Who The caller staff for this year is Ron Schneider, Jack May, "Singin" Sam Mitchell, and Jim Mayo, with rounds headed up by our own Charlie Tucker.

JACK MAY started calling Square Dances in 1956. He taught guitar lessons and played and sang on the radio. He and wife Lil have three children and four grand-daughters. Jack works part-time as an electrician with Girken Electric Co. in Toledo, Ohio.

Jack is the regular caller for five clubs in the Toledo area and is guest caller for many area clubs. He travels within a 300 mile radius on weekends and does two tours a year into Canada and New England. He also does several caller clinics a year.

Other area dates include the upcoming Toronto Square Dance Convention, West Point "Funstitute", and the Kon Yacht Kickers Spring Festival at Conneaut Lake Park, Pa.

JIM MAYO is one of New England's best known Square Dance Callers. For the last ten years he has called regularly at the Allemande 8's of Manchester, N. H., the Marri-Valles of Haverhill, Mass., and the Town Travellers of Lowell, Mass. For eight years he has conducted an advanced experimental workshop group. He and his wife, Clara, organized one of the first round dance clubs in their area, instructing Mayo's Rounds for six years.

Jim's festival experience began with the Atlantic

Convention in 1956 and has extended through a variety of area festivals to several National Conventions. In 1964 he was one of the featured callers at Northern California's Golden State Roundup. Jim calls in all six New England States and travels throughout the Northeast as his club schedule permits. He makes a short calling tour to Eastern Canada each fall and one to the West Coast in March.

Since 1960, Jim has worked on the staff of Al Brundage Vacations. He was featured in Sets-in-Order as Caller of the Month in January, 1963, and his selected workshop material was presented there in January, 1968. His calling is heard on Scope Records of Los Angeles, California.

Jim was a founding member of the TriState Callers Association and has served it in every office. He helped develop the New England Council of Callers Associations (NECCA) in 1961 and served as its chairman in 1965.

SINGIN' SAM MITCHELL has been referred to as a "high level caller with a beat". He is 6 feet 4 inches tall which accounts for the "high level" and he is a former Kansas City, Mo. policeman ... which accounts for the "beat". Too many cold winters sent Sam, wife Betty, and their three children packing to sunny Arizona in 1957. They joined Square Dance classes the second week they were there. Soon Sam was "singin' along" with the club caller and his own club members put him to work. In less than a year he had quit his job with the Tuscon Power Co. to devote full time to calling and teaching beginner classes.

He had been in vocal groups since he was a small boy and the Police drill instructing must have made teaching easy for him. Due to popular requests from the tourists who came to Tuscon for the winter, he began accepting travelling dates for their home clubs all over the country. By June of '61 it was becoming a full time thing and the time spent at home was less and less. Mitchell's began to look for a new location where Sam could spend more time at home and less travelling back and forth to Arizona. In September '62 they moved back to cold winters and relocated in Lansing, Michigan. He now calls for seven regular clubs in Michigan and Indiana plus travelling full time. Sam has been featured at many festivals all over the country and has called in every state except South Carolina, Arkansas, Alaska, and Washington. In addition to many singles, Sam has two LP's out on the Kalox label and now records for Green.

Continued on Page 2

Sam and Betty's three children are now grown up and Sam is proud "Grampy" of two little girls named Tami and Trisha. They are his pride and joy.

RON SCHNEIDER started calling in 1950. At this time square dancing was mostly "Eastern" Style. In 1957 he made the transition to Western Square Dancing. In 1958 Ron made Square Dancing his full time occupation.

In the past years Ron has taught Square Dancing to school children in many of the school systems in is own area. He has called the typical one-night-stands for PTAs, church affairs, etc., and has gained experience in almost all areas of the activity.

Ron makes regularly scheduled tours that take him through the eastern and southern states, and has called in 34 of 50 states, along with Canada. He is also a club caller in his own area for eight clubs and has a beginners class each season. In addition he has staffed such events as the Toronto International Convention, the Golden State Roundup in California, and Boyne Mountain Highlands in Michigan. Ron has been one of the featured callers on the Green label and has had several successful recordings.

