PRESIDENTS'

CORNER

We have just taken the two first steps; and are looking to the future and not looking back!

The October 15th meeting of the Rochester Area Federation was packed and the subject of Dance-O-Rama was thoroughly discussed. Many questions were raised and many issues and feelings were aired. It was a most direct, productive meeting! After deliberation, DOR 1975 was voted upon and enthusiastically supported - there was not one negative hand raised.

The delegates voted to:

1. Make application to the State Univ. College at Brockport for use of their excellent facilities on Saturday, May 3rd.
2. Select and appoint a DOR Chairman for 1975.

!!!RESULTS!!!

1. On November 11th we received notice from Brockport saying we have provisional acceptance for use of their facilities and are invited to schedule a meeting for more detailed arrangements. We owe our good fortune to Dr. Richer Castner, on faculty in the Dance Department at Brockport. He was instrumental in negotiations for use of Brockport halls and has been pure joy to work with. We are looking forward to a mutually warm, cordial relationship with the State University.
2. Bob and Jeannette Meagher accepted the Chairmanship of the 1975 Dance. Fellow workers had nothing but praise for their efforts on behalf of previous DORs. The Meaghers are a sincere, open-minded, experienced couple with whom you all will enjoy working with.

Al and Marilyn Taffet were selected as Co-Chairman of the event and are experienced dancers who have traveled about and can contribute fresh ideas to our festival.

The November 12th meeting was again well-attended. The DOR 1975 Chairman and Co-Chairman were introduced at this time and had volunteers for Secretary and Treasurer of DOR. We are sure George and Eileen Howard as Secretaries and Treasurers, Frank and Norma Salvagio will do an excellent job. Committees are in the process of being formed - your club has been asked to make a commitment and contribute its share in making this May 3, 1975 Festival a success.

May you all find joy, in your own way, in the coming celebrations that December holds.

Shalom.

FALL FUNFEST REPORT

November 12, 1974

Dear Dancers:

On behalf of the Callers Co-op and the Al Sigl center, I would like to thank all the square dancers who attended the Fall Funfest to help make it the success it was. In all, we were able to turn over \$704.75 to the Al Sigl center from Rochester callers and square dancers. Since one of the functions of the Sigl Center is to help the handicapped, it seemed fitting that those who are physically able to dance contributed to help those who cannot.

The highlights of the dance were the afternoon workshops, "Showtime" and the grand march. A special thanks is to be given to Dr. and Mrs. Waldo Westwater and the Teen Twirlers for generously contributing their talents to "Showtime".

I also want to thank the committees of callers and dancers who worked to organize, decorate, contribute door prizes, clean up and perform the necessary functions to create a successful evening.

The projected date for the 5th Fall Funfest is November 8, 1975, so be sure to reserve it.

Happy dancing,
Jerry Carmen

A ROUND

TOWN

I have come to realize that when I goof up a set it isn't always my fault or the other dancers in the set. Who else could it be? The Caller, it could be, that's who.

He who stands so proudly up in front and looks like he was born with a silver microphone in his mouth.

Callers come in all shapes and sizes. I noticed only one physical contour that most of them have in common, a large nose. Do you suppose it's because they use it for resonance?

There are Callers from all parts of the country. There are Callers from the south with their drawls. They can goof me up. They want to make sure it's understood that they are calling to everybody.

They call: "promenade you-all and ya-all pass thru, keep smilin' you-all, ya heer now". No, I didn't "heer now" and blew the set.

Did you ever hear the callers from the New England States? They have some calls that sound like this: Faw-werd up and back" and "Sinners in". I thought they were talking directly to me.

Then there are what I call the Lazy Callers. They tell you they invented a new call and it's called, "Star-twirl-thru-trade-by." They call it, then just stand silent for two minutes, while you try to dance it. Naturally I blew this call too. If they really get ambitious they will put together 30 or 40 calls, and call only once during a tip. They could be replaced with a computer.

Now I must say that there are some Callers who are helpful. They give you cues and lead you thru some of the calls. But there are some others who only think they are giving you helpful cues.

For instance, the other night a Caller called "Square the Barge." Why? I don't know, unless it was because it had been raining for days and he thought he ought to call something that floats. Anyway he called it and his starting cues were: "one, two, three, four" and about half way thru, the cue was, "now finish it". Big help! Man, he done sunk that Barge.

Maybe the answer to the different ways and accents of of the callers is numbers. Everybody will learn the calls by numbers and the Caller will quarterback. He will call 14-22-69 Hike! and away we'll go. This would be fine until some Caller jazzes up the numbers and makes sounds like a Tobacco Auctioneer's chant, then we would be back to standing there saying, "Did he say seben or eleben?"

