

"PROMENADER"

VOL. XIII - NO. 8 ROCHESTER, NEW YORK JUNE-JULY-AUG. 1975

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

Report On **DANCE-O-RAMA** **1975**

Over 1100 Dancers turned out to make the 17th annual Dance-O-Rama a huge success.

Our 32 local clubs were well represented at the dance, along with many out-of-town dancers. All the halls were so beautifully decorated to blend into the theme of "Swing Into Spring".

The calling of Lee Kopman, Allen Tipton, Jack Hague and Dick Schweitzer added to the friendly feeling that all the dancers generated amongst each other. The Round Dancers had their own hall with Doris and Laverne Reilly and local cuers doing a fantastic job.

Callers Co-op did an excellent job all day long in the Relaxed Club Hall.

Many dancers enjoyed the Folk Danting provided by Rich Castner and Ed Butenhof.

In general the sound was next to perfect in all the halls, and you almost had to be blind not to see all the signs and footprints at Dance-O-Rama.

Dinner was enjoyable whether you went to Dailey Hall, the Ox-Roast or local restaurants.

After Alberta Winters sang her stirring rendition of the "Star Spangled Banner", Rich Castner called the Grand March. Next, the Reillys gave a Round Dance Exhibition, the Westwaters' Teen Twirlers performed and the Brighton Folk Dance group did their thing.

In closing, we would like to add that someone said that they felt that the "Spirit of Dance-O-Rama had been revived".

Bob & Jeannette Meagher
Chairman
Al & Marilyn Taffet
Co-Chairman

NOTE: Would anyone who has any suggestions to help us improve the Dance-O-Rama in any way, please contact their Federation Representative in their club or send a letter to Bob Meagher, 81 Marne St., Rochester, N.Y. 14609.

PRESIDENTS'

CORNER

Our goal this year, as stated in the October issue of the "Promenader" was to unite our members - to foster a spirit of community between clubs. A spirit of community does not happen overnight, it takes time, WORK, and much TLC. While 1974 was a year of physical growth for the Federation, 1975 WAS a year of the growth of good feelings.

We are all becoming aware of how much each segment of our community depends upon the other. Without officers, dancers are disorganized; without dancers, callers and cuers can stay home; without callers and cuers, dancers can stay home; without communication, no one gets together - and that's what it is all about: getting t-o-g-e-t-h-e-r and enjoying the joys of dance and each other!

For those people who gave so many hours of their time and talent for Federation activities; WE THANK YOU. We deeply appreciate your coming forth and tackling jobs that seemed overwhelming at times.

For us personally, this year has been a fantastic learning experience. We met and worked with beautiful, beautiful people and we thank you for giving us the opportunity to grow.

Shalom,

George and Sallie Emmons

1975 FEDERATION REPORT TO THE DANCE COMMUNITY

Following is a brief summary of this year's activities within the Federation:

"Promenader"

The 1975 Editors, Marve and Kay Falls, report that the Federation's publication has an ample treasury. There are three more issues to be published within this budget.

Current circulation is approximately 1100 copies per month. Editors for 1976 are Jack and Jean Hennekey with new Co-editors – Jerry and Dotti Willer.

Dance-O-Rama

The response and co-operation the DOR Committee, chaired by Bob and Jeannette Meager and Al and Marilyn Taffet, received from both the dancing and caller/cuer community was heartwarming. This year's dance was financially successful. Almost all clubs contributed. Those very few clubs who did not participate missed an opportunity to work and share the joys of a meaningful, beautiful Festival to culminate the dancing season. The new 1976 DOR Chairman, Frank and Norma Salvagio, were elected at the May Federation meeting. Suggestions for next year are most welcome.

Insurance Committee

Member Larry Herendeen (Insurance adjustor) and Attorney Jim McCollum report that the policy offered by the N.Y. State Federation may not cover visitors to your club dances. They are working with an area insurance company to tailor-make a policy to fit our needs to be offered through the Federation next year. More information will be made known next fall. A minimum of 15 participating clubs is needed.

Publicity Policy Planning Committee

This 15 member committee, spearheaded by Frank Salvagio, has met and done an outstanding job in recommending ways to better publicize modern style Western square and round dancing. A finalized report will be made available this summer.

Banner Stealing Association

Participating and non-participating clubs were published in a recent issue of the "Promenader." The Fed. Corresponding Sec. has copies of the Assn. Rules and Regulations. The goal of the Assn. is to promote inter-club travel.

Bicentennial

The Federation liaison is working with the Director of Bicentennial Activities. This office has endorsed our DOR and plans are being worked out. The Federation will participate in a public event, a Colonial Heritage Ball to be held September 20th. More information will be forthcoming.

Annual Calendar of Special Dances

This area needs more co-operation. If special benefit dances, national caller dates are listed, everyone would benefit. If a club prefers to list only "N" and the date of a national caller, that would be of assistance. The Fed. Vice Pres. maintains this calendar, make contact! Date conflicts are everyone's loss.

Monroe County Fair

Co-ordinators are Ken and Lil Boss (334-7904). Volunteer to demonstrate.

Plaza Demonstrations

Long Ridge Plaza – co-ordinated by Ben and Sadie McGilvery (865-5942). Other plaza demonstrations arranged through individual clubs.

Open House Dates and Class Schedules

Chuck Prister (266-1818) is co-ordinator. He needs more club response. Deadline, July 16th.

1975 FEDERATION REPORT TO THE DANCE COMMUNITY (Cont'd)

Delegate's Handbook

Several interested couples will work on this project throughout the summer and hope to have a handbook detailing the purpose, goals, history, organization etc., of the Fed. compiled and ready for new delegates in the fall.

Celebration of National Square Dance Week

A demonstration dance at City Hall and reading of a Proclamation by Mayor Ryan was arranged by Jim McCollum. This week occurs in mid-September.

National Square Dance Convention

Arrangements have been made for a "Showcase of Ideas" display assembled by Chip and Sylvia Kellogg. Look for it.

HIGHLIGHTS

The square and round dance community gave of themselves in time, talent and money to the following worthwhile causes:

Al Sigi Benefit Dance	\$704	Muscular Dystrophy Dance	\$6600
"Needy Family" Benefit	520	1974 Cancer Benefit	1200

Leukemia Benefit Dance to be held July 19th

TOTAL OF ALMOST \$9,000!!! This, in addition to the numerous hours both caller, cuer and dancers put in performing at local hospitals and nursing homes adds up to much GIVING on the part of the dance community.

