EDITOR'S

NOTE:

Sometimes when I lay in bed at night, I get these terrific ideas....

That "terrific idea" turned into the reporters meeting. The PROMENADER gained a lot from it. (You'll see your ideas put to work as soon as they can be implemented.) I hope you dear reporters gained as much as you said you did. Thanks for the good ideas.

You'll notice the Non-Federation Ads are on page three this month. Each small ad costs only a few dollars, but all together they pay their share of the costs for that space. (They are not free.) Thanks to them for supporting us.

The Square-A-Round-Town says he's feeling a bit "under" the town right now, but will be back next month. Oh be honest, Hal, you're just resting up for the Oktoberfest.

Remember to renew your PROMENADER subscription. We must receive your renewal by October 20th to be sure that you receive your November Issue. Renew through your club or with the blank on page 14.

In the September PROMENADER the Pristers state that CCR, besides meaning the Callers' Co-Op of Rochester, stands for their program of Communication, Cooperation, and Rapport. To our minds, this also states exactly the function of the Federation relative to its associated clubs, and explains why it is important to have all of the club representatives at Federation meetings. If anyone has a suggestion to improve our communications, please give us a call, or bring it up formally at a meeting.

Rita and I also want to say that we would like to visit personally as many as possible of the Federation Clubs during the season, and if we don't make it to yours, it is because other demands on our time and physical energies have prevented it.

To continue a point that I opened last month: Remember that the Federation has no life of its own, but exists only as an association of clubs. This means that the people who become the officers and committees of both Federation and Dance-O-Rama must come from the individual clubs, so please continue to send us representatives who are willing and able to take on a share of these responsibilities.

Caller

Profile

JON MCNALLY

Jon met Sue at the Rochester Teen Twirlers way back in 1970. By 1975 Sue had an "air traffic controller"- (Caller) husband.

At the present time, Jon and Sue are and have been calling for the Pioneer Squares in East Rochester, NY; which is now their own club. He also calls for the Kuntry Kuzzins in Newark, NY, as well as instructing the their classes. Whenever time permits he also enjoys doing one-night stands for all kinds of organizations. The level of square dance calling that he finds most rewarding is Mainstream, M + 1, M + 2, Experimentals, and APD.

In order to understand the movements of square dancing, the background of square dancing and most importantly, to become a better caller; Jon has attended Callers School and several Clinics in New Hampshire and New York. He is also a member of Callerlab.

He and his wife Sue live on Elmcroft Road in the city of Rochester. During the day, Jon is a technician for the Eastman Kodak Company at their Elmgrove Plant. His wife Sue, is a Secretary/Accountant for the O'Connell Electric Company. When Jon is not teaching or calling nights, he can be found on the Rochester Institute of Technology Campus attending school for his degree in Electronic Engineering. During their "spare" time, they enjoy attending square dance festivals and square and round dancing with the square and round dance clubs in the area, as this has become such an important activity in their lives together. Jon also when time permits enjoys several hobbies, such as working on or with computers and building electronic gadgets.

Cloverleaf Squares

Rush - Rush - Rush so much to do and so little time time. The more I look around, the more I see upcoming. In fact, I hope I survive long enough to read this myself!! September 14 to 16 was Fling Fantastic in Olean (which I should be packing for now). September 16 (note - same date as last day of Fling Fantastic) is our first Open House - I hope the police between Olean and Greece take Sundays off.

Then one week later is our Second Open House.

Then one week later we have a nice calm regular dance, that is if you can call one of our dances regular. The last dance we had was held in the chapel because they were working on the floor where we regularly dance; it was so slippery that when Mike called slide-thru, we sure did!! Some of those slides would have made the Red Wings proud.

October doesn't look like it'll give me a chance to take a breather either. We have Swinging Singles Cloverleaf Square Picnic at Webster Castle Guest Caller Bill Wilcox Hay ride at Joe Sweeny's and the Halloween Dance. By the way, we would like to thank Joe Sweeny for all the work he and his helpers put into our Open House as well as for the use of the hay. We would also like to thank all the guests we've had lately. Some of which have come from as far away as San Diego (Gerard Bus), Seattle (Ann Crowley), and an Open House guest from Sweden.

