

"PROMENADER"

VOLUME XII No. 6 ROCHESTER, NEW YORK JUNE, JULY, AUGUST 1974

May 9, 1974

Along with the smell of popcorn, peanuts, and cotton candy at the Muscular Dystrophy Dance/Circus, there was an unmistakable atmosphere of excitement, enthusiasm, warmth, generosity, and most of all ---LOVE.

More than 250 people worked from several hours on April 27th to several months prior to the dance on various committees--from decorating or printing flyers, tickets and programs, to costume designing and sewing, co-ordinating the raffle program, or planning refreshments for 1500-plus dancers.

It is with sincere thanks that we tell you \$6,436 was raised to support medical research efforts in finding a cure for this devastating disease. Our sincere hope is that we can soon hold this dance for some other cause..

Thank you again for your generosity.

R E P O R T

The 16th Dance-O-Rama held at R I T was not all a howling success. Attendance was less than 700 dancers and one-third coming from out of the area did not give our local square dancers a very good showing. All was not bad, however, those who did attend had a good time dancing to the square dance callers who did such a wonderful job to fill in the unexpected spot and the large number of round dancers in attendance, showed us that the wonderful teaching of the Easterdays was greatly appreciated. The sound was much improved but there is much to be done along this line.

Now we have to start thinking of the year coming up. We need new leaders and people to serve on committees; new suggestions as to how to improve the next dance. If anyone of you would consider being a chairman, or serving on a committee for next season, please contact your club Federation Representative, or Al Taylor, 87 Berkeley Street, Rochester, N. Y. 14607. There will be a final meeting of last year's committee in the near future. Everyone is welcome. Just come along.

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

PRESIDENTS' CORNER

As the outgoing Federation Presidents, we look back upon the past year with mixed emotions. We feel that there have been definite successes and gains, but yet there have been some distinct shortcomings as well.

On the plus side, we have made distinct gains in membership and membership potential. We have become an organization serving 32 square and round dance organizations. We are now, for the first time in our sixteen year history, in a position to represent and serve all square and round dance organizations and activities in the greater Rochester area. We include organizations in the Counties of Monroe, Wayne, Ontario, Livingston, Genesee and Wyoming. We have taken great and important steps to develop and increase our already fine working relationship with Rochester area callers. We have voted to establish committees for publicity and promotion of square and round dance activities and are in the process of setting these up.

However glowing and exciting the foregoing may sound, all is not entirely well with the square dance community. Attendance at the Federation meetings has been somewhat less than sensational, to say the very least! Less than half of the clubs are represented at any given meeting by either junior or senior representatives and some clubs are never represented at any meeting. So few junior representatives showed up this last year that it was virtually impossible to select even one complete slate of candidates for offices for the forthcoming year. As a matter of fact, as of the date of this writing, no candidate for President has been found!

There are, of course, a number of delegates who are extremely conscientious and hard working. Certainly, the officers of the Federation who have been serving with us this year would have to be included in this **category**, along with a small hard-core of delegates. However, it takes more than a handful of stalwarts to carry the ball in an organization which does so much and can do so much more for our square and round dance community.

Two committees, to which we previously referred, set up for the purpose of publicizing and promoting square and round dancing in the Rochester area, have yet to receive any volunteer help or members, despite the fact that we have appointed two outstanding leaders of our square and round dance community to head them up. One, but certainly not the only, reason for having good attendance at these Federation meetings is to have a sufficient number of people available to either work on Federation projects or find somebody who can.

To you in those affiliated clubs whose delegates have not participated in the Federation we can only say that you are blowing a wonderful opportunity by not insisting that your delegates faithfully attend Federation meetings, participate actively in them and act as an active liaison between the Federation and your clubs with respect to those matters which concern you. During the seven years we have been active with the Federation, we have seen the number of affiliated clubs rise from 13 to 32. Concurrently, we have seen a drop in attendance and a seeming diminution of interest.

The Federation is YOU, not just for you or about you! What the Federation does is up to YOU. We personally would like to see the Federation develop and expand its activities. It cannot do this, however, unless the Rochester community is willing to get off its collective duff and work for the collective good of the whole as well as its own insular concerns.

In conclusion, we want to thank the Dance-O-Rama Committee for a job well done and the clubs who pitched in to make it a success. We want especially to thank all with whom we have worked this year for the support and help you have given us.

