"WHAT IS THE FEDERATION?"

I'm sure there have been many times when you have joined your square dance friends, to enjoy your favorite past time, that someone will bring up the Federation.

As the conversation progresses, you might hear such questions or comments like: Just what does the Federation do?, or What good is the Federation? You might even hear someone question why there is a Federation, and generally many aspects of the Federation come under fire.

It might be well for those who question the Federation, to ask themselves, What have I done for the Federation lately? If that happened you might find that it would get very quiet.

Not many square dancers really know what the Federation is, or what it is supposed to do for square dancing and square dancers.

A Federation is usually formed by a group of square dance clubs, sorta banding together. The reason the clubs band together is to help themselves do something that they could not do alone. An organization like this is generally looked upon as a service organization and thus should be of service to its members.

At this time, the Rochester Federation has twenty-five member clubs, and each club has two representative couples in the Federation. The purpose of the representatives is to bring to the Federation any problems, questions, ideas, etc. to make the Federation more affective.

The Federation can only be of service to its members in the same measure each of those members are willing to work for themselves. So really, it's not what the Federation does, rather it is what do the clubs do together for themselves. Once a year the representatives gather in May to elect officers to guide the Federation through another year of square dancing.

If you, your club or your square dance friends are not happy with the Federation, then you must take a closer look at the organization and see where you can help improve it. This goes for every square dancer in the Federation. Ideas and suggestions are always welcome by the board of directors, and the best way to accomplish this is to insure that the representatives from your club attend the Federation meetings, and then take back to their respective clubs the information from those meetings.

To answer the first question, "What is the Federation?", well, it's easy. The Federation is YOU and YOU and YOU and a lot more You's, and to make it work, everyone has to work together for a common goal--that of promoting square dancing.

Ned & Barb Hasbrouck, Presidents

Eight couples danced at Batavia Nursing Home. We all had a lot of fun dancing to Leo Parsons.

Our condolence to Jinks, Klotzback and Campbell families.

See you all around "the square"

..... Bob and Ruth Higley

Belles 'n Beaus

A good turnout marked the opening of the Belles 'N Beaus' 16th season of dancing.

It was nice to see Vera and Art Harris, all the regulars and also some new faces. It was especially nice to welcome Bea Westwater back from her illness.

There was a lot of chatter about summer doings and vacations. Ethel and Russ Heffer enjoyed a trip to Alaska, Margaret and Don Tracy with Fran and Hal Abberger toured the Maritime Provinces and Margaret and Bob Tyo camped in Pennsylvania. Some of our members are still vacationing. Ida and Hoby Herron are on a months camping trip through the West.

Our President, Ed Hasman, is sporting a beard but we all recognized him and put him back to work.

We were sorry to hear that Catherine Kunz is not feeling well and hope she will soon be out dancing with us.

Grace and Bob Gorothy are the proud grandparents of their 22nd grandchild.

Belles 'n Beaus classes began at the Holmes Road School on September 13th. Don't forget to come out and give the class help and encouragement.

Keep October 9th open on your calendar. We are having a covered dish supper followed by our regular dance. See you there.

..... George and Doris Hagberg

Boots 'n Slippers

We had a wonderful turnout for our opening dance. Welcome back to all the members and a big welcome to all the visitors who came and hope they will continue on Tuesday nights. Our floor was full and we hope everyone had lots of fun. Both Mike Callahan and Al Howe did a real good job. Members were glad to see Don and Lou Haag out dancing with us again. Welcome back.

We have heard that Wayne Saylor has hurt his knee. We hope he can be back with us again soon.

With the start of the new season, I think we are ahead with a running start. There is fun planned for all. By the time this comes out, our mystery dance will be over, so will tell you more about it next time. Hope to see everyone every Friday night and maybe even on Tuesdays to help.

..... Bud and Stel Lewis

Cloverleaf Squares

The Cloverleaf Squares are proud to announce two new junior representatives to the Federation. They are Henry Molise and Jacque Bosz. Rick Diehl, Cloverleaf president, and his wife Bobbie, become senior Federation reps.

Alberta Winter will be our guest caller on Sunday, Oct. 22, so you'll want to mark that date on your calendar. Another date to note is the following Sunday, October 29, when the Cloverleaf Squares will hold its annual Halloween Dance. Prizes will be awarded for the best costumes. Mike Callahan and Bruce Shaw will call for this one. (Those of you who attended the Fling Fantastic, Sept. 22-24, in Niagara know that you're in for a good time that evening with these two.)

Because this is the start of the square dancing season, the officers and board members of the Cloverleaf Squares are looking forward to a prosperous year and urge all members to attend club dances regularly.