Lastly, but not least, our engagement congratulations to Eric Stahlecker and Donna McKay; she has one year to learn how to spell his last name.

'Till the next tip,

We welcomed many new faces at open house. Classes start Tuesday September 11 with Al Howe teaching. Learning with him is really fun. There are many laughs in store for all in the class. Dot and Howie DeGrave start the round dance class September 14 and will continue through the year - one hour before square dancing. It looks like a busy happy year ahead.

Copy Cats

Looking back- thanks to the Tecumseh Squares for their hospitality on September 1. Those of us who were there were treated to a super evening of dancing. We had an especially festive group together to perform for, and with Ken Boss from the Rainbow Squares. It quickly became apparent who the people were that had not been dancing regularly over the summer but through lots of laughs, all the kinks got ironed out and by the end of the night we were all dancing like old "pros" again.

Looking ahead- "A Rilly Big Show" on October 13 - National Caller, Cliff Brodeur, will be our leader and we know its going to be a five star evening. You all know that fun is the way of all square-dancers and the more dancers the more fun. Add to our crowd and bring another couple with you. Along with Cliff, Al Over-slaugh from Phelps will be cueing rounds for us.

Finally, rounding out the month, our regular dance on October 27 is designated the Halloween Special. Costumes are optional but do give a different atmosphere to the dance hall. This has been designated as an open dance and as a special incentive, we are announcing prizes for the best dressed and most original costumes. Whooo will be ther Youooo!

Country Dancers

Jerry Helt from Ohio will be with us on October 11 on his way to the Syracuse Festival. We hope that square dancers and their friends might like to try some of the dances that he will use with us.

Another dance musicians workshop is being sponsored by the Golden Link Folk Song Society on November 3. There is a renewed interest in live music for dancing and we are lucky to have so many fine musicians in the Rochester area that are willing to give their time to this cause. Dick Bolt, our fiddle player, will host the session at his home. CDR will then reap the benefits of their labor by having a dance in the evening. Is their anyone out there that plays a bass fiddle?

The Butenhofs attended Pinewoods Camp near Cape Cod in August for the American Dance Week. Duke Miller taught the New England session and mixed in with his traditional square dance figures were some club calls (square through, cross trail, box the gnat, frontier whirl, star through, and others). Other classes included clogging, Southern style big circle dances, dances from Pennsylvania, round dances, shape note singing, and New England dance band. Each evening a dance was held using the theme of one of the dance classes. Of course, all sessions were with live music. Two fresh water lakes provided lots of swimming --and lovely pine woods trails beconed joggers and walkers.

Country Twirlers

Saturday, September 8th, marked the opening of another dancing season for the Country Twirlers. Believe it or not, this year is our 20th anniversary year. There were many "old" faces as well as many new ones at our Open House. Another momentous occasion was celebrated, our own Jim McQuade's birthday, September 15th. Jim says he was 39 "again"!

Our dance on the 22nd with Joe Reilly was great and we always look forward to hosting him.

Looking ahead, we welcome Mike Callahan on Friday, the 26th. This promises to be lots of fun. Then in November on the 3rd, Gloria Roth, a rare treat indeed for anyone who has not danced with her before!

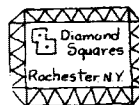

On November 10th, Country Twirlers are planning a special dance to celebrate our 20th anniversary. Al and Esther Fiege, Charter Members and Hal and Fran Pyritz, Club Historians are in charge of special arrangements. So, come join us for what proves to be an unusual dance!

Another thank you goes out to Dave and Lois Evans who will be our Federation Representatives.

Until Next month.

Diamond Squares

Diamond Squares is now in its third year. The Club had its second birthday party on September 5th. We celebrated with a program dance. The men, in their usual bashful manner, bowed and scraped the pretty ladies in their finery for the honor of the dance. We even had an anniversary cake. The big surprise of the evening was a 29" x 45" special delivery anniversary card from Lucy and Dick Gaswell.

Our caller, Bob Ellis, workshops round dances on Wednesday nights from 7:30-8:00 p.m. preceding our regular square dance. He also cues rounds between squares throughout the evening.

Plan to attend our Saturday night specials on October 6 and 20. There also is a dance on November 3. The time is 8:30 p.m. and the place is the Covenant United Church, at Culver and Parsells.

