

"PROMENADER"

VOL X - NO. 8 ROCHESTER, NEW YORK JUNE, JULY, AUGUST, 1972

Thanks, Everyone!!

Dear Dancers,

Well, you did it again! You "did your thing" and it was BEAUTIFUL!!! For those of you who attended the 5th Annual Muscular Dystrophy Benefit Dance, you know what I'm talking about--and you know what beautiful means. For those of you who could not attend the dance, let me elaborate.

"Doing your thing" was, for more than 1300 area dancers, attending the Muscular Dystrophy Benefit Dance which was held at Churchville-Chili High School on April 29th. "BEAUTIFUL" is the only way we can describe the people who came from near and far (Buffalo, Auburn, Syracuse) and who raised more than \$3,000 for the Muscular Dystrophy Association of America.

The evening began at 8 bells with Captains Joe Reilly, Bruce Shaw, Mike Callahan and Bud Redmond appearing on the wharfs in the Mystic Harbor and Gloucester Rooms. As usual, these masters of the square dance decks did an outstanding job, which we sincerely appreciate.

The Round Dance leaders and their mates were on hand to staff "The Flying Dutchman" (our round dance room) and they were exceptional. The Prado's, the DeGraves, the Tucker's and the Kinsley's also assisted as First Mates to our Captain Callers and cued the rounds on the square dance decks. We know everyone enjoyed and appreciated this excellent group as much as we did.

As for the evening, BEAUTIFUL is the only way we can describe the entire area--from the lighthouses that greeted dancers coming on board to the clipper ships, mermaids, fish nets, wharfs, etc. that transformed the school into a nautical wonderland. This transformation took many hours to complete, but was kept on course by the capable hands of Don Wacenske and his crew.

Again, BEAUTIFUL and delicious is the way we must describe the Ship's Galley, which was filled with a variety of delicious, homemade finger sandwiches and cookies--many donated by dancers and friends. Heading up the crew in the Galley were Sylvia and Murray Kellogg.

FIDDLE-A-ROUNDS is the first club in the history of the MDA dance to take the trophy away from Hilton's Boots "N" Slippers by having 98.5% of their members present. That was no easy duty, but many hands pitched in. Congratulations FIDDLE-A-ROUNDS. The Teen Trophy went to Swinging Squares, a group of pre-teens. Congratulations to you also. These happy, smiling faces were definitely BEAUTIFUL.

Janet and George Musshafen added excitement and pleasure to the evening for many dancers. They headed the Raffle Committee which raised more than \$800. Door prizes and raffles were won by dancers from many different areas, and we would like to congratulate the winners. We would also like to thank the many local banks and stores who responded to our requests with such generosity. The thoughtfulness of these people is also a heart-warming and BEAUTIFUL experience.

In summary, dancers, there are simply too many people to acknowledge and too many "thank yous" to say. We simply can't do it all here. For those of you who couldn't attend the dance, I have only touched the surface, but perhaps you can begin to understand what "BEAUTIFUL" means. For those of you who "Did Your Thing" and attended the dance, YOU ARE BEAUTIFUL. By attending, you helped contribute to the cause to defeat Muscular Dystrophy, and that's BEAUTIFUL. Thank you.

Sincerely, George and Una Shaw
Chairmen

PRESIDENTS CORNER

The 1971-72 square dance season is almost over. Many clubs have already had their Trail-End dance, some are looking forward to it. The season has been great, with many memories, some sad, some happy, but all unforgettable.

We in the Federation feel this has been a great year. We now have 25 clubs in the Federation. This is great! We also had one of the largest and what we feel to be the best D.O.R. yet. The die is cast for next year's D.O.R. and it should be bigger and better still.

I would like to take this opportunity to thank all who helped make this a great year, especially the officers of the Federation. Without you, it would be impossible.

To the new dancers, welcome, and keep dancing. We are having summer dances again and we look forward to seeing you and dancing with you.

Again, many thanks, it's been a great year.

Sincerely,

Phil Maine, President

The Trail End dance! A happy ending to another wonderful season of square dancing, (especially for those who paid me to stay out of their sets).

I went to the Genesee Dancers' Trail End dance at the Green Lantern Inn. I arrived a little late, due to Dick Casper's directions. To tell the truth, I had a feeling that he hoped, well -- judge for yourself.

His directions went: Take a couple of dirty shirts with you. I'll explain in a minute. Now take the Keeler Expressway, East on 104. Then go South on North 47 until you come to off ramp 31F. Don't take 31F West but take 31F East and go South on 31F East. When you get to the Canal (I was sure he was going to say "Drop in") go over the Canal to Main St., Fairport. Now you will see Staub's Cleaners across the street, drive in, park, take your dirty shirts into Staub's. When you leave, go thru the back door and you will be in the Green Lantern Inn.

