MR. PRESIDENT, speaking to "MR. HESITANT", "I suggest, come here a minute, will you please? I want you to hear something."

MR. HESITANT, reluctantly leaving the dance floor where he was obviously having such a good time, "Who me?"

MR. PRESIDENT: "Yes, you, please. But your ear up next to this door. What do you hear?"

MR. HESITANT: "What's going on in there? It sounds as though whoever's in there is having almost as good a time as we're having out here on the dance floor."

MR. PRESIDENT: "You're right, they are! That's a working square dance committee in there and they're planning future activities for us."

MR. HESITANT, suspiciously, "Oh, oh, you said that word, "work", but it can't be all that bad or they would not sound so happy in there."

MR. PRESIDENT: "Right again! These behind the scenes people, so necessary to the life of Square Dancing, really do have a good time. Oh, it's not all "beer and skittles"(some people hate beer and skittles anyway), but it's not all that bad either!"

So, next time you are asked to be on committee, or serve in some capacity, please, don't hedge, HELP! You might even like it! You'll never know 'til you try.

Yours for a "fun" year,
John and Laphne Fink

QUARTERLY MOVEMENTS NEWS RELEASE

Pass the Ocean ... ROSE HULTIN

Pass the Ocean starts with facing couples. The dancers pass thru, then turn to face their partner and step into an ocean wave. The figure is smooth and easily used to set up a desired ocean wave. When used by facing couples in lines of four, the square ends in two parallel ocean waves and when started from an eight chain thru position, the set ends with the ocean waves end to end in what has been referred to as a "tical" wave. If the dancers are in normal boy-girl couples, then the action of a Pass the Ocean equals a star thru and step into a wave. Examples:

- | | |
|---------------------------|--------------------------------|
| Heads lead right | Heads square thru four |
| Circle to a line | Pass The Ocean |
| Pass the Ocean | Swing thru--Spin the top |
| Girls trade--Swing thru | Right and left thru--Dive thru |
| Turn thru--Left allemande | Square thru 3/4--Left Alle. |

FERRIS WHEEL.....DON BECK

The action starts from two parallel, two-faced lines such as those resulting when dancers in an eight chain thru position do a swing thru and centers run. The couple facing out in each two-faced line will do a normal wheel and deal action for that position and when the figure is completed will be the trailing couple in a double pass thru formation. The couples facing in, in the two-faced line, will move forward to a couples a circulate position and for a moment form a new two faced line in the center of the set; then the center two-faced line will wheel and deal and the center couples will end as the lead couples in a double pass thru formation. Examples:

- | | |
|------------------------|-------------------------|
| Heads square thru four | Heads square thru four |
| Swing thru | Swing thru--Boys run |
| Boys run | Couples circulate |
| Ferris wheel | Ferris wheel--Zoom |
| Center pass thru | Centers square thru 3/4 |
| Left allemande | Left allemande |

CALLERLAB has 17 active committees, one of the newer ones, headed by Lee Kopman of Wantagh, N.Y. is setting out to determine a workable system of identifying the various levels of dancing. Because the terms "fun level," "low" level, "high" level, "intermediate level, etc., mean different things to different people it's almost impossible for traveling dancers to find a dance in a strange city that features the type of program in which they feel qualified to participate. Traveling callers coming into an area new to them may be told to call a "difficult" dance only to find that the area is inexperienced square dancewise, and "difficult" to them would be considered "mid-level" in most other regions of the country. And so it is that this Committee hopes to develop a method that can be adopted universally. With such a system the annual Square Dance Convention, as an example, can label its various halls in such a way that every dancer and every caller attending knows exactly what to expect. It's a much needed program and hopefully a solution is not too far off.

NEWS

Batavia Twirlers

Greetings to all members of the Batavia Twirlers and we trust you're all eager and full of pep and ready to give our new officers our help and support for the coming year.

By the time you receive this article, we will have had our free Open House which was open to all club members and to our new square dance class. This year the classes will be held at the Salvation Army Building, which is located on the corner of Spruce and Main Streets. Ron Fotch will again be the class instructor and I'm sure will do his usual great job as he has done in the past.

