VOL. XV NO. 5 ROCHESTER, NEW YORK APRIL 1977 50¢

TWO DIFFERENT DANCES

The Muscular Dystrophy Dance and the Dance-O-Rama are coming. For years these events have been highlights of the dancing year. They come only a couple of weeks apart, but there are broad and interesting differences in their make-up. For instance:

PURPOSE -----

The Muscular Dystrophy Dance is intended to raise money, as much as possible, to be contributed to the fight against the disease. It was one of the earliest and remains the most successful benefit effort by square dancers in this area.

The Dance-O-Rama is intended to present a broad pot-pourri of round and square dance levels, styles, workshops, and callers. It serves as a "coming out" party for new graduates and gives them a good look at the broad spectrum of dancing, and the multitude of friendly dancers that await them. It is essentially "non-profit" in structure.

FEATURES -----

The most outstanding single feature of the Muscular Dystrophy Dance is the extent to which the theme is carried out in decorations and costumes. For one night, the Churchville-Chili High School is transformed into a wonderland with such props as a working carousel; a giant spacecraft; a 20 foot tall elephant; real harem girls, and many other unbelievable works of art so attractive it seems cruel when the dancing and the fantasy have ended, and it's clean-up time.

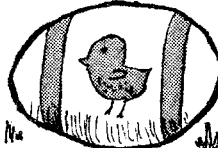

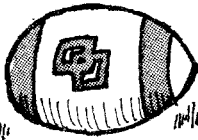

The Dance-O-Rama offers diversity: the opportunity to dance to 5 National Callers, National Round Dance Cuers, and our excellent local callers and cuers, all in one day! Whether beginner or veteran, round dancer or folk dancer, there's enough of your favorite activity to keep you happy all day.

ORGANIZATION & SUPPORT -----

The Muscular Dystrophy Dance is organized by a core of dedicated volunteers, many of whom have worked on this event for a number of years. Some of the committee members are not even square dancers, but all share a common interest in fighting Muscular Dystrophy. The central figures in the committee are George & Una Shaw, whose knowledge of this dreaded disease has been a personal one. They all work very hard and deserve our help and support.

The Dance-O-Rama is one of the functions sponsored by the Rochester Area Federation. Each year a new Dance-O-Rama Committee is formed, with representatives of the various member clubs as coordinators. Each member club is assigned a specific part of the effort, with volunteers within the club getting the work done. In this way, the area square dance clubs collectively organize and staff the Dance-O-Rama each year. If you are asked to help out, don't be bashful.

Support both of these functions -- be sure your new dancers (and old, for that matter) understand that these are truly "special" occasions, each for its own distinctive reason. Each is guaranteed to satisfy, with all the dancing you could want -- See you there !!!

Note:

HELP!

It's time again for us to begin looking around for new staff members to work on the PROMENADER, beginning in September. It requires long hours of work, but is tremendously rewarding. We've heard it said that each year's issues have a different "personality" as each editors put a little of themselves into the paper.

Here's how the "system" works, for those who are interested:

Helping with the Promenader is normally a two year commitment----the first year is as subscription editors, with responsibility for subscriptions and mailing, address changes, etc. This phase of the operation takes about 8 to 12 hours a month.

The second year, you move up to the copy editors' position, with responsibility for assembling the paper page by page from copy and ads received from the various correspondents and others. This requires about 40 hours a month, with about half that time spent typing.

All the equipment needed comes with the job, but someone in the family has to be able to type. Art ability is not necessary...we have a library of prepared art (but original art is always welcome.) As in any volunteer effort of this sort, the more help you can recruit, the easier the work.

If you think you may be interested in keeping the PROMENADER on the move, contact Willers or Frosts. We'll be happy to answer your questions. It's a great opportunity to make a significant contribution to square dancing in the Rochester Area. Think about it!

P.S. - John Fink, our printer, is a super guy to work with and is willing and ready to provide professional help and advice whenever it's needed!

ATTENTION!

+++++ SPECIAL NOTICE FOR CLUB OFFICERS +++++

APRIL 20 is the deadline for taking advantage of the PROMENADER'S annual special offer for new class graduates. This is made available so that the new grads have an opportunity to see what goes on in the Rochester Area in square dancing.

For \$1.00 per couple (or single), your new graduates can have the May, Summer, September, and October issues of the PROMENADER (4 issues altogether). The list of names and addresses MUST be turned in to the FROSTS by April 20 at the latest, along with the money.

Many clubs provide these special subscriptions to their new grads as a gift from the club...others use a sign-up list and collect from the individuals. Either way, we ask that there be one list of names and addresses submitted from each club, and it must be to the subscription editors no later than April 20.

We guarantee your new grads will appreciate this gesture on the part of their club!

CORNER

We congratulate the graduating classes and welcome them as club dancers. The rest of us can remember when we received our proficiency (?) diploma, and especially our new club badge. This gave us a feeling of being an active member of a square dance club.

The clubs expect a certain amount of loyalty and participation from the dancers who wear their club badges. They need our ideas and our help. We're all expected to help and encourage the new dancers so they'll continue dancing with us. It isn't very logical to invite our friends and acquaintances to learn to square dance --- then lose them after they've completed the classes.

Don't forget to get your tickets to the D.O.R. and encourage the new graduates to go. It's an opportunity to meet new friends and join old friends at a festive occasion.

The Committee

A SQUARE

A ROUND

TOWN

Spring is here! Classes are graduating, and new dancers are entering the clubs. I'll always have a sentimental spot for the new dancers, for I can remember when I went thru class, I went thru class, I went thru class. Thru class three times? No, not really, but Art Harris, my teacher, said it seemed like it.

Sooooo, I am taking this opportunity to help the new dancers by putting down a few important tips on the dress and etiquette for square dancers.

Men's Dress

1. Shoes - necessary, especially if you want to appear gracious in de-feet.
2. Belt - in most cases necessary to stop a disaster
3. Pants - absolutely necessary, if for no other reason but to cover your shorts.
4. Shirt - should have collar, cuffs, or both.
5. Hair - not necessary, but sideburns are, for balance.
6. Hat - not necessary, unless you are dancing up a storm.