Soooooooooooo maybe numbers aren't the answer. I guess we will have to just dance what we can and thank God for Left Allemande.

I don't know if I have proven my case, but from now on one of my favorite alibis is going to be: The caller goofed!

And I'm sure somebody is going to say, "You might just as well, you used everything else."

Well _____

Thanks anyway,
Hal Abberger

A NEW FEATURE OF PROMENADER

TEEN TOPICS:

WISKAWAYS totally surprised Peg and Myron Huss on November 1st with a party and gift giving. After 8 fun years they have turned over the teen group to Stan and Joyce Levandoski. Friends from Hilton Hillbillies, Triggers and former Wiskaways were on hand for the event. The dance schedule for Fridays in Dec. and Jan. are Dec. 6 and 13; Jan. 10 and 24. Class is from 7 till 8:30, Club 8:30 till 10.

A new teen group Class, as yet unnamed, has been formed in Webster on Wed. eves from 7:30 till 9:30. Mentors Don and Jan Oesterich have engaged budding caller Larry Jacobelli and taw Terry to squire the young folk through the basics. Call 342-2389 for information. (EVERY WEEK). Larry's group holds forth at the Webster Recreation Hall on Latham Park in the town. This is also the location for the DINGALINGS who meet there every Saturday between 1:30 and 4:00 with Ron and Carol Cole presiding. This is an 11 to 18 year-old club dancing group re-forming at a new location. Call Lee at 334-1283 in Henrietta, John at 671-5079 in Penfield or Laurie at 288-0929 in Rochester for information; a \$1 per person fee has been set.

The Perennial TEEN TWIRLERS are still at the Brighton Presbyterian Church on Friday nights. This group still holds a continuing open house, welcoming interested teens throughout the year. This group sponsors Teen-A-Rama every year at Eastridge High School and were featured at Showtime during the Rochester Caller's Co-op Fun Fest, November 10th. Call Jon McNally at 482-4244 for information.

HILTON HILLBILLIES were on hand at the Fun Fest in force to cheer their caller Jerry Bradt. This very active group visits around a lot and has their own dances on the 1st and 3rd Saturdays at the Merton Williams School from 7:30 till 10:30. The same caller and his brother Leslie Bradt also hold forth at St. Helens on Hinchey Road in Gates. THE SWINGING SQUARES, a pre teen group, are there in the 1st and 3rd Saturdays from 2 till 4:30 while the BAREFOOT SQUARES are there on the 2nd and 4th Saturdays, also from 2 till 4:30. Anyone interested in further information about the Hillbillies, Swinging or Barefoot Squares can call Les at 594-9292, or Jerry at 926-8566 in Avon.

Any teen or pre teen groups whom I may not be aware of can be included in this column by calling me at 266-1818 or drop me a line at 234 Belcoda Dr. 14617.

Batavia Twirlers

Seasons' Greetings to all our round and square dancing friends! May the joy of the holidays be yours throughout the coming year!

Here we go again on attendance, but after blowing our horn last issue, it appears that we've topped that record with a new one---76 couples including 38 guest couples were at our first dance in November! The Country Twirlers found their way to us on a Mystery Ride. Sure do like to see all our friends come visiting. All you Twirlers had better show up or we'll be outnumbered!

On Dec. 21 we'll have our annual Christmas Dinner and dance. The dinner is at 6:30 and is open only to Batavia Twirlers club and class members (all 17 class couples are looking forward to the Christmas Dance just as we're looking forward to seeing them there.) The public is welcome to the dance afterwards beginning at 8 PM. Larry Dunn will be calling in his best Holiday style!

We got our banner back from the Wayne Westerners at Marion and had a good time at their dance. Also our thanks to the Lima Grand Squares for inviting us as their guests in November.

Don't forget---April 5 is the night of the annual Cancer Benefit Dance at Batavia. Save the date and pass the word--come and bring a square or two. There will be some unusual one-of-a-kind gifts to be given away among other spectaculars.

See you in 1975!

Jerry and Dotti Willer

Belles 'n Beaus

During the month of October, Bob & Alice White vacationed to the land of "Grand Ole" Opry in Nashville, Tenn. They were able to witness the taping of several episodes of this popular show. Jerry & Louise Flynn took a trip to Las Vegas. This makes the fourth or fifth time that they have gone to the land of septacular shows and casinos. In November, Jim & DoroLyn Hill went to Las Vegas. This fascinating city seems to be extremely popular as the years go by.

Bus & Mary Conrad went to Hawaii in October. Following their return home, Mary became ill. We're glad to report that she is off the sick list and is back dancing with us. On the subject of illness, Dorothea DuBois is still not back. We do hope she is still improving during her period of convalescence.

