## Round Dance Cuers Unite in Marriage

# October 5, 1979.

*Wedding plans bring down ceiling.*

When the wedding was planned for the Union Congregational United Church of Christ, Churchville the ceiling fell in the Church. Consequently, the wedding was held in the United Methodist Church of Churchville. George Shaw made up a sign (using a door - see lower right hand illustration) notifying wedding guests to go around the corner to the other church.

Mr. and Mrs. Royai W. Wolf of Greenway Boulevard, Churchville, are the bride's parents. The bridegroom's parents are Mr. and Mrs. Anthony Liberti of Garfield Avenue, East Rochester.

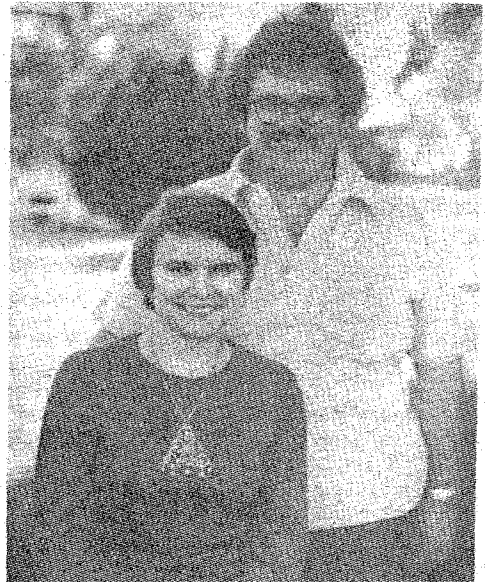

Natalie White, of Cloverleaf Squares, was Maid of Honor. Donald Liberti, brother of the bride-groom, was Best Man. David Tarantino, of Cloverleaf Squares, and Richard Wolf, brother of the bride, were ushers. Jerry Carmen took pictures at their wedding.

Tecumseh Squares gave the couple a shower, Irondequoit Squares gave them a Mock Wedding, and Cloverleaf Couples gave them Round Dance Leaders Badges and gifts.

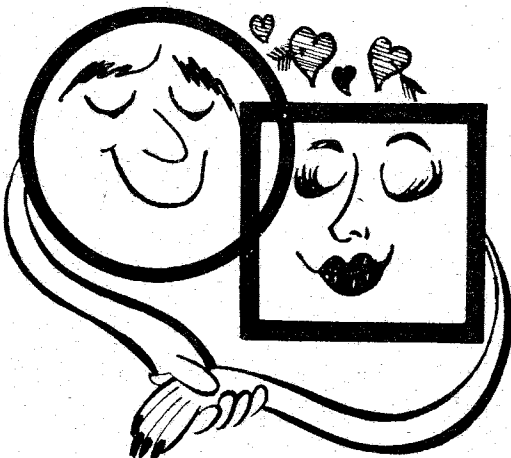

The bride graduated into square dancing in 1975 with the Cloverleaf Square Dance Club and started cueing rounds in 1977. She is employed by Sybron/Ritter and is a graduate of Monroe Community College and the State University College at Oswego. Mike graduated with the Swinging Singles Club in 1972 and started cueing in 1976. He is employed by Sybron/Castle.

Mike and Linda met quite abruptly when her watch caught in his shirt at a square dance. Their first date was D-O-R '78.

Mike is presently cueing for Swinging Eights, Cloverleafs, and Tecumseh. Linda cues for Tecumseh, and Irondequoit. Together they are beginning a new, easy level, round dance club. See page 3 for further details.

**NOTE:**

*Just as I  
was leaving my  
house the other  
day I remembered.....*

I remembered a few things I would like to share with you.

Help: Would you readers please offer the businesses, that you come in contact with every day, the opportunity to advertise in the PROMENADER? (Many, many don't even know we exist!) Square dancers buy more than just square dance clothes, and use services other than what are advertised herein. If you don't wish to approach them, send names and addresses and I'll send them some information.

Also, don't forget to say, "I saw it in the PROMENADER", when you attend an advertised dance or business.

Start of things to come? Some clubs (regretfully) didn't have enough interested people to sponsor a class this year. These few interested people were referred to other clubs that were holding classes. Apparently, combining classes has been tried before in this area, with very satisfactory results. The consequences seem to be a large monetary savings for the clubs involved, and a better quality graduate.

Word to the wise. If you're looking to increase your membership list in a few years, consider the teens when making up your guest lists. They love to be invited to other clubs, and remember, they won't be teens forever! It couldn't happen again! One reporter has the patience of Job! (I think they all do.) I think (after how long?) I have the spelling of your last name pretty close to correct, (right?) now to work on the first name. Sorry about that, Dorothie, I'll keep working on it.

Square Dancers are great! Three square dancers serving on jury duty this time! Quite a percentage. That's what square dancers are made of.

### Profile

MYRON  
HUSS

After many years of traditional dancing, Peg and I were introduced to what is now called modern square dancing in 1957. We took lessons at and joined Bells and Reaus Square Dance Club. (That's twenty-two years ago.)

