The Federation exists to enable member clubs to collectively promote dancing in ways that are beyond the scope of individual clubs. The PROMENADER and DANCE O RAMA are two obvious results of that effort. Publicity, group insurance, and promotions such as demonstrations at the Fair, on TV, and City Hall are also sponsored by Federation.

The Federation is people working together through their clubs. Get the most from your Federation--know your representatives--find out what's happening, and be a part of it. Let's all work together for the good of the total round, square, and contra dance activity.

EDITOR'S

NOTE:

Square Dance Week was celebrated in Rochester while John Fink worked on this issue. It got started in fine style with a square dance at City Hall at noon on September 19. Mike Callahan called the tips, and Mayor Ryan issued the Proclamation.

All PROMENADER subscriptions expire with this issue. You must renew now, either through your club treasurer or with our subscription blank (there's one on page 3). **DON'T DELAY. DOT IT TODAY!**

HELP! This summer we decided to keep the subscription price at \$3.95, and now hope it wasn't a mistake. The advertising income from our first two issues is less than expected so a special effort is needed to encourage more advertising. Can you help us make up attractive ads? Would you be willing to write or call on prospective advertisers? Let's talk it over--phone 663-2171. The PROMENADER reaches at least a thousand square dancing couples with each issue and is a good ad buy. A full page flyer for your special club dance is delivered to 1000 homes and is read by 2000 dancers for only \$35. It sure beats word of mouth.

Russ and Doris Jenkins

The following is from a letter from Ann Crowley, former member of Cloverleaf Squares now in the Army stationed in Germany.

*Europe has all kinds of special dances all the time, i.e. Castle dances, Rhine River Cruise dances, etc. The whole clubs participate in the event. The club I belong to is a good 60% German, 40% American. I am located in Wurzburg, Germany, southeast of Frankfurt. We dance on Wednesdays, caller is Jim Robar. Fridays I go to Kitzingen, a town out of Wurzburg to dance to the same caller. Jim was military but is now a civilian working in Wurzburg for the government. We are not in the Plus 1 2 level. We dance 75-100 basics and that is all.
Happy square dancing, Ann Crowley*

HOW TO BE AN ANGEL

by Jerry Carmen

Now that beginners' classes are underway, some of you will be asked to come and help out an evening or two. Club members who attend the class session to do this are called "angels". To really be helpful, a few simple guidelines should be remembered.

1. First and foremost, the primary reason you are there is to fill in squares so none of the class has to sit out. You are not there to teach. That is the purpose of the instructor.

2. Don't be an assistant instructor. Trying to explain a call while the square is in progress is discourteous to the caller as well as confusing to the beginner who is trying to listen to both. If you must explain something, make a mental note and wait until the tip is over. Better yet, ask the instructor. After all, that's what he is there for.

3. Avoid fancy flourishes, twirls, and incorrect styling such as a waist swing for a do-sa-do. These only tend to confuse and throw others off balance. Execute each call precisely as the caller has taught and leave the fancy stuff for your friends at a club dance. What is being gained if the caller teaches it one way and you dance it another?

4. Do not talk while dancing or the caller is instructing This cannot be overemphasized and refers to people on the sidelines as well. The new dancer has all he can do to concentrate on all the new calls he is learning and asked to recall instantly. Your conversation is distracting even though you are talking to someone else.

5. Do not guide, push, or shove people into position. Do your part to demonstrate correct styling and positioning. Give a reassuring smile and dance boldly and confidently, but LET THE BEGINNER MAKE HIS OWN MISTAKES. This is very important because it will show the instructor the call has not been fully learned and needs more practice. One has not learned a call unless he can do it without help from others. Class time is the time to make mistakes, then review and practice. Getting through a tip without breaking down is not the objective of a class. A dancer pushed through a call is not learning. Just do your part in the class and save your helpfulness for a class-club dance where the "helping-hand" is really appreciated.

You have probably heard of callers who do not like to have angels at their class. This is only because of some inconsiderate people who interfere with the class progress. However, I do not know of a single caller who would not welcome you if you follow these guidelines.

Well, another season of dancing and socializing is under way. I went to a dance the other night and found I still have Summer in my arches. It will take a few more dances before I have Fall in arches.

