VOL IX - NO. 8 ROCHESTER, NEW YORK JUN-JUL-AUG. 1971

## A LETTER TO THE EDITOR

Dear Editor,

In publishing the PROMENADER, we are sure you are "tuned-in" and "turned-on" by the WONDERFUL WORLD OF SQUARE DANCERS. We were never more aware of this wonderful world than on Friday, April 30, when more than 1200 people came to Gates-Chili High School in support of the 4th Annual Muscular Dystrophy Benefit Dance. With the help of hard-working committees, generous donations from local stores, and the overwhelming support of many good-hearted square dancers, approximately \$2,000 was raised for the Muscular Dystrophy Association of America. In writing to you, we would like to relate some of the events of the evening, and also express our thanks to the many people who helped make this dance a success.

To begin, dancers arrived early in anticipation of the evening. We feel our staff was exceptional. Our callers, Joe Reilly, Bud Redmond, Bruce Shaw, and Mike Callahan, presented an excellent program for which we cannot thank them enough. Howie & Dot DeGrave, Charlie & Perkie Tucker, Mike & Mary Prado, and Gene & Mary Knisley did a very professional job on the round dance program, and we thank them also.

Attendance at the dance included representatives from over 55 clubs. We gratefully welcomed guests from near and far - including busloads from Lima, Grand Island, and Buffalo, and a couple from Circle 8's (Florida). Country Twirlers and Rochester Roll-a-Ways, who were unable to attend the dance due to previously scheduled dances, forwarded thoughtful contributions collected at their dances.

Although the "traveling" trophy has not changed locations in four years (Yes, Hilton's Boots n' Slippers took it again!!!), the percentages were closer than ever. In second place was Twirl-A-Rounds, and third place went to Cloverleaf Squares. Well, what can we say but congratulations to Boots n' Slippers, and thanks for your support. The Teen Trophy was awarded to Skirts n' Shirts with second place going to Wisk-A-Ways. Door prizes and raffles were scattered throughout the Rochester area and into Pavilion and Buffalo. Congratulations to the winners.

The refreshment table was filled with dozens of homemade specialties donated by many attending the dance. Needless to say, the cookies were delicious and were eaten by hungry square dancers. We would like to express our thanks for the "cookie help" we received.

Finally, we must give a huge THANK YOU to our Chairmen and their Committees for an outstanding job. Your long hours of planning and hard work are sincerely appreciated. We believe both are best acknowledged, however, by the results of the dance.

As to 1972 and the 5th Muscular Dystrophy Benefit Dance, plans are already in the making. A tentative date is April 28, 1972.

We are sure you will all agree that the factor contributing most to the success of any project is PEOPLE; and, there is nothing more exciting and heart-warming than many people working together for a worthwhile cause. As evidenced by the dance on April 30, Square Dancers are among the nicest people in the world. Our deepest and sincerest thanks to all of you.

Sincerely,

Ralph & Barbara Shaw

EDITOR'S  
NOTE:

The time has come for us to say goodbye to the Promenader. For the past two years it has given us a great deal of satisfaction and some small problems. However, the pleasure we have derived from it far outweighed the difficulties.

Our heartfelt thanks to all the people who have helped us during the past two years and to Ruth and Joe Bonjorno our COURAGEOUS REPLACEMENTS. We sincerely hope that their tenure as editors will be as much fun for them as ours was for us.

.....Pat & Lash La Rue

We regret to say that, with this issue, our very efficient co-editors, Lash & Pat LaRue, will have completed their stint with the Promenader. We were very fortunate to have such a congenial and patient couple introduce us into the intricacies of editing the Promenader, and we want them to know how much we appreciated all the time and effort they spent in doing so. Thank you, Pat and Lash. We will try to do justice to your instructions.

TO ALL CLUB REPORTERS

In the future, please send all club news and schedules to Promenader, 487 Hinchey Road, Rochester, N.Y. 14624. All information should be in the hands of the editors by the 15th of the month, beginning with August, 1971. Due to the fact that so many new clubs have become members of the Federation, space is more limited so that we ask you to please limit your articles to two hundred and fifty words (250). Thank you.

Our compliments to Marge Tabor who did such a great job in writing up the Dance-O-Rama - our front page presentation in the May issue.