Ladies' Dress

1. Dresses - are necessary, mini, maxi, many.
2. Petticoats - should only show at the bottom.
3. Belt - necessary to break up the contours.
4. Hair - teased or re-teased, on head, any shade.
5. Fancy Laces - not necessary on shoes without laces.
6. Anything else, true or false, should be hidden.

Man or Lady

1. Wigs - I don't want to split hairs on this but if you do wear one, be careful on a "dive thru".. saw one hanging from a guy's cuff link.

Etiquette

1. Don't enter a set that already has four couples unless you intend to round dance.
 2. Always put your best foot forward, if you have one.
 3. Don't allemande left your left hand lady if she is right handed.
 4. Don't bow to your partner unless you are facing her or him.
 5. Don't goof up a set unless you know what you are doing.
 6. Don't imitate the caller; he is supposed to stand still.
 7. Don't star thru with your left foot.
 8. Don't whistle for your corner if he or she is out of position.
 9. Don't walk out of a set, unless the other three couples leave you standing alone.
 10. Don't talk during a dance unless you can hear what you are saying. That way you won't offend anyone else.
- If you follow these rules, you won't go wrong more than once, I think.

To the new dancers: Don't believe all you hear about me. Nobody, but nobody, could dance that lou-say. (lou-say...a French word meaning "it's better to pay, than to dance with him")

Thanks anyway,

Hal Abberger

Important Information for All Square Dancers !!

NEW YORK STATE SALES TAX
and the
SQUARE AND ROUND DANCE CLUBS
1971 to 1977

In August, 1971 the news was released that Ashton Elliott, president of Shufflin Shoes Square Dance Club and Norman Brocius, president of Shirts and Skirts Square Dance Club were liable for \$4,911.00 and \$1,445.25 respectively for sales tax that should have been paid and collected on the admission charge at club dances for the period from August 1, 1965 to May 31, 1971.

Since there was no state wide organization at that time, a "Square Dance Legal Fund" was established under the supervision of a three man committee to deal with the issue. Through the generosity of callers, cuers, and dancers, \$4,921.01 was raised to pay necessary legal expenses of the Square Dance Clubs in fighting the lawsuit. The Callers Cooperative of Rochester held their first Fall Fun Fest in November 1971 and donated \$557.50 to the legal fund. Vaughn Parish, a caller from Boulder, Colorado, carried a piggy bank with him across the country so dancers everywhere could donate to our legal fund. Dancers from New York state and Michigan sent contributions.

Tax attorneys were paid a retainer of \$2,000 to represent us at the many meetings with the State Tax Commission between 1971 and 1976. As a result of letters written by square dancers, New York State Senator James Powers and Assemblyman George Steinfeldt had a bill passed through the State Senate and Assembly to make square dance clubs tax exempt. However the bill was vetoed by Governor Rockefeller and no further action was taken in the legislature.

Finally, on August 13, 1976, the State Tax Commission published a "Notice of Determination" in which they said the American Square Dances and the Round Dancing portion of the activity was an "Instructional Activity" and not subject to sales tax. Those of us who had followed this over the past five years were pleased that clubs were finally tax exempt. However, one very important thing to remember is that the club exists for instructional purposes. At every dance (class and club) you learn something new. Flyers should refer to the charges made at the door as either instructional fee, tuition, or something of that nature. We suggest that you refrain from using the words "admission" or "donation".

On November 13, 1976 a bill for \$12,713.46 was received from the lawyers for services rendered. After paying the \$4,921.01 we had, there is a balance due of \$7,792.45. Our new problem is how to raise the money to pay the balance due. Several things have and are being done: Mo Howard is having a tax dance on April 15, the Clintondale '76ers Square Dance Club of Clinton, Michigan have sent a check for \$50 because they feel this will benefit square dance clubs throughout the country, other clubs and dancers all over New York State have sent donations. If each couple would contribute the tax they would have paid on square dance admissions and dues since 1965, I am sure we would raise the money. Just think of it, if you attended just 10 dances a year during the past five years at \$2.50 per dance you would have paid \$8.75 in sales tax, even if you only attended 10 dances in the last year at \$2.50 a dance you would have paid \$1.75 in sales tax. Most of us do attend more than 10 dances.

Donations can be sent to: Charlie & Betty Race, Clinton Road, Whitesboro, New York 13492.
I know we can count on all the dancers who read this to do their share. Please, don't let us down!

EXPERIMENTAL WORKSHOP CALL OF THE MONTH

Spin, Trade, and Turn
by Ted Wegener, Calif.

Starts with parallel ocean waves with girls on the ends. Turn $\frac{1}{2}$ by the right to put the men on the ends. The men will turn $\frac{1}{4}$ to face the girls. The girls turn by the left $\frac{3}{4}$ to form a new wave of girls. Then the center girls trade (like spin chain thru). All the girls will then step thru to be courtesy turned by the man facing them. Ends in facing lines.

Dance-O-Rama Caller Profile

**ROSS HOWELL
NEW YORK**

After completing a Square Dance class and summer workshop, Ross Howell decided to take up calling. He started calling in the fall of 1970. In the fall of 1973, he decided to go full time and do some traveling. He currently calls regularly for clubs in Rochester, Buffalo, Albany. He also sends tapes to other areas who enjoy his calling. Ross has been on staff of several weekends, including the National Challenge Convention for the past three years. He has called for groups in several states including Massachusetts, New Jersey, Ohio, Pennsylvania, Washington DC, Illinois, and Florida, besides traveling into Canada.

Ross and his wife Sue, who travels with him as much as possible, currently reside in Baldwinsville, NY.

LEUKEMIA DANCE 1977
SATURDAY, JUNE 11th

Here comes summer, and once more plans are under way for the Leukemia Dance. The last Leukemia Dance was held on our lawn, in July 1975, and the grand total raised to help Pediatric Leukemia Research was \$2500.

There was no Leukemia Dance in 1976 due to the death of our son Jimmy, age 9, a victim of leukemia, who was very much a part of the first dance. However, another year has come, and children are stricken with Leukemia/Cancer daily, as cancer is the number 1 disease killer of children. Therefore, we must continue to fight.

