Editor's Note:

I'M STILL
WORKING
MY TAIL
OFF!

This certainly has been a unique issue! Received the CCR News from the hospital; because of the postman's holiday the 12th, many people stopped by the house with their news and ads. Thanks a lot for the extra effort you all put into getting these items to us close to on time. It's sincerely appreciated.

It has come to our attention that by indicating the level where we did on the schedule, we are putting a level on the club! (That's a definite No-No!) Because we want to indicate the level of the dance (not the club), you'll find a slight change in our format. Like it?

Don't forget if the weather gets bad on a dance night, there should be a phone number at the end of the club's news. (Usually, the Club's president's number.)

Our year is coming to an abrupt end here and so are some of the reporters' terms. I do hate to part with them, they've been so good to us. The next reporters sure do have big shoes to fill! (Remember to pass on your reporters kits.)

After the holidays are over, we would like each and everyone of you to consider what value the PROMENADER is to you. What would square dancing be like without it? It's time to volunteer to help out square dancing by working on the PROMENADER. The present staff have done their share and spent their ideas. Now it's time to move on. Please volunteer to take over the PROMENADER. It's too good a paper to lose. Call me and find out what it's all about, then decide.

494-2102

Bob and Maryln Dailey

The Life-long friend of Square Dancing, Joe Rielly, passed away the morning of November 17, 1979. We miss you Joe.

REPORT OF NOVEMBER FEDERATION MEETING

The Leadership Meeting, a joint meeting of Federation and CCR, was discussed. All urged to attend December 2nd.

D-O-R Committee reported all was progressing well.

The deadline for Federation Dues was extended from November 1 to January 1. Those clubs not paid up will be billed.

The revision of the Federation By-laws was discussed. (If anyone needs a copy of the present by-laws contact Orlo Hoadley.) One possible revision that was discussed was the terms of the Federation Officers. Would it be advantageous to change the terms to correspond with the calendar year? A list of the proposed changes in the by-laws will be mailed out to Club Representatives and Presidents along with the minutes of this meeting. All Reps are highly urged to attend the February 6th meeting, when these changes will be discussed and acted upon.

Caller Profile

STAN

LEVANDOSKI

Stan and his wife Joyce live in Hilton with their three daughters, Laurie, Michelle and Karen. Laurie, now a college student, has been an active square dancer since 1973. Michelle is beginning to learn and Karen cannot wait to grow up so she can dance too.

Stan and Joyce had done a lot of country style square dancing during the 1950's. Their friends convinced them to try western style dancing and they graduated in the 1967 Belles and Beaus class. They have been active members of the Belles and Beaus ever since and dance at least once per week.

Stan had always enjoyed singing and a couple of years after graduation he started calling for friends at parties. He soon was doing one night presentations for churches, scouts, and other groups. He started calling seriously about 1972. He attended a Callers' College presented by Dick and Ardie Jones.

Stan calls for the club and teaches the class for the Wheel n' Dealers in Kendall. He does guest calling for clubs in the area and one night presentations and demonstrations for many groups. He is active in the Orleans County 4-H group as a square dance caller.

Stan works at the Kodak Apparatus Division plant on Elmgrove Road. He and his family are avid campers and especially enjoy combining square dance calling with a camping weekend. They did this several times this summer.

For Stan and Joyce the best part of square dance calling and dancing is the many lasting friendships made and happy people met on the square dance floor.

Friends are forever!

School closed. No dance. Stayed home and watched T. V. One of the programs we watched was the "The Guinness Book of Records".

Seeing this show gave Fran (my Taw) an idea. She said, "Why can't we get into the Guinness Book of Records?" I said, "I've already set a record by breaking down 22 consecutive sets". She said that it wasn't a record because Dick Casper, when dancing at the Genesee Club, broke down 24 sets. Boy, he's tough competition, I'm glad he became a caller.

Sooooo we decided to build a platform on top of a 40 foot flagpole and dance up there. This should set a record for the highest level of dancing.

The great day arrived, four couples were ready, but only three and a half couples passed the requirements to ascend the Pole. The Judges rejected Fran! She forgot her petty pants and they would not let her go up the Pole.

Sooooo we decided to try for a Challenge course record. No good! I kept knocking down the hurdles while Promenading and those tires weren't easy to dance thru, either. I finally gave up when I hurt my toe and I got Toe-maine poisoning.

Sooooo now we thought we could try for the lowest level ever danced. We went to Ray and Jane Ross's cottage, got a set together, got our snorkels, went into Conesus lake and danced underwater. We figured this would be below C-level, the lowest level you can go.

Our caller was Stan Levandoski, who, underwater looked like a Big-mouth Bass. We moved to the rhythm of the bubbles exiting from his mouth. Everything was going fine, we "Dived thru", "Star fished thru" and made "Ocean waves".

