REMINDERS FOR "PROMENADER" CORRESPONDENTS!

DEADLINE FOR REPORTS AND SCHEDULES IS SEPTEMBER 10th  
Please send all news, schedules, and ads to Hennekeys at the above address. Please use our form for your club schedules( as it appears in the "Promenader"). Jerry and Dotti Willer(address above) will be accepting subscriptions. For your convenience a blank has been inserted on the last page of this issue, or you may subscribe through your own club. The sooner the better!

Each year at this time it is traditional for the incoming Editors to thank their predecessors and bid them fond farewells. We would like to go a little further, and on behalf of all the square dance community, pay special tribute to the many, many couples like Marve and Kay Falls ( we dare not mention names for fear of inadvertently omitting some worthy people, but we all know who they are) who have given so unstintingly of their time and effort to promote the welfare of Square (and Round) Dancing. They have served as club officers, committee heads, Federation representatives, Dancerama chairpeople, refreshment makers and servers.....You name it, they've done it, sometimes many times over. And, often at the expense of their own dancing pleasure. We hear Marve and Kay are going to take some time off just to enjoy dancing. Go to it, you've certainly earned it!

P.S. You've left us some pretty big shoes to fill so you won't mind if we holler for help now and then, will you ???

PRESIDENTS'

CORNER

"FUN"- that's the key word! And, we all know that Square Dancing is fun! Now, the idea is to convince others. The circle is a dance figure used constantly, and for us it represents the unbroken chain of new and old dancers (experienced, that is) so necessary to the lifeblood of

the whole Square Dance Movement. So let us all reach out and draw others into our circle, help to augment and support our new classes.

Towards this end, we hope to see many demonstrations this coming year-- our great BiCentennial Year, culminating in DOR. By the time you receive this, we will have already gotten off to a good start with a booth and demonstrations at the Monroe County Fair. When National Square Dance Week rolls around on Sept 16 most of our clubs will be in full swing and ample proof that it is a good idea to make the square dance the National Dance of these United States.

Incidentally, watch for our display in R.C.&E Building. That's really getting in on the "energy scene"!

Last, but certainly not least, our sincere congratulations to our past officers for a most productive and successful year!

Yours for a " Fun " year,  
John and Daphne Pink

LEULEMIA BENEFIT DANCE REPORT !

Dear Square Dancers,

It is with great pleasure and satisfaction that we wish to announce the tremendous success of the first Leukemia Dance, for the Pediatric Blood Research Fund at Strong Memorial Hospital. Several hundred people attended the Pot Luck Supper and patronized the many concessions and raffle booths.

Special thanks are extended to the Square Dance callers and Round Dance Cuers who donated their time and did such an excellent job. We also wish to give recognition and appreciation to all members who contributed their time and effort in helping us carry out this project.

Two engraved trays were given as annual awards. One was given to the club having the greatest attendance, and the other to the club having come the greatest distance. In the ensuing years they will be passed on to the future winning clubs, and their name will be engraved on the trays.

The total funds raised for the Leukemia Pediatric Blood Research Fund, at the Strong Memorial Hospital was \$2,429.81. We feel this amount is very gratifying and were pleased to see so many donating to such a worthy cause, while having a good time. Please keep in mind when the next Leukemia Dance comes around, YOU are what makes the dance a success... and with Leukemia, TIME is the essence... Many thanks.

Sincerely,

Jim and Bonnie Harper 4

## Batavia Twirlers

Well, here we are again--hasn't it been a great summer? With all the trips, swimming, and other seasonal activities we did work in a couple of summer dances with a good time had by all. We finally had our Cancer Dance in June and would like to thank all who participated in any way. A special "Thank You" to Agnes and Arvil Ray, dance chairmen, who spent long hours planning and replanning this event. Their efforts were much appreciated.

OK; here we go into the new season! OPEN HOUSE will be Sept. 16 (Tuesday), 8 PM at the Salvation Army Hall in Batavia. One of the nicest things you can do for your friends is to introduce them to square dancing! For further information, contact Sal Tuttobene at 796-5792.

We sadly note that Clarence Goodman passed away late this summer. Clarence was a very special person to our club. He was one of those whose efforts brought the Batavia Twirlers into existence 15 years ago, and served as our club's first president. A great many people have enjoyed participation in the club that Clarence was so instrumental in founding.

Come to our first dance on Sept. 20 and help us celebrate our 15th Anniversary as a western square dance club. Larry Dunn will again be with us and we're sure you'll have a good time.

