Editor's Note:

Now that I'm in the swim of things...

Hope you all enjoyed our first issue half as much as we've enjoyed doing it. It was fun. We'd like to extend many thanks to Frank & Julie VanDeusen (our co-editors), Paul & Florence Frost (last years editors), Ruth & Blakely Harris (federation presidents), Cay Jackson and Len Prescott (chasing the mail), John Fink (our printer), The Federation (the backbone of square dancing) and everyone else that we may have overlooked, for helping us get our first issues off the press.

A whole lot of thanks go to you reporters. You're doing a great job of getting the news, ads, and schedules in before the 10th of the month. We appreciate this so much! (There's only a couple of clubs that are holding up the completion of this issue, perhaps they'll do better next month.) Remember, the deadline for the November issue is October 10th.

CORNER

On the ski slopes, the trails are marked Beginner, Intermediate and Advanced so people can be comfortable and enjoy themselves.

Square dancing is fun! Right! Levels of dancing can, in my opinion, make our activity more enjoyable. People enjoy and respond favorably to success, not frustration. Most people are concerned about our drop outs in square dancing. If we level our dances and the club and caller follow the lists for that level, we should have happier members.

The dances, not the club, are labeled. A club could have one dance at Mainstream Plus II (Plus 2), a second dance at Mainstream Plus Quarterly Selections (QS) and a third dance at Mainstream (MS).

Here are the levels and abbreviations recommended by CallerLab. B-Basic program 1-38; EB-Extended Basics program 1-54; MS-Mainstream program 1-69; QS-Quarterly Selections (formerly experimentals); Plus I (12 more calls); Plus II (12 more calls); A1-Advanced Dancing Part I; A2-Advanced Dancing Part II; C1-Basic challenge calls and C2-Extended Basic Challenge calls.

Not all clubs choose to label their dances. When a dance is labeled, please use the abbreviations in the interest of standardization. If you haven't tried labels, perhaps if you try it, you'll like it!

HELP!

Needed immediately, 1 couple to volunteer to be chairpersons for DANCE-O-RAMA 1979. Excellent staff to work with. Remember, no chairperson, no D-O-R.

It is with great sorrow that we report the passing of a dear square dancing friend, Bob Wordingham. Sincere sympathy to his beloved Mabel from all their friends and dancing partners. Bob and Mabel have been associated with the Bells 'N Beaus, Irondequoit Squares, Swinging 8's, EKC-O Squares and has been with the Triggers since 1968.

Bob lived at: 208 Desmond Road
Rochester, New York 14616

Well, howdy! Here I am again, back in the same old stall, ready to write about what's happenin' a Round town, but before I start,

One of the new members asked, "who is the Square a Round Town?" Well, I'm Hal Abberger just an ordinary city feller, who doesn't dance too well. (that's putting it mildly) I'm a graduate of the class of 1961, 62, 63, and 64. Also 65 summer school.

Taking advantage of the fact that other dancers would try to avoid dancing with me, I started charging .50¢ to stay out of their sets.

The Rochester Federation officers heard about this and investigated to see if the charge was right. They danced in a set with me and all agreed that it was well worth it to pay, rather than dance with me.

I asked what they thought was wrong with my dancing. Well, they just couldn't put their foot on it. Some said I danced too slow, others said I danced too fast but some thought I danced half-fast.

Now, under Phase III of the Presidents program to fight inflation, I'm entitled to raise my fee. The legal percentage is 4%. Sooooo that comes to, ah, let me see now, carry 3, drop out 7, add 1 and dive thru, comes to exactly 2¢. Only 2¢? Well, for 2¢ you can forget about it.

Besides we have enough inflation. There is even inflation in the sets. Sets are getting larger. At the last dance we had five couples in the set or it seemed that way when "Grand Weave" was called.

The Callers are also getting on the band wagon. They say there should be two callers to get some of those larger and inflated calls out. Such as "Rotate the crops" and "Grand tea cup chain". They say that "T" cups are getting almost as large as Zeebras.

And we have inflation at home as well. The wife went shopping at the neighborhood store and asked how much are apples and onions. Grocer said, "apples are .50¢ a pc. and onions are .40¢ a pc." He continued, "I notice you are staring at the dimple on my chin." "Oh" she said, "is that what that is, every thing is so high around here I thought it was your belly button."

