well, I'm back! You might ask, "Where have you been?" Even if you don't, I'm going to tell you anyway. I've been fishing and caught a 24" thermometer and two 16" thermometers.

For those who don't know: You don't brag about the size of thermometer you can make with the Mercury that's in them.

By now the season is in full swing, with everybody dancin' and goofin'! Can't forget "goofin" cause that's where at hets mah bread from. Ah don't do many things well, but when it comes to "goofin", ah am the bestest there is, barrin none.

Why just last week when I showed up at the Belles 'n Beaus dance, for the first time, you should have seen the people stare in awe and when I only goofed three times in the first Tip, the men just stood silent while some of the women actually had tears in their eyes. This is typical of the way most dancers show appreciation for my talent.

It was at a dance held in August at Alfred University. There I was given a special citation for "goofin" up seven Tips in a row. (My record is 18, Dance-O-Rama 1968) A badge reading "Set Louser" was presented to me by Ed 'n Ruth Hasman and Ray 'n Jane Ross.

It was really not one of my better days. Five trunks is usually my limit but this day I had "trunked" eight trunks and two station wagons. This additional action probably straightened out my equilibrium.

What! you have never been "trunkin"? Ask anybody who has been to Alfred U. or the dance.

Now what else was I going to tell you about? Oh yeah, we (Charley and Betty Podgers, Frau and I) went to the Phelps Sauerkraut Festival. They had a parade and there was a Square Dance float. There were two sets of dancers on the float, with Don Pratt calling. But only one set was dancing, the other was setting. I don't know why, I'm quite sure that Don could have called to both sets simultaneously.

At 5 o'clock they had a chicken barbecue. You had to wait awhile to get served because the rain kept putting out the fire and some of the chickens flew away. I got one that didn't but should have. They had sauerkraut cupcakes and three large chocolate sauerkraut cakes. The harvest queens gave everybody a piece.

At 7 o'clock they had a Western Square Dance outside at the Plaza, with Bruce Shaw and Larry Spaven calling. Charlie Tucker cued the rounds. I asked Perky Tucker for a round dance and I must say she did very well.. She's one of the few wives I know who listens to her husband. Vera Harris is another one.

Oh, I must tell about the Ladies Room. They had an outside john made from a refrigerator..... big and white with a one-holer. It was cute the way one girl would say to another, "have you got to go to the refrigerator?" Audrey Weber said that it's the first time she ever went in a refrigerator.....and the last. I asked why? She replied, "the seat is too cold." What can you expect from a refrigerator? Well-----

Thanks anyway,  
Hal Abberger

# ONE MAN'S OPINION

The following article appeared in the New England Caller and was written by a square dancer from Boston, Mass., who attended the 1970 National Challenge Square Dance Convention in Cleveland, Ohio. He is an experienced club level dancer who is interested in challenge dancing, but has never tried it. He attended the Convention as an observer to see first-hand what challenge dancing is all about. Since this is a subject which on occasion has caused heated debate at our Federation meeting and on our dance floors, Promenader is pleased to present this man's opinions and observations to our readers who I am sure have opinions of their own. Letters, pro and con, are welcome and will be published.

AN OBSERVATION ON THE 1970 NATIONAL SQUARE DANCE CONVENTION By Let Keddy.

At the risk of bringing a segment of the square dance leadership down on my head, I would like to report favorably on the Natl. Challenge S/D Conven. held recently at the Sheraton Hotel, Cleveland, Ohio. The featured callers were Ed Foote, Pittsburgh; Lee Kopman, N. Y.; Jack Lasry, Miami; and Ralph Pavlic, Ohio. Contrary to the unofficial picture that is usually painted, this style of dancing was not a rat race. The dancers danced to the beat of the music, and the material used was, for the most part, not of the close order drill variety. The dancers seemed to be superbly trained in the fine points of position dancing, including a thorough knowledge of the fundamental rules that applied to the basics being used.

