a fire in the woods of a nearby camp and promptly went into action. Move over, Smokey!

At our October 11th dance, someone accidentally took MARY ALICE BOOKS' light blue raincoat and left one in its place. MARY ALICE isn't complaining 'cause she says she "got the best of the deal", but right's right -- so check your wardrobe.

In November, with BILL WILCOX at the mike, we'll have our business meeting on the 8th, elections on the 22nd, and on the 29th we'll have a relaxed dance evening after a good ol' Pot Luck Supper at (note the place) the Transfiguration Lutheran Church at 3760 Culver Road. Come one! Come all!

.....Lorene and George Phillips

Lima Grand Sqs.

Everyone is working hard, trying to get our winter dance season into full swing. It is a pleasure seeing so many of our former class members, who for one reason or another, have not been able to attend regularly, coming back. Some are joining the beginners class for a "refresher course". Others are picking up where they left off and are doing very well. Hope to see many more as the winter progresses.

A Rally Night is planned for October 24th and two have challenged our president, CHARLIE BUSH, to see who can get the most dancers present on that date, last year's class or guests or all former members. The losers are in for some "slap stick" penalty - a pie in the face.

However, CHARLIE BUSH will have to mend fast because on October 10th he underwent surgery at Highland Hospital. We are hoping he will be ready and able to meet his challenge.

Haloween is always lots of fun and our newly organized class will join the ghosts and goblins for the night.

We have two guest callers engaged for November and December. On November the 14th, HARRY "THE HAT" SUTTON will be at Lime Town Hall at 8:30 to call for us and on December 12th, GORDIE COOPER, one of our old-time favorites will be here to give us an evening of some of his specialties. Will you be able to join us on these occasions?

.....Everett and Florence Kingsley

Rochester Rollaways

It seems as though I'm always either writing this column or scrounging material for the next one and since I'm a dreadful procrastinator that means I'm always fighting deadlines. Anyway, here I go again.

Campers from the club were present at a camp and dance weekend at Timberlake and an impromptu get-together at Letchworth Park. While at Letchworth, the dancers were indebted to GEORGE WOOD who brought his portable dance floor (5 sheets of 3/4" plywood) so they could dance to tapes. That had to be better than dancing on a crowned macadem road which we did last year.

We were very happy to see three couples from Buffalo at our DAVE STEVANSOON dance ie. the SEITZ'S, BILL and LOIS WILCOX and BILL and ROSE RYAN. BRIAN and SHIRLEY BONHAM, from Syracuse, joined us for the WES WOOD dance. WES WOOD who is also from the Syracuse area, is new to our club and certainly surprised many of us with his choreography.

HAMILTON and BETSY STEARNS' son was home on leave recently from California and the MCCOLLUM'S are off on a trip through the Smokies, Tennessee and Arkansas, and coming home by way of Illinois, all of this in two weeks with a baby and a Siamese kitten. Bon voyage Betty and Jim!

Speaking of trips, FLORIAN CZERNIAK is going to be well prepared for his future trip to Mexico--he's studying Spanish in his spare time. Como esta usted, Senor Czerniak and how do you have any spare time when nobody else does? You see, I took Spanish once but didn't get a trip to Mexice so I forgot the Spanish.

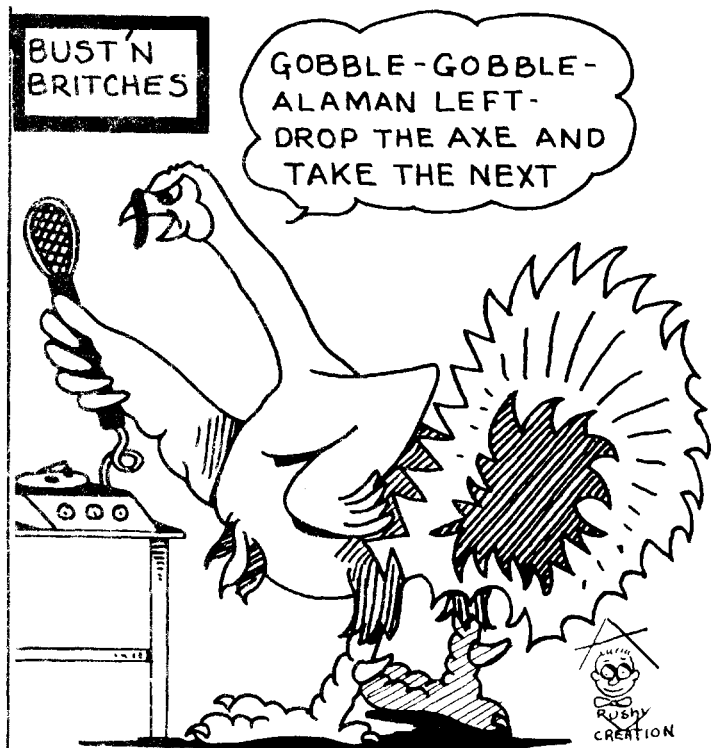

Let's all remember to call CAROL AMTSBURG, MRS. KELLEY the next time we see her. After all she's got to get used to that name now.