We keep our steaks in our Safe Deposit Box and our money in the refrigerator. Actually, the main reason we keep our money in the refrigerator is that once in a while we need some cold cash. Well....

Thanks anyway,
Hal Abberger

THANKS!

We wish to thank Mike Callahan for calling, George Howard for photographing and John Fink & Joyce Dorrance, Frank & Norma Salvagio, Len Prescott & Pat Feigle, Bill & Nell Burton, Ed & Elenor O'Grady, Paul & Dagmar Dean and Sylvia Kellogg for dancing on Monday, September 11th, at City Hall to commemorate National Square Dance Week.

CLUB

NEWS

Belles & Beaus

Sure sign that summer is on it's way out; the first dance of the season on September 11th was proof-positive of the desire for social contact and fun for another dance season. Welcome back 'ya all.

Looking back, our summer birthday luncheon at the Haddleton's was great fun and once again we were amazed at the creativity in cooking displayed in dishes to pass.

Thanks to all the Belles N Beaus who participated in the square dance demonstration at the County Fair.

Ed and Doris Haddleton were the representatives for the club to set up and run the Alfred Dance on August 12th. Art called a fun dance and everyone had a super weekend!

Thanks to Katie and Frank Heindl and Doris and George Hagberg, our scotch golfing event was a real success. Forty people participated and the proud winners were Al Reed and Ev Tummonds.

In June, our annual Road Rally was a great success. Hal and Fran Abberger did a great job. Ed Haddleton and Dick Stroh proved to be the best drivers for this year. Glad so many Buffalo couples could join us for the rally and picnic.

We wish to welcome Bev and Walt Smith as our Federation Reps. Conscientious loyalty really springs forth from this pair so we must help whenever we can.

The chicken BBQ at Art's on Grand Island was a delight! Over two sets of the Belles N Beaus were present and take it from us, the food was excellent!

Plans are in the making for a steak roast at Mendon Ponds Park October 8th. Interested parties may call Don and Mary Waterman (225-5986) for further information.

Hallowe'en party is Oct. 30th so wear a costume.

By the time you squares read this, Fred Zucco should be doing tricks with his cane for his operation Sept. 18th on his knee, should be a bad dream.

Good news, Laura Trimmer is finally out of her cast and getting therapy treatments.

As a final scoop, Johnny Moylan has been discharged from St. Mary's Hospital after another heart episode. Hope all will be back on the dance floor soon.

That's all folks, see you in a set,
Betty and Chet Selbert

EKC-O Squares

Our fall season of dancing started off on the right foot with the Welcome Back Dinner and Dance at Kodak Office last month--an enjoyable time for all with Ken Anderson's calling and Betty Wolcott cueing the rounds. Thanks to the Browns, Conways, Himmelsbachs and Kuchmans for handling the arrangements and making it so much fun for the rest of us.

Joann and Bud Engelbrecht have accepted the position of junior delegates to the Federation. We want to thank them and our senior delegates, Vi and Les Walther, for their willingness to serve the club in this capacity.

We also appreciate the efforts of all those who worked on the Open House last month.

continued

Fall is election time, and EKC-O Squares is looking for candidates. Here are the positions open:

Vice-president--a 2½ year commitment. Duties include lining up callers for the following year, running the class until it graduates in the spring and assuming the presidency. (Gloria and Bob Fisher have details.)

Secretary-treasurer--a 1 year commitment. Duties include handling club money and taking the minutes of board meeting called by the president. (Esther and Cliff Bushnell have more information.)

Board member-- a 1 year commitment. Board members share remaining responsibilities, such as refreshments, sound equipment, decorations and Sunshine cards for ill members. (For details, see Marion and Don Sauer, Arlene and Earl Rowley or Jean and Louis Kuchman.) Candidates must be Kodak employees and members of the club for at least one year. Persons who wish to serve in these posts should submit their names to Marylou and Jim Davidson of the nominating committee by November 17th. Elections will be held in early December.