Ron and his wife Linda have two boys, Scott and Joel, and make their home near Cleveland, Ohio.

Our thanks to Chick Wolfe for providing the information on the D-O-R callers.

DONALD H. HICKS

SUNDAY, JANUARY 25, 1970

It is with deepest regret and sympathy for his family that Promenader notes the passing of Don Hicks.

Until very recently, Don and his wife Lu were Promenader reporters and members of the Swing-in' Nights. He also was a member of F&AM Ancient Craft Lodge no. 943, a 50-year member of the YMCA, Bausch and Lomb's Early Settlers Club, and the Seneca Methodist Church.

Don's good cheer will be missed by all his square dancing friends.

Part II - Saga of the Trails to EKC-O Squares or How many times you can go wrong, for free!

In the last episode I had almost driven into the Barge Canal, contributed \$10.00 to the Establishment, parked in four areas, tried to enter five buildings, and hadn't found the EKC-O's hall yet. Ah, by using my binoculars, I had just sighted another entrance. Soooooo.....

We walked down the long, curved, mislaid driveway and entered building no. 6. Yes, this was the place! Now it took me ten minutes to convince the guard that I was a square dancer. He kept saying, "But you don't look like one". Bah! What does he know? He didn't even know who John Moylan is.

We hung up our coats and proceeded to the escalator. Did you ever try to walk up an escalator going down? Well, we came this far. Soooooo it was two steps forward and one back. We never would have made it if Taw hadn't got her second wind. I was sure she was going to drop me.

We arrived just in time for imported cider and doughnuts. Imported all the way from Webster. I was so dry and hungry by this time that I drank six cups of cider and ate as many doughnuts.

Now we were finally ready to dance. Somebody said that Ken Anderson is now going to call Hot Hash, Hot Hash, Cold Hash, or Warned Over Hash, it's all the same to me. I just goof at a higher level.

We got into a set and started dancing. It wasn't long before all that cider started to work. I whispered to Taw, "I have to go to the bathroom". She whispered back, "Take short steps and try to stick it out".

Well, I kept dancing, but by taking short steps and doing a Vine around the set, I got farther and farther behind until the set broke down. Soooooo we stood still and waited until "Left Allemande".

I saw quite a few squares waiting for "Left Allemande". Maybe somebody had to go in their squares.

The tip was over at last, I went to the men's room. When I returned, the dance was over. Just as well, the doughnuts were starting to work.

We got our coats and started back to the car. As I approached the parking area, I heard a wild yell. I turned and there was Taw standing in her stocking feet while her shoes were standing in some fresh tar. I removed the shoes and told her not to worry as I would clean the tar off.

The next day I cleaned her shoes with some acetone which removed the tar. It also removed the soles. Needless to say, this cost me a new pair of shoes, \$12.05.

Soooooo, indirectly this Free dance cost me \$22.05. I could go broke going for free! Next time I pay.

Thanks anyway,
Hal Abberger

Batavia Twirlers

February may be the shortest month of the year, but all must admit it was the busiest.

Our Valentine Dance sure rated A+ with Arvel and Agnes Ray as chairman assisted by the Moultons, Lunds, Harris' and Alberts. The Valentine chandelier alone changed the gym into a thing of beauty. Grace Broderick won first prize guessing the most personalities in the Twirlers' valentines.

Again, we are most happy to join the Country Twirlers on the 20th of February and are looking forward to being guests of the Triggers on March 17th with our old friend Myron Huss at the mike.

How fast a year passes! Our class members were heard to say, "Just think, only six more weeks before graduation". Also, it is nearing the time for election of new officers. The Balduis are heading the committee assisted by the Wrights and Lunds who will be expecting "I'd love to" answers when asked to serve.