On Sept. 20th we're celebrating our 15th Anniversary as a Western Square Dance Club. The dance will be held at John Kennedy School at 7:30 to 11:00 with Larry Dunn calling. Let's make this a big affair as our Charter Members and Past Presidents are to be our honored guests. To show honor to our club's first president, Clarence Goodman, who passed away late this summer, we encourage everyone to come and show his wife, Mrs. Goodman, our appreciation to her late husband and to her for making our club what it is today, an active growing club.

Gals, it's not too soon to start planning your attire for the Halloween Dance on October 18th at John Kennedy School with Larry Dunn calling. Let's have all couples in costumes and have the fun of a grand parade and judges for the best original costumes.

See you at the Anniversary Dance.

Doris and Charles Veltz

Belles 'n Beaus

Although we dread the thought of summer ending, it is made a little easier by the thought that we will again be dancing and greeting old friends and meeting new. The summer layoff certainly did not do a thing for my dancing, but everyone else was great. It was good to see so many of the graduating class dancing with us and hope that more will join us next week.

We are looking forward to our Open House on September 10th and 17th.

Congratulations to Mary and Don Waterman who have replaced Evelyn and Bill Scheg as State Federation Directors. Our sincere thanks to Evelyn and Bill for a job well done.

Two sets of Belles'n Beaus put on a demonstration dance at the Charlotte Octoberfest. A good time was had by all.

Seven couples from Belles 'n Beaus will soon be leaving for a 2 week trip to Spain with the Circulators. We hope they have a grand time.

Get well wishes are sent to Wes Mantz who is recovering from surgery at Rochester General.

We missed seeing Betty Selbert on Bowling For Dollars. How about doing it again Betty?

Chip Kellogg called for a group from Belles 'N Beaus who put on a demonstration at Long Ridge Mall. Thanks Chip, you were great.

Cloverleaf Squares

The Cloverleaf Squares started off their new dance season with a Pot Luck Supper and Dance on September 14 at the Chili Town Hall, 3235 Chili Avenue.

On September 28th we had our first Open House with Mike Callahan calling. Mike is our Class and Club Caller this year. Our Second Open House and first class lesson will be on Sunday evening, October 12th from 6-8 p.m. at Chili Town Hall. All singles are welcome at this time. The regular club dance will be from 8-10:30 p.m.. There will be regular classes and club dances on October 19th and 26th with Mike Callahan calling.

Social events for October may include a camping weekend and a hayride.

We are planning a great year for singles' square dancing, so encourage your single friends to come and join us on Sunday evenings.

Five members of the Cloverleaf Squares just returned from the National Singles' Square Dance Convention in Minneapolis, Minnesota over Labor Day Weekend. We had a great time and are looking forward to next year's convention in Memphis, Tennessee.

See you around the square!

Boots 'n Slippers

I don't believe how many people attended the Sept. 5th Open House. All the old friends were back, of course, but what about all those new people? I lost count half way thru the evening of all the people I met. I really believe this is going to be a good year for Boots 'n Slippers.

Would you like to be an angel? Come on Tuesday evenings and help the class. They need you and they will return the favor with their friendship. Al Howe is doing his usual great job of teaching, but, please Al, one more Grand Square and I think I'm going to scream!!

The Round Dance lessons are in full swing with Howie and Dot DeGrave. Alice and I took lessons last year and we feel both the DeGraves and round dancing are great. Maybe it's time for you to join the fun.

Have you noticed how smoothly the club functions go? It just doesn't happen by itself, the officers or our club make it happen. This requires time and hard work. A thank you to this year's particularly fine officers.

Mike Callahan and a group of square dancers were on Televisions's "Rochester A.M." The program was very enjoyable, and certainly put square dancing in a good light.

Don't be (fun) Gloria Roth, Oct. 10th. She is reported to be a very good caller. Come dance with us and see.

C.O.

