A SQUARE

A

ROUND

TOWN

Well howdy! Here I am again, back in the same ole stall, ready to write about what's happenin' a Round Town. Oh, before I start.

Under the Phase III I am entitled to raise my fee for staying out of your sets. The legal percentage is 4%. Sooooo that comes to, ah, let me see now, carry the 3, drop the 7, pick up 1 and dive thru, comes out exactly 2¢. For 2¢ I'd forget about it.

Now to what's happenin! There was a big bash at the Green Lantern Inn. The Genesee club had Singing Sam Mitchell calling. It was just great that such a large crowd turned out to welcome Sam back to the area after his illness. What did he have? I don't know. It might have been Gout in the larynx. A lot of callers get that. The main thing is that he is looking fine now.

What a crowd! They had wall to wall dancers and Bob Vincent said that he never saw so many tape recorders. They looked like a giant electronic octopus sprawled around Sam. They plugged into his speakers, the turntable, and other recorders. Someone even asked if he could put his plug in Sam's ear for a clearer reception. Sam said it wouldn't come out very good cause he sings thru his nose.

These recording artists reminded me of a flock of nervous Woodpeckers during the mating season. First they would be peck peck pecking the recorders On, then fly off to a Set, only to hear that the President was going to make an announcement. Soooo they would fly back to their recorders and peck peck them Off. Now Singing Sam had the mike again and they peck peck pecked the recorders back On, then flew back to their Sets which were now halfway thru the Grand Sashay. Ygu couldn't miss these Woodpeckers they were all a flutter in the front six sets.

Six sets? Yes, six sets across a four set hall. Ray Seymour told me that he knew they were dancing a little close but he didn't know how close until they Chained the ladies and the guy in the next set courtesy turned Ray.

Angie DiBitetto said, in their set some new styles of dancing were introduced like, Do Sa Do and squeeze thru. She continued, at one time the set was so tight that when Sam called an Eight Chain Thru, they only had room to go four chains. Man, like that's crowded.

Tip Costich said that between tips he couldn't find an empty chair or a place to sit down til he got wind of a seat open in the mens room.

Charlie Tucker got out of the way of the pressing crowd by moving back into the coat racks and he cued the rounds thru the sleeve of an overcoat. At least that's what Roger Bastian said it sounded like.

Singing Sam called a wonderful dance as usual and I goofed as usual. I thought I could have done better if I had another chance. So I'd shout "Play it again, Sam" but he wouldn't do it. Sooooo I say- - -

Thanks anyway,  
Hal Abberger

## SEE YOU AT THE MUSCULAR DYSTROPHY DANCE

A cordial invitation is extended to YOU, square dancers of Western New York (and beyond), to attend the 6th annual Muscular Dystrophy Benefit Dance to be held April 7th, 1973, at Churchville-Chili High School.

This dance has become one of the most popular and successful events of the square dance season. It is probably because the kind of people they are, square dancers really enjoy supporting an event like this, when they know that all the proceeds are being used to fight the dread, crippling disease of Muscular Dystrophy.

As always this year we will have many attractions and door prizes, for which the MD Dance has become famous. There will be two traveling trophies for the clubs with the largest percentage of their members present--(one for the clubs with 50 individual members or more, and one for clubs with less than 50 individual members). There will also be a trophy for the teen club with the largest percentage of its members present. Also, prizes will be awarded to the square traveling the greatest distance to the dance.

Please make sure your club membership figures are telephoned to Mr. George Shaw at 247-5630. Include class members in this figure because they are also invited to the MD dance.

Dancers may register for every club in which he has a paid membership.

"Stars & Stripes" is the theme this year and there will be many attractions such as shields in the "Flag Room" with each club name on them. (You may take your club shield with you--after the dance!) We also hope that all clubs will bring their banner so that we can display them in the Flag Room.

Doors will open at 7:30 p.m. so we invite you to come early and brouse. As a special event the VFW color guard will present the flag in the "Capital Room" at 7:45 p.m. Dancing will start at 8:00 p.m. sharp.

We will be serving refreshments throughout the dance. Bring a hearty appetite with you and--if you like--a dozen cookies so that we can help serve all our patrons.

We hope to see you on April 7th. Please help us support the fight against dystrophy.

