VOL. XIX, no. 1

ROCHESTER, NEW YORK

NOVEMBER, 1980

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

Editor's Note:

Traveling? Don't forget your square dance finery! We've just danced with the Sand Dollars and Grand Strand Strutters of Myrtle Beach, South Carolina, had a ball, made a flock of new friends, and helped a beginning class. The vocabulary was familiar but the body language was new. To introduce yourself requires that you "yellowrock" your way around the square before the music starts. Southern customs are great.

DOUBLE ISSUE COMING UP! a Christmas/New Years biggie. Here is the place to advertise your Christmas, New Years Eve, and other special parties. Square dance Christmas presents are always welcome and appreciated. The dance schedule should cover both December, January, and the first week of February. All copy should be in our hands by November 10. This way your reporters and editors get a December reprieve from the monthly deadline.

SEATTLE was fine in '69, and twice the fun in '81. It is not too early to plan on the 1981 National Convention. Over 8,000 dancers were registered as of Aug. 1. The PROMENADER has all the information you need-- advance registration and housing forms, tours, program, committees, press releases, and Mt. St. Helens. If you are interested, give us a call.

Editor's editorial: DANCE O RAMA originally and over the years has continued to provide a memorable introduction into the Rochester area dance community for new class graduates. We can remember vividly the first DOR at Cutler Union when we were the new class, how we faltered on "square through four hands," and yet discovered what a great activity square dancing was and still is, mainly because of the people involved. There has always been a hall for new graduates where they could dance comfortably. Yet only 40 new couples attended the 1980 DOR at Brockport. Solution: Class angels and instructors should encourage, talk up, point to, and expect their graduates to dance at DOR, 1981. The time to start is now to make DANCE O RAMA the highlight of their first year.

TALKBACK by Jim McCollum

I read with a great deal of interest Jerry Carmen's column in the September issue, discussing the drain of enthusiastic first year graduates from beginning clubs by Plus 2 and other advanced clubs.

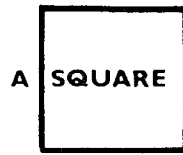

Having been an active member of several such clubs at various times during my nefarious career as a Western Square dancer, and having remained throughout that time with my home club, it was my experience that such a "drain" was minimal at best. Relatively few people go into advanced dancing, when one considers their numbers as against the whole square dance community. As a matter of fact, some of the advanced clubs barely scrape by.

The problem is not a drain from home clubs to the advanced ones, but rather the perennial problem of maintaining the interest of recent graduates and even longer term members in the home club itself. These people, particularly those who center their social life around the square dance club, are turned off by a number of factors, including discourtesies from other club members, cliques within the club, poor calling, lack of programming imagination by the club officers, conflicts with jobs and other interests, and plain old loss of interest.

I have no quibble with Jerry's solution, except that it tends to shift the focus from the more important reasons for membership shrinkage to a relatively minor one. Furthermore, it tends to make the advanced clubs look like parasites, which they most certainly are not.

Advanced clubs in this area have contributed to the square dance community in many ways, not the least of which is the retention of square dancers who would have become bored with the fare of the smaller-vocabulary clubs. Moreover, they and their members were among the founders of the Federation, have contributed many of the Federation's officers, including several of its presidents, have contributed PROMENADER editors, and have been deeply committed to and involved in the planning and execution of the annual DANCE O RAMA, to name just a few of their many contributions.

Indeed, we need the whole spectrum of square dancing in our community to give us the depth the movement needs for its continued viability. Obviously there will always be some movement through beginning clubs to the more advanced ones, but it will, nonetheless, be within our square dance community and not out of it.

Do you want hot, humid halls?

Do you want sticky floors?

One candidate promises free peanuts,
Another promises free ducats to the Cinema

GET A SQUARE DEAL!

Vote for Hal Abberger for President

If I'm elected, I will promise you air-conditioned halls with polished floors. No gum.

HOUSING: New homes with large basements, no posts. I promise you two Tape Recorders in every home. A chauffeur to take you to the dance.

CRIME: Turn your back and the club banner is missing. Set your coffee down, come back, it's gone! In its place is a soggy doughnut, half eaten. Petty crimes you say, petty crimes like these lead tooooo...