Jim and Betty McCollum

Well, the Dance-O-Rama has come and gone, but not forgotten. At least not by me.

It started on Friday afternoon, I offered to help the decorating committee put up signs. The next day Doralyn Hill followed the signs to the Womens room and she wound up in the Ironda Shop.

Mike Prado put up the signs leading to the RITskeller. The first thing I did Saturday was to follow those signs and I found the RITskeller, a pitcher of beer and Mike Prado.

I also helped put up those ash barrel chandeliers. As you probably know, one of them came down, just missed Sylvia Tinsmon. Sylvia, a beginner, I convinced her that every time somebody goofed up a set, one of the chandeliers drops down on them.

Al Taylor and his committee were so overcome with appreciation for my help, tears came to there eyes. They said that I helped enough and that next year I should let someone else help.

There were a splended group of callers. The ones that called in English made the biggest hit. Singing Sam, of course, didn't show. They booked him in 1972 and three weeks ago he found he had a previous engagement.

I asked who the Round dance teachers were? Don Tracy said, "Easterday". I told him I didn't care what day it was and besides last Sunday was Easter day. He explained, I got it.

Irv and Betty Easterday demonstrated "Walk right back" and when doing the "strut" face to face, they were soooo

close, well, I'll tell you any closer and she would have been behind him.

I said to my Taw, "let's try it like that". She said "O.K. but take short steps". I took short steps and I stepped on myself.....went to the square dance hall.

The Big gym was nice to dance in and it didn't matter if you squared up late, you could always dance to the echos. But dancing in the Small gym was unique. Buck was calling and I knew something was Fishy cause our set was dancing to Dick Bayer, who was calling in the Big gym.

Everybody went to an after party. I had a choice of two places, my mother-in-laws or home. Then I heard some one say they were going to the Inn. Soooo we went to the Inn.

The Inn had one of those cozy dark sitting rooms. It was kind of cute, the way they used seeing eye dogs to lead you to a table. I sat down three times before I found a chair. Taw said that they were conserving electric but I think they were re-cyling candles.

I ordered a pitcher of brew and poured for about two minutes before I filled my glass. When I put my elbow on the sopping wet table cloth I knew why it had taken so long.

I'm sure there were other people at the table, as I could hear them breathing. If you were there please write, as I would like to know where the rest of my beer went. If you were not there, well.....

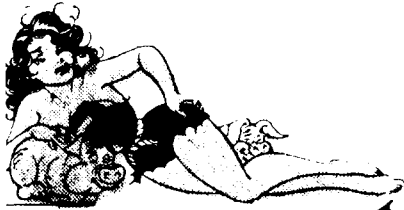

Thanks anyway,

Hal Abberger

Batavia Twirlers

A "big thanks" to all the couples who turned out to dance with Ron Fotch at the Mome Show demonstration, May 4th. We always have a lot of fun there.

Don't forget our summer dances at Alexander! Have a happy summer.

Belles 'n Beaus

BELLES N BEAUS

With this issue, the current square dance season draws to a close. Many of our members enjoyed various vacations through the winter months, thereby escaping the cold, inclement weather normally experienced at that time of year. We sincerely wish all the "Belles & Beaus" a most enjoyable summer.

Since the May issue went to press, we learned that Bob & June Maurinus spent a vacation in Florida. Also, after Easter our directors, Bob and Bernice Weaver travelled to Nashville, Tenn. Chuck and Thelma Johnson went to South Carolina.

The "Trail End Dance" was held at the Three Acres Party House on May 17th. A good time was had by all. Some of us put on a "hospital skit" that has been used at many after-parties around the country.

Next on the agenda is our annual "car-rally" which will be held on June 2nd. Si Hulse will again be our rallymaster. It will terminate at the Twin-Pines Camp Grounds, Transit Road, Albion, N.Y. followed by a picnic supper and square dance. The Calling Chores will be shared by Art Harris and Stan Levandoski. Our thanks go to Alex and June Elich for making this event possible.

Again, have a pleasant summer and "We'll See You in September."

