Editor's

Note:

We enjoyed meeting the Promenader subscribers and especially the reporters that stopped by the booth at D-O-R. Now that we've had the pleasure of meeting you, many club reporters are changing! I'm sure the new reporters will be great (We're looking forward to meeting them personally also) but we sure do hate to part with the "oldies but goodies"! Thanks for your patience.

Sorry we had to use our editors license on some of the club news again this month, we simply had to trim some down to a quarter page. This is extremely difficult for us, as we know you are trying to cover three months news. We also realize this issue has to cover 37 clubs for three months, and still remain in the black financially. We worked hard at meeting these criteria.

Just a quick note to remind reporters to get Sept. News and Ads in to us by Aug. 10th. Send to:

PRESIDENTS'

CORNER

What a super Dance-O-Rama!!!! The new location was great! The sound was super! The callers the greatest. Thanks to Barb Vreeland, we have our callers for the next two years. It is important to get callers ahead of time. For 1980 we have Joe Uebelacker, Norm Poisson, Steve Kopman and Don Hanhurst and for 1981 we'll have Ron Libby and Ed Foote. We will be filling in the 1981 program with callers from nearby areas.

Special thanks to Cay Jackson, our D-O-R Chairman, who received a well deserved standing ovation at the ceremony. Thanks to all clubs and people who helped in many ways to make D-O-R a success. We hope everyone, especially the new graduates, had a great time. If you didn't, please let me know how you would like the level and/or format changed. We have already been asked to have coffee available add we'd like a group to do it on a concession basis.

The annual awards were presented to those clubs and individuals who have contributed to make D-O-R and square dancing in our area a success. The leadership award, known as the Norma and Daphne Award, was presented to Paul and Florence Frost. You'll remember them as last years Promenader Editors and this years Federation Treasurers. They certainly are most deserving. The Tucker Award, which is based in club contributions to D-O-R was won by the Jack of Hearts and EKC-O Squares was the second place winner with the Genesee Dancers as the runner-ups.

There will be square dancing every night at the Monroe County Fair. Local callers will donate their services. Come any night. Square dance attire will admit you to the fair.

THANKS

Paul and I were left speechless when presented with the "Daphne - Norma Award for Leadership".

We have never thought of ourselves as leaders but we were reminded that many times people lead by their example and willingness to accept tasks and carry them to completion. We are deeply honored and we thank the committee and our fellow square dancers.

Florence & Paul Frost

This is the Trails End issue of the season. Sooooo, I would like to take this opportunity to thank all you lovers of good dancing for your contributions.

The fifty cents you paid for having me stay out of your set is just a pittance for value received....better dancing! Remember you can take this off your income tax as a necessary luxury.

The Dance O Rama has come and gone. A job well done by manager Cay Jackson and crews. There were seven callers. I was only there six hours soooo I didn't get to dance to all of them, but I heard they were excellent.

I went in the door that said "Rest Room". After I was seated in my private pew, I realized the voices I was hearing were soprano and I was in the wrong room. I waited until it was quiet and then started out only to be met at the door by a girl coming in, she looked at me and cried, "Oh"! She then turned and headed for the "Mens Room".

Now here are some suggestions for those who are thinking of ways to improve their club programs next year.

- 1) More Challenge dancing, especially in the Mainstream halls. I make more money with this type of dancing. I know it's a selfish reason, but business is business.
- 2) Lower or no dues. Secure a government subsidy or get help from the Red Cross. They have a fund for a disaster, and boy, most of the sets that I have been in have been disasters!
- 3) Change the makeup of the sets from four couples to seven girls and one man . . and the heck with that "who turns who" call.
- 4) How about having some logically associated calls, calls that go together. Such as: "Shoot the moon", "Bang" or "Swap around", "Scoot back". Then there's "Go red hot", "Fan the top". To the new dancers; these are all real calls. Wouldn't it be fun to do "Cross the star", "Zoom"!
- 5) For a change I would like to go to a "after party" first and dance afterwards(those who can). I (hic) can.

Now you may not agree with the above suggestions but they may start you thinking and realizing that things could get worse. By the way, if any of you don't understand number 4, don't call me, call my psychiatrist.

Looking forward at the summer schedule, there's a lot of good dances coming our way, but if I don't see you in a set, well

Thanks anyway,
Hal Abberger

KNOW YOUR CALLERS CO-OP OF ROCHESTER

CCR, (Callers Co-op of Rochester) which most of the local callers belong to, must tip their hats to Cay Jackson who chaired such an event as D O R '79 alone. Can you imagine one head having all the answers? We were pleased to help with the equipment. The facilities couldn't be better, those bouncing floors are sure easier on your feet.

If you missed our day or dance with Jack Lasry, we are sorry, it sure was a good one. Watch out all you dancers as your callers try out the things suggested.

Have a nice summer and vacation, but keep dancing.

BECOME A BETTER DANCER by Jerry Carmen

Don't rush! Webster defines dancing as moving with measured steps, regulated by music. Dancers who become aware of how many steps are required to complete a call and who walk to the beat of the music, get much more enjoyment out of the activity. As in all dancing, the caller should tell you what and the music should tell you when. A caller or dancer who does not allow sufficient time or steps to complete a call is "clipping". If the caller clips, the dancers may rush to catch up and the feeling of dancing is lost. If the dancer clips, a caller observing the dancers for his timing may clip also, and the result is a rat race. All callers are aware of the theory of timing - allowing a sufficient number of beats of music for the dancers to complete the call comfortably - but not all callers practice it. If a dancer knows he is moving to the music and is taking the proper number of steps to complete the call, he should REFUSE to be rushed, even if it means dropping behind. If enough dancers did this, it would force the dancers and callers who clip to slow down and dancing would be more comfortable for all.

Caller Profile

KEN

BOSS

Music and dancing have always been an important part of his life. The genesis of his musical career was as a child with training in both the violin and accordion. He first called traditional dances during his high school years.