This year the 1977 Leukemia Dance will be sponsored by the CURE CHILDHOOD CANCER ASSOCIATION. "Cure" is made up of parents and friends who have recently lost children due to Leukemia/Cancer, or who presently have a child under treatment. There are no administrative costs, as the time, talents, and energy needed are all donated by its members.

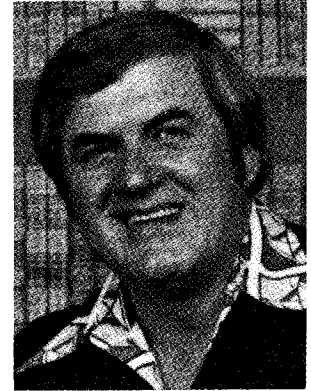

The dance will be held Saturday, June 11th, at Burger Jr. High School, W. Henrietta, NY. (Turn at Cartwright Inn.) This is to assure that the rain will keep off our heads. (Those of you who attended the last dance will know what we mean!) The hours are from 2 - 10 p.m. and tickets are available thru your clubs.

Dewey started to dance (traditional) in 1959 and went into traditional calling in '60. He taught his first western class in 1961. (Most of them are still dancing.)

He was always interested in a little "Challenge" in dancing as well as calling, and he and George Jobbusch started one of the first Challenge weekends, "Holiday" weekend in 1965. Dewey has also been a staff caller at the National Challenge Convention for several years. He has several advance and challenge groups in the Cleveland Area and calls for many clubs as well. Unfortunately, his full time job as a truck driver prohibits him from doing much traveling to call.

When he's not at the mike, he likes to be on the dance floor or golf course.

Dewey and his wife, Martha, have three children; two sons, a daughter, and a four year old grandson.

The theme this year is JUNE IS BUSTING OUT ALL OVER and bust it does - with an array of flowers, butterflies, birds, and bumblebees! There will be two large rooms for mainstream dancing, a relaxed dancing room for those of you who have just graduated, and other rooms set aside for contras, rounds, and introduction to advanced dancing.

Let us not forget the special room for those of you who have friends that have never danced. They will enjoy watching you dance and in this room they might like to try dancing themselves. It's a great way to bring future members into your clubs, and booster buttons will be available for them at \$1 donation near the door. There will be booths, games, and gifts galore...Definitely something for everyone.

COME JOIN US, have a great time, and at the same time give these kids a fighting chance....

Advanced Dancing News

This is the first of a new column on Advanced and Challenge Dancing. Its purpose is to inform local dancers about the opportunities in square dancing beyond club level, and to dispell myths which have arisen in regard to this type of dancing.

Advanced dancing has been gaining greatly in popularity the past few years all around the country, and to help couples know where they can feel comfortable dancing, the Challenge Callers are currently compiling lists of calls designating the calls for different levels; that is, Mainstream, Mainstream Plus, Mainstream Plus 2 (not out yet), Advanced, Basic Challenge, Extended Challenge, Advanced Challenge, and for those few really ambitious couples - Super Challenge!

Areas without qualified callers usually have dancers getting together dancing to specially prepared workshop tapes put out by the country's leading challenge callers.

As you dance around town this month, watch for the demonstration group wearing colorful DANCE-O-RAMA banners and sashes. This group of enthusiastic DANCE-O-RAMA promoters are planning to visit every club they can to inform you about tickets, parking, housing, campsites, dinner facilities and anything you'd like to know in advance about DANCE-O-RAMA. One Friday soon, a marathon visit is planned, with the demo group going to every Friday night club they can reach in that one evening's time. Nancy Donald (872-2727) is coordinating this group activity and would welcome you as a participant. Join in, enjoy the fellowship such shared activity brings and help promote DANCE-O-RAMA.... the one and only, the major yearly event sponsored by the Rochester Area Federation of Western Round and Square Dance Clubs.

Advance releases about the program reveal that there are some very special TEEN DANCER events being planned and that there will be six out-of-town callers for folk dancing. These features of DANCE-O-RAMA get better every year!

Elsewhere in this issue of the PROMENADER, you will find another installment of the feature "CALLERS' PROFILE" which has been introducing this year's callers to you. They are a skilled, experienced group and this promises us an exciting and varied dance program.

Details of the entire day's program will be featured in next month's newsletter. Watch for it ---- it's due to find its way to your mailbox about May 1st, just before the BIG DAY itself.

We can hardly wait....we hope you feel that way too!

See you in May. Good dancing!

Paid Announcement

GLASS SLIPPERS are having a "SPRING REVIVAL DANCE" at the Campus School, Brockport on Monday, April 18.

A night of singing calls, beginning at 8 - 10:30 p.m. RON FOTCH calling.

All dancers are invited, including class or new club members.

Around the Rochester Area, there are now several opportunities to workshop beyond Club Level. In future articles, these will be discussed. Any questions about this may be directed to the writer of this article.

It is, frankly, not for everyone...but for those who have the time, interest, and ability to pursue it, Advanced and Challenge Dancing provide many, many hours of fascinating activity. Of those who do not choose to participate, we ask the mutual respect and acceptance that characterize the square dance movement in general.

This year's Dance-O-Rama will provide five levels of dancing within the four square dance halls, plus two hours of Introduction to Advanced Level. It is to the dancers' advantage to seek out the hall where they may dance comfortably with dancers of similar ability. Dancers who have not workshoped for Advanced and Challenge Dancing should not try to dance in these halls. Spectators are always welcome and the dancers would be glad to explain this activity to anyone interested. More news on Advanced Dancing next month.

NEWS

Batavia Twirlers

Our annual Memorial Day Campout has been opened to camper-dancers from other clubs. The callers for the May 27-30 weekend will be Larry Dunn and Jim Wheeler. We camp at the Wyomoco 4-H Camp in Varisburg (20 miles south of Batavia.) Those interested may write to Dave and Eileen Coughlin, 29 Buell Street, Batavia, NY 14020, for an application. Include a \$10.00 dance fee if you want to be guaranteed a space since our campout will be limited to 50 camper-families.

We were happy to welcome 20 couples from the Champagne Whirlaways of Bath, NY at one of our March dances. They visited us on their bus-mystery ride and stole our banner along with Larry Dunn's shirt! It was also our pleasure to have the Country Twirlers as our invited guests.