The callers' material, over which they had evidently spent a good many hours, was presented in an excellent manner. It was also apparent that the callers involved are excellent teachers in that they have developed the ability to explain in a very few well chosen words without superfluous words the point they wish to make. The dancers were alert and courteous and were obviously enjoying themselves to the fullest extent. In fact, their enthusiasm might well be compared to that of the recent graduate dancers we see at the New England Convention every year. Keep in mind that these are long term dancers whose enthusiasm undoubtedly stems from the lack of boredom. With 350 to 400 basics in use, and with the well prepared choreography presented by the callers, there was little time or need to be bored.

A tolerant attitude seemed to prevail when squares broke down, which they did on occasion. It was merely a case of smile, take your share of the blame, refrain from

first opportunity to start again - which was usually only a few seconds away. These dancers have evidently reached a degree of tolerance and understanding that many other dancers could well emulate. There was a noticeable lack of cliquing up which is often apparent in some areas of the square dance world.

Also, contrary to the often expressed, unofficial opinions, the dancers and callers I talked to unequivocally stated that it is not necessary to dance three or four times a week in order to "keep up" with this style of dancing. Many stated that they dance this style only once a week. Most of these dancers stated that they belong to regular square dance clubs and do their share to bring new dancers into the movement. However, when they attend this style of dancing, the whole 2½ to 3 hours are spent workshoping new and old material, and they have FUN doing it. Rounds and singing calls are minimized or non-existent at these sessions.

If there is a moral to the above report, it is merely that all square dancers are NOT cut out of the same bolt of cloth. The movement can, and should, be as varied in character as the dancers themselves. Each couple should have the opportunity to find the spot best suited to their temperament and needs, without criticism from others not so inclined.

## Batavia Twirlers

Larry Dunn regrets he is unable to teach the class because he is locked in at DuPont due to a strike. Thanks to Leo Parsons for teaching the class until Larry comes back. Thanks to Mike Callahan and Howie DeGraves for filling in at our regular dance. We had eighteen guest couples.

Ten couples enjoyed dancing to Mike Callahan at Boots and Slippers on October 2nd.

Fifteen couples had a good time at Country Twirlers with Jim McQuade Saturday night.

Congratulations to Lois and Dick Calkins and Bud and Ruth Curts on working for their die-hard badge.

Dale and Eileen Salway have a little girl, Stephany Lynn. Don and Mary Dodge have a little boy, Danny. Congratulations!

Don't forget to sign up for the MYSTERY RIDE DANCE!

Congratulations go to Norm and Lorraine Tufts on their son's marriage.

.....Phil and Delores Maine

## Belles 'n Beaus

By now most of the rust that collected on the various parts of the square dance frame has been chipped away and the group looks like they are shaping up very nicely.

This month we will be looking forward to having, as our guests, the Country Twirlers on the 16th, and the Genesee Dancers on the 30th. We will be guests of the Batavia Twirlers on the 7th and of the ECK-O Squares on the 11th.

Grace and Charlie Edens became grandparents for the first time the first of October. They are justifiably proud. Ed and Ruth Hasman spent the last two weeks of September vacationing at Henderson. When things became a little dull Ed decided to take Ruth to the coast so that she could dunk her feet in salt water. No she does not have trouble with her feet, just has never seen the ocean! The dipping took place at Portsmouth, N.H. They then went on to Portland and over thru the White Mountains, Vermont's Green Mountains, back home to Henderson. They must have set some kind of record as they did the 900 miles round trip in two days!

Verne and Marge Merle are on their way to Oklahoma for a three week visit with their daughter.

Hoby Herron just managed to get his wife, Ida, moved into their new apartment before taking off for a ten day elk hunting trip to Colorado. That is a pretty sneaky way of getting out of 'settling'.

Betty Selbert is still out of action but reports are that she is progressing. Quickly, we hope.

We were very happy to be able to welcome back to our club the Retallicks, Fred and Dot. They were co-founders of our club way back when. After an enforced absence, \*

it is nice to be able to dance with them once again. We are also very pleased to list Harold and Hazel Conklin, and Jack and Mary Brooksopp, as new members dancing with us this year.