Violence in the sets! Somebody steals your corner or you might be mugged by your left hand lady. One ole man had his gnat boxed. It's getting so it's not safe to walk across the set. A lady had her wig lifted. These crimes must not go unpunished. If I'm elected I'll see that all goofers are sentenced to the Dixie Chain Gang.

POVERTY: Who needs it! Vote for me and I'll see that appropriated funds will get to the right people. Not the rich with their many petticoats, but to the real poor, with their one shabby shirt.

TAXES: Not only am I against a Sir tax but I am also against a Mrs. tax. I would even give the Madams a break. I will have a law passed giving all Square Dancers many extra deductions. For instance, you could take off all your clothes.

INFLATION: I would do something about those inflated petticoats. They are getting soooo large that you have to stretch to hold hands. My Taw had one on last week and while I Do-Sa-Do'd her, the guy in the next set Do-Sa-Do'd her petticoat. I say--that's spreading it too far.

CONSCRIPTION: I pledge to you that all Square Dancers with two left feet will not be drafted, instead they will be sent to a Round dance club where they will feel right at home.

A vote for me is a vote for the Square Dance future. Ideal conditions, where the Callers pay and the dancers get in free.

Vote! Vote! and if you don't vote for me I'll get even, I'll dance in your set.

THIS IS A UNPAID POLITICAL ANNOUNCEMENT-

Thanks anyway,
Hal Abberger

Callers' Co-op

It looks like another busy season--callers calling, dancers dancing, teachers teaching, beginners learning. That sure was a nice picnic meeting at Mendon Ponds back in September, thanks to Norma and Frank Salvagio.

At the October meeting there was a session where callers called and they were criticized (constructive criticism, that is) by their fellow callers and other members of callers Co-op.

On Dec. 7 we will have our Annual Leadership Conference at Green Lantern Inn, Fairport. Tentative agenda:

Leadership Conference	2:00-5:00 PM
Cocktails	5:00-5:30
Buffet	5:30-6:30
DANCE	6:30-8:30

All present and prospective club officers and any dancers interested in square dancing in the Rochester Area are welcome. (see our ad next page)

Special Note: Tune in every Sunday nite, 5:30-6:00 PM Station WGMC-FM for your square dancing pleasure.

Next meeting: Nov. 2, at Covenant United Methodist Church, 2-5 PM.

Bob Meagher

Caller Profile

BOB ELLIS

Bob Ellis, from Stanley, NY, earns his living as a square dance caller and instructor. He has been calling Western, or Modern Square Dancing for fifteen years, and now calls for four clubs and teaches classes for three of them. The clubs are the Swing-A-Longs of Victor, Diamond Squares of Rochester, Cayuga

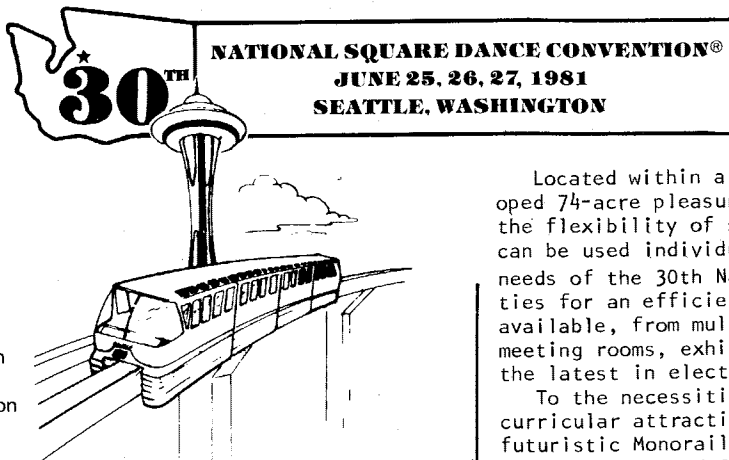

Cut-Ups of Auburn, and his original club, Magic Squares of Canandaigua. Guest calling dates take him across New York state as well as Pennsylvania and Ohio on a regular basis.

Prior to calling Western square dances, Bob called for Eastern square dances for many years, was a professional magician and a dairy farmer. He still calls for some traditional square dances and teaches square dancing to high school students in gym classes in several schools, plus two senior citizens groups.