Alice and Les Kuhn

Country Twirlers

Several clubs, including the Country Twirlers, danced at the Monroe County Fair on August 11th. When it got dark, we should have had a tip called "Dancing in the Dark", as it seemed there was a shortage of electricity in our dancing area.

Our Demonstration Dance at Westgate Plaza, on August 22nd, with Jerry Carmen calling, was a huge success. It was a beautiful night, with a bright moon overhead and several on-lookers joined in and appeared to be having a good time. Our thanks to all who participated.

On Friday, October 25th, Frank Lane will be our Guest Caller. Hope a lot of you will join us for an evening of fun and dancing.

By the time this issue is published a few of us will be in Spain, sightseeing and dancing. Will bring you up to date in the next issue.

Until we meet again.

Bill and Elaine Koch

NON--FEDERATION NOTES

CARROUSELS are dancing Friday Oct. 10 and 24 at 8 pm. \$2.50 per couple. Please phone 293-2933 or 548-2578 for location. We do square dancer's rounds and workshop the round of the month. Ron Fotch cues for us.

S.T. A.R. TWIRLERS next club dance is Oct 11, 7:30 till 10:30, --\$1.00 each. This dance will be held at the Co. Home Extension Bldg., Main St., Batavia. All teens are welcome to attend. New members welcome. For information on classes phone Ron Fotch our caller at 548-2578.

EKC-O SQUARES

The new square dancing season will be well under-way by the time our members and friends get to read these notes. Open house will be over, as will the dancing demonstrations at Longridge Mall. We hope all these functions will be successful in promoting new people into the ranks of the Square and the Round.

For those of you who don't know, this Fall season for EKC-O Squares will be marked by changes. Please note: On Friday, Oct 24, we will start dancing at Kodak Park, Building 2B, on Ridge Rd., just west of Lake Ave. Round dance workshop at 7:30 P.M., Squares will begin at 8:00 P.M. with Jerry Carmen as guest caller. We will be having six excellent guest callers within the next eight weeks, so check the schedule closely. For those of you who have picked up a yellow Fall schedule card, November 17, should be changed to November 14, a Friday.

So much for the necessary details, now for the news you love to read, but don't know where it comes from. We'd like to thank the Mullens, Laffertys, O'Connors, Warners, Leonards, Fishers, the Smiths, John and Dot, and Howie Parker and Julie Clemens for representing EKC-O Squares at the Monroe County Fair on August 12. While trying to procure some of these names, some of the people were asking me "Why" and thought maybe I was rating their dancing ability. No way! We only rate those "hot hash" squares, right Harriett?

The Welcome Back, prime ribs of beef, with all the trimmings, Dinner on Friday, September 5, was enjoyed by 129 eager eaters. If roast beef isn't your cup of tea, we sure hope square dancing is, because EKC-O will be serving up some of the best callers in the land at our Friday night dances.

Congratulations to Bob and Ruth O'Connor on their 39th Wedding Anniversary, September 5, and Bob's completion of 40 years service at Kodak on August 12.

Many of our members put in a good summer of camping and square dancing at Skybrook, and other equally inviting campgrounds. Heard about one of our camping couples going full cycle? The Starks are back to a tent again all the comforts of home, eh Dan and Ann?

"Promenader" subscriptions will be taken by your reporters through Wednesday, October 15 at KAD auditorium, \$ 3.00 per year. News items will be accepted anytime.

S! and Shirley Hulse

Copy Cats

Lucky - And very good luck it was for the members of the Copy Cats who attended our Sept. 27 Pot Luck Supper and meeting. Everyone had their fill of the best food in town.

Round Dance Instructions - Starting Oct. 11th at 7:00P.M. There will be an hour of line and round dance instructions before our regular dance. This is a good opportunity to learn this phase of Western Dancing with Dorothy Magin as instructor. She'll also be there cueing rounds between our square dances.

Get Ready - For what??? Spooks, pumpkins, and witches!!! Or the Goblins will gitcha. The Halloween dance on Oct. 25th will be a costume dance. Come on over and let us guess who you are. A good time is in the making for everyone. (costumes optional.)