Change the date of our Christmas party from December 14th to December 19th at the Greece Grange Hall.

.....Jan and Frank Myers

## Boots 'n Slippers

Our sympathies to Bonnie Furlong on the death of her father.

We look forward to visits from Lima Grand Squares on November 6th and Twirl-A-Rounds, Fiddle-A-Rounds and Wayne Westerners on November 20th.

Bill and Terry Huskey are our new Junior Representatives to the Federation.

We extend our congratulations to Shirley Kirvan and Craig Baxter who were married September 19th in Hilton.

Boots 'n Slippers welcomes four new couples to the club: Dick and Audrey Weber  
Jo and Sophie Duchyns  
Stan and Joyce Levandoski  
Charles and Betty Podgers

It seems one of our members, Peg Mullan, gets to celebrate her birthday twice a year. Last Friday night at the Lemon Tree Lounge the band thought it was her birthday and sang "Happy Birthday" to Peg. She even had her own cupcakes to celebrate with. By the way, her birthday is in March. How come ????

Everyone had a wonderful time at the Hayride at Hinkson's last Saturday, even though it did rain.

Who is Harley Webster's new taw he was seen dancing with last Friday night? I never did find out who was supposed to be the boy.

See you next month  
Fran and Betty McAllister

## Country Twirlers

With the new dance season underway and old friends renewed the new class started it sure seems good to be back.

On behalf of the Country Twirlers thanks to Boots 'n Slippers and Lima Grand Squares for the recent invites to their dances. All the club members who were able to attend enjoyed themselves.

A recent discussion raises some questions on the taking of club banners. Many people know of no rules or guide lines for this. I feel that the federation should set up rules for this and publish them in the Promenader. These rules would state how many it takes to take a banner, how many to retrieve it, etc. Maybe some of the other clubs would like to express their thoughts on this. And so with this thought we say happy dancing and see you around.

For those who have never danced to Curly Custer he'll be with us on November 13th, come and join us for a good time.

Ed and Millie Briggs

## EKC-O Squares

Our hats go off this month to Howard and Clara Griffin for M-C'ing a really fun square dance weekend at Hamlin Beach. Granted the weather was rather inclement, but as Barb Vreeland put it "what a great way to spend a rainy afternoon". There were sixteen families in attendance, representing four different clubs: Genesee Dancers, Country Twirlers, Boots 'n Slippers, and "us", plus two couples from Canada. Enjoying the super pot luck lunch on Saturday were Paul and Anne O'Connell and their family; Don and Joyce Burnham with Lynne; Nancy Jean and Jack Reeder with Michele, Mark and Stephen. Also Bob and Gladys Stephenson, the Everetts, Davis', Lew and Agnes Solomon, Jean and Neal Maxon, and Marion and Sherm Reed, whose sentiments were identical "Good food, good people and good dancing", Vic and Eileen Enter felt right at home with Al and Jean Kendrick who with Mike and Ginny Schelken are looking forward to the next one. Plans are on the fire for one next June so take our word for it and don't miss it.

Seventeen couples from our club also spent a rewarding weekend at Hidden Valley. Of course Lee and Lea Zwack sneaked off to do a little swimming and horseback riding, not to mention the exchange of three cans of beer for a Stone.

No column is all good news. We have missed our past president Owen and Helen Whitehead and hope they will be returning soon. Also Phil Mental who underwent eye surgery in New York.

The annual concert of the Barbershop Quartet had a member of our club singing loud and hearty. Bill Rohlin has been a very active member of both groups for years.

One of our group may well be absent for a while, he is on a year's leave of absence from work to obtain his Masters Degree in Business Administration at RIT. Bennett Hendig you deserve a round of applause! Just don't forget your Do-Si-Do's.

Don't forget Belles 'n Beaus you are our guests November 11th and on November 25th we are entertaining the Genesee Dancers as we do annually on Thanksgiving Eve. We'll be expecting you!