Throughout the past sixteen years of square dancing and eight years of calling Ken has spent many happy hours working in all segments of the activity. He has worked on Dance-O-Rama, was chairman of the Fall Fun Fest, was chairman of the square dance promotion at the Monroe County Fair for four years, was Co-Mod-erator for the Callers Co-Operative of Rochester, and is now an accredited member of Caller Lab. Along with this Ken has found time to attend several callers schools, called for numerous benefit dances and entertains at many local nursing homes.

Besides making guest appearances at many clubs, both near and far, Ken calls and teaches for the Rainbow Squares in Penfield and The Thunderbird Squares in Irondequoit.

At present, he lives in Henrietta with his wife Lill and five daughters. They also have three married daughters and four, soon to be five, grand-daughters. People often ask if he missed not having a son or grandson but like most red blooded American men he prefers girls.

In the future he hopes to move to his farm in Sparta. He will retire from his trade, finish his building, but always be a square dance caller.

Belles & Beaus

Well, here we are again at the end of our dancing season. We squared it all off with an Olde Tyme Dance, did we ever have a grand "olde tyme". That was followed by our Trail End Dance. Now we are looking forward to a happy, safe and healthy summer.

We were proud to graduate 13 couples from class to club this month. Hope they will all join us again come September. They are: Al & Bernice Blossom, Ed & Joan DeTamble, Art & Jane Donovan, Peter & Ellen Gagliarde, Bob & Betty Heindl, Bill & Kay Hoysic, John & Jane Oakley, Bob & Jean Stevens, Tom & Carolyn Stewart, Don & Ev Strine, Dick Van Hook & Christel Rinas, Art & Catherine Widman, Ed & Irene Zabelny.

All our love to Shirley Hulse, Si will be long remembered by many with much fondness.

We were happy to welcome back our club members who cruised across the Atlantic with Art Harris. It sounds like they had a great time.

Congratulations to Lois Tragnor & Dick Bennett who returned from the trip as Mr. & Mrs. Bennett, after their wedding aboard ship.

Our annual car rally will be held June 10th. As usual we will start from Ridgmont Plaza, the course will be cut a little short this year due to gas shortage problems.

In July, we will have Scotch Golf & Picnic. Will notify the club when a date and location is decided.

If you have a free weekend Aug. 11 & 12, why not join Art Harris for his 2nd Gala Square Esta Alfred, in Alfred, New York. There will be rounds and squares and a chicken barbeque on Sat. followed by a picnic on Sun. Bring along your camper or tent, it promises to be a great time. Reservations available.

Have a safe and Happy summer.

Boots 'n Slippers

Another square dancing season comes to a close. It has been an eventful and exciting one. Plaudits to the Federation Committees who did such a great job making Dance-O-Rama a success. It was so good to see new dancers and to be able to have room to dance at any level.

By the time this is in reader's hands our Trail End Dance at the Wishing Well will be a beautiful memory. We look forward to camping the first week end in Aug. at Bonnie Brae and dancing with Mike Callahan.

Happy summer and keep dancing!

Cloverleaf Squares

Da, Dum Dum Dum, Da Daa;
Da, Dun Dum Dum Daaaa.

Ah the Pomp(ous) Circumstance(s) of graduation! Each year is a little better than the last. This year Jim Bus and Dick Conheady really got into the spirit of things; they arrived in cap and gown. We had a pass the Surprise Package dance. The couple who ended up with the package got to keep what was in it. After a few football style passes from square to square, with associated fumbles, the music stopped and the winners were forced, excuse me, allowed to help each other don their gifts. A garter belt for she and a tie for he. I think he smiled a bit more than she, but watching it all were we.

We are pleased to welcome 25 of our 27 member graduating class who have joined the Cloverleafs. We are brusting at the seams and so is our hall. We'll just have to dance a little friendlier!

We would like to offer our congratulations and best wishes to Past President Mike Liberti and his successor Past President Linda Wolf on their future plans as duet. They'll tie the knot October 5.

The clubs future plans are to dance all summer long. We have already started planning for Open House in September. There will be a cottage weekend away from it all, exact date to be announced. An occasional guest caller and of course we look forward to guest dancers too.

Finally, with Father's Day rapidly approaching we'd like to extend our regards to all you Fathers out there. This month its your turn to get even for last month. Remember without you all the Mothers would have had a much more difficult time making us all possible. Congratulations go to Treasurer Dick Peck and Class Rep- Marta Czerniak on their engagement.

Country Twirlers

We can't believe it's June already! And, although our club does not dance during the summer, we will be visiting some that do. This is a good point for all dancers to think about, not only to meet new people and share ideas, but to "keep in the swing of things".

Our April 21st dance with Dick Leger was as always a huge success. This was the first time we have danced to Dick's calling and it was the highlight of the season for us.

Thanks goes out to those Country Twirler Members who attended and volunteered their time to work at the Dance-O-Rama.

Our sympathy goes out to Betty and Ron Fotch on the death of Betty's brother and to John and Alice Limbeck on the death of John's Uncle.

We hope to see everyone at the Trailend Dinner and Dance on May 19th. This year the festivities are under the direction of Esther Wiege who always does a great job with any committee. We can safely say from past experience that the meal will be a feast in itself.

The last event of our season will be the annual Campout weekend, June 1, 2, and 3rd, at Hamlin Beach State Park. We understand the committee has been working very hard and there will be lots of fun and games for all ages. The picnic will be held on the 2nd so bring the whole family and enjoy the day. Don't forget to stop by and wish Frank Austin a Happy Birthday!! We understand that Frank is 25 again this year!!

Have a good summer and come back rested and ready to dance!!