If you have any questions about club activities, Norma and Frank Salvagio (223-7906) and Gloria Fisher (663-5256) can help you with information.

This is our first issue as reporters for the club. Thanks to those who helped out with news gathering this month. Please call us (594-0834) with any information you think club members should know about.

Thanks and God bless,
Linda and Mike Zavadil

Which Way Whirlers

Guest and club members enjoyed dancing to Dan Dedo on September 30th. Boy, can that man call! Now we're all warmed up for our BIC SPECIAL DANCE on November 11th. We're really excited about BRUCE SHAW coming to call for us, but we get doubly excited when MIKE CALLAHAN is coming with him!!! So mark your calendar for November 11th at 8:00 PM. This SPECIAL DANCE will be held at Pavilion Central School. We are ready to welcome a large crowd.

Thanks to our club members for helping with Open House. We're sure the class will enjoy Gary's calling as much as the club does. Our regular dances at Pavilion Central School will be held October 4th and 18th and November 1. It's wonderful to be Whirling with Gary Bubel again.

Cloverleaf Squares

After dancing at the National Singles Convention in the beautiful southern city of Atlanta, Georgia on Labor Day weekend, 16 members went to "Fling Fantastic" in Olean, New York just two weeks later.

Two successful open houses were held Sept. 17 and 24, thanks to Larry Kluber and helpers. Classes are starting October 1st and will be from 6-8 PM.

Invited guests during October are: 1st-Village Squares and Wayne Westerners; 8th-Web Spinners and Wyco Promenaders; 15th-Batavia Twirlers and Boots n Slippers; 22nd-Ekc-O Squares and Geneva Friendship Squares.

Get the imagination going on costume ideas for our Hallowe'en Dance, October 29th, at 8 PM for both class and club, with Mike Callahan calling.

No club dance on Sunday, November 5th, but this is the date of the annual SQUARE-UP, sponsored by the three area singles clubs. This years theme is "Hawaiian Paradise". (Hawaiian attire not necessary.) Mike Callahan and Jerry Carmen will be calling and Betty Carmen cueing. Dance will be held at the Green Lantern Inn, 99 S. Main St., Fairport, from 2-5:30 and 7-10:30 PM. Complete buffet dinner at 5:30, reservations necessary by October 27th. Country Dancers of Rochester

Now that our new season is well under way we hope to see some of the club and class square dancers joining us sometime soon. All of our callers attended various dance camps this past summer and are armed with exciting challenges for us---sometimes they get carried away. Contras can be difficult in spite of the limited vocabulary.

Bard and Ed Butenhof spent a delightful week at Pinewoods, a camp between Plymouth, Mass. and Buzzards Bay. They attended the American Square Dance and Song Week which included New England dances, those from West Virginia and traditional Western Squares as well as a session on heritage dances. All the workshops and the evening dances had live bands. What a difference!! Ted and Jean Sannella (our contra caller at last years Dance-O-Rama) attended also. Ted introduced some of his "triplets" to the group one evening---they also got confused. Tom Bohrer and Mitzi Collins attended the family week. Tom got an additional week at the English Song and Dance camp where Morris dances are a big attraction. Dave Valentine traveled south and brought us back many of the Appalachian running set movements. Rich Castner returned to Ralph Page's fall dance week in New Hampshire where Dick Leger is one of the staff callers.

Country Dancers will be rotating three of their usual callers for the next few months as Tom Bohrer starts directing plays and Dave Valentine will be teaching ballroom dancing. Ed, Rich and Roger will still be with us, however, with many of our old favorites and new material as well. Join us and get ready for next years Dance-O-Rama when Bob Howell will be the contra caller.

Barb Butenhof

Geneva Friendship Squares

The Friendship Squares of Geneva are dancing at the Civic Center, Main Street, Geneva, New York, for the 1978-1979 season. Don Pratt is club caller and Al Overslaugh will cue rounds at each club dance.

Our club has been busy this past summer with the Sauerkraut Festival, Phelps, N.Y., winning a prize for our "Summer Sounds" float. Thanks to Art and Lucy Mastellar and their committee. We entered the float in the Cancer Parade, Geneva, and our club dancers were featured in the program at the New York State Armory.