Everybody has been telling me about their summer dancing but nobody asked me what I did. Soooo now is my chance. It was a warm summer and there were some dog days. One was at the Monroe County Fair.

I think it was Tuesday. Chip Kellogg was the caller and the Copy Cats were well represented. The demonstration dance went O.K. but after the dance we went under the Genesee beer tent, just to get out of the rain. (if you believe that, well...) Again the Copy Cats were well represented. There were Jim and Pearl Rathke, Jerry and Joan Beaudin, Chip and several others. Too numerous to mention. Anyway, we were singing when in came this guy with a dog. He called him "Bear". I wont tell you how big he was but he stood up and put his paws on top of the bar. The guy said, "Give him a beer, no, give him an ale, he dont like beer." He poured the ale into an ashtray and "Bear" licked it up. Now he asked "Bear" if he wanted another? Woof! and wagged his tail, but his owner said, "Better not, you have to drive." Well, I would have liked to have followed them out to see if "Bear" would drive but I really didn't think he would, certainly not in his condition.

Another dog day was in August. I went to a Round Dance picnic at Howie and Dottie DeGraves farm. Their farm is easy to find if you have a map, a compass, a blood hound and Marge Tracy. Leave out any one and your lost.

There were several dogs there when I arrived. Their neighbor couldn't come soooo he sent his dog. The one dog kept looking at me. Howie said, "Don't be afraid, he won't bite you." I said that I wasn't afraid of him biting me but that he keeps lifting his leg and I think he wants to kick me!

Then there was another dog that kept barking and barking. Nobody could get him to stop till Dottie went over and gave him a gentle kick in the rump and he stopped barking. I asked her how she made him stop. She pointed to her shoes and said, "Hush Puppies". Oh boy, I had to ask.

Well each dog has his day and I had mine. Soooo I say

Thanks anyway,
Hal Abberger

NEWS

Belles & Beaus

On September 8th our square dance season started off with a big bang. We really had a good time dancing and catching up on all the summer happenings. Our Open House was a great success, and we hope all those people showing interest will continue to come to the class. It's up to us to encourage them.

Hal Abberger, who always has done so much for our club, did an excellent job in organizing the entire square dance demonstration at the Monroe County Fair. The club really appreciates all the effort Hal has put into the club. Many thanks!

Final plans are being made for our Oct. 12th steak roast to be held at North Hampton Park. Once again, we have the good fortune of having Don and Mary Waterman organizing this event. They always do such an excellent job.

Our officers are planning the Halloween Dance. They will probably come up with something spooky.

That's all folks.

The kick-off dinner dance on Sept. 5 was a big success. Looks like this could be an annual affair. Regular dancing will begin on Sept. 19.

We're looking forward to having Al Howe back as our class instructor. Classes will be on Friday nights this year starting after our open house on October 3. Other events coming are a demonstration dance on September 26, and a pot luck dinner dance on November 1.

Nearly everyone at the kick-off dance became the owner of a new club cookbook. Many thanks to Shirley Hushard for getting the receipts together. Shirley has a few left at \$1.50 each.

Events coming up are October 5 Square-Up, and a hayride on October 11. Also, be thinking about amateur callers nite in December. Let's see all that talent out there.

We had Jerry Bradt call for us one evening. Let's give him a round of applause.

Copy Cats

As reporters for the Copy Cats, we apologize to our club members and the many friends of the Copy Cats for missing the September issue of the PROMENADER

Despite the hot, humid weather and the fact that we didn't know from one dance to another where our next dance would be held, our summer dances were very well attended. Many thanks to all our supporters. We also thank the club members who danced at the exhibitions in Brighton, Webster, and the Monroe County Fair, and Chip Kellogg, the caller. Summer ended with a club picnic at Hickory Grove in Webster on Aug. 24. It was well attended and fun was had by all.

Our Open houses were a success and our new dance year is off to a tremendous start. Classes are being held this year at Xerox Recreation Center, Chiyoda Drive, Bldg. 337, Webster. Tuesday nights from 7:30 to 10 pm. Chip Kellogg is class instructor.

The Copy Cats (alias the Happy Wanderers) have found a new home. They will hold their club dances the 2nd and 4th Saturdays of the month at the Rochester Christian School, 260 Embury Rd. (corner Creek St.), Penfield (see ad). Our first dance is Oct. 11th and the second is the 25th, our Halloween dance. Mike Callahan will be caller at both. Please join us! We guarantee a purr-fectly great time.