Copy Cats

Another year has quickly passed and another election time has rolled around for the Copy Cats. The new officers for '79 and '80 are Emma & Ray Schlesing - Pres., Betty & Dwight Gerber - Vice Pres., Gert & Russ Harding - Sec., Pauline & Paul Brown - Tres., Joan & Jerry Beaudin - Membership chairman, Ellie & Bob McVay - Board Members.

Many thanks to the nominating committee for the fine job they did.

The Copy Cat square dance club graduated six couples in 1979. Welcome new members.

Our Trail End Dance was held on June 2, at the Green Lantern Inn. At this dance all officers were honored for the splendid job they did for the past year.

Every one enjoyed the good food, but most of all the fine dancing to Mike Callahan.

Remember, the Copy Cats dance all summer and sure are looking forward to seeing a lot of new faces during this relaxed season.

Good Dancing,
Emma & Ray Schlesing

Country Dancers

June brings two special dances...both on Saturday. June 9 the Timber Salvage group returns. We had wall to wall people when they were here the last time. A real treat is in store for Rochester on June 23 when Tony Parkes from Boston will call for us on his way out to Milwaukee for the National Convention. Tony called at the Atlantic City convention three years ago and was very well received. You can be sure to have lots of traditional squares along with the contras for Tony believes in a balanced program. His wife, Donna Hinds, will be bringing her fiddle and will probably play along with Blackthorn. Donna has a very special gift and having her along with Tony is a very rare treat.

August also has two events. The first one on August 4 will be at the Genesee Country Village and is the grand finale (in the evening) of a weekend Brigade of the American Revolutionary encampment. Plan to visit the Village that day and see all the battle reenactments. The Brigade dress is authentically reproduced clothing and camp out using only items available in the 1700s. After the village closing (at 4), Country Dancers will join the Brigade for supper (we will bring 20th century food) for our own pot luck supper--but non club members are welcome to join us. Dancing (free) will start about 8:30--there is no official closing since the Brigade will be staying overnight. Rich Castner will call and Blackthorn will be playing.

August 9, the St. Regis String Band will be playing. They have their own caller and this will be their debut for us. They will be playing at the Hockstein Wednesday noon concert downtown on Plymouth Avenue--broadcast on WXXI-FM.

Diamond Squares

Dick and I have been writing for 1½ years now, six months on our monthly Newsletter and then 1 year on the Promenader. We have done this with great pride. It has been an honor to write about a club you believe in; that has warmth; and that you have grown with. I want to say thank you to all who have enjoyed my column as much as I've enjoyed writing it. A special thanks to Bob & Nancy and the Diamond Squares. With the start of our third year in September, it is now time to put aside pen and paper and hand our job over.

1. Diamond Squares will dance every Wed. eve. during the summer.
2. Sat. Night Specials are June 9 & 30; July 7 & 21; Aug. 18; Sept. 29.
3. Bob Ellis calling at Cayuga Cutups Weekend, July 20.
4. Woodstream Campout with Bob & Nancy Ellis and Debbie Wilkinson on Rounds, Gainesville, New York, July 27-29. Reservations.
5. 8th Annual Square Dance Day at Finger Lakes Race Track. Aug 26, 1:00 - 4:00 pm. Bob Ellis calling. Try to attend this. This is a demonstration to promote new people into square dancing. Wear your square dance clothes. It's your free ticket to get in the Race Track and dance.
6. Labor Day Weekend, Bob Ellis & Mike Callahan, Aug. 31 - Sept. 3, Bonnie Brae Camp, Prattsburg, New York. Reservations.
7. Rainbow weekend on beautiful Seneca Lake, Sept. 7-9, Reservations.
8. Sneak Preview - starting in Sept. Bob will be having a monthly + 2 A. P. D. Workshop.

EKC-O Squares

First, the September open house. This is EKC-O's way of giving non-dancers a taste of the fun and challenge we enjoy so we can form a new beginner's class. Club members should be ready to pass the word about EKC-O to friends at work and elsewhere who a year from now just might be regulars at our dances. Bob and Gloria Fisher and Dan and Ann Stark will have information about the open house later in the summer.

The second item to consider is the possibility of a fall round-dancing workshop, which would be taught by Betty Wolcott and would be held on a different night than the regular club dances. Your club officers need to know if enough people are intrested in such a workshop, so contact the Fishers or Wolcotts if you'd like to take part.

We hope you're getting to know the class graduates who are now dancing regularly with us. Their names were listed last issue, but one couple was omitted inadvertently: Ken and Joan Blind.

Bob and Gloria want to thank again all those who made the potluck supper and graduation night something special, including EKC-O's official photographer, Phil Watner. We still get a chuckle when we think back to that initiation dance with one square of barefoot graduates maneuvering giggerly around a wriggling pile of 'worms'. The graduates turned the tables, though, when they broke out their own crazy assortment of graduation caps. And who will forget the graduation march played on the bagpipes by Bruce Shaw?

Remember to take advantage of Ken's summer workshop series, starting a 7 PM each week Ken is with us. That will be June 13, 20, 27 July 11 and 25 and August 1 and 15. Guest callers for the summer will be Jack Nadeau on June 6, Red Bates on July 18 and Cliff Brodeur on August 8.

We wish you all a good summer and God's Blessing.
Linda and Mike Zavadil

Another dance season is drawing to a close and it certainly has been an enjoyable year dancing with our many friends and helping our class graduate into the wonderful world of square dancing. The new graduates are: Jow & Alice Bertino, Gordon & Barbara Bromfield, Dale & Margaret Bunn, Richard & Dorothy DeWolf, Albert & Ann Nivison, Basil & Beverly Simons, Paul & Jean Smith, David Smith and Sally Wychoff. We welcome them into our club and hope they continue dancing throughout the summer.

It was a treat dancing to Carl & Betty Hanks, May 5th. Everyone had a good time, even the new graduates joined right in nicely with their first big caller dance.

Ron Libby will be here for our last dance of the season, Sunday, June 3rd, 2:00 to 5:00 P. M. Junior High School, West North Street, Geneva. Try and join us for that dance. Ron is a dynamic caller.

