## NATIONAL CONVENTION REPORT

The 21st National Convention is now history and the planning and hard work has brought a most rewarding experience to Loren and Florence Long (General Chairman) and their Iowans who put together such a fine convention.

All the available hotel and motel rooms were used to accommodate the 15,825 dancers, (they even housed the dancers in a new unoccupied wing of a hospital). At one camping space alone, the State Fair grounds, there were 1,400 trailers and campers - rows and rows - of trailers. It made quite a sight.

The hospitality extended by both Iowa dancers and townspeople really made everyone feel most welcome. Dancers came from 48 states and 4 foreign countries.

The weatherman was very thoughtful - temperatures in the 70's and low 80's.

The calling was great from the Trails End dances to the last afterparty on Saturday night. Incidentally, there were 7 afterparties each night.

The Veterans Auditorium was a bit stretched to handle all these dancers but the three Square Dance halls plus a Youth hall and a Contra hall provided ample calling spots for the 300 plus callers from 9:00 A.M. to 11:00 P.M.

Outdoor dancing, especially the Saturday nite parking lot and the Hawkeye room (the large patio in the front of the building) provided the icing on the cake.

The huge electronic announcement board in the main hall was a first for any National and an excellent innovation.

A total of 10 Exhibition groups performed in the main hall. The parade of states on Saturday nite completely filled the Auditorium floor - a truly beautiful sight.

The Round Dance program had excellent participation, 20 two steps, 13 waltzes, 4 tangos, 2 cha-chas, 2 foxtrots and 1 quick step were workshopped. 66 routines were danced in the Goldfinch room and 94 request rounds were danced in the Oak Room during the evening program.

The Round Dance program included two innovations, quick teach dances were included each day in the spotlight of rounds, and all workshop dances were programmed and cued at a specific time during the evening.

In the Square Dance auditorium the cueing of all rounds in the main hall resulted in a very large participation.

18 different panels and clinics were held with an average attendance of 150. Subjects of particular interest included "Club Activities", "Caller-Dancer Relationship", "Leadership Development" and "Trends in Square Dancing". The more popular Round Dance panels and clinics related to "Styling", "Basic Steps", "Choreography" and "Terminology".

The Caller's Seminar (created by the National Executive Board) featured Bob Ruff, Dave Taylor and Dick and Ardy Jones. All did an outstanding job in conducting the three day Seminar and there was 100% accord from the 300 participants that it be continued next year.

A second new Education program especially created for Educators, Recreation specialists and Directors of programs for the retarded showed how they could use Square Dancing to enhance their programs.

The "Showcase of Ideas" in the Organization Room was very impressive, featuring 43 exhibits of Square Dance organization publications. The large map locating each Association in the U.S and Canada drew much attention.

The two day Style Show "Everything's Coming Up Roses" in the Riviera theatre featured 58 models with folk dancing by three local communities adding to the entertainment. "Teen Fashions" was welcome entertainment for the younger set. "Sew and Save" was such a hit that additional time was given to accommodate the many people that wanted to attend. The tours to local areas were well attended.

The Convention wound up with a grand finale, a country music show and beef bar-b-que attended by approximately 4,000 - a great way to end such a busy three days.

Anaheim, California will be the sight of the '76 Convention but don't forget - "The Place To Be In '73" is Salt Lake City, Utah. More than 2,000 pre-registered at Des Moines for Utah. It is the largest pre-registration of any Convention to date. Hope to see you there!

## Callers' Profile

MIKE CALLAHAN

Mike and Wanda were married on July 3, 1971, and reside on Stoney Point Road in Spencerport. Mike graduated from St. John Fisher College and is employed as Assistant Manager of Lincoln Rochester Trust Company's North Chili office. Wanda graduated from SUNY at Cobleskill and is employed by Eastman Kodak in PCI (Professional, Commercial and Industrial Markets) at Kodak Office.