With the next issue of the Promenader, you'll be hearing from our new correspondents, Charlie and Doris Veltz. Our own association with the Promenader will continue in other areas--- you'll hear from us again!

See you on the dance floor!

Jerry and Dotti Willer

## NOTICE

Do you have items you would like to sell or swap? If so, why not use YOUR PROMENADER to let THE FRIENDLIEST PEOPLE ON EARTH know your wishes. The answer is 'WANT ADS' Rates: 20 words for \$2.00 & 5¢ for each additional word.

## Belles 'n Beaus

With Stan Levandowski as caller 8 couples from Belles 'n Beaus put on an exhibition dance for the German October Fest in August. The German Group were celebrating their 100th Anniversary. From all reports the dancers had a great time.

Under the able direction of Hal Abberger our club once more enjoyed the annual car rally, followed by a picnic supper and dancing at Elich's Twin Lakes.

Congratulations to Archie Carris on his retirement from Eastman Kodak.

There was a good turnout of club dancers at the Monroe County Fair.

Many Belles 'n Beaus have enjoyed the annual Spaghetti Dinner and Chicken Barbecue as gusts of Art Harris and the Harris Squares.

See you September 8th.

George and Doris Hagberg

## Boots 'n Slippers

Summer was Fun - Our July 18th- 20th campout was great.. The Freitags bicycle built for two... the volley ball games...the tornado alert...the 2 A.M. potato roast... & square dancing to Elwood Johnson. All memories to tuck away for next winter. Everyone enjoyed themselves. Even the Campbells. Be sure to ask Ruth and Frank about their new radiator.

I could have danced all night - Mike Callahan's summer dances had a good turn out. The workshop was profit -- able for all of us. I even learned the "grand sweep". So what's so funny Alice?? Well, anyway, the airconditioning was cool and the lemonade really hit the spot. Sometimes tho... when you noticed all the Singing Squares badges you wondered who was sponsoring the dance. Seriously, we would like to thank all our guests for joining us and we invite you all to come back again.

Pool Party - Fran and Betty had a pool party and a few harty souls even went swimming. The swimming fun ended when big Rob T. jumped in and emptied the pool. Every--one(well the guys anyway) liked Judy C's brand new bikini. You could tell by the way they all wanted to get a real good look at it. Fran outdid himself that evening. (Which is saying a lot for Fran.) Even so Wanda C. was the grand winner for the "put down" of the evening. Be sure not to ask her what she said.

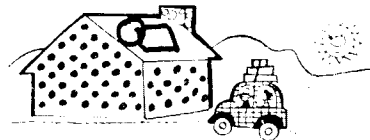

Congratulations - to our new honorary club member John Joseph Hart. John joined us on July 11th. Be sure to ask Rose and Tim all about him.

Churchville Picnic -- The Aug 10th picnic had almost perfect weather. Good thing, because Betty M. & Ruth C. would have gotten very wet in the rumble seat of the model "A" Ford they arrived in. The Krist kids found a bee's nest and lost no time in telling their mother about. "Are You There Charlie?" was played by a few folks who learned never trust anyone. John F. gave a tour all around the park with his Bocce ball game.. John, is that really how you have to play the game? P.S. Gene K. arrived just in time for dessert!

Open House - Sept 5th will be big doings with fun dancing and lots & lots of square dancing guests. These are our potential club members so bring a friend or two with you. We need "new blood" so we can continue to grow.

C.U.  
Alice & Les Kunn

## Copy Cats

A Busy Summer - Our Trail End dance was held on June 14th at the Burgandy Basin Inn. New officers took the reins at this time and are looking forward to a good dancing season.

Dorothy and Al Pheilshifter proved they could get to their table place quicker than anyone (good thinking Al)

LET'S PLAY BALL - And that they did, with the support of a concession stand operated and manned by the Copy Cats. This was one of the most successful ventures ever for the club. It was held at the Xerox Recreation grounds. Many thanks for all the hours of hard work put in by everyone. Thanks Eleanor C. for bringing our goal 18¢ over the top.

FAIR TIME - On August 13th, a demonstration of Western Square dancing was held at the Monroe County Fair. Several Copy Cat and Web Spinner Couples participated.

OPEN HOUSE - Remember(gang) September 13th is Open House with Mike Callahan calling. Bring some interested couples so that on Tuesday, September 16th, we will be able to start swinging with a good size class for '76.

Larry Spaven is our class instructor and always makes every Tuesday night a fun night.