..... Wayne J. Andrews

Copy Cats

It was good to see so many interested couples at our open house on September 9, and for our first class on September 12. Remember your own first days in class and give our new friends a helping hand on class night.

Now that our dance with Randy Anderson is a beautiful memory, everyone is looking forward to the big annual dance at Syracuse on October 14, 15, 16. This is always a big, enjoyable dance and we hope to see many of you there, at least for the 15 and 16.

In order to keep this column going we need news items. For this we depend on you. Please be thinking of news for the next issue.

..... Jim and Helen Fordham

Country Twirlers

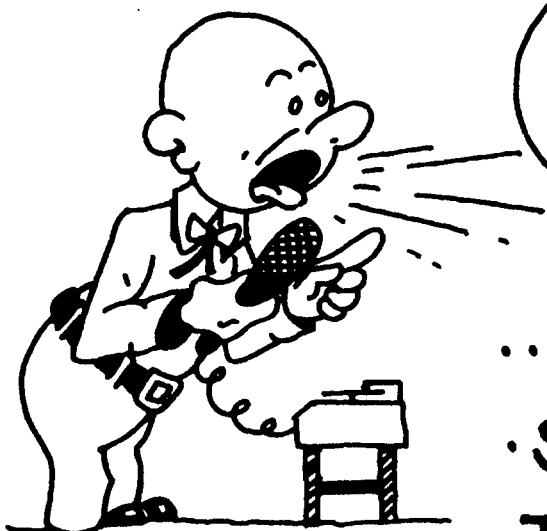

Our fall dance season began with an exhibition dance at Westgate Shopping Plaza on Aug. 25th. Despite the rough cement and the fact most of us had not danced during the summer, it was a most enjoyable evening, thanks to the superb calling of Dick Casper and the enthusiasm of the dancers.

Open house was held on Sept. 9th and was sure good to be back in the swing of things, greeting old friends and new. Hope to see our new friends in class.

Country Twirlers, as you know, our club has a very heavy schedule during the next several months. With the continued cooperation of all of you, the second half of the '72 dance season will be, as the first, a happy time for everyone.

Looking forward to seeing you round the square.

Our Welcome Back Dinner Dance was a smashing success in both departments--the dining and the dancing. A prime ribs dinner with all the fixins' served in Kodak's luxurious dining room was enjoyed by 138 couples, and it was delicious. One of our very active club members, Helen Spiegel works at the dining room. Fellow workers there couldn't resist "ribbing" our gal Helen--the waitress served her a big salad plate of all the foods she does not enjoy. Helen and her husband, Chuck, donated the floral centerpieces, and all the flowers came from their garden....Carl Hanks' smooth calling made the evening complete.

Tony and Libbie Rosati are the parents of five talented teenagers (4 boys and 1 girl) who belong to the Merry Mixers teenage square dance group. This lively bunch danced at the New York State Fair and came away with a blue ribbon. Red, white and blue outfits make for a very striking appearance. Credit for teaching and calling for the group goes to our talented club member, Earl Pike.

Among the newly retired is Charlie Robinson who retired on July 28th from KAD. Congratulations, Charlie!

Eileen Doell had to use a new technique, as did partner/hubby, Bill, to protect her wrist bothered with tendonitis. An elbow works quite well, doesn't it, Eileen? We're glad you weren't having that problem while on your trip to the Grand Canyon during the summer.

Clare and Bill Hammill entertained some very special people at their home recently. Clare's brother, Roy, and his family spent two days here enroute to California from England. This was their first get-together in twenty years.

Our Open House was fantastic, and the turn-out bigger than ever before. Looks like it will be a banner year for teacher, Bob Ellis, and his attractive wife, June, who have the welcome mat all ready for the incoming class.

Fiddle A Rounds

The first dance of the new season proved how rusty we are. We all hope to improve by the time this is printed.

Charlie and Perkier Tucker went to the Delaware Valley Square and Round Dance Festival to dance to Easterday and Palmquist.

Howie and Dottie were at Canada-Cade in Niagara Falls, dancing to the Turners.

Mike and Mary Prado taught us the round dance of the month - Happy Heart.

We were pleased to have as our dancing guests Paul and Lois Murphy, who graduated last year from the Tuckers' round dance class. We hope they will come again.

The Browns, the Prados and the Taylors did a beautiful job of dancing "4 AM" with Gordie Copeland cueing. It was a demonstration of a dance they had learned in their travels this summer with some interesting variations of basics.

We are so glad to see our members willingly put on these demonstrations. Beautiful!