Emma and Ray

Geneva Friendship Sqs.

Our Fall dancing season started off with a new class September 2nd with everyone present having an enjoyable time. Don Pratt is a very able instructor and does a good job putting them thru their paces.

We certainly had our fill of dancing the weekend of the 12th with our first club dance that evening, a demonstration dance at the "Y" Fair in Clifton Springs on the 13th and the Ron Libby Dance on the 14th. Busy, Busy Dancers.

We wish our club callers Don & Lucille Pratt a fun trip to Spain with the Circulators this Fall. Stay out of the Peppermint Schnapps, Don.

Our regular Friday dance on October 31st will have Dick Schweitzer from Syracuse as a Guest caller. Our dances are held at Gulick Hall, Hobart College in Geneva. We're looking forward to a good time, hope you can join us.

Please make it a point to come and dance with us soon.

Al & Evie Overslaugh

GLASS SLIPPERS

With summer behind us and winter soon on it's way, we hope we'll soon be seeing those happy faces that we missed during our summer dancing.

One of the highlights of the past month was our "Cherry Slice Schuffle" which had a good turnout. The "Cherry Cobbler" dessert, topped with ice cream, sure fit the occasion and mum-mum was it good!

Several of us achieved our duck badges August 18th, when Al and Arlene had a pool party. Everyone got their chance to dip in the pool. Even those who didn't plan on swimming, right Jane? We think "Lovely Liz" sure makes a cute mermaid.

Our club drew quite a crowd when we were invited to demonstrate Western Square Dancing at the Hamlin Carnival. We sure enjoyed ourselves and we were also happy to display our float in the parade.

"Owens Illinois" invited our club to dance for their annual employees picnic. Labor Day a group of club members joined "Ron Fotch" at Olympic Park and demonstrated Western Square Dancing. We wish to thank "Owens Illinois" for inviting us because we had a very pleasant afternoon.

We are proud of two of our Club teenagers, "Judy Fotch" and "Mim Blunt". They attended the State Fair with a group of teenage square dancers and walked away with the "Blue Ribbon." Keep up the good dancing, kids!!

We wish to thank George Burch for inviting the club to his home for a hay ride Sept. 7th. What a fun-filled day that was. First, the hay ride which took us over many acres of farm land, a few wobbly bridges, and back to the farm house. Back at the house we won our "Bull Slippers" badges because we danced in the cattle truck. By then, we had worked up quite an appetite, so we took time out for a pot luck picnic. What could complete a perfect day, after that? Only dancing a few extra squares with our vivacious caller, "Ron Fotch." I think it was all this which encouraged Dianne and Chuck Silvernail to join our club. Welcome folks, and happy dancing with, "The Glass Slippers".

We would also like to welcome Marcia and Jim Moore. They have danced with our club several times and finally decided to join our merry group. Don't forget, dancers, October 6th is our "Whale of a Dance" at the John Ginther School in Brockport. Let's have a whale of a crowd. Come join Ron and the club from 8-11 P.M..

Genesee Dancers

Our Promenader correspondents, Jim and Mary Alice Brooks won't be dancing with us for awhile. Jim, who works for Xerox, was transferred to Holland for about 2 years. Even though their luggage was 50 lbs overweight and they almost missed the plane, they made it off the ground and on their way. We're sure they'll have a wonderful experience.

Xerox also transferred another member of our club. Mike and Sandy Walsh left for Oklahoma City this summer.

Lew and Ruth Dietz and Ralph and Jeanne Miles left for Mesa, Arizona. Their move was not a transfer, but retirement.

Needless to say, all of these people will be greatly missed.

Ray and Eva Seymour are also changing their address. They've sold their home in Penfield and are moving to Harts Woods Manor in Fairport. They are really thrilled about it, although, they undoubtedly will be glad when the work of moving is over.

In spite of the moves being made, we opened our Fall dancing season with a dinner dance attended by 104 couples. We had a delicious meal and from the happy smiles, the evening was a success.