Mike has been calling for ten years. He started calling as a teenager for teenage clubs and has "worked his way up". He spent two years in the U.S. Army where he called for clubs in Oklahoma and Germany. Presently, he calls for three Rochester area clubs (Boots 'n' Slippers, Copy Cats, and Henrietta Friendship Squares), instructs the class for Cloverleaf Squares and calls an intermediate level workshop sponsored by Lilac Squares. In addition, Mike and Wanda travel over Western and Central New York for guest calling engagements.

It is the responsibility of a good caller, Mike feels, to keep the majority of the floor dancing and dancing smoothly. "The caller calls primarily for the dancers' enjoyment. If he cannot keep the floor dancing, he might as well pack up and go home!"

BRUCE SHAW

Bruce started calling in 1964 as class instructor for the Skirts "N" Shirts teen club. His first experience in calling for adults was in class instruction for the Irondequoit Squares in 1966. Bruce now has two adult clubs in the Rochester area, and instructs two classes. He has been doing guest night calling throughout the state, and is also on the calling staff of the Muscular Dystrophy Benefit Dance.

Bruce has attended two Caller's Schools in New England instructed by Earl Johnston and Al Brundage, and is planning to attend again this year. He is also a member of the Rochester Caller's Co-op.

Last year at this time, Bruce cut his first record. He traveled to Schenectady to cut "Bye Bye Blackbird" on Pilgrim, a subsidiary of J Bar K (Ken Anderson's record company).

Bruce attended Gates-Chili High School and graduated in 1965. He then enrolled in business courses at R.B.I. He was employed by Eastman Kodak in 1966 and is now in the Data Processing field. He married the former Shirley Nagel in 1968, and they reside at 175 King Road in the town of Chili. Bruce contributes much of his calling success to his wife, for she really helps him in many ways in his calling career.

Bruce would like to thank his wife and his family (who are all dancers), and the many individuals who have helped him along the calling road.

## Batavia Twirlers

Summer has been a busy one. The annual campout at Silver Lake was a huge success with 39 camping families, 205 served at dinner. Many thanks to new President, Don and Loraine Porter, Chairman, Pagels and Forsyths, Wagonmaster, Dick and Lois Calkins and all who helped, Callers Larry Dunn, Claude and Helen Penner. Several new club dancers were eager beavers. Got 4 squares up at 3 a.m. to dance for idiot badges. Thanks to Alberta Winters and Leo Parsons for calling.

Club extends sympathy to Byers and Rich families.

We wish a speedy recovery to Lorraine Tufts.

Pagels, Klotzbacks and Amicos did a nice job on the theme for Wild Wild West Dance. Didn't know club had so many cowgirls and boys. We liked those outfits.

Our last summer dance was steak and corn roast. Enjoyed by many. Chairman, Al and Ginny Rigoni.

Members, let's bring new dancers to our Open House, Sept. 12 at Y.M.C.A. Leo Parsons will be class instructor again this year.

Batavia Twirlers planning on their 2nd annual Cancer Dance Saturday, March 31 at Batavia Junior High. Save that date!

Opening dance September 16, new location... Batavia Junior High School, 96 Ross Street. Bud Redmond calling. Rounds - 7:30, Squares - 8-11:15.

Looking forward to seeing everyone.

## Belles 'n Beaus

It is time to close up the cottage, put the trailer in storage, cover the pools and Square 'Em Up.

Before we talk about this seasons activities, we would like to mention the Car Rally that was so successful and the committee that did such a fine job that we hope they will do it again next year. The club's heartiest thanks go to Shirley and Si Hulse, Alec and June Elich and Fran and Hal Abberger.

Belles 'n Beaus were scattered all over during the summer months. Doris and Ed Haddleton flew to California to visit with their son and daughter and their families. Our President and Secretary, Ruth and Ed Hasman and Ruth and Bob Muir went to Des Moines, Iowa where they danced their feet off at the National Convention.

Our first club dance will be held Monday, September 11, at Greece Olypia High School.

On Wednesday September 13th, we will hold an Open House at the Holmes Road School. There is no charge and every-one is welcome. Come and bring your friends.

Classes will begin on Wednesday, September 20th at the Holmes Road School.