Then it happened, one of the spectators, a Northern Pike, thought we were good enough to eat and bit Marge Tracy on the thigh. Needless to say it broke up our set. (P.S. This is true)

Sooooo we made a record after all. The only set ever to be broken up by a bite on the thigh. Well.....

Fran and I want to wish you all a Merry Christmas and a Happy New Year.

Thanks Anyway,
Hal Abberger

Callers' Co-op

It may be too late but in case your PROMENADER comes early enough, join us at the Green Lantern Inn on December 2nd from 2:00 until 5:00 for the Federation Leadership Training Program. Reservations for dinner had to be made before this.

If you missed this affair ask your caller about it. All interested people are invited.

C. C. R. January meeting, January 6th, 1980, 2:00 'till 5:00, meeting at the same place.

Topic: -Why callers wives are turned on or off by square dancing.

Look at the panel - Carol Cole, Rita Hoadley, Alice Bubel, Gerry Prister, Shirley Shaw.

I am writing this from my hospital bed. By the time you read this I should be home, not quite raring to go. The Doctor says in six months I'll be able to go back to square dancing and my regular program.

Thank you all for all the good wishes.

BECOME A BETTER DANCER

By Jerry Carmen

This month we're going to discuss something that has been said before, but needs to be said again. Part of our enjoyment in square dancing is to be able to dance as much of the tip as possible. We do not pay our money to stand around and watch others. Since the square we are in will probably break down one or several times during the evening, the name of the game is RECOVERY. One can tell good, experienced dancers because almost as soon as their square breaks down, they are back dancing again. The sooner the new dancer learns to recover, the greater will be his enjoyment, and the better he will be accepted among the older members. Here are some hints which you should remember:

1. DANCE WITH YOUR HANDS -- Try to join hands with the people beside you immediately after completing a call. By doing this you can know where your partner is and see whether you are in a line, wave, etc. You might also help to orient your neighbor who has lost his direction.
2. DON'T TURN AROUND when you are lost. Walk slowly straight ahead or around the outside of the square. Look around to see where everyone else is by moving your head, and extend your hands for help. Much shoving occurs because the lost person freezes and keeps his hands by his side leaving nothing for guiding except his back. By extending your hands, you will most likely be led rather than shoved into position.
3. If you miss part of a call, don't race through it trying to catch up. Instead, forget the part you missed and try to pick it up where everyone else is.
4. If a person is not in position to do a call and you can't guide them, do the call as if they were there. Waiting for that person puts two more people behind and breaks the square down.
5. LEARN TO LISTEN TO THE CALLER when you hear a call you have forgotten or never heard of. Most of the time the caller will tell you how to do the call after he has said the name.
6. If all the above fails and the square breaks down, everyone should immediately square up with a minimum of talking. Then, listen to the caller and watch other dancers. As soon as the other dancers are in lines of four, the head men should take their corners' hands and with that couple make a line of four. If, instead, you see the others in ocean waves with the men on the ends, the head couples should immediately turn to face corners and form right handed waves to continue dancing. You may not end up with original partners and in sequence, but at least you will not be standing! Some dancers can do this so smoothly that the caller may not realize they have broken down.

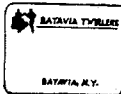

Ed Foote, in his "Tips for Better Dancing", says that the two primary reasons for squares breaking down are:

1. Failure to listen to or believe the caller.
2. Failure to take hands with adjacent dancers at the completion of every call to form good lines or waves.

CLUB

NEWS

Batavia Twirlers

Change Your Image! You bet we have! We are now a Mainstream Plus 1 Club so we invite you all to give us a try.

Our Presidents, Dick and Bette Rung and the other officers and board members have leveled the club at Plus 1. We feel we have a great caller who can make this level of dancing fun so put a little life in your life and ours and visit the Batavia Twirlers. Our new location is the new Salvation Army Building at 529 East Main Street. It is accross from Carrol's restaurant.

Our guests at our November dances were Country Twirlers, Wyco Promenaders, Promenading B's and Which Way Whirlers. Ask them about our new level. We hope you'll join us soon.

Belles & Beaus

Our Hallowe'en Party was a great success. The funny hats and shoes were very creative. Don and Trudy Smith won first prize. As usual Trudy's talents came shining through. We all enjoyed the cider and donughts during the evening.

Many of our club members journeyed to Grand Island on November 10th for the Harris' Squares annual spaghetti dinner dance. As usual they all enjoyed themselves.

Ed Friedenburg will be our guest caller on December 3rd. We hope for a very large turnout. Visitors are Welcome. Our Christmas Dinner Dance will be held on December 21st at the Redman's Club, 1001 Lexington Avenue. Be sure you circle the date on your calendar.

