NOTE:

I'VE BEEN AS
BUSY AS A BEAVER
BUT I HAVE TO TELL
YOU THIS.....

The September Issue is the working issue. The hard working Club Presidents are listed. (What a job they have!) Open houses, that we all work on, are listed with more information in the dance schedule.

The Promenader Staff is again hard at work. We've organized a Reporters' Meeting in order to improve this little paper. Bring any suggestions and comments you may have, and we'll bring ours. Together maybe we can make the best local Square Dance Magazine better. You're all invited; not just reporters. The topics we'd like to cover are: Effective reporting, Effective ads, Subscriptions. (See notice on this page for time and place.)

We've received much material from Legacy and Caller Lab over the summer. Most of it has been covered in the national square dance magazines. I've tried to include a few highlights. If anyone wishes more detail please call me.

NOTICE - Something New - Telephone numbers where you can contact a club are given at the end of that club's news. Especially helpful during wintery months.

NOTE - National Square Dance Week - September 17 - 23.

May the '79-'80 Square Dance Season be the best one yet!

As I write this, the demonstration dances at the County Fair are going on. They pull a lot of attention from the folks at the Fair, but I hope there isn't anybody who is sitting back and hoping that these demonstrations are going to fill their classes next month. The years have proved that by far the most class recruits come because an enthusiastic member of the club gave them a good pitch, and persuaded them at least to come to a free Open House dance and give it a try. The demonstrations, at the Fair, at shopping plazas, at church parties, anywhere else you can get in, are well worth while, but their value lies in exposing a lot of people to square dancing, so they at least know a little something about it when they are invited to your Open House.

Another thought I'd like to pass along is this: the Federation does not do anything! Your club does not do anything. Neither your state nor Federal government does anything. People do things. In other words, if anything gets done, it is because some person or persons do it. Your club---and the Federation---operate only as long as there are people who will take on the tasks that have to be done. You are reading this Promenader because there is a small group of dedicated people who have taken on the responsibility of preparing it and sending it to you. And if we continue to have a Dance-O-Rama each spring it will be because a number of people are willing to take care of all the planning and the detailed jobs that are needed to make Dance-O-Rama go.

Caller

Profile

CHUCK PRISTER

In seventeen years Chuck never had to "start a club of his own" to become a caller/teacher. Irondequoit Squares, EKC-O Squares, Copy Cats, and Genesee Dancers have all been teaching assignments - with one night stands used to "push the product" as a non-competitive couples activity and recreation.

Twice moderators of Callers' Co-op in its early years, Chuck and Gerry are still active with the group in its program of Communication, Cooperation and Rapport with callers and dancers. They have attended the Davis/Jones International Callers College and Festival of Champions Clogging College.

Daughter Julie - a Deaf Education major at Renoir-Rhynne College is known locally as a clogging instructor and for her D. O. R., SASDA, and Television performances. Son Kurt, entering his senior year as an Economics major at U. of Virginia is aiming for an M.B.A. Both are former Wiskaways.

Monroe County Fair exhibitions, plaza dance dances, Cancer and Cure charity dances, nursing home entertainment and calling for the hearing impaired at the Rochester School for the Deaf are all part of the Pristers professional "dues" to the community as square dance leaders.

The friends they've made are the folks they've taught.

BECOME A BETTER DANCER

by Jerry Carmen

CALLERLAB (the international association of callers) has helped greatly in standardizing dance levels. Dance level identification has its greatest value at special dances and festivals where general square dance public is invited. It tells callers and dancers which calls may be used in a particular hall or tip. For reference, dancers should obtain a list which indicates the various levels and the calls associated with them. This is published periodically in the PROMENADER or can sometimes be gotten from your club caller on request.

CALLERLAB says that all callers should not use calls outside the advertised level without first workshopping or a walk-thru. As a dancer, you have a right to complain to the caller and the organizers if this is not done. Some have suggested if you are sufficiently dissatisfied, to ask for your money back and leave.

As a dancer, you also have the responsibility of being able to dance the advertised level. You should not attend a dance where you do not know most of the calls associated with the level. It is unfair to expect other dancers to pull you through. You might break down squares consistently and frustrate other dancers who want to get through the tip. An exception to this is if you attend with a square of your friends who will dance with you no matter what the results.

You can determine which level you dance by examining a list and noting which level you know the most calls. If there are only a few calls you don't know, ask your caller if he will workshop them, or at least walk you through between tips. Most callers will be very glad you asked. If you wish to learn all the calls in the next level, look for clubs or callers advertising workshops at that level.