Our club members will be busy this summer planning the Sauerkraut Festival Float for the parade. The square dance will be Sat. Aug. 4th, 7:30 to 10:30 P. M. at the Firemen's Field, Ontario Street, Phelps, New York. Bob Stern from Canastota, New York will call the squares, and Al Overslaugh from Phelps will be the round dance cuer. Fireworks will follow the dancing.

The late summer will find the club members headed by Jackie and Lee Pratt planning the 6th Annual Sampson Fall Festival. The dates are Sept. 14-16. Callers are Ken Anderson, Mo Howard, and Ken & Carol Guyre. Make plans now to join us for dancing and camping.

A happy and safe summer to all of you.

On April 25, 1979, we welcomed the class graduates into our club: Linda and Wayne Taylor, Grace and Don Taylor, Linda and Ron Kiesow, Bonnie and Bill Lennon, a and Bill Avery. We doubt if a more attractive group of dancers could be found anywhere. Ron and Betty Fotch as usual prepared an evening that mixed the serious with the fun. A ceremony pledging that the grads would strive for square dance ideals was followed by such jokes as dancing barefooted and blindfolded on squishy washclothes, participating in foolish charades, and other antics.

Presidents Don and Mary Lou Cotton, Vice-presidents J.C. and Pat McTamney, and Treasurer Elsie Epke are already making plans for our Trail End Dinner Dance on June 27, 1979. Dinner is closed, but everyone is invited to attend our dance afterward, beginning at 8:00 P. M. Everyone is also invited to attend our two dances scheduled for the summer: the Ice Cream Social on July 25, and the regular dance on August 22. Happy dancing!

The "Yellow Rockers" Traveling Club journeyed to Pavilion April 25th where none other than our own Ben McGilvery was calling. A super time was had by all.

Our Trail End Dance was held June 2nd with all the goody goodies of a pot luck supper served in a hilarious atmosphere. The dishes were all delectable and it looked like everyone was enjoying themselves and hopefully had a good time.

Several couple skipped down to the Irondequoit Squares May 12th and not only retrieved our banner but really had a great time.

We'll be having our summer dance and picnic late in July and all the members will be getting a notice as to where and when. Hope all the members can make it as they're sure to have lots of fun - the more the merrier.

Remember, no "Yellow Rockers" traveling for the summer. The members can all travel wherever on their own. Hope to see you all around somewhere and by all means at our July picnic.

Have an enjoyable summer, you all.

Genesee Dancers

June is bustin' out all over and we hope all you Genesee Dancers are bustin' out of those winter doldrums and will be swinging through the summer on Thursday nights at the Green Lantern. Be sure and check the special ad that has been placed in this issue concerning our summer dances. We think you will be delighted to know Mike will be calling the squares, so hope to be seein' ya'all at the "cool" Green Lantern.

Our class burst forth at graduation on May 10 and we were delighted. Hope they will all join the Genesee Dancers next fall. Those graduating were:

Harry & Bonnie Ebner, Andy & Edna Beinschroth, Frank & Rita Boas, Henry Cassia & Harriet Zimmerman, Graham & Lorraine Chamberlain, Dick & Edie Clark, Jack & Connie Dodsworth, Les & Mary Elliott, Ken & Ruth Giroux, Don & Joyce Jacobs, Ed & Janet Leurgans, Jong Y & In Chung Park, Dick & Mary Wright, Dennis & Jean Tiepp Tieppo and Joe & Thelma Ziakowski.

We hear Gerry Priester has made a complete recovery from her broken limb. Understand that having a broken limb didn't stop her from going on a trip to Europe. That must have taken determination (and a lot of aspirin). Marian Adkins has been confined to her home with her sick mother. Hope they are both out soon.

In the "good-news, bad-news" department, Gloria and Norm Steinmiller took the cake recently. The bad is that Gloria has to have surgery. The good is that she will recuperate in England. Norm is being sent to Leeds by his employer and they knew he could do a much better job if he wasn't lonely. So they are sending Gloria to keep him company.

Don't forget Trail's End on June 7 (closed dance). The class will be with us and Mike will be calling.

Have a fun, relaxing summer. We'll be back in September.

Another square dance year is coming to an end, but there are lots of activities planned to continue the spirit of fellowship and fun we have enjoyed all year.

We are looking forward to the Trail End Dinner Dance on Fri. June 8th at the Country House on Linden Ave. in East Rochester. The Westons and their committee have worked hard preparing for this special evening celebrating the 20th anniversary of Irondequoit Squares, hope to see you all there. If you haven't made your reservation yet call Jean Weston at 467-3518.

June 15th is the date of our Summer Picnic at Stewart Lodge, Mindon Ponds, festivities start at 2pm. John and Cathy Zwierzynski are chairmen and hope you and your families will all come out for a day of fun, games and square dancing.

The first campout of the season will be held the weekend of July 13th - 15th at Skybrook Campground, Dansville, New York. Please call Nelson and Nancy Coco 872-5361 if you need more information, reservations and money are due now.

There will be two outdoor dances on the Parking Lot at Brighton Reformed Church, 805 Blossom Road, on Fri. July 27th, and Fri Aug. 24th. The dance on July 27th will be a Pot Luck Supper, starting at 6:30 p.m. Please bring a salad or dessert to pass, place settings and lawn chairs. Meat dishes will be provided by the Committee.

Dancing will resume on Sept. 15th at a New Location due to the closing of Laurelton School, so please check your Sept. Promenader.

Have a fun Summer!

Kuntry Kuzzins

Kuntry Kuzzins Anniversary Dance, with caller Larry Spavin and cuer Gordy Copeland, will be on June 16th at Kelly School in Newark, New York. We start with a Pot Luck supper at 6:30 P. M. followed with dancing at 8:00.