The next special event will be our Halloween party on October 31. If you would like to wear a costume, please do so. You might win a prize!

Helen and Allen Hopkins, recently back from an extended trip, thoroughly enjoyed the National Square Dance Convention in Milwaukee. They already have tickets for next year's convention in Memphis.

Please Note: There will be no Wednesday night square dance on November 7. Bob and Nancy will be enjoying a well-deserved vacation in Hawaii with a group of square dancers, including several couples from our Club.

Best of luck to Clarence and Barbara Courtemanche. Clarence was recently transferred by his employer to Lake Mary, Florida. We miss you.

Couple of the month: Bobby and Frank Gifford. We congratulate you on your 30th wedding anniversary celebrated on September 18.

EKC-O Squares

Our Welcome Back Dance got the Fall season off to an enjoyable start, with Dick Bayer calling and Betty Wolcott cueing the rounds. A big "thank you" to Ed and Ele O'Grady and their committee (Agnes and Harry Bailey, Norma and Charles Baker, and Connie and Clarence Briner) for arranging our mid-evening pause for refreshments and conversation.

EKC-O Squares are pleased to welcome the following new members: Don and Arlene Macdonald, Ray and Dorothea Brayer, Clarence and Ruth VanDerBrooke, and Walt and Dorothy Stanzel.

We were all saddened by the death of Harry Malley, a long-time member of our club. Our deepest sympathy to Mae.

Fall is election time, and EKC-O Squares will be looking for candidates. If you are a Kodak employee (or Kodak retiree) and have been a club member for a year, you could be a prime candidate for one of the following offices: Vice-president, Secretary-treasurer, Board Member (3 couples needed here). Consider where you would like to serve your club next year, and be ready to say "yes" when asked by the nominating committee. Better yet, volunteer!

October promises good dancing, with Butch Stowell on the 3rd, and Mo Howard on the 10th, both at Kodak Office. Please note that on October 19th, we begin dancing on Fridays at Kodak Park. Ken Anderson will be calling on the 19th, 26th, and November 2nd. We will celebrate an early Halloween this year on the 26th, so get your pumpkins ready for that night.

If any of you have information that you think might be of interest to other club members, please see us or call us at 225-6582. Thanks to all who helped us gather this month's news.
225-6582 Paul and Dagmar Dean

Glass Slippers

Recently we caught a TV program concerning heart problems, and the doctor on it prescribed as the best exercise for prevention or for cure of heart ailments: walking, swimming, - and square dancing. So don't feel guilty about the work you may be neglecting when square dancing; instead, congratulate yourself on strengthening your heart and thereby prolonging your life. Square dancing is a fun way to stay healthy.

We had fun dancing at the Bergen fair with caller, Ron Fotch, his taw, Betty and the Promenading B's, who always make us feel especially welcome. By the time you read this, hopefully we will have had a fun-filled Open House, with numerous new members. And we have a schedule filled with fun dances, such as: Thanksgiving White Elephant Sale Dance, to which we are inviting several clubs; Christmas Pot Luck Dinner Dance; and in January, to warm up the chilly season, a South-Of-The-Border Hot Chili and Dip Dance. Happy and healthy dancing!

Our Open House was a huge success. The Pot Luck Dinner consisted of many delectable dishes of which everyone ate heartily. There were many new couples who we'll enjoy having as part of our club, and we're sure they'll enjoy dancing with none other than our melodious caller, "We're Gaining" Ben McGilvery, and also Ben's spark plug, his super congenial wife, Sadie. The club was really enthused to have these new couples with us at Open House, and we're sure they learned a great deal even before starting classes.

It was so nice to see everyone together again - we hope we'll be seeing the many new faces from other clubs who came to our dances last season and also those who didn't.

Don't forget, we're going to have a workshop session at the beginning of each dance again this season with calls from CALLERLAB quarterly selections.

The Yellow Rockers Traveling Club will be starting up again the third week of October - watch for flyers.

We're having a Halloween Dance October 27 - come and join in the fun.

With our new season well under way, it was so nice to see everyone back square dancing again. Our new schedule looks very good, and I know we have an enjoyable year ahead. A special welcome to the new graduates, be sure to join them in a square.

