## Area Mourns Loss of Two Prominent Square Dancers

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

### ROBERT BOURNE

The death of Genesee Dancers' own Bob Bourne on Nov. 8 was an unexpected and immeasurable loss to all square dancers in the Rochester area. Bob's warmth, friendliness and love for people had brought many couples into the square dance movement and helped to keep them there. It was always a joy to find yourself in a set with him; somehow, Bob had a way of making you feel extra welcome; a handshake for the men, an extra swing for the taws. You knew he'd been waiting all evening just to dance with you. He seemed to have an unlimited quantity of vitality and enthusiasm which made dancing with him downright good fun.

As Genesee Dancers' president in 1967, Bob and Bernice always welcomed each couple at the door, and thanked each one for coming, at the end of the dance. It was his and Bernice's way of saying that each individual is important to the club as well as expressing their personal interest in each one.

Just last year, he had led the Rochester Federation, as president, to a most successful year and had spearheaded Federation-sponsored summer dances, which especially helped the newer dancers, but also made us all aware of the richness and variety of local caller talent. In spite of being unable to dance himself since last May, he attended each summer dance and as Dance-O-Rama Chairman, was continuing to work tirelessly for the dancers' pleasure.

We will all miss Bob and extend our heartfelt sympathy to his family.

### HELEN PRINCIPE

Helen (Mrs. Edmund) Principe expired Wednesday, Nov. 3, 1971, in St. Ann's Home following a long illness.

Surviving are her daughter, Mrs. Matthew (Mary Kay) Oris and two grandchildren, Cheryl and Deborah, who are now living in Pensacola, Florida.

Helen and her husband, Ed, who died on June 20, 1969, started their square dancing career with the Genesee Dancers back in 1957. In 1961, being exceptionally enthusiastic about the round dance phase, they accepted the challenge to teach and cue rounds for the Genesees. They continued in this capacity until Ed's sickness in 1968.

The Principes were members of the original group that founded the Fiddle A Rounds and Rochester Rollaways. They served on their Boards as well as assuming the presidency of the Fiddle A Rounds in 1966. Dance-O-Rama time always found Helen and Ed active committee members, especially, in the round dance program. Truly, a dedicated couple.

After Ed's death, Helen continued her interest in the squares and rounds, attending the club's weekly dances until she became physically incapacitated.

Helen's religious philosophy was real and positive. It sustained her during Ed's illness and untimely death as well as the numerous operations connected with her incurable disease.

It is with great sorrow that we extend our deepest sympathy to the family of a most courageous woman.

EDITOR'S

We extend a warm welcome to the WYCO PROMENADERS, the 21st club to join the Rochester Federation.

NOTE:

Please send your news copy for the February issue of the Promenader by January 15th - to Joe & Ruth Bonjorno-487 Hinchey Rd. Roch., N.Y. 14624. New subscriptions and renewals are sent to Dick & Betty Weber, 43 Wilelen Rd., Roch., N.Y. 14624. Thank you.

Thank You!

We, the members of the Rochester Callers Cooperative, wish at this time to thank all those who helped make our First Fall Fun Fest the success that it was. We realize that six weeks is a short time to put something of this size together and to let everyone know what is happening. Many of you helped us by spreading the word and taking the flyers wherever you went. This was an obvious fact, in that dancers came from Oswego in the North to Ithaca in the South and from Buffalo in the West. We wish to thank the Round Dance Leaders for their assistance in the program, helping it to flow. We wish to thank the Callers' wives for their time spent at the welcome and hospitality desk. We thank the callers, who gave of their time and efforts to insure that you, the dancer, would enjoy yourself. I suppose that we should thank the weather for being nice enough to hold off until after the dance was over. The list is endless. So many fine people helped us to make this event so successful. Most of all, we want to thank you, Mr. and Mrs. Square Dancer of Rochester for your support and contribution of \$591.00 to the New York Legal Defense Fund. Without you, this event could have never happened.

We hope that this may become an annual tradition in the area, and that again next November, we will share another day, and many more hours, for a worthy cause and having fun doing it. Again, thank you all so very much.

Sincerely, for the Callers Co-op  
Tom Trainor, Program Chairman

To: Promenader  
From: Callers' Co-op of Rochester  
Subject: Emergency Caller Referral Service

Rochester area clubs are invited to avail themselves of this service by calling 352-5564 or 266-7375. Should a guest caller, club caller or class instructor be unable to appear because of sickness, weather conditions or lapse of memory, a quick call would result in the following: a listing of callers immediately available, with background, history, location and phone number. You can take it from there with your own additional knowledge of their capabilities to fit your situation.

Our aim is to be of service to the square dance community. No need to cancel a dance or class.

PRESIDENT'S CORNER

On Nov. 8th, the square dance world lost a great man, Bob Bourne. Maybe you remember him as the president of the Genesee Dancers, or maybe at the Federation summer dances. No matter where it was, he left a smile and a lot of friendship. We are all going to miss him. It was a pleasure to know Bob Bourne.