In 1961, I decided to try calling. So working with six other would be callers in the city, we would call free Saturday night dances. The next year Peg and I went to Earl Johnson and Al Brundage callers school in Mass.

In 1963, five of my class couples formed the Triggers Club. Sixteen years later I am still calling for them, teaching the class on Thursday nights at English Village School, and club on Tuesday nights at the Parkland School, with Peg calling and teaching the rounds and lines.

In 1964, Peg and I started a youth (12 years and up) group called the Wiskaways, having class and club on Friday nights at English Village School.

Peg and I enjoy one night stands, at churches, schools, colleges, clubs, hotels, etc. and occasionally guest calling for other clubs. We also do many demonstrations in and around the city. We are members of the Rochester Callers Association and meet once a month with the round dance group that picks the rounds of the month.

We live at 122 Wheeldon Drive, Rochester, N. Y. Our family consists of a daughter, Bervely Bixby, a piano accompanist for Henrietta Schools, a son Larry, an engineer at Rochester Products and seven Grandchildren.

We wish to thank you all for dancing with us at our club and other places. These are friendships we will never forget. May you all have the happy memories we have.

A SQUARE

A

ROUND

TOWN

Howdy! Miss me? I'm a little late this year. I've been, how the golfers say, not up to par.

I must have hurt my knee when I fell off the bar stool. I was singing "Prosit" for the fourteenth time, when suddenly the Bar moved. The bartender said it didn't move. What does he know with his head in the cash register? That Bar moved, why else would I fall off a bar stool?

Now actually I didn't know I had hurt my knee until I went to the doctor about a nagging cough. He said I had knee-monia!

Well, so much for my ailment.

One of the new members asked, "who is the Square A Round Town?" Well, I'm just an ordinary city feller, who doesn't dance too well. (That's putting it mildly.) I went thru class four times. Not really, but Art Harris said it seemed it.

Taking advantage of the fact that other dancers would try to avoid dancing with me, I started charging 50¢ to stay out of their sets.

The Rochester Federation Officers heard about this and investigated to see if the charge was right. They danced in a set with me and all agreed that it was well worth it to pay, rather than dance with me.

I asked what they thought was wrong with my dancing. Well, they just couldn't put their foot on it. Some said I danced too slow, others said I danced too fast, but most thought I danced half-fast.

Someone asked if I was going to raise my fee this year. No, I'm not. We have enough inflation. There is even inflation in the sets. Sets are getting larger. At the last dance, we had five couples in the set or it seemed that way when "Grand Weave" was called.

The Callers are also getting on the band wagon. They say there should be two Callers to get some of those larger and inflated calls out. Such as "Rotate the Crops" and "All Chase Your Ends". Some say the "Ends" are getting larger.

And we have inflation in our home as well. We keep the steaks in our Safe Deposit Box and our money in the refrigerator. Actually, the main reason we keep our money in the refrigerator, is that once in a while we need some cold cash. Well.....

Thanks anyway,  
Hal Abberger

## Callers' Co-op

What an interesting program for this year. It was  
compiled from a questionnaire sent to all the callers,  
finding their needs and needs of the clubs and dancers.  
November meeting is on the 4th at Covenant United  
Church, Culver and Parsells. 2:00 to 5:00 PM.

Calling all Callers, Taws and interested dancers to  
Workshop and Teach of Plus 1 and 2 movements. Panel;  
Mike Callahan, Bob Ellis, Jerry Carmen, Bruce Shaw and  
Dick Casper.

Any organization is a success if there is enough in-  
put as well as gain from it. Officers! Does your caller  
attend? It makes for a smoother dancing Federation when  
all see eye to eye on Basics and business.

All Officers will have a chance to get together with  
each other and callers December 2, from 2:00 to 5:00  
followed by dinner and dance at Green Lantern Inn. Dona-  
tion \$5.00 per person for all day.

This is one of the largest meetings the CCR has all  
year. Don't miss it.

Help in: organization, recruiting, elections,  
committees, graduations, fun ideas, hiring callers, or  
just plain running a club. What is your need?

Contact Wanda Callahan 392-3807 or Gerry Prister

## Belles & Beaus

Well, well, well... we made it in another issue of PROMENADER. To all of our friends in the other clubs who missed us I am happy to report that Bells 'n Beaus is alive and well! If I were Bert Kaempfert I'de say "Danke Schoen" for your concerns.

It is time once again to select the officers for the next board of directors. The current board of directors have selected the nominating committee. I am looking for a volunteer couple for the Presidency. I would like this couple to work with our committee to select the balance of the board for the 1980-81 dancing year. I can not argue the fact that the job is demanding, but what you'll learn about the dancing community far out weighs the burden of the job. Think about it. If I can be of assistance, don't hesitate to call.