Bob's wife, Nancy, is a very important part of his calling career. Together they lead the Diamond Squares Club of Rochester, sponsor several square dance weekends and campouts, and have taken square dance groups on tours to Nashville, Tenn., the Pocono mountains, and Hawaii. Their future planned tours are the Poconos in June, Nashville in September of 1981, and Hawaii in February, 1982.

Bob and Nancy have six children ranging in age from 9-23. Their two oldest girls have been square dancers, and two of the younger ones are in the activity now.

The Ellises feel that our square dance activity is broad enough to satisfy everyone's desire for recreation or hobby--be it a once a year party dance, mainstream club, plus 2, advanced, or challenge. There is something for everyone, and everyone should feel free to choose how far they want to go and at what point they want to level off.

SEATTLE CENTER FACILITIES

A convention, they say, is no greater than its attendance and its program. If that were true, it would follow that an equally successful convention would result regardless where held. It simply does not work that way; the convention city assumes a prominent role in determining the success of a convention. Assembly facilities, accommodations, places to see and things to do provide the "plus" factors which transform an average convention into an outstanding one. Seattle, surrounded as she is by great natural beauty and boasting her truly magnificent Seattle Center, is the place to assure a "plus" convention.

Located within a dramatically landscaped and developed 74-acre pleasure park, the Seattle Center offers the flexibility of six main public assembly areas which can be used individually or in combination to meet the needs of the 30th National Convention. All the necessities for an efficient and comfortable convention are available, from multi-deck garages to dance floors, meeting rooms, exhibitor space, covered walkways, and the latest in electronic and acoustical developments.

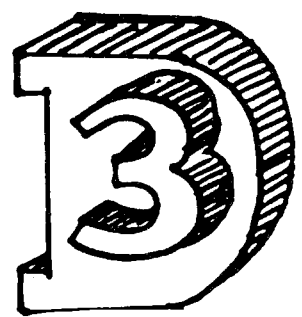

To the necessities can be added several extracurricular attractions: the exciting Space Needle, the futuristic Monorail, the majestic International Fountain and the Food Circus as well as scientific displays.

The scene-stealing 600-foot Space Needle topped by a revolving restaurant and an observation deck towers above the center grounds while the International Fountain sends its ever-changing, beautifully lighted graceful water sculptures 100 feet into the air accompanied by music from one of the world's largest carillons. The Food Circus, a gastronomical United Nations offers an unending menu of foreign and domestic delicacies while the Monorail is available to whisk passengers to the downtown area in a mere 90 seconds.

Mt. St. Helens and a possible touchy petroleum situation are having little, if any, effect on dancers planning to attend the '81 convention.

Belles & Beaus

We have had a terrific attendance this fall. We have two new couples who have joined our club--Alice and George Deck, and Ilene and Bill Siegwald. We are happy to have them with us.

Our Halloween party was a fun night. We were happy to see so many in costume. Our annual steak roast at Northampton was a big success--a big steak dinner and then dancing with Art Harris calling. It's one of our best parties, thanks to Don and Mary Waterman.

Twelve couples from Belles and Beaus went to Art Harris' Weekend Dance in the Poconos. From reports Jane Donovan was the fun girl of the weekend.

Our first guest night will be November 3--rounds start at 8. We are inviting Tecumseh Squares, Boots n' Slippers, Triggers, and the Country Twirlers to join us that night. We hope to see many of you dancing with us.

Our nominating committee, Hal and Fran Abberger, Don and Marge Tracy, and George and Wanda Thrash are busy getting our new slate of officers for 1981. The club officials are studying our by-laws, and if anyone has any suggestions please let them know.

On December 1 we are having guest caller Ed Freidenburg. We cordially invite any club members who would like to dance to Ed's calling to come and join us.

Cloverleaf Squares

As reporter for Cloverleaves, I'd like to say thanks for those coming to Square-up, and for those of you who couldn't make it, you missed a great time. It was the perfect occasion to wish Linda and Mike Liberti congratulations on their first year anniversary. Deb Cutter made a beautiful cake in their honor. We even had a bagpipe serenade by Bruce Shaw.

We would like to congratulate Nancy Fraser and Rick Walter on their engagement, and also Janice Felice and Les Bratt.