Above all, please remember that "higher level" does not mean "better dancer". A good dancer at any level smiles often, is friendly, and executes the calls he has learned smoothly, confidently, and to the music.

Boots n' Slippers

Dear Friends,

When you read this, a new season of square dancing starts for Boots 'n Slippers with Open House, September 7. Mike Callahan, club caller, and Al Howe, class teacher, will call. Even those who have never danced before will be able to have fun with "old timers".

Anyone who has friends who are interested can take them for a free lesson when the first class starts; Tuesday, September 11 at 8:00 P.M.

Dottie and Howie have planned to have the round dance class on regular club night from 7:30 to 8:30.

Boots 'n Slippers retrieved their banner from Tecumseh Squares on June 26 and with 8 couples captured Tecumseh's banner again.

Many couples were on a float in the Hilton Fireman's Parade and would have danced if there hadn't been a problem with the sound system. At the carnival grounds, Al Howe called with club members dancing and he even pulled in people from the watching crowd.

A good representation of the club - Altons, Ames, Baldwins, Graybills, Hawleys, Hushards, Jacklings, Laschs, Millers, Nesbitts, O'Gormans, Tabers, and Trouskies attended camp out at Bonnie Brae with Mike Callahan. It was beautiful hot weather.

At time of this writing the club is scheduled to dance in Parma days on August 25 and we hope it isn't as hot as last year.

Copy Cats

It has been a busy summer for the Copy Cats. Special events included dancing on the Fourth of July at the Kiwanis festivities in Brighton and marching in the Webster parade. We also spent a hot but happy evening dancing at the Monroe County Fair. Chip Kellogg was our caller for these events. On August 9 and 10, Mike Callahan led us through our paces to help in celebrating Webster Days and Jon McNally made it three nights in a row when he served as guest caller on the 11th. On the 25th, our annual picnic was again memorable - delicious food provided by all our Taws, swimming in Bayview pool, and of course, dancing with Mike Callahan calling. The combination made for an outstanding evening.

Looking ahead our guest caller on September 8 will be Ken Boss, and we hope to give him a really good turnout. Also of special interest are the two open houses as listed in the club schedule - come and introduce your friends to the enjoyment of square dancing.

We want to alert you all to October 13 when Cliff Brodeur, a national caller will be with us. Mark your calendar and plan to be with us. We are delighted to see past-president Ozzie Ostertag back on his feet and looking so well after his heart attack last June. He's hoping to be dancing soon and we are looking forward to that day too.

Leadership meeting with the CCR is planned for December 2nd. Someone from CCR is planning the meeting, and location and other details will be forthcoming.

Cloverleaf Squares

Summer is over, schools back, the leaves are starting to wither and mother nature is preparing to hibernate for the coming winter. Meanwhile we are gearing up from a nice lazy summer of dancing to a new class and many planned events.

Although things are a little slower during the summer, it has not been without its own events. For example; Cindy Coomber and John Mitchell have announced their engagement (we all wish them the best). The club spent a marvelous weekend at George Phillips cottage (our thanks and appreciation). Guest caller Jack Sadwick gave us a fun filled evening, and of course we would like to thank our regular caller Mike Callahan for sweating another summer out with us.

Now our thoughts turn to future plans; Open house September 16 and 23. Guest caller on October 7. Haloween dances and who knows what else.

Watch your club mail because I'll be sending you invitations to be our guests. If your club does not get one by November, please accept my apologies, drop me a note at

and I'll correct my oversight. Please be sure to include the name and address of your club representative.

Country Dancers

Country Dancers were well represented at the National Square Dance convention in Milwaukee. Barb and Ed Butenhof, Virginia Haynes (also Swinging Singles) and Sally and Ken Paul (also Genesee Dancers) danced til their feet got sore. The contra program was very extensive. Two hour sessions of contras for beginners; clinics on how to call and styling; heritage clinics on Scottish, English Country, Southern big circle dances; and contras for accomplished dancers were only part of the program. Each evening an after-party was held at the Turners Club and for the first time live music was introduced at a National. Tony Parks (piano) and Donna Hines (fiddle) sparked some mighty good dancing. Many callers known to the Rochester scene called: Ed Butenhof, Don Armstrong, Cal Campbell, Walt Cole, Gib Gilbert, Bob Howell, John Kaltenthaler, Bob Osgood, as well as 36 others. Many square dancers tried contras for the very first time - sometimes over 300 people were in the large hall. There is no doubt that contras fit best at conventions and festivals.

