VOL. XIII - NO. 7 ROCHESTER, NEW YORK

MAY 1975

WELCOME GRADUATES

The Rochester Federation extends a warm Welcome to you all. The new dancers each year are very necessary to the Life of all Clubs. You are our LIFE-LINE.

Now that you have finished your basic classes and have graduated, those who have taken this step before you, say WELCOME---WELCOME into the Big-New-Beautiful world of Square and Round Dancing.

If you are like most of us your Square Dancing fun started on the first night you were introduced to this activity and were "Hooked". You discovered the importance of listening to the caller, of dancing to the beat of the music and especially you discovered the value of Friendships that come as a big Bonus to Square Dancers.

Now that you are ready to try your wings, don't become discouraged if you "Goof," (everyone does), just keep smiling and remember that the more you dance the more you learn and your enjoyment increases. So relax and have fun. Everyone was a Beginner once. Now that you've learned to Square Dance, do try Round Dancing for added enjoyment. Round Dancing and Square Dancing go hand in hand.

You will find a whole new world opened to you as Square Dancers: Festivals - Weekends - Camp-outs - Conventions and best of all meeting the FRIENDLIEST PEOPLE IN THE WORLD.

WELCOME TO YOU ALL.

PRESIDENTS'

CORNER

A SPECIAL MESSAGE TO ALL NEW CLUB MEMBERS:

Today you recent class graduates have received in your mailbox, for the first time, a publication and vital link with the square and round dance community at large. On behalf of the entire Rochester dance community: the approximate 2500 dancers, club officers, square dance callers, round dance cuers, Federation representatives and Federation officers - WE WELCOME YOU! You are our life-blood. You are the blossoms we await each spring. Your flowering adds to the growth, and meaning, of our Community. May you all find the special joys that square and round dancing can add to your lives. Come out to dance and meet us!

Last month we asked for suggestions on a central storage area to set up a lending materials library. The area most desirable is located in Webster (not exactly centrally-located for some) but a beginning. We will be able to rent the facility for a nominal fee. It consists of rooms above the Happiness Is...Craft Store (opening late May) and will be set up for use next year. It's ideal in that the store below will stock both materials and know-how for square dance novelties.

Thanks to Frank and Norma Salvagio a much needed Publicity Committee is getting off the ground. The group is now establishing goals for next year and ways to implement them.

The "Promenader" Co-editors for next year have been chosen and will be announced at the Federation's May 14 meeting. We are extremely pleased with the choice of this competent, young, enthusiastic couple.

Dance-O-Rama plans are now complete and ready for the action. The Festival this year promises to be extra-special. You will dance to national and local callers and cuers amidst a decor of an elegant garden - complete with a sparkling fountain, wrought iron furniture, plants and flowers, birds and butterflies and close to one thousand hand-made flowers. Mary Kailburn's group made seven hundred! You will have an opportunity to experience the joys of traditional and ethnic folk dancing in a folk dance hall and observe the talents of three exhibition groups.

If you don't have a ticket, they can be purchased at the door. Don't miss this Festival at the Brockport campus on May 3rd.

Shalom,

George and Sallie Emmons

T Trail End Dance
+ Reservations Only

Well, The Dance-O-Rama is nearly here. Hope your going, I'll see you there. My fee is still the same for staying out of your set and as the fisherman said when the fish stole his last worm, "there will be no re-baits".

I went to Brockport college last week to get a preview of the ballrooms and to find the Rathskeller. You see, the Rathskeller is necessary to provide courage to my dancing.

Especially my Round dancing. Speaking of Round dancing, I often wondered, there is an unwritten rule about not walking out of a Square dance set. But what about not walking out of a Round dance before it is finished. The following happened to me. Ever happen to you?

Fran: Let's dance this round.
Me: I forgot how it starts, finishes and ah, that little part in between.
Fran: What a memory! Like an elephant, a dead one.
Me: Very funny,,Whose turn is it to lead?
Fran: You can lead if you promise to take short steps.
Me: The last time I took short steps I stepped on myself.

Fran: You going to try this one no hands?
Me: Take your hands out of your pockets.
Me: I'm only trying to balance myself by putting an equal amount of change into each pocket.
Fran: Oh, let's dance.
Me: You're two beats behind.
Fran: If you would lose a little, I wouldn't have so far to go around.
Me: Well! Pardon me, Miss Metrical.
Fran: You just stepped on my knee!
Me: Well don't stoop.
Fran: Smile, they are all looking at us.
Me: Well they won't learn anything.
Fran: They will learn how not to...
Me: Your leading again!
Fran: Well somebody has to..now your two beats ahead.
Me: Look, you do a half a Vine foreword and I'll do a half a Vine back, then we'll be even again.....
Fran, Frrann... where are you going #\$\$%\$ I didn't want to dance anyway, think I'll go to the Rathskeller.