A group of Cloverleaves went this fall to Fling Fantastic in Olean, N.Y. Also a few went to a festival in Canton, N.Y. and surprisingly enough, snow!

Our classes are back in full swing with Mike Callahan as teacher. Please welcome everyone.

Boots n' Slippers

Fifteen sets in one tip was a pretty sight to see at Open House, October 3. We had one of our largest crowds ever with about 140 in attendance at the Jonathan Underwood School. Many of our guests are planning to attend classes beginning on Oct. 10 and continuing every Friday night that regular square dancing is held. We wish Al Howe good luck with his new charges.

Nearly everyone you talk to says they are getting into the busy season of the year. We hope you are including our two National callers--Stan Burdick on November 21 and Ed Foote on December 12. We also have a potluck dinner dance on November 1.

Country Twirlers

Anyone who danced with Country Twirlers on Sept. 19 will understand when we express our thanks to our class instructor, Gary Bubel, for coming to our rescue! We thank also those many guests who stayed for what turned out to be a very enjoyable evening with Gary and Bob Slomcenski! The dancing was great!

October was a short month but dancing with Frank Lane on the 17th was the highlight of the month. We hope you are all planning to join us on Nov. 8 for our Sadie Hawkins Dance. The tables will be turned and we're looking forward to a lot of fun! Also, on the 28th of Nov. Mike Callahan will be with us, along with Mike and Linda Liberti!

December 6th brings Gloria Roth who will delight both old and new dancers. Our Christmas party and dance will be December 13. Sign up now!

The bands playing for us this month are: Blackthorn Ceilidh Band on the 6th; Geneseo String Band on the 13th; Mitzi Collins Dance Band on the 20th; and Overacker Corners on Friday the 28th.

We are sorry to announce that the special dance with Rodney and Randy Miller on Friday, Nov. 7, has been moved to Ithaca (they had the money to pay them what they are worth). We hope to have a group going to that dance and if anyone is interested, call me at 244-1375 for particulars.

Country Dancers had a great time with Jerry Helt last month and we hope some of you had a chance to dance squares with him in Syracuse at the SASDA festival. It is too bad they don't put contras on their program-- Jerry does a great job!

Some square dancers in the Rochester area have been attending Don Armstrong's Contra Party in Binghamton the past few years during the Thanksgiving weekend. Don is one of the best teachers of contras in the country--not much talk and lots of dancing. He also includes easy folk dances and some of the old "classic" rounds favored during Pappy Shaw's time. We hope to have Don with us December 4th--with live music, of course. Don is generally the featured contra teacher at the National Conventions, and is one of the founders of CALLERLAB.

Geneva Friendship Squares

The Friendship Squares of Geneva are happy that Don Pratt continues to make good progress, and we wish him all the best.

Congratulations to Lee and Jackie Pratt for another very successful Sampson Fall Festival. About 200 couples attended and everyone had a great time. The Hawaiian theme was carried out with a garden and waterfalls, large leis and pom poms on the curtains, and Hawaiian lanterns for lights. A delighted thank you to Art and Lucy Mastellar, chairmen of decorations!

We are looking forward to an exciting year with our new caller, Charlie Valent. Don't forget Nov. 10, the Marshall Flippo dance--see you all there.

It's nearing election time both nationally and for our own club. If you are asked to consider being an officer, try not to say no. A year is such a short time really.

We are glad to report that Jessie Alling, who broke her arm this summer, is recovering nicely. The doctor has put on a smaller cast and we hope that she and Ray will be back dancing by the time this goes to print.

We have a nice size class this year and it is good to see them making progress. Before we know it, they will be joining us at our Christmas dance. My, how time flies.

Please notice that we are dancing on November 8 and November 22 because of the holiday. Happy Thanksgiving and easy on the turkey.

Copy Cats

Things are purr-ing right along with the Copy Cats this year. One of the most enjoyable happenings occurred on Monday, Sept. 15. Some club members, namely the Beaudins, Browns, Pheilshifters, Rathkes, and Turks, along with caller Chip Kellog, visited the Blossom Road Nursing Home. They danced for and with the elderly. A good time was had by all.