Needless to say, I had a little trouble following these directions. Actually, I would never had got there at all if it wasn't for Taw in the back seat.

Larry Dunn, the Elvis Presley of square dancing, called an excellent dance. He comes from Kenmore, soooo I suppose he is guaranteed by Sears Roebuck. Although, from what I've seen of this model, it will last a long time.

Charley Tucker cued the Rounds. That Charley is a funny fellow. You should have seen the look on Tip Costich's face when Charley called cues for "Busy Body Two Step" while Tip and the other dancers were half way thru "Waltzin' Easy". Charley said, "The devil made me do it."

The decorating committee did a very good job with an original Mississippi motif, even if Una Shaw did borrow the original decorations from the Muscular Dystrophy dance. I saw George Shaw carrying out a 3 foot section of a telephone pole to his car. He looked like Twiggy carrying the jolly green giant's cigar.

The joke of the evening was told to me by Howard Green (with hair, there are two you know, with and without) who heard it from Roger Bastian, whom Jeanne Perkins told it to. She got it directly from Al Hoffman and he -- well anyway, it went like this: A drunk came out of Pete's Pizza place, he got into a taxi and said: "Take me to Pete's Pizza place." The driver said: "You're here!" The drunk said: "O.K., but next time don't drive so fast." So now you know, if you go to a Genesee club, you can expect good dancing but lousy jokes.

Bea Westwater came in about 10:30, looking like the first rose of summer. She said that Dick Casper also gave her directions.

Soooo another season comes to a close for most clubs and the Promenader. I hope this column brought you a few smiles and the realization that you will never be the worst dancer as long as I'm A Round Town.

Thanks anyway,
Hal Abberger

Batavia Twirlers

Our club is still growing! Since our class graduation in April, we have added seven new couples to our club. Graduation exercises were headed by Ron and Carol Cole. The class prepared a skit for the enjoyment of club members "imagnations". You'd have had to be there to appreciate this comment! Our new members are: Joe and Barbara Amico, Everett and Katherine Bork, Harold and Marcia Brown, Bill and Shirley Davis, Leonard and Esther Schramm, Gordon and Jackie Reamer, and Dave and Barbara Krenzer. Glad to have you with us, folks. Angel badges were awarded to members who attended at least 75% of the classes to give us a hand. These receiving badges were: Don and Lorraine Perter, Merritt and Ruth Long, Jim and Bev Forsyth, Bob and Vi Glenn, Mary Ellen Parsons and Harold Brown.

Our April 29th dance was cancelled in lieu of all attending the Muscular Dystrophy dance. We had a great time dancing for a worthwhile cause.

Also in April, four squares of Twirlers invaded the Wheel-A-Rounds of Oakfield to retrieve our traveling banner. They have a lovely new club and we all had a fun evening dancing to Jerry Carmen.

In May, we had another mystery ride, this time taking us to the Circle 8'ers in Lewiston with Bud Redmond - fantastic as ever.

May also brought election of officers and another pet luck supper on installation night, chaired by Larry and Ginny Smith and Don and Harriett Klatsback. Warm congratulations are sent to our new officers: President, Don and Loraine Perter, Vice-President, Hank and Jane Bartz, Secretary, Keith and Cheryl Byers, Treasurer, Bob and Sue Lagsdon and new board members, Dean and Nancy Fincher, Merritt and Ruth Long and Harold and Marcia Brown.

Our retiring presidents, Dick and Mary Teal would like to thank all of their fellow officers and committee chairmen for all their help and efforts and the entire membership for their cooperation and support.

Our campout is coming up fast and according to chairman, Norma Pagels, we will have another large group attending.

Looking forward to seeing everyone attend our summer dances at the Alexander Firemans Park on the 1st and 3rd Wednesday, June thru August.

Butt and Ruth Curts want to thank Marge and Dick Teal for all their help through the year. We wish all of you happy dancing this summer.

. Butt and Ruth Curts

Belles 'n Beaus

We enjoyed having Bud Redmond calling for our guests and club on April 17th.

May 6th, Ethel and Russ Heffer, Fran and Harold Abberger, Stella and Harold Elich, Betty and Chet Selbert, Betty and Charlie Pedgers, Janet and Frank Myers, Marge and Don Tracy, Ruth and Ed Hasman, Doris Haddleton and Doris and George Hagberg participated in a demonstration of square dancing at Long Ridge Mall. Our hearty thanks to Stan Levandeski for a fine job of calling.

Catherine and Charlie Kinz, and Ruth and John Gosling are on a four week trip through Europe. Catherine and Charlie Kinz are celebrating his retirement from Eastman Kodak.