. . . . . George and Doris Hagberg

## Boots 'n Slippers

Another summer is almost gone. Back to more square dancing, we sure hope.

Our Trail End Dance at the 3 Acre Party House was a great success. The meal was delicious and we sure had fun dancing. The entertainment was excellent. We had the three Andrew Sisters, the Candelabra Man and his brother and a nice boat game??

Ella Ruger was back in the hospital again but it was \*

good to see her at our picnic on Sunday, August 13.

The picnic held at Jack and Joan Hennekey's was a lot of fun and a success with about 25 couples and their children attending. Aub Reger won the men's Bocchi Ball game, Eleanor Rood won the women's jart's game and Lorene and John Fratta won the water balloon game. We sure had plenty to eat.

Hope to see all of you this fall at our dances. They start on Friday, September 8th.

. . . . . Bud and Stel Lewis

## Cloverleaf Squares

It's been another active summer for members of the Cloverleaf Squares. Jacque Besz, who joined the club just last spring, did a terrific job coordinating the Second Annual Friendship Day Picnic at Letchworth State Park on August 6. The work she and her committee performed deserves the appreciation of all who attended. The food was plentiful...and good. If this is any indication of what next summer's picnic is going to be like, then we're in store for another great one.

Other Cloverleaf happenings that were enjoyed by all who participated were the demonstration dances at the Monroe County Fair, August 14-19, under the direction of Al Klos and Kathy LaBorie; two nights of dancing to guest callers Mike Callahan and Chuck Prister; and the outing and starlight hot dog roast at the Diehl cottage.

This year's Open House to attract new club members will be held on Sunday, September 17. The club has opened this year's class to married couples who, because of schedule conflicts during the week, are unable to attend other classes. Those married people successfully completing instruction will then be able to join another club. (We're still admitting only single persons to membership from the class.) So, if you know any single or married people who are interested in square dancing, bring them along on Sept. 17. We're looking for a big turnout and another class as good as last year's.

And if you haven't marked it on your calendar, don't forget the Fling Fantastic, Sept. 22-24, in Niagara, New York. This is the biggie sponsored by Mike Callahan and Bruce Shaw that you won't want to miss.

. . . . . Wayne Andrews

## Copy Cats

A hearty "welcome back" to all you vacationing "Cats". (copy-cats, that is).

We hope that your summer was as eventful as ours. Our square dancing outfits have a permanent place in our travel trailer, and as soon as we are settled at a new campsite, we start looking for the nearest club.

In June we danced at the Penderosa Hall in Scotia, N.Y. Ken Anderson was the caller. Two nights later we danced with the K. A. Club at Glens Falls, N.Y., Randy Anderson calling that night. Then, in the middle of August, we camped on Association Island, near Henderson Harbor. We had a variety of callers there. We ended our summer by camping over Labor Day weekend, at the House of Roth in Nova Scotia. Gloria and Johnnie Roth are two of the good callers and we had a wonderful time.

We are very interested in hearing from all of you about your summer experiences.

However, now that summer is officially over, we want to bring to your attention a very important dance to take place this month. Randy Anderson will be calling for the Copy Cats on September 30, 1972. For that night

only, we will be dancing at the Penfield Baptist Church, 1862 Penfield Rd., Penfield. We are looking forward to having many, many squares. All other clubs are invited.

As you all know, the Federation sponsored an exhibition of square dancing at the Monroe County Fair to interest more people in joining a class this year. The Copy Cats were represented by the Bredersons, Shellshifters, Tabers and Fordhams. We are sure that their efforts have attracted new people to our fall class.

It was good to see Paul and Florence Frost dancing again. Paul had a long rest following his eye operation, and they are both pretty peppy now on the dance floor. We will have a hard time keeping up with them.

Congratulations to Nelson and Cheryl Schommer on the birth of a baby boy! According to our information, the baby was a couple of weeks early, (he didn't want to miss any of the summer) and had to spend four weeks in the hospital but is home now and doing well. He even made his square dancing debut on August 12. He will be a candidate for the teen clubs in 1984!

Don't forget to check the new schedules in this issue. We don't want you to miss out on any of the fun.