Also, for single persons who have never danced and would like to give it a try.

At the present time, we are doing mostly workshop to raise our level of dancing, (we graduated 11 dancers on April 26) so any single person who would like to refresh his or her dancing, come join us on Monday nights at the Seneca United Methodist Church, corner Clinton Ave. North and Schoefield Drive in Irondequoit.

## Boots 'n Slippers

Had a great turnout for Don Stewart last Friday and everybody agreed he's not only one of the best callers going, but he's also a darn nice guy as well. Hope he comes back soon.

It just doesn't seem possible that another season of dancing is almost over. However we will be having three extra dances in June this year and are looking forward to seeing everyone there. These June dances will be held in the Jonathan Underwood School.

Dave & Doris Cutter and family are back from a lovely week in Florida. They look so brown and happy.

FLASH!! Boots 'n Slippers to participate in Hilton's Sesquecentennial celebration late in July. Details later.

ATTENTION MARIAN BAUER: It pays to be prepared. Always keep an "extra" in the glove compartment.

CONGRATULATIONS this month go to: Dean and Terry Harris on the engagement of their son Mike; Gordy & Sylvia Copeland on the engagement of their daughter Eileen; Jean & Harley Webster on their 34th wedding anniversary and Jack & Joan Hennekey on their 25th; and it's a BOY for Vince and Linda Supplizio - Our best to all of you.

REFLECTIONS ON THE MUSCULAR DYSTROPHY DANCE: There were so many nice things to remember about this years M. D. dance --

-- like the old-timers and the recent graduates mingling, dancing, getting acquainted - all of them taking their turn at "goofing up the set" and all of them loving every minute of it.

--like the teenagers and the adults dancing together, laughing together, eating together and having a real ball --and not a sign of any "generation gap" in sight.

-- like Mike Callahan, Bruce Shaw, Joe Reilly and Bud Redmond singing their hearts out; and Howie & Dottie DeGrave (along with the Prados, the Tuckers, and the Knisleys) giving their all to the round dancers.

-- like the tempting displays of sandwiches and cookies that seemed miraculously to never run out no matter how many times we went back for more.

-- like the beautiful floral arrangements so tastefully done and donated by our own Bea and Willett Justice;

-- like the program, the cake, all the door prizes and the nice people who donated them.

-- like the voice of one gal we know saying, "We dance a tip and eat a tip".

-- like the Shaws - young and old - those wonderful people who give more and more of themselves every year to bring this dance to us.

-- like Jake Koch, still convalescing from his recent bout with a Heart Attack, and Velma Marron, her leg still in its surgical cast -- neither one able to dance even one tip, but each willing (and eager) to drive the 30 mile round trip from Hilton just to be a part of the M.D. Dance It's because of Jake and Velma and all the others like them, that Boots 'n Slippers won the trophy for the 4th consecutive year, which goes to prove one thing - Boots 'n Slippers is quite a club - not trophy-wise, but HEART-WISE

-- And the nicest thing about the entire evening was the presence of little Scotty Shaw, who is truly a very lucky little boy to belong to such a beautiful family.

The M.D. dance was really a night to remember -- We're already looking forward to next year!

.....Irwin & Helen Davis

## Belles 'n Beaus

With this issue another great square dance season draws to a close. This year's Dance-O-Rama was a very enjoyable event due to the hard work of the committee. Many thanks for a very wonderful day.

For awhile, we thought we'd have to head up this column with the symbol Rx like on a doctor's prescription. In describing some of the mishaps that have occurred recently, one might think of it as a medical report on the "Belles & Beaus". Our first casualty occurred to Dot Heffer who broke a bone in her foot the day before the Dance-O-Rama. This took place at home and bears out the truth about the "majority of accidents happen in the home". The second mishap occurred to Myrtle Moore, one of our directors, who became injured while square dancing on a crowded floor the night Bob Fisk was our guest caller. If Hal Abberger had been there, we're sure he'd have a remark or two concerning "violence in the sets". The third member of the "walking wounded" is Althea Rosenburgh, another director. Again, this accident occurred at home. While attempting to remove an obstruction from a vacuum cleaner with her hand, she inadvertently started the cleaner "with another section of her anatomy". At this writing, that still remains a mystery. A warm "welcome back" is extended to Margaret McLatchie who was recently hospitalized for surgery. Also, it's great to see Chet and Betty Selbert back dancing with us after Betty's long bout with illness.

