WELCOME GRADUATES

Editors' Note:

Doris & Russ Jenkins

Spring is busting out all over--green grass, blooming flowers, new dancers, trail ends, DANCE O RAMA. . . How sweet it is. It makes one want to get out and dance! And there are plenty of opportunities in the Rochester Federation--30+ clubs, 30+ callers, Relaxed to Challenge levels, every night of the week several groups are dancing. Take your pick and GO!

All of this doesn't just happen. It takes organization, dedication, and hard work by many people devoted to the movement. One couple, Frank and Julie VanDeusen, deserves special mention this month, their last as subscription editors of the PROMENADER. Three years ago when they took on the job they inherited a balky Addressograph machine that chewed up the plates and couldn't be fixed, allegedly. In typical VanDeusen fashion, Frank contacted the manufacturer, got the service literature, and soon had a smooth-running operation with the mailing done overnight. One year ago they encouraged green editors (us) and put us on the right track--calming our fears, assuring us we were not going to run out of money, and holding up their end of the Jenkins-to-Fink-to-VanDeusen triple play. Thanks, and an accolade to Frank and Julie from the present editors and from the Federation clubs. WELL DONE.

The new subscription editor will be Arlene Caputo of LeRoy, NY. Welcome to the PROMENADER staff, to the Rochester Federation, and to the Rochester dancing scene. Arlene has recently moved back to this area from Utica. We look forward to working together on the PROMENADER.

Reporters and Advertisers: The next issue will cover June, July, and August events. Please list all of your summer dances. Also, if your club dances a higher level than Mainstream, please list your level in the schedule pages. This information is very important for guests, especially new graduates.

PROMENADER is published by the Rochester Area Federation of Western Round and Square Dance Clubs, Inc.

Subscriptions: \$3.95 per year for nine issues, November through October. The editors reserve the right to edit, omit, or delete any material submitted for publication.

CHILDHOOD CANCER ASSOCIATION

Box 9627, Rochester, NY 14604

"Parents committed to the conquest of cancer"

On behalf of the CURE CHILDHOOD CANCER ASSOCIATION, Jim and I would like to thank all callers, cuers, and dancers who helped raise over \$4,500.00 to help kids with leukemia and cancer.

As the dance's eleventh hour drew near, beautiful little Kimberly Larsen, our 1981 CURE CHILD, pulled names of winners from the various boxes designating their prizes. Among the winners were Anabel Minchak of the Copy Cats, winning the beautiful quilt. The Promenading B's won the prize for the most pre-dance tickets sold and the silver tray for the greatest attendance.

Skoj-Yase Squares of Waterloo took the silver tray for the greatest distance. Over eighty other prizes were given away throughout the evening, while dancers had a great time dancing to our local area callers and round dance cuers.

We would like to thank dancers who donated cookies. All remaining cookies were taken to Strong Memorial Hospital's Children's Ward.

Although this will be the last Leukemia Dance that I will be in charge of, several couples came to me on the night of the dance and mentioned that they would like to continue this worthwhile cause. Therefore, thanks to them, there will be a Leukemia Dance in 1982. Again, we appreciate all who participated in any way to help the kids with cancer.

Sincerely,
Jim and Connie Harper
and CURE CHILDHOOD CANCER ASSOC.

it pays to advertise !

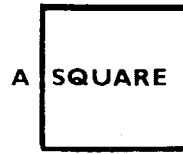

Why is it? A man wakes up in the morning after sleeping on an advertised bed, in advertised pajamas. He will bathe in an advertised tub, wash with advertised soap, shave with an advertised shaving cream, eat a breakfast of advertised juice, advertised cereal, and toast, toasted in an advertised toaster. He puts on advertised clothing and glances at his advertised watch. He will ride in an advertised car, sit at an advertised desk, smoke advertised cigarettes, and write with an advertised pen.

Yet this man hesitates to advertise, saying that advertising does not pay. Finally, when his unadvertised business goes under, he will advertise it for sale.

Every business should spend a percentage of its gross on advertising.

"Spring is here and the sap is out," shouted my neighbor when he saw me raking up last Autumn's leaves. There was more evidence of Spring as a gaggle of Geese flew over head. The numbers of Geese flying North are only surpassed by the number of Square Dancers flying back from Florida. Of course I have to be different. I flew back from the West. California.

