PRESIDENTS' CORNER

As the new President of the Federation, let me take this opportunity to welcome you back from your summer vacations. I think we can all look forward to a very fruitful and enjoyable square and round dance year culminating in our many trail end dances and a Dance-O-Rama, which will be bigger and better than ever.

The Federation, through a great deal of cooperation and assistance from the Rochester Callers Cooperative, Nes Hasbrouck, of the Opinion Program, and others, has managed to produce a great deal of good publicity for square dancing in the Rochester area this summer and fall. You may have noticed last month that, for the first time, in my memory at least, we were able to secure a proclamation from the Mayor of the City of Rochester declaring September 17--23, Rochester Round and Square Dance Week. This, of course, corresponds to National Square Dance Week.

All of this publicity, of course, helps expand and develop Western Round and Square dancing in the greater Rochester area, by creating an interest in this fine recreation among many who had never been exposed to it previously.

In looking forward to the coming year let me urge all of the clubs and their members to participate, not only in the square dance activities of your respective clubs, but also in Federation and other extra-club activities such as, Dance-O-Rama, Square Dance exhibitions and demonstrations, other Federation activities and the M-D Dance, so that we can continue to develop square and round dancing in the Rochester area.

Jim McCollum

Next Federation Meeting will be on Tuesday, October 16.

We would like to express our appreciation to the Rochester area square dancers and the Callers Co-op of Rochester for their help and cooperation at the Monroe County Fair, Square Dance promotion.

Although things did not go exactly as planned, it proved that square dancers can adjust and make the best of any situation.

We will never know exactly how many new dancers were recruited at the Fair but they probably would not be dancing had it not been for the cooperation of the dancers and callers in this venture.

Sincerely,  
Ken and Lill Boss  
Russ and Marge Taber

The "Basic Squares" will be dancing at the Manchester Elementary School, route 21 off Thruway exit 43 at Manchester. Dancing every Saturday night 8 - 11 P.M. Bob Ellis, calling. Betty Wolcott will be cueing the rounds on the 2nd and 4th Saturdays.

The 4-R Group from Orleans County who square dance on horses, won the Grand Champion ribbon in the "Special Events" class at the 1973 State Fair, for the third straight year.

They are under the leadership of Jack and Mary Brocksapp of Holley. These youngsters all range between 9 and 19 years of age and each owns his own horse.

The group consisted of 2 squares (16), two flag bearers and two color guard, carrying guns. Leslie Bradt of North Chili was their caller and their program consisted of dixie chains, flutter wheels, double pass thru and 2 rotating wheels, gradually forming one big turning wheel.

## Batavia Twirlers

Open House was fun, as usual, with instructor, Ron Fotch and club members making our guest couples feel welcome and anxious for lessons to begin. We are looking forward to our guests from Lima on Oct. 6. See you then!

Norm and Lorraine Tufts

## Belles 'n Beaus

We had a wonderful turnout for our opening dance. It was nice to see Vera and Art Harris, all the regulars and also some new faces.

There was a lot of chatter about summer doings and vacations. Irene and Bill Hart just came back from Bermuda, the Sillicks went tenting through New Brunswick and Nova Scotia, Jim and Doralyn Hill visited Mexico, Ed and Fran Tongue went on a fishing trip and Fran caught a rainbow trout ever so long. We even heard Vera Harris caught four Muskie on her vacation. I guess everyone had a very good summer.

We were sorry to hear Charles Rodgers had an operation, we hope he has a speedy recovery.

Congratulations are in order for Bob and Alice White. They have a new grandson and Norm and Althea Rosenburgh's two daughters gave birth to baby girls two weeks apart.

We have four lucky couples (Ethel and Russell Heffer, Mary and Evan Smith, Myrtle and Dick Moore, Stella and Harold Elich) going on a trip to Europe with the CIRCULATORS CLUB. We hear they are going to do a lot of dancing on foreign soil. We wish them a Bon Voyage. By the way, Harold and Stella Elich will be celebrating their 25th Wedding Anniversary.

It was nice to see Tom Hasman and Cris Jenkins join our class this year. Tom is the son of our past presidents, Ed and Ruth Hasman.

BELLES 'N BEAUS classes began at Holmes Road School on September 19. Don't forget to come out and give the class help and encouragement.