A lending-storage facility for federation materials was secured above the Happiness Is . . . Craft Shop in Webster. Inventory and procedures are in the process of being worked out.

A Past-Presidents' Advisory Board was created. We hope to better utilize the experience and abilities of past Federation Presidents in the future.

The Glass Slippers of Brockport affiliated with the Federation.

Photographer George Howard captured on camera special moments at DOR '75. These shots can be utilized in various ways – including slides shown at clubs.

GOALS FOR NEXT YEAR

More effective publicity – some projects in motion, others need work. For ex. imaginative pamphlets available for distribution at demonstrations, Monroe County Fair etc. Listing in telephone book, local papers . . . Thanks to your support of DOR we have a treasury to work with. Printing and paper costs have risen!

Trained Exhibition Groups to demonstrate at various functions. A centralized list of available dancers needs to be kept on file.

Officer Leadership and Training Workshop and Seminars – Rev. James Wentz of Oneonta has agreed to work with the Fed. in conducting a weekend workshop and assisting a committee to organize seminars in this critical area. He is experienced in the Leadership Development field. His fee is \$225. Cost per person (or club) can be reduced by having a lg. number of participants.

THE 1976 BOARD OF DIRECTORS – **Presidents:** John and Daphne Fink (Boot and Slippers) **Vice Pres.:** Fayne Doering (Triggers) **Corresponding Secretary:** Pauline Liess (Swinging Singles) **Recording Sec.:** Bud and Virginia Thornton (Swinging BB's) **Treasurers:** Frank and Norma Salvagio (Village Square).

The 1975 Federation has had an active, productive year. Much was accomplished but much lies waiting for action. We worked together, danced together; and enjoyed each other more than we have done in years. We SHARED – our time and our talents – and it gave us all a marvelous feeling. The buds of promise are being nurtured for next season. Do your part and bade them blossom for our Bicentennial Year.

NOTE FROM CALLERLAB

The "Halls Committee" has been given the task of finding builders and/or manufacturers of buildings that would be suitable to the needs of square dancers. We are also charged with cataloguing all existing halls now being used as a regular square dance facility.

Anyone owning, managing, or knowing of such a facility, write to Sam Rader, 344 Louise Place, Grove City, Ohio 43123, stating the address of the hall and if known - the owners or managers name and address. We will then be able to follow-up and list all of these halls in booklet form for presentation to the International Callers meeting in Chicago next April.

NEWS--ALL AREA PUBLICATIONS

A new and very timely book in the Callers Aid Series, published by American Squaredance magazine, has just been announced.

It is entitled "Mainstream Square Dancing--'75" and includes all the newly announced movements proposed at the recent Callerlab Convention in Chicago for a trial in classes and clubs for a year-long period.

Full descriptions of each of the 68 basics and family groups (over 125 units) are presented in the book. The author is the well-known choreographer, Will Orlich.

Books are available for \$4.00 each, postpaid, from American Squaredance, P.O. Box 788, Sandusky, Ohio 44870. Quantity rates are available.

Caller's Profile

or

FIFTEEN YEARS OF HESITATION BEFORE FINDING DANCING HAPPINESS

Unlike the fella that "tried it once but didn't like it", Larry and Theresa Yacobelli of 1025 Whitlock Rd., were first asked to square dance by best friends Jack and Pat Cox of Utica. That was fifteen years ago. They both were completely adamant-dancing wasn't their thing-camp-ing was! Wouldn't try it.

Then the wheel of fate turned in '63, bringing the Yacobellis to Irondequoit and in contact with new-found friends, Tony and Millie Uttaro. That couple really were ready to try their hand at the craft, but several trips to Hilton a week for initial sessions failed to motivate our "profile caller" or his wife. Still wouldn't.

The '72 soccer season, strange as it may seem, provided a certain set of circumstances that would alter the lives of Larry and Terry. While watching son John play in the City's soccer league one evening, Larry was casually "yakking" with another father, Tom Trainor. He must have described the thrills and advantages of dancing with a special skill, because soon our caller and his wife were learning the "basics" with the "Swinging 8's" of Irondequoit. They had decided to try it!

By '73 the couple had graduated, and the closets at home were filling up with petticoats, western or country style shirts and trousers, skirts and all of the other garb. Larry, never known as a "shower Caruso", was suddenly humming a lot around the house, and for about a year harbored a secret (he thought) desire to learn calling. Terry was not surprised when Larry, the day after his lovely daughter's wedding, took off for Troy, New Hampshire. We was to meet Mr. Brundage and Mr. Johnston, having already agreed to attend their five day callers' school.

That summer of '74 proved to be a hectic one, but complete the sessions he did and promptly returned to Irondequoit and completed the necessary details for forming his own teen group. Friend Don Oestreich helped by "hiring a hall the final needed ingredient for training and graduating a class.

On April 16, 1975, Larry did graduate his first class, the "Grand Squares", and you might say he did it fifteen years too late! They had finally learned that they loved every minute of it!

Batavia Twirlers

It's that time of year again for most clubs, our included-- the regular dancing season is over. A great way to mark the "trail's end" will be to dance with all your friends at the CANCER DANCE, June 7 (Saturday) at the Jr.-Sr. High School on Ross Street in Batavia. The dance starts at 7:30 PM and features eight callers and cuers. Don't forget to bring a dozen cookies (club members bring sandwiches.) Lots of great prizes as per earlier ads, etc. We're sure you'll enjoy it!

Our club had a demonstration dance at the Genesee County Home Show at Batavia Downs on May 4, and seven squares showed up! Larry Dunn called in his usual flamboyant style and entertained the crowd as much as the dancers! Make a note--next time we need a bigger caller's platform or else a parachute!

By the time you read this the Camping Weekend will be over and everyone is recounting all the fun and crazy happenings, the late, late campfires, and Dot Schlaggel's funny stories. Our thanks to Larry and Leo for a great calling job, and to the Higleys and Jinks' for seeing that things went smoothly.

I'd like to introduce our new officers for 1975-76: Sal and Rita Tuttobene, presidents; Blakely and Ruth Harris, vice-presidents; Earl and Dot Schlaggel, secretaries; and Chuck and Norma Dolan, treasurers. Our thanks to this year's officers for a job well done. A lot of time and effort behind the scenes is required to keep our club running smoothly and it's certainly appreciated by all of us!