June 4th is the date, 2 P.M. is the time, and Ridgmont Shopping Plaza is the starting place for our Car Rally. We will finish at Elich's Twin Lakes for a picnic and *

square dancing. It sounds like a lot of fun.

It doesn't seem possible that it is time for Trail End Dances, but it is. Myrt and Sept DeLauro and their committee certainly made the Belles 'n Beaus Trail End Dance at the Three Acres Party House a memorable occasion.

See you in September.

. Doris and George Hagberg

Boots 'n Slippers

Our guests on April 21st were the Triggers, Batavia Twirlers, Henrietta Friendship Squares and the Twirl-A-Rounds. On May 5th our guests were the Mavericks and the Triggers.

Fran and Betty McAllister's daughter was married April 8. Congratulations to all.

We are glad to have Dean and Terry Harris as our Federation Representatives.

The Muscular Dystrophy Dance was another wonderful dance. Sorry we lost the trophy but congratulations to the Fiddle-A-Rounds.

Phil and Agnes Smally's son, David, had open heart surgery on May 9th and is in the Strong Memorial Hospital. We all hope for a speedy recovery for him.

There will be a Mystery Dance in September, the date will be announced later. We will have an open house dance on Sept. 8th with Mike Callahan and Al Howe calling. Sept. 15th we will have a club dance with Mike calling.

Don't forget the special dances in June -- See ya there.

. Bud and Stel Lewis

Cloverleaf Squares

Guest caller Larry Dunn provided a memorable evening April 30 for the Cloverleaf Squares and others who turned out to hear his great calling. The after-party at Bobbie Gell's house completed the evening and afforded the club (and especially the newly-graduated class members) an excellent opportunity to get acquainted with Larry.

On Saturday, May 6, the Cloverleaf Squares were guests of the Henrietta Friendship Squares. The event was particularly noteworthy because of the "balloon dance"-- an innovation still being talked about by club members who attended.

The Cloverleaf Squares had a 56 per cent turnout of membership for the MD Dance last month, at which nearly \$3,000 was raised. We extend our congratulations to the sponsors, and appreciation to those who made preparations. We share with other clubs in the pride of this achievement.

Workshops before each Sunday evening dance will be held throughout the summer. Between 7:30 and 8 p.m., Albert Winters will give round dance lessons. Bruce Shaw, club caller, will continue the series of square dance workshops that began this Spring on dance nights between 8 and 8:30 p.m.

Hey--don't forget that Kingsten Kapers is coming up in a few weeks, June 23-25. If you haven't made your reservations yet, you'd better do it right away.

Also coming up are several marriages among club members. Rick Diehl, Cloverleaf president, and Bobbie Gell will tie the knot on July 1; Ron Hyman and Linda Blakeley will be wed on August 12, and Ray Cowan and Sally Schweyer will take their vows on July 8. Our best wishes go to John Nerenha and his wife, Azalea, who were married on April 29. Celebrating their first anniversaries this

summer are Mike and Wanda Callahan (July 3) and Dan and Jean Crum (July 10).

A word of parting and thanks to Dick and Suzanne Naven who left for Oregon on May 20. Most of us are indebted to Dick and Sue for the workshops conducted for class members. Good luck from the Cloverleaf Squares!

Plans are underway for two picnics this summer. One is tentatively scheduled for July, and the other is slated for Sunday, August 27. Locations under consideration are Hamlin Beach and Letchworth State Park. You'll hear more about the picnics and sites during our regularly-scheduled dances.

Cloverleaves--here's your chance to demonstrate (not in protest of anything, but to promote square dancing) at the Monroe County Fair, August 14-19. Dance times are between 7 and 11 p.m., Monday through Friday (August 14-18), and between 2 and 5 p.m. and 7 and 11 p.m. on Saturday (August 19). Volunteers are needed for these demonstrations and to staff the information booth between 11 a.m. and 11 p.m., Monday through Saturday. Tickets are available for free admission to the Fair for those who are participating in this effort. The deadline to sign up is June 30. So, if you'd like to volunteer, please call Kathy LaBorie at 352-4677, after 7 p.m. If you can't reach Kathy, call Al Klos at 621-5529, also after 7 p.m. Names of persons interested in square dancing will be collected during the week of the Fair. Last year this averaged about eight persons per club. Slides and movies from the Federation, and from Jim Di Lorenzo, will be featured at this year's square dance exhibit.

On August 21, Chuck Prister, well-known caller in the Rochester area, will be our guest caller. So let's all mark our calendars and turn out for this one.

And it's not too early to begin making plans to attend the Fling Fantastic on September 22-24, at the Treadway Inn, Buffalo Ave., in Niagara Falls, N.Y. As you know, Mike Callahan and Bruce Shaw are sponsoring this event. So check the club bulletin board for further details during upcoming dances--and get these reservations in early!