Congratulations and best wishes to President Jerry and Joan Beaudin who are celebrating their 25th wedding anniversary this month.

Genesee Dancers

We were happy to see so many happy faces and "dancing feet" at our Trail Back Dinner Dance last month. Well over 100 couples were in attendance to enjoy renewing friendships, good food, and, as always, good dancing with Mike Callahan and Bob Slomcenski at the helm! It was great to have life members Eva and Ray Seymour with us again and hear tell they're going on a trip to Nashville with the Hoadleys. The two Pedula families were missing at Trail Back because they were away on a 6-week trip to California. We also missed some of our regulars due to illness. . . Rosalie Tears was in Strong and Harold Conklin in Highland Hospital.

The Trail Back dance was a gala affair, and the Rogers and their decorating committee did a fine job. Did you see that mural up on the front wall? We sure have talented people in our club.

At the time of this writing, Open House is anticipated and we're hoping for a good group on Monday nights at Fairport Congregational Church Hall. Square dancing is feeling accomplishment through teamwork and cooperation, and while it's fun it sure must be great exercise!

See you all dancing.

Country Twirlers

Saturday, Sept. 6, marked the opening of another great dancing season for the Country Twirlers. We were happy to see so many friends as well as guests!

The season has begun in full swing. In September we danced to two National callers, Dick Schweitzer & Frannie Heintz! This month we welcome Frank Lane on October 17.

Next month Country Twirlers is planning a "Sadie Hawking" Dance for Nov. 8. So, girls plan to have fun asking all your favorite guys for a dance or two! Come in costume if you wish!

It's not too early to think about your New Year's Eve plans, so if you would like to spend them with Country Twirlers, look for a sign-up sheet at the next dance.

Magic Squares

The Magic Squares were well represented at Rainbow Weekend hosted by Bob and Nancy Ellis. It was a very enjoyable weekend.

Our classes started on September 12. Our open house was quite successful. Now there will be a few more couples to join in our fun come next spring.

Our club put a demonstration dance on September 20 in Canandaigua. A good time was had by all who joined us. We are also putting on a demonstration dance in Clifton Springs on October 4. Anyone in the Clifton Springs area who would like to join us between 1-2 p.m. at the Big M Plaza is welcome.

Want something to do on Friday night? Join us at the Armory, Charlotte St. Canandaigua. Every Friday night we try real hard to have fun. Why not join us on Halloween, Friday, October 31, for a screaming good time.

Callers' Co-op

For the benefit of the newer dancers among us, CCR stands for the Callers' Cooperative of Rochester. It is a group that includes most of the Rochester-area square dance callers. Its purposes are to promote communication among callers, including the sharing of experiences and skills, and to work for the benefit of square dancing in any way that is appropriate for a group of callers.

Current officers are Co-moderators Jack Sadwick (392-2362) and Frank Salvagio (223-7906), and treasurer Wanda Callahan. CCR meetings are normally on the first Sunday of the month, and regular meetings are open to any interested square dancer. The date and place of the October meeting are not known at present.

On December 7 will be held the annual Leadership Conference, which is a joint effort with the Rochester Area Federation to present a discussion program on topics of interest to any dancers who are concerned with club operation and management.

October finds us all well into the square dance season. Since Ben McGilvery, our regular caller, has had to go back to Saudi Arabia on business, Ron Fotch will be our caller until Ben returns. Our classes are being held on Monday nights this year instead of Tuesdays to accommodate Ron Fotch.

The pot-luck supper at our September open house was, as usual, well attended. The variety of food is always amazing and everyone certainly needed to dance after partaking of the groaning board.

We dance every second and fourth Saturday from 8 p.m. to 11 p.m. and love to have guests. If you haven't visited us, come and enjoy the fun.

Our dancing with Jon McNally and Brian Adams is in full swing. We are glad you have found our new location, the Rochester Christian School on Embury Rd. off Creek Street in Penfield.

We enjoyed having many new prospective dancers at our Open House in September. Our Beginners' Class started Thursday, September 11, at Brighton Reformed Church on Blossom Road. Kevin and Lis (the old Biers) did a wonderful job planning and hosting the evening.

