MIKE CALLAHAN

We welcome Mike Callahan, Rochester's own traveling caller, to the staff of the 1981 DANCE O RAMA. Mike is a full time professional with diplomas from four caller schools, is a member of CALLERLAB, and serves on its Quarterly Selections Committee.

Mike's career started in 1960, at the tender age of 13, as caller for a teen club. Now his choreography and smooth style is appreciated north to Canada, east to Boston, south to Chattanooga, and west to Wisconsin.

Locally Mike is active in Callers Cooperative of Rochester, calls for six clubs and one class, and also conducts Plus 1 and 2 workshops.

JERRY CARMEN

Jerry Carmen, a featured DANCE O RAMA caller, has talents and skills well appreciated by the hometown folks. At the University of Massachusetts he learned to dance, met his wife Betty, started calling for the Heymakers, and was educated--in his spare time. He sharpened his techniques at two caller's schools, and now practices them at four local clubs, festivals, campouts, and New England dates as a visiting caller.

Jerry promotes square dancing in other ways: He is active in the Callers Cooperative of Rochester, a regular PROMENADER columnist, and a member of CALLERLAB since 1975. You'll be intrigued by his choreography as he combines mainstream calls in interesting and novel patterns.

HARRY SLOCUM

Harry Slocum holds a PhD in biochemistry and deserves one for square dance calling, according to his many fans in Buffalo and Rochester. A dancer since 1965, he married his square dance sweetheart in 1974, and had a square dance reception with Jack Lasery, no less, as caller.

Harry's calling career was launched in 1976, when he graduated from a callers clinic, and now includes three clubs and an area-wide class. He is a member of Callerlab and president of FLADA, the Buffalo square dance federation.

TED SANNELLA

We have a treat in store when Ted Sannella returns as the featured contra caller at DANCE O RAMA. Ted's credentials are tops! He calls for several clubs in the Boston area, plus serving on the board of many folk dance societies, including the Lloyd Shaw Foundation and the New England Folk Festival Association. Ted has been on staff for many festivals and summer camps. He was a caller at the National Square Dance Convention at Atlantic City in 1977.

Ted has composed over 40 contras and 29 triplets, as well as numerous squares and circle mixers. This is the perfect opportunity for you to try contra dancing. Be sure to visit the Contra Hall some time during DANCE O RAMA.

The March issue featured the Bartons, Ed Foote, and Ron Libby

Editors' Note:

These are busy, exciting days for Rochester square dancers. New dancers are graduating every week! Graduation ceremonies appear on the schedule pages every week now. We welcome these new friends who are just entering the wonderful world of square dancing.

Last month Jerry Carmen wrote how much fun and how helpful a square dance weekend is. We think that DANCE O RAMA is about the equivalent of a weekend without the traveling expenses. You can dance with many callers, many friends, and have a ball!

A project as large as DANCE O RAMA obviously requires detailed planning for many months ahead of the day. We are very fortunate to have Ruth Harris serve as general chairman this year. She is ably assisted by Cay Jackson as Brockport chairman, and Frank VanDeusen on tickets, plus all the help from volunteer clubs--without these people the DANCE O RAMA couldn't happen. Ruth says that without you dancers, we would have no DANCE O RAMA.

OOPS! The handsome fellow in the Caller Profile slot in the March issue is none other than H. Orlo Hoadley. Somehow his full name was omitted. We're sorry, Orlo.

REPORTERS: The May issue will feature graduates, class of '81. Just send in the names along with your club news.

PRESIDENTS: Jack of Hearts club is no longer dancing but the presidents are still receiving flyers. Mailing is expensive so perhaps you will want to remove this club from your mailing list.

Doris and Russ Jenkins

Thank You!

We appreciate all the extra help that John Fink gives as PROMENADER guru--he knows everything. John donated the green Irish touches on the March issue that made it colorful and special.

Notes from the March 16 meeting

Ann O'Gorman, the corresponding secretary, urged clubs to submit up-to-date addresses of the president and federation representatives. New representatives were introduced.

Russ Jenkins announced a new policy for the PROMENADER schedule. Non-Federation club dances will be listed in the schedule for the convenience of subscribers provided the dance is otherwise announced by a paid ad.

DANCE O RAMA details were reported by Cay Jackson and Ruth Harris. Work assignments were completed when various clubs volunteered to host the graduate ball and to work on restoration. Frank Salvagio described the Tucker Award, presented to the club which has done the most to promote DANCE O RAMA that year. The Village Squares won in 1980. A dancer is usually honored for demonstrated leadership over an extended period. Cay Jackson was the most recent winner.

President Jim McCollum announced that our insurance does cover dancer injuries which are the result of negligence by a club or its officers, as requested at the February meeting. The cost to a club is \$1.00 for three couples. Those clubs desiring this coverage should enrol now.

D-O-R update

You don't have to travel a long way or spend a lot of money to find great dancing. Choose your experience level and have a ball. It's all right here in Brockport on May 2.

We have a great program. Let's talk it up and have record attendance by all the clubs this year. All square dancing will be under one roof in the new gym complex, and each hall can hold 30 squares. There will be a refreshment stand all day. Square dancing will be continuous right through the dinner hour for diehards or late afternoon arrivals.