Our Halloween dance was a fun affair. The Higgins, Tillys, and Halladays did a great job decorating the hall, and everyone enjoyed carving pumpkins and having them judged in several different categories. The door prize was also a surprise to everyone.

After several attempts to regain our banner from the Wayne Westerners, success was finally achieved. We not only regained our banner but we now have their banner in our possession. It took eight couples to achieve this. To them we give a big salute. Our very aggressive club members also obtained the Irondequoit Squares banner at their dance on October 4.

Our dances in November will be held on the 8th and 22nd with Mike Callahan calling. Visitors are welcome. Our Christmas dance will be held Friday evening, Dec. 12 at the Mediterranean Party House, Route 104, Ontario with Mike Callahan calling, starting at 6:30 PM--dancing 8:30-11:00. Guests and Copy Cat class members are welcome. Call 671 6151 for reservation. (see our ad in this issue)

As you read this, your reporters will be in Hawaii basking in the sun and dancing with the International Squares at the Sheraton Waikiki.

Hi! I am the capable (?) and charming (??) successor to Dagmar and Paul Dean--who are really that! I hope I can emulate them! Our Open House was a huge success! Ken Anderson had the guests and members having such a great time we ended up with a very enthusiastic class. Jack Sadwick is our class instructor, and a very able one too! He had the class "do si doing" and "grand chaining" like real pros! Wanna be an Angel? Then be sure to go into the class and help out! The PROMENADER article by Jerry Carmen on "How to be an Angel" is an excellent recital on do's and don'ts! Please read it and follow his advice!

Remember Ken Anderson will be having a fifteen minute workshop on the nights he calls for us, which means Betty Wolcott will be having her "Round Dance Session" starting at 7:15. Come early and do it all! Information See Ya' "Round and Square" 889 9015 Mae Malley

Genesee Dancers

The weather is turning colder and we're all getting in the mood for the coming holidays. It's good to be back "in the groove" square dancing. Mike Callahan is keeping us on our toes introducing new calls. Remember that new call of "belles cross and beaux cross" last month? Well, my corner Frank still thinks the call is "Belles cross and Bulls cross". . . (same thing, right?)

We've noticed some of our regulars still missing due to illness and this includes Rosalie Tears and Leo Marcoux. And heard that Harold Conklin has been in and out of the hospital again. . . that's enough of that, Harold! Also want to extend our sympathy to Sarah Fleisher whose mother died.

We've heard news of some family additions too. Mark and Kaye Brotzman are proud parents of a baby girl, Becky, born Sept. 30. The Havens are first-time grand-parents and this was a double blessing since they have twin granddaughters.

From all reports our class of 16 couples, under the able direction of Chuck Prister, is doing well. They would appreciate our support--Monday nights at Fairport Congregational Church Hall at 8 PM. Smiling faces and encouraging hands from club members are always welcome to our newcomers.

Diamond Squares

With the holidays rapidly approaching, we find it easy to fill our calendars with many special events relating to the season. Therefore we suggest that you mark down regular and special square dancing events now, so that you don't have to miss an evening of dancing and good fellowship.

The holiday we celebrate this month, of course, is Thanksgiving. Diamond Squares will celebrate this holiday on Thanksgiving eve. Why not start your holiday festivities by dancing with us that evening.

At the Nov. 15 Saturday Night Special, the Carriage House Square Dance Shop from Port Byron, NY, will be with us to display their fashions. Bob Ellis will be the caller for the evening, and Dottie Reed will cue the rounds. The time is 8:30. There is also a Saturday Night Special scheduled for December 6 at 8:30 PM.

Bob and Nancy Ellis are accepting reservations for their New Year's Eve Square Dance Party which will be held at the Green Lantern Inn, Fairport. The cost is \$25 per couple, which includes a buffet dinner at 9 PM with dancing until 2 AM. Dottie Reed will cue rounds.

Milt Neeb, one of this club's best workers, is recovering from knee surgery. Milt, we hope the knee mends fast, because we miss having you out on the dance floor.

To all of our friends who are leaving us this month for warmer climates, we wish you a safe trip and a pleasant winter.

Glass Slippers

We are getting into the new season with a full schedule of events planned and with much to enjoy for all. This past month we had our Big Apple Dance where we each wore something red to carry out the theme of apples. We also enjoyed the apple dessert. Everyone had a good time at the Halloween Dance. Up and coming is our Mystery Ride on November 19.