The Flaming Leaves Festival at Lake Placid will be held September 28-30 with Ed calling contras and Art & Garrie Jackson on rounds. Square dance callers will include John Hendron, Jim Lee, Earl Turner, Tom Tomlinson and Bob LaBountry. Why don't you join us? Be sure to attend Country Dancers' open house on September 20. It's free and there will be live music. It will be a party night with refreshments so if you have a favorite snack, bring some along to share.

Diamond Squares

On Wednesday nights this past summer at the Covenant United Church, Culver Road and Parsells Avenue, we had up to 10 squares of folks who ignored the gas shortage and summer heat to enjoy the rounds and squares provided by our caller, Bob Ellis. Applause also to his wife, Nancy, for her support.

The Saturday Plus -2 dances brought together people from many clubs. We learned new calls and reviewed old ones that some of us had not danced before.

On Wednesday, July 25th, we celebrated "Christmas in July" at the Green Lantern Inn. The food was excellent; gifts were exchanged and we enjoyed good dancing with many couples attired in outfits of Christmas Red.

Another summer highlight was the picnic at Foreman's Park in Pultneyville on August 12th. Club members, Woody and Helen Covey, the park's managers, certainly contributed to the day's success.

It's Anniversary time for Diamond Squares. On September 5th, we will celebrate our second year as a Club. We are now dancing at a much higher level, constantly learning new material (messing it up sometimes, too). Club members are generous in sharing their time and talents in all areas of the Club's activities. An aura of friendliness and fun prevails at our dances. Congratulations, Diamond Squares.

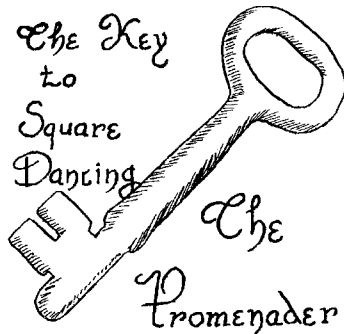

Upcoming, September 7 - 9, the 3rd Rainbow Weekend on Seneca Lake. Relying on past experience, we will enjoy beautiful scenery, good fellowship and lots of dancing.

Couple of the Month: Bob and Crysta Stetzenmeyer. thanks to Bob's talent as a photographer, we have a complete pictorial history of the Club.

Thanks also to Dick and Nancy Hutteman for good reporting in the past.

Good Dancing!

Genesee Dancers

Even though the calendar says its still summer, weatherwise, its otherwise! So now that it's cooler, all you Genesee Dancers who took a summer hiatus because of the heat, can shake the wrinkles from the skirts, dust off the dancing shoes and come on out to Trail Back. This big event is scheduled for September 6, at the Green Lantern Inn with cash bar at 6:15 P.M. and dinner at 7. The dinner will be free for those members who paid their dues by September 1. The dance will be \$3.00. The Nichols will provide decorations.

The executive committee reports that the summer dances were very successful; however, it was decided an increase in the cost of dance attendance was necessary. Subsequently, it will cost \$3.00 per couple to dance on Thursdays instead of \$2.50 as in the past.

To perpetuate Genesee Dancers, we must have classes each year. Its not too late to send suggestions for members to Dave and Sue Ernst, or better still, bring your friends on out to Open House on Monday September 10 and September 17. The time is 8pm at the Henrietta Town Hall and don't forget, angels are always needed! Chuck Prister has agreed to call for the class again.

We will be missing Norm and Gloria Steinmiller this fall. They are temporarily residing in Leeds, England where Norm's employer relocated them in June. Mase and Ginn Fitch visited with them for two weeks in August. Other Genesee Dancers who have been on the move include Lynn and Margaret Fogg and Mike and Marguerite Grose who all spent a weekend in Chautauqua, seeing the town and attending a play. Bill and Irene Ruster have been taking monthly three-to-four day jaunts while Jack and Liz went to Minnesota to "trace their roots". George and Irene Kochersberger spent their vacation looking for homes on Cape Cod. They have sold their home in Rochester and will be moving in the fall, much to our distress. We were grieved to hear of the death of Charlie Howlett's mother.

EKC-O Squares

Now for September, when we welcome back members we may not have seen much during the traditional vacation months and we also welcome newcomers to join in the fun of square dancing. The Welcome Back Dance will be at 8 p.m. Wednesday at Kodak Office--no dinner as in past years but refreshments will be on hand. Don't forget round dancing a half hour earlier.

Dick Bayer, a national caller, will be doing the honors for us that night.

Open House will be the following week with Ken Anderson. This is your opportunity as a club member to bring a friend who may want to learn more about square dancing and how to share in the fun at EKC-O. Bruce Shaw and Chuck Prister will be the callers for the class this year. Pass the word to those you know and be extra friendly to our open house guests.