The 5th Sampson Fall Festival was even a bigger success, with Lee and Jackie Pratt, chairman, assisted by Art and Lucy Mastellar and club members planning and decorating the hall. Fantastic dancing with Ken Anderson, Mo Howard and Ken and Carol Guyre. Camping at Sampson is excellent.

Open house was held September 20th at the North Presbyterian Church for prospective dancers. Presidents, Paul and Janie Bree are working real hard to start a class this year.

Hoping to see you at the Marshall Flippo dance, Monday, November 13th First Presbyterian Church, Park Place, Geneva, New York.

Smile while you dance,
Don and Genevieve Miller

Genesee Dancers

Hi Gang -

It was good to get back into the "swing" and see all your happy faces again (would you believe we missed you). Remember, be kind, thoughtful and smile to those who are still new (we all were new once).

The "Trail Back" dinner dance was great, thanks again to the board, and all the dancers - without you, what would we have? - Right!

Don't forget to take your turn and help with the new class and club refreshments. Dancing fun is as good as you make it.

Our members are still traveling. The Siconolfi's and Cali's enjoyed Spain, North Africa, Italy etc. Leo and Jennie Marcoux traveled to Connecticut for their son's wedding. Former member Jeanne Perkins visited us from Atlanta, Georgia, good to see her and good luck Carter on your new job.

Sign up for Watson Weekend or miss the fun.
Sign-off time,
Angela and Joe

Henrietta Friendship Squares

The new season opened with a well-attended pot-luck supper and Open House on Saturday, September 9th. It was good to see so many of the old faces again after the long hiatus of the summer. There was also a good turnout of prospective members. Hopefully, many of the new couples will have joined our Tuesday night class at Roth High School which started on September 26th.

Dances this month will be on October 7th and October 21st, with good old Gentle Ben calling and cueing, starting at 8 PM this year. Our dances will be held every other Saturday, not just the second and fourth Saturdays as in the past.

See you around the square and remember - when I blow a call--SMILE!

Paul and Audrey Peterson

Glass Slippers

The Glass Slippers now dance on Wednesdays at the Campus School in Brockport. Ron Fotch teaches the class from 7:00 until 8:30, after which he calls for the club from 8:30 until 11:00 PM. We enjoy having guests, so feel welcome to join us any Wednesday night.

We've been having fun with "Stroll and Cycle" and "Follow the Yellow Brick Road" this past month.

Our Hallowe'en party, on October 25th, is open. Come and have fun with us - in costumes or square dance clothes. That's up to you.

Compare your own first attempts at square dancing with the feelings of this year's class. We all started out as beginners and appreciated the kindness of club members. Don't forget to give some time to being an angel. You'll be rewarded - and not just in heaven!

Have a pleasant month of dancing while the fall weather is still with us. See you in a square.

Irondequoit Squares

As one admires the beauty of our picturesque autumn scenery, one can also view the attractive, colorful costumes of our dancers as they swing to the call of Wild Bill and pretty Linda's cueing once again.

Many families enjoyed our two picnics. One at Ellison Park June 17th with the unique fun games planned by the Gaul's and Nudd's. Another at the Hoggarth's home with their spacious yard for us to practice for Irondi. Olympic games. We always manage to find energy to finish with square dancing. Thanks for the good time.

Because our school closed for the summer, our club had two perfect evenings of outdoor square dancing at the Lodge on Blossom Road. An excellent turn out for that Tar Baby dangle from Bill and Judy.

Watching our new class graduate September 8th with their "Angels", the Cunningham's and Zee's guidance, was amusing. Congratulations to all and a special welcome to those who joined the club.

September 30th we enjoyed entertaining a large group "the Pairs and Squares" from Syracuse as our guests. Thanks again for comming.

Merry Mixers

Hope everyone had a beautiful summer and is ready to dance the winter months away.

Our next event after Open House will be the Halloween party on October 27th.

We had a fabulous time in Atlanta, Georgia in spite of the bad sound effects and cement floor and are looking forward to all meeting again in Kansas City in '79.

There isn't much to inform you of for the coming year as yet, so come out to Club on Friday nights and find out what's cooking. See you in the square.