Don & Marg Tracy

Cloverleaf Squares

The Cloverleaf Squares have two special events planned for June. On June 2, their Sunday night dance will be preceded by a Pancake Supper. Vincent Fox, a parishioner at Mother of Sorrows Church, will do the honors in the kitchen, with volunteer waiters and waitresses from club ranks. Anyone who feels eager to challenge Little Black Sambo is welcome to attend; it has been rumored that a representative of the Guinness Book of World Records will be on hand to keep count. Bruce Shaw will call at the dance following the supper. Special guests will be members of the Swinging Singles.

Those who hear and heed the call of the wild will head toward the Adirondack Mountains on June 21 for a weekend of canoeing down the Raquette River. No experience is necessary, as last year's "pioneers" can testify. The group will start at Axton's Landing, and end at Tupper Lake (hopefully) on June 23. Don Hunger is coordinating the event.

Many thanks to those who helped make the first Streaker Dance a success on May 12!

And special plaudits to those who went horseback riding on May 18 at the Double Diamond Ranch in Bristol, and then danced for over two hours on May 19!

Carole Smith

Copy Cats

Graduation's all over but there are happy memories.....

Of the "golden voice of the Copy Kittens", Bob Lutz, who called his first tip in front of a live audience!

Of CHUCK PRISTER'S "swan song". (This was Chuck's last graduation class with his many Copy Cat friends. We'll miss you, Chuck, and you too, Gerry....!)

Of our Rank Xerox visitors who came to see Copy Kittens, JOHN & VAL OBEE graduate.....and take back to England some rare stories of CHUCK PRISTER'S UNCLE MORT! To quote one, "a tip-top naevel engagement".....!

Of welcoming new Copy Cats, DENNIS & MARYLIN ROGERS and JOHN & MARY DONNELLY.

Of welcoming back, PAT & EARL WHITBECK and CHERYL & NELSON SCHOMMER.

Have a happy and safe vacation, Copy Cats.....!

Next dances will be June 8 and June 22 at Xerox 337.

Bring a guest and share your evening of fun!!!

Callers Coop

HOW-TO Corner: WHEEL & MERGE can be done from several starting positions, but the same rules hold for each case. From a line-of-four the two couples wheel around, turning toward each other. As they complete the wheelaround, the new centers change places by doing a half-sashay. The one on the left crosses in front of the one on the right. From any two-faced line, the two couples again wheel around, turning toward each other, but this time the new centers slide nose-to-nose as they change places, to end up in an Ocean Wave. If the movement is begun from a wave, neighbors (an end with the adjacent center) turn by their joined hands one-half, and again the new centers change places by sliding nose-to-nose. The original Ocean Wave is converted into a two-faced line.

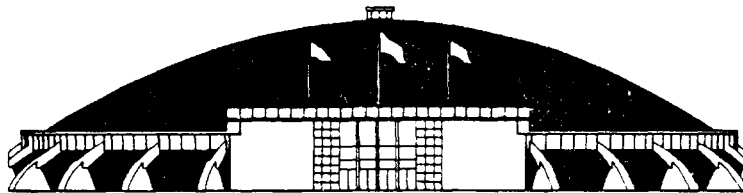

Country Twirlers

As we head into the home stretch of another year of dancing fun, we still have several special events to enjoy - our May 11th dance with Bud Whitten calling, the Memorial Day dance with Jim McQuade on May 25th, and the Trail End Dinner Dance on May 17th.

Boots 'n Slippers

The Trail End dance was held at the Three Acre Party house on May 19. The dancing was called by our own Mike Callahan. The delicious food and fine entertainment made it a very memorable evening.

Thanks to Paul and Helen Sweeting and their committees for giving Boots and Slippers a night to remember.

We are having a special June dance, on June 7; Mo Howard will be our caller. June 14 it will be Jim McQuade and on June 21 Don Pratt will honor us.

Don't forget our club campout at Hamlin Beach State Park on July 12, 13, and 14. Plans for dancing are being made for Saturday evening.

The annual family picnic will be on August 11, at Dave and Doris Cutter's. Hope to see all of you there.

Fiddle A Rounds

The Costiches are back from Florida (Tip and Millie). They look great! George and Audrey Mura came to dance with us one Monday night. It was a lot of fun!

DeGraves, Falls, Lorve's, Zielinskis, Taylors, Webers, Andrews, Browns, Phillips, Graykos, took the trip to Hamilton, Canada. This is always three days of fun. Those who go, can't wait until the next year. The attendance this year is more than half of our club.