One of our club couples has recently purchased a new home. They are Dick and Elisa Cahoun who are now living on Buffalo Road in a very attractive home.

We welcome all our class members to the Glass Slippers. We had a good turn-out of new members and are glad to see all the new faces. We extend them a warm welcome.

The goblins are gone and the turkeys are coming. October dancing was wonderful, and we are looking forward to even better dancing. Part of what made the dancing so enjoyable during October was all the guests we have had. We're delighted to have you join us and invite you to come back often.

November will start with a Halloween Dance on the 1st with the Swingin' 8's. Bruce Shaw will be calling. On the 15th the club will be back at the Rochester Christian school with guest caller Dick Casper. On Nov. 29 we will mix pleasure with business. We will have our annual Tureen supper and business meeting with dancing between the two with John calling.

We are now holding a Round Dance Workshop from 7:30 to 8:00 with Brian Adams. We've enjoyed our new cuer and invite you to join us for this workshop.

Morton Country Swingers

We wish to thank Don Love for writing these news articles this past year. He always had some clever sayings. Miss you, Don, and thanks again.

Our open house has come and gone. We welcome all our new square dancers. Meeting new found friends is what square dancing is all about. We hope everyone who went with us on the bus to St. Catharines Grape Festival enjoyed it as much as we did. The appearance of the King and Queen, plus Mr. Grape, was a big surprise. We hope to do it again, maybe next year.

We will have a Turkey Trot Dance on Nov. 20. Sounds good, as Thanksgiving is just around the Corner. On Saturday, Dec. 6, we will once again have our Christmas Ball and Bazaar. Come early and browse around with us. The place is Hamlin VFW on Route 19 just south of the red light in Hamlin where 19 and 18 cross. Ron Fotch, as always, will do the calling at all our dances.

Dancing to good tapes is proving to be fun, relaxing but yet challenging. A regular Friday dance is to be held November 14, 1980. In addition we are trying something different this month by scheduling a Saturday night dance at 8:00 PM on November 29, 1980, for people who find Saturday more convenient. Both dances are to be held at Southlawn School on Rawlinson Road. All challenge dancers are welcome to join us.

Merry Mixers

Congratulations and much happiness to one of our members, Betty Pietrzak who was married on October 4. Are there any more prospective weddings out there? A good time was had by all who attended our Halloween Dance October 27. Some of our members proved that you can wear "funny" clothes other than square dance attire.

Election of officers will be held on December 1. Also, dues are payable this month. Those who can, please try to come and help out the class of 1981--be an angel on Tuesdays at the Redmen's Club.

Happy Thanksgiving to all, and just a reminder-- Christmas is right around the corner. Get your shopping done early so you can enjoy the dances throughout the holiday season.

Remember, it's a challenge to dance with the Merry Mixers. "Recycle" and come some Monday night and be our guest.

Our new class has gotten off to a good start and I want to especially thank our "angels" Mel and Evy Smith, Don and Dorothy Marrer, and Ed and Ruth Zink for their support. The class meets on Monday evenings at 7 PM at our usual location (East Rochester 1st Presbyterian Church, 109 East Ave., East Rochester, NY) The club dances follow the class lessons at 8 PM on Mondays. Visitors are always welcome, drop in on us. For information about club or class call Sam and Mary Sayre on 377-4388.

Promenading B's

What lovely cooperation! All the B's have already signed up to supply baked goods (or other) as prizes for our turkey dance, November 21. It certainly will be difficult to leave the Turkey Dance without winning something. There will be six grand "Turkey" prizes. Each of the B's is looking forward to greeting the lovely guests that enjoyed last year's Turkey Dance. We know they'll be back. Each year there seems to be more and more guests as the word gets around.

Thank goodness we have a very large hall. I asked our caller, Ron Fotch, what he would do if our dances continued to grow. He said, "Smile more and call louder". I asked the refreshment committee chairmen, Joan Foster and Sharon Kreckman, the same question, and they asked me how well I liked crumb cake! Asked our presidents, Neil and Jean Stewart; they said they'd look into getting a bus route out from Batavia on Friday evenings! So many and such lovely people hail from Batavia! Bill and Sybil Norton for instance. You can just see their friendliness and enjoyment of square dancing in their smiles. Many members and guests come from that direction.