Our October dances are on October 4 and 18 with Jon calling and Brian cueing. We are looking forward to our annual Halloween Party with the Swingin' Eights. Bruce Shaw will be calling. We invite everyone to come in colorful costumes (optional) with prizes for the most original costumes. It's always one of our fun evenings.

Remember to keep our two special dances open. They are our Poinsettia Dance on Dec. 20, and New Year's Eve Dance on New Year's Eve.

Diamond Squares

What a pleasant surprise to see our caller, Bob Ellis, and some of our members, including Bob's law Nancy, adorning the cover of the first PROMENADER of the season. Compliments to the new editors on their first edition. It appears that the Jenkins naturally stepped in where the Dailey's left off.

We mentioned the Anniversary dance in the September issue, but because it was such a gala event, we decided to mention it again. The planning committee, consisting of Earl and Carol Johnston, Bob and Ginny Smith, Chris Smelts, and John Statts did an outstanding job in both decorating and planning the program for the evening. The crowded dance floor certainly attested to how our club has grown since its beginning three years ago.

We were pleased to see Syl and Eleanor Bauer back on the dance floor. They have been absent for several weeks while Syl was recovering from surgery. Lorraine Ayling is recuperating at home from an unfortunate accident. We wish her a speedy recovery.

October is the month of ghosts and goblins. The Halloween dance will be held on October 29. Although costumes are optional, it is great fun guessing at who's who underneath the strange faces and outfits.

October is also the month when several of our summer friends head for warmer climates. We wish them safe traveling, good health, and a good winter, which, of course, will include square dancing.

Saturday night specials are Oct. 4 & 18. Also, there will be one on Nov. 1. Remember, these dances start at 8:30 pm. Dottie Reed will be cueing the rounds.

Merry Mixers

Here today - gone tomorrow! That seems to be the life story of our caller, Ben McGilvery. If we want to dance with Ben, we'll have to go to Saudi Arabia on Travel Night. That's right--he's going back Sept. 11 for three more months. But hello again to Jack Sadwick, our very good friend and able substitute.

Don't forget the Halloween Dance October 27th. Come dressed in your "funny clothes" and I don't mean square dance attire. Nomination of officers for 1981-82 will be held on November 3rd. Get involved in your club and what is going on. Don't be afraid to accept an office or a committee chairmanship. It is a good way to get to know how your club operates and have a voice in very important club matters.

Many thanks to those who danced at Camp Hacamo for the Muscular Dystrophy patients. It is a very rewarding experience when the patients really get involved. They really enjoy the music and the participation.

Congratulations to Terry Veniskey who became a grandmother for the fifth time on August 24. Vital statistics --Michael James Veniskey weighing in at 5# 8 oz.

Til next month's issue, dancing with the Merry Mixers is a challenge. Guests are most welcome! You'll "flip your diamond" with us.

Rochester Rollaways

The Rollaway season started on September 10 with a C-1 level dance tape by Bruce Busch of New Jersey. The program this year features recent challenge dance tapes by various well-known callers. The first dance was great--smooth, rhythmic--but your thinking cap had to be on straight!

The club name, dance level, and location may not have changed, but Rollaways have a new program, new officers, and a new dues structure.

The board meetings have been preceded by pot-luck suppers which does wonders for attendance. The board this year consists of the Vreelands, Betlems, Sandersons, Butlers, and Jenkinses. Somewhere among them will be found a president, secretary, treasurer, dance host, program planner, Federation representative, PROMENADER correspondent, and coffee pot custodian.

Summer dancing for Rollaways was more of a road trip (Ohio, New England, Cherry Ridge, Hamilton, Ottawa, Philadelphia) than a home stand, but now fall is here and a more normal schedule.

Rollaways, after a short absence, are glad to be back. Happy dancing.

Promenading B's

What a schedule of fine dancing the B's have this month! On October 10th, we'll have our fun across the road (from our usual location) at the Gillam-Grant Center. The atmosphere seems more festive when we're at the center.

On October 31, we'll celebrate Halloween. How appropriate! Either square dance clothes or Halloween costume will be proper attire that evening.

The B's are such a friendly happy bunch! Be sure to get acquainted with the class couples as soon as you have an opportunity.

Tom and Louise Attridge, welcome to the hive. Now the B's can really "clown around". We all admire his generous volunteer work at hospitals. Louise, are you really going to take that clown to Syracuse Plaza?