On June 24th we will be dancing at the Country Western Jamboree on the Port Gibson Fireman's grounds starting at 2:00 P. M. Port Gibson New York.

On July 20th we dance at the Newark New York Summerfest in the Central Park.

July 14th, all Kuntry Kuzzins are invited to the cottage of Larry and Hazel Spavin on Keuka Lake. Let's check our news letter on when and what to bring.

Kuntry Kuzzins congratulates the graduates, Herman Shippers, Hoyce Grevell, Clarence Graham, Patricia Hutter, Ray and Betty DePauw, Dick and Dorothy Rockwell.

We welcome you into the club, come and have fun.

We want to thank our Presidents Ron and Betty Howlett for the strong calendar of events in 1979. Our secretaries John and Ruth Canne for their informing news letter each month, Jerry and Dottie Reed for the use of Kelley School, and their promoting both round and square dancing.

Coming this fall, November 10th, a special Bruce Shaw Dance. Mark it on your calendar.

Kuntry Kuzzins wish to thank Jon and Sue McNally for working with our class. Our small class was a real challenge for both club and caller. Let's all be working on a larger class this fall.

Promenading to see you this summer,

Jack of Hearts

Dance-O-Rama '79 is just over and the many Jack of Hearts club members in attendance enjoyed superb calling from some of square dancing's most well-known and ablest callers. A few new calls were workshoped and the dance levels in the advanced and challenge halls was kept as indicated...dancers have come to expect this and callers are following the Callerlab lists and giving us variety of positioning---all of which makes for an enjoyable and successful dancing experience.

Another good dance for the Jack of Hearts is scheduled for May 12 with Tim Scholl. Were looking for as a great time again as we had with Tim last year. With our two regular dances in June, finishing the season, the club will take a vacation from dancing until September (although I suspect most members, being high frequency dancers, will dance regularly all summer any how).

Our congratulations to Florence and Paul Frost, who were named this year at D-O-R as the area's outstanding square dance couple for 1979. Jack of Hearts have the pleasure of dancing frequently with Paul and Florence and say "well deserved, friends".

One more thing-our club is pleased and proud to have been awarded the Tucker Trophy at Dance-O-Rama this year. This award goes yearly to the club with the highest percentage of its members working on and attending D-O-R. Cay Jackson, who served as D-O-R general chairman this year, is a member of Jack of Hearts and we're mighty pleased about that. Nice job, Cay!

The warm breezes have arrived already, forecasting delightful summer days to come. Have a lovely summer and good dancing.

Merry Mixers

The month of June brings our Square Dancing season to a close with "The Trail Ends Dinner Dance" at the Green Lantern Inn, Fairport on June 8th.

We would like to thank "The Swinging Squares" for a most enjoyable evening of dancing as their guests on May 2nd.

We are also grateful to the Colverleafs, for the invitation to meet in the Square as their guests on May 20.

Save the date, Saturday, July 14, for the annual picnic, and look forward to a big day at Kanatota Lodge at Webster Park at 1:00 p.m. Everyone Come!!

A past Merry Mixer member, Charles Lentine recently had hip surgery. He is now home from the hospital and we hope well on the road to recovery.

At long last my name appears in lights. We are wearing our new Merry Mixers badges. Sadie came up with a unique design, black background, with our names framed in small crystal stones.

This being the last publication until fall, remember that Open House is scheduled for Sept. 7. Singles as well as married couples are most welcome. Come and join us! Learn to be Square Dancers and look forward to a great new season of fun, dancing and wonderful friendships.

Happiness is dancing with the "Merry Mixers" singles square dance club of Rochester.

May 2 brought Ken Boss racking up another one!!!! Birthdays I mean!! Hope you have a Happy Year!!!!

Then came the engagement of our round dance cuer Linda Wolf to Mike Liberti--Congratulations to both of you!!!

May 16 brought White Elephant nite and Ed Schipper as auctioneer! Really, Ed, did YOU ever miss your calling in life???

June 13 will be our Trails End Dinner Dance and really the Trails End for the summer for the Rainbow Squares when we will be resting, boating, fishing, swimming, etc, EXCEPT for the nights we will be Haunting your club and of course the Monroe County Fair on August 8 when Ken will do the honors for us there.

Then come September 5 and 12 with open house-new class members and return of the Rainbow Squares to our regular Wednesday nite dancing with Ken Boss for another busy year.

Our club would like to congratulate all graduates. We hope you will drop in and dance with us sometime. We love guests.

Our summer schedule sounds like fun. May 31 will be our Trail End Dance. This dance will feature an Ice Cream Social affair. Diets are taboo this night, so pile your dish high with goodies. June 14 will be Hobo night, come dressed as you please. We will have a Box Social, so bring a treat or two in a box. See who your next dancing partner will be. July 13-15, we will have our camp-out at Spring Creek Campgrounds. Sounds like a great week-end. August 9, we will enjoy a dinner-dance. Also August 23-25, our club will have a yard sale at 2621 Lake Road, Clarkson, New York. This is just north of route 104 on route 19. Come look around, who knows you might find a gem or two.

We hope you all have a joyous summer. Be seeing you again in the fall.

Promenading B's

Hello Everyone,

Our new officers have been installed and they are as follows: President, Bert and Beth LeMoyné; Vice-president, Dan and Shirley Miller; Treasurer, Neil and Jean Stewart; Sr. Federation Representative Cliff and Julia Foote; and Jr. Federation Representative, George and Karen Miles.

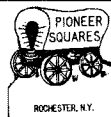

Thanks to the old officers who made sure every event was well planned and were friendly and available to all. A special thanks to Roger and Nancy who "led" so beautifully.

Our trail-end strawberry festival will be June 1. Hope to see all of you there.

Remember the volleyball tournament in July all you "jocks". We won the tournament last year and must win it again in order to keep the trophy.