Another new feature: In addition to the Graduate Ball will be an Easy Round Dance Party at 7:30 right in the gym complex for your added convenience and pleasure.

Thanks to all those who make the dance possible, and this certainly means thanks to all you dancers. Without your attendance and help the dance would not be possible!

TRAVEL TIME

by Barb Butenhof

New England is the place to go if you REALLY want to do lots of "country dancing." While the Rochester Country Dancers do about 85% of their dances in contra formation, this does not hold in most of the New England local dances where contras, traditional squares, couple dances (round and folk) and mixers are balanced in the programming.

Perhaps nowhere is this more in evidence than at the New England Folk Festival held in Natick, Mass., each year. This year the date is April 24-26, and more information is available from NEFFA at 309 Washington St. Wellesley Hills, MA 02181.

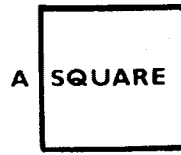

This is the 37th year of dancing for everyone of all ages--square, contra, round and folk. There will be international folk dance performances, folk music and song, international foods, folk bazaar, crafts, exhibits of folk art, and daytime sessions of music, song, dance, and crafts for children.

A special jamboree for youth groups is held Saturday morning from 9-12, and several teen Western square dance and clogging groups put on demonstrations alongside the international ethnic children's demos. There is a lot of family dancing--held in the main hall--for the whole festival, as well as "gung-ho" halls for the more experienced dancers who don't need as much instruction.

The interesting feature of this event is that it is a totally volunteer effort. No one gets paid! All the callers and all the musicians GIVE of their time and talents. It is a chance to hear all the bands from around the New England area. The ethnic halls are now beginning to see more live music as more of the musicians learn the necessary music. I understand that there will even be live music in the children's hall.

If any of you are traveling the Boston area April 24, do stop in for this fantastic event.

Of course, you don't have to miss out if April is not your time to be in New England. There is country dancing going on almost every day of every week somewhere around that area. Most of the groups are caller-run "clubs," which are really open dances in the community.

The new editors are doing a splendid job, but they still need all the cooperation they can get. Soooooo I'm going to help them by suggesting some ideas to give the PROMENADER a more interesting format.

My private survey shows that 60% of the readers look at the front page and then turn to their favorite club column. To break up this procedure, I suggest we take a tip from the most popular magazines and put in a centerfold picture. We could start with, say, Orlo Hoadley wearing a bolo tie and cowboy boots. This I'm sure would entice the readers to stop for a look before turning to their club column. He or she may even ask, "I wonder where he bought those boots?"

I have another idea, a Rona Barrett gossip column. For instance: how about that wow of an after party? Everyone was invited except you know who and when who finds out they weren't invited, well, I just hope I'm not in their set when they meet again.

At the Belles 'n' Beaus: Joe and Gen McNulty celebrated their first wedding anniversary by repeating their honeymoon trip. They went back to Niagara Falls. They said it was very beautiful. Of course, this time they saw the Falls.

Or how about a Jack Anderson column? Would be something like this: I got hold of some secret Rochester Federation papers. These papers answer some of the unanswered questions about the past editors of PROMENADER. Like, how did Roger and Nancy Dart have a program for DANCE O RAMA before it was printed in the PROMENADER? It was revealed at the Black Light Dance.

These secret papers also contain the answer as to why caller Art Harris was given a schedule that had no class dance on February 25, when there was a dance. Somebody made out on this. I won't reveal who, but ex-presidents Ed and Fran Tongue went to Florida.

Of course, if any court tries to make me testify as to how I got these secret Federation papers, I'll take the fifth, or even a quart. I don't care, they can't make me squeal on my square friends.

Well, that gives you a rough idea how these columns would be written.

To the present editors: After I re-read the above suggestions I would suggest you forget about them. They may make the PROMENADER more interesting, but at the end of the year most of the dancers won't be talking to one another and I'll be swimming in the river with cowboy boots, full of cement. Soooooooo _____

Thanks anyway,

Hal Abberger

Travel Time cont.

The Boston area has dances going at least four times a week, Ted Sannella and Tony Parks doing squares and contras, and Charlie Baldwin doing traditional squares or Western style at the basic level. All of these dances have bands, and excellent ones, that make dancing a real pleasure. There is no need for special clothing--you wear what you have on. But DO take comfortable shoes. Dancing shoes are always appreciated on nice hardwood floors. In some of the halls you will even see some bare feet!

dancer profile

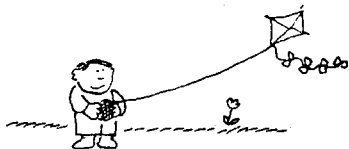

FRAN and BUD MACOMBER of the Swingin' Eights believe that SQUARE DANCING IS FUN and prove it with the infectious enthusiasm they bring to both round and square dancing.

Our featured Long Island Beau and South Carolina Belle were introduced to square dancing by Tink Tinkler and graduated with the Swingin' Eights' first class in 1958. They are charter members of Swingin' Eights and were elected life members in 1978. They have served in many offices and were presidents of Swingin' Eights and the Two Steppers, a round dance club.