Happiness is dancing with "Merry Mixers".

Kuntry Kuzzins

The Kuntry Kuzzins Club dances are held at Kelly School, New York the second and fourth Saturdays of each month, with our caller Jon McNally.

Our class dances have started on Thursday nights, 8:00 to 10:30 PM at the Roosevelt School at East Newark, New York. Our caller, Jon McNally, has once again got us off to a great start. Good luck to everyone in the new classes.

Lima Grand Squares

The news from the committees is scant this month, so I'll have to "chit-chat" my way through the column. It sure was great to see everyone 'square up' for the first dance. All of us did passably well and Dick was even able to workshop us through two new calls.

Some of the talk that we overheard was about the success of the summer picnic. Many thanks to Dick and Joan Smith for hosting it.

By the time this Promenader comes out, our Open House will be a thing of the past. Hopefully, all who came, enjoyed it and perhaps some have signed up for the class. The growth of our club depends greatly upon the size of each year's class.

I'm sure the month ahead will hold much fun and many surprises. So keep on coming to join us. See you all on Friday night.

Paul and Barbara Kolstee

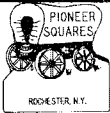

Promenading B's

An enjoyable time was had by all at our Alumni Dance September 15. The food was delicious and it was great seeing everyone again at our first dance of the season. Some of us were a little rusty though---

The open house was fun and we look forward to having a good class this year.

Our dances will be held every Friday night in October from 8:30 to 11 PM. Remember our Hallowe'en Dance on October 27; come in costume if possible! Save October 21 for the Cancer Dance held at Batavia Senior High School on State Street. The time is 8 PM.

Neil and Jean Stewart

Pioneer Squares

Well, by this time all the open houses are over, the new classes have started and everyone is ready to settle down to some serious dancing fun.

Our season started off with a welcome back party for Sue, our callers Taw. Everyone was so happy to see her and know she is doing well. Naturally a very good time was had by all.

Our Hallowe'en party is planed for Tuesday, October 24th at 8:00. This will be a costume party as in the past. Also, a special dangle can be earned that night.

If anyone has an item of intrest for the Promenader, please let us know so we can make our letters as interesting as possible.

See you all dancing,
Bob and Mary Ann Beikirch

Jack of Hearts

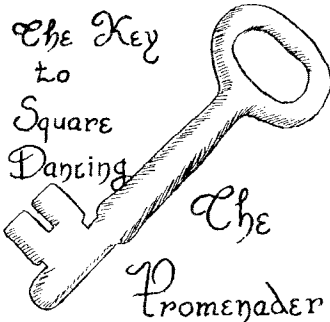

Our new season of Advanced dancing has begun with a sparkling opener in early September with Ross Howell calling and in mid-September with a Special Thursday dance with the dynamic John Preston of Michigan putting us through our paces. These were the highlights for the Jack of Hearters who are spending one or two additional evenings each week at other club-level dances enjoying a variety of local callers, and at basement workshops practicing such skills as All Position Dancing (APD) and sampling the intricacies of Challenge level calls--- in other words, those who dance with the Jack of Hearts fit well the description of the High-Frequency dancer.

With September seeing the start of new square dance classes throughout the area as well as all over the nation, the Jack of Hearts is again offering lessons of Advanced dancing basic calls and featuring position dancing of the figures learned. This class will remain open until October 2nd and all interested are invited to attend. It's a fascinating new world---this Advanced dancing program---and any experienced club level dancer who is looking for "a little bit more" owes it to him or herself to give it a try. Call 671-6311 for further information. You'll be glad you did!

We'll close the news this month with a word of the special dances we have to look forward to as well as the dates of our regular dances for the fall; Ross will be with us on the following Wednesdays; Oct. 11, 25, Nov. 8, Dec. 20. We will have a special dance on Saturday, October 28 with Bob Gambell, one on Nov. 29 with Larry Dunn, on Dec. 6 with Ted Whitacre and on Dec. 27 with Joe Uebelacker. That's a nice prospect for some mighty fine dancing!

See you in a square.

Rainbow Squares

Wow!! Open House was a huge success. Old members, new members and potential class turned out with a Bang! Ken Boss, our caller, really put us "through the ropes" and a good time was had by all.