Those of us that stayed in New York State this winter, just love looking at the tan's of Irve & Marge Brown, George & Dorothy Riesenberger, Marge & Joe Zielinski. Dot & Howie DeGrave, Bernadine & Len DeCesare, Marve & Kay Falls, Agnes & Jack Low. As a matter of fact, there were only a few of us that didn't get a winter vacation. The "M.D." and the "Dance O Rama" were a success as usual. Many couples work hard every year planning these two dances. They all deserve many thanks.

Our club is planning an Open House in the fall. Anyone interested in intermediate (high) dancing come and dance with us. Look for the date in next issue. There will also be flyers at the clubs.

We will be having a few summer dances. Check with the schedule or Dot DeGrave at 594-9518.

We will close our season this year with the "Twirl A Rounds at Three Acres on May 22. This is one night that everyone can wine and dine. Maybe this is why everyone can choose a different partner for each dance. After you have a few, you don't notice mistakes! Have a nice summer. See you in the Fall.

John & Shirley Grayko

EKC-O Squares

The nostalgic strains of "Summer Sounds" are wafting about us and reviving dormant memories of butterfly-days and campfire-evenings. Included in these recollections are Wednesday evening dances in our large, air-conditioned hall; chitchats with traveling friends; and those cool, luscious slushes of grapeberry freezes afterward at Howard Johnson's.

Along with Ken Anderson, some of our country's finest square dance callers will be arriving to add to this summer's pleasures. These visiting callers are scheduled:

- June 5 Carl Hanks (Pa.)
- 19 Barry Medford (N) Texas
- July 3 Kip Garvey (Mass.)
- 17 Red Bates (Mass)
- 31 Randy Anderson (Schenectady)
- Aug 7 Bill Peterson (N) Michigan

(A note from Ken - The notation "N" after a caller's name designates the caller to be "known nationally". Square dancers on the West Coast are as apt to recognize and appreciate these callers as much as we Easterners do!)

Our exceedingly-popular workshops (7:45 - 8:30) will be conducted by Ken on all other Wednesday evenings. For those of us who attend workshop and develop a working ability with new calls, Ken challenges us to a "Hot Hash" tip at 10:30 p.m. (You then "re-hash" who did what wrong.)

To round out this full agenda, Betty and Bert Wolcott offer Round Dance instruction each Wednesday at 7:30 p.m. Betty's innovative use of a dance schedule board, plus skilled teaching ability, are just two examples of why her round dance circle has swelled with happy dancers.

On May 8th, our club was privileged to view a film entitled, "The Visible Anthem." It was a noteworthy film tracing the heritage of the American Folk Dance - the Square Dance! The person most responsible for the present form of the dance we so enjoy was Dr. Lloyd Shaw, Educator and Supt. of Schools in Colorado. Dr. Shaw began working with an enthusiastic group of young people in the 1930's and 1940's. The Shaw Foundation now carries on his dancing philosophy. The film was an inspiration to us all. We were reminded that we are involved in a beautiful art form; a joyful expression of the spirit - the dance!

Shalom,

George and Sallie Emmons

Irondequoit Sqs.

On April 6th Bill Wilcox called singing calls only. This dance was a great success; and Bill said he enjoyed it as much as everyone else. Our club plans to repeat this on July 13th, which will be one of our summer dances.

Two new members, Linda Komow and Bob Yackel, were married April 6th. Congratulations, Mr. & Mrs. Yackel!

Kay & Leonard Scardino's daughter was married April 20. Congratulations!

Our round dance caller, Gordon Copeland, has a new granddaughter. Congratulations, Gordie & Sylvia!

The following couples will be celebrating Wedding Anniversaries:

Joe & Mary Cutaia	May 27
Bob & Millie Scott	May 30
Frank & Lee Scarfone	June 24

Our picnic will be June 8th to be held at Powder Mill Park, Wadham Lodge, at 2:00 P.M. Bring your own food; also, one dish to pass.

Remember our 2 summer dances, July 13, and August 24, to be held at the Brighton Reformed Church, 805 Blossom Road at 8:00 P.M. These summer dances are great fun as we dance outside. Bring your friends to watch us dance; they might be interested in square dancing.

Many thanks to those who helped make the M. D. Dance such a great success.

Have a pleasant and happy summer.