On May 10th, our class graduated and became members of the club with a fine program organized by our directors, the Moores and Rosenburghs. One of our new graduates, George and Helen Eaton, celebrated a double event. In addition to receiving their diplomas as new Club members, they also celebrated a wedding anniversary. Congratulations to them from all the "Belles & Beaus". Also, on this occasion, diplomas were presented to several couples who started the club in its early days. These people finished their basics before diplomas were awarded. At this time, congratulations go to Fred & Dot Retallick, Phil \* Irene Warner, John & Ruth Gosling, Ed & Doris Haddleton, and Charlie & Catherine Kunz.

Some of our members have just returned from vacations. Dick & Hazel Wilcox celebrated Easter in Portugal. Bob & June Maurinus recently returned from a Florida vacation. Our immediate Past President Ed Haddleton celebrated a birthday a few weeks ago, and, after a year of leading the "singing" for other members' birthdays, finally had people sing "Happy Birthday" to him.

The Waterman's daughter-in-law has recently returned from Pakistan. Their son will join his wife in a few months and they both will be relocated to Ethiopia in a new Foreign Service assignment. It is rumored that the stork will visit the families of several of our members, as well as our caller, Art Harris, making them grandparents; Rosenburghs, Watermans, Hasmans and the HARRISES.

From the attendance of our first Art Harris Workshop following the class graduation, this project is an overwhelming success. We extend our best wishes for a happy and enjoyable summer. Until our next issue in September we'll sign off with the words of our caller Art Harris: "In square dancing you meet the nicest people in the world".

.....Don and Marge Tracy

The HENRIETTA FRIENDSHIP SQUARES are shouldering the responsibility for corralling as much club participation as possible in this year's Square Dance Presentation at the County Fair, August 16 to 21. Since the purpose of the nightly demonstrations is to promote Western Square Dancing in the local area, all the clubs in the Rochester Federation could gain new members for their classes in the Fall. What better incentive for responding generously to a plea from the HENRIETTA FRIENDSHIP SQUARES for volunteers to participate in this Square Dance Presentation. ## Country Twirlers

By the time this goes to press the Country Twirlers' Trail End dinner dance will have come and gone, and another dancing season will have drawn to a close. I know we all agree that this has been a good year and we have all had a great time. Plans are forging ahead for a really bang-up Family Picnic to be held on July 17th. Following the picnic, our next big event will be the Open House dance on September 11th. We hope that all club members will start lining up prospective square dancers through the summer.

Our graduating class of '71 is dancing like a group of real pro's by now, and may we present them to you -- Sam and Jean Brongo, Gary and Jane Chevier, Roland and Janise Chugg, Jim and Cindy Cumming, Rich and Jeanne Doser, Bill and Florence Ellis, Bob and Mary Fraize, Tom and Loretta Kimmerly, Ev and Mary Hadley, Mike and Jessie Kramer, John and Carolyn Langdon, Jet and Gloris McClearey, Tom and Flo McHugh, Brian and Janet Schaeffer, Chuck and Sue Shire, John and Vivian Thiel, Tom and Betty Wachob, Dick and Lee Wentling, and Bob and Barb Williamson. They will all be dancing as much as possible this summer, so if you should encounter any of them, be sure to say "Hi".

Vickie and Joe Fornarola became brand new grandparents on Easter Sunday. Congratulations!

We want to express our appreciation to our Club members and our guests too, for such fine help and cooperation this past season. A big "THANK YOU" to the staff of PROMENADER for a job well done.

Keep dancing this summer and we'll be back in September.

# Cloverleaf Squares

The CLOVERLEAF SQUARES just became members of the Square Dance Federation, and we are proud to be included in this Federation. Thank you, everyone, for making it possible.

Starting in June, our club will be dancing on all Sunday nights except on the first Sunday of every month. We hope to see more dancers come dance with us.

On May 4, we had some couples from Pavalion come dance with us. We enjoyed dancing with them. We hope they come back soon and we also would like to see other dancers, too.

In June, our club has about 10 couples going to the Kingston Square Dance Weekend. From what I have heard, everyone had a ball last year, especially the group from our club. We are all looking forward to this weekend.