This pretty well winds things up for the month.

.....Heidi and George Betlem

Have you given the RED CROSS that badly needed pint of blood? Also, IONE JAWSON needs "trustworthy, trained, grandmotherly type baby sitters" for emergencies and daytimes. Better yet, try a bit of community social service by organizing a sitters service. Call her at 454-2700.

CALLING SQUARES AND ROUNDS TO DARE- AND SAVE HIMSELF FROM THANKSGIVING FARE- BY PUSHING THE HAM TO LEAD THE WAY- AND TAKE HIS PLACE ON THE HOLIDAY...

JOHN and LORETTA BARKER visited a club dance. He looked very good and danced two tips. Other guests, HELEN and MIKE TISS from Bermuda are now living in Rochester. BILL and GINNY SANDERSON were appointed Federation Representatives and RUSS and DORIS JENKINS, assisted by JOHN and MARY FENTON, Membership Chairmen. Four couples were voted into membership, BARB and AL TAYLOR, SHIRLEY and TOM VAN NEIL, CAROL and JIM OSCHMANN and ANITA and CARL WARSCHKOW. Our sympathy to SALLY SOLTYSIAIK on the death of her brother, CHARLES BARBER. Yours truly celebrated Fire Prevention week by having a clothes drier fire Monday morning. If you have any questions about what to do should your drier start smoking, I've received plenty of advice for you. Better yet, prevent the fire by keeping all lint from inside the drier.

Among the 1700 dancers at the Syracuse International were eight from Swingin' Eights - the VREELANDS, HEFFERS, JOHNSONS, and FROHWEINS. BERTHA and ALAN DENISON thoroughly enjoyed the charm of a fairyland trip to Germany (Bavaria), Austria and Switzerland. Main object was to take an 80-year old father to visit a relative. Meanwhile, they visited the native folk, homes and little villages, the nooks and crannies that tourists miss. They brought back story-book memories of sleeping to tinkling cow bells in the Alps, Rhineland boat rides and vineyards - wood carvings, and hand paintings, clocks and much, much more. Lucky DENISONS!

Get your reservation to TOM TRAINOR for his Trenholm West Inn Fall Frolic, Saturday, November 29th, 1:00 PM to Midnight, featuring ORPHIE BASSON and KEN and CAROL GUYRE. Also, support your fellow club member "WILD" BILL WILCOX, who is calling for the Irondequoit Squares on the 2nd and 4th Saturdays, alternating with the Swingin' Eights.

Late Flash: Congratulations to SANDY CASS who had a baby girl on Friday, October 10th

Triggers

Our Intermediates presented a square dance demonstration recently at the German Club Grape Festival. Li Li's Ol' wine Maker, Barb DeMerritt, gets tired of dancing through the 26 pounds of grapes she won, she can sit down with MARY CLAPP and partake of their ready-made winnings!

Just off your party hats and noise-makers. New Year's Eve reservations can now be made by calling 663-3347 (WORDINGHAMS) or 663-7284 (HUSS). Also, please mark your calendar for Nov. 11th when we will be dancing and seeing pictures of past capers at St. Jude's Church, 4100 Lyell Ave. If you have any slides, photos, or movies of "Our Gang" (Triggers preferred!), please bring them along--with projecting equipment, if possible. Your participation can add a great deal to the fun of the evening.

Flash! If you call our Federation delegates at the number listed in the last Promenader you are in for a surprise! Scratch the number shown and put in 865-0790 if you want to talk to the NESBITTS. Our second delegates are METRO and CONNIE FELDORCHUK; 19 Musket Lane; Pittsford, N.Y. 14534; 586-5609.

Did you know that Triggers have a "guest gimmick"? Every 25th guest wins a free evening of dancing with our club at any future date he chooses. JIM and MARTHA BAUM were winners last month and chose to dance again the following week before mosyin' on down to Texas.