Despite the inconsistent weather, spring is here and summer is just around the corner. Scheduled dances slow down this time of year to make way for summer fun in the sun. The next few months are when we recruit new members through demonstrations.

Our club is trying to arrange demonstrations at the Scout Expo and Lyon's Club this spring. We also do demonstrations for old age homes during the summer. This acts as an entertainment for them and practice for us.

Since several of our club members are campers, we have planned a weekend of family camping over Memorial Day. This is always a big weekend and a great deal of fun.

Our Trail End dance has been cancelled due to conflicts of the holidays.

We hope you have a fun filled holiday. Keep up your dancing.

April 5th six couples graduated receiving diplomas and much congratulations from the club. They also entertained the club with a skit that told the real truth about Mother Goose. Anyone wishing to know the truth just ask Wee Willie Winkie; he seems to know. We also presented Al and Helen Whyte Little Angel Badges for helping the class every Monday night.

May 3rd was our May Day Dance. The hall was beautifully decorated and included the May Pole around which we do our annual MAY POLE DANCE. This year I think it was one of the prettiest!

May 10th was our Trails End Dance and pot luck supper. The supper was delicious with one of the best varieties of food we've ever had. Don Stumbo really put us through

Come and have fun!

Singing Squares

The Singing Squares ended their square dancing year with a dance and steak roast at North Hampton Park.

Everyone ate, danced and played games. Of course, some just came to eat and some to dance and some to play games. Some even tried all three activities simultaneously!

Dancing will start again in September, so keep Wednesday night open, come the fall.

Keep dancing during the summer, have a good time and see you in September.

WESTWARD HO-O-O !!!!! Eastward and Northward, too! That is where the Trailorites will be heading now that the nice weather has arrived! They are packing their trailers and their kids and taking off hither, thither and yon! Most popular are those fantastic fun-filled square dance festivals- and according to the brochures floating around, there are sure plenty to choose from! Even those that do not have "wheels" plan on attending several. (If you are lucky, you can be invited as someone's "trailer guest!") You'll notice we did not say "Southward", those that went that way to escape our lovely (???) winter, have returned sporting terrific tans. Talking of tans-- did you notice Janice and Roland Chuggs' unusual ones? Janice had perfect ovals on each side of her nose where her sun glasses rested. Roland's nose and arms had peeled three times-- and he showed us where- BUT he carefully refrained from mentioning his tan in any other area! (You s'pose he was "streaking in the sun" and is hiding a "Sun Streak?")

Joe and Shirley Heit have returned from a fabulous trip to Israel. They crowded so much into three weeks, they came home in need of a complete rest! Along with their wonderful memories, including a reunion with Shirley's sister- Shirley also brought back a sheepskin jacket that is guaranteed to keep her warm even during our cold weather!

This is our "Swan Song", People. Our job- as reporters- is done. Before we leave, we'd like to say It's been a lot of fun! We tried to tell it "like it was", with a little bit of humor. We tried to stick to hard cold facts, and not a lot of rumor. To those of you that gave us news, accept our sincere thanks! Without your help this would have been a column full of blanks! To EVERY member we'd like to say, PLEASE! Help the new reporters! To do a really bang-up job- one must have supporters! A very special heartfelt thanks to George and Audrey Mura- Without those marvelous Editors we'd have been sunk for sure-a !!!! They corrected all the errors we made (and we made quite a few!!!) They were so gracious- so helpful! They're a very special "Two!" We've enjoyed writing the column, we tried hard to make it "pleasin". We'd like to end by wishing all A wonderful Summer Season!

Spring Valley Dancers

The Spring Valley Dancers of Livonia, one of the newest clubs in the Federation, is very proud of the fact they won the award for having the highest percentage of its members at the M.D.A.A. Dance on April 27th.

Graduation of three sets, under the tutelage of Ken Boss on March 22nd, marked the foundation of the club and the culmination of Dave and Nancy Rynders' efforts to revive the Springwater Club after the depletion of membership due to a variety of illnesses.

The club is hosting the Summer Sounds dances with Ken Boss calling the squares and Bernie Hayward cueing the rounds. The dates are June 1st, 15th, 29th, July 13th, 17th, August 10th and 24th. The starting time will be 8 P.M. and a \$3.00 donation for non-members. We dance at the Grange Hall in Livonia. See you there!