And now... a wonderful summer to all of you and remember, if you're bored and looking for something to do, dances are held every Saturday night at Ron's Campground Spring Creek in Byron. See you there?

Pioneer Squares

The Merry Month of May has brought most of our clubs a whole new group of club members. Perhaps June and July should be called Kindness months -- better be kind to the new grads because they just might know some calls we old clubbers have forgotten.

May has been a hosting month for the Pioneers and it was so much fun to wind up the current season by dancing with so many nice people from visiting clubs. One evening during all the friendliness we lost our banner. Take good care of it Irondequoit Squares.

It was good to see Bill Burton at home, smiling as usual, after his recent surgery. Hope to see them back in a set real soon. Our Trail End Pot-luck Dinner was another gourmet delight since our club boasts so many good cooks.

Beginning in June, we are changing our dancing night to Monday. During the summer months we will be dancing on alternate Monday evenings under the direction of our capable callers, Jon and Sue McNally. You are cordially invited to stop in and dance with us.

April 25th our new banner was presented for the first time. It was designed by our secretary Ralph Rowlinson. We welcomed 10 couples from Country Twirlers, who were our invited guests. May 2nd Al Howe called to a fine group from Merry Mixers and Cloverleaf Squares, who were our guests. We are always delighted to have dancers from other clubs join us at Thomas Edison School 1612 Buffalo Road Wednesday nights from 8:00 to 10:30. Our last two dances for the season are June 6 and 13. Al Howe will call. We wind up for the summer with our Trail's End on June 20. This is for members only and will be held at North Hampton Park. Everyone bring a dish to pass to go with the yummy steak roast. Dancing will follow with Mike Callahan, Al Howe and El Johnson doing the honors. There will also be games. Don't miss this evening of fun and good food.

This is the last column for the summer and for us reporters. We have enjoyed sharing the news of our friendly club with all of you. It is a fun club and a great group of people. We shall miss everyone.

We add a personal note of thanks to all of you from the many clubs and dancers who have taken the time to send get well cards and notes to John since his illness the past two years. It does help to know he is in your thoughts and prayers. We wish everyone a healthy, happy and safe summer.

Our world is full of lovely folks
Of lovely folks like you
Who always think of all
the very nicest things to do
We wouldn't change our world of friends
At anyones request
Because we're very satisfied
And feel that ours are best.

Swingin' Eights

Lots of Swingin' Eights were swinging at the Dance-O-Rama. The combination of good calling, good dancing, good food and good people made it a great day, and night

This issue of the Promenader will probably hit you right on the day of our Trail End Dinner Dance set for Saturday, June 2 at the Ukrainian Civic Center. We expect a big turnout and a great program arranged by George and Una Shaw and their co-workers, plus the fine food of the Ukrainian Club chefs, and the expert calling of Bruce Shaw and Mike Liberti.

Come to our summer picnic on Saturday, July 28 at Marny & Ron Bryant's Hideaway, outside of the Town of Hemlock. Maps and details will be available at the Trail End Dance. Everybody bring your own food and beverages.

You have probably heard of A.P.D. (All Position Dancing). Now one of the Swingin' Eight girls has introduced N.P.D. If you see a girl wearing a sign or badge "DON'T SWING ME --- N.P.D.", don't embarrass her by asking whether she is suffering backache, dizziness or arthritis. N.P.D. means No Pettipants Dancing. Surlely you knew that.

Now get out your towels for the summer dancing--- how about all those Camping/Dancing weekends coming up this summer, or the action at the numerous spots where you can get instruction, fun dancing or both. Then back to Hosea Rogers School on Saturday, September 8, with a Pot-luck Supper preceding the dancing.

Absorb some of the summer heat and store it up for the winter.

Our thanks to Don and Carol Jermyn, Ray and Ruth Anderson and Jay and Lorraine Bibby for their fine arrangements for our May 1 graduation. The ceremony was meaningful and the refreshments were delicious. Jack and Jo Ann Sadwick prepared their newly graduated class well, and all eight couples joined us for some good dancing after the ceremony. Tony and Jo LaVilla hosted a celebration at their home after the dance in honor of the new graduates. More good food and fellowship made for a grand evening.

Our summer schedule is in full swing with dances held every Tuesday evening, except July 3, beginning at 7:30 with a rounds workshop handled by Linda Wolf and Mike Liberti followed at 8 by Bruce Shaw calling squares until 10:30. Our three traditional special are on the docket for the summer. June 26 is our Strawberry Festival, July 17 is our Sundae Tuesday and August 14 brings our Gourmet Dessert Night. See our complete summer schedule on a full page elsewhere in this issue.

Our club members enjoyed our May social event sponsored by George and Una Shaw, a get together at the Hidden Valley Club. We swam, played basketball, racquetball, ping pong, enjoyed Una's delicious refreshments and one another's company. Thanks to George and Una for their efforts on our behalf. Next month's social event is a picnic at the home of the Justices' on June 15. We're all looking forward to it.

Triggers

Knew spring would get here eventually. With it brings many busy times. Don't forget our summer dances listed below. Have a happy and safe summer.

Thanks to past officers for a job well done. George and Geri Yuna did a great job as presidents. They were capably assisted by Judi and Bill Cliveri and Irene and Bernie Sabernick, Vice presidents; Jeanne and Bob McConkey, secretaries; Sylvia and Burt Butler, treasurers. Thanks to all. Our events were well planned and carried out because of you.

The new officers for 1979-1980 season are: Presidents; Jeanne and Bob McConkey, Vice-presidents; Norma and Vince Kammer, Secretaries--Barb and Ed Cuthbert, Treasurers--Etta and Pat Distaffen, Historian--Mabel Wordinham, Senior Federation Reps.--Fayne and Paul Doering, Junior Federation Reps.--Mary and Bob Speer. Congratulations to you all. We know you will have a good year.

