## Letters to the Editors

Dear Editor:

Subscribers to the Promenader no doubt noticed in the summer issue the announcement that the Rollaways will again sponsor a series of advanced square dance lessons this fall and winter if enough couples are interested.

Perhaps some of you may be interested in the reactions of two of the members of last year's class. I know that we can speak for all of the others in saying that we found the course of lessons very interesting, very helpful, and thoroughly enjoyable. How very true this is may be judged from the fact that in past years several couples have taken the course twice. This will again be true this coming season, since at least two couples of us want to repeat the course if it is given.

One of the first things we learned was the difference between "hot hash" and "challenge" dancing. While there are different levels of hot hash, just as there are with "advanced" or "challenge" dancing, the outstanding feature of hot hash is speed. Challenge dancing may also be fast at times but not always necessarily so. Rather, as we were taught, advanced and challenge dancing emphasizes precision, position, and a wider variety of calls than is usually encountered in other dancing. In addition these calls are put together in such a way as to both challenge the dancers, and to achieve smooth flowing movement, with each call smoothly blending into the next one. In short, hot hash and challenge dancing both challenge the dancers but in somewhat different ways.

The Rollaway lessons are given from a series of excellently prepared tapes. But this is by no means the whole story. During the past years the lessons have been most effectively augmented by personal help and instruction from "Mr. Square Dancer" himself of Rochester. We refer to Ambrose Baker, whom we believe knows as much if not more about high level dancing than any other dancer in the city. Further, on each lesson night, some of the Rollaways were there to help the students by dancing with them.

Some of you may wonder where you would ever use what you would learn from a course in higher level dancing. There are several answers:

1. There are several dance groups here in the city that present various degrees of higher level dancing which are open by invitation to couples with some knowledge and ability beyond ordinary club level dancing.
2. Various clubs in the city occasionally offer a tip or two of something more advanced for those who wish to try their hand at it.
3. At various square dance conventions such as the Fall Fest at Syracuse and our own Dance-O-Rama, "challenge" or higher level dancing is offered along with the "relaxed" or regular club level dancing.

PROMENADER is published by the Rochester Area Federation of Western Round and Square Dance Clubs, Inc.

4. Various medium high level, open dances are available all season at Buffalo.

5. Finally even if you do not aspire to higher level dancing, the Rollaway lessons will greatly improve your regular dancing. Your precision, timing, listening ability and style will all be improved, and with them your enjoyment.

Editor's note: Interested couples may call either Doris or Bob Decker at 225-6987. They will be glad to give you further information on this year's sessions.

Editor's note: The following letter was sent to Swingin' Eights c/o Pat La Rue. The four couples that donated their time were Tom and Jean Johnson, Lash and Pat La Rue, Mike and Helen Tiss and Carl and Anita Warschlow. Caller Chuck Prister also helped out with his time and equipment.

Dear Mrs. La Rue,

Please extend our sincere thanks to the Swingin' Eights Square Dance Club for helping the March of Dimes. They are a wonderfully talented group and their efforts added much to the Variety Show which American Country Western Music Association assembled.

Despite the discouraging attendance the night of the performance, this benefit added more than \$250.00 to help the fight against birth defects.

We are very grateful for their help.

Sincerely,

## Batavia Twirlers

Batavia Twirlers turned out in numbers again for the campout at Silver Lake. With dancing, eating, skits and games, everyone had a good time.

The Twirlers demonstrated this year at Byron Bergen - Stafford, Alexander Firemen's Carnival, and the Genesee County Fair. Our thanks to Larry Dunn, Jerry Carmen, and Betty Wolcott.

Summer dancing was enjoyed again with Larry, and ending with a mod party and steak roast.

Don't forget the open dance at the Kiwanis Room of the Batavia Y. M. C. A. on September 15th at 8:00 PM. Larry Dunn will call.

Beginners classes will start on Tuesday, September 22nd, 8:00 to 10:30 with Larry instructing.

.....Phil and Delores Maine

## Belles 'n Beaus

After a Long Hot Summer (which evidently is not yet over) it's time to be planning our social activities around our weekly get togethers on Monday nights at Greece Olympia. On September 14th, an Open House will be held there. Enter that in your date book right away! Come and bring your friends who are interested in Square Dancing.

The Moyland and the Hasmans reported that the National Convention was just fabulous. Square Dancing in the Trailer Parking Lot until 3:30a.m.