On July 3, the first marriage in our club will be taking place. The happy couple is our class caller, Mike Callahan and our member, Wanda Germeroth. There will also be another wedding the end of July. Jean Sharp and Dan Crum are the happy two-some. We are very happy for both couples and we wish them the very best.

Come dance with us!

.....Nancy Wilcox

# EKC-O Squares

EKC-O Squares will be well represented the world over during the months to come - Helen and Chuck Speigal will wander around Norway for three weeks "on their own", Gloria and Frank O'Neil will travel to Martinique, Bernice and John Moylan with Ruth and Ed Hasman will sojourn in Alaska for a month, while yours truly will be kissing the Blarney Stone in old Eire, plus visiting relatives by the score.

On Sunday May 23rd a group of our dancers entertained the guests at the Rochester Friendly Home, Joyce and Don Burnham, Bernice and Charles Crellin, Lina and Marvin Godfrey, Jean and Al Kendrick, Georgine and Ken Parks, Carol and Louis Sirianni, Bill and Martha Scamill (Yours Truly) and the O'Connors, Trosts and Schelkuns. Chuck Prister did the honors of calling and a good time was had by all.

Two of our couples share graduation honors this year. Mimi Winkler Borrelli, will be graduated from Buffalo with Mary and Joe Winkler, and Sue and Pat Borrelli attending the ceremony. Leonard Crellin, son of Bernice and Charles will graduate from R.I.T. Walking down the aisle for another reason will be Sherry Parks, daughter of the Ken Parks who was married May 22nd.

Some interesting facts about our new graduates! We had three brothers and their wives in our new class: Bob and Rosie Korn, Chuch and Jean Korn and Don and Jeannid Korn.

Also Joyce Burnham has two aunts and uncles who graduated. Bob and Lorraine Schicker and Sid and Mary Crosier.

The welcome mat is out to Mary and Ed Fox who have returned to the square dance fold after several years absence.

Congratulations are in order to Bernice and Sandy Smith who recently adopted a darling baby boy - Douglas.

July 19th we are invited as guests of the Swinging Singles at the Raymond Memorial Baptist Church in Fairport. Let's make a good showing!

One of our former presidents has retired and in case anyone is going to Florida and would like to drop in on Helen and Owen Whitehead here is their address - 159 E. 29th Court, Riviera Beach, Won't they be surprised!

Have a happy summer and keep on dancing.

# Fiddle A Rounds

Howie and Dot DeGrave, Marv and Kay Falls, and Jack and Agnes Low spent the weekend of May 15th at a round and square dance festival at Hamilton, Ontario, where talented Howie, cueing part of the round dance program, worked his way into the "hearts" and "soles" of all present.

During the summer, the FAR's take to the road. There are no walls to our dance hall. You may see us dancing next to a swimming pool or perhaps even in a driveway. Hospitable George and Lorene Phillips have invited the club to their summer place at Canandaigua in July, so "could be", we'll be doing some very realistic "sand steps" by the lake.

As of this writing, (can't keep her down), Margaret Brown is rapidly recovering from an operation. Those dancing feet want to get moving, "Right, Margaret?"

George and Audrey Mura have been dancing with us lately. It's a pleasure to have them.

The high point of the summer for Ray and me will be reached July 3rd when the (square?) wedding knot will be tied for our son, Mike, and his beloved Wanda.

Charlie and Ferkie Tucker hosted an indoor-outdoor picnic and dance for the club on May 29th. We all stuffed ourselves with food, fun and foolishness.

Ralph and Georgia Guenther will probably spend their summer out on the "briny" in their trusty sailboat. Sails aloft, matey!

Have a happy summer, everyone!

## Genesee Dancers

George and Una Shaw have done it again. The Muscular Dystrophy Dance was a huge success. Everybody had a wonderful time and it was so good to see the young people out dancing with the older folks. In square-dancing there is no generation gap.....

The tureen dinner headed by Jean and Neal Maxon was a smash hit. The Maxons and their committee did a wonderful job. The workers included the Desmonds, Bays, Steinmillers, Fitches, Metzgers, and we helped a little. It was fun and if anyone went away hungry, it's their own fault, as there was so much to eat. The desserts were out of this world. All in all, everybody had a good time and Art Harris came in and called an excellent dance for us. We were so full, we could hardly wiggle, but by the end of the evening we felt better.