Our personal thanks to all you Twirlers who helped make our part of the Dance-O-Rama go well. I'm sure you'll agree with me that it was worth the effort! See you at the CANCER DANCE and in the fall!

Jerry and Dotti Willer

Dancing Is Fun!

Belles 'n Beaus

Congratulations to our newest club members. WE had a graduation class of 23 couples, who danced with us and were very good. The Graduation Ceremonies were something not to be forgotten. The Misses (?) White, Selbert, Abberger and Moore were a sight to behold. Our thanks to our President, Stella and Harold Elich and their committee for all the effort they put forth to make the graduation the success it was.

Art Harris received a Callers Award for twenty five years of calling from the National Callers Workshop in Chicago Ill.

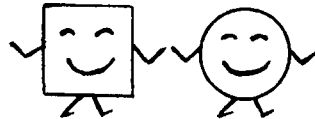

We welcomed Don and Mary Waterman from their trip to Washington, D.C. and south Carolina where they visited Children and grandchildren. Jean and Jim Patrick-Maxwell looking tanned and fit just returned from Virginia Beach. At this writing Trudy and Don Smith are still vacationing in Florida.

cont.

We heard many enthusiastic reports about the Dance O Rama. Everyone had a fine time. For Marg Tracy it was a visit to her Alma Mater to dance. Fran Abberger's picture was snapped by the photographer from the Brockport Post, Fran said she doesn't know who her partner was. The Roots, Nancy and Larry were photographed by the Greece Post.

See you in September

George and Doris Hagberg

Boots 'n Slippers

M.D.A. Dance - Fantastic decorations, great dancing, and.. straight from "Sesame Street", Wanda the witch. One of our club members won a door prize. Be sure to ask Fran M. what time it is! Dave J. purchased a raffle ticket for a trip for two to the Bahamas. Joan, be sure to ask who he asked to go along if he won. Mike C. - The girls really liked your legs. (I heard you had a run in your stockings!)

Dance-O-Rama - Another great dance with a folk dancing twist. If you missed the easy learn folk dancing, you missed a lot of fun. Not to say, that the rounds & squares weren't fun. They were extra fun if you were in a set with Tim & Shirley from the Hilton Hillbillies.

Friendship - Did you notice how many old friends you talked to & danced with at these dances. Just renewing these friendships makes these special dances a winning combination. Missing these dances is its own punishment.

Gutter Balls Galore - Become a fat bowler instead of a slim dancer at the Lions Den on June 7th. Dinner followed by bowling, or is it bowling followed by dinner. Well, any way, this club function should be good fun.

No Sweat - Enjoy air conditioned dancing this summer with our Mike Callahan. Thursdays (June & July) at 8 P.M. at the new Hilton High School. This includes workshops for new graduates and not so new graduates. Alice told me I have to go to the workshops (good luck Mike) because Grandmother Kuhn needs the baby sitting experience.

Like Camping? - Try it with the club at Lakeside State Park July 18,19 & 20th. Of course, there will be square dancing, and a picnic, and some baseball, and some volleyball, but, the weekend will be high-lighted by Tim & Rose H. giving birth to a baby. (How's that for club spirit?)

Fun-Food-Frolic - Ants...sunburn...poison ivy...Be at Churchville Park August 10th for our club picnic. See the kids running & playing. See the ladies preparing the lunch. See the men crushing beer cans. Well, any way, come join us and have fun.

Hi there! Wasn't the Dance O Rama great? It was on Friday that I had a little bit of difficulty finding the place. Soooo after driving thru the town of Brockport for the second time, I stopped and asked a kid on a tri-cycle, " where is the college?" He drew me a map.

Now that I found the college, look at all those buildings, which one? I went thru several before I backed into the Dean's office and he told me where to go.

Well, I finally arrived at the Union Ball Room. When I told Bob Meagher that I came to help put up decorations, tears came to his eyes. He's very emotional you know.

First Bob gave me the job of holding the door open, next he told me to check the men's room for butts. I didn't see any butts, sooo I went back to the ballroom. Chip Kellogg asked me to hold the ladder for him and he didn't say thanks, not even when I helped his wife Sylvia put him into their car. I don't know why he's peeved at me, that darn ladder was bent a little before it tipped over. He should be glad, at least he didn't fall on his voice.

I straightened out the ladder and brought it over to help Carole Hall tape up the imitation stained glass window she made. I knew right away she was going to have difficulty climbing the ladder when I saw her sitting in that wheel chair.

I asked he what happened to her knee and she said she got Knee-monia. I think she's only kidding, anyway I taped the top of the window. It cost me two dollars to do it. I ran out of tape and rather than make a fuss, I used 20 stamps. This is why Carole never got it back. The school custodian mailed it to the National Convention. Sorry, Carole.

Saturday I had no trouble finding the place. I went to the Round dance hall first and I don't care what anybody says, I did not tip over that bird bath. I think Chuck Prister did. He must have had a guilty feeling, otherwise why would he mop it up? Huh!

Next I went to the Advanced Hall where some high level standing was going on. Allen Tipton told me that while he was calling he got several new calls from the floor. He said he never saw so many dancers improvise their own material. Here's where I got my only competition, Bud Young was charging a dollar to stay out of sets. I couldn't believe it, a dollar, and they were paying it!

On to the main ballroom where Rich Castner's folk dancers were demonstrating. Very excellent and interesting dancing. They had different costumes, but I think the two unique outfits were the two men in their long winter underwear. It was very clever, the way they wore a belt around the middle to match the one around their head.

Now on to the Relaxed Hall where some low level standing was taking place. Seriously, all the callers were doing an excellent job, especially the local callers. Everybody was dancing and thanking God for Left Allemande.

This was a beautiful Dance O Rama thanks to a lot of people. My special thanks to George and Sallie Emmons for the directions to the Rathskeller. Thank God for the Rathskeller.

Looking at the summer schedules, there's a lot of good dancing coming our way sooooooo if I don't see you in a set-----

Thanks anyway,
Hal Abberger

NEWS RELEASE

THE INTERNATIONAL ASSOCIATION OF SQUARE DANCE CALLERS

Five hundred and sixty-five callers and wives or spouses attended the Second Annual Square Dance Callers Convention, sponsored by Callerlab, at the Marriott Hotel in Chicago, March 24-26.