### NOTES FROM THE FEDERATION PRESIDENT

At our last Federation meeting, things that are in progress showed to be shaping up nicely; namely, the start on a census form for all area round and square dancers and the super efficient job Mike Niscolozzo has done with the banner stealing committee. Carter Perkins reported that he wasn't getting the response that we expected for his committee to get a design for the Area Federation banner. Where are all you artists hiding? Carter is waiting to hear from you. One of the lamentable facts of any organization is the unwillingness of the majority of its members to volunteer or accept extra responsibilities, including special jobs, committee work or anything that involves a little extra work. Often, members feel they are not qualified or do not have the time, but the predominant attitude is to let George do it. Result: George does everybody's work and nothing dampens enthusiasm more than being called on too often. Surely, some job will come along during the course of a year that everybody can do. You don't have to be a professional to obtain satisfactory results. Why not serve on a committee? You meet some of the nicest people this way. Why not accept the nomination or volunteer and be rewarded by a feeling of accomplishment. If everyone would do just a little bit, take one job, serve on one committee, your club or organization will have more meaning for you and you will be a greater benefit to your club. I believe that one of the main reasons we are dancers is for the enjoyment we get out of it, but how much can we take before putting a little back. The next time that something extra is needed, stand up, be a George and have at it.

## Callers' Profile

BETTY WOLCOTT

Having progressed from "eastern" to "western" square dancing, while sharing the growing pains of the Batavia Twirlers, gives Betty and Bert 15 years of Square dancing. In 1964 they decided to try round dance lessons with the LaVern Reillys. The next year a friend placed a "mike" in front of Betty and encouraged her to cue a round. Despite 5 sons and many friends who felt her place was in the home, the urge to teach rounds won out. (Women's lib was not yet popular.) She started a class in 1967 and the round dance circles grew; she gathered experience for three years with Kollars and Kuffs. In the spring of 1968, the Wolcotts joined K.A. Squares where Ken Anderson invited Betty to cue a round and then hired her. In 1969 EKC-0 Squares asked a thrilled Betty Wolcott to teach and cue rounds every Wednesday. Betty stays busy with Monday night classes at Kodak or in the Wolcott's barn, Sunday night workshops and Friday Wheel-a-Round dances. Harper Valley P.T.A. and Everything a Man Could Ever Need are two recordings she has made on the J-Bar-K label. She also designs and makes all her own square dance costumes as well as those for other dancers. Bert, her strong right arm for 25 years merely smiles quietly and wonders where all the energy comes from.

LEO PARSONS

The relationship between square dancing and Leo Parsons began in 1964 when Leo and wife, Mary Ellen took square dance lessons. Although at first Leo always said "square dancing was for Hicks" he was soon convinced, it was also for him. With Continued dancing and by popular demand, Leo did some singing calls, and struggled with hash calling.

Leo gained knowledge of calling and for 2 years, when the need arose, called and taught the Kollars 'N' Kuffs teenage club in Batavia. (1966-1968) In 1967, Don Kennedy, a past well know caller, took Leo under his wing, and worked with him, allowing him to help teach the Batavia Twirlers class. The following year, Leo was on his own and has taught the Twirlers class for the past five years.

In the summer of 1970, Leo and family spent a week at the Dick Jones workshop for callers at a campout in Pennsylvania.

Starting in the fall of 1969 and dancing in the Grange Hall in Warsaw finally developed into a club known as the Wyco Promenaders with Leo as caller and instructor. 1970-1971 was the start of the first class and the club now boasts a membership of 48 couples.

Leo also has done numerous demonstrations, guest caller dances and gratis dances. He helped and called for the 1st annual Batavia Twirlers Cancer Dance and is Co-Master of Ceremonies for this year's dance being held March 31st at Batavia Junior High School. He has also participated in the annual Fall Fun Fests presented by the Rochester Callers Co-op, of which he is an active member.

Leo and Mary Ellen will be married 21 years in June and have 3 teenagers, Dave 19, Keith 17, and Karen 15. Dave and Karen are members of Kollars 'N' Kuffs. Leo's wife is a practical nurse, while Leo is employed at Batavia's Sylvania plant as an Electronics Foreman.

May we take this time to sincerely thank all the dancers for attendance at classes and club dances, for without you wonderful people, callers would never be.

## Batavia Twirlers

We wish a speedy recovery to Helen Chase who fell and fractured her knee cap.