Something new: a round dance class for beginners that also will be helpful later in the year for persons who'd like to brush up their steps. Betty Wolcott will lead this class from 7 to 7:45 p.m. each night there's a club dance, starting September 19. Details will be available shortly.

Calling our other regular dances this month will be Bud Redmond on the 19th and Ken Anderson on the 26th.

Special thanks and appreciation go to Les and Vi Walther, who have been our senior federation representatives, and Earl and Arlene Rowley are the new junior representatives. Thank you, all.

This is our last issue as reporters for EKC-O. We've enjoyed keeping you informed on the club's doings and getting to know more about you at the same time. Thanks to all who helped out and keep the help going for your new reporters, Paul and Dagmar Dean.

Glass Slippers

It was a busy, beautiful summer for the Brockport Glass Slippers. What better way to spend the balmy summer evenings than dancing with Ron and Betty Fotch at their Spring Creek campground where Ron held workshops and dances all summer long. On Sunday evenings, Ron called squares at the Club 2 On 2 in Brockport, on the lighted disco dance floor, in a change of atmosphere.

During the afternoons of June 2 and 3, Dick Carter arranged for a square dance exhibition at Springdale Farm Open House, with Ron calling squares under the sunny sky. The annual ice cream social was held on July 25 at the Campus School, on a hot night that was not too hot for dancing to Ron's calls and songs. Don and Mary Lou Cotton furnished the ice cream, syrup, and peanuts, and the members concocted their own creations. Elsie Epke as usual contributed her special blend of iced tea.

Ron sprained his ankle and was using crutches as he called for the exhibition of Modern Western Square Dancing at the Monroe County Fair in August. He sounded his finest, and spectators seemed pleased by the brightly costumed square dancers, who thoroughly enjoyed themselves performing by the Dome Arena.

Ron and Betty Fotch are looking forward to the new fall season and hope that Glass Slippers members will introduce new prospects to the club at the Open House, which will be held soon.

IRONDEQUOIT SQUARES

Welcome back to another great year of square dancing. We hope you all had a good summer and are ready to start dancing once again.

The first dances of the new season will be held on Sept. 15th and Sept. 29th at our new location, the Norwood Middle School, 600 Pardee Road, corner of Norton St. This is just a few blocks north of our former location. Bill Wilcox will be calling and Linda Wolf cueing the rounds.

The new class will start on Tuesday September 18th, at 8pm, at the Brighton Reformed Church Lodge, 805 Blossom Road, with Bill Wilcox instructing. Everyone is welcome and classes will be open for three weeks. Club members are asked to personally accompany anyone they know who might be interested, and introduce them to the fun and friendliness of square dancing. Call Joe and Betty Zinni, 288-4506 for any further information.

The black top dance and tureen supper on July 27th was very well attended, and enjoyed by all. The food was delicious and the beautiful weather made it a perfect night for dancing. Nelson Coco reports the campout in July was very successful, with ten couples participating in the many activities, although I hear "Reveille" was not one of their favorites. Congratulations and best wishes to Linds Wolf and Mike Liberti, whose engagement was announced at the Trail End dance. Many thanks to Jean and Bob Weston and their committee for the gala celebration of our 20th anniversary, also to Cathy and John Zwierzynski for the great picnic on June 16th.

Lima Grand Squares

Sad as it is to see summer end, it's good to get back to see all our Square Dance Friends. This year, we are changing our format a little. In September, we will first hold a club dance and then have our Open House. Starting in October, we will only square dance in Lima on 3 Fridays a month - the other Friday can be used by our club members as a travel night to other clubs. By now all should have received a copy of the year's schedule. To all our friends in the other clubs, I will have a listing each month in the Promenader as to when we meet.

Over the summer months, our club did have its annual camping weekend as well as our club picnic. All who attended had a great time. (At the point that I am writing this, the picnic is still a week away, but from what I am hearing many are planning to come.) Thanks to Lou and Rita Lambert for letting us hold the picnic at their place.

I'd like to close with a thought to our club members. The success of our Open House and the growth of the club depends upon new members. If everyone would try to interest just one couple into coming to the Open House, we would perhaps gain a good-size class for the year '79-'80. So let's all try to get the ball rolling.

Farewell for this month -- from the sunny corner down Lima way.

Kuntry Kuzzins

Kuntry Kuzzins have been busy this summer demonstrating and visiting other Clubs.

Open House for new classes will be on Wednesday, September 19th and 26th. Everyone welcome, let's go out and find those folks who are interested in dancing and make this years class a large one.

Our club dances will start on September 8th and 22nd. The first and third Saturday each month. All friends in area are welcome to come and join us again this year.