We now have two banners, other than our own. Fifteen couples journeyed to Syracuse, on that terrible Saturday in May, to visit with Jim Dunbars club. We had a wonderful time and came home with their banner. We also have Don Duffins banner from Buffalo. How about that???????

We put on another demonstration dance at the Aberdeen Nursing Home for the good folks who reside there. These people are so appreciative. It makes one feel good just to go and do something like this once in a while. This is the second time we have been there and they want us to come back again. The Bournes, Bennetts, Bonjornos.

Desmonds (son Dave filled in for Fran, who was sick) Ehmanns, Perkins, Ranscos, and we did the dancing while the people tapped their feet and had an enjoyable time. Jim Dunbar has given of his time so often for these demonstrations. We thank you so much.

Don't forget, we are having summer dancing in East Rochester on June 15, July 13, and August 10 and 24th. These will be held at the St. Nicholas Hall on Madison Avenue. There is plenty of parking and the hall is air conditioned...So, come one come all and dance to Don Duffin, and have fun with us.

..... Eileen and Vic Enter

## Irondequoit Sqs.

The Muscular Dystrophy Dance was another success, and we're proud that 71% of our Club attended. We had a great time and the people that organized the dance did a fantastic job.

Our Trail End Dance is May 22nd at Pittsford Tavern on the Mall at 6:30 and is open to guests. Come and have an evening of fun with us.

Our Club will soon be busy preparing a float for the Irondequoit parade on May 31st. We will have dances on the float and marching. This endeavor should give some good publicity for square dancing.

On Friday, June 4th, we will be having an Open House at Hosea Rogers. This is in addition to our September Open House.

A big "thank you" to Mary & Bob Speer, our outgoing Federation delegates. They will be replaced by Jon and Priscilla Anderson who will continue with Dick & Mary Lou Boss.

Happy Birthday to our members having birthdays this month: Vi Walther, Dick Boss, Marge Clarke, and Ev Gillis.

Another year and Happy Anniversary to Ted and Ruth Phillips.

.....Jim & Mary Alice Brook

## Geneva Friendship Sqs.

Jim and Mary Ellen Waters are leaving us. Jim and Mary Ellen have been members of Geneva Friendship Squares since it was organized in 1965. They have been officers in the club; enthusiastic dancers; and have taught many of us to round dance. Jim has been transferred to another area by his employers, (Agway). They will be stationed somewhere in the Chambersburg, Penna. area, and Chambersburg is not so far away, but that we can expect them to visit us once in awhile, and perhaps we can visit them. Good luck to both of you.

16 couples of Geneva Friendship Squares attended the best Dance-O-Rama yet, and are looking forward to dancing on those splendid hardwood floors again in 1972.

Art and Lucy Mastellar and children are leaving the end of June to camp and square dance their way across the United States to California. Sounds wonderful, and we will see them in September.

The month of May found several couples traveling to Fulton, to dance to Vaughn Parrish, Auburn to Doug Schultz Penn Yan to Bill Dann, Watkins Glen to Bruce Johnson, and Fine City to Don Pratt. It's been a busy year, and everyone is looking forward to our regular schedule of summer dances at the Pavilion at Seneca Lake State Park. We dance twice a month in June, July, and August. We welcome you to come and dance with us. We wish everyone an enjoyable summer of vacationing, square dancing, and camping.

We are pleased to present our new officers for the coming year, May 1, 1971 to April 30, 1972!

## Henrietta Friendship Sqs.

The slate of officers elected in January will take office after the trail end dance to be held in Geneva. Since their election, Presidents Ned & Barb Hasbrouck; Vice-Presidents Bill & Louise Windhauser; Secretaries Bruce & Jane Howland and the Treasurers Ralph & Virginia Darrow, have held numerous meetings to plan for next Fall's dance season.

"Greater Participation Through Promotion", is the clubs motto for the 1971-72 dance year, and in line with that motto, various promotional programs are planned.