We have not seen too many of our club members this summer. Did do a little fishing in Canada with Earl and Marge Budd, and Norm and Althea Rosenburgh. Even danced a little while there with them, and Earl and Delores Algrim from Art's Club in Buffalo--for the fourth couple.

By the time this appears in print, many of us will have enjoyed our Saturday of dancing at Alfred. We'll report more on this later.

That's about it for this time. Will have more news for you in the next issue. 'Til then "Keep your cool!"

.....Frank and Janet Myers

## Boots 'n Slippers

Summer is fast drawing to a close and we are looking forward to a new season of dancing coming up. Hope you all had a pleasant summer. Our thanks to all those who supported the dances at Manitou this year--especially our officers who really worked so hard to make them a big success.

Our open house dance will be held September 11th. All club members are asked to bring prospective square dancers. Hope we have a good crowd and be prepared for an evening of fun.

New beginners' class starts on Tuesday, September 15th at 8pm at Merton Williams School, Jerry Carmen calling.

Please note our dance schedule: 8-8:30, Rounds by Howie and Dottie DeGrave; 8:30-11:30, regular and guest callers. Dances to be held at Johnathan Underwood school in Hilton this year.

Glad to hear that Chet Seeger is feeling better and getting back in the swing of things. Also, hope that Michelle Harris, Terry and Dean Harris' little daughter, is home from the hospital by now and feeling much better after her surgery.

There will be a welcome home party for Mike Callahan, our caller, at Holy Ghost Hall, Coldwater Road, September 8th at 8 pm. All Mike's friends are invited. Joe Reilly will be calling.

Keep October 10th open, there is going to be a hay ride at Judydel and Bernie Hinkson's. We really have a ball every year and will be looking forward to this.

Belles 'n Beaus will be our guests on September 18th. Country Twirlers are invited to our September 25th dance. Be looking forward to seeing you.

See you all at the open dance September 11th at Johnathan Underwood School.

.....Betty and Fran McAllister

## Country Twirlers

Once again it's time to get in the swing of things, time to say hello to friends we've not seen all summer. Although the Country Twirlers have no summer program our June campout, July family picnic, and August 21st demonstration dance on Westgate Mall helped keep members in touch with one another. Our new season will begin with the open dance on September 12th and we wish to extend to all our friends an invitation to join us in kicking off our new season. The following poem was written by a member of the Country Twirlers who prefers to remain anonymous.

.....Ed and Millie Briggs

### BACK IN THE FALL

T'was the night of the dance when all through the house  
 Things weren't very quiet between me and my spouse  
 Pick out a skirt that's been squashed on the rack  
 Have to iron it fast before going back  
 Now try it on gently, oops, a bit small  
 Couldn't have gained weight, hardly ate at all  
 Maybe this dress will catch someone's eye  
 Better not just stand there, find a matching tie

Why wasn't it put away neatly for fell  
 Instead of crumpled tightly and wadded in a ball  
 Iron it carefully, then two badges we must find  
 Try any drawer, can't leave them behind  
 Now for the shoes, how dusty they are  
 Polish them quickly while I start the car  
 Wait, I forgot, have to spruce up my hair  
 The comb's disappeared, Lord only knows where  
 Run to the next room, this one will do  
 Spray here and there it will look good as new  
 Dash to the car, review calls all the way  
 Hope we're not too late with so much delay  
 Where's all the cars? There should be a few  
 Could everyone be late? The caller too?  
 Look at the schedule, check the date  
 Did you say next week? This rehearsal was great.

## Fiddle A Rounds

Now let's see, where were we? Oh yes! It was May and those lazy, hazy days of summer loomed ahead of us. Well they might have been a little hazy from the smog, but they sure weren't lazy days for the Fiddle-A-Rounds. They really know where it's at! First it was at the Tucker's, with a social afternoon, a hearty supper and an evening of dancing. The next two get-togethers were hosted by the Browns, with swimming, dining and, of course, dancing. We wound up th summer season at the DiCesare's with a Hawaiian luau, complete with native dishes. (We're not going to interpret that remark--think about it.) Anyway, it all added up to a lot of fun and we feel a little reluctant to see it end as Fall approaches.