The annual trip to the Genesee County Infirmary made the patients as happy as the group that demonstrated. Many were seen keeping time to the music and brought back many fond memories.

Don't forget!! Get your Dance-O-Rama tickets early. Leo and Mary Ellen Parsons have the tickets. A good crowd is expected to attend.

Belles 'n Beaus

As the New Snoopers for Belles and Beaus we hope that we can maintain the high standards that were set by our predecessors, George and Delores Wentis.

How about spending Thanksgiving in Williamsburg for openers? Three of our members did just that. John and Bernice Moylan were on their way home from Florida, and they met Frank and Katie Keindl, who were already there. They all had an enjoyable meal and evening before wending their respective ways the next day. Incidentally the Moylans, upon their return home, proceeded to come down with the flu. Can't stand the cool.

Earl and Marge Budd spent the Xmas holidays in Florida. Departing Florida, on the way home they took off in 82 degree weather. After prolonged delays in Atlanta and Buffalo, they landed in Rochester in a balmy 10 degrees.

Norm and Althea Rosenberg, of our class, spent the holidays with their children in Arkansas.

Our caller, Art Harris, helped us celebrate his birthday on January 29. An appropriate pin-up calendar was presented.

We were glad to welcome the return of Doris haddelton and Dorothy Corris after hospital stays.

On March 2, we will have the first chance to meet our class on the dance floor. From all reports they are just great. Looking forward to their first visit.

March 9, will see the Triggers, the Web Spinners, and the Swingin' Eights as our guests.

Four of our Belles and Beaus couples spent a skiing holiday at Mt. Tremblant. They were, the Doyles, Maurinuses, McLatchies and the Herrons. By the way - the Herrons are the treasurers of our club!!!

We were all saddened by the passing of one of our long time members, Don Hicks, on January 24th. Our sincerest sympathies go out to his wife Lu.

'S' all for now.

Country Twirlers

On Jan. 31 the Country Twirlers with DAN DEDO as guest caller were host to 55 guest couples. The turn out of a total of 26 squares was a tribute to Dan's fine calling and increasing popularity in this area.

At this time we would like to announce that our new class will graduate on Fri. March 20, which will be held at Thomas Edison School, 1612 Buffalo Rd.

On March 7, BUD REDMOND will be guest caller for the club at Washington Irving School, 2400 Chili Ave.

EKC-O Squares

The March winds are blowing a line-up of 1st rate callers to EKC-O Squares; Ken Anderson on the 11th and 25th; Bill Peterson of Livonia, Mich. on the 4th; and Bob Fisk of Chino, Calif. on the 18th. Our rounders are a happy bunch because of Betty Wolcott's 7:30 to 8 new dance workshop and evening cueing.

The Methodist Home was a swinging place Jan. 31st when Chuck Prister (& taw) called a fun dance for the Hoadleys, Busharts, Kalins, Polakowskis, Rahns, Griffins, Zwacks, Heits, Atwaters, Sperstones, and Agustins - sincere thanks from Mrs. Kendrick Sr. and her many friends.

We wish an early return to the dance floor to Paul Walz (operation on 2/10) and Charlie Tucker - glad to hear that you're home, Charlie. Our newest EKC-O prospect is Tamara Diane Ellis - born to June and Bob Ellis (our class caller) on Jan 27th.

The February coffee pot was hot and the punch kettle always filled thanks to the faithful efforts of the conways, MacDonalds, Wolffs, and Niblocks. Ruth and Al Niblack recently got-away-from-it-all on a Sets In Order 5-week South American cruise!!!

Some 6 sets of EKC-O Squares had a great time as guests of Swinging 8's on Feb. 7th. Your Tom Trainor calls a mighty fine dance. We look forward to welcoming Country Twirlers as special guests on March 11th. You may think us April foolish - but April 1st we're going to try to keep up with Rochester's Teen-Club dancers - Y'all come, guys and gals!

Betty and Nelson Zulauf are our willing sellers of Dance O-Rama tickets. Buy now - April 4th is almost here.