Phil Maine, President  
Rochester Federation

LETTER TO THE EDITOR:      90 Rowland Parkway  
Rochester, New York 14610  
November 11, 1971

Dear Editor,  
Recently, Rochester area square dancing suffered one of it's greatest losses, in the sudden passing of Bob Bourne. Bob was a past president of Genesee Dancers, and also past president of The Rochester Federation. This, in itself, indicates the interest and dedication Bob had for square dancing. He worked tirelessly to bring about more and better square dancing for everyone in Rochester. One of the finest qualities about Bob was the personal interest he took in everyone, from the newly indoctrinated class member to the most advanced level dancer. Bob was a friend to all. He will be greatly missed by all square dancers.

It was one of Bob's greatest hopes that his sixteen-year-old son, Gary, become a caller. Several months ago, he helped Gary buy a used player, mike, and records to help him get started. He was a constant source of encouragement as Gary started to learn how to call. Gary now teaches a class of seven to twelve-year-olds each week.

It would seem appropriate that a Bob Bourne Memorial Fund be established so that his son might attend caller's school this coming summer. This would be the greatest tribute that we could pay to Bob for all he gave of himself to make our square dancing more enjoyable.

Those who might wish to contribute may send their contributions to the "Bob Bourne Memorial Fund" in care of the undersigned at the address above.

Very truly yours,  
Richard C. Casper,  
Pres. Genesee Dancers

The HENRIETTA FRIENDSHIP SQUARES wish to announce that they now have a Post Office Box for the convenience of anyone who wishes to correspond with them. Any type of communication with the Club should be addressed to: HENRIETTA FRIENDSHIP SQUARES, P.O.Box 153, Henrietta, N.Y. 14467.

# Dance Level Comments

Dear Editors:

We are pleased to accept your invitation to make comments on the "Letter to the Editor" published on the front page of last month's issue of the "Promenader".

We are very impressed by the ratings given to various Clubs in this letter, and marvel at the assurance of the person who considers herself qualified to give such ratings.

What has happened to square dancers? For years we have had the reputation of being the "Friendliest People in the World". "Square Dancing is Fun" has been our slogan. By all means let us rate the clubs, but let us rate them on friendship. To the Rochester dancer, and the stranger in our city, a friendly smile and a hand reached out in fellowship is more important than the so-called level of the club. Of course, we would have a little problem in rating two of the area clubs, due to the fact that participation is by invitation only.

With regard to the Dance-O-Rama, traditionally this dance is held to welcome our new graduates to square dancing. The excuse for non-attendance of this dance, as heard by the Lilac Square Chairman, is seldom heard by the lower level club members. They know that our graduates are the life blood of square dancing, and that it is essential that we give them all the encouragement we can--even to dancing with them. However, we can understand this feeling showing up in the "Advance, Class E and F" clubs. They have no graduates. Like the cuckoo, they wait till another club has hatched the egg and nurtured the chicken before they extend their hand in fellowship.

If space permits, we should give these Advanced Level dancers a room of their own at the Dance-O-Rama. Members of their clubs could be posted to ensure that only dancers of the required level would be admitted, and this would enable the Lower Level clubs to dance in the friendship and harmony expected of square dancers.

In closing, we would like to remind you that another annual dance is held in Rochester, with great success, which has no listing of levels. The level of dancing is left to the discretion of the caller who, after all, is the person most qualified to judge the level of the dancers on the floor.

Please, let all of us try to bring the spirit of harmony and friendship back to square dancing.

Jim and Anne Gentles

Ed's Note: The above letter was signed by sixty couples.

Dear Editors:

I have read with interest the letter to the Editor that the level of dancing be indicated so that people may seek the level of dancing they desire. "Each couple should have information available to them enabling them to find a place to dance at a level where they are comfortable and happy." Sounds fine, but if D, E, and F are closed dances, by invitation only, how are people going to be able to dance at them unless they are invited?

The question of someone being snubbed because they drop out of one club to join another of higher level raises a point of who is snubbing whom. When one dances with a couple who gets unhappy because someone breaks the set down on a complicated tip, it would seem to me that they should take a long look at their motivation for dancing at all.

There are always going to be some people who are better dancers than others, just as there are better golfers, baseball players, etc. because they possess more natural ability or perhaps desire. To the best of my knowledge all clubs who are members of the Federation run classes every year to bring new people into the fun of square dancing. This is done through the services of local callers who receive rather modest remunerations for their time and effort. In addition, members of these clubs

Level, Level, Level, now where have I heard that word before? Oh yeah! last month's Promenader. Nobody asked me but I have my own opinion on level. I really don't care much for this A group, B group, C group, etc. I can just hear one of the teen twirlers say, "My father is in a B group, does this make me a son of a B? I should say not!"

Now with my classifications, we won't have that problem. Mine are more realistic. For instance: Stilt Level - Dancers on stilts. This has got to be a very high level. Underground Level: Dancers gone underground. Definitely the lowest level. Split Level: That's where my wife dances the equivalent of C level and I dance below Sea level. Split Level #2: This is where Paw is 7' 3" and Taw is 3' 7". Front Level: These dancers want the Caller to see how well they dance. Middle of Hall Level: These dancers want the Caller to see them but not too clearly. Back of Hall Level: These dancers want to be near the exit in case something goes wrong. Holiday Level: These dancers only dance on holidays and to National Callers. And, last but not least - Off Level: DANCING FOR FUN! Hard to beat this level.