On November 18, we danced to the calling of Curley Custer and everyone seemd to have a good time. This is the second year in a row that we were favored with a date from this national caller. Congratulations are extended to Bob & Ora Werner and to Don & Mary Waterman on their becoming grandparents again.

This issue spand both months of December and January. When the next issue comes out, you will have new reporters. At this time, we want to say how much we have enjoyed this assignment this past year. As we sign off for the last time, we wish you all a happy, holiday season.

Boots 'n Slippers

Our mystery dance was well attended. Thanks to our very capable bus driver, we all arrived at the proper destination. Everyone had a good time.

The club wishes to thank the class for their invitation to their Turkey Trot Dance which was held on November 26. We all had a gobble of a time.

December 6, Jerry Carmen will be our guest caller.

The Christmas Dance on Dec. 20, will have the class as our guests. Al Howe and Mike Callahan will share the calling.

Boots 'n Slippers will be ringing in the New Year at our annual New Year's Eve Party. This always has proved to be a very festive occasion.

The first guest caller fo the new year will be Ben McGilvery. This dance is scheduled for January 10.

On behalf of our wonderful club, we wish everyone a very Merry Christmas and a Happy New Year of fine dancing. Till we square again,
John & Anne Duggan

Cloverleaf Squares

The Cloverleaves are happy to announce the following slate of officers:

President	Ron Pikuet
Vice-President	Kathy Fisher
Secretary	Mary Wispelaere
Treasurer	Karen Jacobs

These officers will serve in an auxiliary capacity until January, when they assume full responsibility for their jobs.

Highlight of the group's annual Halloween Party was the appearance of the four members of the Bus family (and one friend!) dressed up as (you guessed it!) a Bus! Needless to say, they won the prize for the most original costume. Much originality was evidenced by many of the other costumes, and much fun was had by all. Natalie White led the group in a rousing round of pumpkin carols, with Ron Pikuet accompanying on the piano.

The Cloverleaves' Christmas Dance will be Dec. 22. All members and guests are cordially invited.

Callers Co-Op

HOW-TO CORNER: TURN & WEAVE starts from a DPT formation; that is, when the set is in position to do a Double Pass Thru. The insides Turn Thru and then everybody Passes Thru (to a Trade By position). The new outsides face to the right to become the ends of an Ocean Wave, while the new insides meet with their left hands and turn one-quarter to be the centers of the waves.

You might hear PASS & WEAVE, to indicate that the movement starts with a Centers Pass Thru instead of the Turn Thru. Other possibilities are HALF-TAG & WEAVE, starting from parallel lines instead of the DPT formation, or maybe SCOOT & WEAVE, beginning with a complete Scoot Back from parallel waves.

Country Twirlers

As we begin to plan for the holidays ahead, we recall with pleasure our fall festivities. Our Fifteenth anniversary was a gala event, complete with balloons and streamers, and corsages for the twelve couples who have been dancing with Country Twirlers for over ten years. Refreshments were eaten by candlelight while watching slides of past activities. The cake, made by Marion Mosman, was not only delicious, but was an artistic feat - an exact replica of our badges done in red and white.

Along with the ghostly apparitions who turned up at the Halloween Party we also had some celebrities - a very convincing Sonny and Cher, a king and queen and even the Wall Street bear. Originality blossomed with a play on words when Gene and Donna Topp entered the scene dressed as tops.

For our Mystery Ride twenty-four couples joined the caravan that headed for Batavia. We thank the Batavia Twirlers and Larry Dunn for a very enjoyable evening.

It takes a lot to keep a good square dancer down and we're glad Ev Parr's broken toe didn't keep him away very long. It's too bad he wasn't up to par though, when we had our teen age guests so he could show them some really high kicking.

Bud Redmond, one of the area's most popular callers, will be with us on December 7th to get the holiday season off to a good start. Also coming up on our calendar is the Christmas pot lick dinner, with all those gourmet goodies to tempt us. Another date to circle is December 31 for the New Years Eve dance. What better way to start off a new year than by square dancing with good friends? It will be held in St. Helen's hall again this year and space is limited, so get your reservations in early. Members can sign up at club dances and after December 7th, reservations will be accepted from outside guests. The cost for guests for the evening, including supper, is \$15.00. To make reservations, call Edith Thomas at 247-4932.

NON FEDERATION NOTES

Joe Reilly's Sing A Longs will be dancing at Sunset Recreation, 1317 Chili Ave. on Sundays Dec. 1 and 15; Jan. 5 and 19; Feb. 2 and 16. Rounds at 7:30 and Squares 8:00 - 10:30. Air Conditioned hall.

EKC-O Squares

As the tempo of December's hustle and bustle increases, EKC-O's calendar does likewise and is cramed with busy Wednesday evenings. Guest caller, Larry Dunn, will begin by setting a fun, zippy clip for us at the December 4th dance.