The nominating committee has been hard at work picking a new slate of officers. This is not an easy job, so ..Please.. anyone willing to accept an office tell the committee. They will be very grateful. Some of our members, who have retired, have left for their winter homes in Florida. The Goslings and the Moylan and possibly others that we have not heard of will be gone all winter and many others will be leaving right after the Holidays for 3 or 4 months. We will miss them and be very envious of their golden coloring when they return. Whitey and Joy Zimmerman are enjoying two weeks of trailering in the their new trailer. They are going to Florida to visit with their son Mike. Hope you had nice weather.

As there is no PROMENADER issued in January, we wish to take this opportunity to wish one and all a very Merry Christmas and a Happy New Year.

Cloverleaf Squares

Well, the year almost isn't anymore. Soon the fall foliage will be covered with snow so deep I won't be able to drag my feet anymore as I shuffle along to the square dances. The snow slows most things down except of course for skiers and square dancers (frequently one and the same).

The Cloverleaf Squares will be busy this month. Besides Rounding to Mike Liberti in between Squaring-Off with Mike Callahan, we'll be having a Christmas Dance at the Mother of Sorrows Church and a New Year's Eve Party which will be celebrated jointly with the Swinging Singles.

November although now in the past was certainly not a month to forget with events such as Amateur Caller's night, a Pot Luck Supper and a very enjoyable Square-up dance for which we all thank Eric Stahlecker and his crew. Our Halloween dance was a marvelous success. Among the many interesting costumes some of the more ingenious ones simply had it in the "bag" as far as the prizes were concerned. Judy Hargrave as a bag of Jelly Beans and Lois Turkinton as a Tea Bag. I wish we could run some pictures.

We've also had elections and all the new officers (who at this writing are unknown) by now are being briefed on their new responsibilities. So as this year ends, so ends the term of our current officers, including myself. I hope the new officers find their jobs as fun and interesting as we have.

Wishing you a long and Happy Holiday Season,

At this date our December calendar is valid except for the possibility that Duke Miller might be with us on December 27th. Please call 244-1375 for information after December 15. Duke lost a leg a year ago and needs a driver to get around. He was behind the mike, as usual, at the Peachblossom Festival in Canajoharie last spring, at his summer series in Frankestown, N. H. and the featured New England caller at Pinewoods for a week in Aug. We sincerely hope he can be with us for our holiday dance.

Our January calendar has not been confirmed, but there will be dances each of the five Thursdays - four to live music. Be sure your class members realize they are welcome at our dances - singles as well as couples.

While we will be writing more of Dance-O-Rama later, we would like to let all of you know that CDR is planning a 3 day festival this year. We will feature Randy and Rodney Miller (piano and fiddle) from New Hampshire in our band. We'll have our regular dance Thursday night with Ed Butenhof calling; a Lloyd Shaw Foundation benefit dance with various callers on Friday and the D-O-R dance with Chip Hennrickson on Saturday. Remember the dates: May 1 2 and 3.

There is another traditional dance group in the area. Art Teamerson is in his 20th season of calling squares at the Riga Congregational Church (December 1, 15; and Jan. 5, 19) the first and third Saturday each month. Live music - squares and ballroom dancing. It's fun! 9-12 PM.

December 6th dance will be recorded music. December 13th dance will be Blackthorn Ceilidh. December 15, Sat. will be Sam Patch Pickups. December 20th will be Genesee String Band, and on the 27th of December, Mitzi Collins and friends.

Phone 342-9018 for possible cancellations in winter.

Country Twirlers

Country Twirlers wishes to extend a warm congratulations to our club caller, Jim McQuade and his wife Gert, on the occasion of their 35th Wedding Anniversary, celebrated on November 11th.

On November 3rd, we had another great dance with Gloria Roth, 25 squares in all with many guest clubs present. We understand that this was also the date of Hal and Fran Pyritz' 34th wedding anniversary, many more of them! On Sunday, November 4th, we were the guests of Rescue Reelers from Buffalo. Twelve couples had a delightful drive, dinner, and dancing; leaving the driving to Harry Easton and Ed Briggs. On November 10th, the Country Twirlers celebrated their 20th anniversary with a special birthday dance. Dan the Tramp added to the evening and the cakes were delicious, a special cake going to Jim and Gert. Thanks to all the other clubs who joined us on this occasion.

Unfortunately, there will be no New Year's Eve party this year due to the unavailability of a hall. Well, we can all stay home and rest up and start on our New Years resolutions, the first of which will be to come and dance with Ernie Carviel on January 26th, 1980.

A special get well soon goes out to Ev Wehle who had one of those freaky mishaps with a lawnmower. We hope to see her dancing again soon.