. . . . . Jim and Helen Fordham

## Country Twirlers

Before we review the "summer recess" activities, let's get a quick preview of the important immediate coming events for the CT's. Saturday, the 9th, is our Open House and a chance to bring these friends and neighbors out to introduce them to the fun of square dancing.

Hey! Somethin' else - know someone that has graduated from a square dance class, was with a club, but hasn't danced for the last couple of years or so for one reason or another? They might want to dance again but feel that they couldn't keep up at the present club level, need some brushing up, but not to the extent of going through another class. Turn them on with this news!

RUSTY HINGE dances are scheduled for Tuesdays, 19th and 26th of September, and 3rd and 17th of October, at Washington Irving School, 8:00 to 10:30 p. m. Dick Casper will base his calling and instructions on the needs and requests of those present for club level dancing at these dances. Club level dancers (CT's and any others) are welcome too, maybe to review something or just for the fun of it. Admission for these dances will be \$2.00 per couple, half price for CT's with paid-up dues.

Open House or Rusty Hinge - New Hands or Old Hands - JOIN HANDS and head for the CT hall!

Draw a circle around the date of September 30th - our guest caller will be Bud Redmond, Lewiston, N.Y.

So few members were available to attend our scheduled summer picnic and dancing in the park that it had to be canceled at a late date.

Thanks to the organizational efforts on the part of the Pyritz's and the help of a few others, eleven CT families and several friends had a fine time at Oak Point (on the St. Lawrence) the second weekend of July. That Saturday night, Jim Dunbar did an outstanding job of calling an open house and demonstration type dance that was thoroughly enjoyed by all.

I understand that our early morning jogging President added a fancy step (tip-toeing) while doing his thing one morning up at Oak Point. Just a healthy respect for nature, huh, Hal?

Hope our summer hospital patients have recovered enough to join us this fall. Dorothy Vogler and Betty Weber were a couple of the unfortunate ones. Our VP didn't want it mentioned that he also spent time there earlier and subsequently spent most of the rest of the summer "vacationing" from work. You can count on me, Ken, my lips are sealed.

My hot line cooled off on names, places, and dates, but

understand many of our club members did a lot of traveling, camping, and dancing during the summer which I haven't mentioned. Share it with us between tips, huh?

As you've probably noticed by the quality (?), the better half of this reporting team (my bride of 20 years), and the kids, are visiting her parents in Alabama for a month at the time of this writing. Anyone interested in knowing who's boss of the house for the time being?

Hope to see you and your guests at the Open House and and Rusty Hinge dances.

## Henrietta Friendship Sqs.

Our Installation Dance was held on May 20th. We had a really big meal followed by a really big dance. At this time the gavel was transferred from retiring presidents Ned and Barbara Hasbrouck to Don and Betty D'Augustino. Our predecessors did an outstanding job during the last year. Incidentally, "one of our boys Made it"- Ned and Barbara Hasbrouck have been elected Presidents of the Federation.

John and Margaret Andrews did a fabulous job of writing and printing a booklet on the history of our Club. Like other clubs, we had our vicissitudes.

We had a ball at our Family Picnic on July 22nd. We had the usual games, vittles, and dancing, with the temperature in the 90's, the square dance costumes mostly being shorts. Like the other clubs, we showed our wares at the County Fair. Now that summer is over, we are putting aside the golf clubs, fish poles, boat and trailer for square dance clothes.

# EKC-O Squares

It has been a great summer for dancing. Averaging 150 couples each Wednesday night, we have had many guests for Ken Anderson's calling and workshops, and also for the visiting callers who have had us "stepping lively". Thank you all for coming, and may we say that we think all the new graduates are doing great.

In July we welcomed back three club members who were very much missed. Ken Scott suffered a broken ankle; and Gordon McNaughton and Leo Leonard were out due to illness. Glad to have you back, Fellows!

Happy Retirement wishes go to Gordie Thomsen who recently retired from Edwards after 38 years of service. A dinner was held in honor of the event.