There was also considerable extra-curricular activity by F-A-R's. Some careful eavesdropping revealed the following: the Costiches enjoyed some camping at Wellesley Island; the Callahans travelled to West Virginia to see their granddaughter and then returned to welcome their son home from his tour of duty in Germany; the Tuckers visited the Weekes at their northwoods retreat; the Prados returned to their home town in Pennsylvania to join in its 125th anniversary celebration, and later Mike took off on a bachelor's tour of some big league baseball games; the Browns packed their dancing clothes and headed for festivities in Canada.

So you can see it was a full summer for our group. But in spite of all this activity, we managed to add some rounds to our repertoire. Our list now includes Blue Mood, Brown Eyes, Merry Widow and last, but not least, Bird Walk. (We kid you not!)

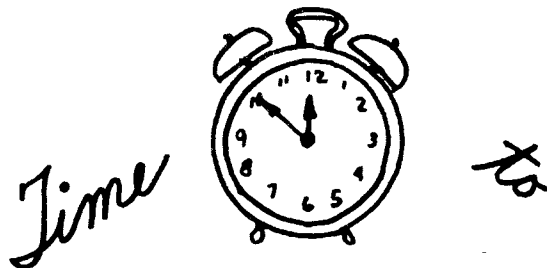

Well, that about does it for our summer happenings. It's time to start thinking about another dancing season, so we'll see you around.

.....Ralph and Georgia Guenther

## EKC-O Squares

Thank you, to the many area dancers who danced with us this summer. We enjoyed having you visit us.

There will be an Open House dance to acquaint non-dancers with Western Square Dancing on Wednesday, September 16th. Club caller Ken Anderson will be at the mike - assisted by class instructor Bob Ellis.

Betty Welcott will teach a series of 10 lessons in round dance basics for club members beginning Monday, September 21st. We are lucky to have Betty as our club round dance caller.

wedding bells rang for Jean Pinckney and Dick Courmettes on July 18th. Their fellow EKC-O members wish them happiness. EKC-O members who "sweated out" the National at Louisville included the Malleys, Busharts, Kendricks, Stephansons, Heffers, Coles, Hamlins, Wolffs, and Webbers.

In July, the Coles, Kendricks, and Austins had a chance to preview the calling of Beryl Main at Frank Lane's Dance Ranch in Colorado. Here is the caller everyone will want to hear on November 18th at EKC-O. He is one of the best.

All square dancer/campers are welcome to join EKC-O campers October 9 - 11 for a square dance campout at Hamlin Beach State Park. A fun weekend of dancing, eating and relaxing is promised. Call Howard and Clara Griffin for reservations. Phone 225-1111.

Kay and John Welch have complete two years of ably representing us at the Federation. Joining Leo and Rita Leonard, now our senior representatives, are Carol and Lou Sirianni.

We tip our pens to Paul and Marge Walz who were our efficient Promenader reporters this past season. Thank you!

## Genesee Dancers

In my mind's eye I can see you all looking tanned, rested, and rarin' to go--and go we will with an Open Dance scheduled at Cutler Union, Thursday, September 10th and the second Open Dance at Floyd Winslow School, Tuesday September 15th. Hope you remembered to invite all your friends so they can enjoy square dancing too.

Hear via the grape vine that Art and Pauline Bennett are back from a three week vacation in the Phoenix, Arizona area. A friend of mine thinks everyone should see the beautiful scenery of this state before they die.

Understand Ed Butenhof has been doing some square dance calling lately. My source of information tells me that he does terrifically well. He yodels too! Perhaps we could all have the pleasure of dancing to his calls in the near future.

Ed and Pat Burley will be missed by their square dance friends. They have moved to Florida.

Our very own Bob Bourne is now President of the Federation. Our sincere congratulations and best wishes to him. Not only is he very personable, but he is most capable.

Sorry to hear that Frank and Marie Gillig's son was seriously injured in a motorcycle accident recently. Frank does the calling for Teen Twirlers.

September 9th to the 13th has been proclaimed National Square Dance Week by none other than his honor, the mayor, Stephen May. There will be square dancing demonstrations by the young, and not so young in Midtown Plaza during this time.

Our condolences go to Lucille Tinkler in the death of "Tink". He was one of Genesee Dancers' first callers. He had been promoted by Kodak and moved to Tennessee. He suffered a heart attack around August 5th.