Keep October 8 open on your calendar. We are having a HOT LUCK SUPPER at the Greece Grange Hall, followed by our regular dance. See you all there.  
Dorothea and Gil DuBois

## Boots 'n Slippers

Never a dull moment! Boots 'n Slippers have moved! This season we are dancing in the Bertin Williams Jr. Senior High School, Hilton, just a little bit north of our previous location. Same time, same evenings, same callers. We're in the process of organizing the seating, refreshments, etc., but it's a lovely school with fine accommodations, and we hope to see all our old friends there, and a lot of new ones.

Hey, how about that News Letter our officers have been coming up with lately? What a great way to keep everyone posted on current events, especially those who for reasons of illness or otherwise haven't been able to square up regularly. And, even those who do dance regularly are not always "tuned in" at announcement time, huh? "Whadesay? whadesay??"

Sneaking of current events, don't forget the Hot Luck Supper this month, Sept. 30, at 5:30 P.M., place: North Hampton Rd. on Salmon Creek Road. These affairs are really a gourmets' delight, not to mention the relaxed, fun dancing, also a great opportunity for club, new graduates, and class to get better acquainted. Try it! You'll like it!

Would you believe that our President won't divulge the destination of our Mystery Ride to this "confidential reporter?" Do watch for more information on this event. It's a favorite!

If Open House was any indication, this promises to be another big year for Boots 'n Slippers, class and club. So nice to welcome the enthusiastic newcomers and greet old friends like Dee Koch.

Still hoping a competent locksmith will join our club, or at least a Dr. Freud, who can explain Mike's thing with keys!

Til we allemanie you....

Jack and Joan Hennekey

## Cloverleaf Squares

Our September 9 dance proved to be somewhat sentimental to some of us Cloverleafers. It was our last dance at Chili Town Hall. Starting with our open houses on September 23 and 30, we'll be at Our Mother of Sorrows Church in Greece.

The Club is looking forward to dancing with Al Howe on October 21st. The 14th and 28th are regular dances with Mike and Bruce. On October 7, only, the class will dance with Mike from 6:30 - 9:00.

A weekend outing is planned for the first weekend in October. Here's hoping we'll have a good time and nice weather!

Looking ahead to November --Chip Kellogg will be our guest caller on November 25.

## Copy Cats

Our 1973-74 season started out with our club level Open House on Sept. 8th, which was a great success. Dancing to the fabulous calls of Mike Callahan were five sets including couples from Swinging Eighties and Genesee Dancers. After which most of them headed for Friendly's for ice cream.

Copykittens started on Sept. 11th, with an Open House and the floor was full of dancers. The class is looking good so far and Chuck Prister is leading them with his fantastic calling.

Wanda Callahan had the flu and we missed her at our dance Sept. 8. Hope you're feeling better soon, Wanda.

Also in the medical section - Russ and Marj Taber are the proud grandparents of a beautiful baby girl with brown spots. They haven't named her yet as I am writing and she is already 1 week old. (Don't fret - she is a cute little filly with a very proud, protective, 4-legged mother).

Chip and Sylvia Kellog have an addition named Kina. She is a very pretty compact face Arrow Coach. It has red and orange inside and Sylvia had something to do with that so the rumor goes.

Vacationing were Jim and Helen Fordham the beginning of September and rumors have it that Paul and Florence Frost are leaving for Puerto Rico the beginning of October have a nice trip!!!

Harold Pierce will be calling for us on October 13 and our Halloween Dance will be October 27, and if anyone comes to that without a costume, they will be fined. So, beware and come support your club - Copycats.

The Copycats have been invited to Kodak on October 10 to dance to Ken Anderson. See you dancing.....  
Bob and Rita Dobbins

## Country Twirlers

Bow to your partner and allemande left--with those familiar words our new class is off to a good start. Several of our couples, the Hess', Woelers, Fredmores, Princes and Goldsteins, are off to a European vacation and we all wished we could have slipped into their suitcases. Auf Wiedersehen. Bill and Eileen Stackman are celebrating their silver anniversary with a trip to Hawaii--one we all dream about. Maybe they will see the herrys there. Aloha to you.

We are proud to present Curley Custer on Friday night, November 9. Hope you can join us as Curley is one of the best.