Anyone attending the Dance-O-Rama had a great time with old and new friends. Many thanks, Myron and Peg for putting up signs to steer us in the right direction.

A word of appreciation to our caller and cuer, Myron and Peg Huss for another year of good dancing, good times and good friends. Where would we be without you?

Our summer dances will be held at Aldersgate Church 4115 Dewey Avenue between North Gate Plaza and Latta Road. These dances will be a good review for new graduates and us "oldies" as well. Come join us on Thursday at 8:00 on June 28, July 12 and 19 and August 9 and 23.

This brings to an end our reporting. We've really enjoyed it and thanks for all the cooperation. The new reporters will be Joyce and Dick DiPonzio who will take over for the September issue. Good luck to them.

Graduation was a great success on April 28 with the proud graduates promenading their diplomas around the dance floor.

May 19 was an exciting night as we held our Trails End Dinner Dance, and as usual it was excellent. It was also a little sad in that another square dance year has come to an end.

In April the Trometers became grandparents for the 10th time when son Bill and wife Debbie had a beautiful baby girl.

We are looking forward to three exciting events this summer. They start with a campout the weekend of June 8-10 at Lakeside State Park. This will be followed by a picnic at the Harrigan's on July 14. We will end the summer with another campout at Sugar Creek Glen the weekend of August 10-12.

Open house will be on Saturday, September 8. Contact your friends and show them what square dancing is really like.

Keep your eyes on this column in September for we will be making clubs an offer they can't refuse.

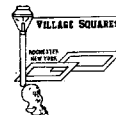

Until then: Keep on dancing.

Teen Topics

Yes, there is a square dance club for 7 to 13 year olds, the Swinging Squares. Our caller is Les Bradt and we meet on Saturday afternoons from 2:30 to 4 at the Gates Presbyterian Church on Wegman Road. Recently we held graduation ceremonies. Our new members are Scott Brennan, Lance Brennan, Karen Barney, Angus McCollum Vashti McCollum, David Schauman, Bruce Ames and Danny Carmen. Kath Schauman and Debbie Carmen were very faithful angels. We'll be starting our new class on Saturday, September 15.

Village Squares

What a pleasant way to slip into summer, dancing with our new graduates! In addition to the enthusiastic new Village Squares, "Dance Aholics" has us moving along.

Workshoping Mainstream 1&2 plus experimentals each week can remove winters cobwebs and put a new spring in your step. You are cordially invited to join in on the fun of Dance Aholics any Monday night. It's a great way to start the week!

Webster Park is the place to be Saturday, July 28 for the annual Village Squares Family Picnic. It will be a day filled with flying frisbees, sailing softballs, and broken diets--a real fun day. Bring a dish to pass--club furnishes beverages and the meat. Don't forget the kids.

Although September news may seem a bit premature, the next Promenader isn't mailed until the first of September. Mark your calendars now--you won't want to miss the "Back to the Fall Scheduled Pot Luck Dinner and Dance", Saturday, September 8 at the church Social Hall. A box dessert auction is planned. Details to be announced later. Also circle Tuesday, September 11, for Open House.

Because of two holidays, and a very deserved vacation for caller, Dick Casper, the only days we won't dance this summer are July 2, August 20 and 27 and September 3 and 10. We will be dancing the rest of the summer, and hope you will too!

Happy summer,
Bill & Karen Metzfield

Swinging Singles

Warm weather has finally arrived in Rochester and we look forward to many summer activities. These include invitations by both George Phillips and Pauline Leiss to spend a fun-filled weekend at their respective cottages. The Swinging Singles Formal Dinner/Dance will be held on June '23 and our hopes are high that this will be a great success. Election of new officers will take place on June 18.

Plans for our two Open Houses to be held in the fall are in the organizational phase. We are saddened to learn that because of other pressing commitments, Chip Kellogg will no longer be available to teach our class in the fall. The Swinging Singles wish to thank Chip for his devotion and excellent teaching of our classes in the past and to wish him great success in the future.

The Rainbow Squares, Glass Slippers and Wayne Westerners are invited to be our guests on Monday, June 11. We hope to see you there.

The Swinging Singles hope that everyone has a very pleasant and prosperous summer.

On April 26 we had another nice evening when we hosted several clubs at our guest night.

As I'm writing this we have not had our famous Apple Blossom dance or Trails End Dance. More about the them next time. Several of us are looking forward to dancing with the Shirts & Skirts in Fulton on June 16.

This leaves us two big fun times this summer, July 12 we will have our annual picnic at Forman Park in Pultneyville under the supervision of class vice-president Dottie Leeson. Any questions? Call Dottie(315-589-2748).

On the weekend of August 3-5 we will have our camping weekend at Sampson State Park on Seneca Lake. If you'd like any more information on this weekend please contact "Boss Man" Marty Immerman (315-483-8448).

Now I'd like to thank Bill & Helen Hurd for a job very well done as our class presidents. Thanks also to Dottie & Richard Leeson our class vice-presidents, Phyllis & Carl Mogray, our class secretarits and Elwood & Lorraine Eaton for so capably handling our funds. Lorain even took part in our class graduation on crutches after here recent foot surgery. Many thanks to Jeff Elmore, who was our caller and his wife, Sally, who joined him in some of the singing calls. We enjoyed both of you very much. Last, but by far not least, I want to thank each and every one of our class and club members for just being you--without all of you our club couldn't be so great! Now a word of advice, especially to our class who just graduated--just because it's summer don't put your square dance clothes in mothballs! Attend workshops and keep dancing all you can this summer.

Have a happy summer, see you in the fall

Our Trails End Dinner Dance was, in every sense of the word, a "fiesta". All plans for the evening worked out to perfection thanks to our outgoing presidents Julie and Art Salvione. The friendly atmosphere, gaety, dancing and delicious food -- topped off with those fabulous Mexican Sundaes -- gave our new graduates a glimpse of what's in store for them in the future.