Copy Cats

You are probably wondering why the Copy Cats didn't have a column in the last issue. We don't know. It left here and didn't arrive there. We will try to give a digest of the news.

The second annual Spring Dance was a big success as far as those who attended were concerned. Congratulations to the various committees for their hard work and ingenuity. Unfortunately, space does not permit us to thank them by name.

We are sorry that we did not know sooner about Vivian Brumber's broken arm.

Arlene and Jim Quick are home from their tour of England. Arlene told us that they had a wonderful time. They visited Jim's relatives who took them on a tour of "caves castles and old churches". Florence and Paul Frost were among the Easter visitors to Disney World. Marge and Russ Taber and Judy and Jan Brederson represented the Copy Cats at the New England Square Dance Convention at Springfield, Mass.

We regret that we were not able to attend the graduation. We are indebted to Marge Taber for the following account: Our class proved they are not only good dancers, but good sports as well, when they survived graduation and the initiation set up by Al and Dot Pheilshifter and Hal and Laura Wahl. We were amazed at how well the men danced tax's parts. (The hats must have helped!) A special note of praise to Viv Brumber who did the "whole thing" with her right hand in a wrist cast. Her two-fingered allemande lefts' were really neat. The evening's

Country Twirlers

By the time this goes to press, the first part of the 1972 dancing season will have passed. I'm sure we all agree the season has been a good one and lots of fun. The family picnic will be held at the Churchville Park on the 15th of July. The next event will be our open house dance on September 9th. We hope all club members will start lining up prospective new square dancers.

National caller, Frannie Heintz, called a marvelous dance on the 5th of May. He is as much fun to watch and listen to as to dance to and we were all initiated into the secret order of Bazonga.

To our recent graduates: You are really dancing like experienced dancers and that you are. You are a good group and we enjoy dancing with you and are proud to have you as members of Country Twirlers. You will want to dance during the summer so check the Promenader for scheduled dances and keep up the good "work?".

A note of thanks was received from the #7 School PTA for the ten couples who danced at their meeting on the 28th of April. Those PTA members present were very enthusiastic and we all had lots of fun dancing with them and to the marvelous calling of Dick Casper. It was our first opportunity to dance to Dick's calling and we thank the PTA for giving us that opportunity.

Carl and I wish for all of you a summer filled with happiness. If we miss you at the picnic, see you in September.

EKC-O Squares

Guess what these four people have in common - Mae Malley, Sam Phillips, Isabelle Astman and Joseph Phillips - that is right - they are brothers and sisters. Could it be that the Korn brothers set a trend for our club?

News has reached us that Leo Leonard is at home and improving but during this trying period, Rita's brother passed away. Our sincere sympathy goes out to Rita and her family. Let's drop a note to Rita and Leo to let them know that we are thinking about them.

May 3rd found EKC-O members and guests dancing to the calling of Bruce Johnson of California. It was an enjoyable evening and we thank Judson and Lorraine Mason for having Bruce and his wife overnight.

Ray and Eva Seymour have had more than their share of sadness recently. Both of their mothers passed away within a short space of time. We certainly want to express our sympathy to Ray and Eva.

Rumors of forthcoming vacations are beginning to be heard here and there. Juanita and Bernie Berninger are thinking Canadian Rockies for July. Bill and Doris Wolff are planning their 14th trip to the Indianapolis Speedway. May 6th and 7th found Al and Ruth Niblack, John and Jeanette Conway and Jim and Mary Lu Davidson at Hidden Valley.

Help us solve a big mystery - - - who is the little old winemaker from Honeoye?

Have you heard - - - Chuck Prister has been elected co-moderator of the Rochester Callers Co-op! Congratulations, Chuck! We understand Chuck will be working with Tom Trainor in this office.

We happily welcome these new members into our club: Bob and Jeanette Meagher, Ark and Marsha Tillson, John and Margaret Andrews, Don and Harriet Klotzbach, Waldo and ot Williams, Dick and Rosemary Lovell, Oman and Doris Fosberg, Harold and Phyllis Gupp, Web and Jean Fisher, Jim and Mary Lu Davidson, Harold and Helen Klick, Tom and Flo McHugh, Stan and Doris Lipawicz, Rocky and Grace Mastrella, Joe and Lisa Van DeValk, Bud and Claire Young.

It was good to see the Snobs back from their winter stay in Florida. The Desmonds also vacationed in Florida.

How nice of Ken Anderson to have a birthday every year so

we can have a cake and sing to him. Must be square dance calling keeps him looking so young!

Nona and Alex Anderson's daughter, Diane, graduated from State University College at Brockport on May 7th. Congratulations to the Anderson family.