The "Country Twirlers" of Rochester were special guests of ours. "The Bandits" Village Squares of Buffalo stole our banner. On March 1st we are going to retrieve it. Other guests were from Lilac Squares of Rochester, Promenading B's of Bergen, Dan-D-Squares of Buffalo, Wyco Promenaders of Warsaw, Whichway Whirlers of Pavilion, Ca-Li-Co Squares, Caledonia and Lima Grand Squares. 90 couples in all.

Recently 25 club couples were guests of Ca-Li Co Squares, Caledonia, N.Y., Jim Dutton, caller. His wife, Phyllis and Ron Fotch, caller for Promenading B's, gave us a real pleasurable evening. Everybody was having fun. Also some of the class club couples attended Jim's die hard dance. That was something else.

March 3rd we are guests of Wheel -a-Rounds, March 6th the class is to join Ca-Li- Co class. March 7th is a demonstration dance at 400 Towers with Larry Dunn calling. March 17th -- Graduation nite, Club picture will be taken. St. Patricks party. Leo Parsons will call for the demonstration dance at the Genesee County Home, March 29th. Don't forget the Cancer Dance, Mar. 31st. Bev and Jim Forysth, Chairmen and their assistants are doing a very nice job in heading this dance up for a very worthy cause.

Nominating committee, chairmen, Ron and Barb Maybach, assisted by Joe and Barb Amico, Dean and Ravina Rich, are hard at work getting officers for the coming year.

See you around the square.

..... Bob and Ruth Higley

## Belles 'n Beaus

We hope everyone enjoyed our Valentine Dance and the game they played matching up hearts to see who who partners were. Could have been a boy or girl. Sounded like fun, I'm sorry we missed it.

We're happy to hear that John Bulter is out of the hospital and is recovering nicely at home. "Hal" glad to see you back dancing after your illness. We missed you the last few weeks.

Congratulations are in order for the Smiths. Both Don and Trudy; and Evan and Mary celebrated their 29th wedding anniversary recently.

On Jan. 29th, Art celebrated his 39th birthday again. For a 39 year old grandfather he sure had a hard time blowing out the candles on his cake.

Vacationing and dancing in Sunny Florida are Russ and Ethel Heffer and Larry and Dot Heffer. We wish them a safe trip.

We will miss Bob and Grace Gorothy who will be moving to Macedon in April. We all enjoy dancing with them and hope they will drop in on us once in awhile.

Our class is coming along so well that Art is teaching them the basic steps of Round Dancing before the regular class starts. Isn't that great?

On Mar. 19th, we will have Dan Dedo as guest caller. Let's all turn out to greet him.

Keep in Mind the Annual Benefit Round and Square Dance for Muscular Dystrophy on April 7th. You're sure to have a good time and it's for a good cause.

..... Gil and Dorothea DuBois

## Boots 'n Slippers

Somehtin's Gotta Give. . . . Either the editors of this erudite journal will have to allow more space per club or Boots 'N Slippers, individually and collectively, will have to curtail their activities.

For instance: Podgers' pool and square dance party... how to describe all those mermaids and Adonises swimming the light fantastic??? And we bet "Dieters Anonymous" never warned Bob Sweeney that loss of weight sometimes results in the loss of other things, like his trunks, maybe. Unfortunately, it was learned at this affair that the honeymoon is over...Wanda said there was no need to keep Mikes' supper hot. She said she had given him a BALONEY SANDWICH for lunch. Really!

Our Valentine Dance brought out 19 class couples with Mike calling a fast-paced, interesting dance for all, even if he did try to block the school entrance so no one could escape. And, would you believe among our "Sweethearts" were none other than John (King Farouk) Fratta and his law, Lorene? How did you arrange that, John?

Overheard last month during a Round Dance: He, "Boy, these new shoes are just swell for dancing." She, with a dirty look, "Why, because they have steel toes?"

Our spies tell us that Gloria Syler has been fishing without a license, But, in Howard Johnson's?

Incidentally, no matter what you hear "Sloops 'N Blippers" have not been raided or even rated XXX despite the fact our Vice-President Taw, Betty McAllister, absent-mindedly does a "Gypsy Rose Lee" for us occasionally! Some of our "younger" members would like to say taht they are hard-put to keep up with that self-acclaimed Senior Citizen, Herb Hitzke.