We welcome guests at our April dance when Larry will be calling and we hope many of you will come to hear Jerry Carmen and Betty Wolcott at our April 16 dance. Rounds begin at 7:30 and the square dance workshop will be at 8 p.m. at all of our dances.

The Dance-O-Rama Traveling Promotional Poster came to our club and we sent it on its way. Note that due to Dance-O-Rama our club will dance the second and third Saturdays in May. Dan Dedo of Buffalo will call on May 14 and Larry Dunn returns to wind the year up on May 21.

The Presidents

Belles & Beaus

Now that the snow has finally melted and the sun is warming up our lives, the sojourners to the south can start migrating back to Rochester. We miss you guys! We received a cheerful note from John Moylan thanking all who had sent him get well cards. He thinks that he will be ready to square it up in a couple of weeks. Louise Flynn visited him while he was still in the hospital. She also saw Si & Shirley Hulse, Gale & Juanita Berlington, and Ken & Kay Fredrick. We have some hardy members in our club who find enjoyment in the cold, snowy climate. Our illustrious presidents, Jean & Jim Patrick-Maxwell, tell us that they had a most enjoyable time skiing in Canada for a week.

It was a real joy dancing to Ed Fraidenburg on March 14. Our thanks go to Tom Hyder for driving the bus to Grand Island for our annual St. Patrick's Dance. It was good to see him and Sunday again.

December and January birthday girls would like to thank Pat, daughter of Fran & Ed Tongue, for making the most beautifully decorated cakes for the ladies' monthly luncheon. We hear that she learned the art of cake decorating in an adult ed. course. Our next ladies' luncheon will be held on April 13 at Barry's. Any of you girls who have that date free should try to join us.

Our condolences to Mary & Dick Stroh on the passing of Mary's father.

Please remember to mark your calendar for April 23 for the Muscular Dystrophy Dance. We can't think of a more enjoyable way of doing a good deed.

Boots 'n' Slippers

By now, everyone has seen the Geese flying overhead. Spring is here! But, my Grandmother always said: "Winter isn't over until we get a bad storm from the East." It always seems to hold true.

Hey Gang. We start dancing promptly at 8:30 p.m. Square Dancing that is. If you're not there, you're not getting your feet's worth. (Or is it money's worth?)

Graduation is coming up for the class. It will be Tuesday May 3. They are an enthusiastic group. We will be very happy to welcome them into our club. Put the date on your calendar!

Boots 'n Slippers are in charge of the D.O.R. club ticket sales. Now put that date on your calendar: May 7.

Joe Uebelacker, a National caller, is calling for our club April 29, at the West Avenue School in Hilton. Those of you who danced with him before remember how good he is, so tell all your friends and.....

Come dance with us.

Cloverleaf Squares

Cloverleaf Squares moved their dance location again in March -- to Sunset Recreation Hall. Again our apologies to anyone who missed our dances due to the change. We hope to be back at the Chili Town Hall in April. For the latest dance location, however, please call Mike Liberti at 586-3567.

Thanks go to Mike Liberti, Cindy Guddeback, Bev Linehan, and the others who helped to make our annual winter weekend in Allegheny State Park a success. Twenty-five enthusiastic Cloverleaves enjoyed themselves in spite of the absence of snow, the predominance of rain and mud and the somewhat primitive facilities.

Congratulations go to Nancy Luckenback and Ray Tompkins on their engagement.

Maria Bus has just returned from a three week vacation which included stops in France, Germany, and Holland. While in France she visited her sister Jose (also a Cloverleaf member) who is going to school in Rennes for a year.

Cloverleaf Squares CONT'D

Ann Crowley, Barb Indovina, and Nancy Fraser traveled to Washington, DC for the 18th Annual Spring Festival sponsored by the Washington Area Square Dancers Association on March 17, 18, and 19.

Cloverleaf members enjoyed the hospitality of and dancing with the Irondequoit Squares on March 12 and the Belles & Beaus on March 21.

Cloverleaf Squares are guests of the Copy Cats on Saturday, April 9.

Our class graduation is scheduled for April 17.

Cloverleafs are looking forward to the 10th Annual Muscular Dystrophy Benefit Dance to be held at Churchville-Chili High School April 23rd -- to not only contributing to a worthy cause but also to having a great time dancing.

On April 24 we will have a guest caller.

On April 30, Cloverleafs will get together for a movie and pizza party.

The 19th Annual Rochester Area Federation Dance-O-Rama will be held at Brockport on May 7. Cloverleaf Squares will help set up for the dance.

Nancy Fraser

Copy Cats

February 12 was our Valentine dance with club and class dancing together again and Chuck Prister calling.

EKC-O Squares were our guests February 26 for another fine evening of dancing with Mike Callahan calling and Dorothy Jensen cueing rounds.

We enjoyed the hospitality extended to us as guests of the Web Spinners, EKC-O Squares, and Rainbow Squares during February and March.

We are glad to hear Bill Blose is home from the hospital. The Copy Cats sincerely wish him a speedy recovery and hope to see him back dancing soon.

Attention all cake, cookie, and pie lovers. April 9 is Dessert Social time again. Mike Callahan will be there to call and help sample the goodies after the dance.

Ellie & Norb Voellinger

Country Twirlers

With spring officially here, we hope to see a lot of familiar faces that have been missing of late. It's really good to see Ken & Mary Sorenson in our midst again.

Our March 21st dance was quite a sight with a mixture of graduation hats, shamrocks, and "wearin' of the green" and a fun time was had by all. We hope you'll

join us in welcoming our 12 proud new couples who just graduated.

As usual our Mike Callahan dance was a great success. We always enjoy squaring up with Mike.

Bill & Joanne Stockmaster have agreed to take over our fun badges and are promising some surprises. Speaking of badges, Mary Kay Schwab was given a "stork badge" at the graduation dance. Congratulations Mary Kay, we're all anxiously awaiting the arrival of the new little "square dancer."

Want to brush up on your dancing? Join us at our workshops on Tuesdays, April 5th, 12th, 19th and 26th with Jerry Carmen teaching.

Be sure to save Saturday, April 30th and join us at Country Twirlers for a real fun evening with Dick Leger, National Caller. For those of you who don't know him, he has a unique style and patter that is intriguing and enjoyable.