December 11th is Election Night. During November we had opportunities to meet the candidates who, if elected, will govern our club for the coming year. Take time to assess each couples' qualifications and cast your ballot either by mail or by bringing it to the 12/11 dance. Election returns will be announced at this dance and we will welcome a new slate of officers willing to work for us and the betterment of our club. They will be under the capable direction of our Vice-Presidents, who will assume the Presidency - Bob and Ruth O'Connor. Bob and Ruth are an exceptionally well-qualified couple to lead our club and 1975 should be a banner year for EKC-O Squares!

Our thanks go to the out-going Board of Officers: John and Jeanette Conway, Sid and Mary Crosier, Don and Wanda Brown, John and Bernice Moylan and Phil and Irene Warner. Under their direction our club thrived and grew and our relations with management were never better.

December 18th is the date for our annual Christmas Cookie Dance. Each couple is requested to contribute one dozen cookies so that everyone can sample the culinary skills of some of our better bakers.

Two events in January will help dispel the post-holiday blahs and perk us up. EKC-O Squares' 14th Anniversary will be celebrated at our January 15th dance. Our club has grown considerably from the nucleus of nine people who showed up at Kodak Office Auditorium January 9, 1961. One of the reasons for the enormous growth is our very talented caller, Ken Anderson, who will be at the mike to share in celebration. Everyone is then invited to partake of the delicious anniversary cake to be served.

On January 29th we look forward to dancing with the following clubs:

- Cloverleaf Squares
- Merry Mixers
- Swinging Singles
- Tecumsch Squares

It is always a delight to enjoy the obvious fun some of our younger friends express in dancing.

It was most heartwarming to see the happy smile on Margaret Andrew's face as she enjoyed one of Bruce Shaw's singing calls Nov. 6th. We all miss the happy faces of Pearl Shencup, Harry Malley, Ruth Shadders and Al Kendrick and wish all four a speedy recovery so that they may join us soon.

To you we wish the warmth of candle glow, the gentle hushness of new-falling snow and happy holidays filled with special moments.

Shalom,
George and Sallie Emmons

Our Hallowe'en Dance was a success with an array of costumes ranging from football players to a nun and a priest. Congratulations to the Lapps for winning first prize for the second year. For those of you who missed the dance you should have seen how realistic Glenna Carey's broken leg looked. It sure is a hard way to try and win first prize at a costume party...We hope to see you back in the squares very soon Glenna.

Important dates for our club this month are on December 14 and 28th which is our Christmas dance with the new class members. We hope you will all join us for some good dancing and fun on these dates. More information as concerning our Christmas dance will reach you via the telephonenumber.

Congratulations to our own Connie Harper on winning second place in the New York State Cake Decorating contest for her lovely wedding cake. Connie, being fast, also won Third Prize for her "uncake", a decoration in the form of a stork.

A good way to build up a square dance club is to engage one's son to the class members' caller's daughter. Congratulations to the Conleys and Bosses.

Last reminder for the month...let's end 1974 with all our dues paid.

Happy Holidays.

Well as usual our Halloween Spook dance was a smash. With about twenty couples joining in on the fun, most of them is costume. Everyone had a great time guessing who was who. They enjoyed dancing and the sweet cider and donuts. It was nice to see so many from the Skoi-yase Squares of Waterloo present and also many couples from other squares.

Do not forget our special dance on November 30th with Chip Kellogg doing the calline. Let us all turn out to give Chip a big welcome. He does a fantastic job of calling. It will be held Sat. Evening 8:00 PM untill 11:00 at the Kelly School, Newark.

Lima Grand Sqs.

Soon it will be Merry Ho Ho time and we're well into another season of square dancing.

We would like to welcome Ronnie & Gail Powell of Holcomb to our club, and hope they will enjoy dancing with us.

We have a good class this year. They are learning very quickly and will be a real welcome addition to the club. Lets all try to give them a helping hand from time to time. They really do appreciate it.

October 11th was our first pot-luck supper of the season. The theme was foreign food and the variety was great.

October 25th was our Halloween costume party and we were entertained by clowns, cowboys, butterflies, and a wolf-man and a treader with his bull. It was the first time the class danced with the club and they did a very good job.

As this should be our last article, we would like to join the club in thanking this years officers for a job well done; and wish the best to the new officers in the coming year.

See you 'round the square

1975 MUSCULAR DYSTROPHY DANCE

Dear Dancers,

Plans are well underway for the 8th Annual Muscular Dystrophy Benefit Dance, which will be held April 19, 1975, at the Churchville-Chili High School.