Our new officers are:

President-Norm and Edna Coates
 Vice-president-Bill and Betty Ledersen
 Secretary-Neil Buechel
 Treasurer-Walt and Mary Eddy

From all we hear we should have a good year. Sorry we missed the last issue but after a summer of no dancing, no meetings with each going his own way and enjoying the sun, the September printing crept up on us and ran right on by.

Don't forget, we still dance every Wednesday night at Harper Park Recreation Hall, Linden Ave. from 8:00 to 10:30, calling by our one and only, Ken Boss, with rounds by Linda Wolf.

Hope to see you dancing
 Dot and Stan Davis

Swinging Eights

Doesn't seem possible that fall is really here and we're all back in our regular dance routines. And the big new is - Bruce and Shirley Shaw start off our new season with the good news--Birth of a SON- David Bruce- 7 pounds 15 ounces, on August 25th. "Congratulations and Best Wishes"! are felt by everyone.

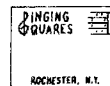

Glad to hear Sarge (Marge Berner) is home and doing well from another eye operation. Hope to see her back dancing soon - again.

Get ready for the Hallowe'en dance party coming October 28th with Irondequoit Squares, held at Hosea Rodgers School. So lets get all those costumes out of moth balls; come and have some fun.

Regular dance dates to remember! October 7th, October 21st and November 4th - all with Bruce Shaw and Mike Liberti.

Anyone that has any news that is of interest to our dancers---let us know.

Curly and Terry Crane

Singing Squares

Doesn't it seem good to be "back in the swing" again- dancing with old friends and goofing up the sets? Hope all club members will support their club and help the beginners class. Remember back when we were learning to square dance and how a friendly smile and helping hand kept us hanging in there until graduation? So let's be angels all year.

Our dances in October are: 4th and 18th with Al Howe; 11th and 25th -Mike Callahan. Al Howe will be the "Goblin" calling our Halloween Dance on Nov. 1st. So put on your "Spooky Suit" and come on over to Thomas Edison School -1612 Buffalo Road Wed. Nights from 8-10:30. We take a break at 9:30 for "coffee, cake, and chatter".

The other day I heard someone say a badly needed invention in America to-day is some kind of dough that really sticks to your fingers. As for me, I have decided the safest way to double your money is to fold it over once and put it in your pocket.

Hope to "Stroll and Cycle" with you soon,
 John & Lorene Fratta

Twirl-A-Rounds

It was good to see the familiar faces when the club once again began its new 1978-79 season. Some of the members attended the summer dances and joined Howie and Dot at their summer retreat for a picnic. Because of this, many of us have kept in touch. We hope to have a happy and profitable year.

The most memorable event of the summer was the July marriage of a couple very dear to all who know them: Carolyn Dietrich and Andy Spadoni. Five weeks after the wedding, many area round dancers attended a gala party at the Dowd Post, planned by Dot and Howie DeGrave, Kay and Marv Falls and Rita and Bernie Hayward. The excellent decorations were done by none other than Una and George Shaw. Daphne Fink helped by producing a most beautiful and delicious cake. Many others gave valuable assistance to help make the party a great success.

The dancing was continuous due to the many round dance leaders who did an excellent job of giving a very varied program. It was nice to see the Wiese's, Rude's and Knisley's who came a good distance to attend. We all wish Carolyn and Andy a happy and prosperous future. At the party they did two lovely demonstration dances without cues: Nearest and Dearest and Spanish Gypsy.

Several parties are planned for the Twirl-A-Round season beginning with the Nostalgia Ball on September 27th, for present and former club members.

Dancingly yours,
Marge and Don Tracy

Web Spinners

We may have to bid farewell to a wonderful summer, but we welcome another great season of square dancing.

Our picnic baskets and camping gear are being put away, while we recall the good times spent at Ridge, Sky Brooke, Hidden Valley, Woodstream and Cross Lake. These memories will always be with us, along with the family picnic at Webster Park and the fabulous day at the Meisenzahl's home. Sandy and Len did themselves proud hosting the picnic and square dance. Of course, most of the "boys" will remember the fun they had with Lens toys---- the mopeds, tri-cycle and dune buggy. Training wheels may be in order for Sam Browne, however.