.....Bert and Lauretta Emann

## Geneva Friendship Sqs.

This has been a busy summer for the Friendship Squares. Starting with the Peach Blossom Festival in May, our campers and their guests have attended every large occasion that came along from weekends at Bonnie Brae at Owasco Lake to Bloomsburgh and Lake George.

Our dancers who own campers and make extensive use of them are: Floyd and Jessie Clark, Hugh and Diane Flood, Red and Alice Good, Dave and Dot Gulvin, Ev and Carolyn Jones, Elwood and Helen Mowers, Art and Lucy Masteller, Lee and Jackie Pratt and Bill and Nellie Voltz.

In addition to camping, four summer dances at the Pavilion at Seneca Lake Park have been well attended and the entire club participated in the Sauer Kraut Festival at Phelps. Friendship Squares and Larry Spaven's Kuntry Kuzzins built a huge float upon which live dancers danced throughout the Sauer Kraut Parade to the calling of Don Pratt.

In the evening a Western Square Dance was held in the P & C parking lot and fifty couples danced to callers Larry Spaven, Bruce Snow and Walt Jessup. Charley Tucker cued rounds.

Lucy Masteller of the Friendship Squares and Neil Bergmark of the Kuntry Kuzzins were co-chairmen of the dance and their committee included Ev and Carolyn Jones, Bill and Helen Gridley, Roy and Millie De Baere and Bud and Pinky Naegele. Bud Naegele designed the float which was built by almost the entire membership of both clubs.

Although it rained several times during the afternoon evening it did not rain on either the parade or the dance. We hope we are as lucky at next year's festival which is to be bigger and better than ever.

.....Clayton and Ruth Keyes

## Henrietta Friendship Sqs.

You can call it getting back to swinging, or what have you, but that's what it is for square dancers when September rolls around. That wonderful time of year when all the clubs resume their regular scheduled dances and beginners get their taste of some real fun. We hope to introduce a good number of couples to our open house on September 14th.

Most of this year club members will find themselves dancing at Floud Winslow School on Pinnacle Road, but our first dance will take us to the Youth Cabin. What better place could we have for our steak roast?

Louisville found several of our couples dancing at the National Conception--the Darrows, Drums, Howlands, Taylors, Tiskas, and Webers.

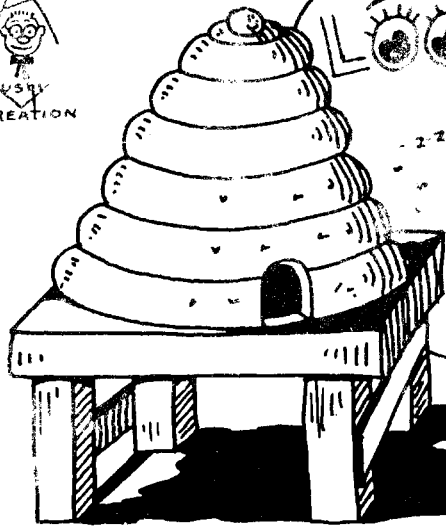

On August 14th and 15th the Taylors, Howlands, and Webers went to Lake George--the occasion was the annual Boat and Benefit Dance. I am sure they will have a lot to tell the rest of us.

The Copelands are again gracing our ballroom with rounds so all be sure to come a little early.

Did you know our caller, Don Pratt, spent part of the summer recovering? This time from a wrenched knee--Honesty Don!--but do keep recovering, we couldn't exist without you.

See you at the dances!

## Irondequoit Sqs.

Many of our members have taken square dancing trips since we last reported and all report they had a real good time. Fourth of July weekend found the Calmans, Swinks, Davidsons, and Atwaters in Cherry Ridge Camp Grounds in Pennsylvania. Recent graduates Mary Jane and Ken Nudd, Del and Maurie Tette, Elaine and Tom Boss along with teacher Bruce and Shirley Shaw went to Kingston for the Joe Reilly dance weekend. Travelling to Eloomsburg, Pennsylvania for dancing were the Brooks, Manleys, Andersons, Wilcox's, Swinks, Davidsons, and Atwaters.

The fall season for our club starts off with Open House on September 12th at Hosea Rogers School. We hope everyone is lining up their friends to bring along this evening to introduce them to square dancing.

Can it be possible the fall square dance season is here already. We are glad to say, though, we have seen many of our members and especially many of the recent graduates out dancing throughout the summer.