Sorry to hear that Hugh Wilson, one of last year's class members, had a heart attack this summer. Hope that he will be dancing with us soon again.

October brings those wonderful cooking odors, beautiful Fall weather, and Halloween. A gala Halloween party is planned on Saturday, October 27. The refreshment committee will be working on fun, food and follies, details of which will be announced later.

Many thanks to all of you who participated in our demonstration dances at Eastview Mall and Westgate Plaza. The enthusiasm of the crowd leads us to believe that this will be an exciting year for square dancing.  
Ben and Rosemary Bartow

## EKC-O Squares

As fall's tapestry of colors slowly weaves itself over our hillsides, EKC-O's dance floor was a glow with swirling patterns of gaily-colored shirts and skirts. Our September 7 Welcome Back Dinner Dance was attended by over 200 happy, chattering dancers. Bill Peterson's smooth singing voice wove a spell of excitement. The evenings of dining and dancing was a most enjoyable way

to initiate the new dancing season, thanks to the efforts of our hard-working officers and their committee.

Our own Ken Anderson will be weaving his special brand of magic on Halloween. Come join us for the traditional cider and doughnuts. No tricks - just treats! In fact, October is filled with treats! On the 3rd Larry Dunn is guest caller. (He puts on a great floor show.) Dick Han, a new caller to our area, will debut on the 17th.

Many club couples helped spread the welcome mat on Open House Night. Their friendly, helpful support was much appreciated. With Ken and Bob Ellis sharing calls on the mike and Betty Wolcott on rounds, the anxious look of the newcomer soon gave way to one of enjoyment. The floor was packed and hopefully, with Bob Ellis' able instruction, many new dancers will call EKC-O "home".

You may have noticed the dancer wearing a diamond tiara who naturally assumes head position in a square. It's Harriet Klotzbach! She was recently promoted to Manager of the Fine Jewelry Department of Senggers in Buffalo. (Just go wherever she tells you to go!)

Pete and Johnny Van den Berg have been happily cleaning wooden shoes all summer. The "clop, clopping" was made by relatives from Holland. And speaking of traveling, on Sept. 20-22 Dick and Audrey Weber, along with John and Margaret Andrews, attended the Delaware Valley Sq. Dance Convention in Philadelphia.

Would you believe?

.....Chuck Prister won the "No-Belly Prize" for his courageous Navel action

.....Audrey Weber was actually seen wearing the same dress twice

.....Ruth O'Connor authored, "Everything You Always Wanted to Know About Spiders, And were Afraid to Ask..."

.....Eileen and Bill Stackman are Arthur Murray drop-outs

.....Norm Nagels sells safety shoes

.....Lea Zwack missed her turn at refreshments

.....Mary Lou and Harry Gorman are still "crabbing" about their vacation

.....Late dancers are issued roller skates in EKC-O's parking lot so that they can arrive upstairs before the hot cash tip

A bouquet of thanks to Florence and Andy Guest, preceding correspondents, for giving us an informative, enjoyable column. Chalor,  
George and Sallie Ammons

## Fiddle A Rounds

With the summer well behind us now you would expect that everyone is ready to buckle down and work on some real serious dancing. That's what you would expect--but with this group, it's not quite everyone yet.

For instance, right now Tip and Millie Costich are enjoying so many interesting and exciting places while on their European tour with the Circulators from this area. Then when they return, it's 10 to 1, Tip will start making plans for a trip to California or Florida. Since he joined the ranks of the retired this past summer, he doesn't have trouble anymore fitting a work schedule into his vacation plans. Now it's Millie who's having a problem arranging her work schedule to fit his 52-week vacation. Our congratulations to you, Tip, on your retirement. We are sure everyone joins us in wishing you and Millie many happy and healthy years together and the best of luck as you go trailering and dancing around the country.

Jack and Arnes Low have also been making plans and looking forward to exciting tours in London, Amsterdam, Brussels, Paris, and Rome--just to mention a few spots they expect to visit--while on their 3-week tour of Europe this month. This is their first big trip since their retirement this summer from the Rochester City

Schools. Our sincerest congratulations to you both with many good wishes for continued success and happiness in your many future plans.

And then we, too, have been looking forward to a vacation of round and square dancing this week in the Smoky Mountains at Fontana Village in North Carolina.