Folks in Denver, Colorado really take their dancing seriously. Just ask Lee and Lea Zwack, who danced there one Wednesday night in July. In fact, they have a dial-a-number listed, so that any newcomer can get immediate information about the dances available.

We were happy to learn that Ed and Ruth Hasman were able to attend the National Square Dance Convention in Iowa.

Two very active couples in our club will spend the month of September seeing the sights in England and several European countries. We're talking about Alex and Nina Anderson and Norm and Vi Steinmiller. Have a happy trip, and we'll be anxious to hear all about it when you come back.

Our class of '71 enjoyed a box-social reunion at Mendon Ponds. Auctioneer Jerry Astman brought record prices for the lunches that the gals prepared. The highlight of the evening was when noises outside the cabin proved to be two horses being put through some fancy dance steps by their riders. Mike Callahan called for the dancing and he really gave those horses a work-out! The affair will be an annual one.

Friday, September 8th is the date, and Kodak Park, Bldg. 28 is the place for our annual "Welcome Back Dinner Dance". Carl Hanks will call. And our talented Betty and Bert Welcott will cue the rounds.

Our Open House Dance is set for September 13th.....see you all there with those prospective dancers! And then on to another season of happy dancing.

# Genesee Dancers

I can't believe it's August already. Summer is nearly passed and we are on our way to another Square Dance season.

The Club dances in June and July were well attended and very enjoyable. We were sure glad Don made it even tho under stress with his tire trouble and other car problems.

The picnic at Powder Mill Park was not so well attended. Genesee Dancers, where were you? The weather was not very agreeable to be sure and although we had a caller (Dick) and a round dance leader (Charlie) ready, no one could generate enough energy to dance. The food was great and the fellowship also.

The Bastians, Ranscos, and Vincents attended the Kingston Kapers Weekend. It was a great weekend, even tho the Ferry trip to Cape Vincent, altho I'm sure Roger won't let us forget that. Ollie and Joey almost made it to the Graduation Party. Sorry the food was gone, Jeey.

Our Vice-Presidents, Norm and Gloria Steinmiller celebrated their 25th Wedding Anniversary on July 5th with a trip to Bermuda.

While some of us were sitting in front of the electric fan trying to keep cool during the hot spell, there was plenty of activity in other areas. Our members Howard Green and Roger Bastian spearheaded a campaign to collect furniture, refrigerators, stoves and other much

needed items for the flood victims in Painted Post. They filled a trailer truck and then some to help those unfortunate people who had lost their homes in the flood besides working down there on Sundays in homes of square dancers.

As always, when you are trying to thank people personally, there is always a chance you may leave someone out who deserves credit also. My summer grapevine doesn't always operate too well so please bear with me. To all of the people who donated money at the EKC-O Dance for this project, thank you one and all, to Joe and Angela for all of the donations from her store besides the furnace, water heaters, etc. that they contributed as well as Joe's strong arm tearing up floors in Painted Post; to John Stecking for his pick-up truck (whatever would they have done without it?) and to both John and Evelyn for going down to work; as usual to Jim Dunbar who is always there when the club needs him; to Mike and Lorraine Bay who, I hear, have been going down regularly to work. The Club salutes you and thank you from the bottom of our hearts. The Club thanks also the people who contributed merchandise from their homes. Last, but not least, the Genesee Dancers thank the Federation for its part in securing the trailer truck to take the load down to Painted Post. I'm sure that the people in the flood area are saying what we have been saying for years, "AREN'T SQUARE DANCERS THE GREATEST!".

Don't forget, the first dance is Sept. 7. This is an open dance with Don Duffin calling at the Green Lantern in Fairport.

Hope to see all of you there, providing we can get Bob's nerve unpinched by then. He has had a rough summer. See you in September.

## Fiddle A Rounds

We don't like to see summer end but unfortunately too soon it does and here we are, getting ready for the Fall season of activity.

Our members have been on the go most of the summer, only getting together for three picnic-dances. They were all great, thanks to our hosts and hostesses, Mike and Mary Prado, Charlie and Perkie Tucker and Irv and Marge Brown.

