VOL. VIII-NO. 8 ROCHESTER, NEW YORK JUN-JUL-AUG. 1970

A SQUARE

A ROUND

by  
HAL ABBERGER

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

Surprise, Surprise! I found another club. The Swing- ing Eights. It wasn't easy. A school with a name like Hosea Rogers, you know it's not going to be easy to find.

The first time we (Taw and I) went there on Mar. 28 I drove down Seneca Ave., just as nice as you please, saw no Indians, sooo I made a right turn at Scholfield Rd. and ended up in a church yard. Sooo I turned around went back to Seneca Ave, turned down another street, and ended up at another dead end.

Now Taw says, "Its at the end of Northfield Dr." I retorted, "Well, why didn't you tell me?"

Then in a voice which only can be described as a "blood boiler", she replied, "You didn't ask me."

I shouted something about "first woman to go to the Moon and without even using a rocket!"

Sooo we finally arrived but the door was locked. I knocked gently, then harder, then kicked. The janitor came and said, "thar not dancing heer."

I told him, "Of course thar dancing heer tonight, they have been dancing heer for years."

He says, "Mebbe so, but thar not dancin heer tonight, but -- next week they arr."

Then he laughed and closed the door. I said something under my breath about his parents being questionable and went home.

The next time we went, I took no chances. I called Lu Hicks and asked her to go with us. If anybody knows the way to the Swingin' Eights, she does.

Sooo we picked Lu up at her home, just off Cooper Rd., drove back to Seneca Avenue. I knew my way now. Sooo I drove south on Seneca and turned right at Northfield Drive. I thought it was taking kind of long to get there, when Lu says, "are those lions?"

I said, "the white lines are the center of the road," showing off my driver's training course.

She said, "not lines, I mean lions, over there."

Well I'll be, there were lions and lionesses, tigers and tigresses, even bears and bear...s. We were in the Seneca Park Zool

Lu commented, "You should have turned left back there." "Why didn't you tell me?"

Lu replied, "I thought maybe you knew another way."

I thought to myself that she would make a good companion for Taw, to go to the moon.

Well, we finally got to the school. Mike Prado was cueing the rounds. I pulled Taw into the danc- ing circle and did a beautiful job on "Columbus Blues." This was not easy with Mike cueing the "Green Alligator".

Tom Trainor called a very good dance. Tom is sooo considerate, he makes sure everybody can hear, even his friends on Seneca Avenue. Of course the officers complained because several sets were dancing in the parking lot for free.

We were in a set with MaCombers, Warschkows and Vreelands, right between the two speakers. The sounds were really vibrating and we were dancing up a storm (in fact it did rain later) when I saw that Tom had stopped calling and we were still dancing. That's when I realized...well, would you believe we were dancing to the echos?

You wouldn't? Well.....

Thanks anyway,

*Hal Abberger*

### EDITOR'S NOTE:

This being the last issue for the season, I wish to take this opportunity to say thank you to all those people who took time and effort getting out the Promenader for the past year. First to my wife, Anita, who gets stuck with most of the typing and to Lash and Pat Larue who handle the subscriptions and the typing Anita and I don't get to. Also to Bob Rushforth who has spent many hours at his drawing board making up the gag cartoons and cover art.

To Hal Abberger it's "Thanks anyway" for his profound wisdom and astute observations around the Federation. To our seventeen club reporters without whom we would have a terribly short newspaper, it's seventeen votes of thanks. Also thanks to our advertisers without whom we couldn't afford to exist. And finally, to the officers and members of the Federation who give us license to exist at all, thank you to you too!

I almost forgot one of our most important thank yous. To our readers without whom we would have no reason to exist at all!

This first year working with Promenader has been most enjoyable and I am looking forward to my second year. We have tried a few new ideas and found them well accepted. We have a few more ideas to try out next year. Probably the one you subscribers won't like is the idea of an increase in cost. Bigger issues, increased postage, and inflation in general have caught up with us and we are forced to go to a \$2.00 rate this fall. More on this in the September issue. Have a good summer!