Bill and Martha Scahill

## Fiddle A Rounds

In keeping with the spirit of the month of November, we decided to be right on and take "Thanksgiving" as the theme for our column.

Consequently, let us begin by being thankful for a new member couple, Bill and Judy Wilcox. These fine dancers were recently "pinned" and officially welcomed to our ranks.

It was nice to see Owen and Helen Whitehead, Don and Norma Weekes and Gil and Alice Krewzer gliding around the floor again after too long an absence from our midst.

And we must give "thanks" to the Tuckers and DeGraves, who learned the latest rounds at Canada Capers. Now we know we'll be kept busy learning the newest dances in the months ahead.

Last month's dance, Canadian Quickstep, which we only gave a casual mention, turned out to be very interesting. The name is quite appropriate because it has just about the quickest steps you could ever take, Canadian or whatever. But if you think the dancing is difficult, just be thankful you don't have to cue it. Charlie Tucker, we salute you!

Humor has it that if the record arrives in time, our next dance will be "It makes no difference." We don't know if the name implies that you can do your own thing, but if so, this might be the dance we've all dreamed about. Now wouldn't that be something to be "thankful" for?

Have a happy - Thanksgiving.

## Genesee Dancers

Kudos to our Membership Committee headed by Greens, Bastians, Dutenhofs and Enters.

Kudos to our Membership Committee headed by greens, Bastians, Dutenhofs, Enters and Davidsons who realized the fruits of their labors when 7 1/2 squares signed up for Class.

Howard and Joan Green substituted as first official host and hostess due to the death of Shirley Cole's father. Our sincere sympathy to you Shirley. The Coles were second to act in this capacity.

5 May Mary Lou Davidson's broken foot be in good shape by now and her dancing days or nights be resumed.

Our Club Historians, Ruth and Lou Dietz, have completed the history of the Genesee Dancers and glowing reports come from those who have read it. Each member will have a chance to acquire a copy when a suitable method of distribution is worked out. It should be extremely interesting to find out why, when, where, and by whom we Geneseeans came into existence; lots of other factors which we never thought of will be brought out too we're sure. Our grateful appreciation to a loyal, dedicated pair of Genesee dancers.

Norm and Gloria Steinmiller's daughter started college at Plattsburg this Fall - their oldest boy is a senior at Aittenberg.

Tillsons' trek to Yellowstone sounded like a memorable one -- as did Niblocks' meanderings in Ireland, Scotland, Denmark, etc.

Just great though to see you all back at the old "square 'em up" stand.

George and Shirley Lupold have an October 22nd wedding in their family to look forward to. Congratulations!

Bert & Lauretta Ehmann

## Geneva Friendship Sqs.

Geneva Friendship Squares are unlucky just now in that some of our best dancers are on the disabled list. Mary Ellen Waters is laid up for an indefinite period of time with a lame back, Millie Woodley is suffering with a sore hip, and Red Good has still not completely recovered from his illness of last summer.

The club wishes to extend its sympathy to these invalids; and to Bud Woodley whose father died, after surgery, on Sunday, October 11th, the day of our Carl Hanks dance.

Carl was guest caller for our first Sunday matinee dance. He is from Wilkes-Barre, Pennsylvania, and calls frequently in Syracuse and Binghamton. He is an excellent singing caller and his wife, Betty, who came with him, cues round dances.

In spite of rain and heat we had a good turn out and many of us would like to have more Sunday afternoon dances.

The class is off to a good start. It has met four times and has shaken down to about twelve couples. Joe and Mary Bree have been elected class presidents. The first refreshment committee consists of Ray and Angie Liberatore and Sully and Gloria Ciancaglino.

We would like to have had a larger class, but the Friendship Squares cannot complain about the quality or the enthusiasm of our beginners. Several couples from last year's class--Chet and Helen Gridley, Lee and Jackie Pratt, Roy and Millie DeBaere, and Bud and Daisy Zimdahl--are back to help the newcomers get started.

Come to our "Fourth Annual Turkey Trot" and dance to the calling of Marshall Flippo (see the November schedule).