The theme this year is Fantasy Land, and many of us will see our favorite storybook characters come to life that evening. But as the clock strikes midnight, the characters will scurry away, to again assume their roles in the pages of our childhood memories. We'll have only four hours to enjoy the thrill and excitement of a make-believe world, so don't miss it!!!
SAVE THE DATE NOW--APRIL 19, 1975.

Last year, through your generosity, over \$6,000 was raised for Muscular Dystrophy research. Our goal this year is \$7,000. We can make this goal with your help.

A letter is in the mail to all Club Presidents, requesting the help of one couple from each club to work as an MD Dance Club Coordinator. This couple would sell tickets for the MD Dance at their regular club dances. If you are interested in volunteering some time to this charity, please let your Club President know, or call me directly at 594-8134, after 6:00 p.m. We will keep the demands on your time to a minimum.

If your Club is not a member of the Federation, it is possible that we did not have an address for your Club President--and therefore, they may not have received a letter. If this is the case, just call us directly at the above number to volunteer.

We are looking forward to the 1975 dance with a great deal of excitement. We hope you and the members of your club are also looking forward to the dance, and are planning to attend.

Sincerely yours,

Bruce & Shirley Shaw
Secretary
Muscular Dystrophy Dance

Rochester Rollaways

Rollaways were well represented at the annual East meets West weekend in Niagara Falls. Eleven couples attended and had a great time dancing to the calling of Bob Fisk and Lee Kopman.

Jack Hague called a most interesting dance for us on Nov. 8th. Imagine breaking the whole floor down on a wheel and deal!

Sorry to have to report that Harry Malley suffered a heart attack and is in Northside Hospital. I'm sure cards would be appreciated. Hurry and get well, Harry, we miss you and Mae.

Ross Howell plans to start another workshop group sometime after the first of the year. All of you who would like a little higher level of dancing should seriously consider attending these sessions. There will be more information about this later.

The Snows will soon be leaving us to spend the winter in sunny Florida.

May I take this opportunity to wish you all a Happy Thanksgiving, a Merry Christmas and a prosperous New Year.

Our next dance is Dec. 13th, with Deuce Williams calling. See you there.

Don & Doris Maxim

Swinging BB

Our Halloween Party was a success. Thanks to Terry Benson and her committee for the beautiful decorations and thanks to Ginny Hamlin for the donuts and sweet cider. Did you ever dance with a tiger? You should try it sometime. Everyone expressed they had a good time.

We wish to extend our deepest sympathy to Herb & Kay Wendt on the loss of his father.

It was good to see so many of our club members at the Fall Fun Fest at the Al Sigl center.

On Nov. 2nd, the Griggers were our guests for an evening of dancing to the calls of Bob Brunshidle.

On Nov. 18th, we were guest of the Triggers. We had a very enjoyable evening of dancing and refreshments. Thank you for inviting us.

Our Christmas Party will be on Dec. 21st at the Townline School in Spencerport. New class members will be our guests. Tureen supper will be served.

From all of us to all of you, have a Merry Christmas and a Happy New Year.

Jim & Mary Messer

Fiddle A Rounds

The winter months are climbing up. We have to get out our news for December and January, which seems so far away. Jack Low has taken up a hobby in chair weaving. Agnes says he is enjoying the hobby and also doing an excellent job on a few of their chairs. The Costiches are off again to Florida. What a life! George & Dottie Riesinberger, Marge and Joe Zilinski and John & Shirley Grayko enjoyed an evening of dancing in the ballroom of Hotel Syracuse. What a floor!!

I am looking back last year and remembering our Club members dancing away on Monday night, Sept. of 1974 has started out like a bomb for our club. Marge Brown had an operation on her foot that will take at least 8 weeks to heal. DiCesares both have health problems(our Pres.) Marge Zilinski decided to fall down instead of walking down the Toronto Airport to meet her son coming home from Europe!! Joe will get a chance to be host for 6 weeks while Marge has her cast on. Get well everyone, you are all missed!! Oh yes last not least Marv & Kay Falls had an unusual accident. Ask them, they would be glad to tell you about it. Ha!Ha!. The Graykos have three additions in the family. No, not triplets - a new grandson, also 2 puppys (Pointers).

"Happy Thanksgiving" "Merry Christmas" "Happy New Year" This seems odd since I am writing this the first week of November. Our best regards go to John and Margaret Andrews. They are missed by everyone.

We will be reviewing some dances besides learning new ones. Dottie and Howie have started their Pond. When finished you have to have a lot of wind to swim across and back.

Check our schedule for dancing. Hope to see you there sometime!
John & Shirley Grayko

Merry Mixers

Winter is drawing nigh. The days are getting shorter, and we have anothe engagement. Ray Corsette and Gladys Kinsley plan to marry in the spring.