October 13th we will be dancing with Bill Wilcox calling and Linda Wolf cueing the rounds.

October 27th will be a joint Halloween dance with the Swinging Eights at our new location, the New Laurelton School (Norwood School) 600 Pardee Road, corner of Norton. It will be a costume dance, so get your thinking caps on and see who can come up with the most original outfit. The Ralph Menzie's from Irondequoit Squares and the Jack Joyce's from Swinging Eights are co-chairpeople for the dance.

A wonderful time was had by all who attended the picnic for Linda and Mike on August 19th. A mock Hill-billy wedding, complete with shotgun, bridesmaids and organ music was the highlight of the day. Many thanks to Ginny and Ed Penczek who outdid themselves to give everyone a super time!

See you all dancing.

Jack of Hearts

"Ross Howell is having an Advanced Weekend at Cherry Ridge! Shell we go? Yes indeed!" Five couples traveling by trailer and motor home, journeyed two hundred miles to the square dance campground in the low mountainous country of north-eastern Pennsylvania. Dancing began Friday evening. Joining about fifty other couples on the springy wooden floor, our group felt a special thrill to hear Ross Howell, our former teacher and club caller, say, "Square em up".

Ross tested the dancers using various positions for several of the more intricate advanced level calls. Ross then proceeded to offer his special brand of high level choreography; an intriguing and exciting evening of dancing.

At intromission, certain versatile, indefatigable, round dance couples dazzled the "resters" with graceful unison dancing. At 11:30 the "star tips" were announced and some tried these "challenge" tips. The many goofs were the subject of hilarious comments during the "after party" camp fire. At 2:00 AM, someone mentioned the workshop the next morning might be difficult unless a few hours of sleep intervened.

The weekend schedule was quite busy. Why there wasn't time to hike thru the woods or visit the sparkling lake! Those pleasant past times will have to wait 'till the next visit to Cherry Ridge.

Next summer there are seven to ten day Advanced and Challenge weeks planned. Also planned are Introduction to Advanced, and Introduction to Challenge weekends. Watch for flyers.

Jack of Harts Calander has two special events coming up. November 7, Wednesday, Joe Uebelacker will be with us and on Saturday, November 17, Steve Kopman will be calling an all-day-dance!

See you at the dances.

Genesee Dancers

Now the October's bright, blue days are with us, vacations are over, Trail Back is history and it's still too early to think "winter vacation" and skiing, we hope all you Genesee Dancers will be "squaring-up" every Thursday night at 8 p.m., Green Lantern Inn in Fairport; And you round dancers will find Bob Slocemski on the job at 7:30 p.m. If you didn't make the September 1 deadline for payment of membership dues, it's not too late to join - just too late to make "Trail Back". Dues are \$15.00 for the year and dancing will be \$3. per couple, (which is a slight increase from last year - necessary due to inflation).

The "Trail Back" event was a gala affair. The Nichols excelled in the "decor" department again as the table and wall decorations were most effective - a western motif. The food was delicious and plentiful. If any more dancers had attended, the Green Lantern would find it necessary to extend the room into the parking lot. It was a great evening and we're sorry 100% attendance wasn't possible.

At the time of this writing, open house is anticipated and we're hoping if you didn't get to attend one, you will be an "angel" on Monday nights and become acquainted with this year's class. The classes are held at the Henrietta Town Hall on Monday nights at 8 P.M.

We're glad to hear Angie and Joe Dibetto had a great European vacation and found time to attend the summer dances too. Incidentally, we hear the summer dances were a great success both financially and socially - a real tribute to Mike and Bob.

Our sincerest sympathy is extended to George and Miele Battaglini on the recent deaths of George's Mother and Miele's Father.

A happy "Indian Summer" to you all and we'll be seeing you on Thursdays.

Special note: Dottie Reed will be round dance cuer at our regular Club dances. We hope our visitors and all club members will find our Kuntry Kuzzins dances more fun and entertaining, we thank you Dottie for this addition to our club.

Our special dance in November, is November 10th, with Bruce Shaw calling. Everyone welcome, let's have a good turnout.

It is good to have Frank and Ruth Wirth back and dancing again. Bill Lane is back to work, we hope to see Bill and Mary Ann back in the square.