Looks like the only ones who really buckled down to real serious dancing were our leaders--Howie and Dot DeGrave--whose appearance on Channel 21 recently really deserved an applause. We understand the program was excellent. Unfortunately, due to vacations, we are sorry so many of us missed the TV show.

We are happy to see Lorene Phillips dancing again. It was a real surprise to see her and George among our First Nighters this fall. Sure hope they can continue to join us each week.

That's it for now--hope to see you around.

George and Dorothy Riesenberger

## Genesee Dancers

It was nice to see all your faces again after a great summer. We are hoping for a great year with your help and interest. There were 58 Club members at the buffet and we welcome new members Bob and Millie Scott and Jack and Shirley Garland.

Our sincere sympathies go out to the Shaws on the death of Scottie. Also to the Freeland on the death of their mother.

Gloria Steinmiller is looking great and still in there pitching for the club though not dancing yet. Ginny Casper is getting around and should be dancing soon. Ray Seymour was down after his accident but it was nice to see him at the dance on the 13th. We miss you all if you are not around. Evelyn Stocking had to have surgery again but expects to be back before long. Jack Freeland still has the cast on his leg.

Our ever traveling members are still on the go, the Courneens to a Brockville dance 9/15 then in October heading South. The Rusters to Gettysburg, Pa. then in October to Toronto. The Hoffmans, Seymours, Costichs, Kocherbergers, Marshs and Hoseltons are off to Europe with the Circulators. I offered to go along as reporter but the best Eva would do is pack me as a petticoat. Now do you think I could pass? Don't you dare answer that!

The Napolitanos were telling me that Fat and Buz Nocera are moving into their new home in Brandon, Fla., November and enjoying the sun.

Tip Costich retired after 35½ years from the Rochester Fire Department. Congratulations! A Surprise party at the Greens on 9/15 was enjoyed by 16 couples including the Lewis' and Carlshs from Alfred.

Well, we're signing off for another month. Oh, one more thing, how does "flying" Art Bennett welcome you at the door? Ask him how he treats me! I'll be glad to show him how to solo. Hi Art.

Don't forget the class on Tuesdays. We need you all.

Joe and Angela DiBitetto

## Geneva Friendship Sqs.

We were pleased that fifteen couples from our club were able to attend Don and Lucille Pratt's 10th Anniversary surprise party at Henrietta. We wish the Pratts many more years of successful calling. In spite of all the dances in our neighborhood and sometimes the lack of music, we had an enjoyable sauerkraut festival dance in Phelps. Our first prize float went on to the Wayne County Fair and won another award.

## Henrietta Friendship Sqs.

"OH! How we danced" -- And indeed we did - all 64 couples plus on Saturday, Sept. 6, at our 10th HAPPY ANNIVERSARY party to honor our founders, Don and Lucille Pratt. After being falsely alerted twice that "they're here!" and hustled out into the darkened hall, Don and Lucille arrived and our new presidents, Ralph and Virginia Darrow, paraded us out single file past the surprised couple. We continued on in serpentine fashion, weaving in and out expertly and finally emerged in the Grand March. Founders badges were presented to Don and Lucille and to their friends, George and Grace Pomkins, who helped us arrange this "surprise." Celebrating with us were guests from the Penn Yan Friendship Squares, Geneva Friendship Squares, Champagne Whirlaways, Ca-Di-Co Squares, Caledonia Squares, Genesee Dancers, Boots and Slippers, Lilac Squares, and the Teen Twirlers. A memory book bearing the signatures and best wishes of all his old (and new) friends was given to Don later on during the evening.

The Teen Twirlers, outfitted in patriotic Americana colors, twirled professionally through various international folk dances on which our present western square dancing is founded. Many of us with two left feet watched in open-mouthed awe. They later exhibited their youthful vitality by doing an impromptu "Amos Moses" and the "Ya-Ya." It's always a pleasure to view this talented group of young people. Speaking of talent, their Vice-President, John McNally, proved to be very promising when he treated us to a sample of his calling. Our many thanks to all of them and to their directors, Dr. and Mrs. Westwater.

Ben McSilvery, our new caller, really put us through our paces, trying to iron out the rusty kinks accumulated over the summer. Some of those "kinks" were pretty stubborn! We promise to do better next time, Ben. Honest!