Happy Holiday Season to all.

Diamond Squares

The travelers have returned from Hawaii relaxed and ready to tackle the events of the busy holiday season. Club members who joined Bob and Nancy on the trip were Frank and Jo Manicone, Carl and Betty Goodberlet, Jack and Mary Haskell, Lou Schneider, Ruth Schu and Loretta Tesch.

We extend best wishes to the couples who have left us for warmer climates. Have a good winter. We look forward to having you back dancing next summer.

Congratulations are in order for Paul and Mary Ellen Goodell. They danced with us on Saturday October 6. On October 10th, Edward Robert Goodelle arrived weighing in at nine pounds. He has since attended most of our dances sleeping peacefully in his basket.

Special Events:

1. The annual Christmas Party at the Green Lantern Inn. Wednesday night, December 19. Dinner with reservation only at 7:00pm. Square Dancing starts at 8:00 pm and is open to everyone. Gifts will be exchanged between squares during the evening. Each person should bring a \$2.00 gift marked 'girl' or 'boy'.

2. The New Years Eve Square Dance Party - Green Lantern Inn. Dinner at 9:00 pm. Dancing until 2:00 am. For reservations, call Bob Ellis at 315-526-5282.

Starting on January 24, 1980 Bob Ellis will have a Plus 2 APD Workshop on the 4th Thursday of each month. Check the ad in this issue.

Couple of the Month: Chuck and Doroty Sharp. This "behind the scenes" couple have worked diligently to make Diamond Squares a friendly, happy club. They have provided decorations for many of our special events. They have been in charge of hospitality since the club started, making sure we have plenty of "goodies" at every dance. We love you both.

Happy Holidays!

Genesee Dancers

We sound like the "broken record" but the need remains - angels on Monday nights to help with the class. From all reports, the class is going well but help is needed to fill rounds occasionally. So give it a try some Monday evening.

Needless to say the return of Norman and Gloria Steinmiller from Leeds, England was welcomed by all on November 8. Gloria is back to stay but Norm has to return to wind up his job and hopes to return permanently before Christmas. As usual, many Genesee Dancers have been going the "travel route" recently. Irene and Bill Ruster toured Egypt in October; Carrie and Dick Smith were in Florida for a month; Camille and Nelson Havens took a sabbatical to Jamaica; Ken and Viv Brumber spent last week in November in Florida; Bill and Jean Mastrella did the shopping tour in Utica; and we're sure there are lots more we haven't heard about. We will miss Tip and Millie Costitch, Gorge and Day Naughton, and Joe and Ann Ransco on Thursday nights this winter. They all plan to leave these parts for the warmer climes of Florida. Just hope they return in the spring!

The broad smile you've seen recently on Marguerite and Mike Grosse's faces could be because being grandparents agrees with them. Their daughter Debbie presented them with their first grandchild in October. We hear that Jim and Mary Pedulla, also Bob and Lou Vincent also have new grandchildren. Congratulations all!

Bob and Lou Vincent recently moved into the "house of their dreams" in East Bloomfield in late August. We wish for them many happy years in their new locale.

With this, our final word, we wish for you and yours a happy and blessed holiday season and a new year that's prosperous, healthy with lots of happy times "round the square".

Election of club officers is scheduled for our December 14th dance. The nominating committee, Bob and Ruth O'Connor and Walt and Sally Baechle, are to be commended on a job well done!

As Bob and Gloria Fisher are nearing the end of their terms as co-presidents, they express their appreciation for the loyal support of fellow officers and board members, and for the wonderful cooperation of all club members. A big thank you to all.

Our last two dances at Kodak Park will be on the 7th and 14th of December to Ken Anderson's calling. Our Christmas Party will be held on Wednesday, December 26th, at Kodak Office, with Mike Callahan calling. Each member couple is asked to bring a dozen Christmas cookies.

With the first dance of 1980, we will move to the Kodak Elmgrove Plant, where we will be dancing to Bud Redmond on January 4th, Ken Anderson on the 11th and 25th, Cliff Brodeur on the 18th, and Norm Poisson on February 1st. Betty Wolcott will be cueing rounds for all these club dances. A Happy Holiday season to you all, and keep dancing.

Our caller, Don Pratt, has consented to start our dances at 7:30 P.M. with a half-hour workshop. This has been especially helpful for our recent graduates and also for those members who aren't always able to get to every dance. Our new class had a good turn out and we are expecting to have a number of new members join our club in May. Many of our dancers have spent the fall traveling, camping, and dancing, and we are glad to see them back with the club now that the weather is getting colder.