Gordon and Sue White (our treasurers) had intentions to fly to Milwaukee for the National Square Dance Convention, however because of bad weather they had to settle for a trip to New York City.

It is great to see everyone back and swinging their corners, we look forward to a good dance season again this year.

A whole month of square dancing is behind us and we are beginning to feel like "pros" again. All that we have talked to - including our renowned caller, Dick Casper - had a great summer. Many of us did little or no dancing and are proud to be able to pick up the pieces and find not only our partner but also our corner.

The big event for this month is Halloween. Thus, on the 26th, the club will rise to the occasion with a pot luck supper and Halloween dance. So, all you grand witches and warlocks out there in square dance land, put your heads together and come up with a great costume to wear that night. Time goes by quickly, so start thinking right now.

That's it for now folks. Remember to keep smiling and square dancing. Square dancing is not only fun, but it must be good exercise. See you next month.

Morton Country Swingers

Now that September Open House is over, we hope to see many new faces as classes begin. It should be a good year for dancing. At least one night you will be nice and warm. Our caller Ron Fotch has many new and old calls ready for us.

We will have our last open House October 4th. New dancers start at 7:00 to 8:30. Club members 8:30 to 11:00.

October 13th we will dance on Saturday night at the Hamlin Town Hall. This will be a "pie in the eye" dance. Come and enjoy an evening of good dancing with us. We will treat you to all sorts of pies.

October 18th we will have our regular Thursday night dancing at the Morton Baptist Church. Saturday October 27th we will be once again at the Hamlin Town Hall.

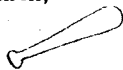

Club members please come and help our new class learn their Do Sa Dos, right and left thru's and etc. Betty and Ron will be there waiting for us.

Many hands are busy getting ready for our Christmas Ball and Bazar. Save the date December 8th and join us.

Nothing else to do on a Thursday or Saturday night come to Morton. It's only a short drive. We love guests.

Until next month,

Alam___ what? My, what one can forget during a long hot summer. Ken Boss, fortunately, hasn't lost his touch on the mike. Open house on September 5th brought forth many old friends and new friends, eager to join our class.

Sorry to hear Walt Eddy is feeling poorly - we all hope you're on your feet and dancing real soon, Walt.

Best wishes to Linda Wolf and Mike Liberti on their forthcoming wedding.

One must keep in mind;

As you grow older, don't slow down.

Speed up, there isn't as much time left.

So square dance more!

Merry Mixers

By the time this "Promenader" comes out, our Open House Dance will be a thing of the past. Hopefully, those who attended, were favorably impressed and ready to sign up for classes. We apologize for any inconvenience the unexpected change of schedule may have caused.

Dance dates to remember. October 5 Travel Week, place to be announced at Club. October 19 - cancelled due to another commitment at the Church. Instead we are planning a dinner, travel night on Saturday October 20. We will meet at Apple Grove Inn, at 5:00 P.M., after which we will move on to Grand Island for a full night of dancing. Last years trip to the Island was great.

October 26 is the Halloween Dance. We want this year to be special. So, everyone come in costume. A small requirement will be made. At least wear a mask and some sort of a hat or pay a fine. Lets make it a fun night.

Now, after all the talk of merry making, lets pause and remember Lenny and Francis who have been ill. We miss them and hope to see them back with us real soon.

Anyone who has news of interest, please let me know. Happiness is dancing with the "Merry Mixers" and cheaper this year too. We are reducing the membership fees. Contact the Club for details.

October already, so of course, we are looking forward to our Halloween dance which will be held Wednesday October 31, with Mike Callahan calling. Come and join us - it should be fun. In fact come and join us any or every Wednesday night 8:00 PM, Thomas Edison School, 1612 Buffalo Road. We enjoy your visits and we hope you enjoy visiting us.

Something to keep in mind - in the near future we are planning a benefit dance in memory of John Fratta who passed away in August. Proceeds will go to a charity of Lorene's choice.

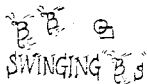

John will be sadly missed by everyone who ever danced with him or who was encouraged by him while stumbling through the lessons. Bless him!

We will have more details for you later.

Guess that's all for now - so happy dancing or whatever.