On behalf of the Board of Directors have a Happy Thanksgiving. We have a lot to be thankful for. Thankful for Art, the strength of Bells 'N Beaus, the friends we've developed over the years, the ability to dance, so much. Thanks folks! Turkey Give-away November 19th.

On December 3rd, Monday, Mr Ed Fraidenburg will be making his annual visit to Bells 'N Beaus. Ed is from Midland, Michigan and is considered to be one of the finest callers in the nation! He constantly has articles in the national square dancing magazines and often gives tips to callers aiding their choreography. Let's support his dance and bring your friends. Guests are welcome!!

Michael T. Harris

## Boots 'n Slippers

Boots 'n Slippers has a new club gossip sheet, Booze & Sippers - editor, Jack Hawley - all the news that's fit to print and maybe some - uh--! Members can pick it up at dances and leave notes for printing.

There was a good crowd at the hay ride - Laschs, Hawleys, Hushards, Altons, Websters, Brills, Nesbitts, Hulberts and Bertlands. A new drink was discovered - Creme de Poodle. Then, afterwards at the campfire, there was cider and donuts. Sweeneys were very cordial hosts.

October 19 promises to be full of surprises with costumes the order of the dance.

The annual Pot Luck Supper will be at Firemans Park on North Greece Road on November 10. Al Howe will call and get class and club together for the first time.

## Teen Topics

On September 22nd the Way Out Whirlers had a gala Open House at Black Creek Park. A great group of teens between 12 and 18 years of age enjoyed an afternoon of soccer and volleyball, a pot luck supper and dancing from 7:00 to 9:30 pm.

A special thanks to Neil, Scott, Larry, Sue, Debbie, Darcy, Gail, Pam, and Marcy for joining us at the Open House. A very special thanks to Les Brady for calling. Thanks to all the adults for chaperoning us.

Our dance in November is on the 9th. It will be a Thanksgiving Dance. Class will start at 6:30 and will end at 8:00. Club starts at 8:00 and will end at 10:30 PM. Come join us for some fun. We dance at the Walt Disney School, 175 Coldwater Road. We're on the move! 227-2356

## Cloverleaf Squares

November is here already, that leaves only two months to go until there will be a new year and new officers for the Cloverleaf. It never ceases to amaze me how short a year really is.

None the less, last month was full of interesting events. One major one which deserves a large accolade was the marriage of Mike and Linda (Wolf) Liberti, October 6. All of us wish them the best of everything in their future. Two weddings will be coming up in December. Dick Peck and Martha Czerniak on the 28th. Patty Ruffing and Ray Elliott on the 29th. Our best wishes to both couples.

The Tecumseh Squares were our guests and a special presentation was Flung for Una (Pistol Pat) Shaw. We welcome her as an honorary member of the Cloverleaf's.

Our open houses were a rousing success. When the dust settled on the dance floor, we found ourselves welcoming thirty-seven class members.

Judging by the busy activity of the committee, Square-Up will have been a fun memory by the time you read this.

November promises some special events. The 18th will be our amateur callers night. The 25th, we have a Pot Luck Supper at Mother of Sorrows Church. Afterwards Mike Callahan will help us dance off all that good food.

See you in the corner, partner!

## Country Dancers

We hope some of you were able to dance contras with us the night Jerry Helt called for us. Jerry is one of those rare people that calls both Mainstream plus as well as traditional dances. We have other "specials" this month we hope you will sample. November 3 Ms. Marshall Barrons, from Conn. will be conducting a musicians dance workshop. That evening Tom Bohrer will lead our group in some English country dances with music supplied by the workshop band -- some thirty in number.

This year for the first time we will have a Thanksgiving dance on Saturday evening with Rich Castner from Brockport calling and - again - live music. I've said it before but it is worth repeating, both club and class members are invited to dance with us. In fact, bring your non-dancing friends and your children. We teach as we go. Each dance is "walked through" and the figures "prompted". There are only some twenty "basics" to learn, many of them learned in the first night of class. You may wear your "western" clothes, but you might be more comfortable dressed informally - with soft soled shoes. We do like the girls to wear skirts and if they have a little flair so much the better. Contra dancing is enjoyed by all generations. If grandparents are visiting for the holiday, put us on your "family outing" schedule.

As I write this Ed Butenhof is scheduled for November 29th, but we may substitute Don Armstrong. Don runs the annual contra party in Binghamton Thanksgiving weekend and we hope we will have him in Rochester the following week. Don has been a founding member of CALL-ERLAB and the Lloyd Shaw Foundation and has run two hour contra clinics at the last two National Conventions. He's a real Pro. He has been here before and we will take him any time he is available. Phone me if you are interested in dancing to his calling.

## Country Twirlers

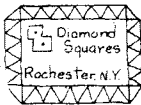

Fall is upon us once more and Country Twirlers is well into their dance season. Dancing to Mike Callahan on October 26th was lots of fun.