Charlie and Perkie Tucker are planning to teach a new round the second Thursday of each month. So you round dancers should be sure to get there early on those nights.

On December 11th, contrary to what our schedule says, Chuck Prister will be calling for our club. We think this is a good opportunity for the club to get to know our class instructor.

Henrietta Friendship Sqs.

By the time this issue comes out, our Club should really be in the "swing" of things. The first club dance was an Open House and Rusty Hinge dance for prospective members. Five more Rusty Hinge dances are to follow on Sept. 27, Oct. 4, 11, 18 and 25th and we hope these are just the refresher needed to give old and new couples renewed confidence.

The Club's classes are Tues. evenings at the Roth High School, 4000 East Henrietta Road beginning Sept. 16th with an Open House.

Two demonstrations are on the calendar: Sept. 17 at the Hurlbut Nursing Home and Sat. night Sept. 20th at the Pinnacle Lutheran Church for the Couples Club.

Many Club families enjoyed the campout at Bonnie Brae in August. The pot luck dinner and dances were great. Ben McGilvery included the children in several dances so they had fun too. Of course, the rains dampened the evening campfire a bit and the heavy downpour, lightning and thunder kept sleep at a minimum that night. Never-the-less, it was a fun weekend.

Don't forget to invite your friends to join us. They've probably been wondering why you are so crazy about square dancing. Now you can show them.

Please contact Leo & Jennie Marcoux to let them know how many clams you can eat!! Hope to see you all there.

The October 25th dance is a joint one with the Swinging Eights at Dake Middle School. It will be a costume dance so get your thinking caps on and see who can come up with the most original outfit.

Please contact us if you have any items of interest and news that should appear in the "Promenader".

Come join us along with Bruce Shaw and Debbie Wilkins for a special dance on October 18 from 8-11 at the Kelly School. Bruce is from Rochester and Debbie is from Auburn, N.Y..

Put a square on your calendar for a special dance with Chip Kellogg on November 15, 8-11 P.M. at the Kelly School.

The Kuntry Kuzzins are inviting the six area clubs to join us on our regular dances for free. They are the Wayne Westerners, Geneva Friendship Squares, Penn Yan Friendship, Skoi Yase, Naples Valley, and the Magic Squares. We'll be looking for you to join us when you can. All dances are held at the Kelly School.

As I write this report, we have seven couples signed up to go to Franklin, New Jersey to dance with the Kuntry Kuzzins there. We will be guests of the Averys who are formerly from Newark.

Four couples from Kuntry kuzzins had a wonderful dancing and camping weekend at Association Island over Labor Day. The Overslaughs helped the Fishers christen their new trailer. The Coveys and the Farnsworths enjoyed outdoor cooking.

PROMENADING B'S

"Back to the Hive" was the theme for the first dance of the season with Ron Fotch calling. The Bees swarmed in for a "honey of a time". Our Bi-Centennial dance was next on the schedule.

October promises to be a busy month for the Bees with a Halloween Party on Friday the 17th and our "Diamond Jubilee" on Saturday the 25th. The latter will mark our 75th dance. All clubs are welcome to come help us celebrate on October the 12th. We will all enjoy a family style Spagetti Dinner cooked by Alice and Angie DeFelice at the Genesee Co Fair Grounds in Batavia. Our family of nine especially enjoyed a fine meal at a modest price last year and are looking forward again to this year.

Remember the Bees dance the 1st, and 3rd, Fridays and the 4th Saturdays of the month at Byron-Bergen Elementary School with rounds at 7:30 and squares at 8:00.

Hope to see you all soon! Happy Dancing from your new reporters!

Nelson and Carol Stamp

P.S. A special "sting" for all those Bees who haven't been "buzzin'" (dancing) lately. We miss you!

Rochester Rollaways

Welcome back to dancing! At least, dancing will be always. Lots of us danced during the summer-like Gettysburg and Heits at Cherry Ridge. Labor Day we had a mass migration to Pennsylvania. Eight couples were at Long-eant Lake and nine couples "braved" the rain at Indian Brave. We all had a great time dancing even though it was a little damp.