Swinging BB's

The Swinging BB's held their open house on September 8th, and it was quite successful. We had four squares.

Dorothy Brunshidle brought pictures of their trip to Ireland. Needless to say they were quite beautiful.

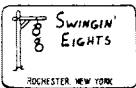

Remember everyone starting September 15th, we will begin our tally of clubs coming to visit. As you recall the club that sends us the most dancers from September 15 to April 26th will be treated to a Free square dance party on April 26th.

On September 17th a group from the Swinging BB's went to the Oktoberfest at the Hoffbran House on Lyell Avenue. We had a table right up front and overindulged on Fasnakekle and German Sausage. Instead of Squaring up we did the polka. Until next time-

Keep on dancing.

Swingin' Eights

Hooray!! If our opening dance is any indication, our new location, The Ivan Green (Whipple Lane) School, is going to be A-O.K., and we should now be set for a season of fun-filled dancing.

At our September 8th Pot-Luck Supper opening there were plenty of pots and lots of good luck for those who like good food. After the eating was over, Bruce Shaw and Mike Liberti got us back into a dancing mood after the summer intermission. By George, one of the squares included George Bauerschmidt, George Riesenberger, George Shaw, and George Graham. At times it appeared that the set was broken down, but it was just that the ladies had decided to "Let George do it".

On Saturday, October 27th, Swingin' Eights will join the Irondequoit Squares in a gala Halloween dance at the Norwood School, 600 Pardee Road corner of Norton Street. Wear costumes --- win prizes. This should be a great one.

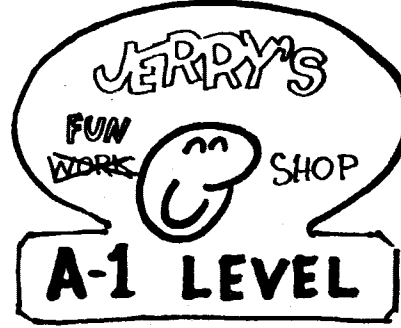

Jean and Dick Snow expect to vacation at Myrtle Beach in October.

How do you like this for coincidence! By no special arrangement, two couples, Rita and Jack Kennelly and Jo and Ed Schipper, will be flying on the same date, September 24th, going to the same state, Arizona, and returning on the same date, October 8th. Also, Rita and Jack are going to see the sun in Phoenix. Both couples plan to visit the Grand Canyon. Maybe they'll get there at the same time.

Let's hope our new dancing home continues to be good for us. Keep your fingers crossed.

Tecumseh Squares

A warm welcome is extended to Bill and Kay DuBois, Lloyd and Jean Dysart, Helen Kotwas, Dick and Edie Clark, Doug and Mary Hansen, Jay and Lenore Widener, Ted and Norma Bartlett, Mike Ford and Rose Szostal, and Ken and Ruth Giroux who joined Tecumseh Squares on August 28th and September 4th, the latter date being the first dance of our new format. We now meet every Tuesday at the Red Men's Club, 1001 Lexington Avenue, with Mike and Linda Liberti cueing rounds at 7:30 (workshop) and between tips called by Bruce Shaw from 8:00-10:30. For membership in Tecumseh Squares a couple pays \$20.00 per year plus \$2.00 at the door. Our new members can look forward to coming to club social events such as an October 6th winery tour and pot luck supper after at a chalet overlooking Canandaigua Lake, and an October 27th hayride at the Robert DuBois's country residence.

Special dates to make note of include October 9th when Gary and Alice Bubel call and cue for us and Oct. 30th when yodeling Joe Uebelacker calls for Tecumseh Squares. Looking further ahead, the 9th Annual Beginners' Ball will be Friday, January 18, 1980. There will be a dinner preceding dancing. Two callers will man two halls. Club level dancers will be in one hall, people new to square dancing will be in the other hall. Square dance classes will begin on January 22, 1980. More details will appear in the November and December issue of the "Promenader".

A special thank you goes to Don and Carol Jermyn. Don designed and constructed a large latchhook wall hanging depicting the Tecumseh badge. It now graces the wall behind the caller at the Redmen's Club.

Tecumseh Squares recently donated \$100.00 to a group of retarded Boy Scouts for the purchase of sporting equipment. Another Donation of \$200.00 was made to a needy woman for air fare to England for medical treatment not presently available here.