## Advanced Square Dance Lessons to be Sponsored by Rollaways

There are usually a few couples in almost every club that would like at least to try a little higher level of square dancing but have never had the opportunity. It isn't that your caller couldn't call it for you, because more than likely he could. So why doesn't he? It is because your caller's responsibility, and rightly so, is to call at a level that appeals to the majority of the people, and thus an average level is established. Individual couples may want more or less than this average. It is obvious what happens to people who want less than club level, they unfortunately gradually disappear from the square dance scene.

But what about the couples who would like to try a little higher level? Hopefully this message will suggest an answer. Incidentally, there are several recognized levels above "club level", and for each of these somewhat of an average level is likewise established.

As most of you already know, for the past several years a series of advanced tape lessons has been given and has been enjoyed by many couples. It is further interesting to note that in the last year some additional groups have been established in the Rochester area and are now dancing at an elevated level to live callers.

These lessons, roughly 25 of them, will be given again this year if there are enough couples interested. A lesson lasts about the same length of time as an ordinary dance, and the goal is to leave the cost at one dollar per couple per night. The night and place will depend upon the response. An effort will be made to choose a night to satisfy the greatest number of interested couples.

Why don't you decide if you are interested, and if you are - try calling 225-6987 and ask for either Doris or Bob. They will be glad to talk it over with you.

## NON-FEDERATION NOTES

"Come Swing in Us" say the member of the SWINGING SINGLES of Rochester, New York. During the month of April the club adopted a constitution and elected officers. The officers are: Bob Slomenski, President; Pathe Payne, Vice President; Turdy Mattle, Secretary;athy Heim, Treasurer; and Cindy Brust, Hospitality Chairman.

As one of its recent social events, many of its members attended a dinner party at the Crescent Beach Hotel. The 21st of April was the first anniversary of the club, at which time the founders were commended and a celebration was enjoyed by all. The club members are looking forward to a steak roast at Letchworth State Park, and a Pot Luck Supper in May, as well as a weekend of camping later in the Spring.

Trudy Mattle, Secretary

Beginning on Tuesday, September 22nd and continuing for 8 weeks, except for October 13 and November 10 a series of 8 tape workshop dances teaching the basics of advanced square dancing will be held in Irondequoit. To be eligible, you must have been an active dancer for 1 1/2 years, be interested in learning advanced maneuvers and be willing to attend regularly. The first two sessions will be open. The series is being sponsored by THE LILAC SQUARES, a new intermediate club in the area. (For information call Barb Vreeland, 266-2455.)

## Batavia Twirlers

Orchids to Bill and Duffy Saunders for a job "well done" as presidents for 69-70 season. Their efforts along with the other committee members have made it a good year for all.

Welcome and congratulations to Norm and Lorraine Tufts who moved up to the presidency; Dick and Marge Toal will be vice-presidents; Marge and Maynard Armison as secretaries; Don and Lorraine Porter as treasurers. Advisory Board members are Bill and Duffy Saunders, Chet and Thelma Andrews, Frank and Rosalie Price, Keith and Cheryl Eyers. They were duly installed following the Pot-Luck dinner on May 16.

The many new committees appointed were Senior Hosts, Blakely and Ruth Harris; Junior Hosts, Frances and Esther Sharlow; refreshments, Franklin and Joyce Lund; Special events, Arvel and Agnes Ray; publicity, Gene and Jean Wright; Script-O-Squares delegates, Durwood and Fran Balduf; Promenader Senior delegates, Phil and Delores Maine with Nile and Mabel Hess as Junior delegates.

The How-D-Rounds ended the season with a cook-out hosted by Walt and Alta Harris.

The entire club was shocked at the news of the death of Eloise Vosburg, class of '69. Deepest sympathy to Bob and the family. Also to Norene Saunders and Grace Broderick on the recent death of their brother.

Twenty couples enjoyed dancing last month with the Swing a-Longs in Buffalo when Orphie Easton of St. Catherines, Ontario was the caller for the evening.