By the time you read this our camp-out will be a happy happening and a great memory. (I hope.)

See you in a square.
Helen Pies

Swinging BB

Now that the canning and freezing are finished and the children back to school, we are all ready for a grand fall and winter season of square dancing and fun.

We started out with a chicken barbecue at Tom and Ginny Hamlins', with square dancing after a grand meal. Many thanks to the Hamlins.

Ask Mary and Bob about their bike trail ride.

Had our open house Sept. 13 with a grand turnout. So nice to see all our old friends and meet many new ones.

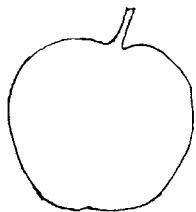

Classes started Sept. 18, so club members lets get out and help them.

The club put on a demonstration at the Long Ridge Mall Sept 19, during National Square Dance Week. It was a lot of fun with many on-lookers. Hope many of them will decide to join the fun.

Mary Messer is taking old and new subscriptions for the "Promenader"-deadline Oct. 20.

The 1975-76 season got off to great start with a delicious pot luck supper on Sept. 6th., we sure do have some great cooks among us.

The Skinners had a different vacation this year canoeing in the wilds of Minnesota.

Maryann Joepe is back home after a short stay at Northside, glad she's feeling better. Hope to see you dancing soon, Maryann.

We have a busy October coming up. Frankie Lane from Colorado will be our guest caller on October 18th and on Nov. 1st Tom Trainer will be back calling.

October 25th will be a combined Halloween dance with Irondequoit Squares with Bruce Shaw and Bill Wilcox calling, it should be a fun evening.

Larry and Terry Jacobelli went to Utica September 5th and 6th as one of the many callers who contributed their time for a benefit dance for Lucille Graf, whose house was destroyed by fire.

Keep the news coming in; there must be more going on among you Swinging Eights than you're telling us, so keep us posted.

VILLAGE SQUARES

How good to be back in the fall swing and see so many familiar faces again, not to mention the chance to meet new friends! Village Squares strive to be a club where everyone can find fun, friendliness, good dancing, challenges and lots of patience all rolled into each Monday evening. Our caller Dick Casper and round cuer Dorothy Magin rate our constant praise and thanks for work well done. Also to be commended for their hard work and enthusiasm are the club's good officers.

Special for the month of October is our American Heritage Square Dance scheduled for Friday, October 10, 8-10:30 P.M. To be held at the Green Lantern Inn, Fairport, it will feature Dick Casper calling squares and Charlie Tucker cueing round dances. Come join us for an evening of old fashioned fun and dancing.

Ongoing project for October is our new class meeting every Tuesday evening at the East Rochester Presbyterian Church. We always need regular club members to help on these class nights so plan to come when you can. Besides what regular dancer doesn't need a brush-up on occasion?

We'll have a Halloween gala on the 27th of October. Let your imagination run wild and wear a costume. Prizes for the best creations and fun for all!

Remember Village Squares for your Monday night dancing—we're at our new regular hall in the basement of the First United Methodist Church of Fairport. Come see us!

Forgot our news????? #00! Is our face red!! Due to an oversight, Larry & Barb Kennedy's name was deleted from the news column in the September issue (our Treasurer). So sorry about that, Barb and Larry! That reminds me, our news for the fall season are due soon; October 15 is the deadline.

Don't forget to make reservations for our FAMILY PICNIC, which is to be held at Hamlin Beach State Park on Oct. 4th. Lynn Britt is the Reservation Chairman for this event.

AUD LANG SYNE..... There will be a Triggers' RE-UNION Dance on October 14th. We hope we shall have a good "turnout" for this. It should be great to see some of the past members of our Club...some people we may know and some we shall meet for the first time.

We would like to remind you that again this year we will have our FRIENDSHIP NIGHT the third Tuesday of every month. Our next Friendship Night will be held on Oct. 21st; so Club Members, be sure to extend a special invitation to your square-dancing friends to come as special guests for the evening.