Would you believe - - - Betty and Bert Wolcott will celebrate their 25th Wedding Anniversary on June 9th! We wish them many more happy years together. Betty and Bert add so much to our club - - - not only because of their round dance cueing but because they are a couple of very special people who are forever giving of themselves to make others happy. Maybe the Batavia air is extra good, 'cause we have noticed that the other people from that area are kinda nice too!

Have a happy and safe Memorial Day Weekend, everyone.

Fiddle A Rounds

The Browns and Reisenbergers are back from Barbados with that healthy tanned look that's fading quickly in the Rochester rain and gloom. There must be eighty-eight combinations of Rochester bad weather.

Charlie and Perkie Tucker hosted a highly successful round dance class graduation buffet and dance at the Green Lantern. The Fiddle-A-Rounds were invited guests and had a merry time mixing with the new dancers. Marv Falls made sure that the women graduates added one more round dance basic to their list - the kiss on the cheek.

The Lows, Browns, DeGraves, Falls, Muras, Reisenbergers and the Zilinskis attended the three day Canadian International Convention at Hamilton. The round dancing was beautiful and the parties fun. Ask Howie about the friendly blonde, or, better yet, - ask Dottie.

Our current dances are: Whistlin' Away the Dark, Wonderful Things, Bright Eyes, Continental Goodnight, Waltz

to Remember, Jean, Sugar Cured and Till its Time.

Our attendance just shy of 100% at the Muscular Dystrophy Dance was rewarded with the MDD trophy for a year. We're glad that we could contribute.

Our summer dance schedule for the months of July and August hasn't been planned, as this is written. We'll notify the club members in plenty of time. Lots of fun last summer - Mike Prado dethroned Tip Costich as bocce champ, and Tip didn't show me too much at Jarts. Hey Tip - could this be a hot summer?

Happy summer fun dancing!

Genesee Dancers

Looks like most of our travelers are back now. The Lanes were welcomed back from their winter in Florida looking rested and brown. The Dietz's also from California and Las Vegas. Now Lew, will you tell Ruth once more about how you had your picture taken in Las Vegas. Explain please.

The M.D. Dance was bigger and better than ever. What impresses one most is the smoothness with which this dance is operated. The committee is to be congratulated. It really shows what can be accomplished thru cooperation and, of course, plenty of hard work. The Vincents were pleased with their small part made possible by the generosity of all the dancers who bought the booster badges. We turned over \$117.25 to the M.D. Fund with a little more yet to come from orders taken after we ran out. Thank you, all you nice people. Una, please put flashing red lights and sirens by the entrance next year. There are some I know who can't find the school drive. I tried to tell my ever-loving that once around the track was fine to get in shape for the evening but in the car!!! After all, Bob.

Our Presidents, the Greens, would like to thank all the people who have worked so hard in the Club these past months---the Shaffers for their lovely decorations, the Dunbars on Social, the Seidels, Host and Hestess, and the Davidsons for Publicity. Of course this also includes their helpers.

Some of the Club members had an enjoyable evening seeing the movies Hal Abberger took in Hawaii. We hear they were just beautiful. We were unable to attend, but hope we may have an opportunity sometime as our son is living there and we could see what he is describing in his letters.

How about those Web-Spinners stealing our banner? Come on, Club members. We have to get over there soon to get it back. Wonder if we could talk them into going to Sturbridge, Mass. to steal our traveling banner so it gets back to this area.

Some of the Genesee Dancers had a Surprise shower for Sandy and Mike Walsh after the M.D. Dance. That's a pretty nice carriage, Sandy, if it only had some wheels. For once, Roger was playing it straight and it still backfired.

The Trail-End Dance will be a memory by the time this comes to you but I know the decoration committee has been busy for some time so it will be lovely, I'm sure. It is always one of the highlights of the year.

Don't forget our bonus dance on June 15th with Don Duffin calling at the Green Lantern.

The picnic will be July 22 at Powder Mill Park. More details in the newsletter.

May I say it's been a pleasure visiting with you each month. This will be the last till September. So have fun, keep dancing, keep smiling till we meet again.

Henrietta Friendship

Our final epistle to the "dancers on the square"---- When you read this, the Trail End Dance will have been held and new officers installed. It has been a good year we feel, for our club. We have not met all the goals we set but: (1) we did have a good class under Bruce Shaw, (2) we have had fun at our dances--with many visitors--and have enjoyed dancing with them to the calling of Mike Callahan, (3) many of our members have visited other clubs and have enjoyed their dances; and WE THINK THAT THIS IS WHAT SQUARE DANCING IS ALL ABOUT!

On July 22nd, our club will have a family picnic and dance at the Youth Cabin behind the Henrietta Town Hall. Any club level dancers are welcome. It starts at 3 p.m. Bring your own meat, table service and a dish to pass. Dancing will begin at 7 p.m. with our own Mike Callahan calling.