A GOOD WAY - To end a busy summer was to gather at the Bay View Y for a picnic on August 9th. Everyone looked in good shape and fit as a fiddle to go into the 1976 dance season.

See you at the dance,  
Emma and Ray

## Country Twirlers

Here we are back again after a pleasant summer. Hope you all enjoyed it as much as your writers did.

And, who can forget our picnic with the Italian sausage fried onions and peppers. Williamsons, and their committee, really did a tremendous job. They are to be congratulated for all their efforts.

The Leukemia Dance at the Harpers was a real success. Those of us who attended had a real nice time. A job well done by Jim and Connie Harper.

A lot of us danced at the Redmen's Club with the Tecumseh Squares. Thanks for making Tuesday nights so enjoyable.

Our congratulations to Clarence and Mary Young, who are the proud Grandparents of a Baby Boy.

Congratulations also to the newly weds, Paul and Jan.

We hope Betty Wachob and Anne Catanese will have a speedy recovery.

The Advisory Committee suggests that Clarene watch her step from now on.

Our Open House dance will be Saturday, September 13th, with Jim McQuade and Jerry Carmen. We will have open dancing until 9:45, will break for refreshments and continue on with club level dancing until closing. Bring your friends, relatives or neighbors. We are sure they will have a good time. Classes will begin Tuesday, September 16th, with Jerry Carmen teaching again this season.

We are looking forward to being back with the Country Twirlers.

Until we meet again.

Bill and Elaine Koch

## Geneva Friendship Sqs.

In spite of the 90 degree temperatures and the power failures most everyone at the Phelps Sauerkraut Festival seemed to be having a good time. It certainly was warm, but we were glad to see so many dancers. It seems that if you don't have electricity available just bring out the gas lanterns and keep right on do-sa-doing.

We're happy to see Jackie Pratt back dancing with us again, but we're sorry to hear that Ken Clark is back in the hospital again. We certainly hope he'll be feeling better soon.

A special dance to start the Fall season will be on September 14th with Ron Libby from W. Falmouth, Maine calling squares and Al Overslaugh cueing rounds. The dance will be held at the Junior High School, North Street, Geneva from 2 till 5 P.M. Hope you can join us for an afternoon of good dancing.

On the weekend of September 26, 27, and 28th the Geneva Friendship Squares are planning their 2nd annual Camp and Dance Weekend at Sampson State Park. The squares are being called by Curley Custer & Mo Howard and the rounds by Ken and Carol Guyre. The fee is \$ 15.00 per couple with camping fee extra. If you don't wish to camp come down for all day Saturday for some workshops or maybe just an evening dance. There will also be a pot luck supper at 6 o'clock on Saturday. It all sounds like a good time. If you wish more information on this please contact Lee & Jackie Pratt, 469 Washington Street, Geneva, N.Y. Phone: 789-5632

Our first club dance is September 12th at Gulick Hall at Hobart College, Geneva. Come and join us for an evening of fun.

Al and Evie Overslaugh

# EKC-O Squares

Welcome back to EKC-O Squares and our Promenader Readers. Many thanks to the Emmons, Sallie and George, for their reporting of club activities and news for the past year. A job well done.

At KAD picnic on June 7th, the order of the day of hots, icecream, and pop was only interrupted by the square dance calling of Chuch Prister and the dancing on wet ground and slippery grass by a rugged core of EKC-O Square dancers. Dressed in Western attire, out there trying to promote Square dancing and looking for new class members, were the O'Connors, Baechles, Mallies, Johnsons, McGregors, Hulses, Pristers, Leonards, Deans, Emmons, Phillips, Griffins, Ruth Pfluke and Cliff Fulton.

July 4th weekend found many of EKC--O Squares , dancing at Cherry Ridge Campgrounds. It was an excellent weekend. Ken said he orderd it that way. Nights were spent around campfires, days spent dancing, swimming, and for some even investigating an abandoned dump pile for antiques. And there were three , Sally, Shirley and Harriet.

And there were others who spent the summer supporting such worthwhile dances for Cancer and Leukemia, and enjoying the air-conditioned KAD auditorium on Wednesday evenings.

Our Open House will be held at KAD Auditorium on Wednesday, September 10th from 8:00 to 11:00 P.M. Ken Anderson and Betty Wolcott will be calling. The dance is free and everyone is welcome. The class will begin September 17th at 8:00 P.M. and is limited to Kodak employees only. Please contact Bob Ellis, the club instructor, at the Open House dance or call Bob O' Connor, Club President, at 247-4824 for details and registration.