They most enjoy encouraging new dancers, particularly as angels for Swingin' Eights classes. Many a couple over the years has "put it all together" for the first time thanks to the example of Fran and Bud, including how to party after the dance.

The Macomers, without intending to, have rolled up another record that will be hard to beat: They have danced at every DANCE O RAMA since the first, and will be gung-ho at the 23rd on May 2. They encourage the new class to attend each year and dance with them at Brockport. Bud remembers the dancer skits performed during the dinner hour at Cutler Union DANCE O RAMAS with Japanese, Beatnik, Roaring Twenties, and other themes. The skits required two months preparation by over forty couples, but they turned out to be more fun than work.

You name it, the Macomers have done it: TV with Miss Rita, Veterans Hospital, Shopping Mall, National Convention. . . .

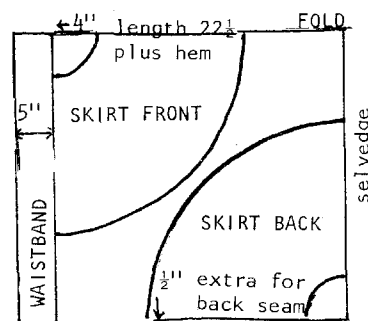

A circle skirt is one of the easier ones to make, and only takes 2 1/4 to 2 1/2 yards of material 45 inches wide. A pattern can be made from newspaper according to your own measurements.

Example: 26" waist, cut down 4"
 28" waist, cut down 4 1/2"
 30" waist, cut down 5"

then add the length you desire, plus 1 or 2 inches for the hem.

The diagram below is for a skirt 22 1/2" long with a 26" waist.

An important thing to remember about a circle skirt is to let it hang a day before hemming. Circle skirts have a tendency to stretch on bias. So after hanging, measure evenly from waistband all around. Then hem it on the machine.

I'll be glad to help if you have any questions. Call Ironda Shoppe, 266-5720.

Callers' Co-op

At the March meeting I think we all agree that Art Harris was so delightful and informative at the afternoon workshop. His three-hour talk included one-night stands, caller charisma, home clubs, dance demonstrations, classes, dropouts, and many more interesting items.

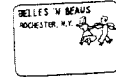

In the evening 25 squares of dancers were taken back to square dancing as it was 30 to 40 years ago. We danced the "grapevine twist," the "trolley," "rip and snort," "lady go round the lady" and "gent go round the gent," and many, many more old calls. Then gradually progressed till present day dancing. Quite a few couples got their "purple heart" badges by dancing with three callers in their sets.

Our thanks goes out to Chip Kellogg for chairing the dance, and everyone else who contributed in any way to the success of the dance.

Don't forget the April meeting is for CPR training. All those who took it last year will be taking a refresher course.

Belles & Beaus

Now spring is here, we are looking forward to the return of our "snowbirds" from the warmer climates. They will be surprised how well the class has progressed.

Our club had a good turnout at the Promenading B's. Our favorite caller, Art Harris, was the guest caller for that dance.

We hope all those on our sick list will be back dancing with us soon.

We will have Bruce Shaw as our guest caller on April 13. Art will be in Hawaii along with several couples from Belles 'N Beaus who will be joining Art's Harris Squares for a Hawaiian tour.

Please note: There will be no dance on April 20th. We will have a mystery ride on April 27th. There will be a sign-up sheet for this event. We will meet at Holmes Road school and use car pools.

Several future dates to keep in mind: May 2, Dance-O-Rama; May 4, Graduation; May 6, School Appreciation Night; and May 13th, Open House.

Boots n' Slippers

Dancing with the Hilton Hillbillies as our guests on March 6th was a lot of fun and a good work out. These young people are good and deserve our support. How about their baked goods!

April promises to be an exciting month. Bruce Shaw will call for us on the 3rd, and then Ed Fraidenburg will be our guest caller on April 10th. Please come and dance with us. Everybody is welcome.

Before we know it our Trail End Dance will be here—May 15th at the Redman's Club. But before that, remember the DANCE O RAMA, May 2nd, at Brockport College.

We wish Ed Trouskie a speedy recovery from his operation. Hope you will be back dancing with us soon, Ed and Ida. Bob and Mary Ann Atwell are spending five weeks in Florida. Daphne Fink says her six weeks in Australia (her homeland) went terribly fast even though the weather was too hot.

Come join us in a set, the more the merrier.

Copy Cats

Our first dance this spring (March 28th) was accompanied by a swap sale. It was a first for our club and we owe our thanks for its great success to Mary Vandewarker.

April 18th the Copy Cats will hold their dance at the Masonic Temple, Webster. Mike Callahan will be calling and Howard Degrave will be cueing rounds, starting at 7:30 PM.

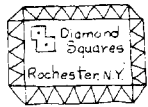

April 25th is our annual dessert social. Each couple will bring a dessert (baked by the men). Guests are welcome as well as class members. Dancing begins at 7:30 with Linda Liberti cueing rounds and Mike Callahan calling the tips. We will dance at the Rochester Christian School.