As a starter, special arrangements have been made to hold two Open Air dances this summer in Henrietta. Dubbed the "Square Dancing Under the Stars" series, these summer dances will be held in Plaza parking lots. The first of the series will be held Saturday night, June 26th, at Henrietta Plaza which is located at the intersection of E. Henrietta and Jefferson Roads. Caller for the June dance will be Bill Wilcox, and the festivities will be from 8:00 to 11:00 p.m.

The best part about these summer dances is that they are FREE to all square dancers.

Mike Callahan will call for the second dance this summer to be held on Saturday, July 24th at Suburban Plaza, 10-

cated right on E. Henrietta road just south of Jefferson Road. Again, dancing will be from 8:00 to 11:00 p.m.

Callers for the "Square Dancing Under the Stars" series are donating their services in the interest of promoting square dancing in this area. Sometime during the evening at each of the summer dances a Hat will be passed and whatever is collected will be turned over to the caller of the evening.

Purpose of holding the Open Air dances is to build up more interest in Square Dancing. A good turnout at these affairs will, of course, put before the general public a demonstration of the hobby we all enjoy. Officers of the Henrietta Friendship Squares feel that these dances will not only benefit their club but all clubs in the Rochester Federation area.

As a final note to all club officials, the Henrietta Friendship Squares now have a permanent mailing address listed below:

HENRIETTA FRIENDSHIP SQUARES  
P. O. Box 153  
Henrietta, New York, 14467

All correspondence for the club should be sent to the above address. The reason for acquiring the post office box was to provide some measure of continuity for club mail. For telephone contact with the club presidents, call 334-8153.

.....Ned & Barb Hasbrouck

## Lima Grand Sqs.

Well, here we are coasting right into summer, with all it's fun ----- camping, hiking, traveling and just being lazy laying in the sun.

But what a lot of pleasant memories of the season just past - guests from neighboring clubs and all our special nites. Those who attended Dance - O - Rama, reported a wonderful time as usual. Those of us, who took the bus trip to join hundreds of others for the Muscular Dystrophy dance at Gates Chili School, were thrilled with the friendliness, the beautiful decorations and most of all, the two boys, who inspired each of us, to work harder for "The Cause". It was the first time Lima Grand Squares, took an active part in the dance and we are sure it won't be the last. No one ever realized what they were missing by sending a donation, without being personally involved. Our many thanks to those, who worked so hard to make it such a success.

Our May Pole dance was fun as usual. The Coykendalls, the Hulberts, the Knox and the Gerkens, certainly make the hall a Spring time garden. Our thanks to them.

We had guests from Wellsville and Vero Beach, Florida to join with us for the evening and three, who were unable to graduate with the class in January, did so, this nite and are now ready to "Meet the World". They are Alys & Seircs Abel and Clayton Raiti, also the 1971 class presented Don and Liz Stumbo with "an unusual gift for their camper and a \$20.00 bill. Liz was unable to be with us as she was baby - sitting for their son and Daughter - in - Law, who just had a new baby girl. It seems Don and Liz do not have luck in welcoming a grandson, only granddaughters and it adds up to 5 now, congratulations!

Our "Open House" dance welcomed many who are interested in Western Square dancing and we hope many will join our class in September.

We say "farewell" until we welcome you back in September. However some will be traveling "far and near" to keep in shape dancing and no doubt there will be "get togethers" for picnics during the summer.

Until we meet again "Happy Dancing".

..... Everett & Florence Kingsley

## Rochester Rollaways

Bob and Doris Decker were elected Chairman of the Board and John and Betty Johnson as Vice Chairman.

The Bakers, Betlems, Bonhams, Deckers, Eagles, Fohls, Frantzs, Sixts, Smiths, Wilcoxes and Woodhams will be attending the National Challenge Convention in Niagara Falls the weekend of June 11.

A welcome is extended to Fred and Eleanor Hudson and Bob and Barbara Vreeland as members.

We will wind up our dancing season with our Trail End dinner-dance to be held at the Three Acres Party House on June 18.

## Swingin' Eights

It is not easy to start this month on such a sad note, especially since telling you about the Licciardis in the last issue, but I know each one of us extends our deepest sympathy to Betty Licciardi on the loss of Louis who suffered a heart attack on Friday April 30. According to Betty, Louis enjoyed life right to the end, doing what he enjoyed most. He will certainly be missed by all of us.