Another date to remember is Saturday May 28th. If you're not going away for Memorial weekend, join us on the dance floor with Jim McQuade calling.

Hope you'll make long range plans to join us for our campout and picnic to be held the weekend of June 3rd, 4th, and 5th. The committee has had their first meeting and assure us plans are taking shape for a great weekend.

See you all at the Muscular Dystrophy Dance on April 23rd.

Think spring! It's great to see the snow disappear and see signs of warming weather!

Our new officers have been busy working out plans for our club. They will welcome any suggestions you may have. Of course, any help you can offer is greatly appreciated.

I guess our biggest news is that we'll be dancing on Wednesdays, June 29th through August 17th at Kodak Office! Please remind people whenever you can, of both the location and day changes. Refer to the Promenader to keep your dates straight. Guests are welcome, so if you haven't shared an evening of enjoyable dancing with us, you are cordially invited to do so.

Class graduation will be on Wednesday, April 20th and a Graduation Dance and Welcome to the Club will be Friday April 22nd. Let's have a good turnout to show these new graduates how pleased we are to have them join us as members. We owe them encouragement, courtesies and a helping hand when needed. Give them a friendly smile, it means a lot to show them we care.

We are dancing at Kodak Park through April 15th, and at Kodak Office April 22nd through August 17th. Our callers for the month of April are as follows: April 1st, Maurice Warner from Rome, NY; April 8th, no dance; April 15th, Deuce Williams from Detroit, MI; April 22nd, Ken Anderson; and April 29th, Paul Andrews from Lancaster, PA. There will be no dance on May 6th.

We will have a free Open Dance to all interested non-dancers and dancing friends at Kodak Office, Wednesday, May 18th, 8:00 to 10:30 p.m. (Regular dance, Friday May 20th also at Kodak Office.) The second Open Dance will be September 16th at Kodak Park.

If you have news of interest to our club, please contact us. We would appreciate hearing from you.

Keep smiling!

Gloria & Anton Betlem

Genesee Dancers

Spring is here! (The calendar says it's so.) April promises to be an exciting month for all dancers, with the advent of graduation and the Muscular Dystrophy Dance.

At Genesee Dancers there's another "biggie" --- the very popular Red Bates will be calling for us on April 21st.

Saturday, April 23rd is the date for the 10th annual Muscular Dystrophy Dance. This beautiful dance is made all the more exciting because of the new graduates who come full of enthusiasm and anticipation about their first Really Big Dance. Let's all plan to be there to welcome them and dance with them. What a thrill it is, too, to linger 'till the end when the late figures come in on the proceeds. Not only have we had just the greatest time, but also we've contributed to the grand total for the Muscular Dystrophy Fund.

Chairpeople handling M.D. ticket sales for our club are Howard & Glenna Carey. See them soon and save on the advanced tickets.

The Class Graduation will take place on April 28th. Everyone please come out to welcome the new dancers and show them what a fine, friendly club they've joined.

Please note: IMPORTANT CHANGES IN OUR MAY SCHEDULE!
TRAIL END DINNER DANCE DATE CHANGED

First of all, scratch May 14th. The new date for Trail End is Thursday, May 19th at the Green Lantern Inn. Dinner is at 7:00 p.m., Mike Callahan will be calling.

We'll have regular dances on May 5th and 12th. After Trail End, we'll take a short rest before beginning our summer schedule on June 2nd.

Rita Hoadley's not dancing these days because of a broken leg - we all hope for her speedy recovery.

If you hear of anyone who is ill or bereaved, remember to tell Ray & Eva Seymour (223-5377).

Many thnks to Rainbow Squares for the invitation for March 2nd and to Pioneer Squares who invited us for any Tuesday in March.

Glass Slippers

Well, spring has sprung and so have the Glass Slippers. We've been dancing every Monday night and our attendance has climbed with spring. I guess every one has caught a little "spring fever."

After zooming the top and enjoying "Diane's stale cookies" we had a great "BLARNEY BALL." And boy, was the blarney flying along with the green on the 14th of March. ALL in attendance had a great time. Oh, yes, HAPPY BIRTHDAY TO YOU, ARLENE. Sorry we were late.

Hey, want to really get into the swing of things again? Why not come and join the Glass Slippers on the 18th of April for a "SPRING REVIVAL". It will be a night of review and singing calls. Please join us. If you can't, how about joining us on the 4th. Or maybe the 11th, 18th, 21st, or 28th. We will be dancing all of those nights at the Campus School. The time is from 8:30 until 11. Please join us. We would like to see you in one of our squares.

JOIN US, WON'T YOU? -- See ya....

George Burch

Henrietta Friendship Squares

First, we would like to thank all of our club members and the dancers who attended our George Washington Dance. This event was a huge success due to the fine turnout. The Roth High School Gym was appropriately decorated and we served dozen upon dozen of cherry topped cupcakes at refreshment time. To our surprise, two George Washingtons and a Martha made an appearance at our dance.

Remember our club dances on April 16th and the 30th this month. We hope many of you will join us on these dates. Happy Easter to all.

Paul & Audrey Peterson

Irondequoit Squares

March 4 was an enjoyable evening for Irondequoit Squares as guests of EKC-O Squares. March 13 was another great evening at the Cloverleaf Squares.

March 26 Dick Casper put the Irondequoit members through maneuvers that made some of us dust the old brain cells in order to keep our second left foot in place.

Bill Wilcox informed us that his class is ready for graduation. The date was changed from April 23rd to April 30th because of the M.D. Dance.

Wagon Masters Harold & Dena Jackson informed us that the plans for the fourth of July camp out are progressing well.

The Everetts are clicking their heels to the tune of the Tango at Rio de Janiero in South America. We are hoping that they will bring back some of the sunshine to our winter country.

Irondequoit color code is yellow (75 basics + 50).

Edd & Virginia Penczek

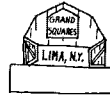

Kuntry Kuzzins

We had a successful class and club dance on February 26 with Jon McNally calling for us. A visitor that spent the night with us was a mannequin named "Stateside Sue." She came from Florida and travels with a variety of square dance outfits and badges from the clubs she visits all over the country. She also has a diary which tells how she travels from club to club and the interesting experiences she has.