Glass Slippers

Hooray for the Holidays, the happy celebrations which make the snow and ice of winter bearable, though nothing can make them pleasurable. Our first cause for celebration was the announcement of the birth of Tracey Jill, first-born child of Wayne and Linda Taylor. Now we are all aunts and uncles.

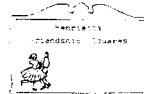

Next we celebrated Halloween, with jack-o-lanterns, Elsie Epke's famous pumpkin squares, and hot spiced cider. Then we celebrated Thanksgiving with a fashion show. Caller Ron Fotch and Joyce Tyner demonstrated how not to dress and how not to act when square dancing, with commentary by taw Betty Fotch and by Elsie Epke.

Coming are the most fun celebrations of all, our Christmas and New Year's Eve dances. And on Jan. 9, 1980, to give the illusion of warmth in the middle of our usual icy winter weather, we are scheduling our annual South-of-the-Border dance. Olle!

MAKE SQUARE DANCING
 A NEW YEARS RESOLUTION!

Henrietta Friendship Squares

Our Halloween Dance brought many surprises to everyone. Our energetic Ed Wardwell surprised everyone with the black lights he wired and strung across the ceiling. The black lights highlighted the eerie Halloween atmosphere created by the superb graveyard that Sadie McGilvery made and even the live ghost (Sadie herself) in the graveyard, and all the other pumpkins and decorations added by so many of the members. Thank you all for making our Halloween Dance such a big success.

The Yellow Rockers traveled to the Country Twirlers November 3rd to swing to the tune of National Caller, Gloria Roth. Sure looked like everyone was enjoying her calling. Before the dance, several couples dined at the Wishing Well.

Don't forget, club members, our Christmas Party is December 22 (closed) for members only with the class invited and a pot luck dinner at 6:30.

Hope you all have a Merry Christmas and a Happy New Year. We sure have enjoyed being your news reporters this past year.

The Halloween Dance with the Swinging Eights was a big success, with lots of originality going into the costumes. The flasher, the 6 owls, a very realistic old witch, the midget in the giant hat, the Balto. Oreo, and the Pitts. Pie-Rat and many others added much to the very festive evening. The Mystery Ride on November 3rd ended in Canandaigua, with 14 couples from our club joining the Happy Hoofers at Finger Lakes Community College for their Harvest Hoedown. A most enjoyable evening was had by all.

Dates to mark on the calendar:

December 8th Poinsettia Prom - Mike Callahan will be calling, and the Copy Cats will be joining us for this gala dance. Stella and Joe Nicoletti and their committee are busy with preparations.

December 22 - Bill Wilcox and Linda Liberti

December 31 New Years Eve celebration and dance to be held at Msgr. Schnacky Community Center in Mendon at the corner of Routes 64 and 251, six miles south of Pittsford, maps will be provided. Cocktail hour at 7:00 pm (B.Y.O.B.), dinner at 7:45 pm, with Ben McGilvery calling. Nelson and NancyCoco are planning this dance with an Hawaiian theme, assisted by the Van Bortels, Wrights, Pauls, and Penczek. This sounds like a great evening, please sign up early.

January 12 - Bill Wilcox and Linda Liberti, with several clubs invited for Guest Night.

January 26 - Jim McQuade will be Guest Caller.

Many thanks for a job well done to our outgoing Presidents Joe and Betty Zinni, their officers, board members and all who have helped during the past year.

We wish everyone a Merry Christmas, and a Happy Healthy New Year.

Jack of Hearts

Can you believe it - the Holidays are upon us once again. How the days race by!

The Jack of Hearts have been enjoying some very fine dancing with our own special caller Ted Whitacre, with visiting caller Joe Uebelacker and with other hi-level callers at various special dances and weekends hereabouts.

We were pleased to have so many guests at our Joe Uebelacker dance and, although Joe didn't yodel for us this time, he did treat us to two of his fine singing calls, done with advanced figures. They were a delight, especially the one that goes "Bongingg Boinggg". Bravo, Joe!

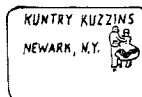

It was with pleasure that the Jack of Hearts accepted the invitation by Phantom Squares of Buffalo to attend their all day special dance with Ohioan Dewey Berry on November 10th. Six Jack of Hearts couples car-pooled it over to our sister city to hear grand 'ole master of advanced and Challenge calling. It is hoped that we have more dances with clubs combining to share such fine calling.

On December 19th, the Jack of Hearts will hold a Holiday Dance Party. We'll begin with a Pot Luck Supper at 6:30 (yum-bring on those goodies) and continue with A1-A2 level dancing 8:00 - 10:30. Our new class, full of able and enthusiastic dancers it's reported, has been invited to join us for the evenings festivities. We look forward to this opportunity to eat and dance with them and get to know each other. See you there!