Four squares gave a demonstration on May 3 for the Batavia Jaycee's Home Show.

Another nice night of dancing was with the friendly Lima Grand Squares on May 22.

The first summer dance will be June 17 at the Alexander Fireman's Pavilion with Larry Dunn calling from 8-11.

The Palmer's will be turning over their pen and paper to the Maine's who will be the new capable reporters for the Twirlers.

.....Don and Lucille Palmer

## Belles 'n Beaus

May 4th was Graduation Day for our Class. What a Day! What a Class! The Class Members proved to be the best of sports. Some ladies dressed in much too large men's apparel, some men dressed as women were called on to form sets and dance the position for which they were dressed. Well! after an alemande left call, head ladies to the center with a teacup chain - pandemonium!

Jean Fairchild was the proud winner of the Red Bloomers (two lovely red carnations) to match her blushing cheeks.

After the fun, food and formalities we settled down to serious dancing.

Friday, May 15th, our Trail's End Dance at the Doud Post will bring another season to a close. A great season it was.

We were all so happy to welcome Lou Hicks back to the group. You've been away too long, Lou. Please come often when things get underway in the fall. In the meantime have a safe trip to Florida.

Dot Heffer also returned to be with us on May 4th. It was good to see you looking so well, Dot, even though you still have to take it easy.

Our deepest sympathies go to Earl and Marge Budd on the death of Earl's father.

Ed Haddleton says: "HIT CXXVI - XII  
WE CXLI + VII"

As plans for summer are being made, be sure to save Aug. 22nd for the Alfred "thing".

Hope you all have a very pleasant and safe summer and we will do-si-do you all somewhere.

.....Frank and Janet Myers

## Boots 'n Slippers

We were sorry to hear of Jim Thorpe's accident, but sure are glad to hear he's back in the swing of things again.

Hear that Bob and Gloria Borgyan and Judydal and Bernie Hinkson had a grand time at Hidden Valley with Ken Anderson's dance weekend May 1st.

Now that our club dances are almost over for the year, we want to say thanks to Don Pratt, our club caller, who did a tremendous job of calling for us. Also, to Dottie and Howie DeGraves for cueing the round dances. I think everyone had a great time.

April 17th EK-C Squares were our guests with Don Pratt calling. And how about the dance April 24th when Ted Frye from Tennessee did the calling. Wasn't he great!! He had us all running wild. May 8th we enjoyed dancing to Tom Trainor's calling with the Swingin' Rights as our guests.

On May 22nd we are invited to be the guests of the Web Spinners. We are all looking forward to this dance.

Say, I hear Gene Fox has a new car, a 1953 tank. How do you like that, Dorothy??

Hope to see you all out to the summer dances at Manitou Beach. First dance will be June 13th with Dan Shatell calling. Remember it's real cool down there with the breeze blowing in off the lake.

Our own Sylvia and Gordie Copeland will be cueing the round dances for Henrietta Friendship Squares this fall. I know they will do a tremendous job. We all love to watch them dance together.

See you all at Manitou Beach this summer.

.....Betty and Fran McAllister

## Country Twirlers

By the time this issue goes to press we will have completed another fine season of fun and dancing. Our Trails End dinner and dance will be a memory and plans for the family picnic July 13 will be complete.

At this time we would like to say a tremendous well done to those running the Muscular Dystrophy dance. We enjoyed it tremendously and know a lot of time and effort was put into it.

To our friends and guests of the past season we enjoyed having you with us and hope you will join us in the fall. Our open dance will be Sept. 12th at which time we will entertain prospective new dancers.

So we will close the season with a salute to the staff of the Promenader for the fine job they have done. See you around this summer.

.....Ed and Millie Briggs

## EKC-O Squares

Here we are with our last issue until September. Everyone is busy with plans for the summer - first on the list being school graduations.