April 9 - Fashion Show by Yates of Central Square. Class invited
April 21 - Graduation with Jon McNally calling.
April 23 - No Dance -- Cancelled
All dances are at Kelly School, Newark, at 8 p.m.

Roger & Louise Dickinson

Lima Grand Squares

While waiting for April showers, Lima Grand Squares has been busily enjoying March. Of special note was the night we honored our caller, Dick Casper, for the great job he is doing for us. During the course of praising his dedication and ability we did learn a few of his lesser known secrets. For instance, have you ever called without your pants? Dick has! We also learned that he looks best when completely wrapped in toilet paper! We will allow Dick to keep some of his secrets -- unless you ask us for them.

Near the end of March, Enthusiasm Unlimited (that is, the Glass) crossed the Rubicon to full membership status. We welcome each one and wish also to thank the class instructor Gary Bubel from Mumford for an excellent job. Any old-timers that reflect on this annual event will remember with a chuckle that feeling of anticipation mixed with uncertainty that marked their own debut to the floor. But in the same spirit of adventure that marked the first flight of the Wright brothers, so our own fledgelings sally forth. For our part, we feel this infusion of new faces, new ideas and new enthusiasm is ultra healthy for square dancing in general. Again Welcome!

For those that visited with us on April 1st --- April Fools! What better place to kick up your heels at a Sadie Hawkins dance than down in the country at Lima? With everyone dressed in their best coveralls and Sunday hats, why Lil Abner would have been right at home. It did something for this old boy's blood pressure to have a couple ladies chase him for a change! (My wife lets me loose once a year.)

We will be dancing all this month with the exception of Good Friday and the 22nd of April when we will be travelling en masse to the M.D.A. Dance. Sure hope to see everyone at the M.D.A. or on any Friday night. We've got Dick Casper calling squares and Bernie Hayward cueing rounds. The welcome mat is out and everyone is welcome.

Mr. X

Magic Squares

Well, looks like Spring has come to our little corner of rural America. Now's the time for everyone to get back to dancing as very soon Square Dance Classes will be graduating. Most new club members are enthusiastic and ready to dance, so won't each and everyone of you support your club and make these new people welcome.

It appears that April activities will include a regular schedule of dancing every Saturday night from 8:00 'til 11:00 p.m. at Manchester Elementary School. On April 9th, we are looking forward to having Jerry Bradt as guest caller. Plan to attend and perhaps along with the usual Square Dancing we'll learn the latest line dances. On April 16th, our guests will be the Crystal Spinners from Corning. From time to time throughout the year the Solometo's from the U.S. have danced with us and we hope they'll come April 16th and bring their fellow club members, too.

RESERVE MAY 21st. NATIONAL CALLER MARV LINDNER WILL BE WITH US. Many have danced with Marv before and have made this dance a MUST and a yearly event.

As a note in closing, our past officers the Ken Maslyn's, the Joe Maslyn's, the Gillmor's, and the Everest's wish to thank everyone who has danced with us this past year. New officers will be installed April 30th. We hope you'll join us in the near future and meet our new officers. You'll be surprised! And they are looking forward to seeing you.

Correspondingly yours -

Bill & Mary Ellen Petty

Merry Mixers

Buenos Dias -

That's the way they say "Hi" in Puerto Rico where I went to grab some sunshine! It was really nice to go there but also nice to come back home.

Our guest caller on March 14th was Ron Cole and the Monroe Community Hospital afternoon dance was the 19th.

Speaking of hospitals, we sure hope Francis Hickey and Helen Kodweis are feeling better now and we look forward to having them back real soon.

April has come up really fast. Before you know it, Dance-O-Rama on May 7th will be here and our Reunion Dance on May 16th is a must. So mark your calendars right now so you won't forget.

Well, now it looks like the snow is all melted so all you Merry Mixers who haven't been coming to the dances and feel a little rusty will be happy to know we'll be having workshops at 8:30 at our Monday night dances, so come back and get in the swing again.

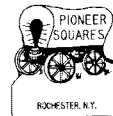

There will not be any dances on April 4th and 18th, but be sure to come April 11th when the guest caller will be Dick Schweitzer. We will also be dancing Friday April 22 at the church to make up for the two Mondays we will be missing.

Don't forget the Muscular Dystrophy Benefit dance on Saturday, April 23rd at Churchville-Chili High School.

Remember when you graduated from Merry Mixers class? Well, why don't you come to a tureen supper and dance for this year's graduating class on Monday, April 25th at the church. Be there at 6:30 p.m. and bring your favorite casserole or whatever.

Keep dancing -- and have fun!

Gladys Crisci

Pioneer Squares

"The little things are most worthwhile - a quiet word, a look, a smile, a listening ear that's quick to share another's thoughts, another's care Though sometimes they may seem quite small, these little things mean most of all." This poem by Margaret Lindsey seems to express how the club and class feel about their Vice-Presidents, Bill & Nell Burton. Is it any wonder that they'll be missed while visiting their daughter in Florida? Hurry back you two!

Club Presidents, Jim & Dorothy Cutter and talented Randy & Betty Godden are enthusiastically helping on Dance-O-Rama decorations under the capable direction of Swingin' Eights club members. As our class graduation will be 5/3/77, the club plans on having a good representation wearing the "Pioneer Squares" badge at Dance-O-Rama on 5/7/77.

Pioneer Squares and Class really put effort and love into making their first "Shamrock Caper" a success. Whether it was the leprechaun catcher or the McNally callers, we all really believed we had the

luck of the Irish", meeting and dancing with other class members and guests. To those who helped brighten our day, in however big or small way, we say "thank you". Special thanks to class members Gary & Corrine Baccaro; Bob & Mary Beikirch; Denny & Yo Parnell; and Roland & Irene Pelletier.

There's still time to join the wagon trail before the trail-end dance, so invitations have been mailed to the Swingin'Eights, Web Spinners, Copy Cats, and Swingin' Singles for April. Hope to see you in a square Tuesday evenings at East Rochester Presbyterian Church. Everyone is welcome.

Sincerely,
John & Ruth

Promenading B's

On February 19th, 22 couples from the Promenading B's traveled by bus on a mystery ride to Manchester. A special thanks to the Magic Squares for their hospitality.