April 28th will be another first for the Copy Cats. We will be holding Open House at our class graduation held at the Rochester Christian School, 8:30 to 10:30. All our Club members are urged to attend to welcome our class members into the Club and to bring guests and introduce them to the enjoyment of square dancing. Chip Kellogg will be calling. Thank you Chip for another year of a job well done! We also want to thank our Club angels and all others who helped make this class year a success.

May 16 Ben McGilvery, returning from Arabia, will be our guest caller. Watch for additional information in the May PROMENADER.

With winter behind us, the Copy Cats are looking forward to all the fun events that have been scheduled for this spring season.

Diamond Squares

Our caller and his taw are back in the business of square dancing, after spending a few weeks in the sunbelt. While in Florida, they visited and danced with several Diamond Square couples who are living there for the winter months.

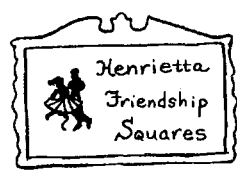

April showers bring May flowers, and also, April Fool's Day. We will be dancing on April 1, so have a few tricks up your sleeves.

The club expresses its appreciation to Promenading B's, Belles 'N Beaus, and Village Squares for their invitations. Many of our couples accepted the invitations and enjoyed good dancing and good fellowship.

There will not be a Saturday Night Special on April 4th. The Specials in April are on April 11 and 25. Dancing starts at 8:30 PM. Dottie Reed will not be cueing rounds this month. There will not be a dance on Saturday, May 2, because of the DANCE O RAMA.

Good News: After a long wait, Marge Nasella had her heart surgery and came through it with flying colors. We hope to see she and Hank back on the dance floor soon.

Information Peace,
1-526-5282 Emerson & Hilde Bush

Due to a previous engagement, our Caller Ron Fotch will not be at our April 11th dance. We are fortunate to have engaged Myron Huss for that evening.

April 25th will be the graduation dance for our class members. Special festivities are planned, so let's all be on hand to welcome our graduates.

Ron Fotch will be offering a PHD Workshop for Mainstream Plus 1 starting on April 27th for seven weeks. These will be held on Monday evenings from 7:30-10:00 at the Roth High School on East Henrietta Road. This Workshop is open to anyone who has completed the class lessons and to all club members. Here is a really good opportunity to continue to improve your dancing.

Don't forget the Leukemia Dance on April 3rd at Sperry High School on Lehigh Station Road, 7 to 11 PM. Come and have a good time for a very good cause.

The big news this month is having Ted Sannella with us again at DANCE O RAMA, with live music the whole time. For small clubs that sometimes have trouble getting started when you only have three couples show up on time, you might want to try the contra hall in the early afternoon. Our club members always come late, so two and three couple dances become a necessity. Ted has written about 28 dances he calls "triplets," which he numbers rather than giving them names. But they use standard figures from various positions. Triplets are fun, even though they are sometimes confusing. As always, dances done "country style" are always walked through so you have a fighting chance at success. Ted calls his triplets through twice for each couple starting as "heads" and the third time you can relax and listen to the music --if all goes well.

May 7 sees the return of Tom Bohrer to our caller stand, having completed a successful hitch as director for the Mikado, and he will be doing a program of English Country Dances. Music and styling is a little different from the modern New England "stomp and balance" contras.

Class Graduates: our club runs all summer long, so you might like to try us some Thursday night if your club takes a vacation. We list no graduates because we don't have classes. Everyone who feels young at heart, and limb, is invited to join us--anytime.

Teen Clubs: how about arranging a "mystery dance" sometime this summer?

Country Twirlers

April usually brings showers, flowers, and this year, Easter. However, for Country Twirlers April also brings thirteen people into the happy world of square dancing. April 11 is their big day of Graduation.

Starting Tuesday, April 14, Gary and Alice Bubel will be conducting a series of seven weekly workshops from 7:30 - 10:00 at the Washington Irving School, 2400 Chili Avenue. These workshops are open to everyone--old dancers or new.

Another big event for Country Twirlers this month is a Fashion Show on April 25. Fashions will be by The Carriage House of Port Byron, N.Y. What a great opportunity for new graduates to see what is available in square dance attire. Or, if you're not a new dancer, perhaps there will be that new Spring outfit for your Trail End Dance. Although we won't start dancing until 8 o'clock, the school doors will be open at 7:30 in case you want to come early and browse.

Would like to make mention at this time of the two demonstrations Country Twirlers put on at the Latta Road Nursing Home recently. We enjoyed very much talking to the people there, dancing for them, and perhaps brightening up their day a little.

Another very enjoyable evening took place when a busload of dancers from Woodstock, Ontario, Canada, arrived to dance with us one Saturday night. They were a great, fun-loving group.

Happy Easter, everyone!

EKCO Squares

NEWS FLASH: Ken Anderson and his taw are moving to Florida! During our wonderful sixteen year association with the best caller west of the Mississippi (and the snazziest dresser!) he has been more than just our caller. With his ready smile, his warmth, his willingness to help, Ken has been our very good friend. We shall miss him sorely, but our very sincere wishes go with him and Lillian for a very happy New Life!

BUT HEAR THIS: Ken is not leaving till October. His famous summer workshop will take place! This has been a boon to new dancers, square dancers who have not danced for a while, and it is so much fun, let's all plan on attending.