Twirl-A-Rounds

The summer slipped away so quickly; hope you experienced many happy times. Just as the John Denver tune relates "It's Good to be Back Home Again", so too, it's good to be in the routine of seeing our Twirl-A-Round friends again each Wednesday. Remember that Intermediate Basics are being taught from 7:30-8:00 P.M. if you would like to take advantage of this instruction.

What could be better than one round dance cuer? Two round dance cuers, of course. Our congratulations and best wishes go out to two round dance cuers who will 2-step down the aisle and chasse back as man and wife. May your life together be like a beautiful waltz, Linda and Mike.

Ken Kosbab, Mary Mack and Carolyn Spadoni comprise our October birthday trio. The Halloween Party will be held on (guess when) Halloween! this year, so watch out or some Twirl-A-Round witch or ghost may trick or treat you.

The first Greater Rochester Round Dance Dinner Party will be held at the Green Lantern Inn, Fairport, on November 17th. You won't want to miss this event with special guests Peter and Beryl Barton from Toronto, Canada. If you have not had the pleasure of seeing this talented couple perform you are in for a real treat. Howie DeGrave and Bernie Hayward will also be cueing for your dancing pleasure. Reservations must be made now. For additional information call your friendly reporters, 426-1984

Swinging Singles

Fall is here again and it's time to get back to serious dancing. Our Open Houses held on Sept. 10 and 17 were a great success. We all have high hopes for a good class this year. Incidentally, our classes began Sept. 24, not the 25th that was published last month.

On August 26 we gave a demonstration on behalf of the Swinging Singles at Lakeshore Nursing Home. George Phillips graciously accepted to be our caller. Except for a brief equipment breakdown everything went well, (right, George?). It was a great time and the residents enjoyed it immensely.

Lastly, many thanks are due to the open house committee for their success, because without their help nothing could have materialized. We are all looking forward to having guests dance with us - you're always welcome!

Till next month,

Triggers

A cool fall day, good friends, good food, a nice warm fire and of course Myron Huss calling our favorite square dances. This was the scene of our 1st Annual Couples Picnic. Needless to say we all had a good time.

Most of us have found our dancing shoes by now and are looking forward to our 1st guest night of the season Tuesday October 16. We meet the nicest people square dancing, and this month the nice people will be from the Batavia Twirlers, Bells and Beaus, Copy Cats and the Swinging BB's.

On the 30th of this month we'll have a Halloween Party complete with costumes, but don't stay home if you don't have or don't like Halloween costumes.

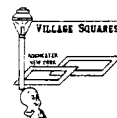

Our class is doing great! We're eagerly awaiting their graduation November 13th as I'm sure they are. It's always a happy, fun time and this year will be no exception.

I'm not much of a busy body, that is with somebody else's business. So if you have news and want it in print, let us know.

Hope to be hearing from you.

Village Squares

The Green Lantern Inn, Fairport, is the place to be Sunday October 7. National Caller, Kip Garvey, will be calling 2 'till 5 o'clock. If you've heard Kip, you'll be there. If not - take our word, he's great!

Sixteen Village Square duffers dusted off their golf clubs, many of which had not been used in a decade or more, and began hitting balls in all directions on a local golf course. When the day was over all joined for a delicious dinner at the Beefsteak Mining Company Restaurant.

Saturday, October 20, will find Village Squares together again at Ellison Park for the Annual Steak Roast. Time, lodge location and other details will be announced soon.

A dessert auction was the highlight of the recent "pot-luck kick-off the new year" dinner/dance. Ida's cherry pie took the highest bid with a whopping \$4.75. Total proceeds of the auction were \$44. or \$1. per billion calories.

We're certain Joyce Smart and Larry Bartlett have a good reason for being seen together at 5 A. M. in Chicago. See next month's column for the full story.

Welcome - seems like these months fly around so fast - we hardly finish one month when the next one is upon us, and time to get more news out to you. We were all glad to get back into the swing of things on September 6 with a good turn out. We're looking forward to a good year with a good size class. The more the merrier. We have two special nights in Oct. On Oct. 4, we will meet at 6:30 for a pot luck supper followed by dancing. On Oct. 25 all of us who aren't afraid of the Ghosts and Goblins will mount our brooms and ride to our meeting for a fun filled evening.