November will be one of Country Twirlers busiest months. First of all we welcome Gloria Roth on the 3rd! She adds lots of spice to any dance. Then, on the 10th we celebrate our 20th Anniversary with a special dance and party. Our committees are working very hard, so we welcome you all to come dance with us and share some memories as well as surprises!! It proves to be an exciting night.

Once again our Nominating Committee will be looking for some new board members. Help them out if you can. Information 594-9306

## Diamond Squares

The warm days and cool evenings of autumn have brought back many of our summer dropouts. We're glad to see all of you back dancing.

We also wish to express regret and good luck to the couples who did not rejoin Diamond Squares this year for reasons of health or for personal reasons. You will be missed.

One of the best stimulants for a Club are new members. We're pleased to welcome Gordon and Rita Mullen, Al and Lorraine Ayling, Aubry and Alice Hale, Mary Ann and John Kurtz, Bob and Bernie Weaver, Paul and Mary Ellen Goodell, and Walt and Beverly Smith. Couples that joined during the summer are Woody and Helen Covey and Louis and Estelle Soloman.

The club helped John Statts celebrate his 39th (?) birthday on October 3rd with a delicious cake provided by Chris Smelts.

November marks the beginning of the festive season. The first event will be the Thanksgiving eve dance. It's a good way to work up an appetite for the big turkey dinner, folks.

A correction from the October Diamond Squares article. The very beautiful special delivery anniversary card was sent by Dick and Lucy Gawel.

The Federation Representatives for Diamond Squares for this year are Frank and Jo Manicone and John Statts and Chris Smelts. Chris is also the soliciter for subscriptions for the PROMENADER. The efforts made by these people to help the club and all square dancers is really appreciated.

Couple of the Month: Lilian and Roger Loveland. They truly are the real "Diamonds" of the Diamond Squares Squares. 271-0444

## Genesee Dancers

Its difficult to believe November is upon us already. By the time you read this, Watson Weekend will be but a memory, and Thanksgiving will be just around the corner. From all reports, our class, under the able direction of Chuck Prister, is doing well but they would appreciate your support - Monday nights at the Henrietta Town Hall, 8:00 PM. News is a bit scarce this month, and if the saying is true that "brevity is the soul of wit", this should be a hilarious item. Be seeing you on Thursday nights (except Thanksgiving), at the Green Lantern. Information 442-4415

## EKC-O Squares

We had a good turnout for our September Open House but, since too few dancers signed up for square dancing lessons, we have had to cancel this year's class. We are sorry about that, but we are glad we could relocate our new dancers in other clubs' classes. We wish them good dancing and hope to be squareing up with them next year. November 16th is the deadline for nominations for next year's officers and board members. Walt and Sally Baehle are heading the nominating committee and would be glad to hear from you if you would like to serve your club as an officer, or know of someone who might be available to serve. The slate of nominees will be presented at our November 30th dance, with elections to be held at our December 14th dance.

We are looking forward to good dancing in November, with Ken Anderson on the 2nd, Joe Uebelacker on the 9th, Steve Kopman on the 16th, and Carl Hanks on the 30th. Betty Wolcott will be cueing the rounds. There is no EKC-O dance on the 23rd, the Friday after Thanksgiving.

If you have information that you think should be included in this column, please see us or call us at 225-6582.

Have a Happy Thanksgiving! And we hope to see you all on the dance floor.

## Geneva Friendship Squares

A great time was had by all at the 6th annual Sampson Fall Festival with the largest turnout yet. Directed by Jackie and Lee Pratt. The nautical theme was ably carried out by Lucy and Art Mastellar and committee. All the committees for the weekend did a tremendous job. There were eight dancers that had been stationed at Sampson during the war years and they were given Navy posters to take home as souvenirs. A number of old Navy photographs of members were on display. A number of door prizes were also given out to a number of lucky couples.

An open house to introduce couples to western square dancing was held in September. A number of lively couples danced at the first class and we hope a spirited class learning and dancing during the year.

All are welcome at the Red Bates dance to be held at the Geneva Junior High School, North Street, on November 4th from 2:00 - 5:00 PM. Hope to see you there! Happy dancing.

## Glass Slippers

At the first dance of our new season, we entered to find lights, glamor, drama. A photographer from the Rochester Democrat and Chronicle was snapping pictures of square dancers from upward, downward, and sideward. The story appeared in the next Tuesday's issue, with pictures of Don Cotton twirling Mary Lou, his taw, Bill and Gail Babek Star Thru'ing, Jim and Mery Messer bowing, and all having a great time.

Our next dance, the Glass Slippers Open House, was just as exciting. There was a full house including a group of young people from the Monroe Developmental Center. We have club members who are as nice as they are good looking - the Chilsons, the Kiessows, the Taylors, a and the Lennons, for instance - and they laughed, joked, and encouraged the novices; so that all said they hoped to continue square dancing, even if not with our club. To our new members, welcome.