Just a reminder, gang. Vern and Mary Jane Collier could use all the help they can get for our Anniversary Celebration. How about some offers! They will certainly be appreciated. Don't forget the date, FRIDAY, OCTOBER 27th, at the Webster Firemans Hall.

Apologies for neglecting to submit the Web Spinners schedule to the Promenader for September. Keep available the dates listed this month.

Triggers

Our first dance of the fall season brought together many club couples to start off an eventful year. It was good to see all the smiling faces as Myron and Peg greeted us with new calls and a new line dance.

Our class dances began September 7th with much enthusiasm as these guys and gals continue their course leading to Graduation Day in November. Again we welcome any club members to join in classes and brush up on some of the calls that we might be a little rusty on.

Remember October 7th, our family picnic date. Bob Maurice is again in charge of fun and games. He did such a good job last year with pouring rain, imagine what he can do with the sun shining. Bring a dish to pass. Those with last names beginning with A to G, bring salad and dessert and those from H to Z bring main dishes. See you there.

Our club will not be dancing on October 31st-Hallowe'en. Instead, on October 24th we will celebrate United Nations Day with an International Night Tureen Supper and dance. Costumes are optional. Bring a covered dish - a speciality of another country. Everyone gets a taste of some great dishes. We do have good cooks.

See you at the dances,
Norma and Vince Kammer

Swinging BB's

Now that autumn is in full swing, so are the Swinging BB's. The season started with a very successful Open House on Saturday, September 16th. Many old faces were seen as well as many new faces.

At the Open House we received word the Harrigan's ailing Moped is on the road to recovery, hopefully with many miles ahead of it. As you recall the last campout, the Moped nursed a sick engine-ache the whole weekend.

October promises to be an exciting month starting with National Caller Gloria Roth calling on Saturday, October 14th. All are welcome.

On the 28th, we will be visited by Ghosts and Goblins for our Hallowe'en party. Remember everyone - come in costume.

One final note, remember club members, classes are on Thursday evenings, and you are invited to help the new class on their journey to become good square dancers.

Keep on dancing,
Jim and Rochelle Brunshidle

Wayne Westerners

The Wayne Westerners started the fall season off with a bang--with two Open House dances and four regular dances in September. We were glad to see so many out for the dances--we missed seeing you all summer.

The first dance in October will be a pot luck supper and Every Member Birthday Party! So grab your best pot and with a little luck you'll find a piece of birthday cake in it. That will be on October 5th - the next two dances - October 12th and 19th will be regular dances, but on the 26th we will be having our annual Hallowe'en dance at the Wayne County Infirmary in Lyons - if the ghosts and goblins don't get too obstreperous!

Isn't it nice that we have something to look forward to in the fall and winter months, which could be very dull and boring - if we didn't square dance. So keep dancing and we'll be squareing up with you.

The Hales

Village Squares

As the Summer Sounds fade into the rustle of Falling Leaves, Square Dancers look forward to a great new season of fun, dancing and wonderful friendships.

And there's no better place to start than the Autumn Twirlaway at the Green Lantern Inn in Fairport on Sunday, October 22. Tom Tomlinson will be calling from 2-5, and to make the day complete, there will be a delicious Buffet available right after the dance.

There will be no regular dance on Monday October 23, but our Halloween dance promises to be a real fun affair on October 30. Don't miss the fun. It will start with Rounds at 7:30 with Bernie Hayward and Dick Casper will call the squares at 8 PM. If you haven't danced with Bernie or Dick you have missed some great dancing. This will be a wonderful opportunity to see what you have been missing.

Better start dieting now so you'll be able to eat your fill at our Pot Luck Supper and Dance on November 13. Bring your appetite and a dish to pass. You'll be glad you did.

Remember these dates: Oct.22

Contra Corner

by
Ed Butenhof

"I can't do contras, I've never taken lessons!" Many square dancers seem to feel they can't do something new unless they've had formal lessons. After all, we had to take lessons to square dance, didn't we?