Thanks anyway,
Hal Abberger

Batavia Twirlers

There is nothing so lousy as a spring snowstorm, particularly when it forces postponement of the Cancer Dance! There was no doubt about it--with more than two feet of snow in the parking lot (and more still in a couple other places) all our earlier statements about the Cancer Dance had become "inoperative!" Bill Peterson was snowed in at Erie, Pa. and most of our dancers were socked in at home. Okay, so much for spilled milk---The Cancer Dance has been rescheduled for Saturday, June 7 at the Jr.-Sr. High School on Ross Street in Batavia. For you oldtimers, that's where the club used to meet a couple years ago. Larry Dunn will be calling along with some of the local callers. We're hoping to have at least one other "pleasant surprise" among the personnel but can't say just yet---things are moving fast! Don't forget---June 7!

Big windup for our regular dance season--on May 10 we'll have Jim Dutton and Howie DeGrave; on May 17, Jim Wheeler and Betty Wolcott so mark your calendar! The dance on the 17th will be a dinner-dance and installation of officers beginning at 6:30. Guests are welcome at 8.

The Memorial Day Weekend Campout will feature Larry Dunn and Leo Parsons at Wyomoco \$-H Camp near Warsaw. Club members see Bob Higley for reservations and further information. This is always one of the year's best events so don't miss it!

A special welcome to all you dancers who have honored us by joining our club this year--we've had a particularly large number of new members in addition to our class couples. Glad to have you with us!

Mary Ellen Parsons is out of the hospital and doing fine---Election of officers is coming up this month---Had a good time with Dan Dedo after the big thaw--Have a good time at Dance-O-Rama!

Jerry and Dotti Willer

Belles 'n Beaus

Thanks to our Mystery Callers, Larry Spavin, Chip Kellogg, Ken Boss and Stan Levandowski for the great job they did calling at our Mystery Caller Dance.

We are all looking forward to April 28th when 23 couples will be graduated from the class. I understand the Executive Committee have come up with some interesting "exams for the graduates to pass.

Welcome home to Ethel and Russell Heffer and Kay and Ken Fredricks who returned from Florida in time for the Big Spring Storm.

April is a month of many celebrations in our club. Happy Birthday to Louise Flynn, Joe Bartell, Althea Rosenburgh, Bob Maurinus, Evan Smith, Ed Haddleton, Dorothy Carris and Al Tinsman. Anniversary Congratulations to Joe and Joan Bartell, Ken and Sally Fooks, Bob and Bernice Weaver, Kay and Ken Fredricks, and a very special wish for Jane and Ray Ross who are celebrating their 25th Wedding Anniversary.

The Workshop will be held Wednesday, April 30, May 7, 14 and 21, at the Holmes Rd. School. Come out and support your club and have a little fun along the way.

CON'T.

Trail End Dance is May 16th at the Three Acres Party House. Purchase your tickets soon, and we will see you there.

Boots 'n Slippers

A Friend In Need The March 14th St. Patricks benefit dance was an overwhelming success. We want to thank all you good people who braved a snowy night to attend. We also received donations from people and clubs that could not attend. Thank you! The word is around about a few people who dug very deep in their pockets. A special thanks to you!

Funny Clothes Explained The "Willow Inn" was the scene of a square dance "spectacular" (After the St. Pats dance), performed by the Altons, Kristis, Kuhns, and the McAllisters. Jerry Arnold of the "Midway Sound" whose request inspired this demonstration, along with the regular patrons, enjoyed watching some good dancing, and also found out why we wear those "funny clothes" I guess this dancing so overwhelmed Rich C. that after leaving the "Willow" he slid his wife's car into a very snowy ditch. What was that you said Judy?

The Green Greased Pig Betty M. grabbed the greased pig at our March 21st graduation party. The other games were great too, but watching all the ex-class waddle with balloons between their knees, reminded me of a penguin stampede. All the class members were awarded shiny new club badges and contrary to popular belief the club officers did not ask me to return my badge and take lessons again! Welcome new members.

Did You Go To ECK-O Squares? Well, on March 26th, ten couples from B'N S accepted ECK-O's kind invitation and round and square danced for a fun filled evening. Many of those couples were new dancers but you should have seen them split coordinate. Wow!

T.R. said she would not like to see her name in the Promenader!!

Be Sure To Ask Crash Turlington about her argument with a telephone pole. Be sure to ask Rob why he now wears a helmet when he rides with her.