Our new club officers are Don & Betty D'Augustino (288-1067) presidents; Jerry & Linda Streng (334-6648) vice-presidents; Larry & Jackie Herenden (334-1906) secretaries; George & Dorothy Falk (671-5974) treasurers; and Ned & Barb Hastroeck (334-8153) councilman-at-large. For mail to any of the above on club business, please send to P. O. BOX 153, HENRIETTA, N.Y. 14467. The mail is picked up regularly and will be distributed to the proper officer.

Check the newspapers for information re: summer dances. We hope to have at least one promotional dance this summer, but at this writing it is not finalized. While our club is officially "closed for the summer", there are still dances going on -- so let's get out and dance, and keep those square dance flags flying!

Our April 15th Club dance welcomed the graduating class as club members after a brief ceremonial presented by the class representatives. We know that they are a group of fine dancers and have participated in the Dance-O-Rama and the M.D. dances.

Speaking of the M.D. dance, I'm sure that everyone that attended the dance cannot say enough for the work and hours that were contributed by so many to make the dance such a great success.

There are those that contribute in many ways that go unmentioned. However, a great guy, Bob Scott, walked the full distance in the "Hike for Hope" to help add to its' contribution.

As a reminder, don't forget the open house on June 10th at Hosea Roger School. Ask your friends to come. On June 17th, the Club picnic will be held at Powder Mill Park at the Wadhams cabin. This is always a fun day for the entire family, so keep the date open.

Two summer dances have been scheduled: July 22 at the Irondequoit Plaza, Titus-Hudson Ave. with Bill Wilcox calling; August 19th at the Irondequoit Town Hall, Titus Ave. with Bruce Shaw calling. More details later. Have fun!

Our sympathies go out to Bob and Marlene Mayeu on the death of Bob's dad and to Jack Milliken on the death of his mother.

Geneva Friendship Squares and Magic Squares (Canandaigua) were our guests at our April 22nd dance. Along with folks from four other clubs the count totalled fourteen squares of dancers. And Larry did himself proud that night! He called a good 'un!

On the 27th, we were hosted by the Wayne Westerners and a good turnout of KK's enjoyed Don Stumbo's calling.

The fifth Saturday dance was called by Jerry Carmen who gave the ten squares present a fun-filled evening. Some of the dancers who visited us from Hornell stated that KK was the friendliest club they had ever visited. Let's maintain that reputation, KK'ers. It's a good one to have

Four squares plus of KK'ers put on a party for the "kids" at the State School on May 4th; a most rewarding experience!

It was good to have those "Airstreamers", Nat and Harold back with us at our May 13 dance.

We'll be dancing a regular schedule this summer. See you at the DICK LEGER Dance at the St. Michael's School Gym, Sunday, June 4, 7:30 - 10:30 p.m. Remember, the U in FUN is YOU. See you at KK, that's where the FUN IS!

Monday, April 17th, found eleven couples dancing for the folks at the Livingston County Infirmary to the calling of Don Stumbo. The Infirmary director, several nurses and nurses aides were talked into dancing with some of the club men, much to the delight of the patients - - and the participants! Refreshments were served by the Coykendalls and Kingsleys.

The club members seemed to have been plagued by a rash of accidents and "happenings" lately. Presidents Paul and Pat Vaughan had the front of their VW Bus run into on their way to the April 14th dance. The car was a mess, but fortunately the injuries were not too serious. The same night, there was a search for Barb Sommer's 5 year old nephew who had decided to pay a visit to his grandmother $7\frac{1}{2}$ miles away and who walked there safely before he was "found". Infirmary dance, the Wells, O'Grady's and Santucci's vehicle was hit in the rear causing Judy O'Grady to sustain a concussion. Jim Turner's 10 year old boy, Eric, fell in the barn, breaking both arms and gashing his face. We are glad to hear that everyone seems to be mending satisfactorily - - and especially that Dick Schwingel is home from the hospital and making good progress.

Our May Day dance was a big success. It was said that the May Pole we wove was the best yet! Each couple received a corsage and boutonniere. When it came time to crown the May Day King and Queen, we were asked to look into our flowers. The ones with lady bugs inside were crowned. Bob White was our King and Rita Lambert, our Queen.

Our May 12th Open House was full with new visitors and also visitors from the Spring Valley Dancers and the Magic Squares. A lovely punch table was prepared by the Kingsleys and the Coykendalls. The evening was spent in a fun preview of Western Square Dancing with the club and visitors doing a lot with a few basics taught by Don.

Our summer schedule includes a Box Lunch Dance on June 17 a campout weekend on July 14th and 15th, and a Picnic Dance at the Lamberts on August 12th.

Have a great summer, everybody, and stay happy!