The B's will travel to Irondequoit Squares, March 12th to retrieve their banner.

There will be no dance on April 8th (Good Friday) at we will dance Friday, April 15th.

Ron will graduate the new class on May 6th. Let's all try to be there to welcome the new B's into the "Hive." The new officers will be installed at that time.

Watch for news of the B's campout, to be held at Springcreek campground, August 5th, 6th, and 7th.

Our club enjoyed a new experience in dancing with a full square of men and a full square of women. Ron was surprised when he looked out front...we all had a ball!

Hope to see you in a square soon. We dance every Friday from 8:30 till 11 p.m.

Rainbow Squares

Our Cornbeef 'n Cabbage dinner at our St. Patrick's Day dance again provided us with an opportunity to meet and dance with our class members. We are most fortunate to have such nice people (and good dancers) in our class, and are looking forward to having them as club members soon. May we extend our thanks to John Tydings for the culinary arrangements. We do deeply appreciate it, John.

The following clubs are invited as our guests in April:

Singing Squares

Well, "Spring has Sprung," the robins are back in the back yard and the Canada geese are flying overhead. The other day I heard the leader of a flock of geese say to the bird following him, "Stop that infernal honking - If you want to pass, pass!"

Now - to get on with the business of this column, for which I was hired to do.

The class really went all out to entertain club members on February 14th at their Valentine Dance. The hall was decorated with hand-made valentines and all the square dance calls written on them that the class has learned from their capable instructor, El Johnson. The lively dancing was interrupted only for refreshments, which was a large cake made and beautifully decorated by one of the class members, Liz Andrews.

Because of Holy Week and Easter, there are only two dances this month - April 20th with Al Howe caller, and April 27th with Mike Callahan caller. We hope you will come and join us at Thomas Edison School, 1612 Buffalo Road.

A reminder of the important date April 23rd - which is the Muscular Dystrophy Dance. Please buy tickets early...even if you cannot attend, it is for a most worthy cause.

A Blessed and Happy Easter to all.

Spin 'n Wheels

On Thursday, March 17, the class entertained the club with a Saint Patrick's Day Party. Everyone had a good time and the club says "Thanks" to the class.

On March 12, the club was invited to Country Twirlers. We enjoyed the evening very much.

On March 23, we had an Amateur Callers Night. Three brave members participated. It was certainly a fun night.

Our class will be graduating on April 27.

A Happy Easter to all -

Swinging BB

Because of fuel conservation at Townline, our club found it necessary to dance on Friday nights in March.

Graduation coming up on April 2nd, and will be the usual gala celebration: combining dignity and mirth. (Home-made mortar-boards and ham.)

We're going to a wedding! An August 23rd, Bob & Dorothy's son Jim will marry Rochelle Scarfone (Jim & Rochelle dance with us) Rochelle's parents are also clubbers.

It's off to Brockport on May 7th, for the Dance-O-Rama. We are helping with the decorations as our part.

On June 4th, to close our season, as always, there will be a trail-end dinner. This year it will be held at Trinity-Emmanuel Church in Rochester. Clubbers wishing to make a reservation should call this number - 328-3579.

Swingin' Eights

"SPRING" is here and Joe and I hope everybody will be healthier and get back to enjoying square dancing.

Anxious to see Tom & Helen Plumb dancing with the club again; Tom had an operation the end of February Hoping by the time this Promenader is printed, Ellie Anderson's back and neck problem will clear up so she can join us on the dance floor again. We hope Ed Allen's leg will soon be as good as new and that there is nothing seriously wrong.

Our thanks to the Rainbow Squares for an enjoyable dance and very pleasant company on February 23rd. Seven couples from the Swingin' Eights had a hullabaloo. We hope more members will take advantage of these invitations as guests at other clubs when they are extended.

Congratulations are in order for our "Class"! From all reports from other clubs, they have done a terrific job at the "class" dances. Those long weeks of trying to remember See Saw and Do-Sa-Do's will

finally pay off. "Graduation" exercises are April 30th and include a night of fun. The club is looking forward to seeing them at our regular dances.

Over fifty people came out for midnight bowling on February 26. We all had fun, no matter how good or bad our bowling was. Of course the midnight buffet was enjoyed.

March 7 was the time for us to dig out our bobby sox, saddle shoes, football sweaters and leather jackets as we turned the clock back to the '50's. Jitterbug was included along with our square dancing.

Saturday, March 26 we shall enjoy international delights at an evening dinner.

Five squares of people are rapidly being converted to square dancing in our class which began in January.

Tecumseh Squares

April is a busy month. The MD Benefit dance is the 23rd and Dance-O-Rama is May 7th. That puts most of the preparatory work in April. We hope all of you club members will support both dances. Tecumseh will again be donating the summer pass for our dances to the M.D.A. dance. Also this year is the 11th year for winning the trophy, so winners, keepers. That would look nice next to our totem pole! Remember to sign in for EVERY club you belong to. We have the hospitality rooms for D.O.R. this year. We should be all practiced for this. It's our third year on this committee. There is a trophy for this dance now. It was started last year and called the Tucker Award.

WEST AVENUE SCHOOL
Route 18 on the west side of Hilton

Because of the terrible weather this year our class has had to miss many lessons. Graduation has been postponed to May. Those of you who have the Graduation for April 19th on your schedule, forget it until May. Our board has also decided to include May in its winter schedule and start the summer dances in June. What that means is that we don't have to pay for dances until June and you round dancers get two more sessions with Bob & Nora than originally planned. We will also have a "super supper", a Friday the 13th dinner-dance at the Wishing Well. More information can be obtained by the ad in the Promenader. Get your tickets in April and avoid the May rush. These changes sound good to me!

April the 5th will be a guest caller night. Jon McNally will be calling. Let's welcome him with happy hearts, gleeful smiles, and twinkling feet!

Have a good month -

HAPPY EASTER EVERYONE!

There will be no dance Tuesday after Easter, but class will dance at Aldersgate Church, 4115 Dewey Ave. as usual.

Club members are busy making signs for D.O.R. and we hope the students at Brockport will leave them where we put them for a change. See you all there!