## Henrietta Friendship Sqs.

We enjoyed our Pot Luck Supper October 24th. It is always interesting as well as surprising to see what the menu will be.

A square dance feature in the Time Out section of the Times pictured Audrey and Dick Weber on the front page. A most attractive couple to advertise an enjoyable recreation.

Our caller Don and wife Lucille had a 30th wedding anniversary to celebrate the 12th of October. It happened to be class night and I really haven't heard if they and others took off for Arrows for a toast or not. If son Donnie had received that November furlough a month early, he and Kathy could have been around to help celebrate.

Al and Barb Taylor are proud grandparents again. We're always happy to hear of future little squares. Janet Christine was born September 30th. Congratulations.

.....Roy and Thelma Hertweck

## Irondequoit Sqs.

We really felt back in the swing of things when we attended EXCO Squares and Triggers' Crazy Hat Hallowe'en Celebration as guests. Both evenings were most enjoyable. September found many couples from Irondequoit Squares in attendance at Hidden Valley.

Congratulations to our caller, Bill Wilcox, who shares with Chuck Prister the title of Moderator of the newly-formed Callers' Co-op, a group that should inspire and help new callers.

Welcome back, Mary Lou Boss! It was nice to see you back dancing after your skiing mishap put you on the sidelines for so long, but not out of the picture. We're happy you could represent us in the Federation during your "down time".

Our best wishes go out to John Welch, who is home after a week's stay in the hospital. Recuperate quickly and get back dancing with us soon. We're told that Janet Weitz's knee won't let her dance (or is it that new little baby girl that joined the Weitz household?). Our condolence to Jan for the knee but we're so happy for you and Paul on your new addition. Congratulations to Guy and Nancy Rawlins who are infanticipating.

It's that time of year and a nomination panel is busy preparing a slate for November elections. Will your name be on it? Only the committee knows.

Many of us will be traveling to Syracuse on November 7th as guests of Pairs and Squares with Doug Schultz at the mike. This is an exchange we anticipate with much pleasure each year. On the 14th we will have our annual Business meeting and on the 28th we'll have a pot luck dinner-dance. Bring a dish to pass and your table service. Our own Bill Wilcox will be calling for both. The dinner will be at the Lutheran Church of the Transfiguration.

Committees are busy making preparation for that big, gala Poinsetta Prom on December 12th. Ron Mortiss from up Utica way will help make this evening a memorable one so jot it down now so you won't miss it.

Happy Thanksgiving to all!!!!

## Lima Grand Sqs.

October was a beautiful month not only to enjoy the work of Mother Nature but it is also a month of enjoyment for square dancers, as we clasp the hand of friends from far and near, whom we missed during vacation.

The new class is progressing in numbers and enthusiasm. At last count there were about 40. Wonderful!

Charlie and Gwen Bush certainly had some original ideas for new badges. Apple Munchers, Bed Bud (dancing on a mattress) and the Venus Badge (dancing without use of hands). Even spectators had fun.

What food for our Harvest Supper October 9th! Seven sets were with us for the dance.

Fun Nite October 16th was a lot of unusual calls "cooked up" by Don Stumbo. (Gee we have trouble with the usual ones.)

October 4th, a re-enactment of Civil War Days was held at Don's home with about 100 taking part. Don with several members of Lima Grand Squares have been to Gettysburg, Pa., New Jersey and Ohio, having fun in these pageants of the past.

The Annual Hallowe'en Dance with Ronny and Carol Cole, as chairmen, was well attended and the costumes as always were unusual and unique. Many hours of work and planning goes into this annual event. Dennis and Marilyn Reagan and Sharon and Joe Contleer were decoration committee. Our class joined us for the evening.

Several couples from Lima Grand Squares put on a demonstration for the Odd Fellows Lodge 455 in Avon Oct. 17th. Congratulations.

October 2nd, our first invited guests of the season were the Country Twirlers and the Belles 'n Beaus and on October 23rd the Soaring Twirlers from Elmira joined us.