It was a good time for all at the Baptist Home in Fairport when a group from EKC-O Squares danced to Chuck Pristor's calls. After entertaining the folks at the home, Paul and Florence Frost had the dancers back to their home to complete the evening.

Norma Salvaggio was telling of a coincidence - their eleven year old daughter spent last Christmas in the hospital after an emergency appendectomy. The coincidence is that when Norma was eleven, she also spent Christmas in the hospital recovering from the same type of operation.

May 13th was a great night at Elm Grove Auditorium. The big event of the evening was Ken Anderson's birthday party. (Ken told us it was his 29th). We had a tremendous turnout, with guests registered from Elmira, Syracuse and Ithaca, also Hollendale, Florida. It was a lot of fun, and we all hope you have many more happy birthdays, Ken.

All you ladies who bake, could you please save the coupons that are on General Mills products, cereal, flour, etc. Mae Malley is collecting them for a worthy cause and would be delighted if you could bring them to her on the Wednesday nights when you come dancing.

Dot and Him Sander recently spent a Parents' Week-end at their daughter's college. Lucille and Walt McKenna were in Arizona for three weeks. Glad to see Florence and Harold McKiever back to this area after spending the winter in St. Petersburg. We missed our genial President Ed Austin, who was in Arizona on a business trip.

Hope Gina Todd is recuperating after spending some time in Brockport's Lakeside Memorial Hospital.

Joe and Mary Winkler are busy getting their trailer ready for another season and speaking of trailers, Nancy Jean and Jack Keefer are thrilled with their new one and have plans to travel through New York State during the summer.

And so all of you out there in Square Dance Land - have a happy summer, relaxing, vacationing, dancing. Remember Kodak's Elagrove Auditorium is air-conditioned, and that's a good place to spend your Wednesday nights.

And so long until September.

## Fiddle A Rounds

During the past month, the Fiddle-A-Rounds set a high goal for themselves. They decided to learn "Charlie, My Boy"! Now before you scoff and say, "Just another round dance, so what?", consider this. This elusive terpsichore has 40 measures that don't repeat -- and that's just Part A, folks! If you do succeed in computerizing your memory cells to recall all this, there is also Part B, Part C, an interlude and, naturally, the Intro and Tag. If you want some mental exercise, this is definitely the dance for you. Incidentally, it's really a very nice dance.

We would like to use this media to send a warm greeting to Helen Principe, who is convalescing from a recent stay in the hospital.

Now in the comings and goings department, these two items. First the comings -- George and Dorothy Riesenberger recently returned tanned and relaxed from a swinging (square dance style) trip to Martinique. Now the goings--Howie & Dot DeGrave will be packing their square dance clothes in June and taking off for Louisville, Kentucky, to enjoy the "National".

For a moment the other evening, it sounded as if a new rock group had evolved from the club, but it turned out to be the Grandpapas and the Grandmamas singing the praises of their new grandchildren. Marvin and Kay Falls now have a grandson and Tip and Millie Costich have a granddaughter. This could be the start of a new generation of round dancers.

Well, summer is a comin' in, so we take this opportunity to wish a pleasant time for all. See you in the Fall.

..... Ralph & Georgia Guenther

## Genesee Dancers

To Joey & Ollie Ransco double congratulations -- first on the marriage of their son, Mark, to Sue McCarthy on April 24th; and then on their becoming grandparents two weeks later, to Michelle, daughter of Bob & Sheila Ransco. May all their joys be doubled!

A new committee, headed by Howard & Fran Green (381-7999) is being formed to recruit new members for the class in the fall. They will be assisted by: Roger & Carolyn Bastian, Ed & Barbara Butenhof, Jim & Mary Lu Davidson, Vic & Eileen Enter.

Congratulations are in order for David, son of Paul and Jean Norton, who was recently married.

The Muscular Dystrophy Dance was a credit to the Shaws and all the other nice people who worked so hard to make it the huge success it was. The table, laden with all those goodies, delighted the eye and gladdened the palate. We salute such dedicated souls. May their tribe increase!