Callers Co-Op

HOW-TO CORNER: Perhaps you have already met this month's call under the name of "Half-Tag, Trade, and Roll." This is a combination of three basic calls: Half-Tag the line (which we looked at last October), then Neighbors Trade, followed by AND ROLL. We have done things like "Men Roll Back and Promenade the Next" or "Ladies Roll Out and Take a Backtrack", but AND ROLL is an "add-on" call that has a special meaning of its own. It must be used after a call that finishes with some kind of turning motion. AND ROLL means that each dancer, individually and in place, makes a quarter turn in the same body-turning direction as in the preceding call. For instance, "Right & Left Thru AND ROLL" ends with a left face after the courtesy turn, but "Flutter Wheel AND ROLL" finishes with a right face.

Cloverleaf Squares

Spring is here and dancing is in full swing. Is it true that "in spring a young man's fancy turns to square dancing (as well as love)?" I certainly hope so!

The Cloverleaf Squares are in full swing now that the Class of '75 has graduated and become a part of us. We would like to tell everyone about the change of time for our dances. Our own Ann Crowley is starting a Round Dance class from 7:00-7:30 P.M. The regular square dancing is from 7:30-10:30 p.m. at Chili Town Hall. We will not be dancing on May 3rd or 25th. May 11th is a ?? For information, call Ron Pikuat at this number-- 889-3249. May 18th will be a regular dance.

Hope to see you "around the square", especially at Dance-O-Rama.

Swingingly,
Natalie White

Copy Cats

THEY'RE OUT OF THEIR CLASS!

On April 26, the Copy Kittens became Copy Cats. By far the largest graduating class in Copy Cat history - 13 couples. Leroy & Kathy Chessie, Joe & Eleanor Chiavetta Dick & Alida Deisenroth, Steve & Debbie Figueira, Earl & Carol Johnston, Bob & Ellie McVay, Len & Helen Messineo, Paul & Helen Pellikka, Ray & Emma Schlesing, Wayne & Sonja Shelton, Don & Elinor Tarrant, Tom & Pat Van Bortle, Bill & Mona Vibbert traded Xeroxed badges for plastic Copy Cats badges.

MAY DAY! MAY DAY!

Headline hunter Paul Pellikka has been warning us for months that May 1st is his birthday and since we're stretching for news (and he's a nice guy) Happy Birthday Paul!

MAN BITES DOG!! THAT'S NEWS!!!

Many men bite many dogs that's a lotta news and it's all good. Thanks to the tireless efforts of our Vice President, Jim Fordham, the Copy Cats cornered the dog market at the Xerox Recreation Association sponsored soft ball game. You're all invited to crunch a canine and fatten yourselves (and the Copy Cats treasury). Watch future editions of the Promenader for dogtails.

HULA CHAIN TO AN OCEAN WAVE!

The Fordham's fancy footwork will rock the Hawaiian Islands February 2-17, 1976. Helen and Jim have signed up for the Ken Anderson Tour. Don't stomp too hard folks -- we would hate to have you responsible for another Mauna Loa eruption. (Shades of O'Leary's Cow)

SNOWBIRDS FLY TO HONOLULU

The congenial "Ma" and "Pa" of the Copy Kittens, Al and Dot Pheilshifter, flew away to Hula Hula Land while 26 Copy Kittens stood waving and crying at the Airport. Ma and Pa cried too because they would miss the graduation exercises, but this reporter just laughed and laughed to see Dottie boarding with her knitting and Al wearing his grass skirt mit Texas boots yet!

Country Twirlers

On March 14th, the Country Twirlers had their Graduation and St. Patrick's Dance at the Thomas Edison School. Twenty-three couples were graduated. Jerry Carmen, who taught our Class this year, did an excellent job. Thanks, Jerry. It was an evening of Fun and Many couples braved the storm to be there. Jim McQuade, our Club Caller, couldn't get in, but we were able to get a great Caller, Ed Butenhof, at the last minute. Thanks Ed for a wonderful evening of dancing. The cakes, two, one for Graduation, and the other for St. Patrick's Day, were masterpieces.

See you all at Dance-O-Rama on May 3rd at Brockport University Campus.

We are all looking forward to our Trail End Dinner on May 10th. Dancing as usual at Washington Irving School at 8:00 P.M.

On May 16th, Ed Butenhof, who did such a nice job at our Graduation dance, will be our guest caller. Hope to see a lot of you on the dance floor.

Our congratulations to Bob & Ann Predmore, who are the proud Grandparents of a Baby Boy.

Now for something different. We know this is a far cry from square dancing, but very interesting. All of you who are garden enthusiasts, particularly those interested in organic gardening, be sure to talk to Ed Weller. He has some terrific ideas, (don't know if Ellen agrees with this) one in particular is what he is doing with those wiggly things he had in the basement. Don't know how they could possibly leave them behind and go to Florida, but they did.