The Prados danced to John Winters at Kirkwood Lodge in the Ozarks. The DeGraves, Lows, Falls and Muras were at Joe Reilly's Kingston Weekend. The Reisenbergers also went to Kirkwood Lodge to dance with Ernie Grosse.

The Browns and Prados went to Lake Couchiching, Canada, for a McQuade, Reilly Canadian Sunset Weekend. The Taylors, Copelands, Costichs and Phillips danced a lot locally.

Has anyone seen the DeCaeseres?

With surely eighty-eight different types of weather that we survived, it had to be a beautiful summer.

Mike Prado is super happy because he captained the bocce team that defeated Costich's team. Try again next year, Tip.

. . . . . Joe and Marge Zilinski

## Geneva Friendship Sqs.

The Friendship Squares of Geneva have been fortunate in being able to continue with their summer schedule in spite of being flooded out of Seneca Lake Park because of Seneca Lake's high waters caused by Agnes. Dances were held at other places.

Many of our members have been camping and dancing at Auburn, Cherry Ridge, Spring Gulch, Bonnie Brae, Oswego, Rainbow Shores, Natkins and Hejamada. The club was co-host, with the Magic Squares, of a dance at the Sauerkraut Festival, Phelps on August 5th with 77 couples entertaining a large crowd of spectators.

. . . . . Dot and Bill Niles

## Irondequoit Sqs.

There are several indications that the Irondequoit Squares will be an exuberant club this coming year. There have been many members dancing at area summer dances to keep in step with the latest calls. Many have traveled great distances (maybe not for square dancing). At least square dancing was available.

Don and Toni Wacenske motored to Loveland, Colorado and met Don's brother and wife, square dancers from California. Don and Toni also visited Estes Park, Colorado, where Chuck and Barb Atwater of Rochester were camping. Bill and Judy Wilcox and Jim and Mary Alice Brooks also tugged their campers to Estes Park area to square dance to Frankie Lane. George and Ann Smith went a bit further - a six week trip to Alaska. A very adventurous trip.

John and Kay Welch enjoyed their trip and visit with their son who graduated from Stanford U. There's also a trip planned by Norm and Vi Steinniller and Al and Nina Anderson to Europe this September. We understand that they have made arrangements to do a bit of square dancing while in England.

Our two summer dances held out in the open proved to be very successful. Looking forward to another year of fun in square dancing.

## Lima Grand Sqs.

Time to polish up those dancing shoes and welcome our new class to the Open House on Monday, Sept. 11th. The first regular club dance starts Friday, Sept. 8th.

box-lunch dance at Letchworth. July saw a large turnout of couples and their families at our camp-out weekend at Sky Brook, Dansville. There was much good fellowship and a great square dance in a big barn - with Don Stumbo's special touch. The club took up a collection of money for the families of Harry Pryslopski and his brother, Pete, of Corning. Both households were badly hit by the June flood. A potluck-picnic supper dance was held at the Lou Lambert's in August. About five squares were present. Kate and Barney Croft of Corning had a little trouble finding Louie's place but managed to get there in time for supper!

We heard that Larry Knox broke a toe while shoeing a horse. Charlie Bush had a badly injured finger which kept him from dancing, but not from enjoying the good food and company. Pete Strong danced despite cracked ribs and Bob DuBois' back has improved enough for him to enjoy dancing again. Dick Schwingel is reported to be recovering well from his back surgery. The club hopes all of these Lima dancers will soon be well and back on the dance floor!

## Kuntry Kuzzins

Our new officers for "72-"73 are as follows: President, Augie and Joyce Jayne - Vice-President, Bill and Mary Ann Lane - Secretary, Gerry and Dottie Reed - Treasurer, Ron and Betty Howlett. Our congratulations to you all and best wishes for a successful year.

## Swingin' Eights

ATTENTION, Swingin' Eights! Here are some important dates to remember. Let's forget about the summer, (What summer?), and circle our calendar to get right into the SWING of it.