November 16: Big day in the life of our President, George Burandt. He and Rosemarie Gardner joined hands in marriage. Our best wishers are extended to them for we love them both. Also the Traveling Turtles went dancing with the Harris Squares in Grand Island that evening.

To backtrack a bit, some of the class and club members danced at the Monroe County Home on November 2. That is always a pleasurable time. The people living there really enjoy participating with us.

Interesting days for the Merry Mixers:

- December 7 - Traveling Turtles Trip
- December 12 - Guest Caller (Dick Schweitzer)
- December 20 - Christmas Party at the Red Men's Club with class attending
- January 16 - Guest Caller (Ed Butenhof)
- January 18 - Traveling Turtles Trip
- February 8 - Traveling Turtles Trip
- February 13 - Valentine Dance with Class as Guests
- February 20 - Guest Caller (Bill Wilcox)

Best wisher to all for Happy Holidays - Christman/Chanukah or/and your own special day.

Happiness is : Dancing with the Merry Mixers.

A hearty salute to Lt.Col. Fran Clarke on his retirement after 30 years in the U.S.Army and Army Reserve.

Jim and Mary Fedulla did a great job on the Halloween Party for all class members. Many thanks.

It is nice to see Linda Yaeckel dancing again. We are sorry to hear your Fling Fantastic weekend ended so badly; because of the car accident which caused your injuries. Welcome Back!

Congratulations to George & Loreen Phillips on the marriage of their daughter Norene to Davie Murphy on Nov. 23. Ted, Ruth and Kathy will be attendants for the wedding. Kathy will fly in from Omaha, Neb. Also Morrie & Del Tette's daughter Maureen will be married to Thomas Polito on Nov. 30th. Del, we hope you will be back dancing soon. You sure are missed.

Leonard & Caroline Scardino became grandparents for the first time. We extend our best wishes to your new grandson.

We are happy to hear that Joe & Mary Cutaia's daughter Joann was the lucky winner of \$5000.00 from BBF Radio Station.

On Nov. 9th we had a good turnout from Syracuse. 16 couples from the Pairs & Squares showed up. The refreshment committee are to be praised for their effort.

The following couples are celebrating Wedding Anniversaries. Fran & Marge Clark on Nov. 21st, also John & Kay Welch on Nov. 24th. We wish you all many more happy years together.

Remember these dates--Dec. 14, Poinsetta Prom & Dec. 28th, Pre-New Years Party.

Singing Squares

Halloween spooks were everywhere. A sexy Hawiian grass skirted beauty joined us in our dancing. Her name was Gene. A poor little hobo came with her. We also had a very sad clown and some square dance bugs with us. Some poor soul lost his clothes and had to come in a barrel. Two others were covered with balloons. Every-one got a gang out of them. Bonnie and Clyde were having a good time until the balloons scared them.

Our caller looked like he needed a friend or a drink or both at the start of the dance. Some of the good Cider and donuts made a new man of him with a brand new face.. (the one we all know and love) Mike and Jackie Stein made the room look nice and spooky with all the Halloween decorations.

Next month someone is coming as a Turkey. Don't miss it.

SPIN 'N' WHEELS

Spin "N" Wheels are hoping Santa doesn't forget just how good they have been this year. Arrangements have been made for the Annual Christmas Party to be Dec. 19th with the class of Spin "N" Wheels. This will be a tureen dinner with exchange of gifts.

Our January 8th dance will be a "Hart Times" dance---can you think of any better time??

The club will be doing their usual entertaining at area hospitals and Orleans County Infirmiry during December and January.

HAPPY HOLIDAYS TO ALL
Roger & Marcia Fisher

Triggers

This fall season was high-lighted by many fun events at the Triggers Corral. The Club's Galloping Ghosts Halloween party was a galloping success. The Ghost of Ceaser and Cleopatra led the way, followed by Raggedy Ann.

On Nov. 2 the members paid a surprise visit to Peg and Myron's house. I say surprise because we rang the bell at their door at 12:30 A.M. Myron proved to be a through and through square dance caller. He pulled trousers over his beautiful blue PJs and called a few tips for the fourteen "IDIOTS" assembled there. One more badge for our banner.

A beautiful star studded evening of Nov. 8 we enjoyed a hay ride behind of all things, real honest to goodness horses. Sitting in the sweet smelling hay took me back to the days when I was a teenager. A picnic lunch (oh those pies) followed at Ellison Park and of course dancing.

Our class of 35 graduated Nov. 12. A very impressive ceremony and initiation has been planned. This will be the first class to wear our new Mortar Boards. Some of the new members really will wonder what or who is under those petticoats! Our new class will start January 9, with open house at English Village School - Sutorius Dr. Anyone who missed classes starting in Sept - have a second chance - come and join us.