Each Promenading B is a hospitality committee. We've met so many beautiful people by being friendly. . . guess it's addictive.

Dance with the B's - friendliness guaranteed!

Singing Squares

As one of our members so aptly put it, "What's better than one Mike? How about two Mikes plus Linda?" and this is what The New Singing Squares have this year. Mike Callahan calling squares, and Mike and Linda Liberti cueing rounds. Our dance dates in November are: 5, 12, and our Turkey Dance the 19th at Thomas Edison School, 1612 Buffalo Road, from 8-10 PM. Refreshments downstairs after the dance.

Please: everyone take note and mark your calendars. We are changing to a new location starting Dec. 3, and from then on we will be dancing at Washington Irving School, 2400 Chili Ave., Gates, on Wednesday nights from 8-10 PM with our great callers, Mike Callahan and Mike and Linda Liberti. We dance mainstream and by Spring will be dancing mainstream +1 - +2. We welcome guests and hope you will join us at our Wednesday night dances. We have plans for special events in the New Year, so keep a check in the PROMENADER for our club news. We don't want to lose you!

We extend our sympathy to Ed and Elmer Licota and families in the death of their father in September. A thought for today: "God gave us memories that we might have roses in December."

Information Your reporter,

Swingin' Eights

Thanks Officers and Executive Board for smart thinking and prompt action--turning a setback into an apparent winner! When we failed to attract enough dancers for a beginners class, you conceived the idea of converting the Thursday night sessions at Pinegrove Recreation Center into workshops (Mainstream +1, +2 & Experimentals) thru December. The large attendance at these workshops shows this is something our members wanted, and, without a doubt, it will improve our club dancing. Present plans call for having another Open House in January to have another try at starting a beginners class.

Please note: November 15th, Jack Sadwick will be our guest caller, Welcome, Jack.

Our November 29 dance will be held at St. Margaret Mary School, 400 Rogers Parkway, Irondequoit.

Invitations have been extended to Belles & Beaus and Tecumseh Squares to be our guests on December 6.

We met a beautiful red-haired baby at our October 4th dance--Elizabeth Ann Brewer, born to Tom & Jan on September 15.

The Syracuse Dance Festival (SASDA) was graced by the presence of George and Dorothy Riesenberger on October 10-11.

We don't know whether this issue of the PROMENADER will reach you before or after our November 1st Halloween Party. Either way, it is always lots of fun celebrating this event with our neighbor club, the Irondequoit Squares.

Swinging BB's

Hope everyone enjoyed our pleasant fall season. Let's hope the winter is also mild. We are looking forward to Nov. 8 when it is the men's turn in the kitchen for the annual Men's Potluck. In the past it has always been delicious with quite a variety of main dishes and desserts. The women are sure they will outdo themselves this year.

On Nov. 15 we are holding our very first Elephant Round-Up. If you are wondering what that is, well, you will just have to come and see for yourself.

Information Keep on dancing,

Swinging Singles

The Halloween Dance, our first club/class activity this year, proved to be a good time for all. Every kind of spirit ran high that night, and the costumes showed lots of imagination!

Upcoming events for November include a roller skating party on November 15, (Be sure to get the pillows out!) and the Thanksgiving Dinner on November 24, (start working up your appetite early--the food is scrumptious!).

Congratulations and best wishes to Sharon Ellsworth and Howard Budd who were married recently. Engagements announced in October included: Nancy Fraser and Rick Walter, and Sue Durkin and Chuck Speer. Lots of love and luck always!

We'd like to extend a belated thank you to Zella Eddy and her committee for the tremendous job they did on organizing Square Up in October. The dance was well attended, and a great time was had by all.

Tecumseh Squares

On the eve of the holiday season we are thankful for all who have contributed to the life of Tecumseh Squares.

Every Tuesday night Jack and JoAnn Sadwick are busy in the room adjacent to where our club is dancing. They are launching a new class of prospective square dancers after hosting a well-attended Open House earlier. It is our additional pleasure to have Sadie McGilvery and her class people teaming up with our Tecumseh class people every Tuesday with Jack as instructor while Ben McGilvery fulfills obligations in Saudi Arabia.