Abberger - YOU have no problem! Let me tell you about my trip in search of Hosea Rogers School.....(In case you do find EKC-O Squares by March 11th, we'll give you a dance on the house!)

Ed & Nancy Austin (for Paul & Marge Walz)

Fiddle A Rounds

Our members extend heartfelt sympathy to Lu Hicks on the loss of her husband, Don.

It's nice to have Gordon and Sylvia Copeland dancing with us regularly.

Owen and Helen Whitehead flew to Florida in January to visit Owen's mother. Tip and Millie Costich, Irv and Marge Brown are planning a trip to sunny Mexico in March with an Al Brundage group. Ole!

Charlie Tucker is convalescing following surgery at Northside Hospital.

Howie DeGrave and Mike Prado are filling in during Charlie's absence. Our new dance is "Rose of Washington Square."

Speaking of Washington, Mary Prado said that she encountered so many unbelievable difficulties after purchasing new appliances during her recent home move, she's planning a one-woman protest march to the Capitol. That's our Mary!

Some of our members seem to prefer exotic pets. The Len Dicesares have a new Capuchin monkey named Suzi, and the Conways Afghan puppy answers to Zsa Zsa. How about that?

Happy St. Patrick's Day. Be sure to wear your green.

Just in case you have missed them too Harold Conklin will undergo surgery Feb. 19th, Highland Hospital, abcess of gall bladder - Thelma Springett enters Strong Feb. 8th, tumor operation.

We would like to thank all the people who made the Pot Luck Supper such a success Feb. 12th. This gave the gals plenty of opportunity to chatter amongst themselves -- and from my observations the guys didn't do so badly either.

A CLUB HISTORIAN has been appointed, and who better qualified to fill this position than Lew & Ruth Dietz who have been with the club since its inception, and who give their best efforts to all their endeavors.

Our grateful appreciation to Mike Prado for teaching the rounds one evening -- and to Don Duffin and Art Harris for their kindness in filling the gap in Charlie's absence.

Condolences to Hazel Conklin whose mother died Jan. 3rd, to Lu Hicks on Don's death, and to Bea Westwater whose brother died recently.

Do you want to make a nice little lady happy, and yourself too? Well, Ann Gentles' mother is ill, and we'll bet if you sent her a card she'd love you for it. Her name is - Mrs. Agnes Crawford, 15 Scott Lane (24).

By the time you are reading this a small package should have arrived to brighten up the world of Killenbeck.

Welcome back to Howell Branch after his disc operation and to Dorothy Cooper after that unfortunate, no fault of Harry's automobile accident.

Don Clark's sudden death has saddened us and left a feeling of emptiness. Our sincere sympathy to Dorothy.

Geneva Friendship Sqs.

There is a lot of committee work going on at Geneva right now. The month of March brings the class graduation. Committees are busy with preparations. Graduation was originally scheduled for March 27th but was moved to March 13th when it was discovered that the 27th was Good Friday. Art and Lucy Masteller have next seasons dance schedule and class schedule about completed. Bill and Joan Newman, chairmen of the nominating committee, are preparing a slate of officers for our April elections. New officers will take over on May 1st. Liz and Vern Marshall are chairmen of a Constitutional Convention which is going to revise and improve our Constitution and By-laws.

Millie Woodley has been appointed club historian. Millie has been keeping a file of newspaper clippings, dance flyers, schedules, photographs, etc. since the club originated and will now begin an official scrapbook.

Genevieve Miller, Lucy Masteller, and Bill Newman have been ill but apparently are on the road to recovery. I would like to recommend Lucy's recipe for cough medicine. It is good for snake bit also.

Casualties in the class last month were Chet Gridley and Brent Stearns. I don't know what was the matter with Brent, but Chet underwent surgery and will be unable to dance for a while. He is attending classes anyway.