At this point we are looking forward to the Trail End Dance to be held May 23rd with John Hendron calling; - and then to a summer of chance meetings at various square dances with folks we have danced with all season. Genesee Dancers Club has no scheduled summer dances.

Have a good summer you all -- and to those who will be travelling near and far, like, to name a few, Dottie Clark, Al and Ruth Niblack, Hank and Bea Meyers we wish happy times, secure havens, and a safe return home.

See you in september, God Willing.

..... Bert & Leurette Ehmann

## Geneva Friendship Sqs.

Geneva has elected new officers & the following couples are in charge as of May 1st: Vern & Liz Marshall, Presidents, Bud & Pinky Naegle, Vice-Presidents, Carl & Heather Aten, Secy's, Dave & Dot Gulvin, Treas. Domic & Dorothy Serrett remain in office as past presidents, Bud & Millie Woodley remain as historians, and Ruth & Clayton Keyes will continue to do the publicity. We wish them all lots of luck. The club is looking forward to a big year.

We have had some record attendances at our partys this past season & just last Friday we had 43 couples at a club dance. Our guests were the Wayne Westerners & The Twin Tier Squares. Also five unexpected fuest couples came from the Magic Squares & went home with our brand new travelling banner. We had as many as 60 couples at the Christmas party & the Black Cat Dance. Many people worked on the arrangements, but we congratulate Art & Lucy Masteller in particular for organizing these events-They filled old Gulick Hall to the bursting point.

We are thru dancing at Gulick Hall for this season. Our next dance will be the Summer Round-up with Jim Schnabel calling at the Junior High School Gym. Then we go to the Pavilion at Seneca Lake Park for out of doors dancing in June, July, & August.

Come & dance with us.

..... Ruth & Clayton Keyes

## Irondequoit Sqs.

The 1969-70 dance season for our club is quickly coming to a close, but one big event still awaits us to end this season. This is the annual family picnic, this year to be held at Wadhams Lodge, with dancing afternoon and evening. Each family is to bring their own basket picnic meal.

We were very pleased on May 9th to have so many couples from Pairs and Squares of Syracuse join us for our dance. About twenty couples motored to our city for this dance and we met and enjoyed dancing with these friends from our neighboring city. (Now, we would like to know what happened to our club banner after this dance. Could it have found it's way to Syracuse by any chance?)

June is the month of brides and two of our members will be saying "I Do" come June 27th. Mark Weisskopf and Diane Nagel will be married at Holy Trinity Church in Webster and we understand the honeymoon destination is Ireland for a two week stay. Other weddings are coming up for children of our members. Arlene and Will Sheplers daughter, Susan married Alvin Lake on May 29th. Susan was recently graduated from Genesee State College. On June 20th Jack Welch, son of John and Kay will be married in Windsor, Ontario, Canada. Our very best wishes to all of these fine couples.

Many of our members are planning square dancing trips throughout the summer. Two couples, George and Lorene Phillips and John and Kay Welch will be heading for the big square dance convention in Louisville. While in Kentucky, they also plan a trip to Mammoth Cave to tour this marvelous tourist attraction. Bruce and Shirley Shaw and Mary Jane and Ken Nudd are going to Kingston, Toronto as the destination for Fran and Margie Clarke, Bob and Vivian Bierre, and Ray and Eva Seymour in June. And in July, Jon and Priscilla Anderson and Al and Joyce Manley will be heading for Bloomsburg, Pennsylvania for dancing with Dick Jones.

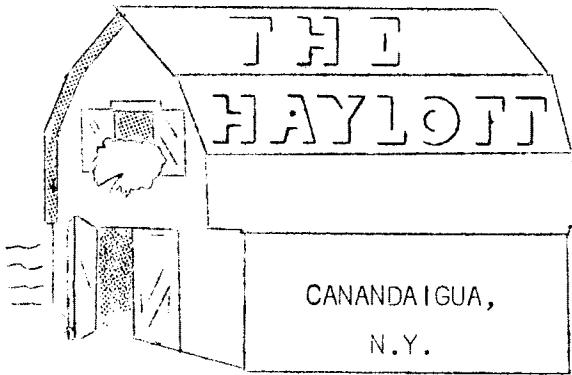

We have missed Mary and George Cammarata from our recent dances due to Mary having hurt her foot.