The schedule of upcoming dances and callers is listed below:

Ken Anderson---September 10, 24, October 8, 15  
Jim Cargill---September 17  
Carl Hanks----October 1

An invitation is extended to all Square Dancers to dance with us on these evenings. See you all next month.

Seeyouinasquare,

Shirley and Si Hulse

## GLASS SLIPPERS

The Glass Slippers are gracefully slipping out of the summer season into the fall season of dancing with our caller Ron Fotch. We've all had a busy fulfilled summer. The club danced every Monday night with a few special events thrown in here and there. My first thoughts relate back to the " Midnight Madness Dance ", with the " weenie roast ". It was a great success and loads of fun. We wish to thank all our guests who came and joined our squares this summer. Hope to see you folks all back in the fall.

Our summer campout was held June 27, 28, & 29th, at Spring Creek Recreation in Byron. A well packed week end of fun was planned by our committee, plenty of games, good food, good weather and happy dancing was enjoyed by all.

The " Class of 75 " spent many warm evenings working on the Bicentennial float for the Brockport Parade. The class was well rewarded. We received a special invitation from the Hamlin supervisor to join them in their parade, August 22. We wish to thank Bob and Jane DuBoise for their great hospitality while we were making the float.

con't

Now- For some of the coming events, September 11th is Open House. Anyone interested in taking lesssons come to our open house. We are having a Free corn roast that night. It will be held in the Owens Illinois Clut House on Washington Street in Brockport. Classes will be held every Thursday evening from 8-11 P.M. Ron Fotch will be the classes' instructor. A great one, too! I might add.

Let's not forget folks October 6th we are having a " Whale of a Dance " with our caller Ron Fotch. This is to introduce our new location. Coming this fall we will be dancing in the Ginther School in Brockport. So let's all get out and join in the fun.

See you all dancing at our new location!

NON FEDERATION NOTES

The CARROUSELS round dance club is well under way. Marv and Dorothy Allen and Jerry Mason have been voted coordinators to work with Ron and Betty Fotch for the good of the club. They are a square dancers rounds group who meet at the old grange hall in Churchville behind the Methodist Church on W. Buffalo St. The group was off to a good start with a Strawberry Social in June. They followed this with a \$ 100.00 Raffle won by Ron Fox of Hilton. The profits will cover hall rental. The club is open to all round dancers at a \$2.50 donation. Our beautiful new badge is here and we invite you to join us Thurs. Sept. 4, for an evening of rounds with Ron Fotch.

## Henrietta Friendship Sqs.

During the summer our club members have been seen dancing at various functions in the area. With Ben McGilvery calling, they put on a demonstration at the Henrietta Fireman's Carnival in June.

At Connie and Jim Harper's Leukemia Dance July 19th, Henrietta Friendship Squares won a tray-trophy for having the most members attending. That was a marvelous evening even if the rains dampened the Pot Luck Supper a bit. The Harpers are to be congratulated for the wonderful decorations, so many games, door prizes, refreshments and a beautiful evening of dancing on the lawn. We understand over \$2400 will be presented to the Strong Memorial Hospital for Leukemia Research. Every-one had a great time and especially Derek and Nancy Hulse, the lucky winners of " A Night Out On The Town ".

Some of our club members danced for the Conesus Lake Nursing Home Picnic on Sat. August 2nd. It was one of those hottest days and the heat warped caller Ken Boss' records even in the shade.

Friday night Aug. 15th was our club's demonstration at the Monroe County Fair and Aug. 22-24 the Bonnie Brae Family Campout and Dance at Prattsburg. So you see, no moss has been growing under our feet. I'm sure there have been many more dances than these mentioned here.

We look forward to an active new year with six Rusty Hinge dances planned to refresh old and new couples. The first club dance, Rusty Hinge and Open House, will be Sept. 13th at the Pinnacle Lutheran Church. The first class dance and Open House will be Tues. Sept. 16. Please bring a couple to these Open House dances.

## Irondequoit Sqs.

Hope all had a wonderful summer vacationing and square dancing. One of the highlights for the club of the summer was a picnic and dance at the home of Bob & Joyce Hogarth. A great time of fun and fellowship was had by all- too bad mother nature cut the party short.

Another season of square dancing is around the corner. Open house will be held on September 13th at the Laurelton School where all the regular dances will be held again this year. Now is the time to contact your friends to share with all of us the joys and fellowship of square dancing.