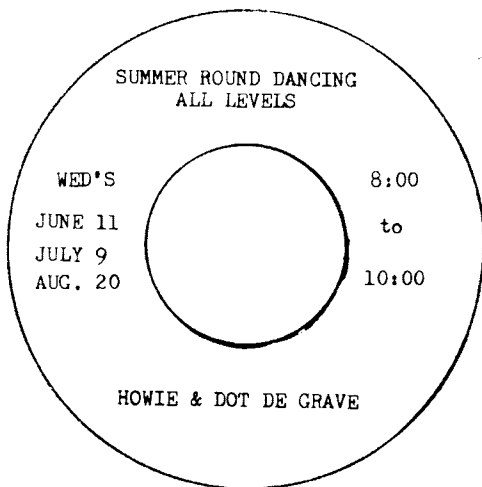

Following a theme of "Time for Action", the callers, both "local" and "nationally-known" callers, held discussions, heard speakers, and developed statements on some of the important issues of great concerns to the square dance "world".

Perhaps the most significant project that reached its climax and won approval as the result of this convention was the development of a new, updated list of 68 square dance basics, including "family" groups. This list does not replace the present well-established group of "75", but is meant to be supplemental for current, revised-order, instructional use only. It is also strictly experimental for a one-year period, and will be revised and updated at the next Callerlab convention in April 1976.

A "code of ethics" for callers was adopted. Some of the other subjects that were discussed during the three-day conclave were: Our Professional Organization; Callerlab, Past and Present; The Basics--Tools of Our Trade; Dance Standards; An Identification System; A Good Mix; International Exchange and many more.

It was announced that the convention will be held again at the Marriott in Chicago, April 12-14, 1976

P.S.--This is a special bulletin about our own Ann Crowley who will be stuffing herself at the "Pie Eating Contest" to be held on Wednesday, June 11th at 8:00 p.m. with the Dalton Gang Square Dancers in Dalton, N.Y. Ron Cole will be calling and it will be held at the Keshequa Elementary School in Dalton. All square dancers are welcome to enjoy an evening of dancing and to help support Ann Crowley as well as other pie eaters. Hope to see you there!

Country Twirlers

The Muscular Dystrophy Dance has come and gone and once again was one grand event. It was truly an evening of Fantasy, with all kinds of strange characters running around. From the time, we entered the Enchanted Forest until we left, there was never a dull moment. Mother Goose was the life of the dance. All over the place, with her tiny broom and it wasn't being used for sweeping. Just ask some of the men what that fancy little broom was being used for.

Many thanks to the Georgers, O'Haras & Thomases for work done on costumes and also to the Webers for their cafeteria decorating and for spending the entire evening serving in the cafeteria.

Congratulations are now in order. They go out to the Glass Slippers who won the trophy for having the most members in attendance at the dance. Nice work gang.

Our deepest sympathy go Gert & Jim McQuade in the loss of Gert's Mother.

Dance-O-Rama was another big one, thanks to George and Sallie Emmons. The decorating committee consisting of the Pratts, Perrys, Bartows, Thomases, Youngs and Oettes did an excellent job. Our thanks also to George and Audrey Mura for doing such a good job on the ticket selling.

Have a nice vacation and keep dancing. Until we meet again in the Fall.

FROST HITS HAWAIIAN BEACH - A weather prediction that will come true in 1976 as Paul and Florence Frost sign up for the Ken Anderson, February '76 Dancing Tour of the Islands.

OLD PARTY POOPED!- After 18 months in office, two officers gave up their chairs and two more changed their hats. i.e. Vice President Jim and Helen Fordham are now President. Treasurer, Don and Jan Oestreich are now Vice President - they turned the Piggy Bank over to Bill and Mona Vibbert and Ken and Carolyn Wilkins willed the "Steno Pad" to Leroy and Kathy Chessie, our new Secretary.

THEY WILL TELL US WHERE TO GO! - and direct us how to get there. The new Board of Directors:

- Ken and Betty Helm

CLASSIFIED 4F - FINE FOOD FUN AND FOLK DANCING describes our Burgandy Basin Inn Buffet Bash at Bushnells Basin. All federation club square dancers are invited to this Trail End Dance, June 14th at 6:30 p.m. Call Rita Dobbin, 381-8569 or Jan Oestreich, 872-5147 for details.

PLAY IT AGAIN SHAM!! - With all due respect to the late Humphrey Bogart, we say our own little old wine maker, Larry Spaven, did a great job acting the part of a drunken caller. It was an act.....wasn't it?

SQUARE PEG ROUND HOLE - Larry Spaven, our Square Class Caller, will be teaching "Rounds" this summer. If interested, call 266-7375.

A SERIOUS NOTE - highlighted the Copy Kittens graduation exercises with a candlelight ceremony. Fun followed in the form of a balloon and ankle busting contest and a boys wear aprons, girls wear ties, she he, he she whose who dance (very confusing).

Welcome back to Tip and Millie Costich from Florida where they spent the summer. Both look so tan and healthy. Good to have George and Audrey Mura visiting us again.

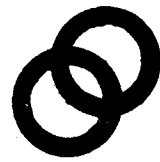

Best wishes to Carolyn Dietrich's daughter Nancy on her up-coming wedding.

The DeGraves and Falls attended the Toronto Convention at McMaster's University in Hamilton May 15,16,17 &18. It was good to see so many Rochester Round Dancers there. Some Fiddle-A-Round members will be attending the Canada Round Dance Convention at York University in Toronto in August.

Beginnings....Our summer schedule is shifting into high gear with caller Ken Anderson's 7:45-8:30 workshops, Betty Wolcott's round dance instruction at 7:30 p.m. and many national callers arriving for our dancing pleasure.

Our summer star-studded schedule of guest callers is:

- June 4 Earl Johnston (N) Conn.
- 7 CANCER BENEFIT DANCE in Batavia
- 18 Curley Custer (N) Md.
- July 2 Frannie Heintz Mass.
- 16 Bill Peterson (N) Michigan
- 30 Red Bates Mass.
- Aug. 6 Dave Taylor (N) Illinois

Our large, air-conditioned hall has been filled with dancers enjoying the summer sounds Ken and Betty create. If Ken doesn't keep you on your toes, Betty will! You are all cordially invited to join us in dance Wednesday evenings.

In addition to admiring our 1975 Class' dancing smoothness we have all admired their beautifully-matted class picture snapped by photographer, Ed Austin. Ed gets such positive results from his negatives! Did you know he won a Kodak International Salon Award last year? It's good to see Ed and Nancy enjoying dancing again.