Triggers Christmas party will be held Dec. 17. Come and celebrate with us.

The club's New Years Eve party will be held Dec. 31 at Church of theMaster - Lake Ave. "Reservations are Necessary" This event has grown every year because of the good fun and excellent food. I think here is a good place to insert some addresses: Our club President - Bob & Nary Speer, 453 Ellinwood Dr. 14622; Secretary-Russ and Alice Richards, 569 Marsh Rd., Pittsford 14534.

As the Holiday season approaches, Bob and I wish to say that in the three years we have been Western Square Dancers, we have met so many wonderful people and made warm new friendships. To all these and to all those we will meet and to everyone every where, we and the Triggers extend the warmest Season Greetings and A Happy and Successful New Year.

Swingin' Eights

We all enjoyed having our old friend, Tom Trainer, calling for us on October 19. Good luck to you, Tom.

Both of our Halloween parties were a howling success. Bruce, you're a good sport to put up with our antics on a class night. There were some real cute and clever costumes at our regular dance too.

Keep the windows shut, Jack.

Tickets are now available for our Christmas Party which is at the Redmen's Club, 1001 Lexington Ave. on Dec. 21. The cost is \$10.00 per couple for dinner and dancing. Now y'all cain't hardly beat that fer an evening o'fun can ye?

Here's to a quick recovery to you, Ruth Shadders. Hope we see you back with us real soon.

VILLAGE SQUARES

With our spooky-fun Halloween party behind us, and our gala Christmas party just ahead of us, we Village Squares are keeping things swinging at our old stomping grounds. Come December 9th, our class will join us for our Christmas Dinner-Dance at Marvin's Country Club-Macedon. The Curaccis have some fine entertainment lined up to add to the dining and square dancing. The cost is \$14.00 per couple (non-members at \$15 are welcome See or call the Davenport's (381-3931) to make reservations.

Our October Harvest Moon Ball was fun-and a success; so, we are going to do it again--On February 28th. This dance will feature TWO CALLERS--Art Harris and Dick Casper, who will do their "thing" singly for a while; and then try Dual calling to finish off the evening (or finish us off, which ever comes first.) Watch the Promenader for more details on the dance---it promises to be a "BICEE".

Those Village Squares sporting "Casper-the-Ghose" badges have a double reason for doing so--as a memento of the Halloween Shennanigans, and as a salute to "Casper-our-caller", Dick C. We love you Dick and are pleased to proclaim our infatuation by wearing these dangles. (Some of our more active club members are now sporting shirt-fronts full of "fun" badges and are thinking of making them into vests or belts or some such dancing accessory. Have you gotten your badges yet?)

This month, we'd like to have you meet-----
Mort and Freda Davenport, that pleasant couple who charm us with their friendliness during and between dances. Although retired now, both from professional performing and from the academic world, they still sing up a storm when asked to perform. They delighted us with a medley of songs at the Harvest Moon Ball and we'll hear from them again at Christmas time. May you continue to sing in good health, friends.

At the November 25th Dance a slate of officers for the coming year was presented. Voting will take place Dec. 16th. Come out and exercise your vote, while you enjoy the spirited calls Dick is dreaming up for you.

Remember, no dance Christmas or New Year's weeks.

Good Dancing, gang

WHICH WAY WHIRLERS

October 21th, a group from the Which-Way Whirlers went on a mystery ride and ended up in Bath and had a good time.

The past month we have been busy with two special dances October 26th Bruce Shaw called for us and Nov. 9th Jim McQuade was guest caller.

On our last regular dance four couples from the Wyco Promenaders visited with us and got their banner back.

The new class is coming along nicely and it is good to see the teen enjoying the dances. Wish some of us had a little of their energy.

Our next regular dance will be Nov. 20th with Jerry Bradt calling the squares and Bernie Hayward cueing the Rounds. Guests are always welcome. Workshop is from 8:30 - 9:00 P.M.

Happy Thanksgiving to all

Twirl A Rounds

George and Audrey Mura had a nice vacation that started at Washington and then on to Florida.

We have some new members, Frank & Rosalie Price, welcome

As everyone came in for our Halloween Dance, they were pinned with a Halloween name, and it was their job, by asking questions to guess what it was. The Grand Prize winner was Kay Falls, who received a big sucker.

There was also a mixer dance, by matching up household articles, to find a partner.

Wayne & Gloria did a nice job in planning decorations for our dance. Connie & Don Durbin, Chet and Evelyn Seager helped us put up the decorations. Thank you.

Our refreshments this month were brought in by Peg Mullan and Evelyn Seeger, Barbara Cody, Kay Falls and Anne Gentils and Bonnie Coopenberg.

Our new dances this month were; Alice Blue Gown and There Ought To Be.