Our classes are held at the Roosevelt school in East Newark. Our club dances are held at Kelley School, near the high school. Keep in mind the special Bruce Shaw dance on November 10th. Let's get back into the swing of things, see you around the square. We welcome Jon and Sue McNally to another year of calling for our Kuntry Kuzzins.

To Vince and Norma Kammer - A Big Thank You - for a great job as reporters last year, and good luck in your new positions as club Vice Presidents.

With the Lazy Hazy Day's of summer about gone, it's time to square-em up and get back in the swing. Our first dance will be Tuesday September 11th at Parkland School from 8 to 10:30 P.M. If you think your a little rusty why not polish up with a 10 week class, starting Thursday, September 6 from 8:00 to 10:30 P.M. at English Village School.

We're all looking forward to our Adult Picnic, September 29th from 5:00 to 10:00 P.M. at Hamlin Beach State Park. Particulars to follow.

Hope to see you all soon.

Jack of Hearts

Hi again! Summer's over but it is still high in our thoughts as we contemplate the square dance season ahead of us. The Jack of Hearts will be dancing the 1st and 3rd Wednesdays each month, as usual, but -Now Hear This- we are moving to a new location! We'll be at the East Rochester First Presbyterian Church, 109 East Ave. just one block south of the East Rochester Mall. You'll find this hall a fine place for our dances and a good move for the club since the Irondequoit Schools became unavailable to us, necessitating that we find a new home for the Jack of Hearts. See you there, 8 o'clock, on the 5th.

More news: The Jack of Hearts will sponsor a class in Advanced Dancing beginning Sunday, Sept. 23rd with Ted Whitacre teaching. Watch for flyers on this and encourage people to give it a try, they'll enjoy learning some intriguing new square dance calls and you'll be helping to promote upper level dancing in our community. Your reporters met and danced with many different advanced and challenge dancers at the National Convention in Milwaukee in June. As we discussed square dancing with these folks between tips we found overflowing enthusiasm for high level dancing and reports of its slow but sure growth in their areas.

Our caller and his taw, Ted and Sandy Whitacre, will be in especially fine fettle for class and club this fall because they found time this summer, besides their regular calling and dancing activities, to participate in two special high level events -- the Rochester Challenge Weekend and a special week of challenge dancing at Cherry Ridge Campgrounds in Pennsylvania. They're sure to have many good ideas and new concepts for us from these enriching experiences.

Here's to good dancing in our new home. Tally Ho!
George and Eileen Howard

Merry Mixers

September is here once again. It's time to get out the dancing shoes and join in, for the new Fall season of fun and frolic. Our social contacts begin on September 7th with Open House at 8:00 P.M. Seneca Methodist Church 121 Schofield Road. Classes for new dancers will begin on Monday, September 10th. First Club dance is scheduled for September 14th.

Looking back to summer events, our picnic on July 14th was fun and games, with an abundance of good food and drinks. We owe Leona and Ed many thanks for their efforts to make it a happy day. A group of Merry Mixers entertained at Ann's Home on July 16th. For the people there, it was a night to be remembered.

One final note, remember club members, you are invited to come out and help the new class learn their place in the square, allemande Left's and Do Sa Do's.

"Happiness is dancing with the Merry Mixers."

Our Open House is September 20, 8:00 to 10:30. Bring all your friends. I'm sure they will love square dancing and all the other activities that go along with it.

On October 13th, we will have a Saturday Night Dance from 8:00 to 11:00. Come and join us.

Hope to see you all soon. Ron Fotch will call all new and old calls for us.

Until next time.

Promenading B's

Here comes September again and it's back to "business as usual" for the B's, but before we get into that, we want you all to know that the B's retained the volleyball Trophy by successfully defeating all comers at Spring Creek Campgrounds on July 22. Actually, it was three straight games over the Morton Country Swingers, but - Coach-Captain Roger Dart would eagerly field his team against any and all challengers from other square dance clubs. Give him a call at 293-1872 and set up a date for one of the nice fall weekends, we're all looking forward to.

On September 7th, we're hoping to attract some new dancers with a demonstration in the North Chili Super Duper Parking Lot from 7:00 to 9:00 PM. On the 14th we'll have our Annual Reunion Pot-Luck Supper and dance and Open House will be September 21st at 8:00 to 10:45 pm. If you have friends who can't make open house, bring them the 28th and join in helping us all to get the fall ball rolling.

One and all come and dance with us.

Rainbow Squares

Fall is upon us again after a beautiful summer for all, we certainly hope.