We want to wish our members Fred & Irene Sorel all the luck in the world on their new adventure in sunny California. Thank you both very much for doing such a good job as treasurers.

Twirl-A-Rounds

The Twirl-A-Rounds are off to a super Spring Season. Our callers, Dot & Howie DeGrave have already finished their spring training. Three days at the Round-A-Gade in York, Pennsylvania is the sure way to get right down to business. The business being 13 new dances (can that be right?) The big white bird flew them from Washington to Florida for the remainder of the vacation.

The Whiteheads were ideal hosts in the sunny south. Dancing continued to be a number one priority and more new dance were learned. Dottie's comments about the trip include - "We danced 7 nights out of 8 and had such a busy -- grand time." Besides dancing morning, noon, and night, there were a few brief moments of sight seeing and visiting with old friends. They stayed with the Morgans while in Washington, and Owen saw to it that a quick look at the Kennedy Center was in the schedule. Dottie never saw such a beautiful chandelier.

The St. Patrick's Dance was sure the social attraction of the month. Gloria & Wayne Saylor certainly did one large amount of work -- including making up the fliers and sending them out. George & Una Shaw were also in on the planning. I'll bet George made those green cookies. It was sure great to see the room decorated so beautifully and to see so many guests. It seemed real good to see old friends. Don't wait for a special invite. Come next week.

on the 6th. Char & Harold Ashley are at the drawing board for this one.

Have you learned the Island Tango yet? It is one of the new dances straight up from the south. It looks great but I keep getting my toes tangled.

Village Squares

How-dee! Mercy sakes, neighbor, that March lion has roared on its way and Village Squares is lookin' forward to April. We got to admit however that March will be a hard act to follow. Our Spring Fling held at the Green Lantern Inn with Joe Uebelacker calling was some kind of hoedown. This Uebelacker fellow could talk warts off a hoppy toad. I mean he everlastingly laid down the hot licks right on us! If he don't get your juices to flowin' then you just plumb ain't lived thru the winter but don't know it yet! What with all the womenfolk all dressed up and mixin' just a mess of good eatins, well sir, that was some sort of doin's!

Now I hear that them Flynn's, you know, them sexy senior citizens from Fenfield, well they went and traipsed all the way down to the Virgin Islands. (I ain't never been there is why they got that name.) Went right down to St. Croix to get cured like in that sunshine and pretty water. "Seems right unneighborly

not to shoulder their fair share of winter that way - especially when they didn't even bring me a picture of Jo Ann in one of them french bathing suits!

Now the word's been gettin' around that this here Dance-O-Rama in gettin' right up on us. Sure hope you all got your gettin'-in cards cause this Dance-O-Rama is forever more going to shuck down the corn. I mean with 5 National Callers, they done flung a craving on me for that dance. Now last year that Tucker Trophy was brought back here to Village Squares. Well, sir, right quick now this trophy is goin' to be travelling to all different clubs so all them fine folks can have a good look-see at it. We are thinking on bringing it right back quick like, but everybody is sure welcome to try and get their hands on it!

Sun's going down neighbor...been good talkin' with you, all thru April now we'll be a hootin' and hollerin' (especially Al Terry - that boy just embarrasses me no end) and havin' lots of fun. Dick Casper is calling and Dorothy Maguire is cueing rounds every Monday night startin' at 7:30 for round dancers and squaring up at 8:00. Hey now, if your mule don't throw a shoe why you all stop down and see us, ya hear? Sure enough the way to make something nice happen on a Manday night!

Which Way Whirlers

Spring fever is upon us. Let us hope all the bad weather is behind us.

Three sets of club and class traveled to visit the Dalton Gang on February 12 for their Valentine party. On Saturday, February 19, we held a special dance with Mike Callahan as guest caller. All present had a very nice time. Our club will visit the Wyco Promenaders as their guests on Friday, March 11.

Our new club officers will be installed on April 6 with class graduation being held on April 20. We are very well pleased with the progress shown by class members and look forward to them joining our club. They will be a welcome addition.

Jake & Mary Weber

WYCO Promenaders

Our graduation has been postponed until April 22. We understand that the skirts are going to be on the unusual side. Best of luck to our new club members.

There will be a post-grad workshop every Wednesday night in May. Chip plans on teaching a lot of the new calls, so club couples are urged to come and brush up on their dancing along with any new graduates or near-graduates. Everyone is welcome. If your class or new club members do not get the Promenader, pass the word on to them. 8:00 at Warsaw Elementary School.

Our Cancer Dance is coming along great guns. Besides the wonderful evening of dancing, there will be surprise gifts and awards. Pre-dance tickets sell for \$3.50 but you can still buy tickets at the door for only \$4.00. Come and join us in an evening of fun and help us donate as much as we can to a worthy cause. Remember you never know when you may need help from the Cancer Association for yourself or someone close to you.

Did you hear the Cardinal's call -
Or see the flash of red?
Did you see the geese that flew -
High above your head?

And have you also noticed
That grass is getting green -
That campers and trailers
Are very often seen?

That the dirty stuff has melted
And faded clean away,
And that the sun seems brighter
Every single day?

Do you hear the shuffle
of the happy dancing feet,
Do you see the pretty dresses,
And the Western shirts so neat?

And if you've noticed how these things
Make your spirits sing -
I'm sure that you'll agree with me
Signs point to early spring!

Web Spinners

Today it really looks and feels like spring. It really lifts one's spirits after a long winter. Even if this is just a little teaser, and we're bound to get some more of that white stuff, it makes spring well worth waiting for.

The Web Spinners class members are really doing great this year. They attend a lot of class level dances together as a group and are really looking good. We are looking forward to their graduation on April 29th at the Webster Firemen's Hall.

Congratulations are in order for Nancy Penity & Nelson Coco on the forthcoming marriage -- April 1st! Much happiness to you both.

A good time was had by all Nostalgia nite --- many old friends attended and got right into the swing of things. Hopefully there will be more nights like this.

Our sincere sympathy to Bobby Neilsen on the recent loss of her father.

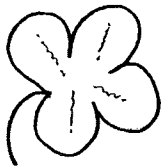

Remember the Muscular Dystrophy Dance is coming up April 23rd. Hope to see you there.