. Joe and Margaret Zilinski

Genesee Dancers

Welcome back to another season of Square Dancing.

Our Open Dance was well attended by members but we did not have as many new couples as was hoped for. However, at the Open House at Winslow School the following Tuesday, there were four squares with a couple more weeks to

Ed and Alice Jeffery took a vacation trip to Nova Scotia during the summer. Pauline and Art Bennett and Jeanne and Carter Perkins went on a "Windjammer" from Newport, R.I. Pauline turned out to be quite a sailor after all. She was worried about getting seasick but Jeanne made it instead. Sounded like an exciting trip.

What's this I hear about the Bennetts taking a trip to New Zealand with a stop-over in Hawaii, Fiji, and some other spots I can't remember. This will take place in January and will be summer in New Zealand. What lucky people!

Roger and Howard are still on their project in Painted Post. Another large load of refrigerators, stoves, furniture, etc. went down on Sept. 10. Assisting were Joe DiBitetto, Mike Walsh and Bob Vincent. The Club thanks Farrel Co. for the generous use of the Company truck for transporting.

Along this same line, an S.O.S. for STUDENT DESKS OR CARD TABLES that anyone can donate to the school children in Painted Post. Their school is not usable as yet and they are holding classes in several churches. The need

is very urgent for these items. If you would like to donate, please call Roger Bastian at 586-8294 or during the day you can call Lucille at 671-4172.

See you next month.

Geneva Friendship Sqs.

The Friendship Squares of Geneva have held their bi-weekly dances during the summer at Seneca Lake Park when weather permitting and at Gulick Hall, Hobart College. Plans are underway for the fall classes starting on September 19 and continuing each week at William Smith College gym from 8:00 to 10:30.

The Marshall Flippo dance on Monday, November 6 from 8:00 to 11:00 p.m. at the Geneva Junior High gym, North Street, Geneva is one of the highlights for this fall.

Members are busy recruiting members for the new classes.

Irondequoit Sqs.

It's time again to adjust ourselves to another year of square dancing. Each year, the open house brings many new faces and we hope that many will become future square dancers.

A Square Dance Demonstration was held at the Grand Opening of Long Ridge Plaza in which Bill Wilcox called for one square of Irondequoit Squares.

Our classes this year will be held at Brighton Reform Church located at 805 Blossom Road. We hope that each club member will drop by one or two of the classes during the year to let our new prospective members feel welcome and fill in for an incompleter square. We know this will do a lot for future club members.

Let's hope that Oct. 7th will be a nice day for the Annual Clam Bake.

Bud Redman will be calling for us for our Oct. 14th dance.

Hope to see you all in your Halloween costume on Oct. 28th. That's usually a fun night.

Our deepest sympathy goes to Ron Supernault who lost a sister.

We welcome any news items from our club members. Just call us. See you all square dancing!

Kuntry Kuzzins

We had a rainout for our demonstration dance at Newark Plaza but the New Dancers committee are signing up new members at a rapid rate. We hope for a bumper crop of new "stack-the-wooders".

Don't be surprised if we slip in some "Round Dance" tips to in the latest choreography.

October will be our "Dance for Pleasure" month.

Lima Grand Sqs.

It's a 9lb. 3oz. boy for Carol and Jerry Patterson, born August 23rd. Congratulations!

Happiness is getting back to regular square dancing and to the fun and fellowship that go with it. The club has had to give in to the "cost-of-living" increase and has raised the weekly dance fee from \$2.00 a couple to \$2.50 a couple. Classes started September 11th with plenty of club members there to help them along.

East Bloomfield is to be the scene of a Civil War enactment by the military group headed by Don Stumbo on September 16th.

Charlie Bush is back on the dance floor and back to work, too, he says. We're glad to hear his finger is improving.

Rochester Rollaways

Rollaway's got off to a good start September 8, with a tape dance. For those who hadn't danced much over the summer months, it was a good chance to brush up on old calls and new ones, too.

The second Lasry tape series started September 11. Hope more members will help out now that the busy summer is behind us. Jack Lasry, in person, will call a special dance on Sunday, October 8 from 3 to 5:30 P.M. at the Greece Y. This dance is being held for all the people who attended the first and second series of workshops, or both, and of course, all Rollaway's are invited to attend. There will be a charge of \$2.50 per couple.

From all reports, the couples who went to Conneaut for the Labor Day weekend, really enjoyed it. Rollaway's was well represented with 13 couples including the Betlem's, Cole's, Sixt's, Heit's, Baker's, Stearn's, Decker's, Vreeland's, Desmond's, Hamlin's, Sapperstone's, Snow's and Burnham's.