Our club got together a few times during the summer. Once to entertain at the Conesus Nursing Home. Second to dance at the Monroe County Fair to Ken Boss and Ben McGilvery. That was some turn out! A good time was had by all. Good luck to every club this year in getting class members, including us. Have a good year.

Tecumseh Squares

Exciting news is what we have for you this month. Beginning on September 4th, Tecumseh Squares is expanding their schedule to square dancing every Tuesday night all year around. A rounds workshop will be offered at 7:30, squares will run from 8:00 to 10:30 every Tuesday at the Red Men's Club, 1001 Lexington Avenue. See our full page ad elsewhere in this issue for complete details of our new format.

On behalf of our sponsor, Tecumseh Tribe of the Red Men's Club, Tecumseh Squares has continued financial support for Indian children and has donated \$250.00 for eye therapy to a young boy in need of help. Other worthy causes will continue to be investigated.

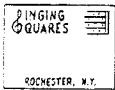

Those who danced with us July 10th will remember the good time Gary (caller) and Alice (cuer) Bubel provided us. They'll be back with us again on Oct. 9th. On Oct. 30th, yodeling Joe Uebelacker calls for us once again. Looking further ahead, our Ninth Annual Beginners Ball will be held in early 1980 with square dance classes beginning three days later on Tuesday, our regular dance night. As in the past we will have two halls available - one for club and class level, and a second hall to introduce people to square dancing. Callers Bruce Shaw and Jack Sadwick will be on hand. The dance will be preceded by a dinner.

Members enjoyed a picnic in June at the Justice's Lake Ontario cottage. Coming up in September and October are a family bowling party, a winery tour, and a hayride.

Thanks for dancing with us this summer and check our ad in this issue detailing our new dance-every-week format beginning September 4, 1979.

Both events be begin at 8 p.m. We extend a hearty welcome to all our members and friends. Come on out and bring another couple, you'll be glad you did! An exciting program is being planned throughout the year. Mike will include some workshop activity during each dance, to add a little zest.

Some vacations are over, some yet to come. Either way we hope you had an enjoyable time. See you at Open House!!

Swinging BB's

Welcome back to the pleasant grind of Square Dancing. The Swinging BB's have had an exciting summer. It started with a campout on June 8-10 at Lakeside State Park. On July 14th the Harrigan's hosted a picnic at their home. We wound up the summer with a campout at Sugar Creek Glen on August 10-12.

Congratulations go to Tim and Emily Harrigan, who became the proud parents of a son Shaun in July.

Our Open House will be on Saturday, September 8th, at 8:00, at the Town-Line School in Spencerport. Please talk it up among your friends and let's have a super turn our.

Swingin' Eights

Big News --- the Swingin' Eights will no longer be dancing at Hosea Rogers School. Our new location will be the Ivan Green School (formerly under name Whipple Lane School) at 800 Brown Road. Brown Road runs off Ridge Road East, 4 blocks west of Culver Road. That's where we'll be dancing this season, beginning with our Pot-luck Supper/Dance 6:30 pm on Sept. 8th, followed by our Open House on September 22nd. Present club members are urged to make a special effort to bring newcomers to the Open House dance, to acquaint them with the good times that can be theirs through square dancing.

Summer camping/dancing weekends attracted several Swingin' Eight couples, including the Joyces, the Jenkinses, the Andersons, the Knudsens, the Schippers, the Soltysaiks, the Holdens, and others. For a camper's delight, ask Knute Knudsen for his recipe for prune juice. Bets and Knute will be leaving on October 4th for a one-month trip to exotic India.

For the July 28th picnic, Ron and Marny Bryant's Hemlock Hideaway proved so much hid-away that our beloved presidents, George and Rose Bauerschmidt couldn't find it at all.

Terry Crane had an operation --- problem solved, everything now o.k.

Ed Allen's sons, Mike and Paul, both broke their left arms. Is that coincidence, consistency, or did they inherit weak left arms from Ed?

We're hoping everybody likes the new Swingin' Eight hangout at Ivan Green (Whipple Lane) School. See you there.

Wyco Promenaders

The Wyco Promenaders have had a busy and fun-filled summer. We have had good turn-outs at most of our summer dances - especially good at our chicken bar-b-que!

We held an out door dance in the shopping plaza parking lot - hoping to spark interest in prospective dancers. We drew a nice crowd of spectators - and our caller made us look pretty good. We also demonstrated our talents (?) at the Wyoming County Fair.

We would like to see a big group start class this fall. We welcome all to Open House on September 14 at the Elementary School on West Court Street, Warsaw, for an evening of good fun and good dancing with Chip Kellogg calling. Come and bring your friends.