Besides our regularly scheduled dances held the second and fourth Saturdays of every month, the club will have a clambake at Powder Mill Park on October 5th. The October 25th dance will be a Halloween costume party with the Swinging Eights--the place to be announced.

Norm and Vi Steinmiller left the middle of August on an extended motor trip out West and possibly a side trip to Hawaii. George and Ann Smith and family took a camping trip to Florida and tour to Mexico.

We are looking forward to seeing everyone at the open house and hearing about their summer escapades.

## Kuntry Kuzzins

Summer is passing right through and we are getting ready for a season of fun and dancing. Our first special dance is to be held September 19 at the Kelly School from 8-II with Jerry Carmen calling.

Kay and Ed Avery have invited us to dance and visit with the Kuntry Kuzzins in Franklin, New Jersey. Kay and Ed are former Newark residents. We hope to get enough interest to make this a reality. The date is Oct 4, 1975. Anyone interested please let Jim and Arlene Fagner know.

We have a special dance with Bruce Shaw and Debbie Wilkinson on October 18, 1975 at the Kelly School from 8-II.

November 15 Chip Kellogg swings our way for a special dance. Let's show Chip we appreciate his coming.

Our first dance of our regular season begins September 13, 1975, with our regular caller Larry Spavin doing the calling. Let's start the year out right by showing Larry how much we appreciate him by filling the hall at Kelly School. All dances are from 8--II, on the second and fourth Saturday of the Month. We welcome you all to come and dance with often or always.

Yours in squares,  
Woody and Helen Covey

## Lima Grand Sqs.

Our caller, Don Stumbo, has retired from Lima Grand Squares. We will all miss him and have enjoyed all the hours of fun he has given us. In honor of Don, we will have a "Don Stumbo" night on Oct. 3rd with Gordie Cooper of the Wellsville Grand Squares as guest caller.

Jerry Bradt will be the new caller for the Lima Grand Squares. We dance every Friday night at 8:30 in the Lima Town Hall on Main Street. We invite you all to join with us anytime. We will be having Open House on September 12.

Our Club campout in July at Skybrook was very successful thanks to our officers and their planning. We also had a nice picnic in August thanks to our hosts, Lou and Rita Lambert. A special thanks to Don Stumbo for calling at both occasions.

Due to circumstances beyond our control, our dance schedule will not appear in the regular listing this month, so please take special notice of the dates listed below! It looks very good, our new schedule, and we hope to see you all square dancing soon.

Sept 12 - Jerry Bradt - Lima Town Hall, Lima ...8:30  
Sept. 19 - Jerry Bradt - Lima Town Hall, Lima ...8:30  
Sept. 26 - Jerry Bradt - Lima Town Hall, Lima ...8:30

# PROMENADING B'S

Our dances start right off the first Fri. in Sept. on the 5th in our usual hall at the Byron -Herzen Elem. School. Ron Fotch will be calling a fun workshop to sharpen up your memory cells for the many sparkling dances planned for this fall. The last Sat. in Sept. (the 27th) we are saluting our heritage with a Bi-Centennial Square Dance. Don't miss the GRAND MARCH timed for 9pm. We hope to have representatives from every club carrying a club banner. Also, the last Sat. in Oct. (the 25th) we will be celebrating our 75th club dance with a "Diamond Jubilee" Celebration. The decorations and souvenirs will be "sparkling" for this one.

Since our last "school" dance in May, the Bees have been busy. We motored down to the Dalton Gang and won their "Pie Eating" trophy. Thanks to the endurance of Jim Moore, cheered on by Macia. He dressed for the occasion too with his shorts, home made "bib" and track shoes. Our Luau at Ron and Betty's campgrounds was a fun night. Angie DeFelice stole the show with his original "grass skirt". Three squares from Alabama Jubileers joined us at this one.

"Hobo" night at the grange hall in Churchville was a "hot" one. The outfits were great( Betty has pictures) Harry and Nancy Beaney took home our "little" hobo. Our campout was a busy one. Betty Fotch's old time movies were fun. The pancakes served by Pat and Claude Carson were tantalizing, and the crafts instructed by Brenda Forshay, Alice DeFelice, Harriet Dupree and Charlotte Ashley were entertaining, the material flower making lasted all day. We raised \$67.00 at our "Bee Market & Auction", Nelson Stamp doing the chanting for us. Maynard Dupree and Mickey Truax won the Horse Shoe Tournament, which was only fair as they made the trophies. Dave and Eileen Coughlin's son "Pat" took home the fishing trophy. He caught an 8 3/4 incher!