No dance will be held on November 6th in Lima as we will head for Hilton. We are all looking forward to an evening with Boots 'n Slippers.

## Rochester Rollaways

Thanksgiving Day is coming. After we have feasted on roast turkey, cranberry sauce, and pumpkin pie, we will be ready for some exercise. Instead of trying to jog five miles, go square dancing. Rollaway members will have an opportunity to dance the very next evening, which will be the club anniversary dance. Bill Ryan will do the calling to celebrate this event.

Last month we neglected to mention that the Woods, Sixts, and Eagles also went to the Jabbusch - Kopman weekend at Atlantic City. When the door prize numbers were called off, Heidi Betlem discovered she was one of the winners.

New York City is a vacation spot all seasons of the year. Norma and Don Weekes spent a few days there around the end of September and as of this writing, the Betlems were planning a trip, hoping to dance to Lee Kopman while they were down there.

Betty Johnson's parents have been enjoying a cross-country trip and are taking pictures to show when they return home. The Frantzes have been traveling to Buffalo quite frequently lately, as Cathy's brother is getting married this month.

Club members wish to express their sympathy to Eileen Fohl on the recent death of her mother.

Hope all dancers have an enjoyable Thanksgiving!

.....Tom and Cathy Frantz

## Swingin' Eights

The Swingin' Eights started off again with a blast of thunder and a flash of lightning as we always do. This went along with our Pot Luck Dinner. The girls chucked casseroles with still warm and steaming plates that not only tasted good, but were also attractively decorated. Boys, leave it to Ma for good food. After a delicious dinner we strolled across to the physical therapy hall where dancing started exactly at 8:30. By 9:30 we had dancers from wall-to-wall.

Summer highlights: received an interesting letter and card from Jim and Betty McCollum while they were visiting Algonquin Provincial Park for two weeks of camping. Betty says Jim tried horseback riding, hurt his back from the bottom down. While he couldn't walk, Betty took him canoeing. After a bit Jim started to sing, Betty told him "if you don't stop I'll take you back". One morning Jim made creamed beef on toast. Betty didn't care for it. So you see, everything (so far) L'avacato dit went wrong. But of course Jim did many nice things that made their vacation a happy one.

Phyllis and Fred Rader spent ten days at Silver Bay on Lake George attending YMCA Leaders' School. Fred has been physical director of Monroe Y for over 9 years and head of many youth centers in Rochester. Fred and Phyllis also had 14 days at Lake Hayward, Colchester, Conn., visiting relatives.

Carl (Carlo) and Anita Warschkow, Florian and Ronnie Czerniak and Jim and Betty McCollum danced and camped together at Conneaut Lake, Pa., for the Labor Day weekend.

We want to wish all the Swingin' Eights members and everyone else a very Happy and Holy Thanksgiving Day.

Tony and Ann Gianforte

## Triggers

About 130 people attended the picnic at Hamlin Beach on September 10th and 25 couples camped out overnight. The usual "Grasshopper", "Sand Flea", and "Rubber Ducky" (or whatever) badges were issued to those who indulged in the appropriate capers. Celebrities: Harold Pierce (Camp Caller badge); Myron Huss (Tag-along badge); Mary Klapp (Crutch badge for coming despite her pulled leg ligaments); Ed "Captain Hook" DeMerritt (Finger badge); Ann Tomaszewski (Nose badge for managing to get it in the way of some anonymous dancer's foot).

Old Timers' Night was September 29th and eleven former members were guests. The officers' wives provided tasty cupcakes.

Blanche Clie Lawson's mother, Mrs. Young, is home from the hospital now, but Mr. Young has gone in. Meanwhile Ed Lawson is recuperating.

Fred and Beulah Dentz have sold their home and moved to Florida, but will be back to visit next spring.

Myron has 52 new students in the teenage class, and a total of 103 attended the first dance. Harold Pierce signed up 33 students in his first night class for 8 to 12 year olds. If you know any youngsters who would qualify for either group, they would be welcome. More boys are needed, especially.