..... Jack and Joan Hennekey

## Country Twirlers

Have you heard the news? Country Twirlers are giving to each guest who dance with us for the first time this season a mini-badge. If you look around many of your friends may already be wearing our little red barn. You too can have one so join us for a fun filled evening with the Country Twirlers.

Our well attended Valentine Dance was a rousing success. The class, who were our guests, seemed to enjoy themselves and we enjoyed them. With graduation this month, they are very excited about becoming full time Twirlers. The refreshment committee added a festive air to the evening with valentine decorations, games, and refreshments by candlelight.

We wish to extend a cordial invitation to join us on March 31, when our guest caller will be Dave Stevenson from Ohio.

Are you getting tired of your same square dance clothes? Have you gained weight or better yet, lost a few pounds? Not very handy at sewing? Has a friend stopped dancing for a while and has a closet full of unused clothes? We have the answers for you! NEW TO YOU--a card file system. Fill out a card for each article, shirt, dress, etc. and file it with our secretary. By doing this you will help give someone who is interested a readily available source of square dance fashions for a "ridiculous figure". See our secretaries for more details.

## EKC-O Squares

Our Valentine dance was really great with guest coming from Batavia and Geneva on that snowy night! As we walked into the auditorium, we saw red--literally. The red fashions were lovely and unique, with hearts of every size and material imaginable. The class joined us for part of the evening, and we continue to be impressed with their progress. There were red heart cookies for refreshments. A red rose goes to the ingenious couple who brought tiny foil-covered chocolate hearts to slip into the hand of a friend. Just goes to prove, the hearts of square dancers are as "big as all outdoors".

Welcome back to Clara Ross, your former correspondent, who has returned after surgery.

Estelle and Joe Bader are justly proud of son, John, who has excelled on the championship McQuaid swim team. Of, course, John's sister, Pat Seely, thinks he is pretty special too.

This is the time for winter vacations and our members are scattering far and wide. Fr'instance, it will be six weeks of fun for Jean and Al Keadrick who have taken their trailer to Arizona. The Barbados is the spot for the Conways, Nilblacks, O'Neils and Wolffs. Sunny Florida was the destination for the McNaughtons, Lovells and Steelmans.

Wedding bells rang in mid-January when Terry, daughter of Rosemary and Vic Yanaitis, was married to Bruce Kingsbury.

She tells us that she is just a beginner, but the four patterned knit sweaters that Mary Lou Buck made for the family almost deny that fact. They are exquisite.

Our sympathy goes to Mary Schrader, whose mother passed away; and to Shirley Conheady on the death of her sister.

We are a little late with this announcement, but hearty congratulations to Bill and Shirley Goodbulet who are

the proud parents of a baby girl.

Did you know that you burn up 350 calories every hour that you square dance? See you Wednesday night!

. . . . Andy and Florence Wuest

## Fiddle A Rounds

We find it very hard to write this month's news--don't even know how to begin.

Well, how does one say--or report--that we are losing our leaders, the two "ole Faithfuls" who have been teaching and guiding us these many years.

What we are trying to say is that the Tuckers, who were instrumental in starting the club some 16-17 years ago and have been so dedicated ever since, have recently elected to resign as the Fiddle A Round leaders. We know that all good things must come to an end; and so, it is with mixed emotions and sincere regrets that we face the resignation of Charlie and Perkie.

We feel that we owe a great deal to the Tuckers since they were the pioneers of round dancing in the area and have devoted every moment they could to teaching and leading rounds ever since. Many, many - oh, so many - a round dancer has to say thanks to them for their patience and diligence in helping to change "two left feet" into two happy dancing feet. We know that only too well; and want to take this opportunity to personally say "Thanks so very, very much, Charlie and Perkie".

While we regret the loss of their leadership, which we know we shall miss tremendously, we feel we are very fortunate to have Howie and Dot DeGrave to follow in their footsteps, and are happy to say Howie has agreed to take over the mike with a promise of an occasional assist from Charlie. (Now Charlie will get his chance to heckle the cuer.)

What more can we say except to extend sincere thanks and best wishes from all of us to you, Charlie and Perkie, as we look forward to dancing with you each week for many, many weeks to come - and the best of good luck to you, Howie and Dot, as you take on this new and challenging responsibility.