Happy Holidays and good dancing!

Kuntry Kuzzins

Kuntry Kuzzins have scheduled two big dances for December. On December 8th, 8:00 PM at Kelley School, we will have our Christmas party, with Jon McNally calling squares and Dottie Reed cuing the rounds.

Our guest caller on December 22 is Bob Ellis. We dance at Kelley School, 8:00 pm. Dottie Reed will be cueing the rounds. Let's all gift ourselves a good time dancing this Christmas.

A great time was had on October 27th at our Halloween Dance. Nine couples came in costume, even our Presidents Ron and Betty came dressed in costumes, as square dancers! A spooky time was had by all.

We wish to thank Dottie Reed for making those name tags for all the new class members, they look like our club badges, good work Dottie.

Kuntry Kuzzins will be having an Ametuer night and Fashion Show. Watch for these dates.

Kuntry Kuzzins would like to list on the Special calendar, Feb. 2, 1980 Mike Callahan at Kelley School, at 8:00 pm. Cuer Debbie Wilkensen. March 15, 1980, Ron Fotch at Kelley School, 8:00 pm.

Which Way Whirlers

The Which Way Whirlers of Pavilion held their annual Turkey Trot dance on November 7. A turkey was awarded Mr. and Mrs. Defelice. The next dance will be on November 28. The class meets from 7:00 to 8:30 followed by the regular club dance from 8:30 to 10:30. A Christmas "pot Luck" supper will be held on Dec. 19 and a New Year's Eve Party to be held in Scottsville is in the planning.

Lima Grand Squares

The holiday season is here again - the magic lights, the special decorations, and most of all the genuine spirit of good will and happiness. Our square-up dates include a dance each Friday night for the month of December - with December 21 being our Pot Luck Supper Christmas Dance. So, don't forget to set aside these nights for coming to Lima Grand Squares. It will provide a welcome relief from the hustle and bustle of Christmas Shopping, baking, etc.

Along with Christmas and holidays, comes plans for a New Year's Eve Dance. This will be held on New Year's Eve at the Lima Town Hall with Ronnie Cole calling. It's open to club and class dancers and dancing will take place from 9 to 1 o'clock with appropriate noise makers, etc. at midnight. After the dance breakfast will be served to all. So, if your looking for a way to bring in the New Year, just "circle on down" to Lima.

As all columns are written one month in advance, this is my first opportunity to report on our Halloween Dance. It was a huge success - thanks to Rita Lambert, Eleanor Trescott, and Maggie Kleeh for the fine decorations and a special thanks to all the ones who came in costume. After much deliberation, the judges awarded prizes to Mike and Mary Hane Herne of Village Squares for the best dressed and to Jim and Pat Everett of Lima Squares for the most original. After the dance, all went downstairs to enjoy some cider and donuts.

A special note to all our members. We do need your weekly support. So try to set aside those Friday evenings in December for joining all your square dance friends. Help us fill the hall and join in on the laughter and gaiety you'll find there.

Happy holidays to all our square dance neighbors.

Merry Mixers

December is here again, the month for goodies and Holiday parties.

Our Christmas party will again be held at the Red Men's Club on December 7th.

Rosemary Williams, as planning committee chairman and helpers have been diligently working to make it a festive evening. Let's all perk up and join together for a really big night - many squares and many happy faces!

As it stands at present - December 14, 21, 28, are regular Friday Club Dances.

Going back to November some Merry Mixers enjoyed dancing at Country Twirlers on the 3rd, with Gloria Roth as caller, who I'm told taught "Our Ben" the art of calling and did it well.

We are happy to have our sick friends, Lenny, Francis and John back with us again, if not always to dance, at least to converse and have a little snack with coffee.

Our next publication will not appear until February so be thinking and making plans for Merry Mixers 10th Anniversary, Valentine Party at the Wishing Well on February 8th.

Till next time - Happiness is dancing with Merry Mixers. Merry Christmas and Happy New Year to one and all!!

The shopping is done, the stockings are hung, so how about having some Christmas fun. Our annual Christmas Bazaar and Ball will be held Saturday evening December 8 at the VFW Hall in Hamlin. We'll start things off with the Bazaar at 7 pm, which will continue throughout the evening to give everyone a chance to find that last minute Christmas gift. Ron will get the Ball rolling at 8 pm. Hope to see you there.

Congratulations are in order to Ron and Betty on the recent marriage of their daughter, Judy. We'll make a square-dancer out of Dave yet!

Our snowbirds, Romi and Eadie, have headed for the Sunshine State. Hope to see them back in the spring.

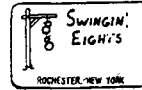

Save this date. January 12th, we'll have our Wine and Cheese tasting Party. The fun starts at 8 pm. Ron will do the calling. Don't miss it! As a reminder, all regular dances will start at 8 pm.