We wish everyone a happy summer. Hope to see many around dancing at the clubs where summer dances are held.

.....Ed and Marge Anderson

## Lima Grand Sqs.

May has been a busy month with many planned events, visits to other clubs and many visitors coming to Lima.

May 1, the Lima Grand Squares held their annual May Dance, about 50 took part in the Maypole dance, which as usual is the main attraction. The hall was decorated with baskets of daffodils and large paper flowers arranged around the walls. An "Elimination Dance" was part of the special program and the four couples who proved to be the best dancers were Connie and Don Durbin, David and Dawn Hanna, Rita and Lou Lambert and Eleanor Trescott and Gene Howlett. The ladies received pink rose corsages and the men boutineers.

The decorations were furnished by the Regans, the Hannas, the Dubois, the Sivengles and the Strong's. A good job folks! and thanks.

May 8 was the last pot-luck supper for the summer.

May 15 was Fun Night and everyone was asked to wear work clothes. What did the committee have in mind?

May 23 is a mysterious Bus Trip. No one but the president knows where we will be heading but no doubt there will be fun galore when the destination is reached. We thought everyone was planning a week-end vacation but it proved we are wrong for we will dance on May 29.

We are dancing on June 5 and June 12, then good-bye, good-luck and a happy summertime. Will be looking for you all back in September.

No dancing at the Barn this summer.

.....Florence and Everitt Kingsley

## Rochester Rollaways

We would like to say "thanks for a job well done" to our retiring Board members, Bob and Dorothy Woodams, Bruce and Dorothy Watson and John and Charlotte Hayford.

Carl and Anita Warschcow "took the reins" as Board Chairmen at our first dance in May. Ronni and Florian Czerniak are our Vice-Chairmen. Heidi and George Betlem are Secretary-Treasurer. Our newly elected board members have already assumed their jobs - John and Betty Johnson as Federation Delegates, Bob and Doris Decker as Tape Coordinators, Don and Norma Weekes as Guest Chairmen.

Earl Pike was hospitalized with virus pneumonia recently. We hope he is on the road to recovery and will be back dancing with us soon.

It seems that square dancing and traveling go together. Gladys & Elliott Moulton recently returned from Naples, Florida with beautiful tans. After traveling to New York City for a wedding, the next weekend Ed & Edie Snow left for a tour of England, Ireland and Scotland. May Doris journeyed to Colorado to go rock collecting. About ten Rollaway couples from the Buffalo and Rochester areas camped at Timber Lake the weekend of May 15th. Although Marge and Art Eichas were themselves unable to attend, three of their children accompanied the group.

The Memorial Day weekend will find Ambrose and Dorothy Baker, Heidi & George Betlem, Shirley & Brian Bonham, Bob & Doris Decker, Rhoda & Will Eagle, Diane & Ron Ehrlich, Eileen & Ken Fohl, Cathy & Tom Frantz, Leah & Don Huot, Carol & Andy Kelley, Norma & Don Weekes and Dorothy & Bob Woodams in Cleveland, Ohio. They will be dancing to Lee Kopman, Ed Foote, Jack Lasry and Ralph Pavlik.

Our trail end dance will be held at the Three Acres Party House on June 5. Jerry Haag will be the caller. This is the third year that Jerry has called for this event. Ronni and Florian Czerniak are taking reservations.

Looking forward to seeing many of the area dancers at campsites and on the dance floor this summer.

## Swingin' Eights

Lieber Freund: It was disappointing to see only four couples from our graduating class at our last dance of May 2nd. In spite of that, our caller still packs them in. We had 29 squares with seven people left over, three girls and four boys. These figures include paid guests..