Now I would like to write a few words about closed clubs. It was right after I started dancing that the first closed club was formed. This was just about the time that other dancers started paying me 50¢ to stay out of their sets. There are now three closed clubs. I think it's just a sneaky way to stop a man from making a decent living. Boooooooooooooo!!

I'll tell you what else I think. I think, behind those closed doors they are dancing below street level and may even dance to a singing call. It has been rumored that one club is dancing to a tape by Dean Martin. Who's to know? I wouldn't have a doubt, that some nights they even play Bingo.

Thanks anyway,  
Hal Abberger

Confucious say: "Dancers who dance on side of hill, not on level.

Announcement: Because of the "Freeze", there will be no increase in my 50¢ charge for staying out of your set.

work with the classes, finding new members and encouraging these folks to stay with it in spite of the fact that they sometimes get discouraged.

I fail to see why the Federation should encourage proselyting from its membership clubs. If the "by invitation only" clubs wish to remain that way, fine, but why not run their own classes from scratch; why raid a select few from clubs who struggle, not only financially, but work hard and enthusiastically in an effort to bring new people to the fun of square dancing. As far as Dance-O-Rama is concerned, fine, let there be Hot Hash advanced workshops, etc.

Co-Membership Chairmen of  
Irondequoit Squares Class

Dear Editor:

This is our personal opinion for the rating of square dance clubs: It would promote further cliques and snobbery. Let the dancer find on his own dance time who are the different levels of clubs. Please don't classify dance clubs. Some are dance-dance clubs and some are fun-dance clubs.

Perhaps you can classify the Dance-O-Rama levels but leave the clubs alone.

## Batavia Twirlers

A good time was had by all at the Halloween Party on October 16th. Many dressed up in costume and prizes were given.

We have a mystery ride coming up the 26th of November. Don't forget our Pot Luck Supper and Christmas Party, December 18th.

We would like to see more couples out to help our new class this year.

On December 4th, we have a live band coming to our Club. Hope everyone will turn out for this dance.

Let's not forget to pay our dues.

. . . . . Butt and Ruth Curts

## Belles 'n Beaus

An assortment of events have happened to members of our club this past month. First of all, "Taps" were sounded for our good friend, Dick Wilcox. The sincere sympathy of the entire organization is extended to his wife, Hazel and her family. Dick will be greatly missed by everyone. The amount of time he spent as both a member and former officer will leave a void that will be difficult to fill.

Secondly, Larry and Dot Heffer are back dancing with us. This is good news because Dot has not been able to dance since last year and we're glad she has made a sufficient recovery. Also, a few weeks ago, we were paid a visit by Bernie and Juanita Berninger. Bernie has been "under the weather" since the summer recess and they hope to be back dancing after the 1st of the year. Let's all hope so. Ida Herron is convalescing at home after a stay in the hospital. Best wishes for a rapid recovery.

Ed and Doris Haddleton are vacationing in Florida as of this writing. Have fun, folks! Some people have "all the luck". On Thursday, November 4th, Ray and Jane Ross and Don and Trudy Smith travelled to Dayton, Ohio to visit some friends who formerly lived in this area. They travelled 475 miles to attend a clam bake, and, since Dayton is in a land-locked area, they had to bring their own clams. Boy, what some people won't do when they are able to take advantage of a long week-end.

Most of us attempt to keep our feet on the ground, but Ora Werner has different ideas. She is taking flying lessons. God bless you, Ora, and when you are traveling in the "wild blue yonder", we'll be thinking of you from terra-firma.

On that note, we'll bring this article to a close. Have a happy, holiday season.

. . . . . Don and Marg Tracy

## Boots 'n Slippers

Can hardly believe it, but this is our last bit of reporting for the Promenader. This year has gone by so fast and we've really enjoyed getting out the news and gossip for the club. Don't know who our replacements will be as yet, but - you out there - whoever you are - when you're asked to be reporters, don't hesitate for a minute - it's such an interesting job - doesn't take much time and it's really quite rewarding. So, when you are approached, just stand up straight, look them straight in the eye, and say "We'd love to". You won't regret it ever!

Our sympathies to Ray Paine on the death of his father.

And Ella Reger underwent surgery in October but is doing fine now.

Plans are under way for our Christmas Party on December 17 and for our New Year's Eve Party on New Year's Eve (that's on December 31st in case we've got any dum-dums out there). Hope everyone plans on attending these two big events - they're both the highlights of the season. And we always look forward to meeting and dancing with the class on these two occasions.

Heard a mighty strange rumor about some mighty strange goings on down around Albany a few weeks ago. Was Al Taylor really running around the dance floor with a diaper on? No, can't be true - Al wouldn't do anything like that, would he? Or would he?

Our officers presented a great new slate at Nominations. Voting will be in December and as there were no nominations from the floor, I guess I'm safe in giving the names of the new-officers-to-be; president, Doc & Jackie MacCaffery; vice-president, Bill & Nancy Lissow; sec'y, Jack & Joan Hennecky; treasurer, Art & Shirley Holcomb.