Prospective class members will then have three nights (September 19th, 16th, October 3rd) before the class session will be closed. Open House night both Bill Wilcox and Bruce Shaw will be calling. Our club members in charge of the class this year are Toni and Don Macenski, and Dave and Joan Calman. Instructor will be Bruce Shaw and classes will be held at Dake School.

Our new Federation Delegates appointed are Bob and Mary Spear, and Dick and Mary Lou Boss. Bob Spear was also appointed Treasurer of Federation.

At our regular dance night September 26th we will be having a general open meeting for all members at 10:45 - 11:15. We hope everyone will make an effort to be present for this meeting.

See you all at Open House September 12th.

## Lima Grand Sqs.

Although Lima Grand Squares gave up the dances at the Barn this summer, members have not given up dancing.

They took one Friday night to rest and travelled to the home of Wally and Jane Schandall on the 26th, where they spent the evening touring thru Europe with Schandalls, who relived their last summer's trip with slides. It was a very pleasant evening.

Everyone donned their dancing shoes and spent July 10th at the home of Lou and Rita Lambert for the first picnic of the summer. After a delicious supper, eight squares formed on the black-top drive and danced to the calls of Don Stumbo.

July 4th found Don, Liz, and three other couples in Gettysburg, Pennsylvania, re-enacting the battle scene of long ago with hundreds of others.

There was one battle casualty when Barney Croft fell from his horse and dislocated his shoulder. After a trip to the hospital, he was the only spectator to the annual Dress Ball that evening.

On July 16th, three squares were invited to put on an exhibition at the Rush - Henrietta Firemen's Carnival. Guess there were no casualties there for their pictures were in the Sunday Democrat and Chronicle and they all seemed to be moving.

Twenty families signed up for the camp week-end and dance at Timber Line Lake Park in LeRoy on July 31st, August 1st and 2nd. Everyone returned tanned, tired, but happy.

There will be a picnic at Roger and Gen Duckler's on August 21st. The last outside fun-time. We will return to the Town Hall on Friday, September 11th, to resume our Fall schedule and on September 14th, a new class of dancers will be formed. We do hope there will be a goodly number of young and old, who will feel the urge to join in the winter fun.

Hope to see you all back on September 11th.

## Rochester Rollaways

Memorial Day through Labor Day is the time when many people enjoy a well-earned summer vacation. If you are badly bitten by the S. D. bug, you plan your "rest" to coincide with square dance weekends. A group of eleven couples went to Cleveland over Memorial Day and learned new calls, such as mixed-up square thru and tag back. Heidi and George Betlem and Will and Rhoda Eagle traveled to Cherry Ridge in the Pocono Mts. to dance to Deuce Williams and Lee Kopman. Betsy and Hamilton Stearns and Ronni and Florian Czerniak joined them for the first weekend and Anita and Carl Warschkow for the second after which they vacationed near Naples, Maine to dance to Marty Vanwart. George and Elinor Wood have been hosts to a number of camper-dancers on their "back forty" where people not only danced to tapes but also learned about the milking process. The Labor Day weekend will attract

approximately half the Rollaways membership to Conneaut Lake Park in Pennsylvania for the big summer wind-up dance.

The Buffalo area women's colleges will find the daughters of some of our members starting their Freshman year. Susan Wilcox will enter Rosary Hill, Diane Eichas is enrolled at Villa Maria and Linda Wood at Trocaire. Laurie Betlem is going southeast - to Hartwick College in Oneonta. Bob and Doris Becker's daughter, Sheryl, was married this past month and moved to Boston, Mass., where her husband will attend school.

A series of advanced square dance lessons will be held at the Greece YMCA on Long Pond Road, beginning Monday, Sept. 21 at 8:15 p.m. The material has been revised and up-dated so even if you have attended the sessions previously, you will find it enjoyable and informative to come out this fall. If you would like more information, contact the Deckers - 225-6987.

To brush up and get rid of the cobwebs the club will start the season on Sept. 11 with a tape dance.

## Swingin' Eights

Drogi Przyjaciel----

We were sorry to hear of Howard (Tink) Tinkler's death. Tink died August 5, 1970 while living in Kingsport, Tenn. To many of us Tink was not only a good Square Dance Instructor but also a dear friend.

We are very happy to announce that the Swingin' 8's summer dances were a great success. Of course, like always, we had many guests from various clubs. I counted four different callers and their wives participating at our dances, so you see even callers enjoy themselves when they go out to the Swingin' 8's.