You don't know that Uncle Joe and Aunt Bee DeLorm are planning a trip to Sidney, Australia. The reason is a good one. They have a son teaching high school Math. and haven't seen him for five years. Wouldn't it be fun if Bee and Joe brought us back a Kangaroo for a mascot of the Swingin' 8's. It would sure look good hopping around the stage...By the way, speaking of teaching, Gordon Allen has only 39 years in at Irondequoit High School. He teaches Physical Education. When he must teach during the summer, Iva would rather work around her garden at home than go away on a vacation. Last month Mary and Mike Prado had a dance at Rome, N.Y. On July 4th they will be entertaining Rounds at Boyne Highlands in Michigan for one week. Of course, this is not for everybody, just for the better dancers. Ginny and Bill Sanderson attended Ken Anderson's weekend square dance at Hidden Valley which they enjoyed. By the way, I wonder why Ginny went to Ohio without Bill???

Have you realized how nice it is to dance in the same square with Donnie and Florian Czerniak? They have such a glamorous personality. Olga Norman Fritz kre visiting Olga's Dad at their campsite in Detroit, Michigan. Tom came here six years ago to work for "odak. Jane and Dick Frohwein are taking their daughter of 13 years to the Canadian mountains. How efficient Carol and Paul Fowlson are as secretaries. Ask them anything you want to know about the Clubs and they have it. If they don't know, they'll find out. Too bad Paul got cheated out of a dance the last time, while Carol was dancing with someone else.

Being the last "News Report" it is fitting at this time to mention a gentleman who has given much effort, attention and joy to our Swingin' 8's Club. He is loved by everyone for his personality and technique for bringing fun to us. He has never been named a "national caller", so what! To us he is the best caller in one of the largest states of the world. Perhaps that is why he is such a lousy square-dancer. How thrilling it is to say he is our own HONORABLE TOM TRAINOR.

On Tuesday, June 9 the Italian Womens Civic Club will sponsor a demonstration of square dancing with Tome Trainor calling and Mike and Mary Prado cueing rounds.

Have you taken any 15 foot tall trees to a square dance lately? No? Have you ever seen a tree laden with carrots, parsnips, onions, potatoes, a Mulligan stew pan and a bag of "knick knacks" of the garbage can variety? Well, read on! Carol and Russell Phillips' daughter, Rhonda, broke her leg while helping to get the "stew" tree. Our Intermediates Class was just repaying us for

the Hobo party we sprung on them a few weeks ago. They didn't offer to fix the stew for us, but they did have a large sheet cake with our "gun" emblem, and some punch, cookies, and calories in various forms to appease the hungry "hobos". A good time was had by all!

Bernie Nesbitt is on the mend from a recent operation, and Bob Kausch has had his second eye operation and is recuperating nicely. Wilma Hulick is battling high blood pressure and won't be dancing for a while. We hope she and Cliff will be able to rejoin us again this fall.

Our Spring Fling on May 19th at the Greece Grange started off with a festive air created by the attractive hall decorations done by Marge Benner and Ruth Appleton. Blanche Ollie Lawson added to the eye appeal with her gay table decorations, and the dinner was a third-time success. Lynn Britt and Lila Pierce were in charge of the program and entertainment. Julia and Gus Antinora provided the dance programs. The "punch" team consisted of Court and Eddie Phillips and Carol and Jim Towlson. Jim Tears had the tickets printed that Dick Hess and John Bo were selling.

Entertainment consisted of singing at the table to Beulah Dentz's piano melodies and an instrumental trio with Carl Klapp on violin, Harold Pierce on electric guitar, and Beulah at the piano. There was also a rather unorthodox barbershop quartet which performed some gay 90's tunes accompanied by Beulah and assorted assistants, such as a "strawberry blonde" named Ann T. and a "Daisy" named Marge B. Would you believe that in the quartet Dick Benner was a soprano, Ed DeMeritt was a contralto, Court Phillips was a tenor, and Walt Tomaszewski was a bass horn? What they did to "My Buddy" was like something out of "The Boys in the Band" instead of "The Boys in the Quartet". Walt had his own private solo, too.