Good to see North Chili represented among our ranks with the presence of Midge and Joe Calzaretta. That couple knows how to make the most of a short summer!

It's very difficult to tell which couple has been designated as hospitality at the B's. They're all so darn friendly!

Try the B's--friendliness guaranteed!

Singing Squares

Singing Squares got off to a slow start this fall due to circumstances beyond our control. We hope to get up to date with our club schedule in this issue.

We have great callers lined up for the year. Mike Callahan calling squares--starting out with mainstream this fall, and ending with mainstream #1 and #2 in the spring. Mike and Linda Liberti will be cueing rounds every Wednesday where we dance at Thomas Edison School, 1612 Buffalo Rd. from 8:00-10:00. Refreshments are served at 10 PM. We love visitors, and hope everyone will come and enjoy the relaxed dancing.

Our dates for dances in October are: Oct. 1, 8, 15, 22, and 29 which will be our Halloween dance. You may come with mask and in costume or be daring and just wear a mask. Refreshments will be served downstairs following the dance.

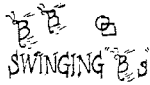

Looking ahead, our first dance in November is the 5th. We are looking forward to dancing with you.

A thought for the day:

"When you lose something you love, and it comes back to you--it's yours. If it doesn't--it never was."

Swinging BB's

Here we are again ready to start another fun-filled year of dancing. The summer was also fun-filled. In June we had a campout at Lake-side, the weather wasn't all that great but everyone still had fun in spite of leaky tents etc. July was better for our picnic and August was good to us for our Final Campout at Woodstream Campground.

We will be dancing at a new location this year, the Ada Cosgrove School in Spencerport. We plan to turn out some new square dancers this year and wish them all good luck.

Happy Anniversary to Ros and Paul Krebs. 10-4. We hope everyone has a happy, scary Halloween. Until next time--

Lima Grand Squares

With our first square dance for the season still on the horizon, it's rather difficult to report the news. However, at the point this is sent out to our fellow dancers, we will have met for a month and have held 2 Open Houses. We hope to interest many new people to the joys of square dancing. The future of each club seems to lie in the interest and size of each new class. Here's to a good year for all--both new class members and the "old-time" club members.

As you can see, I'm going to keep this very short and sweet. Until I meet you "on my square", bye for this month.

Swingin' Eights

About our first fall dance, Sept. 6th--as an Open House it was admittedly disappointing as we didn't attract as many prospective dancers as we hoped for--but our regular members were out in force and it was a happy reunion of good friends after the summer recess. The executive board had provided bountiful refreshments and both women and men ate like they were all pregnant. Nobody lost weight that night.

We apologize for an error in our September PROMENADER report. We gave Oct. 4th as the date for our pot-luck supper. We hope you got word in time that the correct date was Sept. 27th.

Are you dreaming up an exciting costume for our Halloween dance, Nov. 1st? As in past years, Irondequoit Squares and Swingin' Eights will be celebrating together. This year we are the hosts and we expect this to be another great one. Here's your chance to fool, scare, or make people laugh--and perhaps win a prize.

A bunch of Swingin' Eight couples really flung it fantastically at the Sept. 12-14 Fling Fantastic at Olean with Bruce Shaw and Mike Callahan in control (?) of the monkeyshines.

If we had space we could write a full page about the Canadian National Square & Round Dance Convention we attended in August at Ottawa. To make a long story short, it was a very enjoyable experience.

Triggers

Our couples' picnic on Sept. 27th at Hamlin Beach was quite a success. We discovered the Triggers are really great cooks--the food was fantastic. It was a fun way to get back into the swing of dancing.

We will be having our guest night on October 21, at 8:00. The following clubs have been invited: Belles & Beaus, Boots and Slippers, Cloverleaf Squares, Promenading B's, Copy Cats, Glass Slippers, and Diamond Squares. We hope you are able to attend. We're looking forward to dancing with you.

On October 28, we are having our Halloween Dance. There will be a pumpkin carving contest. Start thinking about your entry now--prizes will be awarded. Just bring in your finished "masterpiece" on the 28th for judging. For all those who enjoy the Halloween spirit, costumes are welcome.