From now on, Mike Callahan will be having a workshop on Fridays from 8:30 until 9:00. I think everyone is looking forward to this and the benefits they'll gain from such a workshop.

Before we sign off we want to thank everyone for being so good about getting the news to us - it really helped. And to our successors, good luck and God Bless.

. . . . . Irwin & Helen Davis

## Country Twirlers

With the advent of autumn and the accumulation of fallen leaves, we find ourselves hard-put to squeeze in a little square dancing after a weekend of raking. Tired as we may feel, however, the lilting music of that first tip really puts new life into us and fatigue is quickly forgotten.

November 12th brought Gurley Custer to our Club for an evening of great dancing. In addition to the Country Twirlers present, we welcomed 44 guest couples. We really had a packed house, and everyone seemed to be having a great time.

Bernie and Eleanor Balsam have returned home from a most enjoyable trip to Wyoming. Welcome back, kids!

Bob and Norma Remington are proud as peacocks these days. They have a new grandson - a real doll. Congratulations!

Country Twirlers wish to extend a most cordial welcome to three new members - Don and Mary Waterman, Jack and Jean Fisher and John and Margaret O'Hara. We are most happy to have you join our Club and we hope you will enjoy dancing with us.

We are looking forward to December dancing - not December weather. December 11th is election of new officers and December 18th is our Christmas dinner dance. Remember, dinner by reservation and the dance is open at 8:30 p.m.

Happy Thanksgiving to all.

. . . . . Marty and Jean Cumming

# EKC-O Squares

Didn't our presidents, Al & Jean Kendrick look wonderful when they returned from two weeks in Hawaii early in November? How about that tan and that rested and relaxed countenance? They reported that the trip was great but how come Al doesn't say much about the Catamaran Sailing?

About 20 of our couples were at Guilderland, N.Y. over the Oct. 30th weekend. This was one of Ken Anderson's weekends and those who attended had the pleasure of dancing to live music part of the time.

We had Irondequoit Squares and Swinging Eights as our guests on Oct. 13th. Thanks to Country Twirlers for having us as their guests on Nov. 19th. We are looking forward to being guests at Irondequoit Squares on January 8th.

Our guest callers have really given us so much dancing pleasure - Bob Yerrington on Oct. 20th, Jerry Haag on Nov. 3rd and Jerry Helt on Nov. 17th.

So glad that Teresa LaBorie decided to return to us from Europe. She spent two weeks there with her daughter recently.

Would you believe that young looking Jim Sander will be retiring soon! Also Ed Fox, who was the second president of EKC-O SQUARES, will be retiring and then spending some time in Florida. Maybe he and Marge will see Ed and Edie Snow who are in Florida for the winter. Juanita and Bernie Berninger will leave Nov. 20th for three weeks in Florida.

Two of our members have lost parents thru death. Gloria Betlem's father and Robert Berner's mother passed away recently. We extend our sympathy to them and their families. Also, Bob Bourne's untimely death has saddened many of us. Altho Bob was not a member of our club, he and Bernice were known by square dancers from many clubs.

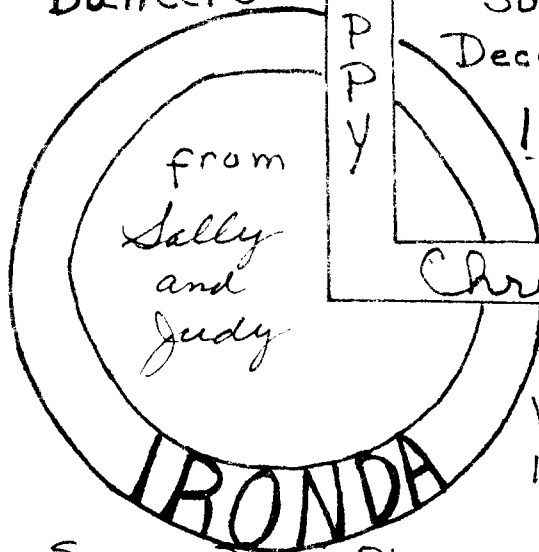

We have heard that Bernice Crellin will be spending some time in the hospital again. Let's send a card to her at home.

Chuck and Gerry Prister really gave their "ALL" in the preparations for the Fall Funfest held on Nov. 14th. This included working on posters and many other chores which are so necessary for any event to be successful. Thank you, Chuck and Gerry!

The holidays are really creeping up upon us and we haven't started our Christmas shopping yet. So, we will close with this wish - Happy Holidays and happy dancing to all!

Dorothy Riesenberger, Jim Gentles & Jim Bushnell (with us in our thoughts) for December.

Night of Love, our November endeavor, is a tango and most enjoyable.

Many FIDDLE-A-ROUNDS will be on their way to Niagara Falls on December 12 for the annual Holly-Daze. See you there!

December 13 will be our annual Christmas Dinner at the Echo Club. The new officers will be installed and we'll be ready for another dance-filled year.

Our thanks to the unsung heroes of the Coffee Tote. Dot and George Riesenberger toted for almost a year and were recently replaced by Agnes and Jack Low. Our appreciation to all the good folks who did so much to help us through this year and especially to Kay & Marve Falls, our Secretary-Treasurer. Last, but not least, to Perkie and Charlie Tucker for their hard work and devotion to us, one and all - We love you!