Their friends are happy to hear that Bart and Nita Gould are back dancing in the Rochester area after spending the last few years in Ohio. Does this mean Christmas checks again this year?

Merry Mixers

It seems no time since the Trail End dinner and here it is - - time to square up again for the new year. Hope all of you had a wonderful fun-filled summer.

Our president, George Burandt, called a meeting and a fine program was planned for the year. Once a month, we'll have a guest caller and each month other clubs as our guest.

Our club dances Monday nights from 8:00 to 10:30 P.M.

The class began Sept. 22nd and will meet Friday nights from 8:00 to 10:30 P.M. We invite all club members to dance with the Merry Mixers club and all single people to join our class and club. There is no age limit. We dance at the Seneca Methodist Church, corner of Scholfield Road and Clinton Ave. North. Ben McGilvery is our Club caller and teaches the class.

Many of the Merry Mixers enjoyed dancing this summer at the Brick Church. Our thanks to the Callers Co-op for giving us this opportunity.

On July 14th weekend, the Merry Mixers enjoyed a family campout at Bonnie-Brae Square Dance Camp. On August 26, we had a family picnic at Powder Mill Park. Our thanks to George Burandt and George Bracht and their committees for a job well done.

This summer, the Merry Mixers entertained the patients at the Monroe County Hospital and helped them to join in and dance too. We put on an exhibition for the Rochester Singletons and are looking forward to having many of them in our new class. We also participated in the Monroe County Fair, enjoyed dancing to show the fun found in Western Square Dancing. Many thanks to Cay's son for the poster, to Pat Red-Elk, George Haines and George Burandt for all your help on the flyers.

I would like to thank all of you for the cards and kind expressions of sympathy in the death of my Father.

Come out and join us and you'll see, "Happiness is dancing with the Merry Mixers".

Singing Squares

Polish those shoes and shake that petticoat! - which were tossed to the back of the closet during the summer.

It's time for a new season of square dancing with the "Singing Squares". We're back again at Chestnut Ridge School on Wednesday nights from 8 - 10 p.m. We know of no better singing voice than that of Al Howe. He is a delightful person who will make your night of square dancing both fun and relaxing. Al kept in calling shape during the summer by calling every week at Sky Brook Campground near Dansville, and also by calling for the 4-H kids of Orleans County, who square dance on horseback. The kids learn fast but those horses were really a challenge! They don't know their right from their left.

The Herron's and the Doyle's are both vacationing out West but they will be back with us soon.

Congratulations to Tom and Mary Palenchar on the birth of a new daughter in June.

Our annual steak roast (with Dick Doyle as master chef) will be coming up during October. If you're interested in joining us, contact Betty or Al Howe, 392-8895 or Dick or Marj. Doyle, 671-5870, for more details.

See you on Wednesday.

Swingin' Eights

The first dance of our 72-73 season was off to a good start on Saturday, September 16th with plenty of feasting at the Tureen Supper followed by round and square dancing and all at one we knew it was great to get back into the swing of it again. Between tips, the members reminisced about their summer activities. We learned that many of us had wonderful vacations and business trips, like Norm Fritz going to Portland, Oregon and Ottawa, Canada; like the wonderful weekend enjoyed by the Barnes and Harveys over Labor Day Weekend at Camp Hajemada with Tom Trainor calling.

We heard about Dot Petrow's foot operation and was glad that she could be back to dance at Long Ridge Plaza where

two sets of Swingin' Eights danced in a Square Dance Demonstration. It was interesting to have Bob Winnick's visiting mother come to see Bob and Jan dance at the Plaza.

Thanks to Bruce Shaw for helping us out on Saturday, the 16th when Tom was unable to call because of an accident in Virginia. Seems that he hit a deer on the road and disabled his car so that he could not get back in time. Glad you are all right, Tom.

Among the missing, besides Bob Meagher's beard, are the Towlsons and the Sharps who will not be dancing with us this year and the Traberts too, if Carl's back doesn't improve enough so that they can catch up and join the fun again.

Congratulations to the McCollums on the birth of their son. Congratulations will also be in order for the Jenkins when their son will be married in November.

Please note that due to Voter Registration there will be no round dance workshop on October 7th. We hope to get going about 8:30. That's the night Orphie Easson will be calling and it should be a really good evening.

Hope Helen and Mike Tiss enjoy the convention in October at Acapulco, Mexico.

In closing, this is most important. The Class will be dancing starting Tuesday, September 26th at the South Lawn School. This is the little school just south of Hosea Rogers. Tom Trainor will be calling and with your help and enthusiasm, we should have a large class to take advantage of another year of HAPPY DANCING.