Round dancers are meeting on the Fridays that the club does not square dance. Dot and Dave Gulvin, Alice and Red Good, Genevieve and Don Miller, Lucy and Art Masteller have joined the group.

All our dances are open dances and all club dancers are invited to come and dance with us.

March and the month that spring begins, so we look forward to more of our members getting out to our dances now that better weather will be here (we hope).

What a good dance we had on January 31 with our neighbors the "Swinging Eights". Both callers, Tom Trainor and Bill Wilcox shared the calling and the floor of Hosea Rogers School was really jumping that evening.

February 14 we celebrated Valentines Day with a party for the class and club members. It was great to have the class members dancing with us and we were so pleased to see the good progress they are making.

We are looking forward to graduation of our class on March 14. Francis and Mary Ann Fousse, Don and Toni Wacenske and Dave and Joan Calman are making plans to make this graduation a memorable one for the graduates.

Key Welch has been chosen to chaperone four girls on a trip to Washington, D. C. they won for an essay contest sponsored by Star Markets. One of the winners is a pupil in Key's class at St. James School.

Viv Jenkins and Wes Jenkins are still on the sick list but both hope to be back dancing soon. Also, glad to report that Charlie Tucker is home from the hospital convalescing from his recent surgery. We hope he continues making good progress and will be back with us soon.

Our thanks to Genesee Dancers and Geneva Friendship Squares for recent guest nights at their clubs and we look forward to being guests of the Web-Spinners on the 13th of March.

We wish a speedy recovery to Jan Weitz who has just come home from the hospital following a Friday the 13th car accident.

Hope to see the club members out dancing in full force this month so all will be in good form for Dance-O-Rama.

Lima Grand Sqs.

On New Years Eve we bid a sad farewell to our 1969 officers, who served us faithfully and well and who added a class of 40 to our club during their term of office. We are most grateful to them for all their hard work. However our officers of 1970, President Ron and Barbara Holbert, Vice-President Roger and Gen Buckler, and Secretary-Treasurer Jim and Jean Turner have certainly started our year off with a bang! There is something doing every minute.

January 23rd was Fun Nite. The sure are some good carpenters in the bunch including women, but one poor fellow found himself with a tack and a small sledge hammer and just couldn't compete. Katie Croft, Ann Blood, and Margaret Klee gave Lou Lambert, Pete Streng, Barney Croft and Harry Priplopski a "run for their nails".

January 30th was Jack Frost Supper. Such a feed and what a crowd - 14 sets! Don lost his vest to a pretty Wayne Westerner while the travelling banner was taken by the Soaring Twirlers of Elmira. It looks as if Lima will have to do some travelling to recover all the stolen goods.

February 13th was our annual Valentine Party with a goodly number initiated into the Kissin Muzzins Klub. Pretty decorations, appropriate refreshments and pretty new dresses to suit the occasion.

February 20 the Amateurs had a chance at calling. Wow! What a night! Even the ladies got into the act and did themselves proud. Look out, Don, you have competition.

February 27th was Sadie Hawkins Night and did the ladies keep the boys on the run. Never saw so many bashful boys.

On Tuesday, March 3rd, we are looking forward to an evening with the residents of the Livingston County Infirmary. We hope to have two or three sets to show them how its done and then serve coffee and cookies. Wonder who will have the most fun?

March will be graduation and from what we have observed, us "Old Timers" will have to watch our Do-Si-Dos and Swing Thrus or we will be trampled on. Congratulations, class!

Don has been presented with overalls and a new pair of western dance pants. He has a weegut problem--or was it?

Pete and Mary Strony have become Grandpa and Grandma since having their office as Secretary and Treasurer. Her name is Laura. Congratulations to all!

Thanks to Angie and Howard Eddy and Lou and Rita Lambert for the new banner they made for the club. Thanks folks it sure is beautiful.

I don't know about you, but I'm getting mighty fed-up with this winter weather. However, there have been a few signs of spring around. The Fohls and the Eichas are making plans to head south over Easter and George has been handing out camping and dancing information for the coming summer season to anyone interested.