There's something new to look forward to. Preceding our regular club dances every second and fourth Saturday of each month, there will be a round dance class from 7:30 to 8:15 P.M. @ \$1.00 per couple. Our square dance classes will be at 8:00 P.M. each Monday evening at Roth Junior Hi. Ken Boss will be the instructor.

Don't forget our special Sunday dance, Oct. 7, at 7:30 PM at Roth Jr. Hi., East Henrietta Road. Squares by Dick Leger and rounds by Ferky Tucker. Vacations are over for most of us, but Dottie and George Falk are just about to enjoy theirs. This happy-go-lucky pair are off to Germany and Switzerland for two glorious weeks. Don't Fall off the mountain! Bon Voyage!

If this happy beginning is indicative of our new dancing season, there's more fun and excitement in store. Join us, won't you?

## Irondequoit Sqs.

Ed and Marge Anderson, Joyce and Roger King, who are our membership chairmen this year, did a great job in making our open house very successful. It's great seeing the smiling faces and twinkling eyes of the guests enjoying this wonderful past-time - western square dancing.

The Calmans, Brooks, Davidsons, Raybees and McLaughlins were at Hidden Valley with Bill and Judy Labor Day weekend. A number of Web Spinners were there as well, and we understand they like to stay up late, too.

Alex Davidson has solved his emergency brake problem. Is that a spotlight or a flood lamp?

We hear Kay and John Welch were called on stage at a performance they attended while in London. They visited England, Ireland and Scotland this summer.

We are saddened to learn that some of our members lost loved ones during the summer break. Our sympathy is extended to the Astmans, Pedullas, Phillips and the Shaws.

Several of our members enjoyed Bruce and Mike's weekend in Olean, Sept. 14-16. The Al Andersons, Beechlers, Cutais, Haug, Kings, McLaughlins, Palumbos, Scarfonos, Sulewskis, Termines, Tettes and Warrens were some of the lucky ones.

The Bierres also made their annual trip to Philadelphia to a dance weekend.

Looking ahead, October will be a busy month for the Squares.

We will start it off with our annual family clambake at Webster Park, Oct. 6. Our October 27 dance will be a costume Halloween party. Why don't you get a square together, use your imagination, and come on over to Laurelton School and show us how clever you are.

Ken and Mary Jane Ridd

## PROMENADING B's

We are very happy to be in the Federation, and being new, thought we'd tell you what we have been doing and what we are up to doing.

First of all, our Club Caller is Ron Fotch and he teaches round and square dancing. His wife, Betty, is always by his side, helping. Our Club Officers are Bill and Terry Huskey--President; Dick and Donna Iringle--Vice President; Don and Lucille Palmer--Treasurer. Donna has been doing all of our secretarial work.

Our summer dances were held at Timber Line Camp Ground. On Aug. 5 we had a Club picnic in Bergen Park. We danced, ate such good food and just had a real good o' time. We also danced at the Monroe County Fair.

Ron Fotch did the announcing of the parade for our Bergen Carnival. Also last years' Graduating class, decorated and rode the float. The float was decorated with bees, which is our traditional fashion. We also demonstrated square dancing at the carnival grounds.

OPEN MONDAY THRU SATURDAY 9:00 A.M. - 5:30 P.M.  
FREE PARKING AT CORNER STATION

Cren House was held on Wed., Sept. 19 and our opening Club dance was Friday, Sept. 21. Our king & queen, Russ and Ruth Uhrenholdt were host and hostess. A beautiful cake, decorated with welcome and lots of bees, was done by Donna Iringle. Of course, the hall was decorated with bees and signs of welcome.

Wedding Bells rang twice this summer. First for Ron and Betty Fotch's daughter, Barbara, and second, for Bill and Terry Huskey's son, Paul. We wish them much happiness.

On October 5, our guests will be the Wyco Promenaders. October 19 will be our Halloween Party. Of course, it will be costume.

Good News. Our Club made Stan Burdick's National Square Dancing Magazine, for the best idea of the month.

Come and dance with us. You will have lots of fun.  
Bill and Terry Huskey

## Rochester Rollaways

NOW HEAR THIS!!!! We don't want any Rollaways showing up on a Friday night for our first October dance - 'cause it ALI'!!!!!! We dance to Jack Lasry on Sunday after-noon - so remember the date and time! October 7, 2:30 to 5:00 P. M. See you there.