Chuck & Sue Durling

Wyco Promenaders

Our Christmas Dance will start with a Tureen Dinner December 13th at 6:30 p.m. Our annual New Years Dance will be held December 28th at 9:00 at the Letchworth Central School. This dance is open to class members too. Last year we had a terrific turn-out and hope this year will be as great a success.

Merry Christmas and a Happy New Year to all!

Wayne Westerners

Hope that everyone had a pleasant Thanksgiving. That we were not alone in feeling like a "stuffed bird." Every year I say "not again", but then comes the day and I forget.

We wish to extend a special welcome to Round Dance caller Bob Slomcenski. Come give him a try.

Reunion night was a success with so many of our former members out. They rediscovered the fun of dancing. That they weren't as Rusty as they thought and rather enjoyed it. Hope they will be back dancing with us.

Month of November has been a popular month for the Wayne Westerners for they have been guest of many clubs. We wish to say thank you to the Singing Squares, Lima Grand Squares, Magic Squares and Copy Cats, Thanks again.

We are looking forward to a gala holiday season beginning with our annual Christmas Party and Pot-luck supper on the 19th of Dec. Dollar gifts will be exchanged. We will share this with our class. This will be the first time they have joined us, so lets give them a good time.

Alma and Frank Dryer, will be leaving us to retire to Florida. Sure they will continue to enjoy dancing. Our loss will be Florida's gain. Good luck and farewell, but do come north once in a while and share your dancing with us.

So glad that Bob Cady came through his surgery so well. We all wish him a speedy recovery. Our thoughts and prayers are with you.

The best remedy to help get through that busy holiday season is to take a Dance Break with good friends! So come dance with us we can help make your season brighter.

This winds up your reporters last news item since the next issue should bring you new reporters. Don't think this hasn't been fun--to be truthful, it hasn't. But it has been a challenge and since we all welcome a challenge once in a while, were glad we did.

So we leave you by wishing you a Merry Christmas and a Happy New Year.

Our Halloween party certainly was the "cats Meow", wasn't it? We are wondering how the cat's paws felt the next day. The "spook" trail that all of us were guided through (blind-folded) was something else again. The committee in charge, as well as all costumed participants deserve a gib hand.

We understand the lovely urns deposited on Bill & Judy's front steps earlier in the season, have been put in "storage" for the winter, or at least have disappeared.

Sorry to see Bobbie Neilson laid up with foot surgery - hope her recovery will not be too long; also Dick Vaeth was pampering a dislocated thumb from playing basket-ball - too bad.

An interesting story can be told by Arlene Galen on how to slaughter turtles. Evidently, it's not a job all gals would take.

Chuck and Rita Phelix are excited about their planned trip to Florida for Christmas. We wish them a safe and joyous vacation.

According to all predictions, we are suppose to get plenty of that white "stuff" this winter, so you snow-mobile fans enjoy it - even though some of the rest of us could do without it; but let's all join in for dancing to Bud Redman, a national caller on Dec. 13th.

Although it is a little early, your reporters want to wish each and everyone a very Merry Christmas!

Caller's Profile

LESLIE BRADT started square dancing in Jan. of 1966. Being quick to pick it up, he graduated that same spring, in March. He was a member of the Little Squares Club, who's caller at the time was Bruce Shaw.

In the fall of 1966, he learned how to do singing calls at the age of twelve. He was encouraged and taught by Bruce and Una Shaw. Impressed with the results, they suggested he try doing a singing call at the Christmas demonstrations that the Little Squares did. Then in the same year, with Bruce as his sponsor, he did a singing call at every demonstration after.

Leslie called at various clubs throughout the city such as: Boots & Slippers, Genesee Dancers, and Country Twirlers. People recognized Leslie for his singing voice.

Around 1967, Bruce Shaw and the Little Squares made an appearance on Miss Rita's Romper Room for a demonstration. Bruce did a hash call, and a singing call, and Leslie did a singing call. This was done consecutively for two years around Christmas time. He was then thirteen.

In 1969 Bruce asked Leslie if he would like to take over the Little Squares Club. He also did guest calling around the Rochester area, such Hilton Hillbillies, and Skirts and Shirts.

In 1971, Leslie was on his way to becoming a better caller when he called at Teenorama at the age of seventeen. In 1972, he became a member of the Rochester Caller's Co-op, (CCR), who further aided in his improvement. Also in the same year, he took over the beginning class at Hilton.

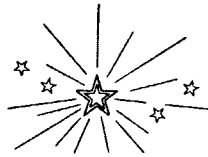

Presently, Leslie is Club caller for pre-teen group Swinging Squares,(formerly Little Squares) and the brand new club Barefoot Squares (formerly Skirts and Shirts). He is also teaching the Beginner's Class at Hilton.