Word has it that Earl Pike has been calling dances for a group of 4H youngsters. How about that! We have a caller in our midst and I for one, was not even aware of it.

In case you've wondered why the Eichas' haven't been to any of the dances lately, I'll tell you why. It seems that Art is coaching basketball for the younger boys on Friday night so will have to forgo dancing till the basketball season is over. Sorry about that--we miss you both.

We regret that both the Newtons and the Mikels have decided to give up dancing for a while--sure hope it isn't permanent.

Finally-- a warm welcome to our newest members Ron and Diane Erlich. Let's hope we have many seasons of happy dancing with them.

Swingin' Eights

We extend our sympathy to Mrs. Hicks of the passing of her husband, Donald Hicks. He was a long time veteran of round and square dancing.

We also extend our condolences to Mary and Frank Ciaccia on the death of his dear brother, Angelo, who passed away Friday, January 23, 1970.

Liz Winchester fractured her ankle last week. She will be doing the Two-sticks Cane Dance for six weeks.

It sure is good to see Lou Alexander recovering so well since his operation. Stay well, Lou, and we will be seeing you dancing real soon!

On March 7, our class members will be our guests. We hope everyone will be there. Tom Trainor says this is one of the best classes he has promoted and is ready now to throw the book at his pupils. They are certainly on their way to becoming terrific.

Gentlemen...if you think it is difficult to attend a dance without "Mother", don't fret as long as Mary Carey is in attendance. She has been seen walking up to a lonely man asking him if he would like to dance with her. What a personality and kindness Mary has! Of course, the first dance must be with her husband, Wells. So Gents, if you should come to our dance and a beautiful lady approaches you in your loneliness, it is our own lovely, Mary Carey. Our joint dance of January 31st with Swingin' Eights and Irondequoit Squares was a beauty. Looking around, it made you feel that people came from all over the country! What a crowd! What fun! What a dance! Why not? Look at the drawing card. We had Trainor and Wilcox. No wonder, we had wall-to-wall dancing most of the evening. Tom and Bill are very good callers, but for this night they were terrific! Many of us saw Tom Trainor square dance for the first time. A little bit more than a snack was put on by the ladies of both clubs. Many thanks for your hospitality.

Congratulations to that young looking couple married 40 years on March 1, Mary and Mike Prado. We don't believe it. Maybe at our next dance of rounds will be polkas to celebrate.

Russ and Ethel Heffer are going to share sunning and square dancing in Florida, for a winter vacation.

EKOO Squares were our guests February 7 dance. We had a nice crowd of 16 squares.

Swingin' Eights...We are all invited to the Triggers St. Patricks Day, dance on March 17th. Let's honor St. Patrick by attending this dance one hundred percent.-- Parkland School on English Road.

Triggers

When Dan Dedo called for the Country Twirlers on January 31st, almost three of the twenty-six squares were from our club. Ann and Walt Tomaszewski hosted an after-dance party for Triggers, with the Podgers as special guests. The reports on the entire evening border on the fantastic; it's easy to see why these interclub functions are becoming popular.

Pauline Young has broken her arm. No details on the accident yet. But one thing is for sure--it'll be Partner Trade instead of California Twirl for a while!

Mary Lou and George Mura, assisted by the special talents of Darlene and Earl Hodson and Mabel and Bob Wordingham, are working to insure the success of our St. Patrick's Day affair. Yes, we're actually lucky enough to have the holiday fall on a Tuesday, so be sure to join us. The Swinging 8's and the Batavia Twirlers will be our guests at this Spin-the-Top-of-the-Morning Party.

The impish look on Lynn Britt's face was due to the surprise birthday celebration for Peg Huss at our dance on February 3rd. She and Lila Pierce had each baked a big batch of fancy cupcakes, complete with individual candles; and Myron presented Peg with a beautiful glass punchbowl set. Peg doesn't mind birthdays; she has some kind of a special arrangement whereby she stays forever young.....