. . . . George and Dorothy Riesenberger

## Genesee Dancers

Here we are again, a month gone already. Guess who's back? Jim and Ruth Madison, (you're looking good Jim), Harvey and Jean Schweiger, Bill and Irene Ruster, also new members Jim and Rosalie Tears. Welcome, it's great to see you dancing, have fun.

We have so many travelers in our club. They love to tell me about their trips, but do you think anyone has offered to take me along so I can give you a first-hand report? The Boorsmas are off to Calif. for two weeks, the Conways to Barbados, and the "tanned" Bennetts have a lot to tell about the Islands etc., ask them.

Our deepest sympathies go to Joe and Ollie Ransco on the unexpected loss of his brother. Our best to Dick Shaffer, who had eye surgery, and Evelyn Stocking on her surgery. It was good to see her at Class observing, we're looking forward to dancing with you soon.

HAVE YOU HEARD---About the 144 couples we had for Singin' Sam Mitchell Feb. 1st, wall to wall people.--- We had guests from Lima Grand Squares, Irondequoit Squares and Swingin' Eights on Feb. 8th. ---A group demonstrated at Salem United Church with Dick Casper calling on Feb. 9th.--- The Valentine pot luck supper Feb. 15th with our class, was fun and the variety of foods, great.--- Mar. 1st our guests are the Triggers and Web-Splaners.--- The Seymours loved the visit from their daughter and three granddaughters, whom they had not seen since April.--- The Tuckers had a successful surprise birthday party for Tip and Millie Costich. Happy Birthday.---A group of members had a pot luck

Let us all support the Glass by being present at Floyd Winslow School.---Don't forget the Rough Edges with Dick Casper on Monday nights 8 P.M. at the East Rochester Presbyterian Church.--- Well, we sign off for now and remember 'be nice to me'.

## Henrietta Friendship Sqs.

### HENRIETTA FRIENDSHIP SQUARES

Henrietta Humor - Two school boys were comparing their report cards. The first boy asked his friend about his grades, whereupon the second boy replied, "I got three F's and one D!" The first boy then said, "Your trouble is that you are concentrating too much on one subject".

We recently concentrated on our elections, and came up with the following new officers: President, Ralph and Virginia Darrow; Vice-President George and Bella Hoffman; Secretary, Derrich and Nancy Hulse; Treasurer, Don and Pepper Lapp They will not be taking office until June 1, 1973. To clarify a point, Don and Betty D'Augustino are our presidents until that date. We continue to use P.O. Box 153, Henrietta, N.Y. (14467) for all our Club correspondence.

On January 19, 1973, we were guests at the Web Spinners, but unfortunately, could not turn out in the force we would have liked. During the month, the officers danced with Don Pratt at the Champagne Twirlers in Bath and had a hilarious night. Before the dance, we had dinner at Murphy's and ended up at Art Van Neel's in Prattsburg.

One thing about being Secretary, you have an opportunity to get things off your chest. After the usual Xmas party route where you get a few watered down drinks, a mediocre meal at a comparatively prominent restaurant and try to dance on a small crowded floor, I say thank God for square dancing. For what one such night costs, it pays your Club dues for a whole year.

## Irondequoit Sqs.

Our Jan. 27th dance with Larry Dunn calling was a big success. We had 52 guest couples and everyone seemed to have a good time. Three couples joined the club that evening. They are Neil and Della Botticelli, Duane and Shirley Mabee and Bob and Lois Metzger. A big welcome to them.

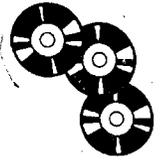

Six couples demonstrated square dancing at the International Night dinner for the couples' club of the Third Presbyterian Church, Feb. 9. Also, several couples demonstrated at the Towngate East nursing home on Feb. 25th.

Congratulations to Norman and Vi Steinmiller whose son, Gary, married Sally Valentine on Feb. 17th.

The Valentine dance, Feb. 10 was a "hearty" event. Ugh. The club members hosted the class

## Kuntry Kuzzins

The KK's have enjoyed the visits of those clubs that have recently been our guests. Fun is the by-word at the KK dances and judging from our guests reaction, they have had FUN.

Doctor Diamond has been busy cutting up the Mattison's again, this time Gladys was a victim of his knife but all is well - she'll be back soon with Veryl on the lunch committee. Oh, he makes a good punch.