"TOO SHOON OLD AND TOO LATE SHMART!!!" No, that isn't describing square dancers (tho' come to think of it, that could apply to some of us!) That is a famous saying from the Pennsylvania Dutch Country where Betsy and Hamilton Stearns just spent a vacation. Their only complaint was about the food---for which they coined a new saying. "MUCH TOO GOOD AND MUCH TOO MUCH!" From there they joined sixteen other Rollaway couples at Conneaut for some hot dancing- and WAS IT HOT!! at least a hundred and ten in the shade! The Stearns wished they had stayed in Pennsylvania and kept on eating!

SAD NEWS DEPARTMENT Reese and Muriel Cole are leaving us. They are moving to Mesa, Arizona. (sounds like a "Gunsmoke" location!) While we sure hate to see them go- we want to wish them all the luck and happiness in the world-

Now who can say there's no such thing  
As a magic spell and a "fairy ring?"  
For kindness of heart begins where it ends  
As it goes the rounds thru' a circle of friends!

Come back real soon to see us!

HAPPY VACATION DEPARTMENT Fran and Ray Brown are off to Florida for a "business and pleasure" trip (whatever that is! If Fran wasn't going along, we would think it was "monkey" business!

WELCOME ABOARD DEPARTMENT The blue flag was proudly flown from the mast at the Storks. (no pun intended) Blue, designating boy!!! Their new grandson weighed in at nine and a half pounds! No wonder it took him so long to get here!

HELP WANTED DEPARTMENT No, we are not offering you a job -we want you to give US some work!! We can't "work" at writing a column "effen" we don't get some "vital statistics" from the membership at large!

So if you know something exciting-  
(Plain gossip we cannot use!)

Look up "Ye Olde Reporters"  
And give us some "real hot" news!!!

We'll love ya ' !!

Mae and Harry Malley

## Kuntry Kuzzins

We're swinging into another Fun-tastic Square Dance Year. We hope everyone had a grand summer. Our club danced two demonstrations and had a ducky time on the lake at Larry Spavan's picnic.

This month we have our regular class dance, the 13th, followed by a Carl Hank's dance at the Newark Community Center. Both of these guest callers are fabulous and should create a fun-filled evening. Hope to see you there

This is Clint and Waiva Van Cleef saying have a grand time square dancing. We hope to be able to join all of you and hope you'll all join us.

Clint and Waiva Van Cleef

## Lima Grand Sqs.

Lots of couples showed up for the August 18 picnic-dance at Rita and Lou Lambert's - games, gab, good food and good fun-dancing by Don Stumbo. This is not the first and we hope not the last one at Rita and Lou's - they always show us a real nice time! Our THANKS to the Lamberts.

Our first dance was held Friday, September 14 and our Class Open House, Monday, September 17. We're all looking forward to another good year of fun with the Club and the Class!

## Swinging BB

We put on an exhibition square dance at the sidewalk sale in Spencerport on July 13. Bob Brunshidle called for us, while Dorothy Brunshidle was busy signing up new members.

On August 16 our club members danced at the Monroe County Fair along with other clubs. Who were the two brave people that went on the double ferris wheel?

On August 17 we had our family picnic at Churchville park. We played games and stuffed ourselves with a lot of good food. Fun was had by all.

Was nice to see so many of our club members enjoying themselves at the summer workshop at the Redmans Club with Bruce Shaw and Mike Callahan at the microphone.

13:00-18:00

Open House was held September 8 at Ada Cosgrove School. We had a real nice turnout. Welcome back to all the members and a big welcome to all the visitors who came and hope they will continue on Saturday nights. Our class night started Thursday, September 13. Remember your own first days in class and give our new friends a helping hand on class night.

We are having a National Caller, Gloria Roth, on Oct. 26. All are welcomed.

Hope to see you around the set. Jim and Mary Messer

## Swingin' Eights

Swingin' Eights launched their fall dances with Jerry Carmen substituting for Bruce Shaw and Gordon Copeland calling the rounds. Jerry's mixer, Amos Moses, and introduction of the Old Fashioned Contra, an original folk dance from New England, set the stage for fellowship and fun. All you had to do is watch your "Actives" and your "Ends", and Pat Korean crocheting on the side lines!!!! Much to George B's surprise, Marge B. corralled him for a "Round". Encore, George, you looked great.