One day in the early month of June, we were in a crowd with Jim Cargill. How fascinating it was to listen of his experiences. Jim is known to be one of the best Square Dance Callers around; Jim comes from Sewill, N.J. He has been calling professionally for ten years. His calling takes him from Maine to Florida, west thru Ohio. He calls regularly for seventeen clubs in his home area. (Please don't answer the phone now, wait until you read the rest). He is on staff for several weekends plus two full weeks at North Carolina every July. He has several records out, under Top label, his most recent one is "Put Your Arms Around Me."

One of the summer highlights was the National Square Dance Convention at Louisville, Kentucky, June 24-28, and was attended by some of our Swingin' 8's. Al and Barb Taylor, and Russ and Ethel Heffer, who along with 15 other couples boarded a Greyhound chartered bus that left Howie DeGraves at 9 p.m. on Wednesday. After making five stops and also changing bus drivers that many times, the bus driver arrived with its sleepy passengers at the Colonial Inn in Indiana just across the state line from Louisville at 10 a.m. on Thursday and were joined there by Tom and Marilyn Trainor who had arrived earlier by car. (Tom got in some calling at the convention.) After checking in, some lunch and a few winks of sleep, then the bus picked up the group at four o'clock and were off to the dance. The dance area in the Coliseum held 1500 squares or more and was air conditioned. Other areas were also used for dancing at different levels, but were not air-conditioned. Heard that 400 or more callers were there from all parts of the country. Each evening they had a grand march, the one on Saturday was the most outstanding when all the states carried banners around 450 were present from New York State. The Coliseum could just about hold all the marchers, and there were plenty that were not marching. The color was beautiful, the ladies' colorful dresses and the shirts worn by the men. Early evening they had exhibitions put on by different clubs

from different states. The young people can really dance, even the 7 year olds. The Silver Spinners put on a grand exhibition of dancing, shows what really can be done in a wheel chair. The Rochester group had a real enjoyable weekend, arriving home rather tired on Sunday night. Over 19,000 people attended, the largest group ever. Guests were present from all the states in the U.S., four Provinces of Canada and three foreign countries and thousands have already signed up for the 1971 Convention in New Orleans.

Many dancers from Rochester motored to the Royal York in Toronto for the big dance in June. Heard the Russ Heffers were there.

## Triggers

Welcome back--wherever you were! September 15th is our first dance of the season, so come along and brush off a few of those summer cobwebs with us on the dance floor. We will start our dances with a workshop for calls from 7:30 - 8:00; Rounds from 8:00 - 8:30; and regular dancing beginning at 8:30 pm.

Save September 19th for our annual picnic and campout at Hamlin Beach Park. We will have games and "badge" activities from 4 - 6 pm, supper at 6:00 pm and dancing at 8:00 pm.

If you have and current addresses of former members bring them along to our first dance (September 15th, remember?). We are tentatively planning an Old Time Members Dance for September 29th, but this will depend upon the response we get to our invitations. Any former members who read this, but don't hear from us, please contact Peg Huss for detail as we would like to see as many of our former members as possible. Her phone number is 663-7284.

It may seem a bit early to talk about our Halloween Party but perhaps some advance warning will aid your creativity. We are going to have a Crazy Hat Party, with prizes for the most original hats, of course. Start thinking!

If you attended the Spring Fling and then read our write-up about it you must think the Doerings are either blind or unconscious. Actually, it was another instance of "blind" reporting of an event we hadn't yet held, and based on information accumulated from people involved in the program. This is sometimes necessary, since our Promenader article deadline doesn't always allow us enough time to report on a past event, especially for the summer issue. It seems that our "Daisy" must have wilted before the show, and the members of the musical trio were really Carl Klapp playing violin, Harold Pierce playing guitar, and Stefan Tschokasch playing the concertina.

On August 2nd some of our members participated in a demonstration for the German Festival at the Monroe County Fairgrounds. Listening to all the local dignitaries entitles them to a "Hot Air" badge, don't you think?

We are sure Belles and Beaus will miss the friendliness and dancing skill of one of their former Presidents Ed Taylor, who died just after the Promenader went to print in May. Those of us who knew and danced with him will miss him too. Our sympathies are extended to Belles and Beaus and to his family.