Now we're back to the comparatively calm routine of square dancing, with caller Ron Fotch, Betty, his taw, and all our friends. Elsie Epke returned from Nova Scotia to a routine even busier than before she retired, serving as volunteer at Lakeside Hospital and in other charitable and civic enterprises. Donna Wolfe has been able to attend our dances, her pretty smile always welcome. We're hoping for a successful White Elephant Sale at our Thanksgiving Day Dance on November 14, to which other clubs are cordially invited.

Happy dancing!

## Henrietta Friendship Squares

Our Club is off and running (dancing) for another season with a nice turnout at our previous dances.

Another reminder that Ben McGilverly will have a workshop at the beginning of each dance this year. Ben is also giving round dance lessons beginning at 7:00 pm on the same nights as our regular scheduled Club Dances.

Any of our Club members who would like to be "Angels" and help the new class on Tuesday nights at the Roth School, will certainly be appreciated. The class is already progressing very well and sure will be looking forward to dancing with the Club at our Christmas Dance - not far away now.

A Happy Thanksgiving Holiday to all.

## IRONDEQUOIT SQUARES

The weather is turning colder and we're all getting in the mood for the many coming holidays. November promises to be a busy month for Irondequoit Squares, starting off with a Mystry Ride on November 3rd. Our destination may be unknown to all but Bob Bierre and Ray Gaul who are doing the planning for this ride, but an evening of fun and dancing is guaranteed. All members who plan on going please meet in the parking lot of the New Laurelton School (former Norwood) at the corner of Pardee and Norton at 7:00 PM.

November 10th, we will once again welcome Dick Casper, one of Irondequoit Squares favorite guest callers.

November 24th will be the Tureen Supper at the Church of the Transfiguration, 376 Culver Road; with Connie and Jim Minarcheck heading the committee. The time is 6:30PM, and please bring a dish to pass and your own place setting. This is a night we enjoy dining plus dancing, and finish the evening with election of officers and a short business meeting. Hope to see you all there!

Our December 8th dance will be the Poinsettia Prom.

Happy Thanksgiving to each of you. Let us remember throughout the year all we have to be thankful for.

# Lima Grand Squares

Sometimes, - like this month - it is rather difficult to report the news as it is just a normal month. This does not mean that our warmth to fellow square dancers nor our eagerness as square dancers is any less. Our goal at all times is to enjoy ourselves, laugh a little (sometimes a lot), and keep up-to-date with the current calls.

We have started a new class and could still use a couple more couples to make the second square. In fact, if the response is great enough, I'm sure Ronnie Cole - our class caller - would be more than happy to form a new square. Anyone wanting information, please call me at 624-4249. The best time to reach me is evenings or week-ends as I do work during the day.

To all our friends, please note that there isn't any square dancing at Thanksgiving time. To all of you, have a nice Thanksgiving - be it at home or with family. This is also the time to say farewell to Gene and Monica Huff who leave at this time for sunny Florida - wouldn't we all like to squeeze in their suitcase and go with them. Oh well; Lima Grand Squares needs us all. Plus, the sun always shines for us on a Friday night as we smile at our corner and prepare to "swing our corner".

Hopefully, we will have a spirited group present for nomination and voting nights.

## Morton Country Swingers

November is here, my how time flies. These cold and wet days tell us that the Holidays are just around the corner.

All hands are busy preparing for our Christmas Ball and Bazaar. Hope to see you on the 8th of December. Seven to eight will be browsing time. 8:00 to 11:00 dancing.

Our Christmas Ball will be held at the VFW Hall in Hamlin. This hall is located on route 19, in the town of Hamlin, just south of the red light. Ron Fotch will be calling.

During the month of November, our club will have Thursday night dances on the 1st, 15th, and 29th. We will have a Saturday night dance November 24th. All of these dances will be at the Morton Baptist Church Hall.

Hope to see you at our dances.

## Swingin' Eights

Looks like a good year ahead for the Swingin' Eights! Everyone seems pleased with our new location and another positive factor is the fine turnout we had for our September 22nd Open House. This was followed by a sizeable number of couples attending the opening of our fall class lessons. Although we may not be descendants of Dracula, every coub needs new blood, and we are no exception. The lessons thus far show that we have a class of sharp, pleasant people that should progress rapidly. We are looking forward to December 14th when the class will be joining all the regular club members at our annual Christmas Party Dance. Thanks to everyone who helped us attract this large class, particularly our chairpeople Roger and Frieda Tellier and Roger and Cherry Hartter. Incidentally, any couples who have been square dancers in the past, but need a refresher course, would be welcome in the class even though they have missed the first few lessons.

We were happy to welcome a goodly number of Irondequoit Squares at our October 6th dance. Perhaps they were scouting our dancing maneuvers in advance of the combined Irondequoit Squares/Swingin' Eights Halloween Dance at New Laurelton (Norwood) School on October 27th. Mike and Linda (Wolf) Liberti also greeted their many friends at our October 6th dance. They must like us, as they were on their honeymoon at the time.