New dancers are still welcome to join the class Friday nights at Hosea Rogers. Their first evening is free. Classes are from 8:00-10:30. Twenty-one new couples began Square Dancing at our Open House September 7, with Bruce Shaw teaching. Call 872-5053 or 544-4279 for information.

Bring your Pot to add to our Luck, October 6 at 7:00 for our traditional supper. This year we'll honor our new caller, Bruce Shaw and his lovely wife, Shirley.

It was "hotter than old heck but dance we did, morn, noon and night," say the Frados, who spent a week at Bangor Lodge, Lake Muskoka, Canada. What was the big attraction for the men when the Allens, Corys, Kleins, Frados, Sheplers and Soltysaiks danced at the Sky Line

Hotel, Brockville, Canada----the Rathskeller??? Gordon and Iva Allen will be off to Hawaii in October. I wonder if they sell postcards in Hawaii??

Y'all come to hear the voice (perhaps with a new accent) of Tom Trainor on his return engagement on October 20. You too, Angle.

Incidentally, Shirley Long says..... dues are due.

The Niccolis

## Singing Squares

The first dance at our new location (Greece Grange) was a big success. We had some fun moments when a few people forgot how to "square it up" or "star by the right" and other difficult calls.

Joy Ellis had a birthday September 8 and her husband, Ron bought her a new, fancy underskirt. Joy was so proud of it she left the price tag on it, to wear it to the first dance. Dazie Hendrick called her attention to it during the evening.

Jackie Stein is conducting a contest to find the man in Singing Squares with the smoothest feeling face for kissing. She has informed us that so far she has to vote for Al Howe. Anyone else can still get in the running. Just shave real close for the next dance, boys!

See you at the next dance!

The Spy

## Swinging Singles

Swinging Singles were on the move all summer, and are now starting a fall season that is shaping up to be even more exciting than the summer. The finale to our active summer was our participation in a three-day demonstration at East View Mall. The callers were superb, and all who attended had an enjoyable time.

Our Open House was September 17. Chip Kellogg did a great job of calling on September 24. Five clubs were invited to attend.

We meet at the Raymond Memorial Baptist Church, 12 East Church Street, Fairport, N.Y. from 8 to 11 P.M. on Monday nites except the last Monday of the month, unless we have a special guest caller. We invite all singles, 18 to 35 to come join in the fun with us.

Jerry Carmen, our caller does a fantastic job of leading the group in an evening of invigorating dancing. Bob Slomcenski is great at using his talent for round-dance calling.

## Triggers

Our annual Triggers' Picnic was held on September 8, at Hamlin Beach from 10:00 A.M. to 10:00 P.M. Everyone enjoyed the fun and games held throughout the day.

All dancers had a chance to earn three extra badges which consisted of:

- (1) CATERPILLAR BADGE - Dancing in the Grass on your knees.
- (2) DUCK BADGE - Dancing in the waters of Lake Ontario
- (3) FLEA BADGE - Dancing in the sand on the beach

A smorgasbord type dinner was served at 5:00 P. M. and everyone was eager to eat after the workout we all had. Dancing followed immediately after dinner, from 7:30 to 10:00 P.M.

We then surprised Peggy and Myron Huss at 12:30 A.M. for an Idiot Party to earn our Idiot Badge.

Those who couldn't attend the days' fun sure missed a good time.

Trigger Club dancing started Tuesday, September 11 at Parkland School. Everyone was happy and eager to get back into the swing of things.

October 2, 1973 will be Guest Night for the Triggers'.

Those invited include "Batavia Twirlers", "Belles 'n' Beaus" and "Boots 'n' Slippers."

Halloween Party to be held October 30. Details to follow.

## Twirl A Rounds

Sad to see our lovely summer end but glad to put on our dancing shoes again and see the familiar faces of all the gang on Wednesday nights. Just know it will be a fun-filled 'n' rewarding year of new dances taught by our Howie 'n' Dot. ('N' we missed the first dance of the season!)