Many club couples gave of their time and talents to fashion paper posies for the rose arbor used on Graduation Night. Some of our men really amazed themselves (and their wives) with their creations.

cont.

It was marvelous seeing our club so well represented at both Muscular Dystrophy Benefit Dance and Dance-O-Rama recently. Both dances were especially enjoyable this year. It takes much time and effort to have a successful and meaningful event; we are happy to report that many members of our club were among the workers who gave of themselves. Thank you all!

Remember the Cancer Benefit Dance scheduled for Saturday, June 7th. There will be some beautifully-handcrafted gifts raffled off.

Au Revoir! It has been our pleasure reporting EKC-O's happenings for the past two years. our THANKS to club officers for keeping us posted on up-coming events and to all who shared their news with us. Beginning with the next issue, Si and Shirley Hulse will be the new EKC-O correspondents. No news is not good news in our club - share your glad tidings and help make Si and Shirley's job an easy one.

Summer

- Memories....Wed. nights of fun and fellowship at EKC-O Squares
-Starry nights shared with friends encircled around a campfire
 -Hush-still nights broken only by the sound of a chatty cricket
 -Butteryellow days spent lazily by the seashore or climbing a mountain
 -Special picnic lunches, shared and remembered

So much awaits us....Enjoy your summer!

Shalom,
 George and Sallie Emmons

Genesee Dancers

Our Trail End Dinner was held at the Green Lantern Inn May 17. Larry Dunn called even a better dance than last year - can you believe it? A special note of thanks to Roger & Carolyn Bastian, Joe & Angie DiBitetto, and John & Verna Sesso who handled the decorations and entertainment. Those pictures with script accompaniment (script mostly by Carolyn Bastian we understand) were real side splitters.

Question of the month - Where do Mike & Wanda Callahan and Charlie & Perkie Tucker buy their 50/50 tickets? Guaranteed win is nice, but \$50 at a crack is fantastic! All kidding aside, we in Genesee Dancers owe the Callahans and the Tuckers quite a bit for the successful year and they more than deserve this token of our appreciation.

Welcome back to Tip (who the hell is Roy!) and Millie Costich who are back at Club after spending the winter in Florida. Did you see the tan Millie is sporting? She had the gall to tell me that it had faded since her return. Also welcome back to Ray & Eva Seymour and Al & Blanche Hoffman.

I'm sure you all join us in wishing Sandy and Mike Walsh the best of luck. They are moving to Oklahoma City in June. Mike & Sandy have been loyal members of the Club for several years and served as treasurer on our 73-74 board. We hope to have some Rochester square dancers visiting them in '78 when the National is in Oklahoma City.

As a parting shot, we would like to remind members of Genesee Dancers and all our friends that we plan a full summer dance schedule, (See dance calendar for full details.) on Thursday evenings and you all all encouraged to participate. Also, please note the July 4th Sparkler Dance which gives over 8 hours of dancing pleasure. Hope to see you all there.

Geneva Friendship Sqs.

We finished up our square dancing season with a combination trail end dinner dance and 10th Anniversary party at the Geneva Country Club on June 1st. Our caller and teacher, Don Pratt has been with us since our club was organized in 1965. We hope that we will have many more years with him.

Summer will bring us a more relaxed dance schedule since we do not schedule any regular dances with the exception of the Sauerkraut Festival which will be held in nearby Phelps, New York on August 1 and 2. This promises to be a bang up weekend starting out with a trail in dance Friday evening with Walt Jessup. Saturday's events include a huge parade at 2:00 P.M. with the Friendship Squares participating in the float contest. Dancing again on Saturday evening with Don Pratt from 7:30 to 10:30--an interruption in the dancing at 11:00 for a beautiful fireworks display and then more dancing with Bob Ellis from 11:30 to 1:30. Many more events are scheduled for both the young and the not so young! So we hope to see some of you campers and dancers at Phelps the weekend of August 1 - 2.

Our first regular dances of the fall season will be held on September 14 and 26. The classes for beginning dancers will start September 2.

National caller, Ron Libby from Falmouth, Maine will be our first guest caller for the season on September 14 from 2 - 5 at the Junior High School on North Street, Geneva, New York.

We hope everyone has a happy summer. Keep dancing, have a good time, and see you in September!

Henrietta Friendship Sqs.

Our club wound up its season with the Trail End Dinner-Dance on May 16th. At that time the new slate of officers assumed their duties and the out-going officers were commended for their jobs well done. The class had its last lesson on May 13th and were treated to pizzas by the officers.

We hope all club members, new and old, will continue dancing throughout the summer. There are many dances available including a special Campout Weekend sponsored by our Henrietta club. This will be August 22-24 at Bonnie Brae campgrounds in Prattsburg, N.Y. near Naples. On Saturday night a Pot Luck Supper (everyone bring a dish to pass) will be followed by dancing. Ben McGilvery will be calling and all proceeds go to our treasury. This is open to everyone, the more the merrier. So whether you are a camper or not, come to enjoy this evening of fun. For more information you may call our Presidents Larry and Jackie Harendeen at 334-1906.

It is good to see Ed Dowejko well on the road to recovery and dancing again.

We hope to see you all to support Harper's Leukemia Benefit Dance at their home on July 9th, a most worthwhile endeavor!

Have a safe and happy summer and we hope to see you at some of these events.

Our caller Ron Fotch and Ed Johnson of Boots n Slippers have been voted in as Co-ordinators of the Rochester Callers Co-op. Congratulations and best wishes to them both.

The club wishes to extend a warm welcome to our newest members: John & Mary Kepper; Jim and Mary Messner, and Karl and Jean Kast.

APPRECIATION

Everyone who attended the Mystery Ride on April 11th, wishes to thank Ray & Lucy Stoddard for the delightful time they had at "Boots n Slippers". Singing Sam Rader called a fun dance. Forty-two of us, including Ron Fotch and Singing Sam ended the evening at the "Little Queen Restaurant", in Spencerport.

We are proud of our club's 100% attendance at the M D Dance. This enabled us to walk away with the trophy. (The club having under fifty members with the largest attendance)

Again we would like to thank everyone who came to our Ox-Roast. Many expressed how well they enjoyed the dinner and the bus ride. A Special Thanks to Al and Betty Benzinger for making the bus ride possible. A big thanks to all our club members who came and willingly worked to make the dinner a success. Many hands make light work, was proven that day.