A VERY MERRY CHRISTMAS TO ALL and the best of dancing in 1972.

. . . . . George & Lorene Phillips

## Fiddle A Rounds

The sympathy of the club goes out to the Bob Bourne family on his recent passing.

Invitations from Belles 'n Beaus and Boots 'n Slippers were much appreciated.

Watson's Homestead was attended by the Costiches, Zilinskis, Tuckers, DeGraves and Falls. Many tired feet and droopy eyelids attested to the success of that weekend.

Al & Barb Taylor can recommend an eating place near Albany that's worth seeking out if you want good food and plenty of it - a nice bonus on those far-away weekends.

Happy birthdays to Bernadine DiCesare for November and to

## Genesee Dancers

It is with heavy hearts that we write this column this month. Our very dear friend, Helen Principe passed away and also our brother, Bob Bourne. Of all the people we know, these two enjoyed round and square dancing more than anyone. They will be missed by many people, not only from our club, but from most of the clubs around the Rochester area.

A correction for last month. Irene Kochersberger did all the art work on the scrolls which were given to each of our callers.

Congratulations go to Barb and Roger Courneen for obtaining their Century Pins. This sure makes a big collection

of names. Tell us, is that book heavy that you carry around???

We visited the new class a few weeks ago and they are doing great. They are all so thrilled that they can dance. There should be some great dancers coming out of this class. Every new class seems to get better and better.

This item was sent to us from Mary Lou Davidson and husband, Jim. They did such a good job on writing it, we will use it word for word. "Twenty-one couples participated in "Watson Week-End". The beauty of the location and facilities surprised us, particularly the magnificent banquet hall and Olympic-sized pool!!! We wish to thank Don Duffin, Steve Sundae and Dick Casper for their imaginative square dance calling, and Charlie Tucker and Howard DeGraves for cueing the rounds. The food was good, the price was right, we are anxious to return."

Everyone have a wonderful Thanksgiving.

. . . . . Vic and Eileen Enter

## Geneva Friendship Sqs.

Our 5th annual Turkey Trot was the big event of last month. We had guests from Elmira, Penn Yan, Rochester and Syracuse. The refreshment committee, whose chairmen were Dominic & Dorothy Serret, provided some swell food and Howie DeGrave cued rounds for us. Singin' Sam Mitchell was not only a superlative caller on this occasion but came dressed in the latest style of square dance clothes.

Our secretaries, Joe & Alice Good have arranged with Pearls Western Fashions to display their wares at our Club-Class level dance on Friday, Dec 3rd, so that any class or club member wishing to follow Singin' Sam's example, can get the clothes from Pearl.

The Christmas Party will be held on Friday, Dec. 17th and is a club level dance. Like all the rest of our dances, this is an open dance and guests are welcome.

We are proud of this years class. Our caller-instructor, Mr. Don Pratt, says they are the best yet. At our Turkey Trot, the entire group showed up to watch the dancers and listen to Singin' Sam. Most of them stayed all evening.

. . . . . Clayt Keyes

## Henrietta Friendship Sqs.

Our apologies to the members of Boots and Slippers and any other guests who were disappointed on Saturday, November 6th. Our caller was there - we were there - the building was there - but no one was there to let us in. Insurance regulations prohibited the school being opened without a maintenance man being there and the man who was supposed to be there - just wasn't. No one else could be located - even though school officials tried. Again, our apologies.

We will be dancing on December 4th with Irondequoit Squares as our guests. Our December 18 dance is a closed one and we will have as our guests our very fine class. It is also our Christmas Party.

January 1, our dance is cancelled (due to the holiday). Mike Callahan will call January 15 with the Genesee Dancers as guests, and January 29, Chuck Prister, with the Copy Cats, is calling for our Fifth Saturday Dance. ANY dancers are welcome to come and enjoy "squaring up" with us.

A NOTE TO ALL CLUB OFFICERS -- Please send ALL CLUB MAIL to: Henrietta Friendship Squares, P.O.Box 153, Henrietta, N. Y. 14467. There has been some confusion when sending invitations, notes, etc. to us; since we change club officers at the end of May.

A Merry Christmas and Happy New Year to you all.

## Irondequoit Sqs.

The annual Club business meeting was held at the Nov. 13 dance. Officers for 1972 were nominated and elected without opposition as follows: President, Don & Toni Wacenske; Vice-Pres., Maurice & Adel Tette; Sec.-Treas., Ron & Doreen Supernault; Membership, Norma & Vi Steinmiller, Al & Nina Anderson; and Social Chairman, Jon & Priscilla Anderson. In addition, Jon and Priscilla Anderson are the new Federation Delegates, replacing Bob & Mary Spear. Dick and Mary Lou Boss are our senior delegates. Congratulations and good luck to our new officers in the coming year.

Our Poinsettia Prom will be held at Moses Rogers School on Dec. 11. Earl Turner will be calling and, of course, Kissing Santa will be there. Earl Turner is from Lenox, Mass., and this is the first time he will be calling in the Rochester area.