Needless to say the dance Sat. night was one of "Ron's best and the amateur callers who wound up the evening were really wound up. The kids games Sun. by Hope and Mickey Truax, Alice and Angie DeFelice and Alice and Gary Pubel left a smile on young and old alike, not to mention the delicious family dinner. All the planning done by our officers was greatly appreciated. Thanks for a real fun weekend!

The Bees are a fun club with the whole family in mind. This year the date for the annual Spaghetti dinner is Sun. Oct. 12th at the Genesee Co. Fairgrounds. Won't you join with us in the fun of being together?

A camping week-end was enjoyed by many couples who camped at Arnold Towers woods. Those square dancers who were not campers joined us Saturday evening for a Picnic at Bullard Park.

See you in one of our Squares soon?

Roger and Marcia Fisher

Welcome back to another season of Square Dancing. I hope some of you were able to get in some dancing this summer. And, I hope you all survived the heat.

I hope everyone is ready for a busy year. Our club dances will again be on Thursdays and the first dance will be on September 11. (Sadie McGilvery's birthday. Happy Birthday, Sadie!) Don't forget, we are still dancing at the Washington Irving School on Chili Ave. at 8 P.M.

The summer is almost over and we have had a full summer, 3 dances, a progressive supper and a super picnic at Powder Mill Park.

Havn't heard about too many vacations, but the Knudsons did go to Denmark, Sweden and Norway, had a wonderful time. The Berners, Barnes, Abels and Jenkins had a week end at Cherry Ridge and Bill Barnes was the Bell of the Ball, understand he does a great "Belly Dance", don't hide your talents Bill. How about a demonstration?

Sorry to hear Terry Yacobelli had to go into the hospital for major surgery on July 21st. Hope you're feeling better and are up and around by now, Terry.

Our first dance of the 75-76 season is a Pot Luck Supper Sept. 6th at 6:30 P.M. Open house is Sept. 27th at 8P.M. If anyone has friends who would like to learn more about square dancing, be sure to invite them to open house.

That's it for this time. Hope I have more news to report next time. Come on Swinging Eights let your's truly know what's going on so I can report it-.

## Swinging BB

We welcome everyone to our first square dance of the season. It will be an open house Sept 13. So come and bring your friends and relatives perhaps they will become square dancers. It's at eight o'clock at the Town Line School.

It has been a busy season for many of our club members. Bob and Dorothy Brunshidle visited Denmark, Norway and Finland. Jim and Mary Messer visited Sherhasten Beach in Canada. Tom and Ginny with their family went west to Yellowstone. Just to mention a few.

There was a campout in June at Sugar Creek at Dansville. Many of the club members and their families turned out for a great three days.

We had two wonderful picnics, one at the home of Lane and Hilda McCord, the other at Bob and Dorothy Brunshidle's. Everyone had a grand time. And, we do thank them for having us.

The first week in Sept. Tom and Ginny Hamlin hosted a chicken barbecue which was much enjoyed by everyone.

Will be looking for you at our open house Sept. 13.

## TECUMSEH SQUARES

We've had a very exciting summer session this year, including guest callers Chip Kellogg, Jerry Carmen and Jerry Bradt, fashion shows with the Ironda Shop and the 1845 Shop, not to mention the hits we had with our Sundae Tuesday Special, Strawberry Festival and Watermelon Festival. Our Summer's End Dinner Dance turned into a Summer's End Shower (baby kind) for Shirley Shaw and Nora Slomcenski. We all wish them great happiness with their upcoming off-spring. A special thanks to all our committees who made our specials so special.

To all our friends who have been ill this summer, we wish you loads of health, and hope to have you back dancing with us soon. We miss ya!

Our winter schedule begins this year with Open House on September 9, opening another year of good dancing fun. We are pleased to welcome back Bruce Shaw as club caller, Chip Kellogg as class instructor, and Bob Slomcenski as Round class instructor and club cuer. Best wishes in your new season fellas!

Here's hoping you had a nice summer and are all ready to dance up a storm this fall.

See you all dancing

## Triggers

The " Good Old Summertime " is coming to an end, and with some fond vacation time memories behind us, we now happily look ahead to a new square dance season.

Our first Club dance gets underway on September 9th. This will give us an opportunity to work off some of those unwanted pounds.....(too many picnics). Oh, but we never have too many picnics! In fact, please mark on your calendars, club members, the date Oct. 4th. This is to be the date planned for our Family Picnic. The scene will be at Hamlin Beach Park.....hope the weather cooperates.