Merry Mixers

The Merry Mixers mixed and had a ball at the Trail-End Dinner. Our thanks to the committee for a job well done. After a delicious dinner, our new officers were installed George Burandt-president, George Bracht-vice president, Margaret Cacchiara-secretary, and Coy Jackson-treasurer. Appointed officers are: Leonard Prescott-membership, Marie Dickinson-hospitality, Nell Brady-publicity, Adriene Von Meurs and Erik Michaelsen-Federation delegates.

We, Merry Mixers, had a good time at the Muscular Dystrophy Dance and almost tied for the most there --- Chuck, where did you get lost?

We were guest of the Henrietta Friendship Squares on May 6th. Our thanks to you for good dancing and a great time

Our last Club dance will be May 16th. We plan to attend the Callers Workshop Dances, starting May 23rd at the Brick Church. May I urge all to attend, especially the new graduates.

On Mon. June 5th, we are having Open House, 7:30 to 10:30 p.m. at the Seneca Methodist Church. It's located on the corner of Scholfield Road and Clinton Avenue North. All single people are invited. Come, mix with the Merry Mixers.

We are looking forward to a fun-filled summer. There is talk of Mystery bus trips to other square dances, family picnics, family camp-outs and club visits to local dances

We square up on Monday, Sept. 11th for the first dance of the new season. Friday, Sept. 15th is Open House and the new class will begin Friday, Sept. 22nd.

Remember, "Happiness is dancing with the Merry Mixers".

Thanks, George, for good coverage of the news last month.

Swingin' Eights

It's that time again and another successful year of dancing has drawn to a close with the event of our Trail End Dance on May 20th. Our thanks to our Chairmen, Bud and Fran Macomber, Ann and Dick Leicht for handling the tickets and Mary and Mike Prado for putting on the Broadway Review. The reward of all of your efforts could be seen in the happiness all around for such a really fine evening.

A reminder at this time that dancing will continue through June with Jerry Carmen calling on June 3rd and Myron Huss on June 17th

And now for the news as space allows. Did you know that Tom Trainor was on the staff for the Toronto Square Dance Convention in Hamilton, Ontario, and that he and Marilyn enjoyed a really good week-end of dancing; that this year, Tom is co-Moderator for the Caller's Co-op which just had a successful meeting at the Green Lantern Inn with Jim Mayo calling; that the Traberts are busy with preparations for their daughter, Judy's, wedding on Saturday, June 17th

It is never too early to talk about recruiting new members for our Beginner's Class in the Fall. George Bauerschmidt is chairman of the Membership and classes will meet on Tuesday evenings with Tom Trainor teaching the class. If at any time now, or during the summer you know of a potential member, please call George at 872-5053.

Have a happy, relaxing and safe summer, and remember to keep the Swingin' Eights active and growing by inviting your friends and acquaintances to come to our Open Dance to find out more about Square Dancing. Ask them to try it, they'll like it.

..... Carl and Ruth Trabert

Swinging Singles

All the members of the Swinging Singles who attended the MD dance had a really great time. We'd like to thank all who worked hard to make the dance a success this year.

Congratulations to Bob and Nora Slomcenski on their marriage on April 15. All of the Swinging Singles members who attended the wedding had a very enjoyable afternoon with the couple.

We'd like to specially thank the members of Cloverleaf Squares who joined us at our clubs' joint dance on April 24th. Jerry Carmen and Bruce Shaw outdid themselves with their excellent job of calling for us. The dance was truly a success.

On May 20th, our club members got together for a dinner dance at the Innkeeper restaurant. Dancing to the music of Joe Cady followed our dinner. We all had a very enjoyable evening.

. Jane DeMallie

Twirl A Rounds

Now that the Muscular Dystrophy dance is over, we would like to congratulate all those who worked so hard to make it possible. It was indeed a fabulous affair.

Chuck and Norma Dolan, as well as your correspondents, represented the Twirl-a-Rounds at the Caller's Co-op Dance held at the Green Lantern Inn at Fairport on May 7th. Jim Mayo's calling was indeed a work of art.

It is nice to see Ann and Walt Tomaszewski back dancing after Ann's illness.

A reminder to Twirl-a-Round people - Camp-out at Lakeside State Park the weekend of July 15th. Non-campers are welcome for the picnic and dance on Saturday.

The Hamilton Convention on May 11 to 13 was attended by the DeGraves, the Copes, the Lows and the Muras. Quite an assemblage, we would say.

The Coopenbergs had a wonderful time on their trip to Nassau. They say the temperature was 86 every day and their "Yellow Bird" drinks were something else. They can't wait to go back.

By publishing date, the Twirl-a-Round Trail End Dinner will have been held on May 24th at the 3 Acres Party House.

A hearty welcome to Bob and Marian Taylor who joined the Twirl-a-Rounds on Wednesday, May 3rd.