Our class resumed on September 4. Just another month of lessons are left before graduation. The "Angels" who assist the class really play an important role in the type of dancers they become. The class needs us to be "Angels" whenever we can.

Swinging Singles

By now we're back into the usual routine of work or school, with summer just a faded memory. But what a memory of that last dance of summer! "Anything Goes" Night was one of several surprises, and many hidden talents emerged. An entire square decided to see how the "other half" danced and dressed, and Jerry Carmen, undaunted by the switches, succeeded in keeping all the "couples" straight! A new choreography team was born, and debuted an extremely interesting round(?) to "Hard To Be Humble." Can't wait to see their next endeavor! A different type of choreography was provided by Ms Fifi and was very well received.

Open Houses were successful in introducing several new people to square dancing. Classes are in full swing under Jerry's apt teaching.

As days grow shorter and leaves fall, we're looking forward to the Halloween Dance on Oct. 27. It's a combined class/club affair and promises to be a "spirited" evening! That's all for now--till next month, have a happy ----!

Tecumseh Squares

A warm welcome to our newly graduated class members:
Donna and Brian Berke Lois and Bob McAlpine
Joyce and Don Crook Bill O'Such
Kay Grundman Iris and Rob Raiman
Ginny and Gordon Hendrickson Helen and Woody Sherwood
Karen Huey Arlene and Bill Wing
Rena and Clem Lessard

Congratulations to them and a hearty thank you to Jack and JoAnn Sadwick for their instructive abilities and their interest and willingness to provide the graduation ceremony.

With autumn's spectacular color not far away, Tecumseh members will be heading to Finger Lakes Country for a tour of Gold Seal Winery at Hammondsport. We are booked for a morning tour on Saturday, Oct. 11. A pot-luck supper at a chalet overlooking Canandaigua Lake follows.

All of us look forward to having Mike Callahan with us on the 21st of October. Mike and Linda Liberti will be on hand to cue rounds. It should be a great evening.

Oct. 28th brings us close to Halloween. Come in costume or regular square dance clothes for a special evening in mid-autumn.

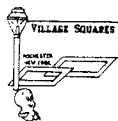

Looking ahead to November, our first dance that month falls on election night, so cast your ballot, wear red, white, and blue if you like, and join us for the night's festivities.

New classes begin Tuesday, Oct. 7, at 8 PM, Redmens Party House. Our club dances in the large adjacent hall on the same night, so our members can help class members as needed. Class rates are \$1.75 per person per Tuesday night. Club membership is \$20 per year plus \$2 per couple per evening attended.

Thanks to the PROMENADER Staff for the complimentary copy for our club's use. Our club members and new graduates appreciated the gesture.

Village Squares

And Mother Nature was seen, flitting here and there, her paintbrush in hand, touching each leaf with a splash of color. Autumn had arrived in Fairport.

Sunday, October 5, at the Green Lantern Inn in Fairport, Dick Casper teams up with the "Group Therapy String Band" for an afternoon of dancing that you will not forget. From 2-5 p.m. you'll not only enjoy the refrains of Casper the Friendly Ghost calling his heart out, but live music! The "Group Therapy String Band" is known internationally in the bluegrass music field. They have appeared on stage at the Grand Ole Opry in Tennessee, and made several records as well as many regional appearances in the New York/Canada area. This promises to be one of the biggest events of the square dancing year and you don't want to miss this one. Be early.

Not to be out-done by the beginning of the month, Sunday, October 26, brings us another super-biggie. Bud Redmond, nationally known caller, will be at the Green Lantern Inn. Bud will be moving us around the floor from 2-5 P.M. Those who have danced with him before will be sure to be there and those of you who haven't, come on out and enjoy another afternoon of fun here in Fairport.

Sandwiched in between these two Autumnal events is the club's annual Steak Roast. The fun will happen in Ellison Park at the Hazelwood Lodge off Blossom Road, on Saturday, October 18. This is always a happy get-together for the club and we hope to see all the Village Squares there.

On a more somber note, we wish to say goodbye to two lovely people who have danced with us for the last year. Gerhardt and Brigette Kneibel are preparing to return home to Stuttgart, Germany. Your friendliness and warmth will be missed by all of us. "Auf Wiedersehen, friends."

Come join us this month for some frivolous, frolicking fun, friendliness, and fine fall fashion here in Fairport.