Our Class members are busy with their square dancing lessons every week at English Village School, and we shall be looking forward to attending their graduation on November 11th.

REMINDER: Don't forget to renew your subscription to the Promenader. The deadline is October 20th.

Our illustrious dance teachers, the DeGraves, are at this moment, resting at their property so that they may better cope with our shenanigans. Web Spinners

Web Spinners, are you ready for a full season of new dancing calls? The past few weeks have really polished our style, so that the once-familiar calls are again becoming easy to perform. "Wild Bill" might have been a little hard on us at the first dance when he called two "Tea Cup Chains". Try that one again at Trail End, Bill!

We've had hearty encouragement from our sideline coaches Ernie Luke and Nick Siconolfi. It's good to see that both of them will soon be healthy enough to stir up some trouble while dancing. In the meantime, Jim Knieser has been dancing an arm's length away from everyone. Hope your broken wrist heals quickly, Jim!

Andy Tanghe, our Vice-President, carefully hung up the club banner at the first dance of the year. Much to the Web Spinners' surprise (or dismay) he also hung travelling banners from the Batavia Twirlers and the Irondequoit Squares. We haven't possessed these quite long enough to declare them antiques, but we understand that if they are left unclaimed, a group of "mourners" will be required to return them to their respective clubs.

The club attendance at our dances has been fantastic! It would be great to see this practice continued, especially on October 24th when Larry Dunn is our guest caller.

Now is the time to design your costume for the Halloween party. In the tradition of past years, extremely valuable prizes will be awarded to the couples wearing the most original costumes. A little bird hinted to us that the first prize could possibly be a wooden two-seater with floral decorations-or did that prize disappear again? Competition for the best costume is sure to be very strong, so let's see some good outfits!

Congratulations to Gordy and Sylvia Copeland on their new grandson, born August 17th.

See you dancing,
Mike and Colleen Cooper

This summer the club was busy with demonstrations, let's hope all the hard work proves to be fruitful with a good size class. We hope to see many new dancers at our open house.

"Dance-O-Rama '76 Newsletter #1"

Although DOR '76 seems along way off, it is essential to begin preparations for it now. We hope to keep you abreast of our progress via a monthly newsletter.

We got off to a good start at our first Federation meeting on September 17. A list of committees and a brief description of each was given to the delegates. The clubs are asked to select those committees on which they prefer to work.

The most repeated suggestion to improve Dance-O-Rama was the need for a level of dancing between "advance" and "club". We are happy to announce that we will have this additional and new level (space permitting) and that your Federation has approved a fourth caller for '76.

There are many square dancers with special talents. Please volunteer your services to your delegates. We particularly need a secretary and another assistant (coordinating chairpersons) to the DOR Chairpersons.

Goals For the October Federation Meeting

1. Selection of Theme
2. Presentation of DOR '76 Budget
3. Finalization of DOR '76 Committees
4. Presentation of DOR '76 Time Schedules
5. First Committee Work Session

A wonderful spirit pervaded the preparations for DOR '75. The culmination of that spirit was a wonderful dance. We hope that spirit continues to burn brightly for '76.

Dear Editor,

Do you think it was fair of our caller to get upset with us the other night when he called "ReGroup", and we all squared our sets? After all, we've been " regrouping" like that for years.

Squarely yours,
" Frazzled Freddie"

Dear " Frazzled",

This is just another example how far behind the callers are at calling what we're dancing. We suggest a little patience on your part.

Yours squarely,
Ed.

Dear Editor,

Are you sure your club affiliation isn't " Slips and Sloopers"? Like how come it says 50¢ a single copy in the front of the paper and 30¢ on the back?

Irate reader,

Dear " Irate",

You're right! Already, we've considered offering a prize to the reader who finds the most goofs this year, but the only prize we've been able to come up with is the "key to the executive washroom" that goes with this job. But, we should have added 20¢ to the figure on the back page because it cost approximately that to send a single copy by first class mail. Glad to see you're reading the paper so closely. Maybe, others will follow your example. Then, we'll really be in trouble!

Sorry,
Ed.