Trails End may mark the finish of one season of square dancing, but it's also the beginning of another. There are still four nights of workshop scheduled for Wednesdays at 8:00 p.m. during June at the Webster Recreation Center, Lampham Park in the Village. And don't forget the Family Picnic Sunday, June 10. It's to be held at the Kanatota Lodge, Webster Park from 2:00 p.m. until... This annual affair has always been a very special day for the whole family so bring your meat and a dish to pass. The fun just comes naturally.

Our summer campouts were initiated at Ferenbaugh Campground near Corning Memorial Day weekend. Everyone had such a great time the only thing anyone could have wished for was more time. The holiday passed much too quickly. However, we'll eagerly look forward to each of the campouts to follow -- Sky Brook near Dansville June 29 thru July 1; Paradise Park, Watkins Glen July 6-7-8; Woodstream at Gainsville August 10-11-12; and Spruce Row, Ithaca August 31 thru Sept. 2.

Here's to a glorious summer! Keep dancing and make it so!

Wyco Promenaders

The list of officers for the 79-80 dancing year as published in the May Promenader were in error. Here is the correct list: Presidents-Pat & Dennis Swartz, Vice-presidents-Joan & Harold Myers, Secretaries-Pat & Don Johns, Treasurers-Emma Jean & Zane Reed, Class-reps.-Linda & Rick Tisdale.

Our graduation ceremonies consisted of two parts. The first part is humorous and the class as well as the club has a fun time. The second part is intended to be serious. Your reporters don't try to be the club comedians but it seems to turn out that way. Candles are lighted during various portions of the ceremony. Our candle lighted o.k. then proceeded to flicker out. Everyone broke up. Chip Kellogg, our caller and master of ceremonies, had been the epitome of seriousness until the candle faltered which was too much for him. He broke up too. Square dancing is supposed to be fun, so, what the heck, we had a little extra fun.

We hope the clubs of the federation will read our dance schedule. If your club doesn't dance during the summer, we do. Come dance with us. It's a nice drive from Rochester to Warsaw. Summer dances are held in the United Church in Warsaw which is located on Main Street and Buffalo Street. Chip Kellogg is our caller. We wish you all a happy and safe summer.

Song of the HIGH-LEVEL Dancer

The more that I travel the more I can see
 Many excellent people of our good country
 All seem dubiously wondering, "How good are we?"
 Can we ever be HIGH-LEVEL dancers?

Let me tell you the tale of a West Coast beginner
 Who struggled through class after class and grew thinner
 From exercise (also from missing his dinner)
 Aspiring to HIGH-LEVEL dancing!

Eight long nights a week he square danced with a passion,
 His wish for new figures completely unrationed;
 Why—all but the latest was strictly old-fashioned
 To this would-be HIGH-LEVEL dancer!

He developed his styling and added some twirls,
 Then he had some small trouble in locating girls
 Who could follow the wonderful gyrating whirls
 So preferred by all HIGH-LEVEL dancers.

He learned every figure as soon as 'twas printed,
 Knew more allemande breaks than coins have been minted,
 Was highly self-satisfied—then someone hinted
 He was not a HIGH-LEVEL dancer.

Next day he obtained a galactic sensation
 And practiced all night on this latest creation
 Ignoring all else in grim determination
 To really do HIGH-LEVEL dancing.

Well—he worked and he worked (it is true that he tried)
 But by dawn the next morning it ended: he died.
 When his Club Members heard they regretfully sighed,
 "He was almost a HIGH-LEVEL dancer."

In the small hours of darkness while humans are resting
 The dance hall is filled with unearthly protesting:
 Our friend has found out there's no end to the test in
 The Limbo of HIGH-LEVEL dancers.

Rickey

 of Square Dance Callers

CALLERLAB recently completed its sixth International Convention in Los Angeles and there were several significant actions taken by this prestigious group. A revision of the Mainstream program, a revision of the Quarterly selections List and a minor revision of the Plus I list. These are attached for your review.

The committee on Definitions has provided clarifications and some minor revisions to the definition of

The following article was sent to the Promenader by a gal that doesn't even square dance. It seems so very appropriate for our more enthusiastic dancers that seem to have an insatiable appetite for "more". How well it seems to fit as a dancer goes from one level to a higher one. Higher level dancers, we love you and dedicate this to you.

terms for the basics numbered 39 through 69 on the CALLERLAB list. These definitions will be distributed to all CALLERLAB members within a month. More important, however, is the vote taken on the Basic "RECYCLE". The membership of CALLERLAB voted by a large majority to keep "Recycle" as a NO-HANDS move. We would urge all callers and dancers to emphasize this during 1979-80 in order to give it a fair shake.

CALLERLAB also discussed the subject of Dance level identification. The result was that a resolution was passed which should help clarify what is recommended for all clubs and callers. The resolution provides guidance and yet affords sufficient latitude so that all clubs and callers can operate effectively within the wording. For your interest, the resolution follows:

"Be it resolved that CALLERLAB adopt a policy suggesting that members call movements within the advertised/designated plateau and use calls from any plateau other than that which was designated, and/or any unlisted experimental, only after walking or workshoping that call, and be it resolved that conducting a designated level workshop shall mean, workshoping the calls listed for that plateau."

While this reads "Members", CALLERLAB hopes that all callers, clubs and festivals will follow the spirit of this resolution and make it easier for dancers to know if they are attending the correct dance for their particular comfort, confidence and skill level. It does not brand anyone (club or caller) as a particular type of person, but rather indicates what the calls for that program will include. When everyone follows this guidance, the callers will be able to program better and thus improve the enjoyment of all dancers.

We would like to remind all callers that CALLERLAB is conducting the Callers' Seminar at the National Square Dance Convention in Milwaukee on June 28, 29 & 30, 1979. There will be two sessions daily and the staff includes several of the outstanding trainers with in the calling profession. There is no charge for this seminar.