The final event of the season will be our family picnic on June 14th and campout for those who wish to camp on June 13, 14, and 15 at Hamlin Beach State Park. Plans are well under way for this big event.

Dear Dancers: TEEN-O- RAMA REPORT

We would like to thank you all very much for joining us in celebrating our 20th Anniversary and the 15th Annual Teen-O-Rama. Every part of the day turned out to be a success in more ways than one; but only because of each one of you. We feel that this Teen-O-Rama opened up many new doors particularly between the adults and teenagers in the area of square and folk dancing. We hope that in the years to come this may be a day shared by all people, no matter what age group.

Once again, we as a group would like to thank Dr. & Mrs. Waldo Westwater for their devotion to square and folk dancing and also to each one of us.

Thank you all once again for your help and participation in making this a very successful and special Teen-O-Rama in the eyes of all of us. May God bless you all.

Happy Dancing!

EKC-O Squares

In Ireland square dancing is popping up like shamrocks. We hear a large number of EKC-O dancers fled to the Emerald Isle after sampling one of America's up-and-coming new callers. At the St. Patrick's Day Dance our President, Bob O'Connor (wearing green shoes and socks), introduced the special guest caller's new introductory record and the floor broke down immediately. Did you ever see so many people having hysterics at one time? Even the leprechauns on the wall had their hands over their ears. They couldn't believe what they found at the end of the rainbow! Ken Anderson is still fidgety and upset worrying whether EKC-O's own Harriet Klotzbach will be asked to become club caller soon.

REASONS TO WORRY: (If you don't have a few you're already working on.) Vice Presidents, Sally and Walt Beachle are in the process of lining up next year's guest callers andHarriet is one of their good friends.

At one of the recent dances a collection was taken up for Eileen and Bill Stackman. Bill works for the Rochester Telephone Co. and we all wanted to be sure he had enough money for gas and not miss any of our dances.

Three club couples are working hard and doing a bang-up job. EKC-O commitment for Dance-O-Rama this year is handling local ticket distribution and sales. Reg Wolfenden and John Himmelsbach organized the procedure most efficiently. Bill and Geraldine Krockenberger are spending lots of time at our ticket booth in the rear of the hall. Be sure to visit them soon! Dance-O-Rama has several "firsts" this year and promises to be a really outstanding dance festival. Note the decorations in the lobby of the Human Services Bldg. Bob and Connie Burns have some clever ideas and it sounds delightful. The bird cages were Bob's original idea.

Our thanks to Art and Pearl Shencup for handling MD tickets at our club.

A WARM WELCOME TO RECENT CLASS GRADUATES

On behalf of the entire club we extend a warm welcome. We hope you find the joy in dancing so many of us have found. Its joy encompasses not only the dance itself but the friendships, festivals, camp-outs and life-style you are entering into.

ALL NEW AREA GRADUATES ARE CORDIALLY INVITED TO JOIN US FOR WEDNESDAY EVENING WORKSHOPS AND GUEST NATIONAL CALLERS.

To help you gain confidence and feel at ease at club level dancing our club offers a series of summer workshops. These extremely popular evenings were designed with you in mind. A workshop from 7:45 to 8:30 p.m. will be held each evening club caller, Ken Anderson calls. Bert and Betty Wolcott will teach rounds these evenings from 7:30 - 7:45 p.m. Do come!

Shalom,
George and Sallie Emmons

Don't forget May's guest callers: May 3- Dance-O-Rama
7- Dan Dedo
21- Paul Andrews

NON-FEDERATION NOTE

Joe Reilly's Sing-A-Longs will be dancing at Sunset Recreation, 1317 Chili Ave. on Sundays May 4 and 18; June 1. Rounds at 7:30 and Squares 8:00 - 10:30. Air Conditioned hall.

Genesee Dancers

Graduation exercises for our Class were held at the Green Lantern Inn April 17. I am sure you all join us in welcoming these new dancers to our Club and the Rochester Area in general. Thanks to the Fristers for instructing this fine class for us.

Congratulations to the Genesee Dancers' George & Una Shaw for another smashing success - the M.D. Benefit Dance. The square dance community as a whole owes George and Una a long vote of thanks for all the work they put into this affair every year - the square dancers benefit as much as M.D. There are a lot of helpers for this dance and those from Genesee Dancers include: Ken & Lil Boss, Roger & Carolyn Bastian, Bob & Nancy Schulze, Art & Pauline Bennett, Mike & Sandy Walsh, Ray & Eva Seymour, Bob Vincent, Jim & Mary Alice Brooks, Jim & Mary Pedulla. Our apologies to any workers from G.D. whose name we have omitted.