Treasurer	Jim and Mary Messer

A big thanks goes to our outgoing officers for a job well done.

Our trail end dinner and dance will be June 1. All plans are completed.

Swingin' Eights

Way back in April our class put on a very nice Beginner's Ball with oodles of goodies, and guests from Tecumseh Squares and Cloverleafs.

On April 6 we had a good time with Joe Reilly as caller, and our old friend, Tom Trainer, visiting as a dancer.

We have a fantastic class this year that graduated on April 19 (the same night Dance O Rama started) and Oh Boy, did they ever put on a swell party!!! There were prizes and gifts for everyone on the membership committee and the Angels too. We think they deserve a big round of publicity so here are their names:

Jon & Judy Crosby	Gordon & Barbara Pike
Don & Barbara Deschambault	Connie & Arlene Salber
Al & Mary Ciell	Al & Kathy Serfass
Klaus & Sue Hohensee	Tony & Cathy Speranza
Jim & Ann Haug	Dana & Rosemarie Watts
Jack & Rita Kennelly	Ed & Anna Weiss
Ray & Bee Laws	Jack & Irene Witkowicz
and Paul & Helen Zientara	

It's a pleasure to have y'all in our club. Good luck to each one and keep dancing at the workshops all summer.

The Dance O Rama was a much better success than last year with a good turnout from Swingin' Eights including some very brave souls from the newly graduated members.

The Muscular Dystrophy Association dance was absolutely out of this world especially for your's truly who won the 50-50 and a radio! You can just bet we'll be back next year. We understand the Circus raked in a record \$6,000.00, which shows how much LOVE square dancers have for their fellow man.

Hey, Russ, watch out for those metal detectors at the airport. Even a pacer shows up.

Our best wishes for a quick recovery for a couple of gals who are scheduled for operations. Hope everything comes out all right. Oooooo.

DON'T FORGET OUR TRAIL END DANCE IS JUNE 1. EVERYBODY WELCOME. IT'S AT THREE ACRES PARTY HOUSE ON WHITTIER ROAD.

Have a nice summer,

Bets & Knute

Swinging Singles

The Swinging Singles held an outing, picnic and hiking, on May 18th, Sat afternoon at Mendon Ponds Park.

The Cloverleaf Club invited the Singles Club to join them at their Pancake Dinner Dance, June 2.

Elections this year will be held on June 17th at our regular dance.

Our annual yearend Dinner Dance will be held on Sat., June 22nd, at the Bean and Feed Restaurant.

The Club will not be Square dancing at the Indian Landing School on Landing Rd during the summer months. June 17th will be the last dance held at that location. The Club is still investigating other possible available halls. The new location will be announced in next months' issue.

Triggers

The Spring Fling was a success as usual. Thanks to Bill and Ruth Fitzgerald and their committee, Walt and Madge Golden and Russ and Alice Richards, decorations, Bob and Mable Wordingham and Terry and Lou Atkins for refreshments.

The officers for the coming year were elected that night. John and Paulette Bo, Advisor, Bob and Mary Speer, President, Bill and Marilyn Raymond, Vice President, Terry and Lou Atkins, Treasurer and Russ and Alice

Richards, Secretary. Paul and Fayne Doering and Tom and Dorothy Gerstner will be our Representatives to the Federation. Bob and Mable Wordingham will be our Historians and Bob and Helen Ellicott will be your new reporters to the Promenader.

We were guests of the Henrietta Friendship Squares on May 11th.

Well another season of square dancing is about over. Myron will have six summer dances at Bethany Presbyterian Church Hall at 3000 Dewey Avenue. They will be held on Tuesday evening from 8 to 10:30 P.M. June 11th and 25th, July 9th and 23rd, and August 13th and 27th.

Have a safe and happy summer and we'll see all of you in the fall.

Wyco Promenaders

April has been a busy month with Wyco Promenaders nomination of officers and then the Which Way Whirlers were our guests at the end of April.

Now that spring has sprung we hope many of you will join us on May 17 at our very special May Pole Dance with our guest caller, Myron Huss. His wife, Peg, will cue the rounds and we would love to have you share an evening of fun with us from 8 - 11 p.m. in the Castile Elementary School gym. There are regularly scheduled dances on May 10 and May 24 and in June is our Pot Luck Supper at 6:30 on the evening of the 14th.