Actually, the necessity for lessons in square dancing is a relatively recent thing. When your parents learned to square dance, they were able to do so by being fourth couple and watching what others did. In New England, people still learn contras by jumping in and following along. Hands beckon, voices call, and while confusing at first, all becomes clear quickly.

The difference is that traditional squares and contras do not require memorization of long lists of "basics". Most of the calling is directional. The challenge is to adjust your movements so that they flow smoothly with the music rather than to react properly when the caller says "reverse the can-opener" or some such.

Actually, there's a rather short list of "basics" used in contras, most of which you already know: chain, right and left through, dosado, promenade, circle, star, cast off, swing, balance, forward and back, contra corners, and hey for three. In addition you need to learn who's active and who's inactive, and which direction is up (or above) and which is down (or below). Doesn't sound to fear-some, does it?

The biggest problem faced by most square dancers in learning contras is to slow down and stop rushing the calls, to relax and enjoy moving with the music. They must learn that the caller is not going to trick them with something unexpected, but is merely helping them by reminding them of the sequence.

There's no need to come every week, either. If you're away for 3 or 4 months, the rules won't change. No new "basics" will have been added while you weren't looking.

Come and join the fun. Contras are addictive but they're good for your dancing fun.

Teen Topics

The Hilton Hillbillies held their open house on September 9th at the home of Mr. and Mrs. Wayne Gray. The eating, games, and dancing to Les Bradt was enjoyed by all. The formal installation of officers took place at this time. They are: President-Michelle Gray, Vice-President - Jean Nash, Treasurer - John Haines, Secretary - Tammy Hushard, Sergeant-at-Arms - Gene Anderson. The Advisors for 1978-1979 are Mr. and Mrs. Wayne Gray.

The club held a car wash on September 8th to help defray their expenses for the coming year. A marvelous wet time was had by all. Another highlight the club is looking forward to is the calling of Jerry Garmen at their benefit dance on December 2nd at the Merton Williams Junior High School. More about this later.

Any teens interested in western square dancing is welcome to our first dance on September 16th at the Parma Town Hall at 6:00 PM or call 392-9349 evenings for information.

Tecumseh Squares

Do we have a busy month! We have two special dance nights, start of square lessons, start of round lessons, and dues! Can we trick or treat dues? Is that allowed? Come on October 31st and find out! It is a costume dance. We hope you will all dress appropriately (that means almost anything goes)! If you'd rather not come in costume, come anyway. I need someone to help me around the square until we unmask. I needed lots of help the year I came as a giant cookie or as a cardboard outhouse. And what an appropriate night --the 31st.!!!

The 3rd is our teenage night. So pop a Geritol and join us. It is always gratifying and exhilarating to dance with the younger set. There are no "generation gaps" here. We all speak the same "square" language. Bring your kids and have fun.

We will be having our round workshops again on the 2nd and 4th Tuesdays. If there is a dance you are especially interested in learning, speak to Bob or Nora. They are always open to suggestions and great instructors. Talking about instructing, their lessons start on the 1st. They are held in the lodge room behind the bowling alleys. They start at 7:30. If you have two left feet and can count to 3 or 4 (not simultaneously), you've got it made!

Bruce's All Singing Calls Night will be on the 7th of November. Those are lots of fun. Hope you can join us.

I hope everybody has congratulated Bruce and Shirley on their new addition---David, not the new house they have recently moved into. Although, you could probably congratulate them on both counts. Everybody is healthy, happy and still married. I never hear any juicy gossip about this bunch. They just have good, clean fun. If you do hear anything, just tell me. I promise to keep it semi-secret!

Have a good month,
Ed and Sue

Country Twirlers

A new season for the Country Twirlers got off to a good start Saturday Evening, September 9th, with greeting many new faces as well as seeing some old friends. Some of the past Country Twirlers came back to rejoin the club and we're so glad to have them back with us.

Our class promises to be a good one this year, with Ron Fotch teaching every Tuesday night from 7:30-10:00.

Jim McQuade came back from summer with steam in his pockets and fire in his shoes all ready to go. Glad your back Jim.

On October 14th, we are looking forward to dancing with Johnny Davidson. Come join us.

On October 20th and on October 28th we will be looking for some ghosts and goblins.