Word is out that Bob and Marge Berner will be in Florida October to March. We'll miss them and envy them as we shovel the snow in Rochester.

## Promenading B's

The B's are off and buzzing in fine style again this year with a really super group of class couples and an exciting program of fun for the whole club. Because of unforeseen circumstances, the elected presidents have had to resign their office, but we were able to persuade the Darts - Roger and Nancy - to return to the post. We all welcome them back to the microphone and look forward to another super year under their leadership.

The Great Pumpkin made an appearance at our Halloween Dance and added to the festive atmosphere created by the decorations and refreshments.

On November 9th, we will not be dancing at the school - we're going to be visiting - so - watch out, some of us may be deciding on your club that evening. Plans are to visit several clubs - so, you've been warned.

Our hive is also buzzing with preparations for our Annual Turkey Dance to be held on November 16th. All clubs in the area are invited as our guests that evening. We are looking forward to squareing up with lots of old square dance friends and lots of new ones, too. All clubs should have heard from us by now, but in case your invitation didn't get to the right person to get to the club; come anyway. All are welcome. You might even take home a turkey, a pie, breads, lots of good things. See you there.

And we will be seeing some of you on the 9th. Til then, give thanks. Happy dancing.

## Tecumseh Squares

Thank you, Web Spinners, for inviting us to be your guests on the 28th of September.

October has been a busy month for Tecumseh Squares. Wedding bells rang for our cuers, Mike Liberti and Linda Wolf on October 5th. On October 6th, members and their families toured Widmers' Winery and afterward enjoyed a pot luck supper at a chalet on a hillside overlooking Canandaigua Lake. A good turnout and generous, delicious dishes to pass contributed to the good time. Gary and Alice Bubel did some fine calling and cueing for us on October 9th, their second visit to us. We shall look forward to their third. October 15th found two squares of Tecumseh members putting on a square dance demonstration at Long Ridge Mall in Connection with the Greece Performing Arts Society. The 19th of October was banner retrieval night as a contingent from Tecumseh Squares planned to travel to Boots 'n Slippers' Halloween Dance to claim our emblem. Thanks to Swinging Eights for inviting us to be their guests October 20th at their new location, the Ivan Green School. October 30th brought Joe Uebelacker to our stage for some good Halloween Eve dancing.

Watch for our letter next issue for details about our Christmas Party on December 18th and our 9th annual Beginners' Ball on January 18th, 1980

If you'd like to consider joining the Tecumseh family and sharing the special fun and fellowship this group has, we offer membership at the rate of \$20. per year plus \$2.00 per couple per evening. Come visit us. You will be most welcome.

## Rainbow Squares

Pleased you folks noticed the misspelled word last month - shows you're reading my dribble.

To exorcise the devil,  
exercise like the devil.

That'll kill one of you.

The best exercise of course, is square dancing. Nice to see you at our dance last week Walt- hang in there baby!

November 14th will be our second annual "Turkey Night". Bring your favorite chicken to dance with and take home one of our birds - maybe that big 25 pounder if your lucky.

December promises to be a full month. The nineteenth is our Christmas Dance/Party with Santa passing out gifts and kisses again. The thirty-first will welcome in 1980 with dancing at 9:00 P.M. and a pot luck dinner at midnight. Bring a dish to pass - one for midnight kissin and one for the pot luck dinner.

## Swinging BB's

Well Autumn is finally upon us and hasn't it been beautiful. On Halloween, we were visited by several Ghosts and Goblins. We had a good fright.

We are looking forward to November 10th, when we will have a Pot Luck Supper. As always, we will eat too much of all that delicious food, and then attempt to dance.

Our contest to give the club that visits us most often a free party is going very successfully. Hurry up all you others. Remember a free party to the club that visits us the most up to March 29, 1980.

We want to extend a very Happy Thanksgiving to everyone. Keep on dancing.

## Swinging Singles

Halloween is here again and the Swinging Singles celebrated in their true style. Jack Sadwick, our guest caller did a great job calling for the night by providing lots of fun and laughs. Our class seemed to enjoy the festivities also. The costumes were terrific - somebody has a creative mind!

Congratulations go out to Eric Stahlecker and Donna McKay on their engagement announcement. Their wedding date is next September.

Western Hoedown turned out to be the success we hoped it would be. Lots of fun was had by all. Congratulations to all who worked hard on organizing this dance.

Our combined picnic at Webster Castle with the Cloverleafs was, as usual, lots of fun. There was good food, good fun, good friends.

Lastly, our best wishes go out to Ellen Allen on her recovery from surgery. Hope you can join us dancing

soon Ellen!

## Triggers

The badges from the fall picnic are ready. If you danced in the moonlight and/or the 3 cornersville (a 3 cornered square) and did not get your badge, see Peg.

Also at the picnic Geo Yuns removed Mabel Wordingham's rings. Why? They were too tight. He did it with Magic (a trick with string, that is).