Twirl-A-Rounds

A great time was had by all at the annual picnic at DeGrave's summer camp on August 18th. Did you wield the water balloon with aplomb...or did it prove unwieldy? Hope all enjoyed their summer vacations. Joyce Dorrance and her daughter motored west and have lots of interesting experiences to relate to us. Betty and Vince Huber gained a son-in-law when their daughter was married in July. The club sends best get well wishes to Bob Lemley, who is recuperating from surgery. September birthday guys include Cliff Fulton, Bernie Hinkson, George Shaw and Brian Adams, with Marge Tracy being our lone birthday gal.

The Seventh Canadian Round Dance Festival was held at York University in Toronto August 9-11. The Twirl-A-Rounds were well represented with the DeGraves, Kosbabs, Snells, Keppens, Tracy's and Spadoni's all in attendance. This affair is a highlight of the year. Dot and Howie taught a nice rumba which was well received. We learned many dances at the festival and half the fun was discussing them at the afterparties.

Our club dances resume September 12th and we look forward to seeing you again each week. Basic class instruction starts September 11th. Try to interest your friends in this enjoyable pasttime. Save the date November 17th for a very special Round Dance Dinner Party. More about this later.

Wayne Westerners

Hi, and welcome back for a fun filled year. Here's a rundown on our summer activities. May 18 we had our Annual Apple Blossom Dance which was well attended under leadership of Porters and Pettys and Dottie Seeson planning refreshments. We also had a float in Apple Blossom Parade. May 31 we enjoyed Trail End Dinner at Zappias in Newark. During summer we danced for Senior Citizens at Lyons. A great number of us drove to Fulton to dance with the Shirts and Skirts and were royally entertained and fed with a beautiful cake welcoming us Wayne Westerners. It was baked by their out going class president, Avis and Earl Crofoat - Thank you. We had a delightful picnic with all sorts of goodies at Forman Park in Putneyville on July 12. Probably the most memorable event of the summer was our camping weekend at Sampson State Park where many of us had a great time. Thanks Jeff and Sally Elmore with your kids for joining us and calling for us, Jeff.

Now a word about what's coming. On September 10 and 17th we will hold two free open house dances for any who might like to learn what Square Dancing is all about and join our class at Williamson Primary School, which meets on Monday nights. On September 6 our regular club dance dances will start.

Several Wayne Westerners will be attending the Flaming Leaves Square Dance Festival at Lake Placid in late September.

Till next month.

Village Squares

Workshopping, partying, traveling kept the club busy throughout the summer.

Mainstream 1&2 plus experimentals became easy as caller Dick Casper worked the kinks out of new graduates and club members. Everyone had a great time, plus became better dancers.

In between club dances, members traveled to other clubs. C. B. Radios kept 8 carloads on course as they shuffled off to Buffalo for "Party Nite" with Art Harris Club. The next week it was Penn Yan with five more carloads of eager dancers.

Everyone said they had a "great time" at the annual Family Picnic. Many thanks to chair-people; Frank & Louise Geraci. The weather cooperated, the food delicious and the volleyball game - fiercely fought.

Sunday, October 7, mark your calendar now - National Caller Kip Garvy will be calling at the Green Lantern Inn, 2:00 to 5:00, in Fairport. If you know Kip you'll be there, if you haven't heard him don't miss this special opportunity.

We'll be kicking off the new Square Dancing year with a Pot-luck Dinner and Dance at the Church Social Hall Saturday, September 8. A box-dessert auction is also on the evenings agenda. Sounds interesting!

Saving the best for last - The Village Squares 1979 Open House. Everyone is cordially invited to come Tuesday, September 11, 8:00 P.M. in the social hall of the First United Methodist Church, Church Street, Fairport. Web Spinners

Welcome back to another year of dancing and fun with the Web Spinners at our new location, Plank Road North School at 705 Plank Road. As we return, memories and highlights of a special summer linger on.

Wagonmasters Mike and Diane Iacona planned excellent campouts all around the state with good turnouts and good dancing with Bill Wilcox, Judy Wilcox, always prepared, gave a "Christmas in July" celebration at Ferenbough and Carol Rall received prizes as winner of new card game played this summer.

Six spirited couples decked out in patriotic red, white and blue outfits, marched, danced and managed to win a tall, beautiful "Best Spitted Group" trophy in the Webster 4th of July parade. It will be displayed at our dances. Come and see it! Trophy winners were Ralph and Velma Bodensteiner, Jack and Betty Ferrara, Joe and Arlene Galen, Bob and Delore Harloff, Harvey and Jean Schwieger and Sid and Jean VanApeldoorn.