Twirl A Rounds

Summer is coming, and vacations and camping are getting under way. Hope that everyone will remember our summer dances which will be held at "Air Conditioned" Sunset Recreation, 1317 Chili Avenue. Howie will be calling and I am sure everyone will have a good time.

Next year we will be planning party nights; one night a month for something special for everyone. Any ideas anyone might have that would be fun will be most appreciated, for a fun year of dancing starting in September.

As the year draws to a close we want to thank Bonnie for all the time and trouble she has put into our refreshments for this year. I am sure that everyone will remember Bonnie's treats as the highlight of our dances. Many thanks to Bonnie.

I wonder what happened to that big nice elephant, that was part of all the lovely decorations at the M. D. Dance. Seems like somebody tried to drop that beautiful elephant off in someone's driveway, only to find when he got home that nice elephant in his driveway.

We have some proud new grandparents in our club. Dick and Jane's son had a lovely, bouncing boy. Congratulations to Dick and Jane and their children.

Howie and Dottie, and Marve and Kay, spent a wonderful week in the Bahamas. They had a very nice time, and have a lot of nice pictures for their memory book.

A nice "Welcome Back" to John and Margaret O'Hara from their nice trip.

Our dances this month were "Walk Right Back", and "Magnifique", a tricky rhumba number. Asked if there were any questions about that rhumba, "No", said Ed.

Don't forget our summer dances at Sunset.
Chuck and Sue Durling

TECUMSEH S.Q.

We of Tecumseh Squares are proud to be new members of the Rochester Area Federation and we would like to take this opportunity, thru this column, to thank all the fine members of our club for the great job done during this past year and a half. The starting of this new and active club was the result of many hours of work by many fine and interested people. We thank you. It is interesting to note that we are the only Square Dance Club that actually meets in the city proper and can, therefore boast of being Rochester's largest, best and only, Square Dance Club. We really don't want to boast but it is an interesting thought.

Our first class in rounds graduated on April 23 and our first class in squares graduated on April 30. We have a full summer of air-conditioned dancing planned with Bruce Shaw calling most of the Squares. Mike Callahan and Roberta Winters will be guest callers. Bob Slomcenski will be cueing rounds between tips. Bob and Nora Slomcenski will be doing their own thing also from 7 to 8:30 with a Round Workshop, (with the new graduates of basic rounds in mind).

We have added a Strawberry Fest and a Summers End Dinner Dance to the very successful Watermelon and Sundae Tuesday Specials of last year.

A special thanks to Chip and Sylvia Kellogg for graduating our first square dance class. There are no finer people than the Kelloggs and we are privileged to have them with us. Enjoy your vacation and be sure and tell us about it on your return at the next dance. See you Tuesday!

With Spring here, Summer around the corner, the call of camping will be in the air. Many of our club members enjoy dancing and camping together. If you are a camper you will no doubt see many of our members around the camp fire. Your first chance will be June 21, 22, 23 at Bonnie-Brae, Prattsburg. Come join the Wayne Westerners.

Hales and Parkers enjoyed several days dancing at the Mac Master University in Hamilton, Ontario, Canada. Our prayers and thoughts have been with Ethel Walters as she has undergone a serious eye operation. So glad to have Alma Dryer back with us after her recent operation.

The Wayne Westerners were lucky winners at the M. D. Dance winning a radio and purse.

Our thanks to all the people who attended our annual Apple Blossom Dance in Williamson. All the people who made it a success. Hope to see you all back next year.

Art and Laura Tierson

WHICH WAY WHIRLERS

April 12th, the Which Way Whirlers were guests of the Wyco Promenaders. Ten couples went from Pavilion and everyone had a good time dancing to Leo Parsons on the squares, and Alberta Winters on the rounds.

Our new officers for 74-75 are Jake and Mary Weber; Presidents, Ken and Norma Watton; Vice President, Roy and Donna Fowell; Treasurer, Jerry and Jean Christman; Publicity, Ted and Janice McDuffy; Historians and Forbes and Frances Cromwell; Hospitality. A special thanks to the officers of 73 - 74 for a job, well done.

On May 8 Don Pratt was our guest caller and it was good to see so many dancers having a good time. We had guests from Cal-I-Co Squares, Wyco Promenaders and Buds and Blossoms. Rounds were by Rita and Bernie Hayward. Don will be back calling for us in April of 1975.