Just as Ken and Lillian must do their thing, so must EKCO Squares. We have a high powered committee headed by Bruce and Helen Rohr working on the selection of a new caller who can and will keep us and our guests up to the high calibre dancing we have achieved with Ken.

WE CORDIALLY invite you--members of all clubs--to be our guests for a fun-filled, excellent dancing evening on April 22nd. We shall be delighted to welcome you!

Our Glad and Sad News: Eileen and Bill Doell have a new granddaughter. Congratulations! We were so sorry to hear of Norma Baker's illness. Our thoughts and prayers are with you, Norma. Our condolences to Leo Leonard on the loss of his father. We all share the joys and sorrows of our members.

Betty Wolcott (and her able partner, husband Bert) will be a-round every week to teach new rounds, workshop old, and just fun dancing! So you all come, you hear?

Happy Spring! Happy Easter! Happy Dancing!

Glass Slippers

Don't forget our Easter Dance on April 4th at the Campus School in Brockport. Ladies, wear your finest or craziest bonnet and join the best parade in town. This dance is open to all Class and Club dancers. Liz Fitzpatrick is in charge and, from the sounds of the plans that are being made, everyone will be in for lots of surprises.

Now that we have all put away the green for another year and our St. Patrick's Dance is just another memory of a fun filled evening, we are looking forward to the 29th when we all eat our fill of delicious ice cream topped with oh so many different kinds of sauces and nuts. Naturally not a calorie in the lot.

This month is also graduation for the class. Under the able instruction of caller Ron Fotch, and his assistant Betty, the class is hard at work learning the final steps so they can graduate on the 29th. A special thanks to Ron and Betty for planning this special event.

In case you haven't noticed, Elsie Epke has been missing from our dances. The reason, she is on a vacation to Australia, via Los Angeles and Tahiti. We miss her but hope she is enjoying her trip. Something's going on but I haven't figured it out yet. Every time I come to a dance, someone hands me a sticker to put on my badge. So far I have a flower and a koala bear. Guess I will have to keep on dancing to get the answer. Come and join us, and help me get the answer.

Genesee Dancers

Remember last month we bragged a lot about Genesee Dancers' twenty-fifth anniversary? We're the longest known continuous club around. That's a whole bunch of dancing folks. So we're still talking about it. Matter of fact, just so you know, the big, big celebration party will take place on Sunday, May 3rd. The Di-Bitettos, Joe and Angie, will ably co-chair the extravaganza. No enthusiastic Genesee Dancer will miss this one. We're the first to 25, and a long way to go to the second 25.

There's always something great happening at Genesee Dancers. Visiting caller Linn Brotzman from Corning will display his expert talents for our dancing fun on April 9th. Guests will find this one a real pleasure.

On-The-Mend Department includes great progress reports from Joe Della Pietra's hernia repair and President Naomi Kingsley's and Ben Young's operations.

Every one of us join in an expression of deep sympathy for Orlo and Rita Hoadley on the loss of Orlo's mother recently.

Lastly, it is important that all clubs pay attention to appropriate celebrations. Bernie Root, our resident fact-finder, made sure that Aardvark week was properly noted. Let's see now, what's in April?

When club caller Jon McNally drops the needle to the record and that toe-tapping, hand-clapping square dance music begins, you can just picture GENE AND LORRI EICHMOND AND BOB AND MARIAN VANBORTEL AND JIM AND MARY PEDULLA AND HAROLD AND DINAJACKSON squaring up for fun at Irondequoit Squares.

We have good times at our dances. It makes no difference whether it is a special dance or a regular club dance, we have fun and we also have refreshments.

Refreshments--do we have refreshments! No member or guest of Irondequoit Squares has ever suffered from malnutrition at any of our dances. We have had pies, cakes, pizzas, coffee, Danish, secret recipes, breads, chips, punch, popcorn, tea, dips, peanut butter, cheesecake, donuts, candy (our Club featured jellybeans long before Reagan was elected President), peanuts, screaming yellow zonkers, hot chocolate, big sandwiches, medium-sized sandwiches, small sandwiches, finger sandwiches, ice water, cheese, crackers, ice cream, hot hors d'oeuvres, bugles, jelly, cold hors d'oeuvres, Italian specialties, Irish specialties, Scottish short-breads, English specialties (foods of many countries have been prepared, served, and eaten), jam, corn chips, fruitcake, and the always popular carrot sticks, green pepper strips, radishes, and celery.

We have eaten our refreshments by candle light, fluorescent light, regular everyday electric light, outside parking lot lights, sunlight, moonlight, and it has all been fattening, filling, nutritious, and delicious.

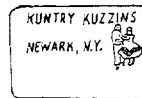

Oh, yes--we dance too--come join us - eat, dance and have fun at the Friendly Club, Irondequoit Squares.

On March 6, the Hilton Hillbillies were invited to a Baked Food Sale at Boots and Slippers. We would like to thank Boots and Slippers very much for inviting us.

On April 4, the Hilton Hillbillies are going to elect new officers to the club. Also, we are all looking forward to the upcoming dances like the Leukemia Dance and DANCE O RAMA.