Flyers are out for our summer dance program and all area dancers are invited to join us every Thursday night (with the exception of July 3) from May 22 thru August 14 from 8:00 - 10:30. The July 3rd exception is necessary so we can have time to prepare the Green Lantern Inn for our July 4th Sparkler Dance. Please see the special notice for this special event for details.

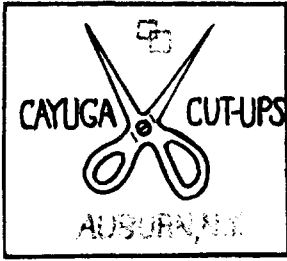

Sick Call:

Al Hoffman has been hospitalized and hope he's home by the time this is read.

Florence Friedland has been sick and we miss her too.

Also, a Ray Seymour bulletin: Ray is home from the hospital and he's doing great. We understand he's so well the nurses are tired from running from him! Can that be our Ray???

We now count in our number the following couples who recently graduated into our club: John & Arlene Bean, Herb & Doris Braden, John & Dottie Densk, John & Arlene Patrick, Gerry & Betty Rickard and Louie & Jan Smith. The graduation dance was a lot of fun, thanks to all of you who came and to those who worked so diligently to prepare everything.

We hope that a lot of our new dancers got out to the Muscular Dystrophy dance on April 19. It always has presented the best in dancing Pleasure, and this year was, of course, no exception.

The officers for 1975-76 who will take office on June 1 at the Trail's End Dinner Dance are:
 President - Floyd & Jessie Clark
 Vice President - John & Lois Wing
 Secretary - Paul & Janie Bree
 Treasurer - Floyd & Dorothy Canne

The outgoing slate of officers have certainly done a fine job and we all thank them for their many hours spent on square dance business in the past year.

This years' Trail End Dance will also mark the tenth anniversary of our club in Geneva. Everyone is invited to make this a bang up celebration for our club!

We hope to see many of you at our Johnnie LeClair dance on May 4 at the Geneva Junior High School from 2 - 5.

Happy dancing!
 Paul & Janie Bree

By the time this issue is in print, our class will have graduated and we would like to take this opportunity to welcome them all into the club. We had the opportunity to dance with them at our Valentine Dance and know they were an excellent group of dancers and a fun group as well.

Trail End is coming up on May 17, at Redman's Club. Bob & Marge Pearson and their committee have a fantastic program and buffet planned. It's an excellent chance for new and old club members to mix and meet and we expect one of the largest turnouts we have ever had.

We understand Adele Tette is still not feeling up to par and we wish her and the many who have been bitten by the flu-but a speedy recovery. We miss you all dancing.

There will be more information out at the April 12 dance on our Dance-O-Rama assignment. We know we're cleanup and we have to be finished by noon Sunday. We hope you will all assist if you can and join in the picnic which we will have that afternoon. As I look outside, it's still snowing but it should end by May.

Square dancing is lots of fun, in fact I think it's swell, it gives us a chance to stretch our legs, and raise a litt ---- sunshine in our lives.

Bob & Vivian Bierre

Fiddle A Rounds

Seems like review time, what with all the vacation days-how we do forget.

Riesenbergers are quite the travelers with a recent trip to St. Martins and a dancing weekend in Niagara Falls, Canada.

Andy and Carolyn are really Stamp, Stamping up a storm.

Falls are Promenading very busily these days.

Would anyone like a Huge, Ugly, Enormous, Old Tractor Tire?? What a thing for Dot to be gifted with.

Another great M.D. dance is gone and we are looking forward to next year.

GLASS SLIPPERS

We are happy to be members of the Rochester Area Federation. We have been in existence for over a year now. Our officers are: President - Butch & Brenda Foresha, Vice-President - Al and Terry Benson, Secretary - Bud and Stell Lewis, Treasury - Jim and Pat Blunt, Club Senior Representative - Ray and Lucy Stoddard, Junior Representative - Al and Betty Benzing. Our Senior Delegates to the Federation are: Bob and Ruth Freitag, Junior Delegates are Al and Arlene Miraglia.

The Glass Slippers are paying special tribute to "Mons" at their May 12th Pink Carnation Ball. All gentlemen pay \$2.00 and ladies in free. Our caller, Ron Fotch and all of us members hope you'll come and join in the fun.

A get well wish goes out to Judy Hemmerich, who is recovering from an operation. Hope you have a speedy recovery and are back dancing with us soon.

Until we see you in our set....

Al and Arlene Miraglia

We were pleased when the dance class had perfect attendance at their graduation festivities on March 22nd. Everyone had a good time that night thanks to the various committees.

The shoebox dance, blind fold stunt, and balloon game were lots of fun. The decorations carried out the graduation theme with mortarboards and streamers, Dorothy Falk made lovely yellow rose corsages for the ladies, and Connie Harper's beautiful cake added to the occasion. Thanks to all who helped make it a success.