Since many of our class members have taken advantage of Tom Trainor's calling since graduation, we expect to get off to a really good year of dancing and hope to see them as well as all former members at our first dance on Saturday, September 16th. At seven P.M., we will have our usual Pot Luck Supper and in case you don't remember, there are some really good cooks among us. There is always such a variety of goodies, that we just have to sample a bit of everything and forget about the waist line. This we can easily slim down by starting right in on the ROUNDS with Mike Prado at the "mike" followed by Tom Trainor calling the Squares, all this at Hosea Rogers School.

The following week, September 23, we will have our OPEN HOUSE DANCE at the Dake School and we are hoping for a really big turn-out. That it will be if we bring our friends to show them "what fun it is" to swing and sway with the Swingin' Eights. They too can share in this great entertainment by joining the Tuesday night classes with TOM TRAINOR calling. This year's classes will be under the able supervision of George and Rose Bauer-schmidt and Milt. and Barb. Harvey.

Then to complete your Saturday dancing in September, we will be guests of the Irondequoit Squares on September 30 - a combined dance which should be fun.

On Saturday October 7th, we will have ORPHIE EASSON as Guest Caller. She comes to us from Hamilton, Ontario and is bringing along some of her followers, so let's be ready to greet them with a full house.

For the Swingin' Eights, whis will be the longest dance season ever, with a total of 21 dances - five guest callers, among them Bud Redmond, Joe Reilly and Reith Blickenderfer.

Let's pause to say thank you to John Fenton for his work at the Monroe County Fair and to say we are glad that he will be the Club Representative at the Federation this year.

Let's say we are sorry that Betty Liccardi is going to move to Olean. Will miss you, Betty. Good Luck from all of us.

. . . . . Carl and Ruth Trabert

## Swinging Singles

Congratulations and success to our new officers: President, Carl DeGraf - Vice-President, Jane DeMallie - Secretary, Grace Buisch - Treasurer, Sonny Liberti and Hospitality, Mary Ann O'Connor.

The horseback ride and campout in Dansville were much enjoyed and appreciated by all who went.

Our Open House will be on Sept. 11 at the Raymond Memorial Baptist Church, 12 E. Church St., Fairport. and our first class dance will be on Sept. 18 at the same place. We are looking forward to a large class this Fall.

. . . . . Grace Buisch

## Triggers

Welcome back to another season of square dancing, fun and parties. Hope everyone had a good summer. Our first dance will be on Tuesday, September 12th at 8 p.m. Workshop will be at 7:30.

We had a few weddings over the summer. The following couples welcomed new sons-in-law into their families: Stan and Dawn Karpinski, August 5th; Jerry and June Waye, August 12th; Henry and Helen Allen, August 12th; Court and Eddie Phillips, August 19th; Carl and Mary Clapp, September 4th.

John and Paulette Bo celebrated their 25th wedding anniversary with a trip to Holland to visit their son who is

stationed there with the Air Force. They left July 22nd and they were to be gone three weeks.

Harold and Lila Pierce enjoyed a two week motor trip to Colorado.

Nineteen couples joined Myron when he called at the Monroe County Fair on August 15th.

Our camping weekend is scheduled for September 15th, 16th and 17th at Timberline Camp Grounds near LeRoy.

Our club and class are invited to a family picnic on Saturday, Sept. 16th. Hope everyone can make it. Reservations must be in by the 12th.

Myron will be putting on a demonstration dance at Holiday Hill near Springwater on Saturday, Sept. 23rd at 8 o'clock. Everyone is welcome.

. . . . . Bill and Marilyn Raymond

## Twirl A Rounds

From the Twirl-a-Rounds, a hearty welcome to all round dancers in the Rochester area. To round dancers who are probably not aware of the existence of our club, we would like to state here that we meet every Wednesday evening from 8:30 to 10:30, beginners starting at 7:30. The meeting place is Fairbanks Rd. Elementary School in North Chili. A more detailed schedule appears in every issue of the Promenader. The very capable Howie and Dot DeGrave instruct the group.

During the July 12 summer dance, Margaret and Joe Zielinski were installed as new members of the club. Welcome

We are happy that Jim Gentiles is back in good shape from Scotland where he had surgery after a serious illness.