On December 16, we will join the Class for a combined Christmas party and Santa has agreed to come to this party also. We understand the Class is doing so well that, if it weren't for the badges, it would be hard to distinguish between Class and Club.

To our knowledge, 1972 Club reporters have not "volunteered" as yet, but this is our final column as Club reporters. Thanks to the Promenader staff for being patient and good luck to our replacements.

. . . . . Jim & Mary Alice Brooks

## Lima Grand Sqs.

Well, folks, we are heading right into the Holidays and it is almost time to bid farewell to our faithful officers of 1971 and welcome our newly elected ones.

On November 12, the nominating committee submitted the names of Paul and Pat Vaughn as presidents, Dick and Barbara Sommers as vice-presidents and Allan and Alma Wells as secretary and treasurer. They were duly elected as officers for 1972 and will be installed at our New Year's Eve party.

It was also decided at the same date that our Teenagers

should pay \$1.00 each week to dance but no dues until they are 18 and eligible to become members of the Club.

We have been proud to have in our possession the Traveling Banner of the WAGON WHEELERS of Yakima, Washington. Charlie Bush, Lima Grand Squares former president, visited the Wayne Westerners of Marion and brought it back to Lima. It has been in 26 different clubs across the country, including Florida, Michigan, New York and even British Columbia.

Five couples from Lima Grand Squares attended Guest Night November 3 at Pavilion and, as always, reported a wonderful time. On November 13, eight couples were invited to York to take part in a Variety Show put on at York Central School. Guess poor Gloria Luchenbach was "scratching bottom" when she invited this old couple but did we have a ball!

It seems we always manage to put one of our Grand Square members in a plaster cast and this time it's Dick Swingles. Gee! Dick, we're sorry you are having such tough luck but hurry and mend fast. We want you back for our Christmas party!

We hope everyone of you will have a very Happy Thanksgiving and now, we must hurry off. We gotta do our Christmas shopping. So long.

. . . . . Florence & Everett Kingsley

## Swingin' Eights

It has been said before, but I will say it again. Not only do Square Dancers share fun and good times, but they rally around when there's a benefit or worthy cause. Proof is the success of the Fall Funfest on Sunday, Nov. 14, at Irondequoit High School by the Callers Co-op. Proceeds will help swell the Defense Fund which is to the advantage of all of us.

Please send get-well cards to Dorothea Brayer who has been ill at the Park Avenue Hospital.

Just learned that Tom Trainor is now a full time professional caller and we wish him success; that Mary Prado is now retired and Mike is wearing sun glasses around the house. Seems Mary is cleaning and polishing and things are really bright around the apartment.

Was interested to hear that Cy DiLeo is a member of the Rochester Rowing Club who won the 1971 Senior National. This year the club has qualified to attend the Olympic Trials.

We are glad to hear that Bob and Marge Berner had such an enjoyable trip to Texas and were saddened to hear of the death of Bob's mother.

Now a bit of news about our families:- Have you noticed that Dick and Ann Leicht are all smiles since their son, Ed, returned from service and is now a candidate for a Master's Degree at the Eastman School of Music. Also, congratulations are in order for the Cary's on the engagement of their daughter, Marcia, and the Klein's, whose daughter, Karen, is also engaged.

Our thanks to Ann and Ray Deelandes for a successful Halloween Party. "BJ" Ware, you did such a good job on the decorations that we have asked you again to decorate for the Xmas Party. Remember, the date is Saturday, December 18th at the Holiday Inn and George and Rose Bauerschmidt are ready with the tickets. Barb and Milt Harvey will pass out tickets to the Class. It will be nice to meet and welcome them on that evening.

And so for all the SWINGIN' EIGHTS, to all the SWINGIN' EIGHTS, Class included, a very Merry Xmas and a Happy and Prosperous New Year.

. . . . . Carl and Ruth Trabert

## Rochester Rollaways

We wish to welcome Don and Leah Huot and Bud and Claire Young back as members of the Rollaways.

Sure was great to see Carol Kelley back dancing with us this past month.

The Betlems had a very enjoyable trip touring Florida. While dancing to George Jabbusch in Sarasota they met the Harvey's, former members of our club, who are now living in a mobile home nearby.

The Desmond's received word from Ed and Edie Snow. They are enjoying the warm sun and hope to dance to Jack Lasry in Miami soon.

We wish all a festive holiday season.

. . . . . Reese & Muriel Cole

## Swinging BB

You'd be ever so welcome if some Saturday nite Our Club Dance you'd visit and our caller delight! What could be nicer than a room filled with lads & lasses In bright shirts and skirts, doing do-passos!

Our Halloween Party with Class and Club was one to remember.

And so, if you like friendly flubbers, not always so perfect

Our Club door is open each Saturday nite.

Will be home resting and probably still digesting our Thanksgiving turkey,

So you can't see us on November 7 plus 20

But come in December, there'll be fun aplenty

Especially on Thursday, December 11.

Class and Club gettogether to honor St. Nick

So join us then if that date you remember

And you'll get a warm welcome from these "Old Swingin B's

Happy Holidays!