We extend our appreciation to Genesee Dancers for the good time on October 15th.

Invitation: December 12th - Country Twirlers; May 8th, 1971 - Henrietta Friendship Squares.

Predictive Reporting Department (written 10/14/70): Our October 27th Hallowe'en party was exciting. First prize in the Crazy Hat Contest went to Bob Wordingham, who had gotten his head stuck in a watering can while ducking for apples. Bob might have drowned if quick-thinking Gage Fransue hadn't applied a tourniquet to his neck. A team of specialists will have Bob pried out by next week, before he runs out of apples in there. (Write to him at East Rochester Car Shops. They've cut some eyeholes for him and he loves to get mail.)

## Twirl-A-Rounds

Our own Bus Gangi has been promoted to Head of the Science Department at West High School. Congratulations, Bus, from all of us. Gangi's daughter was married this summer--looks like Bonnie and Bus are having a busy year.

Annie Gentles is back. Her flu bug didn't really bother her dancing at all.

Gerry Cody has a new nickname "Sweet Foot". Wonder where he got that!

It seems if you own a Datsun, they must be working. Is that right, Howie?

George and Audrey Mura

## Wayne Westerners

"Circle up--you all!" was Don Stumbo's command. And the new season at Marion had commenced. We sure had a hot time. And I do mean hot! When "Web" said "reat you all!"--we sure were ready. And of all nights to forget your towel.

Everyone seemed to have a great time at our demonstration dances. What a surprise we had at Walworth. Don Stumbo and his entire Confederate army arrived at the dance in full dress uniform. And did that stop traffic.

I hope that the new class members have as much fun learning the basics and have the opportunity to visit other classes as we had.

.....Ray and Mary Ryan

## Web-Spinners

The Web Spinners are happy to welcome four new couples to our club. They are Marian and Phil Schlick, Cal and Grace Kellong, Asher and Marion Flint and Jack and Alice Carey. We look forward to seeing them a lot this winter.

Laurie and Rocky Maggio volunteered to show the club how to do some of the round dances and gave their first lesson on October 2nd. If they can teach us all to be as graceful as they are, we will all indeed be envious.

Don Evans, our illustrious president and Frank Le Bouef showed up at our October 2nd dance wearing some new hair (their own). Don grew a mustache on his recent fishing trip and Frank thought that a beard would go nicely with the sailing ship (that's bigger than a sailboat) that he's going to have when he retires. That's going to be a pretty long beard by then, Frank.

A. Donald Evens, son of Don and Jane, left September 29 for Orlando, Fla. for a six year stint on nuclear submarine service. We all wish him well.

Frank and Milly Le Bouef went to Cherry Ridge, Monesdale Pa. over Labor Day weekend. They spent four days dancing almost continuously to local and national callers. They highly recommend it.

Speaking of national callers, some of the Web Spinners had the great pleasure of dancing to Gloria Rios Roth at the Swing B's special dance October 6th. We had a wonderful time and want to congratulate the Swinging B's for bringing her to this area.

Once again it is our sad duty to extend our heartfelt sympathy to our friends Don and Bev Wooster, Ken and Edna Hutchinson, Vern and MaryJane Collier and Bill and Betty Blöse who have recently lost members of their families. Don and Bev and Bill and Betty each lost a child in tragic road accidents and we would like to remind all of you to drive as though a member of YOUR family were in the other car.

On a happier note, we have the pleasure to announce that Joan and Mel Christman, former members who have moved to Lyons, New York, added a new member to their fast-growing family. The doctor told them to prepare for twins but only one showed up. Joan and Mel aren't too unhappy about that because this one is number seven. The young man arrived on October 9, 1970 and weighed in at 8 lbs. 8 oz.

Congratulations to Kay and Chet Kuhn who celebrated their 34th anniversary on October 15th.

Has the mystery of the square dance petticoats been solved yet? Turn to this column next month. Maybe detective Judy Wilcox will have the answer for us.