A big thank you from the club goes out to Chip and Fran for handling the club news for us over the past year. A good job well done.

Happy Holidays to all.

Swinging Eights

Take a Halloween night with an almost full moon - throw in a goodly batch of Swingin' Eights plus an equally sizeable bunch of Irondequoit Squares - add an abundance of costumes (some funny, some scary, some puzzling, all clever), plenty of sweet cider, donuts and other goodies, plus the inspired calling of Bruce Shaw, Bill Wilcox, and Mike and Linda Liberti - that's the recipe for a really great Halloween Party/Dance, and that's the way it was on October 27th.

Now, with the goblins and turkeys behind us, on to December and January.

Keep these special dates in mind:

December 14 Christmas Party. Our new class will be joining us. Note that this is on a Friday night, at the Ukrainian Civic Center. Get your tickets early, you won't be sorry. Cocktail hour at 6:30 PM.

December 29 Ice Cream Social --- with our class invited to this one also.

January 5, Double-barreled treat - Bruce Shaw and Mike Callahan collaborating on the squares.

It's good to have Sarah Lichterman back dancing again looks like the doctor did a fine job.

If you missed Bud and Fran Macomber for awhile, it's because they were in Virginia visiting their son.

Bill Klein is retiring near the end of the year, after 43½ years of service with Samuel Bingham Company. On or about December 7th he and his wife Helen will be flying to Chicago for a special dinner to be held in his honor at his company's headquarters. Happy retirement, Bill!

And Happy Holidays to you all!

Singing Squares

Sorry we missed out on November Club News. Here is a brief resume. We were honored at our Halloween dance by three distinguished guests; Mike Callahan's twin boys and his pretty wife, Wanda. Luckily they left before Mike was wrapped from head to toe in toilet tissue and left calling all alone in the dark. "Just a bit of humor Mike." First prize for most original costumes, went to Queen Bee and her Drone.

Our class is coming along fine. El Johnson is the instructor and keeps them on their toes. However, we could use more of those heavenly beings called "Angels" to help us out. So hear ye, all club members - please come Monday nights and give a helping hand and foot.

Dances in December are the 5th and 12th with Mike Callahan calling. Our Christmas party is December 19th at the United Methodist Church, Westside Drive. It is closed to members only. Our class is invited. Starting with our New Years dance, Jan. 2nd, we will be dancing every Wednesday night at Thomas Edison School, 1612 Buffalo Road with Mike Callahan calling. We dance from 8:00 to 10:00 P.M. We have refreshments and social time before going home. We love having visitors. So, everyone come and join us.

"A New Year will soon be given to us - untouched, full of things that have never been. May we fill each moment with joy and peace."

Swinging BB's

November certainly was a busy month. On November 10th, we had our annual Men's Potluck Supper. The men really put the women to shame with their sumptuous main courses and desserts. After all that good eating it was very difficult to start dancing, but dance we did. We also carried that good eating into thanksgiving where we all outdid ourselves as usual.

We are eagerly awaiting December 21st when we will hold our annual Christmas Party. Rumor has it that St. Nick will make an appearance.

We at the Swinging BB's wish all of you a Merry Christmas, and a very Happy, Healthy, New Year.

Swinging Singles

Happy Holidays to everyone! It seems like it was just open house time, and now it's New Years time - how time flies.

These past 2 months have been really busy for us Swinging Singles. Our annual Roller Skating Party was November 10th that Sharkeys - we all had a good time - falls and all! Some of us are just not born athletes.

On November 19, was our thanksgiving dinner, which was a combination class and club function. The company was fun, the food was great and dancing was fun as usual.

Our Christmas dance was held on December 15 and also was a class and club mixer. It's so good to see the participation we have from the class. This year square dance attire was the form of dress - not formals, and it was widely accepted. Jerry Carmen did his usual great job as calling for our dances.

December 31 was our New Years Eve party held in conjunction with the Cloverleafs. It was surely a great way to ring out the old year and ring in the new.

Congratulations go out to Betty and Jerry Carmen on the birth of their daughter. Welcome back to John Rizzo on his trip to Hawaii.

Triggers

Peg Huss, as of this writing, is recuperating in Park Ridge Hospital.

Harold Pierce pitched in at a moments notice and kept things running smoothly. From all of us "thank you Harold". To Peg, take it easy and get well. To Myron, take it easy along with Peg.

To the rest of us volunteer, 'tis the season, it feels good and we have lots to do.

First our Christmas Party on December 18 will start off with a Pot Luck Supper. Dancing is next, with games and pass a pound. This year wrap up a pound of anything (candy, pebbles, nuts, etc.) as long as it weighs one pound.