You say your wife goes to her Bridge Club every Thursday? Or Thursday is the hubby's night to bowl? You don't have to stay home alone, you know; half-couples are just what we need as on-the-spot tutors at our Thursday night Beginner's Class.

Special Reminder: The Triggers and the Webspinners are co-sponsoring a style show and dance at the Grace Methodist Church, 121 Driving Park, at 8 PM on Saturday March 7. Bill Wilcox and Myron will share the calling chores. A paltry two dollars will admit any western square dance couple for a memorable night of fashion, dancing, refreshments, and fun.

Twirl A Rounds

Many thanks to Norma and Chuck for their fine reporting of our club news.

Twirl-A-Rounds are extending a warm invitation to all area round dancers to attend our Spring Dance to be held at the Fairbanks Road School, March 18, from 8 to 10:30. Bonnie and Ed Coopenburg are planning our party and we expect a few surprises.

Howie and Dot have returned from their latest "Cade" with new dances and we are all anxious to try them.

Sylvia Copeland is writing a dance and won't tell us the name. Could it be "Sylvia", Sylvia?

Jane Laurer is knitting up a storm with her new knitting machine, a gift from hubby Dick for Christmas.

Our new class is getting all polished up for graduation April 15. We have some mighty fine dancers there and we are pleased to welcome them to our club.

The only thing we have left to say is "When Kay Falls, WOW!!"

.....George and Audrey Mura

Wayne Westerners

The next two months hold a lot of excitement for the Wayne Westerners, and all of you. On Saturday, March the 7th we are having as special guest Gordie Cooper. The dance is to be held in the Elementary School in the auditorium from 8 to 11.

Then comes April when we expect to see each and everyone of you. As the New England singing caller comes to Marion, by now you probably know who I am talking about. No other than Red Bates. The dance will be in the gym

at Marion Elementary School from 8 to 11. I guarantee you all a great evening.

I guess our president has not only been dancing, but from rumors we hear the president has been a little hard on the snowmobile. Is that true David?

Our treasurer has been under the weather with a cold, but not for long. It must be the good dancing.

We enjoy dancing with other groups, and the challenge they give us. Some will be dancing with the EKC-O Squares and the Friendship Squares in Geneva in the near future.

We are glad to have the Allen's dancing with us. They recently have moved from Henrietta to a home near Marion.

Web Spinners

The highlight during February was the Club Valentine Party and Dance. Forty (40) couples enjoyed the festivities complete with refreshments. The attendance was rather unique when it is realized that all Club members were present except one couple. During the party a new "acting talent" was disclosed by some of the Club members as a play entitled The Lighthouse Keeper's Daughter was dramatized. Rendering outstanding performances were - Gene Buyck, Ivory Fish, Marty Kronson, Gordon Starsmore and Ronald Sutorius. Hollywood Scouts, please note....

Several couples responded to the invitation from the EKC-O Squares during the month inspite of the very miserable weather on the specific night. It is very evident that such occasions always result in high level fellowship.

Speaking of talent - our Caller's Taw frequently displays some. That is - collecting dues from a Square during a dance. Try it sometime, tsch, tsch....

The Web-Spinners and the Triggers are sponsoring an open dance and style show on Saturday March 7, 1970 from 8:00 to 11:00 P.M. at the Grace United Methodist Church 121 Driving Park Avenue. A cordial invitation is extended to all area Club and Class members. Refreshments will be served.

.....Ginny and Clayt Alt

EDITOR'S NOTE:

We still don't have a complete list of newly elected officers from all our clubs. Club secretaries, reporters or anybody, please get this information to us by March 15th so we can get it into the April issue.

Henrietta Friendship Squares Members - How about prodding your new officers (We still haven't heard who they are) and getting a reporter appointed. Your absence is being felt. We again received no column and worse yet, no dance schedule. Sorry to have to leave you out, but what else can we do?