Have a nice summer and Happy Dancing.

Jerry and Jean Christman

Village Squares

The Village Squares are looking forward to a full summer of dancing on Monday nights at our favorite spot--the fine recreation hall of the East Rochester First Presbyterian Church. There you'll find a nice-sized, well-lighted room with a great floor for dancing. After beginning with several fun singing calls, we'll workshop a tip or two, and then, from about ten o'clock on, try two or three tips of more challenging calls; all in all, an evening of variety with opportunity both to have fun and to increase our skills.

Twice during June we'll be privileged to have Chuck Prister as our guest caller while Dick Casper takes some well-deserved time off. (Dick and Ginny travel to their son's Annapolis graduation on June 3rd, but who knows what they're up to on the 24th!).

Our second annual MAY DANCE was held at the Trenholm East again this year. Aahh! that Smorgasbord laden table! Who didn't go back three or four times to try just one more gastronomic delight--but, who's counting? When the call came to square up, everyone countered with the desire for more intermission time. But Dick won out and soon had us going "red-hot"---this spurred several of us to work out a new movement we call the "Casper cool-off" --a "ladies in, men sashay" done with a SPECIAL flourish. Ask for a demonstration sometime!

A good sized contingent of T.V.S.'s (Traveling Village Squares) made it to both the Dance O Rama and the Muscular Dystrophy dances--a good time all around. Didn't we see you there, too?

We'd like to have you meet.....

DOROTHY MAGIN, the amiable and talented gal who teaches and cues the rounds for us at Village Squares. She has such patience with us 'left-footed two-steppers' that we're beginning to be quite accomplished. A specialty with us are the line dances. You ought to see the crowd that gets into action with "Amos Moses" and "Never on Sunday"!

And we owe it all to you, Dorothy!

In September this column will have information about our FALL REFRESHER DANCE, and about our first series of classes in basic square dancing. Watch for details.

We hope to see you in one of our sets sometime this summer. Come whenever you can, and, in order to have a fun-filled summer, KEEP DANCING!!

George and Eileen Howard

Web Spinners

We delayed going to press till the last possible moment, hoping we would have a report on a new grand-child for Bill and Elaine Klos, but no news from Mike and Colleen. Hope the new little Cooper isn't too embarrassed to make his or her appearance just because daddy Mike had enough cheek to streak around the dance floor graduation night. It takes a lot to get suave Bill Wilcox "shook", but that night we detected a few gasps from his direction. (Relax, folks, it was a la boy suit!)

Our Web-Spinners are really a "family" in more ways than just by their philosophy. In addition to the Bachu-Klos-Cooper clan, new members include brothers Nelson and Joe Coco, with their prettier half's, and their sister, Ann Zaffito. We haven't had a chance to greet Ann and husband, Dick, yet since they were in Hawaii at graduation time.

More of our "World Travelers" include Joe and Louie Dey. No wonder they are such good dancers--they've been swinging a few times in Florida. And we understand Skip and Judy Mayo arrived back from Disney World just in time for graduation.

Speaking of "family", be sure to circle July 13th on your calendar. That's the date of the annual Web-Spinners' family picnic, when adults and kids all get acquainted and have a blast. It will be held at the White House in Webster, with games starting at 2:30 and dinner at 5:30. More details will be getting around.

Web-Spinners will once again take an active part (note the word "active") in the Fireman's Parade, July 18th, so, everyone, get out and cheer!

This Square Dance year may be drawing to a close, but plans for making next season another great one are well established. We are all delighted that Gordie and Sylvia Copeland will be our regular Round Dance callers, and we're happy to share this good news!--They will be offering Round Dance classes, starting September 11, from 8 to 10 P.M. at the school, so get in there and sign up early! How about a big "round" of applause for these two delightful folks?

September 6th is the date set for our Web-Spinner Open House, first dance of the new season. So tell your friends and neighbors!

Well, our "see-thru" ball point pen shows that there is only a half-drop left in the barrel, so looks like it's time to resign our job, and turn our dictionary over to Marian and Asher Flint. It's been great fun, gang, and a special "THANX" to all the good sports who let us tease them, and to all who, through the year, took time to say "good show."

Good-bye, good luck, God bless

Paul and Joan Bucci