Kuntry Kuzzins

Hey! No fooling, Kuntry Kuzzins are having two big dances in April. On Saturday, April 11, and on April 25, Jon McNally will be calling these dances, with Dottie Reed cueing. Kelley School at 8:00 PM.

This year we have enjoyed having callers: Ken Anderson, Mike Callahan, and Jim McQuade with good turn outs at each dance. We look forward to Tom Tomlinson on May 9th, and Bruce Shaw on November 28th.

Our new class will be graduating on April 25th. We wish them good dancing. Again we wish to thank Jerry Reed and group for the many decorations that we have at our dances.

We at Kuntry Kuzzins are happy to see more round dancers and dancing at various clubs. We are happy to have Dottie Reed as our cuer, and see that other clubs are enjoying her cueing too. Best of luck, Dottie, as you venture out to others with your cueing.

We thank the officers for 1981. We're off to a good start with guest callers, our cuer Dottie, and Jon McNally our caller. We welcome all dancers to come and have fun with the Kuntry Kuzzins at Newark, N.Y. Kelley School.

Lima Grand Squares

April 10th: GRADUATION - where "beginners" become Square Dancers. With well deserved pride in accomplishment, the earned badge is the ticket to membership in a unique fellowship. For all who "graduate," the evening is a memorable time; and hopefully, the enthusiasm will bring encouragement to keep those badges in use!

May 1st brings the MAY POLE DANCE. Being new to the club, we're looking forward to this one. Mainly because we've had such good reports of last year's dance. We understand there was a good crowd and plenty of fun; and after all - that's what it's all about. Why don't you join us this year? We'd love to have you!

There's a lot of great dancing planned around the Rochester area during the next few weeks of Spring-- and the Grand Squares have calendars marked and petticoats starched! We'll look forward to seeing you "on the floor" - YOURS...THEIRS...or OURS!

Magic Squares

Well, it's time again for another graduation. I'm looking forward to a night of great fun and surprises. Now that spring is here and better weather, we should have a nice night for our graduates. A special thanks to Bob for his super teaching.

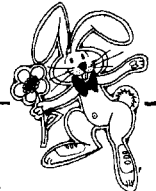

The Magic Squares are happy to have Bob and Donna Zink as new members. I speak for everyone in saying that we are glad to have you with us. Thank you to all the area clubs who joined us last month. We always enjoy seeing new faces and meeting new people.

Our fashion show on March 27th was a great success. I want to first thank all the club members who helped put the show together, and second all the people who joined us for a very enjoyable evening. We couldn't have done it without you.

I hope everyone has a happy Easter. Try not to eat too many jelly beans.

Morton Country Swingers

The Morton Country Swingers will hold a Graduation Party on April 2 with Ron and Betty Fotch officiating. A Box Lunch, prepared by our Swinging ladies, will be auctioned off at the April 23 dance. The Grand Swinger will perpetrate the Fun with Ron Fotch calling.

Plans are underway for an Ice Cream Social at our May 14 Dance, 8 PM at the Morton Baptist Church. Guests are welcome, reservations can be made with Mike and Helen Mattern. Ron Fotch will call for dances and swinging fun.

The Grand Swinger and the Morton Country Swingers extend thanks to the Glass Slippers, Orleans Orbits, Grand Squares, and Spinning Wheels members who were guests at our regular dance on February 26. We enjoyed dancing with you. Come back and see us, hear?

The officers met at the home of Ron and Betty Fotch to complete plans for the rest of the year and plan activities for next year. The Trails End Dance for the Morton Country Swingers will be held May 28. Other activities planned include: Campout, Bowling Tournament, Wine & Cheese Party, and Pizza Party. Details will be in the PROMENADER as plans are completed. The annual Swingers' Christmas Bazaar is scheduled for Dec. 5, 1981, at the Hamlin VFW. Put this on your calendar.

This writer takes this opportunity to thank Ron Fotch for the fine job he does calling for the Morton Country Swingers. Ron and Betty Fotch are excellent teachers. They have dealt with me and my inept square dance discoordination with extreme grace. Ron and Betty have made my dancing experience a delight. Ron Fotch is persistent. Even though he does not always call what I'm dancing he keeps trying, never gives up. My thanks to Ron and Betty Fotch.

Merry Mixers

On March 12th, some of our members tested their Irish luck by having a roller skating party. Those still able to dance came to our potluck supper-St. Patrick's Dance on March 16th.

Come on, members and friends, see how much of a bum you can become by April 27th. That will be our Hobo Dinner and Dance. We will be giving a reward for the best (worst) dressed hobo.

Great news! Our regular caller, Ben McGilvery, will arrive home from Saudi Arabia April 20th for a month. During his stay Ben and his taw, Sadie, will slip away for a vacation.

Singing Squares

As the song says, "It's funny how time slips away." I slipped up and forgot to write up the club newsletter for March PROMENADER. I am sorry, and will surely try not to let it happen again. Anyway, time marches on--spring is here--and Singing Squares are at Thomas Edison School, 1612 Buffalo Road every Wednesday night, with some good dancing from 8:00-10:30, Mike Callahan calling squares, and Mike and Linda Liberti cueing rounds.