One of the exceptionally well received dance numbers we learned recently is "Nevertheless".

Twirl-a-Round dancers will be interested to know that a summer schedule as well as the first September dance appears in this issue of the Promenader. For those who might be interested, Beginner's Basics with the DeGraves will start on September 13th from 7:30 to 9:30 p.m. at Fairbanks Road Elementary School, North Chili.

Triggers

Our Spring Fling Dance on May 16th brings to a close another season of rounds and squares. This will give our officers a deserved rest.

Don't forget the Triggers six summer dances. The first one on June 8 at English Village School. The other five square dances are going to be held at Bethany Church Hall, 3000 Dewey Ave. (near Stone Road) on June 22, July 6, 20, August 10 and 24 from 8 to 10:30 p.m. There's also a Monroe County Fair Benefit Dance at the Fair Grounds on June 23rd from 8 to 12 p.m. in co-operation with the Callers' Co-op.

We would like to introduce our new officers for the coming year. They are: George and Martha Haungs, President; Gus and Julia Antinora, Vice-Pres.; Walt and Betty Schaudman, Secretary; Walt and Madge Golden, Treasurer; Bill and Marilyn Raymond, Reporters. The out-going officers are: Newell and Lynn Britt, President; George and Martha, Vice-Pres.; Court and Eddie Phillips, Secretary; George and Mary Lou Mura, Treasurer; John and Paulette Bo, Reporters. We appreciate the time and effort the out-going officers gave to keep the club rolling along.

We are giving a demonstration dance at St. Anne's Home on May 20th, one at the German Picnic at Lima on June 11th and one at Ira Jacobson Post, River St. on June 24th.

Web Spinners

May must have been disaster month for Web-Spinners. Both Dave Brooks and Rocky Maggio visited hospitals for operations. They should both be home by now, so drop them a card to let them know you're thinking of them. While you're sending cards, also send one to Chet Kuhn, who's been told to lay off dancing until next fall. Sorry to hear you're not feeling well, Chet. We all miss you.

About the middle of June, Donna Kussie is also scheduled to enter the hospital. We neglected to find out which hospital, so better send her cards home, too. And then there's Mary Jane Collier. Following some cosmetic surgery, her fingers were taped up so they looked like she tried to take the cat out of a clothes dryer that was still running!

Web-Spinners have a few summer activities planned. July 15th is the date of the Web-Spinner annual picnic, which will be held at Valley View Shelter, Webster Park, at 2 p.m.

Three summer dances are scheduled, and on the Fourth of July weekend, many Web-Spinners will join caller, Bill Wilcox for a camping-dancing weekend at Hidden Valley Campground near Jamestown. He'll be back there for Labor Day weekend too, if anyone plans that far ahead.

Dates to Save: All area dancers should keep October 13, 1972 and February 16, 1973 open to dance with the Web-Spinners. We'll tell you why in future issues of the Promenader.

As long as we're discussing future dates, our Open House for prospective class members will be September 8. All Web-Spinners should submit names and addresses of possible class members to Bill and Jean Humphrey so that reminders may be sent in time for the September 8 dance.

Club and class were busy during the month of April. Dance-O-Rama was enjoyed by everyone that attended. Congratulations to the committee that did such a fantastic job.

Speaking of fantastic jobs, we have a group in our club that did a great job with graduation. The committee was headed by Bob and Norma Copestick, working with them were Clair and Paulene Evans, Chauncey and Ella Rose Van Gunden, Bob and Pearl Pike, Jim and Bev Forsyth, Bob and Edna Meyers and John and Boots Bray. It took a lot of planning to come up with the clever idea. Sure glad I got to dance in the plastic bag. Scuffing around in shoe boxes made for a good laugh. John and Boots Bray did a fine job with the decorations. The table was decorated nicely with a decorated cake. Refreshments were served to many as we had a large audience to watch the fun. Our President arranged to have pictures taken of the evening, which can be ordered. Very nice idea, as in a few years we can look back to the first days of our dancing.

Words can not express the feeling we, the class, have for our instructor, Leo Parsons, and the club for the help they gave to the class. We were class members and know how faithful they were. Hope we can do as much for the new class that will be starting this fall.

We are looking forward at this writing to a Mystery dance May 19. We are sure there are a few that know what direction we are headed for. but it's being kept a dark secret. Workshop starts tonight, May 3. Thank you, Leo, for devoting more time to the club. With the grass greening and the trees budding, talk of a camping trip at Milay Camp has started. I understand that if you are not campers you can go and just dance. Pike Fair is always enjoyed by thousands and again this year by our club as we get to dance. I have had several ask me if we are going to be dancing at the Fair this year, so it looks like people enjoy watching the performance.