RECENT EVENTS

We are glad to hear Judy Hemmerich is recovering nicely from yer recent operation.

COMING EVENTS

The club's planning a trip to the "Spinning Wheels" in Albion to retrieve our club banner.

Our big dance "Midnight Madness" is coming up soon (Sat, June 1st), Dancing is from 10 P.M. to 2 A.M., with a "weenie" roast at midnight. \$3.00 per couple at the Owens Illinois Club Pavilion, on Washington St., Brockport.

Several couples are planning on attending the "Sixth Kingston Kapers". We know they will have a good time.

Our Club hit the "jack-pot" at the M D dance with three couples taking prizes:

Bob & Eileen Reiss - 1 week vacation trip to the Caribbean - have a wonderful trip!!

Bernie & Doris Root - Umbrella Stand

Ernie & Beth Haus - Jewel Box

It was so good to see so many of our members, especially those of our recent graduating class who turned out in full force, supporting such a worthwhile cause.

The Jim Pedullas & Van Bortals received Angel Awards at a recent dance for outstanding service to the club - Congratulations!

Several of our members are very fortunate in adding new members to their families by marriage; the Heaths and LeMoynes, a son and the Mills, a daughter --best wishes to all.

CON'T.

George and Lorene Phillips are enjoying a long awaited visit with their cousins in England.

A fond farewell to Bob Scott who is leaving Rochester in July to join his wife Millie in California. His immediate plans are to help their son build a house near Seattle, Washington. The Scotts will be missed by all. Best wishes for the future.

Many thanks to the volunteers representing the class on the clean-up committee for the Dance-O-Rama. We understand they all worked hard and had a great time at the "picnic" in spite of the rain. The "picnic" also included a surprise birthday party for Marge Clarke.

Congratulations to Bob & Vivian Bierre on their 25th Wedding Anniversary. Chin up Bob, the first 25 are the hardest.

Our neighbors from the East, the Web-Spinners, were at our April 26th dance en-masse and after an evening of fun and frolic made off with our banner. Naturally, they can expect a return visit from our members very shortly.

Our summer activities are:

June 14 - Picnic at Ellison Park with the Al Andersons' and the Mickey Albees" in charge.

July 12 and Aug. 16 - Outside dances at the Brighton Reformed Church on Blossom Rd.

Dont forget to support the Batavia Cancer dance, June 7th and the Leukemia Benefit dance on July 19th.

Our open house is scheduled for Sept. 13th. Please send names and addresses of prospective dancers to John & Dot Lembach or Bob and Linda Yeckle.

Have a wonderful summer and keep dancing!!!!!!

Our class graduation was a big success. Everyone was very enthusiastic and did a bang-up job. We are sure they will be an asset to the club.

Don't forget the trail end dance and pot luck supper on Sat. evening May 31, held at the Kelly School, Newark at 6:30 p.m. Let us make the last dance of the season a large one, with most of the members out to join in on the fun.

On June 14, there will be a demonstration dance 7:30 p.m. at the Lyons Craft Fair, Lyons Village Square.

Anyone wishing to attend the Leukemia Dance and Pot Luck supper July 19, please contact Jim and Arlene Fagner. Let's help a worthy cause.

Also we are putting on a demonstration dance at the Port Gibson Carnival 7:30 to 8:30 p.m. on July 25.

Our thanks to the Coveys for making our Mystery Ride a big success with more than six squares attending. We all ended back at the Kelly school with Ed Butenhof as the caller.

Larry Spaven our club caller would like to start a round dance class for the summer. Anyone wishing to join contact Larry or one of the club members.

The first Regular dance of the 75-76 Season will be held Sept. 13 at the Kelly School, Newark 8:00 to 11:00.

Merry Mixers

The Committee responsible for the Muscular Dystrophy Dance and the Dance-O-Rama must be commended. They did a terrific job. George Bracht wishes to thank those who helped him set up for the Dance-O-Rama. (Sorry, George, I forgot to get their names.) The decorations and settings were just wonderful. Hey, there Jim Labuzeta, what were you doing on the patio at the Dance-O-Rama on one knee with Bette Brennan? Did you or didn't you?

May 8, Pat and George Haines flew to Tampa, Florida to visit Pat's daughter, Diane. Their plans included a trip to Fort Myers. Hopefully, they were able to see a former Merry Mixer, George Elliott, who now makes his home in Florida. Bill and Betty Ellis (they married while in class) will also be moving to Florida in the near future.

Pat and George are our Membership Chairpeople. Contact them at 663-0102 if you know of any single that would like to join our class which begins on Friday, September 19, 1975.

George and Rosemarie Burandt entertained visitors from California in May, Rosemarie's sister.

Not to be outdone by anyone, yours truly along with Charles Lentine, is planning a bus trip to Jackson, Miss. New Orleans, Louisiana, Pensacola, Florida, and ??? Merry Mixer, Charles and I belong to the Greater Rochester Chapter #50 of the Mended Hearts, Inc. Our Convention this year will be held in Jackson from June 23 through June 27. This is not a "lonely hearts" club, but a National Organization composed of people who have had heart surgery, their families and friends. Seventy chapters are spread over the United States with one in Argentina. Their main purpose is to visit others who will be or have had heart surgery. Charles had surgery in 1961. Betty Selbert of the Belles 'n Beaus is also a member. Jonathan Starr, another "mended heart" just recently graduated into the Swinging Singles club. Mended Hearts are a grand bunch of people and we look forward to our yearly meetings. Our slogan is: "It's Great To Be Alive and to Help Others."

The Single Square Dancers, USA 5th Annual Dance-A-Rama will be held in Minneapolis from August 29 through Aug. 31. Anyone interested may write to: Marlene B. Hansen, 1217 Grand Ave., St. Paul, Minnesota 55105.

June 13, 1975 will be the Trails End Dinner. This is changes from June 7 and will be held at the Three Acre Party House on Whittier Rd.

June 27, 28, 29 - Club campout at Bonnie Brae, Prattsburg.
July 27 - Family Picnic. Details will be mailed to you.
September 18 - OPEN HOUSE at Washington Irving School.
September 19 - CLASSES BEGIN. BE SURE TO SIGN UP EARLY AS NUMBER ACCEPTED IN CLASS WILL BE LIMITED. Classes will be at Seneca Methodist Church at the corner of Clinton Ave. N. and Scholfield Rd.
September 25 - Regular Club dances begin.