Our sympathies to Bob and Marlene Mayeu on the death of Marlene's Dad.

Our next Big Event is our St. Patrick's Day Fashion Show and Dance on Sat. Mar. 17 at 8:00 P.M. at the Grange Hall. Dancing with the new Class is always fun and this will be a chance

Six class couples and four couples from KK were seen enjoying the Fashion Show at the Web-Spinners. Taking a look around the big hall Wild Bill did and made sure everyone was dancing - thanks for an enjoyable evening. You should have seen "Singin Sam's Red Shoes" at the "Green Lantern Inn".

## Lima Grand Sqs.

Sadie Hawkins was a real smash. The hall looked like an old-fashioned barn with saddles and lanterns hanging on the walls, bales of straw for sitting around and chewing the fat. Thanks to our caller, Don Stumbo, for donating a lot of our decorations. Almo Wells, Joan Knox, Jim and Laurie Ross, Al and Helen Whyte, Melvin and Mary Hotchkiss get the credit for decorating. Jug-blowing contest was won by Ed Shirmer, Marilyn Reagan took the title of Daisey-Mae and Doug Winstead walked off with Lil Abner honors. Daisey-Mae and Lil Abner provided the "entertainment" for the evening.

We really thank a friendly group from Genesee Dancers who were our guests Feb. 26th. They were really fun!

What guest caller danced the lazy-legs right off us Feb. 2nd? (Chuck Prister) We really enjoy having this guy as a sub. (Watch out Harry!)

Looks like the club will be having some ghost

writers for awhile. John and Pegge Sherman have found it necessary to hand in their badges. We're sorry about that. Anygood dependable club members looking for a job?

Our Valentine Pot Luck Supper and dance was a huge success. We must have the best cooks around. Leolo and Clair Porter were crowned Prince and Princess, winning a huge box of Valentine candy. A gift was given to Liz, our sweetheart of the club. Decorations were really pretty thanks to Ed and Barb Shirmer, Leon and Pearl Davis. These class members really went for the KK Badges. What a fun group they are!

Our Club was the guests of Genesee Dance Dancers Feb. 8th. Everyone reported having a very good time.

Regards to Harry:

## Merry Mixers

Valentine hearts, cupids, bows and arrows decorated the hall and club and class had a most delightful evening dancing to the cues of Al Howe. Our thanks to you, your wife Betty, Marie and her committee for a fine job well done. Thanks to our class for being our guests, you danced well and put some of us club members to shame.

Our Traveling Turdles had an enjoyable evening dancing with the Orleans Orbits, Steve Sunday filled in for Joe Reilly and he was great. Our Feb. Traveling Turdles event takes us to the Garlock House in Palmyra for dinner and on to Newark to dance with the Kountry Kuzzins with Larry Spavin calling on Feb. 18. On March 31, we plan to dance at the Batavia Twirlers 2nd annual Cancer dance. All you Mixers are welcome to travel as a Turdle, sure is lots of fun.

Some of our class attended the dance at the Red Man Club with Bruce Shaw calling. Our Merry Mixer Class came through beautifully-- Ben, you would have been proud of them. They are now looking forward to dancing with the Henrietta Friendship Sqs. George Washington birthday dance.

On Jan 27 our club and class enjoyed dancing for the Patients at Latta Road Nursing Home. Mixers, save March 3rd and come out and dance for the patients at the Monroe County Hospital. Time: 1:30p.m. They enjoy it so much.

Our congratulations to Irene Pelychaty on her wedding as of Feb. 17th. Two of our Mixers, Betty Cowley and Leonard Prescott just returned from Hawaii with beautiful tans. They danced there at the Hickom A.F.B. to the calls of Al Stevens.

On March 12 we welcome the Triggers and Swing-ing Eights as our guests. March 16 the club will dance with the class. March 19 the class will be our guest for our St. Patrick's Day dance. On March 26 we welcome Jerry Carman as our guest caller. SAVE MARCH 17TH---BEGINNERS BALL AT THE BRICK PRESBYTERIAN CHURCH--- 8:00 - 11:00 P.M.

## Singing Squares

We are happy to announce our club has its own banner now. Ida Herron brought the blue felt, for the background, all the way from Michigan, and Mary Doyle did all of the handiwork. Watch for the flag with the yellow smiling faces; that's us!