Fred Retailick, a founder of Belles and Beaus and currently in our Intermediates group also put on a magic show. I wonder if he gives lessons on how to pull new calls out into action on the dance floor. Some of us could use a little magic at times!

Hypochondriac badges were given to all Intermediates, and Style Show badges in the form of dress hangers were given to our "models" of several months ago.

Check the summer schedule now - and keep dancing happy. We'll be back with more square news in September!

**Twirl A Rounds**

As we come to the close of our winter dancing season, we relive many happy times: Graduation, Christmas and Spring dances, coffee times, etc. To polish off the season we are really testing ourselves with, "A Media Luz", a challenge for most of us.

Coopenbergs, Lows and Muras journeyed to Buffalo for a very enjoyable Frank Lane dance with Joe Reilly's club. Many of our dancers are going to attend the Kingston weekend in July.

Muras spent a most enjoyable weekend with Dick and Mary Blind touring the Longwood and Winterthur Gardens near Wilmington. We recommend both of these gardens to all nature lovers.

Anyone interested in sweet corn? Just call Norma Dolan. We hear she has quite a "stand"---in season, of course.

# Wayne Westerners

Well, here we are again back to the "Good Old Summertime!" Many will be traveling far and wide. Combining dancing and camping and seeing as many things as possible.

Wayne Westerners will be dancing once a month. In the months of July and August. Our first dance is to be July 25 at Bruce and Ethyl Stone, the corner of Gildersleeve and Mason Road in the town of Marion. The one in August is to be August 8 at Wally and Elsie Johnson which is located on the S. Century Road, Town of Sodus. There will be a picnic supper followed by dancing on the lawn. Do try to join us. We love to have you.

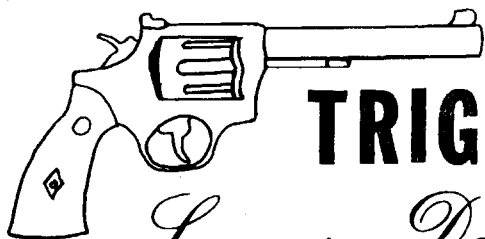

Our sincere thanks go to Don Stumbo for providing the club with a year of delightful and challenging square dancing. It's been a good year, Don! Thanks for all the bits of humor, which you brought our way, it made the evenings sparkle!

Our many thanks to our president Dave and Fran Klaver and all the other officers for doing such a splendid job during the past year.

We can't close without our compliments also to the staff who make the Promenader possible.

And now with many fond memories of our first full year of club dancing we leave you with best wishes for a safe and happy summer of dancing.

During the month we were delighted to welcome many guest couples to our dances, and by special invitation several couples from Belles 'n Beaus and Boots 'n Slippers. Such occasions are always enheartening since it gives opportunity to practice one of the basic principles of the organization - to extend the warm hand of friendship.

The Muscular Dystrophy Dance was attended by 17 couples. Fellowship was at a high level and realizing the basic objective of the dance it was a grand success. It is interesting to note that certain events receive enthusiastic support when there is a common interest.

The Club summer dance schedule will be a busy one with the Recreation Center located on Lapham Park in the village of Webster as the locale. Dances are listed on the following Fridays - June 19, July 10, July 31, August 7, 14, and 21. A workshop is scheduled from 8:00-8:30 and club level dancing from 8:30-11:00 with refreshments. In addition two weekend dancing campouts are scheduled at Bonnie Brae located at Prattsburg, N.Y. The dates are the weekends of June 26 and July 17 with dancing on Friday and Saturday evenings. The usual camping facilities are available including a swimming pool. On all of the summer dates listed the caller will be the one and only "Wild Bill Wilcox." A very cordial invitation is extended to all square dancers to join in the fun and fellowship.

As we end a very successful dancing season a sincere thank you is extended to all members who served on the various committees for our many activities. The cooperation and spirit of enthusiasm is very appreciated.....