PROMENADING B'S

Ron Fotch, of Promenading B fame, will be calling at the cancelled (I mean CANCER) dance. All kidding aside folks, let's get out and support this worthy cause on June 7th in Batavia.

This seems to be the month for congratulations and-----
honorable mention - Ron Fotch and El Johnson have

been elected as co-moderators of the Rochester Callers Co-op.

good luck - The hive held their elections and the results are:

Presidents - Maynard & Harriet Dupree
Vice-Pres. - Mickey and Hope Truax
Treasurers - Bob & Gerogean Abel

best wishes - To our neighbors, The Glass Slippers. We understand they won a trophy at the MD dance for perfect attendance.

Grab your hat and get your coat. Now go back and get the camper and the kids. The B's summer campout is August 1-2-3 at Spring Creek Recreation in Byron, N.Y. The outdoor food extravaganza (picnic) will be Sunday, August 3rd at 1:00. It is a fun filled weekend with a campfire glowing every night with friendship and dancing.

ATTENTION! The Promenading B's will be celebrating their "DIAMOND JUBILEE" in the fall. This will be a dance spectacular celebrating our 75th dance. Watch for more details in your next Promenader.

The new club reporters will be Butch and Diane Donnelly. Get your ads and issues to them for prompt publication.

Have a good summer,

Dick and Donna Pringle

Lima Grand Sqs.

We would like to extend a special welcome to our class members. Graduation was on April 11th and what a nice addition to our Club. The Class presented two very original skits for our enjoyment and the officers had two "special" dances just for the Class. It was all in fun and we enjoyed it. The Club and especially the Class members thank our caller, Don Stumbo for all his instruction. Diplomas were presented to the graduates in their "caps" and all looked pleased. A "thank you" to Pres. Nancy Lissow who made and decorated a graduation cake. It was very attractive and also good. Angel badges were presented to Jim and Lori Ross who certainly deserved them for all their help with the class sessions and all the club decorating this year. Thanks to you both.

"Fun Night" on April 18th was as the title suggests "Fun" Thanks to the officers for all their nice ideas. All enjoyed the pot luck dinner before too. Pegge Sherman will probably never forget that night as she fell during the last square and broke her wrist. The Shermans and Bill Lissow spent the rest of the night and early a.m. in the hospital. But, guess who was back dancing the next week with cast and all?

We celebrated May Day on May 2nd. It was also a happy anniversary for A. and Helen Whyte, and we were pleased they wanted to spend their special day square dancing with us! The class and officers decorated and the May-pole was beautiful. We all enjoyed it and thank you.

The officers are taking reservations now for our camp-out the weekend of July 25, 26 and 27 at Skybrook in Dansville. Several couples enjoyed the MS Dance and are looking forward to the Cancer Dance. Our picnic is planned for August 9th at Lou and Rita Lamberts. We had a nice picnic last year there and look forward to this year's.

Come September we hope to see you all back square dancing

Rochester Rollaways

Chick and Sue Wolfe have been elected chairman for the coming season. They will be ably assisted by Roland and Janice Chugg - Vice Chairman, George and Hiedi Betlem - Secretary, and Bill and Ginny Sanderson - Treasurer. Congratulations and good luck.

It's goo go have our vacationing Rollaways (the Moultons, Saperstones, and Vreelands) back home with us. In addition to the beautiful tans they all brought back from sunny Florida - Bob Vreeland also brought back a new trailer!

On May 10th the MacDuffie's gained a new daughter when their son Skip and Gisele Emerson were united in marriage, and in July the Chugg's will be loaning their son Kevin to Uncle Sam for awhile.

The Dance O Rama was a huge success! The decorations were elegant, the sound great, and even the food was delicious. The calling was super and everyone had a good time. It was good to see former members Harry and Mae Malley and Margaret Andrews dancing. A big thank you to Bob and Jeanette Meagher, Marilyn and Al Taffett and all of their committies for making this event the great success that it was.

We hope everyone has a happy and safe summer. Maybe we'll see you camping or dancing somewhere.

Don and Doris Maxim

Singing Squares

The Singing Squares will have had their Trail End Dance and Steak Roast by the time you read this. As I write however, it is two weeks away. But I can gaze into my crystal ball and see all the club members enjoying great food and having a good time together. Our thanks to Marj and Dick Doyle for cooking the steaks and general organizing.

We also owe a lot of thanks to our officers who have done such a terrific job of organizing our dancing year. The graduation in particular was mentioned by our new members as being so well done and so much fun. So thanks to Bud and Joanne Englebrecht, Jackie and Mike Stein, Carol and Bill Murphy, and Ron and Joy Ellis.

And as always, we say to Al and Betty Howe -- we love you. Your congenial, thoughtful personalities set the tone for our club and we think it is a good tone. (Like your singing Al, it's the perfect pitch!)

While we are on the subject of callers - a big howdy and thank you go to Elwood Johnson and his wife Violet. Elwood's class of friendly, zany (?) people has been a nice addition to our club, and we're glad they elected to join us.

So it's been a swinging year for the Singing Squares.

Have a beautiful summer, and we'll see you in September.

This may be the last time for the Promenader because of summer, but not for our dances. We're still dancing every week at the Redmen's Club. So come, everyone is welcome.

Our class graduation was beautifully done. We want to thank the committee for all of their work and also for conducting the ceremony. The committee members are: Howard & Joan Saupp; Hal & Arlene Radell; Viv & Bob Muffley; Chip & Syliva Kellogg. We also want to thank Ernie & Jean McLaughlin & Herb & Millie Warren for the great job they did on the refreshments. The cake was just beautiful!

The class presented beautiful gifts to Chip Kellogg & Howard & Joan Saupp. The Saupps have given up a lot of club time to spend with the class and have done a great job and we all thank them sincerely.

On graduation night our Great Sachem, Ted Schoonmacher was presented with a certificate recognizing Tecumseh for their achievement in supporting our Indian Children through Save the Child Federation. An honor indeed. These children are supported through our 50-50 club.

Dance-O-Rama was a great success. Thanks to all that helped by working on the various committees. Our assigned committees were refreshment, restoration and decorations. Thank you Carol & Bob Hall, one of the main people in the decorating. You did a fine job. The shadowbox was georgous.

Our Social Chairman for next year is Harold & Char Ashley.