Remember to invite and bring friends and neighbors to our Open House on Friday September 14. Good luck and a successful year to new presidents Nick and Claudette Gulian. See you on September 8 with Bill and Gordy!

LEGACY SELECTS NEW LEADERSHIP

During LEGACY IV held May 10-13, 1979, in Louisville Kentucky, the trustees of Legacy selected a new group to guide the organization during the years ahead. Chosen to serve in the capacity of Executive Secretary were Dick and Jan Brown of Bellevue, Nebraska. The Brown are succeeding Stan and Cathie Burdick who had held the position of Executive Secretary since 1975. Prior to that time LEGACY operated under the guidance of it's creators: Charlie and Bertha Baldwin, Stan and Cathie Brudick and Bob and Becky Osgood.

LEGACY was conceived by these three couples, all editors of prominent square dance publications, in 1972. Their goal was to form a service-leadership organization for the purpose of developing better communications among the many facets of the square dance activity. This has resulted in the scheduling of bi-annual meetings of square dance leaders for the purpose of exchanging ideas, dicussing problems and providing possible solutions. Since the first LEGACY gathering in 1973 through the present time there have now been four of these "think tank" sessions. LEGACY is a leadership resources center attempting to establish a public trust for the continued development of American Square Dancing.

LEGACY IV HIGHLIGHTS

The fourth bi-annual meeting of LEGACY Trustees was held in Louisville, Kentucky, May 10 through 13, 1979. This gathering attracted 212 Trustees from 35 States, one Canadian Province and two European countries. thus living up the the LEGACY motto: "International Assembly of 'Trustees' of the Square Dance Activity."

Beginning with the Thursday evening dinner through the Sunday morning resolution session there was continuous activity ranging from light-hearted fun and games through detailed discussion meetings. The selected topics for discussion during LEGACY IV were the three "E s" - Education, Ethics and Economics.

Each of these subjects were evaluated in respect to their effect, both positive and negative, on the entire square dance activity. During the various discussion group sessions, designed to allow all Trustees to pursue each topic as it relates to their specific segment of the dance activity, everyone was afforded the opportunity to openly express themselves.

Among the highlights of the discussion on ethics was the fact that there is a need to deseminatate to the local level the knowledge that Callerlab has a grievance committee that may be utilized to resolve caller related problems.

During the examination of the effects of economics on square dancing there was a general realization that, unfortunately, there appears to be no way to escape the path of inflation. Only a simple warning to those instrumental in the operation of dance activities to review their fiscal policies and make adjustments where necessary could be issued by the Trustees of LEGACY IV.

The Third "E" was education. It was in this area that there was expressed the greatest need for improvement. Through education many problems found in the activity could be resolved.

Other significant highlights included Bob Osgood's presentation of not one, but two Silver Spur awards during the Saturday evening banquet. Recipients of this prestigious award were John and Freddie Kaltenthaler and Stan and Cathie Burdick. It was a very significant occasion for everyone in attendance.

All in all there is a lot of sitting, a lot of talking, and generally a lot of hard work that takes place during a LEGACY meeting. But every minute is extremely worthwhile.

The Enjoyment of this LEGACY gathering was greatly enhanced by the hospitality of the host organization under the leadership of Russ and Roberta Carty. Truly a worthwhile and enjoyable experience for everyone in attendance.

TIPS FOR BETTER DANCING

By Ed Foote

Whenever you pass thru with someone, always pass right shoulders, never left shoulders. Only exception is from a left hand wave - there you will step straight ahead.

In crossing trails with someone, the person on the right will always cut in front of the person on the left, regardless of sex.

If you have executed a call and you are positive you have done it correctly, do not let someone who is unsure of the call make you change your position. Stand your ground and force that person to take the proper position. This will keep the square going.

If the caller calls a call you have never heard, do not give up and quit. In the vast majority of cases the caller will tell you how to do the call after he has said the name, especially if it is not one of the "basic 75".

Even if you have never heard a call, if it is not complicated, there is no reason for you not being able to do the call if the caller talks you thru it.

If your square breaks down, square back up and then have the head couples slide to the right and form normal facing lines of four with each girl to the right of a man. Now watch the other squares. Often the caller will get the squares back to facing lines a couple times before finally getting to a left allemande; when he does get them to facing lines, your square can now pick up the next call and you are dancing again.

You may wind up with your original partner or corner, but you are dancing and that is the name of the game.

This will not work every time, as sometimes the caller does not bring people back to facing lines before a left allemande; but it works often enough to be worth doing. In fact, some callers will intentionally bring people back to facing lines in order to pick up those who have broken down early; if you do not accept this opportunity to get back dancing, you may have a long stand until the next left allemande.