. . . . . Hilda McCord

## Swinging Singles

The Swinging Singles can look back on a really great Halloween party on October 18. Betsy Cox and her decorating committee really set the atmosphere for the occasion and we'd like to thank them for their fabulous job. Our members and class members showed up with many original, funny, and mysterious costumes. A "mystery guest" puzzled many of us until we all unveiled and found out he was none other than our own president, Murray Kellogg! Congratulations to the "scarecrow," Cathy Street for winning the prize for the funniest costume, and "Raggedy Ann," Walt Payne for the most original.

We have some important coming events that we must all write on our calendars for January. There will be an ice-skating party on the 15th. (More information on that later.) EKC-O Squares have invited us to be their guests on January 26 - Ken Anderson is calling. Larry Spaven will be our guest caller on the 31st at our own regular dance.

We would like to extend congratulations to President, Murray Kellogg and Sylvia Arnold on their engagement.

The Swinging Singles will miss a great leader, Bob Bourne.

As stated in last month's Promenader, we would like to welcome our five new members. They are Sylvia Arnold, Richard Vanderpool, Gary Morehouse, Carol Boyer, and Marcy Perkins. We hope you will enjoy participating with our club and coming activities.

See you all in January. Till then, Merry Christmas and Happy New Year!

. . . . . Jane DeMallie

## Triggers

A warm "Welcome" to our new graduates. It wasn't too long ago that we were in their shoes, trembling and shaking. But no one would have ever noticed it with them. Anyone who can survive an initiation by Denny and Dorothy Baxter have to be good dancers. The ceremony was directed by Dick Hess. Bill and Marilyn Raymond and Gus and Julia Antinora were in charge of decorations and refreshments. Marge Golden was on hand to make everyone welcome. Myron and Peg presented Trigger badges to Webster & Jean Fisher, Robert & Muriel Glasow, Ken & Clella Johnson, Chuck & Sharon Lenthe, Dan Mills, Josie Townley, Ray & Barbara Pope, Moe & Ruth Capell.

On Thursday, Jan. 6th, we will be putting on a square dance demonstration at the Greece Town Mall from 7 p.m. to 8 p.m.

This year we are going to have an Open House Dance on Jan. 11 at Parkland School from 8 p.m. to 10:30 p.m. Anyone interested in square dancing is invited. It would be nice if all you Triggers could bring one extra couple. Let's have a good turn out.

Our new Beginners Class will have their first lesson on Jan. 13 at English Village School.

The New Years Eve "Snow Ball" will be held at the Church of the Master, 3495 Lake Ave. from 9 p.m. to 1 a.m. Cost is \$3.50 per person. Reservations can be made by calling Peg Huss at 663-7284 or Martha Haungs at 865-6608.

The winners of the Crazy Shoe contest at the Halloween Party were Denny Baxter with his snow shoes, Marge Golden and her five little pigs, Harold Pierce with his Clown Shoe and Lila Pierce's fruit boot. How do you dream up these ideas?

It's good to see our president, Newell Britt, on the mend after his operation. He'll be do-si-do-ing with us again in a couple of weeks.

Merry Christmas and Happy New Year!

..... John and Paulette Bo

## Cloverleaf Squares

It is the month before Christmas and all through the set, everyone is "squirking"....even St. Nick! Nominations for office - and who should we pick? Leave it to St. Nick then ....if "Dancer" is sick.

But what is Christmas without presents of surprises from friends that are near, and dear? Electing the club president, and officers for the coming New Year is what's in store for the Cloverleafs at Christmas this year.

Christmas is more than just bringing good cheer - it's giving to others in a way that was not before. Thus, the Cloverleafs give congratulations to: Larry McGilvery and Donna Dinse; Paul Sutton and Joy Sparks; as they gave to each other, as never before, a Mr. & Mrs. to hold as one forever more.

Sally Schweyer and Sylvia Arnold were pleased when promises of love, through a gift of an engagement ring, were given to them, also, from a Ray Cowen and a Murray Kellogg

And so, Christmas is a time for: elections, presents of cheers, wedding bells and engagement rings, and a time to give thanks. To all square dancers - we wish you a Merry Christmas and a Happy New Year from the Cloverleaf Squares.

Yes, Christmas season is a beautiful time of year. However, the new year must be considered, as Christmas will come again. For the Cloverleafs, the New Year holds many pleasant gatherings with other clubs, such as on January 8th, when the Cloverleaf Squares will be guests of the Xerox Copy Cats. At a future date, the Cloverleafs will be the guests of the Irondequoit Squares.

Then, too, the Cloverleafs will be offering new callers an opportunity to gain experience in their new endeavors. On January 30, the Cloverleaf club caller, Bruce Shaw will guide and help any amateur caller who wishes to participate in Amateur Callers' Night at the Chili Town Hall. Any person wishing to call on January 30th, for the Cloverleaf Squares should contact Bruce Shaw prior to the dance.

As a closing reminder, it would be helpful to know that, with the New Year, the Cloverleaf Squares have been allotted another chance at accumulating the highest percentage of dancers at the Muscular Dystrophy Dance. In the past years, Mike Callahan's Boots 'n Slippers have won the trophy without any close rivals. Could 1972 be the year when the Cloverleafs win the trophy and Mike's club, Boots 'n Slippers settle for second place?