Speaking of our Howie 'n' Dot, how many couples can say they appeared on TV on their 30th Anniversary?? The Callers CO-OP asked them to dance on Channel 21, on August 28th 'n' they looked handsome waltzing around the Tube.

Many thanks to all couples who came out to promote Round Dancing at the Monroe County Fair 'n' to our able leader, Howie, who cued.

Have you noticed the expectant smiles on the Codys 'n' Laurens lately? They both expect to become grandparents within the next few months.

Three couples have celebrated their 25th wedding Anniversary within the past month, The Busharts, Klesses 'n' Yours Truly. A champagne toast to all.

We are all saddened to hear about the passing of George 'n' Una Shaw's beloved grandson, Scotty. To the parents 'n' family of this courageous youngster, our heartfelt sympathy.

Until next month - happy dancing to all.

Yours Twirly

Wayne'n' Gloria

## Wayne Westerners

I somehow just can't believe that the summer vacations are over and Fall is here. I guess the time goes faster when you're busy. Many members went on picnics, had campouts, traveled, and some even square danced, I understand.

The Wayne Westerners put on two square dance demonstrations, one at the Apple Blossom Festival in Williamson and one for the Macedon Sesquicentennial celebration at the West Wayne Plaza.

31 members of the club had a swinging time at the C. Phil Haven campout on Aug. 3-4-5. We danced on the lawn on Saturday night and we had a jolly crowd for an

audience (despite the bees). Some of the onlookers even got up and danced a couple of times. Following the dance we had a sing-a-long around a campfire. Those members who didn't camp for the weekend came to the picnic on Sunday. Many thanks to Bruce and Ethel Stone for making the arrangements and for hosting the group.

Our officers have planned a gala program for the coming season with parties, fun nights, and pot luck suppers. Our first party will be our Apple Harvest Festival on Oct. 25. (No kidding, we're going to use real apples). We urge club members to not miss out on the fun.

Our small but enthusiastic class has gotten off to a good start and are already dancing up a storm.

We are looking forward to a great square dancing season.

Lucy and Frank Lewis

## Web Spinners

Our thanks to new residents, Joe and Arline Galer, for pinch-hitting for us last month while the Buccì caravan ate and drank its way 'cross the great Southwest.

Most Web-Spinners were back from all points of the compass in time for our Open House, September 7. What a success! Twenty-seven guest couples joined Club Members as "Wild" Bill Wilcox went wild and put all through a real work-out on the floor! Glad to see that Web-Spinners were in good shape and able to keep up -- often-times because they were able to remember that all important dance step for which so many are famous --the "Fudge Factor."

On Friday night, September 14, we started regular dance season, leaving us only three weeks to set our feet re-oriented before welcoming Guest Caller, Mike Callahan. Then two weeks to work out plans for our Halloween Dance on Oct. 26. Costumes optional, gang!

We were saddened to learn that summer was not happy for all Web-Spinners. Our deepest sympathy to Gail and Bob Hayes on the loss of Gail's mom.

We learned that June Wilbert, Rocky Maggio and Bill Klos all spent time in the hospital this summer, and, at this writing, bubbly Pat Oeschger is putting in a few days at the nearby establishment (and will leave the nurses in stitches, no doubt). Also heard that Laurie Maggio is having leg problems (in true Web-Spinner tradition).

On the bright side, it was a happy night to see Jean Humphrey and Marian Sclick snashaying around again and we are anxious to welcome Helen Fordham back.

Hey, gang, let's call it quits on the illness and injury scene for the year!

To Bill Klos - get that knee in shape if you're going to bounce your new grandson! Congrats to first time grandparents, Elaine and Bill.

Paul and Joan Buccì

## Wyco Promenaders

The Wyco Promenaders swung into full force for their Open House on September 5. The new group who has decided to learn the art of square dancing seems filled with enthusiasm and pep. Wyco decided to add rounds to the club and classes for beginners are being taught by Alberta Winters of Batavia every Wednesday evening at 8:00 P.M. in the music room of the Castile elementary school. At the same time, squares are being taught by Leo Parsons.

October promises to be a good month with regular club dances the second and fourth Fridays. In addition, rounds will be cued starting promptly at 7:30 P. M.

In order to help some of the 4-n youth in our area, Leo Parsons has graciously encouraged them to join us in