We have several Triggers on sick leave. They include Pat Distaffan who is recovering from surgery. Len Hall and Don Flugel "Tiny" who are having troubles with arthritis. We all hope they are feeling better and will be back with us before too long.

On the lighter side congratulations to: Britt Newell for forty years at Kodak, Martha and Geo Haungs, have a new grandson. And our class of '79' who are: Jeffrey and Debbie Blood, Art Bourget, Ethel Wagner, Mich and Barb Close, Mel and Diane Gowin, Dave and Nancy Meagher, John and Ann Miller, and Richard and Valerie Stiles.

The class of '78' are in charge of fun and games for the November 13th graduation party.

Hope your Thanksgiving is full of turkey - good friends and all. Now let's hold it for a singing call.

## Twirl-A-Rounds

We have embarked upon another successful year with a good turnout of members. The new dances seem to be more sophisticated each year; our first teach was "Magic" acclaimed in most Round Dance publications as a very fine routine. Howie and Dot returned from Canada Cade with many newly choreographed dances, so the Twirl-A-Rounds had best be on their toes.

The big news of the moment is the "Greater Rochester Autumn Ball" scheduled for November 17th at the Green Lantern Inn in Fairport. The guest instructors are Peter and Beryl Barton of Toronto, who will conduct a clinic and teach in the afternoon. We can all benefit by exposure to this talented couple. Not only will we improve our own personal dancing, but it is such a delight just to watch the Bartons dance. The dinner will be followed by an evening dance party, featuring Bernie Hayward, Howie DeGrave and Beryl and Peter Barton cueing all levels for your dancing pleasure. Be sure to register for this event, the first of its kind in Rochester, and enjoy a day of fine dancing and conviviality.

We enthusiastically welcome two new couples to the club, Ginny and Lee Dunlap, and Ev and Red Wehle. Happy to have you nice folks aboard. The Tracy's enjoyed their first Cade in Niagara Falls, Canada. Our President, Vince Huber, tripped and cut his arm, then tripped off to the hospital for emergency treatment. Betty and Vince then left on a vacation trip, so that's three "trip's" and out, Vince! Bernie Hinkson stated that he and Judydel dance "Moulin Rouge" so well that he wants the movie cameras rolling. Watch out Hollywood!

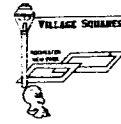

It's not too early to make New Year's Eve plans, so why not plan to attend the Round Dance Party to be held at the Mumford Town Hall? Howie, Bernie, and Betty Wolcott will be cueing, as well as any other cuers who may attend. It's a great way to see the New Year in. Mermie and Bob Lemley will be pleased to accept your reservation.

Many blessings to all of you as we celebrate Thanksgiving. How fortunate we are to have family, friends, food and shelter in such abundance. May each of you continue to be so blessed.

# ROUND DANCE

## Village Squares

Two years ago Village Squares made arrangements with national caller Kip Garvey to call a special dance October 7. On the eve of the dance, a few hours before the big event, Kip called to say he couldn't attend. Seems he had difficulty with plane reservations.

Quickly, club caller, Dick Casper changed his schedule to save the day. Forty-five couples agreed it was a super dance with super calling. Nobody missed Kip!

Want to try your skill as a square dance caller? Enjoy having a good time? You can do either or both on Amateur Night, November 12. It's always a fun night, full of surprises.

Thirteen couples from the club spent another day golfing. Frank Geraci showed up wearing two different color golf shoes - his trademark. Caller, Dick Casper, was hitting the ball strong as usual, unfortunately, about two fairways to the right of the tee. Aileen Leonard maintained her reputation as "vacuum" finding golf balls everywhere, even if they belonged to her partners.

From the "It's a small world department" - and with all teasing aside; - Would you believe Joyce and Dave Smart bumped into Larry Bartlett at 5:00 AM in the Chicago O'Hare Airport? The Smarts were returning from a three week vacation in Colorado and Larry was on a San Francisco business trip.

New Years Eve is less than eight weeks away, and, we'd like to issue a special invitation to all club dancers to ring in 1980 with the Village Squares. Gather a few of your friends together and come join us for a relaxed and fun filled New Years Eve Dance. All the details will be in the December PROMENADER.

Happy Thanksgiving everyone!

## Wayne Westerners

Hi again, since last issue we attended a meeting for reporters in Rochester where we enjoyed meeting the PROMENADER Staff and a few other reporters. Thanks for your ideas. Our good friends Frank and Lucy Lewis went with us.

Seven Wayne Westerners couples went to Lake Placid for the Flaming Leaves Festival. A great weekend was had by all who went.

For a few weeks our caller, Jeff Elmore, has had some sort of bug. He did his best but on October 1 he had to call on good friend Chip Kellogg to help him out with the class. Thanks Chip. On October 4 Jeff's dear wife Sally helped him. We were pleased to have you Sally. Thank you. On this night we also had a pot luck supper.

We have a very nice class who are doing great. Best wishes to you for a fun-filled year. We're glad you want to be part of us.