New Years Eve Party will be at Aldergate Church. The theme will be Mexican, so plan ahead for a good time. See Norma Kammer to volunteer and for information. We also need talent, (old, new, hidden and even undiscovered will do) for our New Years Eve Show. Call, see or get in touch with Bob McConkey for further details and a pat on the back.

The nicest people you know probably square dance. But if they don't, our Open House for the New class will be January 10 at English Village School.

There's more than enough for everyone to do so we'll see you there. In the meantime, have a very Merry Christmas and a Happy New Year.

WAY OUT WHIRLERS

On October 12, we welcomed back all our friends from our first Open House. We even greeted some new ones. Thanks for coming Lisa, Bob, Karen, Garry, Andrea, Mike. On October 26, the Way Out Whirlers had a Halloween Dance. Some of the costumes there were a few hobos, a fireman, a horse, a little girl. Some of the kids played a joke on the caller Les Bradt by wrapping him up like a mummy in toilet paper, what a sight for us not for Les who couldn't see a thing.

In December we have two dances on the 7th, and on the 21st, which is our Christmas Dance being held at the Walt Disney School, 175 Coldwater Road from 6:30 till 8:00 for class members and 8:00 till 10:30 for club members the caller will be Les Bradt.

On January 25, the Way Out Whirlers are having a special Dance "DANCE THRU THE GALAXY", we would like to see many people of all ages. We hope you will come and support us!

The Way Out Whirlers have dances scheduled for Dec. 7th and 21st, and Jan. 25th. Les Bradt will call. They dance at 6:30 till 10:30, at the Walt Disney School, 175 Coldwater Road.

Wayne Westerners

On October 25, we had a most delightful evening dancing for and with residents of the Wayne County nursing home in Lyons. I think this is one of the most fun nights of the year. As I am writing this we are looking forward to our guest night. It's always nice to welcome members of other clubs to our club on this night.

Our class seems to be getting along very well. We're happy to have them with us.

By the time this paper reaches us again we will have new officers. Our officers of this year have done a great job. Thanks to all of you.

On December 20, we will have a pot luck Christmas Party with our class joining us for the evening.

We hope all of you have a happy holiday season. Please try to attend a New Year's dance somewhere - it's a great way to spend New Year's Eve.

So now I'd like to say welcome to our new officers and thank you to our retiring officers for a job well done. Thanks to our caller, Jeff Elmore, for being with us this year and to Sally, his wife, for adding a nice spark with her singing calls once in a while. We'd like to hear you more often, Sally!

Now - Merry Christmas - and a Safe and Happy New Years to all of you!

Boots n' Slippers

Quote - "Back on the October 5th, Bob Ellis sure did a fine job and I understand Floyd B enjoyed the wiggle, wiggle, so much he is trying to get Mike to call it every week. Oh yes, speaking of new calls, Mike, Jack Sadwick taught us a new one we think you should try. It's called "Everybody to the center and Muddle" (nice smooth call).

Congratulations to all those people that had enough spirit, youth, sporting blood to dress in costume for the Halloween Party and a Big Boo Hiss for the chicken hearted, party poopers that did not.---

---We got scalped by Tecumseh Squares. Yeah, they heap tough bunch of banner stealers. But I heard (unofficially of course) that Dale N. is going to be calling a war party together to get our banner back.---

There really were super costumes at that Halloween Dance as African Natives the Trouskies never revealed their identities until the last tip. Then there was Tweetie and Sylvester - a Shirley and Jim Husard original. The big had wolf and little Red Riding hood were really the Adams; John and Margaret!

For people who like delicious food, club and class were treated by the Best Cooks - Those of Boots and Slippers at Pot Luck Supper. Club members were really surprised at how great the class can dance!

Coming up in December - Election of Officers, Christmas Dance and New Year's Bash (that's worth joining the club for!). A super special for all class dancers all over will be on January 12 at Mother of Sorrows Church Hall with our super teacher, Al Howe. Watch for Blizzard Ball!

We missed last months issue but it is never too late to give a special round of applause to Joan and Jerry Beaudin and their membership committee for an outstanding job. They were tireless in their efforts and are much appreciated.

Tireless also were the dancers as they performed for national caller Cliff Brodeur. It was a good turnout and good to see so many representatives from other clubs join us.

Our pot luck supper was a huge success and so were all of us after sharing that bountiful harvest meal. Everything was so delicious that even the most rigorous dieters succumbed to double helpings. Fortunately the enthusiastic dancing that followed took care of some of the extra calories.

Want to point out our out-of-the-ordinary location for the dance on December 8, when we will be joining forces with the Irondequoit Squares. Why don't you join us, too? Have a happy.