..... A. Klos

## Wyco Promenaders

Wyco Promenaders was formed in 1970. Sixteen couples were graduated from its first class in March, 1971. We have 43 couples at the present time.

We were saddened by the sudden death of our president, Elmer Pervorse, this Fall.

Officers are: president, Eleanor Pervorse; vice-president, Bob and Norma Copestick; sec'y., treas., Bob and Edna Meyer. Our caller is Leo Parsons, Oakfield, N. Y. Our club dances are held the second and fourth Friday nights of every month from 8:00 p.m. to 11:00 p.m. at Warsaw Elementary School, Warsaw, N.Y. All visitors are welcome.

There will be a New Year's Eve dance at Letchworth Central School, Dec. 31, 1971. That school is at Gainsville, N.Y. Dancing will be from 9:00 p.m. to 1:00 a.m.

..... Larry and Diana Dumbleton

## Twirl A Rounds

Already we can almost hear the jingle bells. At this writing it is not yet Thanksgiving, but with so many doings planned for the Festive Season we are completely captured by the Spirit of Christmas.

News of dancers away from home this month comes from Kay and Marvin Falls and Dot and Howie DeGrave. They went down to Watson's Homestead with the Genesee Dancers and had a real fun time. Not much sleep, but lots of fun. They tell us that this was a weekend of contrasts. While swimming in a beautiful, larger than Olympic size pool, where the water was a languid 85 degrees, they could watch the snow falling outside. As usual, Marvin Falls was the complete gentleman. Why didn't you accept his offer to light your darkness, Dot?

Barbara Cody has been sporting a black eye. What did you do to her, Jerry? Kidding aside, poor Barbara had a bad fall and had to have stitches in a cut over her eyebrow. We are so glad to see that she is O.K. now and back dancing. Do take care, Barbara.

Our President, Bruce Cope, has been pretty sick with that old flu bug. We are told that he is on the road to recovery and we hope to see him back dancing soon.

Quite a number of the Club are going up to Doris and LeVerne Reilly's Happy Holly Daze at the Treadway in Niagara Falls. This time the writers hope to make it too. It was a dirty deal last time when I got sick and couldn't go.

Our dances this month have been "Red Rose Tango", "Pink Champagne" and the "Third Man Theme". All are smooth and graceful and should be around for quite a while.

We hope that the Festive Season comes up to everyone's expectations and wish you all a very Merry Christmas and Happy New Year.

See you aRoundnd. . . . . Jim and Anne Gentles

## Wayne Westerners

Our Halloween Dance was a huge success. We must take this opportunity to thank everyone for helping it go over with a broom.

Jack and Onnolee Parker spent their Halloween trick or treating at a big dance in Albany. This reporter found out about it because our daughter baby-sat for them. Don't you think they ought to tell us about the fun they had? After all, Denise baked them an apple pie, didn't she?

The new class is coming along fine under the fantastic leadership of Bill Wilcox. We danced with them last week at the Grange Hall and had a ball. They are a good class and a lot of fun. Keep up the good work, Bill.

December 2, the Magic Squares from Canandaigua will be our guests. Bring a big crowd with you.

Larry Spavin is going to call for us on December 9th. Come down and have some shoe stomping fun with us.

December 16th is our Christmas Dance, starting off with a Pot Luck supper. We will not be dancing Dec. 23 or Dec. 30, because school is closed and we get a vacation too.

January 6th, we will start the new year off with a bang entertaining the Cloverleaf Squares.

On January 13th, the Swinging Singles will come out to see their farmer friends in Marion.

On January 27th, the Irondequoit Squares will join us to share the fun dancing to good old Don Stumbo.

Bud, Ellie and Denise Everett would like to take this opportunity to wish all of our fellow square dancers a Merry Christmas and a Happy New Year.

. . . . . Bud and Ellie Everett

## Web Spinners

Merry Christman and Happy New Year!

The Club recently enjoyed another of their many pleasant evenings on Oct. 29th when they celebrated Halloween. Everyone entered into the spirit of the occasion and came in costume. The Baber's won the prize for the funniest; Liedecker's and Galen's for the most original, and the Grayko's for the most elaborate.

While we are discussing parties, this is a good opportunity to remind you of the Club's New Year's Eve party which is being held at the Walworth Fire Hall again this year. Details can be obtained from the officers of the Club. The date we'll let you figure out.

Bill and Jean Humphrey got a real surprise a couple of weeks ago when a group of Web Spinners converged upon their property with paint brushes and ladders and got almost all their house painted. Bill had made plans to paint the house this Fall, after the camping season was over and the kids were back in school, but about the same time he got around to buying the paint, he hurt his foot; seriously enough so that he couldn't go up and down ladders; couldn't square dance for two or three months, but was allowed to return to work. (Isn't that always the way?)

Another important event coming up that we don't think you will want to miss is the invitation to dance with the Irondequoit Squares on January 8th. Seems far off, doesn't it, but remember this issue is published for December and January news; keep it handy.

Personally we would like to mention that we have enjoyed writing the news for the Promenader this past year. We both found we have to keep our ears and eyes wide open and have become more interested in what the other clubs are doing. I'm sure our successors will also find this so. See you around, square dancing.

. . . . . Ron & Evie Sutorius