Millie Uttaro, who celebrated her birthday recently has lost more than 30 lbs. through "Diet Workshop". She looks and feels so great, she confided, she's counting her birthdays' backwards now.

I understand the Dodd's do their practice skiing at night behind the school. They don't want anyone to know, so let's keep it a secret.

Al Howe finally recovered from his bout of laryngitis. Thanks again to Ben McGilvery and Ed Butenhop for helping out.

Keep dancing and remember, Spring is just around the corner!

..... Mary Brocksapp

## Swinging BB

Our Valentines Dance Sat. Feb. 17 will take place at Ada Cosgrove Junior High. It will begin with a tureen supper. Class members are invited to join us for a very enjoyable evening.

Club members were guests on Feb. 4 at a 25th Anniversary party for Kay and Herb Wendt. All had a very good time. Again many congratulations to them.

Class members are coming along very well with their lessons.

Plans are being made for a St. Patrick's Day Dance on March 17th.

..... Bill and Peg Trometer

## Swingin' Eights

Swinging 8's finished up the month of January with Bud Redmond calling. We "Traded the Stars" and "Glover Flowed" smoothly with thirty-eight guests representing thirteen clubs. A great evening.

Our third annual Beginners Ball will be held on March 17, St. Patrick's Day, at the Brick Presbyterian Church, 121 No. Fitzhugh Street. All Federation beginners and club members are cordially invited. Please note that this is a change from the original date set for this gala affair. The decorations for this dance will be done by our new Swinging 8's class.

Reath Blickenderfer will be our guest caller on March 31 at Hosea Rogers Middle School. Round Dancing by Mike and Mary Prado.

April 3rd. will be the Graduation Ceremony for our enthusiastic Class of '73. This is the time for all club members to meet, greet and make welcome our new members.

April 7 will be our regular dance at Hosea Rogers Middle School. All donations offered will be accepted at this time and turned over to the Annual Muscular Dystrophy Benefit.

We'll be missing Gordon and Iva Allen in February while they are missing our Rochester weather by heading South to Florida. Bill Sanderson and Ginny took off to the wilds of Houston, Texas. Bill found the streets a little narrow! Howdy, Bill. Glad your back. Bill and Helen Klein will be sampling the sun and surf of Hawaii come March. Hope you'll send us some sunshine. Bill and Terry Barnes have joined the ranks of your action group by accepting the job of Federation Representatives. They will be looking for information to take to the top and will keep us up to date on the latest.

Don't miss the beautiful new banner we have. Our thanks to the Abels, Barnes and Jenkins.

Remember to put news for the Promenader on the bulletin board sheet placed there each dance for .....

..... Nic and Nicci

## Triggers

Our Valentine Party was held on February 13th. Henry and Helen Allen were our King and Queen for the evening. It was also a surprise party for them because they were celebrating their 25th Wedding Anniversary. We were guests of the Shirts and Skirts on February 17th and we will be guests of the Genesee Dancers on March 1st.

Our Mardi Gras party will be held on March 16th.

Our sympathy goes out to Blanche Ollie Lawson (a former Trigger) on the loss of her mother, Mrs. Young in Colorado. Mrs. Young was an honorary Trigger.

Our new class is off to a great start. Myron would appreciate a lot of help. If you're free on Thursday night, your helping hands are needed.

..... Bill and Marilyn Raymond

## NON-FEDERATION NOTES

The SING-A-LONGS, with Joe Reilly calling, dance on the 1st and 3rd Sundays of the month at the Greece Y.M.C.A. at 7:30 to 8:00 for Rounds and Squares, from 8:00 to 10:30

## Twirl A Rounds

The month of January has come 'n' gone 'n' brought sadness to some Twirl-A-Rounders and happiness to others. As we know, it's always sad when one loses a loved one and our heart-felt sympathy goes out to Ed Coopenberg 'n' family on the passing of his mother.

Now we are happy to pass along the good news, Audrey Mura is back in the fold again after being a very ill gal for some weeks. We've missed you Audrey 'n' are glad to have you back with us, take care.

Happiness is: Seeing the proud faces of Art 'n' Marge Eichas- their daughter, Cathy, was married in January 'n' attendants gowns, thats terrific.

Have you noticed the wide smiles on Al 'n' Barb Taylors faces? They are new Grandparents. Daughter, Priscilla 'n' her husband Steve have a baby daughter-she's a little doll.