The apparitions at our Halloween party were just figments of your imagination augmented by all that witch's brew you've been imbibing lately. Well, it's safe to come out of your pumpkin shell now for another year. Our party committee has been scared off, too! It's amazing how "goblins" become "gobblers". Is that why Thanksgiving comes after Halloween? Let's give a Big Black Cat purr of thanks to the PIERCES, HOLDENS, ALLENS, SIMPSONS, and McGRATHS!

Twirl A Rounds

I am sure that all of you have heard of "Nucaritis". This is the time of the year for it and once more it has found its way to a couple of our members. The THOMAS'S have a new Chrysler and the KIRVANS a -?- station wagon. (Sorry folks - I didn't catch the name).

JIM and ANN GENTLES are the new owners of a mobile home which is situated at Chaumont Bay near the Thousand Islands. Lots of luck in your new summer home.

Congratulations to LARRY DEISINGER on his new promotion.

TED THOMAS's dad spent a months vacation here from California. My, he must be a spry one. Now we know where TED gets all his zing from. Congratulations go out to TED on his retirement as of October 15th. I'm sure there are a lot of envious fellers around.

The Twirl-A-Rounds were well represented at Rounds-A-Poppin in Niagara Falls. Those that attended were: DeGRAVES, FALLS, THOMAS's, COOPENBERG, LOWS, BETLEMS, KREUZERS and DOLANS.

DAN and LOUISE BRAJT won the jitterbug contest at a Muscular Dystrophy Dance. By the way, guess where LOUISE and MARY brought their husbands.

CHET SEEGER has informed us he is having problems with his dance flag. One time its there and next time it's gone. Now, who could the culprit be? Any information would be appreciated. If you happen to have any old

flags, why not donate them to a worthy cause.

Guess what BONNIE COOPENBERG left in JERRY CODY's car. You don't have any idea? Well, it's the same thing that JANE LAURER left in ART EICHAS' car. For shame, for shame. No wonder DICK has to do the baking.

The attendance has been tremendous this year both with club members and with new prospective dancers. I'm sure most of the credit has to our devoted caller-teachers, the DeGRAVES. How fortunate we are to have such a wonderful couple and I believe that it bears repeating every so often. A big "Thank you".

Wayne Westerners

The bewildered look as the caller said right and left through. and oh! I didn't realize that was your toe. That's the way it went the first night with our new class. We are happy however, as we have three new sets. I am sure they will be a big addition to our club after graduation.

We are sorry to hear that BOB CADY has been under the weather. But hope to have him back dancing soon. ORLOH COX had a recent accident which stopped her from dancing for awhile, but not for long we hope..

Hope to see some of you if not all at our club dances. Wayne Westerners are anxious to share our dancing fun with others.

.....Art and Laura Tierson

Web-Spinners

The 5th Annual International Fall Fest in Syracuse on October 10th and 11th found three couples from the Web-Spinners in attendance. Included were JANE and DON EVANS HELEN and JIM FORDHAM and EDNA and KEN HUTCHINSON. From all reports the Fest was a sparkling success with callers from the U. S. and Canada.

Several couples were guests of the Genesee Dancers on Thursday evening October 16th at Cutler Union. The fellowship was excellent as many friendships were renewed. We look forward to having the Genesee Dancers as our guests sometime soon.

CHET KUHN has been ill but we understand he is recovering. We anticipate his return to the dance floor shortly. BERNICE and HANK REARSON have returned from a wonderful vacation in California. We are anxious to learn about the highlights of their trip, and whether they were signed to a long term movie contract.

The new class which meets every Friday evening is making good progress. There is room for additional couples who would care to join in the fun of a square.

Pardon Our Error

Lima Grand Squares senior delegate to the Federation is: Dick and Peg Schwingle, Rush - Mendon Rd, Honeoye Falls, N. Y. 14472, tel. 533-1785, instead of the Kleeh's.

In the September issue when we listed the beginners classes of the various clubs, we failed to mention that Triggers classes would begin in January. Full details will be available from Peg Huss at 663-7284.

EDITOR'S NOTE:

TOM TRAINOR, notorious for his "exposure" (See last
month's Swingin' Eights news letter) gets exposed in
a different way come Sunday, November 16th. Tom is
slated to be the subject of a "Mini-Profile" in the
"UPSTATE" magazine section of that date's Rochester
Democrat and Chronicle. It is nice to hear that someone
who has occasionally been mentioned in PROMENADER has
been able to graduate to a "big" paper. Congrats, Tom.

BOB and DOROTHY WOODAMS
Chairmen, Rochester Rollaways

Bob and Dorothy Woodams have been on the local square dance scene for about five years. Since last Spring they have served as Board Chairmen of the Rochester Rollaways.