We hope our former caller, Jack Parker and Onnolee are enjoying the their new life in Florida. We miss you!

Our present caller, Jeff and wife Sally Elmore are doing a great job. By the way Sally, we'd like to hear from you more often - do you need a little gentle persuasion?

I guess all of us who have joined with Chip Kellogg in his Melody Squares have profited by it. Thanks Chip! Also we have enjoyed dancing to Mike Callahan as often as we've been able to. In fact we've just plain enjoyed dancing!

We appreciate all the efforts of our officers; Bill and Heler Hurd, Presidents, Richard and Dottie Leeson, Vice-presidents, Carl and Phyllis Mogray, Secys., Elwood and Lorain Eaton, Keepers of our funds! You're doing a super job.

'Till next month put your best ten toes forward!

Belles & Beaus

It sure was nice to see all the Bells and Beaus returning from their summer vacation. Welcome back to you all!

Don and Mary Waterman have the Steak Roast all planned out. It sure makes my mouth water. Be sure to be there at Mendon Ponds on October 14.

Don't forget Art's Pocono Weekend. What a beautiful time of the year to be in the Poconos!

We're all glad to hear that Doris Hagberg is home now and feeling better.

Let's all make our new club couple, Lou and Ginny Duhurst feel welcome and part of the family. Ginny is Doris and Ed Haddleton's daughter.

We dance every Monday night at the Holmes Road School. Art Harris sets our toes tapping at 8:00 P.M. See you there.

September has been a busy month! The last campout was held at Spruce Row and we hear the ladies were treated to a "lunch" in town with Lucille driving like she was in the Grand Prix.

Everyone seems to enjoy our new larger location and the first dance had a good turnout. It was great seeing all our club together again - especially Sally Vary who recovered from recent surgery. Missing are the Covacics who are back in England and the Chambers and Jenners who have moved to Florida. They have given us an open invitation to visit them and promised to come see us.

Open House is always well attended and a fun evening. Bill and the "Angels" have many new couples and are busy putting them through the paces.

Web Spinners extend our best wishes to the Culiars who recently celebrated their 25th Anniversary.

We are looking forward to having Ben McGilvery as our first guest caller on October 5. Guest clubs invited to dance with us on Friday, October 12 are the Irondequoit Squares, Kuntry Kuzzins, Morton Country Swingers, Triggers, Swinging B's, and the Wayne Westerners.

Al and Kay Ludwig are chairmen of the Oktoberfest and are planning a very special night at the firehall on October 21.

Happy Halloween and Oktoberfest to all!

The CALLERLAB All-Position Concept, which is an option for Mainstream and Mainstream Plus dancing, is considered automatic for Advanced Level. This does not mean that a dancer is required to be an All-Position Dancer in order to begin learning the Advanced Dancing's Basic Calls. However, as dancers progress within the Advanced Level program, they are expected to become comfortable with All-Position Dancing (APD).

News from:

THE NATIONAL FOLK DANCE COMMITTEE

We have an idea!! and we need your help!!!
Why?

We want Square Dancing to be our National Folk Dance and our Congress will not act unless we show the "Dancer Power" Plan!

On Saturday night June 28, 1980, our goal is to have "besides the 29th National at Memphis" a Mini National Square Dance in every Congressional District in every State. We will call these dances, The National Folk Dance - Square Dance. We will invite each Congressman to attend the Dance in his District and at this Dance he will be presented with a Petition asking his support and co-sponsorship of HJR 69. Please designate a dance or dances in your area as Mini-Nationals, as part of this effort.

We want every Dancer in every Club to get as many signatures as possible! This is where DANCER POWER can show its force. Each District or group of Districts can send a telegram to the Chairman of the 29th National, at the Cook Convention Center, Memphis, Tennessee, so he can announce to the World, during the Parade of States, just how much DANCER POWER each State has to support Square Dancing as our National Folk Dance.

We realize that only with the enthusiastic support and imagination of every Association, Federation, Council, Club, Caller and individual Dancer can we accomplish this GIANT task.

Let's Go Square Dancing