There are ten lessons left, and the class members will be resuming their lessons on September 11th. They are doing very well, and we feel sure they will be coming into the Triggers Club with a Bang.

Our congratulations and sincere best wishes are extended to the newly elected officers. We wish them well, and we should all give them our help and support

The following new officers have been elected for the coming year:

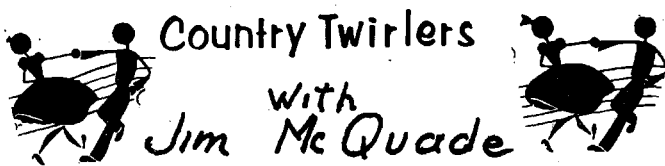

President.....Bill and Marilyn Raymond  
Vice President...Terry and Lu Atkins  
Secretary.....Charles and Trudy Cudahey

Our Federation officers will be Gus and Julie Antinora.

## WYCO PROMENADERS

We are going back to Warsaw, come September for our dances. I hope our many friends who felt Castile was just too far, will come back and dance with us. Leo Parsons will be our caller for squares and Elberta Winters does a good job on rounds.

The WYCO PROMENADERS have enjoyed a quiet summer as far as dancing goes. We had a lovely picnic on July 16. The men enjoyed a ball game, and next to dancing I think we all like eating, and we need the dancing to use up all those calories.

WYCO will be doing a few demonstrations. One at the Sea Serpent Festival, Wyoming County Fair and at the Warsaw nursing home.

Open house will be Sept. 10, so bring a couple with you and introduce them to square dancing. Alberta will have a basis round class on Wed. nights at Warsaw Elem. School so come and round dance with us, you will like Alberta and enjoy her easy rounds.

WYCO will have a camp out at Silver Lake Y Camp over Labor Day. I know our camping friends will have a good time.

A "big "Job well done" goes to the many workers on the Leukemia Dance. Too bad it had to rain, but all turned out " Fun ".

Don't forget now! Come dance with us at the Elementary School in Warsaw. We will be looking for you..

Bob and Mermie Lemley

\*\*\*\*\*

## VILLAGE SQUARES

Village Squares have enjoyed a summer of fun dancing at our new permanent dance hall in the First United Methodist Church of Fairport. This provides us with more room and is very comfortable for our growing club. During July and August we have had good crowds, enjoyed a great family picnic, and done some exhibition dancing. Now, we all look forward to getting into the full swing of fall activities.

Our September dancing begins on the 8th, with no dance scheduled for Labor Day. It is a busy month! Club members will take note of the fact that there will be two open house dances on September 9th and 16th. A new class will begin on September 23rd. If you know of any prospective class members, get in touch with the Myers and they will receive a special invitation. Please remember these are Tuesday evenings and will be held in the East Rochester Presbyterian Church. Club members are needed to make these class events successful.

Our regular Monday dance on September 29th will begin with a Pot Luck Supper at 6:30. This a good chance to get caught up on everyone's summer doings and it promises to be a gala occasion. Each couple will bring a dish and table service. Call Rita Myers 381-7436 or Anna Jean Carracia (377-0782) to sign up. All club level dancers are welcome.

Finally, on October 10th we are looking forward to our first special dance of the season. In keeping with the times, we are calling it an American Heritage Square Dance. It will begin at 8 P.M. at the Green Lantern Inn, Fairport, with our own Dick Casper calling and Charlie Tucker cueing round dances.

All in all, for Village Squares the Fall promises to be one of friendly, enthusiastic dancing. We look forward to renewing old acquaintances and making new friends.

The Which Way Whirlers enjoyed a fun night on Sat. May 17th of a hayride and weiner roast, thanks to the hospitality of Ken and Norma Walton.

Four couples and one single spent an enjoyable camping and dancing Memorial Day weekend at Potato Hill Camp-ground, Booneville, N.Y.. Callers for square dancing were Mike Callahan and Bruce Shaw. Leo Golicki called cued the rounds.

At our regular dances at Pavilion Central School on June 4th, we had as guests, Boots 'n Slippers, Wyco Promenaders and Promenading B's. Jerry Bradt called the squares and Bernie Hayward cued the rounds.

A very enjoyable camping and dancing week end over July 4, 5, and 6 was had by several couples and singles at Camp in The Woods near Canandaigua, N.Y. with Jerry Brady calling.

The picnic at Genesee County Park on Sun. July 27 was well attended. After supper the electric storm and rain of a short duration didn't dampen any spirits and dancing was enjoyed with Kevin Cooper, an amateur caller.