Recently they moved into a beautiful new ranch home in "suburban" Hilton which, justifiably, is their pride and joy.

Hobbies include "cellar sessions" with small groups of friends and a tape recorder, and working with the Hilton High School Marching Band, where son Kurt is in his sophomore year. Daughter Keitha is a freshman at Alfred State College.

EDITOR'S
NOTE:

We take great pleasure in welcoming aboard an addition to the PROMENADER staff. Our reader with astute vision may have noticed the bespectacled face with a brush cut and a bow tie appear in the corner of some of our advertising beginning last Spring. More recently it has graced the PROMENADER cartoons beginning with the September issue. For those without 20-20 vision we herewith repeat the picture of our tea-cup-handle-eared friend:

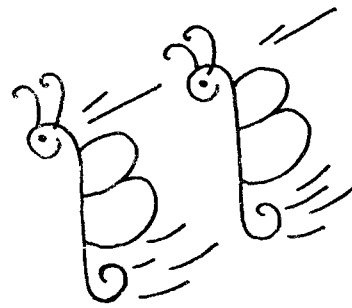

This reportedly is the self-portrait of Bob Rushforth of Boots 'n Slippers. Bob has graciously accepted the position of Staff Artist with PROMENADER for which he will get the same exorbitant rate of pay earned by yours truly, the editors. We hope he can stand it at income tax time! At any rate, welcome, Bob, and may our association be a long and pleasant one.

NEWS NOTES FROM LITTLE SQUARES

We started the new season with 42 new people dancing. David Kassenbeck is going to have a little brother or sister. Judy and Patty Weathers older sister is getting married.

A WINNER!

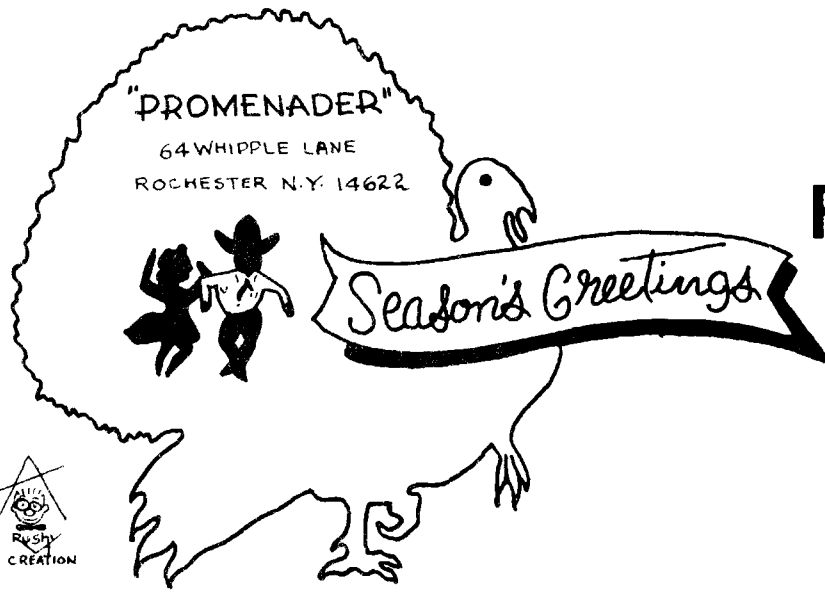

We are happy to announce that Les Bushart of EKC-O Squares collected the most subscriptions for our 1969 campaign. Les collected 68 subscribers for us, including ten new subscribers. As a result he gets a year with our compliments making him the first subscriber paid up for the October 70 thru September 71 issues. Our thanks, Les, for a job very well done.

PROMENADER would like to also say thanks to Don Palmer of Batavia Twirlers, Doris Haddleton of Belles 'n Beaus, Peg Mullen of Boots 'n Slippers, Jim Higgins of Country Twirlers, George and Dorothy Riesenberger of Fiddle-A-Rounds, Lucille Vincent of Genesee Dancers, Jean Goodrich of Geneva Friendship Squares, Evelyn Tiska of Henrietta Friendship Squares, Mary Jean of Irondequoit Squares, Carl Hauer of Lima Grand Squares, Heidi Betlem of Rochester Rollaways, Bob Vreeland of Swingin' Eights, Helen Allen of Triggers, Jack Low of Twirl-A-Rounds, Dave Klaver of Wayne Westerners, and last but not least, Judy Wilcox of the Web-Spinners.

without all the hard work of these good people, your PROMENADER would probably be very late this month because their efforts make our work as editors much easier. Again, thank you!