On November 15, we've invited a few clubs to be our guests. We'd be glad to see others, too, on guest night.

No meeting on Thanksgiving, November 22. They say every dog has his day - this time I guess every turkey can have his day!

Almost forgot to mention on October 25, our club had a delightful evening when we danced for and with the residents of Wayne County Nursing Home for Halloween. They loved it. So did we.

Election of officers will be on December 6.  
Happy Thanksgiving!

## Jack of Hearts

The news is that the Jack of Hearts are having a special evening coming up on Wednesday, November 7th in East Rochester. Joe Uebelacker will be calling for us once again! "Yodeling" Joe is a delight to dance to and it promises to be a fun evening of Advanced Dancing. Guests are very welcome!

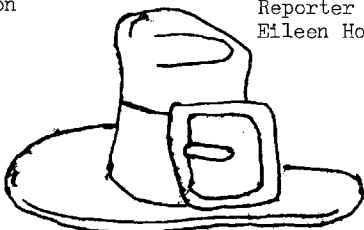

Other news is that the present Jack of Hearts class is a large one and full of enthusiastic people who are enjoying their lessons in the Advanced Basics with Ted Whitacre. Graduates from Ted's previous classes are dancing with us in the club now and they are both well trained and fun to have around. The club looks forward to dancing with the class when it's time to be "angels" and perhaps some holiday evening when class and club get together for a dance-party. Our best wishes to Ted and the class!

The Jack of Hearts club is sorry to report that we have had to cancel the Steve Kopman dance for November 17. It was unavoidable and is highly regretted, for Steve has shown himself to be a dynamite caller! Hopefully, we can plan the dance for another time. We'll let you know.

So long for now, see you Wednesdays at our new dance home in East Rochester.

## Web Spinners

The Oktoberfest was an evening to remember. The Ludwigs and their committee prepared the firehall with authentic German centerpieces, food, decorations and fun for all.

Our class, which has fifteen couples, is doing well at the Webster Recreation Hall. Special thanks to the devoted angels who help them each week. Drop in some Wednesday night and see them!

Web Spinners send their best wishes for speedy recoveries to Mary Jane Collier, Jack Hallauner, Len Meizenzal and Ginny Jones. We miss you all and hope to see you back dancing soon.

Our guest caller for this month is Bruce Shaw on November 16. Let's give him a good turnout.

Guest clubs who are invited for a free evening of dancing with us on November 30 are; Boots 'n Slippers, Cloverleaf Squares, Copy Cats, EKC-0 Squares, Swinging Eights, Swinging Singles, Promenading B's, and Pioneer Squares. We hope to see you all on that night.

Welcome back to Treasurers Dick and Ollie! They have been in Europe and have many pictures and exciting tales for us. They visited the Covacis in England and square danced with them. Welcome to the Rovers!

Happy Thanksgiving to all!

## REPORT OF THE 17TH ANNUAL OVERSEAS DANCERS REUNION by Steve and Fran Stephens

The Reunion, held this year in Bartonsville, Pa., with John and Freddie Kaltenthaler as hosts, was a gathering to be remembered by all of us who attended. Twenty-one States, Canada, England, Costa Rica, Libya, and Germany were represented.

Plenty of good dancing, good fellowship and gobs of fun and enjoyment for all.

The Dues structure underwent a major change. There are no longer family and single member dues. The couples and singles pay the same dues, \$5.00 annually, effective September 1, 1980.

The 1983 Reunion will be held in Lehigh Acres, Lehigh, Fl. Charlie and Phyllis Plimpton will be General Chairman.

Perhaps the most important decision to come out of the reunion meeting was the establishment of the Julius and Miriam Nestor Award. It will be given only when a member has earned it by performing outstanding service or exceptional acts showing devotion to square and round dancing over a long period of time, and to OSDA. It is hoped that this award will receive the same status among Overseas Dancers as the Silver Spur Among all square and round dancers worldwide. It was unanimously decided that the first recipients of the Award would be Julius and Mariam.

For the past seventeen years, and longer, these two wonderful friends set an example for all of us. Julius was Mr. Hospitality himself. They have been Historians for OSDA for the past ten years. They attended every reunion prior to this one and were on the way to Bartonsville when Julius was stricken.

Julius died during the night, August 12-13. He had been operated on and was recovering nicely, scheduled to go home Monday, 13th. His friends, and they are worldwide are deeply grieved by his death. We all share with Miriam and his family their sense of loss. Our Activity is poorer because of his passing but is infinitely richer because he passed our way.

If you've belonged to and danced with an Overseas Club, you are eligible for membership in the Overseas Dancers Association and also may attend the 18th Annual Reunion. July 30 - August 2, 1980 - Western Hills Guest Ranch, a Hoofbeat away from Tulsa, Ok. For further information write Ken and Pam Cranke, Rt 4, Box 595-F, Broken Arrow, Ok. 74012.