Thirteen Which Way Whirlers walked in the parade at the Pavilion Firemans Carnival on Sat. Aug 2. Jerry Bradt called for the dancing demonstration and members of the club and other clubs joined in the dance.

On Sept. 6. a hayride is planned followed by a weiner roast at Genesee County Park.

**Wayne Westerners**

The summer has been a busy one for the Wayne Westerners. It started off with a demonstration at the Marion's Fireman's Carnival, July 10 which drew a crowd until the rains came. The next day the club was off for a fun full weekend of camping at River Forest. Three sets of dancers were at this event and so was the rain.

The club has also planned two more demonstrations. One is Aug. 9th at Walworth's annual street dance and the other one is at Marion's Winchester Days, Sept 5. Let's hope the rain isn't following the club around.

A reminder to everyone who attended our annual Apple Blossom Dance and enjoyed themselves. On Friday October 17 the Wayne Westerners will sponsor their annual Apple Harvest Dance with Walt Jessup calling. Hope to see many of you there.

Bruce and Janice Durand

## Web Spinners

Tales of numerous vacations have reached our eaves-dropping ears. From California, Las Vegas, the Canadian Rockies, and Association Island (to mention a few) came reports of fun times and happy people.

The club camp-outs this summer were enormously successful. Seventeen families enjoyed the warm, sunny weather during the June weekend at Bonnie Brae. Nelson "Candy Man" Coco, attired in a variety of red striped clothes, provided the finest in recorded music again this year. His versions of "Reveille" and "Taps" have brought tears to the eyes of all within earshot.

Skybrook over the 4th of July was the site of an even hotter camping weekend. A marathon waterwar alleviated the heat for most of us. A band of 'revolutionary' soldiers commemorated the holiday by arming themselves with a toy cannon and broom sticks. The battle with the 'enemy' was fierce, but the drumming on soup kettles stirred the soldiers to fight their way to victory.

Our last camp-out of the summer was a beautiful weekend at Sugar Creek Glen. The question of that trip: How do the Sinopolis squeeze six children and all their camping gear into a Datsun pick-up truck?

Thanks to Rocky and Laurie Maggio for a fantastic job of planning the games for the Web Spinner picnic on July 19th. Grasshopper badges were earned by some eager new club members. The whopping finale of the day's activities was Bob Bacher's superb prat fall into a mudhole.

Even Romie Wilbert managed to hobble to Joe and Arline Galen's 25th Anniversary party. We learned a few good secrets from Bob Bonnet's poem describing the Galen's courtship and marriage.. Congratulations you two!

It will be nice to see Romie kicking up both heels after his foot is back in dancing condition.

George Nielsen managed to injure a leg while sliding down a rocky motorcycle trail- minus a cycle. A few weeks later he chopped down a tree for firewood...and ended up under the tree. If he keeps up at that pace he'll break his wife Bobbie's record for vacation accidents.

Now that our lazy days are at an end, we hopw that all the Web Spinners are ready for an active season of square dancing. The first dance is September 5th with Bill Wilcox calling and Gordy Copeland cueing rounds. Please bring a bunch of friends to the Open House on September 12th, we want to spread our square dance mania to them, too!

September 17th will begin the new season of square dance lessons and basic round dance classes. Both groups will meet at the Klem Road North School at 8:00 P.M. Bill and Judy Wilcox will teach the square dancing, while Gordy and Sylvia Copeland instruct the rounds.

Puzzle of the Month: Pete and Irene Schaertel received a new (?) double, wooden bathroom fixture that was, we are told, intended to belong to the Wilcoxes. Who could possibly have made such an amateurish blunder? Nice work, whoever you are!

Hope to see you in September.

Colleen and Mike Cooper.

More and more square dancers, clubs, callers, and shops are taking advantage of the opportunity to advertise in the "Promenader", and we might add, with good results. Has your club considered this means of acquainting the public with your up-coming special events? Maybe, you are hosting a National Caller in the near future? An ad will give you more exposure than one line in the schedule or club report.

If you are interested in making more people aware of what's going on in your corner of the Square Dance World, contact the "Promenader" about placing an ad. We'll be glad to give you all the information on sizes, prices, etc..

Incidentally, if in the past you have been disappointed in the appearance of your ad, it may have been because the copy you sent was too light to reproduce well. If you have any questions along these lines, the staff will be as helpful as possible, or consult the printer for more accurate information.