Our first dance is April 1st, which of course is April Fool's Day. If you want to fool around, come and join us. We also dance on April 8th; and April 15th which is our Easter Dance, open to all classes and Clubs. We guarantee a good time, with an Easter Bunny and all the trimmings. April 29th our guest caller is the Great Al Howe. We are looking forward to seeing him. NO dance on April 22nd.

May brings the Mayflowers, also Graduation for our class. The first dance is May 6th. Graduation is May 13th, and closed--for members only; but be sure to come back May 20th and 27th. We are especially delighted with the attendance of guests at our club and hope to see you all there every Wednesday. Refreshments are served downstairs after the dance, which also gives everyone a chance to chat a while. So keep the Singing Squares' dance schedule handy. We'll be looking for you.

A Thought For the Day:

Said the robin to the sparrow,
"Sparrow, I would like to know
Why these human beings
Rush about and worry so?"
Said the sparrow to the robin,
"Robin, I think that it must be
They have no heavenly Father
Such as cares for you and me."

A Blessed and Happy Easter to Everyone!

Tecumseh Squares

Hear ye! Hear ye! Once again! See our ad on page 8 telling about a special month-long event with Tecumseh Squares at our location at Red Men's Party House, 1001 Lexington Avenue, near Mt. Read. It's a tag sale of square dance clothing held along with regular dancing on four Tuesday evenings in a row--March 31, April 7, 14, and 21. See our ad and call any of the phone numbers listed there if you'd like more information.

April 3rd is the CURE dance. Jack Sadwick, our instructor, and our round dance cuers, Mike and Linda Liberti, will be there to aid the cause with their talents.

On Saturday, April 4, Tecumseh Squares and Tecumseh Tribe, our sponsor, will join for an afternoon of bowling followed by a potluck supper.

Not only do we welcome the early spring flowers at this time of year, but we welcome back our sunbirds from Florida. May marks the beginning of our summer dance season and our traditional specials: a Gourmet Dessert Night on May 19, our Strawberry Festival in June, Sundae Tuesday in July, and a revival of an old favorite in August. We're excited about these events--the Tag Sale and our upcoming specials. The committees for each are organized and it's full steam ahead for a good season.

Come share an air-conditioned and attractive atmosphere, special refreshments, the fine calling of Bruce Shaw and cueing of Mike and Linda Liberti, and the friendship of a pretty good bunch of people--square dancers.

Swinging Singles

Class and club members joined for a bit of Irish merriment at the St. Patrick's dance. Jerry Carmen's Irish singing calls always add a special touch to the evening.

Several Singles returned to Park Side Manor for our second square dance demonstration this year. George Phillips is getting to be quite an expert at involving residents in the fun of square dancing. Rich LaQuay is doing a nice job on rounds also.

Everyone is looking forward to April. Boots and Slippers will be our guests on April 13. The ever-popular "Anything Goes" night is back by popular demand, on April 20. If you're curious about what happens during such an evening, why don't you come to Penfield and find out? We'd love to have you. It's always a fun time when the unexpected occurs. After all, anything goes!

Of course April's grandest event is graduation. Currently, our class is dancing very well, and 40+ strong! Both class and club are looking forward to the graduation activities on April 27, and then to exhibiting new talents at DOR. Hope to see you all there!

Promenading B's

Our St. Patrick's Dance brought out all the green skirts and shirts, with green lace garters for every guest (thanks to Jane Ainsworth and Helen Jones), and lots of Irish tunes for the sing-a-long calls. An autographed pair of BVD's is on its way to former Swingin' 8's, Ed and Linda Allen, who are now members of the Boise Valley Dancers, Idaho.

We're all happy to be dancing on a new floor at Ivan Green School, and we're no longer slipping and sliding through the squares.

Norm Wilcox, who hails from Ontario, Canada, will be calling our dance on April 4, and we hope you'll all be there. Swingin' 8's and Irondequoit Squares are hosting this dance together, at the Ivan Green School on Brown Road (off Ridge Road East). Mike Liberti will cue the rounds.

On March 14, two sets of Swingin' Eights danced at the Alaimo Nursing Home for the patients there.

Don't forget the Leukemia Dance on April 3, and the DANCE O RAMA on May 2.

Please note that the April 18 and April 25 dances will be held at St. Margaret Mary School, 400 Rogers Parkway, (off St. Paul Blvd., Irondequoit). Also note that our Trail End Dance date has been changed to Friday, June 5, at the Ukranian Civic Center. Mark your calendar.

Sign outside a local garden shop: "Hot plants and exciting bloomers." Yeah, I'm looking forward to spring --and summer.

Covie and Betty Duncan have been doing a great job of selling tickets to the Leukemia Dance; that's where the B's will be on April 3. We've cancelled our regular club dance to attend. See Covie and Betty for all your ticket needs--they're also selling DANCE O RAMA tickets.

There may not be much to see in a small town, but what you hear makes up for it. Headline in local paper: "Father of ten shot. Mistaken for rabbit."

April 10 we'll have our graduation party. We have a very special class this year. They're the type of people you'd just like to get to know better. They sure will be an asset to our club. Welcome, welcome! The B's are taking Good Friday off. No dance April 17.