The club is pleased to welcome these new members and hopes they will come regularly to the club dances.

The next big event for us will be the Trail End Dance on Friday evening, May 16th at the Green Lantern. Can it be that time of year already?

Mil and Laura Craft

Kuntry Kuzzins

We are swinging into spring with a number of special events coming up. Our class graduation has been changed to the 24th of April, 8:00 to 11:00. Good luck class.

May 5 we are guests of the Village Squares, East Rochester, and on May 10 our annual meeting will be held at the Kelly School with Larry Spaven calling at our regular dance after the meeting.

CON'T.

Don't forget the Dick Leger dance May 15 held at the Kelly School, Newark, off Pierson Ave. 8:00 to 11:00. Let us all turn out to give Dick a big welcome. Class, you will be graduates at that time so join in on the fun. You will enjoy Dick's calling.

Anyone wishing to go camping over Memorial weekend at Camp Houser's Boy Scout camp off Blue Cut Road, May 23 - 26, please contact Ray Shove, Newark. Larry Spaven will be calling to a dance at the site Sat. evening May 24, 8:00 - 11:00. In case of rain the dance will be held at the Kelly School.

Our trail end dance will be held May 31 with a buffet supper at 6:30. Larry Spaven will do the calls 8:00-11:00

We had a very good turn out at the Wayne Westerners, Marion, to win our banner back. We not only retrieved our own but brought back the Marion banner also.

Lima Grand Sqs.

We had our St. Pat's dance on March 14 and a nice Pot Luck Dinner in spite of all that "white stuff"! It takes for quite a snow storm to keep a member from our dances! Thanks to all who decorated and for the refreshments after.

The Lima Grand Squares have a camp-out each year and this year it is planned again for July. At this writing the ground is covered with snow, but we are thinking "camping". Won't it be nice!

The Kleehs and Durbins are on vacation and we will look forward to having them back dancing with us.

We have almost ended another season of square dancing as our May Day Dance is May 2 and Trails End Dance May 16. We are having a pot luck dinner before our Trail End Dance on May 16.

If you miss our dances, then we'll miss you! We dance at the Lima Town Hall at 8:30 on Friday nites.

Merry Mixers

Happy Spring!!!?

At our St. Patrick's Day Party, we had several posters drawn by students of the fifth grade class, Plank Rd. School in Webster, Joyce Hollis, one of the Merry Mixers is their teacher. Prizes were given as follows: 1st, Darko Beurcan; 2nd, Lisa Sarczyn; 3rd place ties, Tom McGuire, David Ciampoli and Joe Marcone. Well done, children.

On March 25, Ray Corsette & Gladys Kinsley joined the "Merry Mixers". Our best wishes to them and also to Virginia Rebstock who married Bill McCambridge on April 19. Virginia and Bill will make their home in Fort Collins, Colorado.

"Hats off to the Snow Bunnies" who ventured out on April 3 from our club dance. The men outnumbered the women. Some switch. A good time was had by all especially the "girls", Ray Windhauser, George Bracht, John Thompson and Len Prescott. Some lassies, yeah. Ray Laws of the Swinging Singles and a member of the Tecumseh Squares also attended along with four members of our class.

May 3 is the Dance-O-Rama at the State College in Brockport.

May 15 we will have Mike Callahan as "Guest Caller."

May 17 we will be dancing at the Monroe County Home from 2-3 P.M.

May 20 there will be a committee meeting at the home of Rosemarie and George Burandt.

May 26 is Memorial Day.

Happiness is: Dancing with the Merry Mixers.

PROMENADINA B'S

It has always been understood that bringing MAY flowers was the purpose of APRIL showers (as you news person reported last month), so why are they wasting their time flooding our basements? Do we dare hope that spring is here or that summer can be far behind? We hope that this season will bring the "bees" out in full force.

MAY----- finds us with mixed emotions.

EXCITEMENT----- Couples, get started on the campaign trail as elections are drawing near. We have several supporting parties still available including the left wing and the right wing.

SADNESS----- Saturday, May 31st is our last club dance for the season. It's called "Memories". Won't you bring yours and join us?

HAPPINESS----- Although that is our last club dance of the season, it is far from the end of our year of fun. We have the whole summer for camping, picnics, dancing and friendship at Spring Creek Recreation in Byron. Our summer headquarters.

NOSTALGIA----- Remember the grand square that we all went the same way and collided? Remember that special turkey and a Santa Claus named Butch? How about our graduations that were so much fun, we had two, you know!

HOPE----- Everyone will continue dancing for pleasure and friendship and encourage others to give it a try.

APPRECIATION----- To our caller, Ron Fotch, for a job well done. There aren't many of us that have jobs we enjoy as much as Ron seems to. Is it luck or lucky he likes to work hard?