All Twirl-A-Rounders are happy to hear that Joe Reilly is out of the hospital 'n' is back calling 'n' cueing a little. Take it easy Joe.

The DeGraves will soon be off to the "Round-A-Cade weekend at York, Pa. 'n' what a handsome couple they will be. We're so proud of them 'n' we're looking forward to the new dances they'll be teaching us in the weeks to come. Your reporters can't wait to learn them, how about you gang?

Advance tickets are now on sale for the Muscular Dystrophy dance, April 7. Get them from Howie anytime before the dance. Its always been a fun dance, with oodles of "goodies" 'n' surprises, 'n' for such a worthy cause.

We learned a couple of new dances this month- "Fantasy Waltz" a very pretty one 'n' "Mr. Lucky" a tricky one.

Believe Howie has gotten into the nostalgic mood, digging into his back file for some "Oldies but Goodies", "Cab Driver" 'n' "Neapolitan Waltz". They are fun to do! How about some more, Howie?

..... Wayne 'n' Gloria

## Wayne Westerners

So far this winter the weather has been quite cooperative for us country folks plus the Holidays are over and we are back to serious dancing.

Jan 18th we had our first pot luck supper for class + club members. Good food was enjoyed by all. It was our past president's wedding anniversary Bob + Ann Cady.

Later in the evening along with some friends from Lima Grand Squares, we served a special cake + coffee to celebrate.

Jan. 25th several couples from the Copy Cats visited our club, it was a most enjoyable evening. We invite you to visit, we will try our best to give you a good time.

Feb. 1st, about ten couples danced to Singing Sam Mitchell at the Green Lantern Inn. Feb 2nd about twelve couples danced with Web-Spinners. It was a great evening both nites. Feb. 15th

Kuntry Kuzzins, Web-Spinners + Magic Squares were our guests. The usual good time was had by all.

Mar. 14th Wayne Westerners will be guests of Ekc-O Squares. May 18th is the Apple Blossom Dance at the Middle School in Williamson. Jerry Carmen caller + the rounds with Betty Wolcott. As usual we are looking forward to the spring dance with our many friends.

.....Ralph + Gerrie King

## Web Spinners

Every winter I get more envious of those people who know how to escape the cold. Dave and Gloria DeLaney spent part of January in the Carribean and as of this writing Chet and Kay Kuhn are roaming around Florida. I get to roam around Monroe County on my way to dances, which also is enjoyable, but it's just not the same.

Speaking of dances, we were invited guest of the EKC-O Squares, Wayne Westerners, and Shirts N Skirts in February. But as luck would have it, these fell (with our own dance) on four nights ina row, which made for lots of dancing!! We visited those we could schedule in, and enjoyed ourselves.

At last the Web-Spinners injuries are getting more sophisticated. Latest injury is Joe Galen our Vice-President, who strained his ankle playing Volley Ball. Hope to see you back dancing soon Joe, along with John Van Slooten who's taking it easy on Doctors orders.

Lot's of thanks go to all our models at the annual Style Show. They put on a great fashion show for our many guests. Thanks for the show. Thank you Arline Galen for emceeing the show, and thank you Judy Wilcox for those behind the scenes job.

By the time you read this Jean Humphrey should have been in and out of the hospital. If you haven't already, wish her well when you see her.

That about wraps it up for this month. Remember that on March 1 we are guests of the Genesee Dancers (how do they manage to get all those National callers?) And on March 2, JOE REILLY calls at the Web-Spinners. See you all there.

.....Bob and Lyla Bonnett

## Wyco Promenaders

On January 19th, twenty-three couples attended a Mystery dance at Byron Bergen, dancing with the Promenading B's, Ren Fetch Calling. It was an enjoyable evening. February 7th, Promenading B's, Batavia Twirlers and Wyco Promenaders' class spent an evening of class and fun together. Ren and Lee worked together with their classes. It's good for the class to hear a different voice. Our class will be going to Ren's class in the near future.

Our Valentine's Party was held February 9th, a very cold night, but a warm bright party. All club members made a Valentine for hanging on the wall, this was a nice way of adding decorations and they will be saved for another year.

We are sorry to hear that Verna Luengen and Bob Stublely are patients in the hospital, hope to see them back on the floor dancing soon.

..... Bob and Arlene Brotherton