The election of officers for the B's will be held at the Gilliam Grant Center at our dance on April 24. The election is quite important, but does not interfere with with our dance. Guests are always welcome, and well welcomed at the B's.

Ron, our caller, also a dyed-in-the-wool baseball fan, went to see his first horse race and placed a small bet on a long shot. As his horse came down the home stretch neck and neck with the favorite, Ron hollered, "Slide, you Dummy, slide!" Speaking of Ron, he's doing a double header in Newfane on the 11th. He and Dan Dedo are doubling up at the mike that night. A sure bet.

Village Squares

"Hats off" to the Village Squares Class for an outstanding Class-Club Dance. It was one of the nicest dances we've been to in a long time. The refreshment table was overwhelming with a St. Pats cake decorated by one of our class member's daughter. Along with prizes, picture taking, decorations, and nice dancing, it was an enchanting evening. Mike Herne and Don Wildey received a little pie in the face as a special treat to them for the evening. Thanks to all the members of the class for a lovely night.

Our class will graduate April 6th, and we are anxiously waiting for them to be able to dance with us each week.

We want to express our great appreciation to Bernie and Rita Hayward for all their help, excellent cueing, and friendliness through the years. They are a lovely couple and we miss having them with us.

Also we would like to welcome our new cuer, Rich LaQuay, and wish him good luck. We are grateful to have you with us.

Don't forget April 25th! It's our Group Therapy Dance at Village Squares. If you danced with us last October and enjoyed them and Dick Casper, bring a friend. We promise a great night of dancing. It will be at the First United Methodist Church in Fairport.

April 13th will be a night of all singing calls, so come join us for this special evening.

Remember, everyone is always welcome at Village Squares on Monday nights in Fairport. So come see us!

BB's Swinging BB's

Happy Spring to all! It looks like we made it through another winter. With the coming of Spring comes a time of mirth and merriment. This can be seen at our April "Shower of Fun" dance and our "April Fool Around" dance. If you like to fool around, the Swinging BB's is the place to be on Saturday, April 11th at 8:00. Wait till you see what we have in store for you!

Paul and Roz Krebs have been on vacation to Alabama. We hope they are having a good time.

Hope everyone is on their best square dance behavior because this is the month the Square Dance Easter Beagle comes bringing do-sa-do's and alaman lefts to all good square dancers.

Our St. Patrick's Day Potluck dinner was a big success. There was a fantastic variety of food and lots of good dancing.

We would like to express our sincere sympathy to the family of Barbara Close in her recent passing. Our thoughts are with you.

A reminder: there will be no dances on April 21st and 28th due to the schools being closed.

Plans are currently under way for our annual Spring Fling at the Greece Grange. The date has been set for May 12th. Be sure to mark your calendar! If you want to be part of the entertainment, just let us know.

We hope you will be able to support the Leukemia Dance on Friday, April 3.

Wayne Westerners

On March 12 we had our St. Patrick's Day dance and "sure and begorra" a good time was had by all. A big hand for Dottie Reed who preceded the squares by cueing rounds.

Now that spring has arrived, and the flu and cold season is hopefully behind us, we are looking forward to a larger turnout of members and guests.

We thank Chip Kellogg for the splendid job he did as our guest caller on April 2.

Don't forget, members, there will be no dance on April 16, but dancing will be held as usual the following week with Dottie Reed cueing rounds at 7:30 PM.

It's Apple Blossom time in Williamson next month, so please remember this date, May 15, for the annual Apple Blossom square dance to be held at 8 PM in the Williamson High School gym. Rounds will be cued by Dottie Reed. Our caller will be Jimmie Lee from Ontario, Canada. To make this dance a big success, we'll need all the help we can get from all our club members.

Since our club has recently changed to M+1, we would all like to thank Jeff Elmore for the nice job he's doing instructing us.

'Til next month, happy dancing.

Election of officers was held in March. We had a very good selection to choose from, and the following were elected:

Ron & Joan Magin, presidents, 930 Copper Kettle Rd., Webster, NY 14580, tel 671-6518
 Vice Pres. Cal & Grace Kellogg,
 Treas. Al & Delores Reiter,
 Sec. Joe & Arlene Galen

1st board member, Jack & Betty Ferrara
 2nd board members, Larry & Shirley Matthews.
 Good luck to everyone. We are all standing behind you.

Graduation will soon be here. We have a very good class and are looking forward to dancing with them. Class members, watch out for the little black book that Chuck Styles has been seen with. I hear there's a lot of tails in this.

DANCE O RAMA is May 2. Be sure to get your advance tickets from Sam and Rosemary Browne. Also make dinner reservations with them. For the new graduates, this is a dance you shouldn't miss. Everyone has a great time and there are all different levels of dancing to choose from. See you there.

Happy Easter to all.

We all had a good time dancing to Ken Boss, our guest caller on March 27th. On April 10th we will be having our regular club dance.

We're sure happy to know that Spring has arrived! Geese have been flying north, so this is a good sign. Nice to have the bad weather behind us. Think Spring and all the nice weather we'll have for the special dances coming up. We'll see you on the dance floor.