And finally, let's not forget

HUMOR----- Why do bumblebees hum? Because, they don't know the words.

Swinging BB

It was great to see so many of our club members at the M.D. dance. Everyone expressed they had a good time, and are looking forward to more fun dancing at Dance-O-Rama.

We had a very enjoyable St. Patrick's Day Dance. Class members were invited. Terry Benson did a beautiful job on the decorations.

By the time you read this our class will have graduated and will be full-fledged club members.

On May 15th, we are having Frank Lane, National Caller. Everyone is welcome. Hope to see you in the square. Till we square em up,

Singing Squares

Get out the Liniment! The Hilton Hillbillies, the Teen-age dancing club of Hilton came out to dance with us last month and they are certainly full of vigor. We danced with some really nice young people and in these days of stories of youth's apathy, it's really refreshing to see young people channeling their enthusiasm through square dancing. It seems like a perfect activity for young people and if you have teen-agers, you may want to look into this club for your youngsters. They can really "swing and stomp".

Another pleasant surprise was dancing with many, many Boots n Slipper club members on April 2, our last night at the DeMay Hotel. The temperature was cool, but the atmosphere was warm and friendly. We all had a ball.

As I write this, we are looking forward to graduation. It will be interesting to see who wears what size shoe-box and how certain fellows keep their extra, extra large size pants up with no belt--dancing through a tip. We'll have a real fun night and it will be great to see some of these people who have been close friends of ours for a very long time receive their square dancing diplomas. Our theme is School Daze and with lots of bows and a litt Red Schoolhouse, we'll graduate 24 couples.

Again, remember the Singing Squares are Thursday Night dancers and our location is in Gates, 1612 Buffalo Rd. The Thomas Edison School.

Graduation night is just a happy memory, we hope, and our club welcomes these newcomers:

Bob and Norine Callahan
Bob and Joan Donaldson
Bernie and Judydel Hinkson
George and Mary Lou Mura (Jr.)
William and Beverly Wing, Jr.
Doug and Kathy Winstead

This is really a very good class!

Many of our dancers are lending their talents to the Muscular Dystrophy Dance. Anne Gentles made all the capes, as well as the beautiful decorations which appear thereon. Margaret O'Hara made quite a few of the children's animal outfits. Norma Dolan made aprons and Jane Laurer also made up some of the outfits. John and Daphne Fink did all of the printing.

With the coordination of all these talented members, this dance should be an unqualified success. We are anxious to view their efforts, as well as to dance. By the time this appears in print, we are hopeful that MD will be a very prosperous memory.

Let us not forget the Dance O Rama on May 3. Tickets are going well and we are all looking forward to an enjoyable time there, also. Hope to see you in our square.

We certainly hope that our April weather will be bringing us May flowers. But even without the May flowers Dance-O-Rama will get us into the Spring Spirit. So on May 3rd let the sun shine in and join us for all the fun. Looking forward to dancing with our graduated class.

On June 3rd, we have a dance with a special flair. The Ironda Shop will be set up in the small banquet room, and they will be putting on a fashion show for us. A special nite so don't miss it.

The Redmen's Club has completed their remodeling and it is beautiful! Everyone come out and see the decorations. You'll be amazed at how much more dancing space there is. We want to thank you all for your co-operation and patience through all of thoes nites. Well no one can say we're quitters! Our new season of Dancing has begun. Triggers

We welcome back Bill & Marilyn Raymond. They had a wonderful time on their Caribbean Cruise.

We surprised our class members last month with a "hobo" party. They really had a "shocked" look on their faces as we crashed in on them. Most of us indeed looked "sad" the way we were dressed; but we felt "happy" and had a great time. We had a picnic style lunch for them, and some of the club members even brought floor blankets, centerpieces and candles.

Our Club will be having the SPRING FLING on May 13th, at the Greece Grange. Dinner will be served at 6:30 p.m. We sincerely hope that the snow will be gone by then.... (in May???...well, you never know; what does the Farmers' Almanac say about this?)

Some of our club members danced at the Senior Citizens' Home.. "The Shire at Culverton". The residents enjoyed participating also. Square dancing is fun for all ages!!

VILLAGE SQUARES

The Village Squares have been looking forward all winter to the graduation of its first class on Tuesday, April 29th. All regular club members are reminded to come and share the fun of this exciting event. It has been a great class of enthusiastic dancers and all will be welcome additions to our club. Several have already amassed an impressive collection of danglers to hang from that new Village Squares pin. Congratulations, Class!

CON'T.

Remember our job of decorating for Dance-O-Rama! Mary Kailburn has been working for many weeks with lots of artistic, talented flower makers and decorators. She still needs a crew of hard workers for setting up in Brockport on Friday evening, May 2. Get in touch with Mary right away if you can help.