And now our thanks are in order to the La Rues, our Federation Representatives who will be retiring. Replacing them, we have Helen and Mike Tiss. The La Rues have represented us for two years and also have done a commendable job as both Assistant Editors and now Editors of the Promenador. We all appreciate your efforts. THANK YOU Pat and Lash La Rue.

By the time you read this our Trail End Dance will be but a pleasant memory so lets give a vote of thanks to Jack and Betty Wilson and Iva and Gordon Allen for taking care of all the arrangements. Merci Beaucoup - All of you.

Don't forget there will be dancing at Hosea Rogers School during the month of June. On June 5, with caller Myron Huss and on June 19 with Tom Trainor. Remember too that the Federation is sponsoring Summer Dance Workshops on Tuesday nights from May 25 to July 27 at the Brick Presbyterian Church featuring local callers.

The next time you meet Kay and Bob Clark greet them with "Trancendental Meditation" and they will be glad to explain that their daughter Ellen is an Initiator after studying in Spain. The Clarks are visiting Ellen on a Navajo Indian Reservation in Kaibeto, Arizona. They also hope to do some square dancing in the Arizona and Colorado areas so we will be all ears to hear about it.

Here's wishing you all a summer of fun and relaxation, and should there be anything you would like to share with us in the fall, don't hesitate to give us a call.

..... Carl and Ruth Trabert

## Swinging BB

Hi there partners!

May 1st was graduation nite for our class of '71. Wearing blue and white mortar boards, the Gintners, Breaches, Jinks Smiths, DeMallies and Dufords were presented diplomas by our caller Bob Brunshidle.

Also represented were the Merry Mixers, Whiskaways, Country Twirlers, and the Windon Whirlers, making it an outstanding affair.

Our Trail End Dinner, of May 22nd was held at United Church of Christ on Manitau Rd., roast beef, and a gourmets del-delight

Lane McCord was very surprised when the group dropped in on June 5th, to celebrate his birthday. It was a "Carry in Supper", with square dancing on the driveway. It was great fun!

July 9 & 10, the Swinging B's will give a demonstration at Spencerport Town Plaza.

Our club will visit the Brunshidles in camp on July 22nd.

See you in Sept. ----- Partners.

..... Hilda McCord

## Swinging Singles

At our first dance in May most of our members had their first experience trying a Maypole Dance. Being experienced at this, Betsy Cox arganized the event and made a very gay and springlike Maypole. On the 8th we had a dinner and dance at Crescent Beach, which was very festive and enjoyable. We enjoyed so much having the Genesee Dancers as our guests on the 10th. On May 17th, we graduated four new members into our club. They are Murray Kellogg, Lorraine Russell, Guy Manley, and Wolf Kinne. We're very proud of them. The 24th, being our last dance of the month, was our Memorial Day party.

June will bring our election of new officers at our dance on the 7th. Also, we would like to invite everyone to our Spring OPEN HOUSE on the 14th. This will be held in the Congregational Church in Fairport. The following two dances, on the 21st and 28th, will be open to experience d and inexperienced people. We are very pleased to have Don Stumbo as Guest caller on the 28th. As extracurricular activities we will be bowling on the evening of the 19th, and we will be giving a public demonstration at the Country Club Plaza on the 10th.

Starting in July, we will open a class for beginning dancers. We will be dancing all summer on Mondays at 8:00 P. M. in the Raymond Memorial Baptist Church in Fairport. The classes will meet at the same time. We're hoping to see many old and new faces. Why don't you come "swing" with us too?

..... Trudi Mattle

Hear ye, hear ye, square dancers, one and all! Though NATIONAL SQUARE DANCE WEEK is not until September 20-26, it is not too early to be thinking of ways for our clubs to celebrate the fact.

## Triggers

Summer has finally decided to make its appearance, but that doesn't mean it's time to hang up those dancing shoes Myron and Peg will be at Bethany Church Hall waiting for you on June 24, July 8 & 22, and Aug. 12 & 26. Come on down so you don't get rusty.

Thank you for making the Muscular Dystrophy Dance a great success.

May 1, Myron Huss was the guest caller of the Copy Cats.