Congratulations to Mike and Linda Liberti with their successfully expanded round dance activities.

Special events coming up include our Christmas Pot Luck supper and dance on December 16, and the 10th Annual Beginners' and Midterm Ball for class, club, and prospective dancers on January 30, 1981. More about both of these events in the Dec/Jan issue of the PROMENADER. We also have a new slate of officers prepared for elections next month. More of this next month, too.

A little history--Tecumseh Squares is an organization chartered ten years ago by Tecumseh Tribe which is a part of the Improved Order of Red Men. Under their auspices we dance at the Red Men's Party House in festive surroundings. We have a circle of friends which extends beyond our club membership to members of Tecumseh Tribe.

After casting your ballot on Election Day, Nov. 4, join us for dancing that same evening, or any Tuesday. You are welcome anytime.

Seems like fall is passing quickly. Sure not looking forward to what comes next. That white frilly stuff that comes from the sky. But then dancing every week with the fantastic club we have, it will pass very fast. Everyone had a grand time at the Anniversary Dance. The meal was great. Even the green chicken was tasty.

The Halloween Dance was well attended with witches, goblins, and all those scary things.

The class is doing very well. We're going to have some good dancers graduating this year.

Don't forget Nov. 7. Jerry Carmen will be calling. Information Happy Thanksgiving everybody

Some of our members went to the Tri County Squares in Sardinia Saturday nite, October 4, and retrieved our banner. It's always fun to go to another club to dance and meet new people. Oh, those refreshments were out of this world!

We held Open House on Monday nite, October 6. We have an enthusiastic group, eager to continue lessons. A great time was had by all who attended the Halloween dance in all those peculiar outfits. I guess the goblins are gone for another year.

On Friday nite, Nov. 14, we are having our Harvest Dance starting with a pot luck supper at 6:30. Dancing will begin at 8:00. Come dance with us. Guests are always welcome.

Village Squares

Hurray! The Village Squares Raiders are at it again. They swiped our banner back from the Wayne Westerners along with their banner and caller Jeff Elmore's shirt. Thanks, Westerners, we surely appreciate the hospitality and good dancing.

October was quite a month--live music with Dick calling to the Group Therapy String Band, the steak roast with Bob and Shirley Sherman in control, and the Bud Redmond dance. These are the things memories are made of.

November is our fun month out here in Fairport. On Nov. 10 we're having a Come-As-You-Are Dance. That could prove to be very interesting. The 17th brings you the best of the new talent with Amateur Night. If you've got it, let us know and we'll flaunt it. Now, Nov. 24, that's our favorite-- a night of all singing calls from start to finish, no hash at all. So come on over and be "Humble" in your "Blue Jeans" all the way to "El Paso" under the "Blue Moon of Kentucky" and do it "My Way".

We surely would like to share some of our November fun with you. Come on out on Monday night at 8 PM to join us here in Fairport. We're easy to find and we appreciate the company.

Wayne Westerners

Here we are again with something new: Dottie Reed will be teaching rounds from 7:30-8:00 on the 2nd & 4th Thursdays of each month, then she will cue rounds between the squares. Welcome to our group, Dottie.

On Nov. 13 we have invited several clubs to be our guests for the evening. No dance on Nov. 27, Turkey Time!

Dec. 4 we will elect new officers for 1981. At this point we'd like to say we think this year's officers have done a super job.

Our new class people are going at it like a bunch of "busy beavers." We hope they will continue to like it. Club members--we need you for angels on Monday nights to help the class.

On Oct. 2 we had a delightful potluck dinner--followed by an invasion of nine couples from Village Squares to retrieve their banner, steal our banner, and yes, they even took the shirt right off our good ole caller, Jeff Elmore's back. Jeff's wife Sally, added to the evening's enjoyment by joining Jeff in some singing calls. Thanks Sally! Almost forgot--Copy Cats also retrieved their banner on Sept. 25.

We had a real fun time when we joined the residents of Wayne County Nursing Home for our Halloween Party on October 30. What fun we have every year doing this. It seems to be one of the most enjoyable evenings of our club for the year. Thanks to all of you guys and gals at the Home for letting us come. We'll see you again next year.