A labor day weekend in Binghamton, N.Y. attended by the Degrave's, the Fall's and the Mura's will, no doubt, bring on an abundance of new round dances for the coming fall dances at our club.

Best wishes to all for a pleasant, rewarding round dance season.

. . . . . Bonnie and Bus Gangi

## Web Spinners

The Web-Spinners disaster brigade rolls on. Next time you see Mary Jane Collier, ask her how it's possible to bump your head - - and break your ankle? Then there's Shirley Mabee, who has the worst malady that can befall a woman - she temporarily lost her voice!

You may have seen one of our Web-Spinners floats in a parade this summer. One was entered in the St. Rita's Fiesta parade in June, and one in the Webster Fireman's parade in July. These were action floats, with a complete set demonstrating dancing while the float was being pulled along the parade route. At St. Rita's, we also had two full sets dancing on the grounds after the parade.

The float in the Webster Fireman's parade has the distinction of being the only float in the history of the Webster Carnival to get lost in downtown Webster during a parade. That was due to the superb driving of our hard working President Vern Collier who apparently wanted to treat some shut-ins to part of a parade.

Seriously, we'd like to thank the many couples who worked so hard building the floats, and who danced. They are the Buccis, Colliers, DeSantises, Galens, Humphreys, Kellogs, Klicks, Mabees, Maggios, Manns, Palermos, Van Slootens, and Wilburts. Biggest thanks, of course, goes to Bill and Judy Wilcox. Bill called under some very difficult circumstances, and quickly invented some very interesting new calls as the needles skittered around on the bouncing record.

Don't forget the Web-Spinners' Open House September 8 at Klem Road School. Let's all turn out to generate lot's of enthusiasm for a new class.

Next month we'll tell you why you should be reserving October 13 for dancing with the Web-Spinners.

. . . . . Bob and Lyla Bonnett

### Rochester Rollaways

Hope everyone had a wonderful summer of traveling, camping, vacationing, and square dancing.

Rollaways first dance will be a tape dance on Sept. 8 at the Greece Y.M.C.A.

Hamilton and Betsy Stearns had a vacation to end all vacations, a trip to Vancouver across Canada on a train.

Rollaways second lesson series will continue, starting Sept. 11 at the Greece Y.M.C.A.

Congratulations to Jim and Betty McCollum on the birth of a son born July 4th.

Will be looking forward to seeing everybody real soon.

### Wyco Promenaders

Congratulations and the best of luck to our new officers: President, Bob and Norma Copestick - Vice-President, Clare and Pauline Evans - Secretary, Bob and Arlene Bortherton - Treasurer, Joe and Dorothy Stoffer.

Our club has been dancing and enjoying ourselves this summer. We have had several dances at Alexander Firemen's Park. On August 3, four couples gave a demonstration at Pioneer Picnic, at Silver Lake. Pioneer Picnic consists mostly of Senior Citizens. They were impressed how much differently we square dance than they did years back.

August 11 was the weekend for the camp out, one of the few nice weekends this summer for Wyoming County. We were unable to attend, but from all reports everyone had a grand time. Between ten and fourteen couple camped, with others coming to join the activities. There was work shop Saturday afternoon, with a dance in the evening. After 11, there was singing around the camp fire with a wiener roast. Our caller, Leo Parsons, was aroused about 2:30 for more dancing. I understand he went to the Pavilion where the dancing took place in pajamas and a straw hat. Full moon wasn't for two weeks yet, so that couldn't have been the reason for the straw hat. Sunday Pot Luck dinner was enjoyed by fifty-two, with dancing in the afternoon. The couples families enjoyed swimming, baseball, and horseshoe pitching. I understand there was a baseball game going on in the Pavilion along with square dancing.

August 24, the club will be dancing at King Manor, for the shut ins. August 26, we will be at Pike Fair. We will be closing the summer activities with a Family Picnic, September 9, at Letchworth, with Open House, and a new class on September 20.

Congratulations to John and Carol Fuller on the birth of a baby boy.