We were guests of the Henrietta Friendship Squares May 8th

We had a Good Bye, Good Luck party for Grace and Bob Blum, May 4th. They are moving to the Carolinas. It wasn't that we were being fancy with all those lamps and other various lights with extension cords all over the place, it was just the fact that there wasn't any electricity in the room. But it did make for an intimate atmosphere.

Morris Sanow had a heart attack and has been in the hospital for several weeks. We hope he will be on the mend soon.

Congratulations to Darlene and Earl Hodson on their twelfth wedding anniversary, and a happy birthday to Stefan Tschokasck.

By the time you read this we will have had our Spring Fling Dance and as usual a good time (I'm sure) was had by all.

On June 13 we've been invited to the German Club Picnic in Lima for a demonstration square dance with Myron doing the calling. All those who attended last year will tell you what a good time they had. So don't forget the date.

Have a happy and safe summer. ...John and Paulette Bo

## Web Spinners

About 50% of our club attended the Muscular Dystrophy Dance at Gates Chili High School on April 30th. This was the first outing for our new graduates other than the Dance-O-Rama, and everyone helped make this dance a huge success.

We were delighted to have guests from both the Echo Squares and the Swinging Eights at our May 7th dance.

Two of the couples in our dance Club were very busy just before May 1st, when the daughter of John and Shirley Grayco became the bride of the son of Roman and June Wilbert. We would like to express our congratulations to this young couple and certainly expect to see them in the near future as members of one of our classes.

Our President, Jim Fordham, advised us that the "Callers Coop" on April 25th was an inspiration. Jack May, a national caller, instructed the area callers in the afternoon and then called for a dance in the evening, to which many of the officers of the local clubs were invited.

Don't forget to get your reservations in for the July 10th picnic at Webster Park, as well as the following campout weekends:

Memorial weekend at Bonnie Brae  
July 4th weekend at Hidden Valley  
August 7th at Bonnie Brae

30 couples wound-up the year of fun dancing at the Trail-End dance which was held at the Walworth Fire Hall on May 21st.

Be sure to keep your June issue of the Promenader on hand for reference this summer as this will be the last issue until Sept.

.....Ron & Evie Sutorius

## Twirl A Rounds

Seems like the weather has finally taken a turn for the better and folks are getting ready for the good weather. What a joy it is to see Spring flowers and the trees and grass turning green again.

This is organization time for our camping families. Trailers to be licensed, and all that stuff you put away in the Fall has to be found and checked out before you are ready to roll. Memorial Day weekend normally starts off the local camping scene and the Coopenbergs, Lauers, Codys Copes, and Kirvans are all heading for Holiday Hill. We will be missing the rush and bustle this year, but are looking forward to going up to our place on Point Peninsula. If any of you are up that way we will be delighted to see you.

We really ended the month of April with a bang. The Muscular Dystrophy Dance was a great success. Don't know how the Shaws and their helpers do it. Such organization! The refreshments, decorations, and above all the spirit of friendliness and fellowship make this evening something to remember. We almost made the trophy again this year. 77% of our club were in attendance. Maybe next year? We are told that the evening netted \$2,000.00 for Muscular Dystrophy which is very gratifying for those who worked so hard.

Dot and Howie introduced a new dance which they wrote Especially for the Muscular Dystrophy Dance. The name they have given it is "Our Dance" and it is a rhythm two-step to the music of "Our Song" or "La Paloma". This is a real smooth number and we all hope that it will be a success.

The DeGraves, Taylors, and Copelands went up to Lou Sudemeyer's Spring Party at the Treadway Inn in Niagara Falls and tell us they had a ball.

We wish to extend a welcome to new members Audray and Dick Webber. Sorry they have been unable to dance with us due to Audray having tendionitis. Hope it will soon be better, and we can give them a welcome in person.

May and June seem to be the popular months for dancing weekends. The Falls, Copes, Lowes, and DeGraves are going up to the International Square Dance Convention in Hamilton, Ontario, and we have twelve couples going up to Joe Reilley's Kingston Kapers—Coopenbergs, Taylors, Finks Thomases, Lowes, Kirvans, DeGraves, Falls Codys, Muras, Deisingers, and the writers. This looks like being Home away from Home, and we are sure that we are all going to have a wonderful time.

Have just heard that Evie Thomas is in St. Mary's Hospital, hope that you will be well soon Evie, we have missed you.

See you a ROUND.