Wayne Westerners

Seems like the months are flying by too fast. We had our first dance on Sept. 4. It was nice seeing our friends again after summer vacation. When we start again in the fall we realize how rusty we've become during the summer. At least I do.

On Sept. 8, we had our first open house with a good number of people who think they'd like to join our class. Welcome to all of you--we hope you'll like being part of our class. I hope I can give you a list of class members next month.

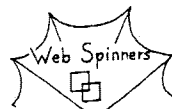

On October 30 we plan to dance with and for the residents of the Wayne County Nursing Home in Lyons. To us this is one of the most rewarding meetings of our club for the year. They have come to look forward to our joining them for this dance every year as much as we look forward to meeting them. So, Wayne Westerners, hop on your brooms and head for Wayne County Nursing Home on October 30.

We, the Wayne Westerners, wish to convey our concern for Don Pratt, whom many of us have danced to, during his recuperation from heart surgery. Good luck, Don.

See ya' next month.

Web Spinners

By the time everyone reads this, classes will already have started. We hope there's a large turnout of new dancers and old dancers (experienced if preferred).

John and Barbara Straube, Len and Hilda Fisher, and Heinz and Olga Gunkel attended the Canadian National Convention at Ottawa. They took our banner with them, so our banner was in the parade of banners.

There's quite a large group of Web-Spinners going to the Flaming Leaves Dance at Lake Placid. Have a great time.

There has been a lot of fun and singing at the camp outs this summer, especially one song, "The Old Gray Mare." Now who in the world could that be (Judy). A big thanks to Mike and Diane for making this an enjoyable camping summer. Mike will be wagon master again next year. A special thanks to Al Reitter for a very nice wood plaque designating the wagonmaster's trailer.

It sure was nice to see John and Zyl VanSlooten again. They danced with us several years ago before going to Oklahoma. Now John has been transferred to Kentucky. Keep getting moved around John, and you may yet, get back here.

I hear there's a new dress attire for board meetings. Suits and ties. Anyhow that's what Sid and Bill wore to the August meeting at the Browne's cottage. (bathing suits and ties)

Congratulations to Bill and Judy on the wedding of their daughter, Lisa.

Wyco Promenaders

On Friday night, Sept. 12, the Wyco Promenaders started the fall season of dancing by celebrating their 10th Anniversary as a club. We had the Which Way Whirlers and Dalton Gang invited to be our guests, plus our past club members. A good time was had by all.

October 6 is our Open House at 8:00 in the Warsaw Elementary School. Our caller, Chip Kellogg, will be the instructor. We hope to see many new faces interested in taking classes. We hope all you club members are bringing a new couple with you that nite.

Friday nite Oct. 10, we will have Jim Wheeler as our guest caller. October 24th we are having our Halloween dance. Dancers are to come dressed in costume. This is always a fun nite trying to guess who is hidden under all the different costumes.

Come join us on a Friday nite of dancing. Guests are always welcome.

CUES - N - CALLS

For the quarter beginning on Oct. 1, 1980, CALLERLAB has selected one new movement for use in workshops at Mainstream Dances. This move was written by Lee Kopman and is called COUPLE UP.

COUPLE UP: From any Box Circulate Foursome, ALL BOX CIRCULATE one place and, without stopping, those facing out turn back in the direction of body flow to end in facing pairs. (For Right Handed Boxes, the flow is to the right and for Left Handed Boxes, the flow is to the left.) Timing is 6 steps.

DANCING EXAMPLES:

From Box 1-4 (Eight Chain Thru #23)
Touch $\frac{1}{2}$, Scoot Back,
Couple Up, Pass Thru,
Wheel & Deal, Zoom,
Centers Pass Thru, Allemande Left

From 1p2p (facing lines #22)
Pass Thru, Boys Run,
Scoot Back, Couple Up,
Pass the Ocean, Girls Trade,
Boys Run, Everybody Promenade Home

Please remember that this is in the Quarterly Selection category and does not mean that all Mainstream dancers must learn the figure but only those groups that enjoy something extra. It should be workshopped before being called at any dance advertised as a Mainstream dance. It appears to be another good way to get into facing couples from waves. It can be varied as to boys or girls doing the turn back and can be called from any of the formation partner pairings that permit this definition to be used (APD). Please note, however, that not all groups desire this call in other than standard positioning.