Our club co-ordinators will be Bob & Vivian Muffley. If you know of any couples who may be interested in Square Dancing give their name, address & phone No. to them and they will take it from there.

It certainly has been a very busy year in our square dance club; we can reflect on many events and parties; namely, the New Years' Eve party, "Cabin" party, the Mardi Gras, Amateur Night, "Hobo" party, our Hickory Farms Safari, demonstration dances at Nursing Homes, and winding up the season with our "Spring Fling". We also remember our guests, the "Teen Twirlers", and what a delightful performance they put on. A very memorable moment was when the "Whiskaways" gave Myron Huss a SURPRISE party, and presented him & Peg with a beautiful, engraved glass pitcher. Myron has taught this fine young group of square dancers from 1966 to 1974. Stan Levandowski is now teaching this group.

Our most heart-felt sympathy is extended to Mabel Wordingham at the death of her mother last month.

What a beautiful day we had for the Dance-O-Rama! It was not only spring outside, but also inside. The decorations were so COLORFUL, and the CHEERFUL mood of everyone on the campus was contagious. We also would like to comment on the Ox-Roast put on by the "Glass Slippers" Club; it was really delicious... "superb culinaries", and we especially liked the Chef's apron!

The following new officers have been elected for the coming year:

President.....Bill & Marilyn Raymond
Vice President.....Terry & Lu Atkins
Treasurer.....Larry & Barbara Kennedy
Secretary.....Charles & Trudy Cudahey

Our Jr. Federations officers will be Gus & Julia Antinora.

VILLAGE SQUARES

Dancing fun at the Village Squares has certainly been augmented by the addition of all the new graduates. Those who were present on graduation night, April 29 will remember that festive occasion for a long time. Now even new members have a mummy dangle! Dorothy Magin's class of round dancers were pleasantly surprised to receive their well-earned diplomas at the same time.

Special mention must be made here of the tremendous job our Vern and Mary Kailburn did with the Decoration Committee for Dance-O-Rama. Always so willing to work, the Kailburns put that extra something into jobs they tackle that makes the results spectacular. We are proud to have them in our club and want our appreciation to go down on record! Thanks too, to all the flower makers, setter-uppers, roving cameramen, treasurers, and secretaries who represented Village Squares at that successful dance.

It seems as if people in Village Squares are always coming or going! Already mentioned by our travelers are exotic places like Spain, Hawaii, Las Vegas, and England. We even have a group of four new graduate couples who are going south for the Nashville Weekend. How is that for enthusiasm? With summer approaching, there will surely be more trips in the offing. Happy travels, everyone!

A future special event to mark on our calendars will take place on Saturday, September 13. We will be performing as a demonstration group at the Sesquicentennial celebration of the Erie Canal. This will be at the Perinton Park tennis courts and more details will be available later in the summer.

With summer coming on, we remind everyone that we will continue to dance on Monday nights from 8 - 10:30 at our regular place. Our schedule also includes a family picnic at Ellison Park on July 26. So don't forget, for friendly, relaxed enjoyment on summer Mondays, put Village Squares in your weekly plans. Come join Dick Casper for squares and Dorothy Magin for rounds. We'll all be there to welcome you!

Wayne Westerners

The month of May has been a busy month for the Wayne Westerners with the preparation for the Apple Blossom Dance. The weeks before the dance the club was busy making apple blossoms out of pink egg cartons, after weeks of hard work, it all proved fruitful a successful dance. The Club also entered a float in the Apple Blossom Parade with a set of dancers demonstrating some basic steps.

Sorry to hear about Ethel Walters, hope she's around real soon.

The Club is planning several camping weekends for the summer, the first being July 11, 12 at River Forest, Weedsport, N.Y.

I'm sure everyone who went to Dance-O-Rama this year enjoyed themselves as much as we did. Remember dancing doesn't just end when summer comes. Keep dancing!

A mighty big thank you to Walt & Sylvia Davis for their work on decorations for Dance-O-Rama, as well as to others who spent many hours on the project.

Mary Kay Tanghe is recuperating nicely from surgery and we hope to have her among us soon.

Bill Humphrey has a tale to tell about an experience with three females while riding his "cycle" - how about it, Bill? We will be anxious to hear about Jean's vacation to California with their daughter too.

We understand that Romie has "band-aids" and will travel, and Arlene Galen has a scar to prove it.

At the rate babies are being born into our club, the suggestion has been made, perhaps there should be a "baby carriage" corner!

There will be a camp-out with Bill calling, at Bonnie Brae on June 28th - also one on Aug. 1st at Sugar Creek for those interested.

Our picnic will be held July 19th at Webster Park - hope to see you there!

HAPPY TRAILS

Dear Dancers,
Thank you! As you know, April 19th was one of Rochester's windiest days. The winds, however, did not deter over 2100 determined square dancers and committee members who came out to support the 1975 Muscular Dystrophy Dance. Through your generous contributions over \$6600 was raised for the Muscular Dystrophy Association of America. We wish to sincerely thank all who attended the dance, as well as those who supported it through donations of door prizes, money, and for many people, through donation of a great deal of time.

Special thank yous are extended to the 1975 Muscular Dystrophy Dance Club coordinators - those couples who worked within their own clubs to sell door tickets and raffle tickets. Well done!

We would also like to thank the Committee Chairmen and their workers, as well as the callers and cuers for an outstanding job.

The Raffle Committee Chairmen, George Germeroth and El Sulewski have provided us with the following information on raffle winners: A week in the Caribbean by - Bob & Eileen Reiss-Irondequoit Squares; The weekend in Toronto by - Curtice & Helen Howe; A summer of free dancing with Tecumseh Squares - Ben & Rosemary Bartow; Two matching ceramic elephant end tables - Jim & Denise Washington; The 50/50 Raffle - Paul Raymond, Which Way Whirlers. Other Raffle winners are Norman McCormack of Hamburg, Earl & Betty Wergin, John Butler, Bernie & Doris Root, Norma Dolan of Holley. Still outstanding is red raffle ticket #693999. Call Ed & Sue Sulewski - 254-7916 and claim your prize - a AM/FM radio. Also given away were 31 nice door prizes. Thank you Ed & George for coordinating the efforts of this committee.

But as we started out, dancers, the big THANK YOU goes to you. Without you, there would be no Muscular Dystrophy Dance!

Sincerely,
George & Una Shaw