## Twirl A Rounds

Our club has had a very busy vacation schedule starting right out with Joe Reilly's Kingston Kapers. Eight couples attended this event and enjoyed it immensely. We hear that George and Una Shaw went for an unscheduled dip in the pool. Sorry we missed that. We have been assured that it had nothing at all to do with Dot DeGrave's missing suitcase; however we haven't been assured that the missing suitcase had nothing to do with the Shaws.

Attending the Auburn dance were Copes, Falls, DeGraves, Coopenbergs and Codys. We understand Bruce Cope learned all about "Life After Death" at this affair and these reporters are anxious to find out about that.

The National Convention in Louisville was attended by Lows, Falls, DeGraves and Coopenberg.

Muras, Thomas' and Deisingers had an enjoyable weekend with the McQuades and Reillys in Geneva Park. The weather was hot but the dancing was great.

Jim and Anne Gentles are very proud to have a new granddaughter and since Anne's sister was here from Scotland, we are sure they had a busy and happy summer.

We hear that Copelands went to Virginia Beach; we went to Nova Scotia and thereabouts.

Even though Cody's lost a wheel on their trailer, it has been repaired and is in good condition again.

We almost forgot to mention that Coopenbergs have found a shortcut from Kingston to Rochester and will be happy to detail this information to all who are interested.

We have a report that the summer dances were well attended and we are all looking forward to the new Fall season.

Prospective new round danc-

Prospective new round dancers may call Karve and Kay Falls at 293-2479 or Dot DeGraves at 594-9518.

## Wayne Westerners

Another busy summer is past and it is time to get back into a new season of square dancing. Newly elected officers for our club are: President - Al and Nancy Schreiber; Vice-President - Jim and Orlah Cox; Secretary - Ken and Millie Dayton; Treasurer - Bill and Carol Magee. With these able leaders we are looking forward to a successful, fun-filled year of dancing.

This year we will hold two demonstration dances. The first is to be a Breen's Super Market, corner of Routes 21 and 31, Palmyra, September 12th from 8 - 10:30 pm in the parking lot. The second will be Friday, September 13th, 8 - 10:30 pm at the Seaway Gas Station on the Walworth-Penfield Road, Walworth. If you are nearby, come join in the fun.

Our first special club dance of the year will be Saturday, October 17th, at the Marion Elementary School, Marion, 8 - 11 pm with guest Gordy Cooper calling.

We look forward to meeting many new square dancing friends this year. So long.

.....Waynard and Marilyn Dixby

## Web-Spinners

Although we are at the start of a new season, we would like to go back for a moment to our Trail End dance. We would like to thank our committee: Diane Turney, Chairman; Laurie Maggio, decorations; Rita Phelix, refreshments; also Lois McTarnaghan, Zyl Van Slooten, Betty Heim and many others. A good time was had by all, including one uninvited guest who came in by the back door. Seems he was a friend of all and an acquaintance of none and he had the best time of anyone.

June was a "happening" month. Many of the Web Spinners attended a dinner and dance put on by the Swinging B's. Those who went had a wonderful ham dinner and an evening of dancing and good fellowship. Don't forget us next year folks.

Another event that will be remembered for a long time was the June 26th-28th campout at Bonnie Brae. Ten families attended and there were good times and bad. Vern Collier had transmission trouble on the way up and had to leave his car in Bath and his trailer at Bonnie Brae. We are happy to report that he did get his family home, complete with mini-bike and dog.

Ivory Fish became quite ill Saturday night. Maybe it was caused by jumping into that cool pool after that hot dance that Wild Bill Wilcox called on Saturday night. Saturday was also notable for the "Pot Luck" supper and most of the square dancers in camp were there. The piece de resistance was strawberry shortcake all around.

We are all saddened by the death of Miz Dill, June 27, 1970. Miz was one of the original six people who started the club. She was always smiling and happy and we never heard her say an unkind or slighting word about anyone. We will miss her very much. We would also like to extend our deepest sympathy and that of all the members to those who have lost loved ones in the past few months.

Very little happened in July. Only three families were at the campout. In August things were swinging again. Ten people earned their Duck Badges. Space, or lack of it, does not permit me to name all of them, but one, Kay Muhn, deserves a mention for going in with all her clothes on. Someone told her that that was the way to get her badge. She deserves a gold one for that.

That brings us up to date and if you have any complaints, just remember that it's tough to follow Clayt and Ginny Alt.

.....Jim and Helen Fordham