Kuntry Kuzzins will be our guests on May 5th.

Village Squares always enjoy planning special parties and the Trail's End Dance is no exception. This year's is scheduled for Friday evening, May 30th, at Marvin's Country Club in Macedon. Ray & Frieda Laning will be general co-chirpers. Guests are always welcome.

---SPECIAL NOTICE---

Our caller Dick Casper is planning a series of workshop dances on Tuesday evenings, starting May 6, at our regular dance hall in the East Rochester First Presbyterian Church. This is especially designed for recent class graduates and regular club dancers who need brushing up. It is a great chance to review the tricky calls as well as learn the latest callers' favorites. Patience abounds at the Village Squares; plan to come and sharpen your skills for summer dancing.

"Happy May Day" to all!!

Congratulations are very much in order for the Wilcoxs, Copelands and Kloss upon the arrival of new grandchildren. We would enjoy seeing the little ones and parents some evening at a dance, how about it folks? Gordon & Sylvia Copeland are also the proud owners of a new T.V. which they won from a raffle held by the Hicks & Chicks square dance club, congratulations again! No nicer folks could be the recipients of same.

Just for a little "inside story" ask Mary Kay about the fleet that Nelson Coco brought to her while recuperating Great to have you with us again, Mary.

Our heartfelt sympathy is extended to Al & Gen Alford upon the loss of her mother.

Our club is bound to be in good hands, as it always has been, with the incoming officers who are "all in the family" (the Kloss and the Coopers).

May a great year be in store for all the new officers, and many thanks to the ever-faithful out-going lads & Lassies. Your reporters have very much appreciated all of your help. Thanks again.

Congratulations to all of our graduates, we are happy to welcome you to our Club and may each of you enjoy many hours of square dancing. It really is great fun.

Sylvia Davis wishes to thank all those helping with ideas and decorations for the Dance-O-Rama, particularly, the advanced room. Judy Wilcox provided the dressed manikin for the swing in the main ballroom. This was much appreciated, Judy.

See you at the Picnic in July!

Wayne Westerners

On March 13, the Wayne Westerners celebrated St. Patrick's Day several days early. Helping make the dance a success was our guest caller, Chip Kellogg and his wife Sylvia. Our thanks to them. I'm sure everyone enjoyed themselves that night.

Thursday April 3, brought blizzard conditions to the Rochester area, but we had our dance. There were sixteen couples who braved the weather and showed up to dance. Despite the bad weather we all had an enjoyable time.

A reminder to everyone that on May 16, the Wayne Westerners will sponsor the annual Apple Blossom Dance. The caller for this dance will be Walt Jessup. Hope to see many of you there.

WHICH WAY WHIRLERS

Here we are back from Florida just in time to write our last item for the Promenader.

First of all we would like to say congratulations to the new officers who are now taking over.

April 9th was graduation for the Which Way Whirlers and we welcome all you new members to our club. The teens in our club planned the graduation exercises and did a fine job. Edna Myers made a graduation cake and it was really delicious.

May 10th is our next Special Dance with Bruce Shaw calling the squares and Bernie Hayward cueing the rounds. Hope you can join us for this evening of dancing.

Teen Topics

With Teen O Rama behind them the most exciting event is Graduation time at the TEEN club classes. GRAND SQUARES AND WICKAWAYS with 13 and 32 new members respectively. Angel badges were handed out to the faithful who lent a hand and an arm and a leg during the year to fill the sets. Amazing how well some of the gals can dance either part. HICKS AND CHICKS will have had their pot luck supper and trails end dance on April 26th. They are pleased to report that the Gordon Copelands won the TV raffle. H&C has no summer program planned. The WICKAWAYS still have April 25 and May 2 and 9 to go before the summer hiatus. GRAND SQUARES will meet May 7 and 14 and will ballyhoo a June, July and August program when plans are finalized.

A lot of tickets were earmarked for TEENS at D.O.R. so don't be surprised to see a bunch there. The attendance at Teen O Rama was off this year since the out of town teens were saving their transportation fund for the Brockport affair. Unless you adults have visited a teen club or danced in a set when they are guests at an adult club, you cannot appreciate how competent, as well as how enthusiastic they are. If you want to know how Grand Parade, Walk The Plank, Recycle or Coordinate goes, ask the nearest teen dancer. Let some of their fun loving happiness rub off on YOU!

If your teen club isn't mentioned here, encourage your club caller to attend the CCR meetings and let him know all the plans. Also don't forget to send ME* the dates of your FALL OPEN HOUSE and Class starting dates. We publish and distribute this listing at the Monroe County Fair and the Longridge Mall promotions.

Have a great summer!