They have many, many clubs in California. They overlap the area, soooo most clubs dance every other week and in between they visit each other. They also have "half way" dances and "three quarter" dances. Pertaining to the progress of the Classes. These dances are well attended by both club and class.

Some clubs do about the same here, a "three quarter" dance was held by the Promenading B's. They called it the "Black Light Dance" and it was well attended by both club and class. We went, Ron Fotch called a very good dance but you had to be careful and check the heights of the different people in your set before the lights went out. I didn't and in the dark, well.... there was this one short girl and in a grand right and left I put out my hand and stuck my finger in her left ear.

And soooo back to California: They dance all levels including mine, which is below Sea-level. No not C-level, I mean Sea-level. It's because when I try to tell somebody why I goofed, they say, "your all wet."

Actually, and thanks to Caller-lab, they have the same calls as we do. They also have the same problem with two Do Sa Do's. Just as we do here. It slows me down when I have to stop and ask a girl, "which Do Sa Do are you going to do?" If I grab her for a swing around, she puts her hands down and it's like trying to swing a lamp post. If I try to Do Sa Do around her then she grabs me for a swing. Next dance I attend I'm going to bring a crystal ball, maybe it will help.

Seriously, let's get back to one Do Sa Do. The original way. Classes are graduating, let us show them that it's true, we dance all calls the same no matter where you go. If you don't, well, I hope a constipated Yak goes potty on your shoes. Sooooo....

Thanks anyway,
Hal Abberger

THE TULIP SLEEVE

by Judy Wilcox

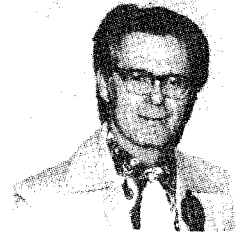

For comfort in dancing, the tulip sleeve is very popular. To make the tulip sleeve, take your basic sleeve pattern and use it to alter into a cap sleeve per Diagram A. Use new sleeve to shape the tulip. Front and back are the same, Diagram B. Join at underarm seam and cross over so that the back comes over the front on the finished sleeve. Enjoy! As always, help is available at the shoppe, or phone 266-5720.

CARMEN'S COLUMN

WELCOMING OUR NEW GRADS

It has been estimated that we lose 50-80% of our new grads during the first six months after graduation. This is an alarming rate, especially if we consider that classes have been smaller than usual during the past couple years. It is especially serious since it is primarily these new grads who are responsible for bringing new people to our classes in the fall. Here are a few ideas, not all my own, to welcome and help retain our newest members.

We must remember that the primary goal of all dancers, new and old, is to have FUN. If this ingredient is missing, then the new dancers will soon drop out and maybe try bowling next year. With the complicated dancing we have today, the Plus 1 and Plus 2 calls creeping into our club vocabulary, the inadequate preparation we give new dancers, it is indeed very difficult to have fun. If we, as seasoned square dancers, are willing to make some personal sacrifices, maybe we can retain most of our new members in spite of it all. Keep the following in mind:

1. Take the initiative when you see new dancers. Introduce yourself and invite them to dance with you. Don't just do it that evening, but the following evenings as well.
2. When dancing, try to remember to SMILE. Nothing makes one more self-conscious as when someone else in your square is scowling.
3. Be conservative on your fancy twirls and gimmicky dancing. You confuse unsure dancers by promenading the wrong way or switching positions with your partner.
4. Nervous people are especially prone to "drawing blanks," even on material they have danced for months. Smile and try to regroup your square in a friendly manner.
5. Your attitude shows. If you look like you are having a good time in spite of breakdowns, they are more likely to relax and dance better the next time.
6. If you notice a lot of new dancers constantly breaking down, point it out to the caller. He just may not have noticed. He can help by mixing if necessary or changing his program to suit them. You will also have let him know that making the new dancers happy is more important in your mind.
7. Try always to keep the FUN in square dancing at any level.

Caller Profile

BOB MEAGHER

Ever since we were teenagers, Jeannette and I have been square dancers. That's when we used to go Eastern-style dancing at Marshall High School and Manitou Beach, and at Max Raney's Ranch in E. Bloomfield.

We were married on Thanksgiving Day in 1949, and one year later moved into our home at 81 Marne Street in Rochester. We spent the next ten years raising four children, three boys and one girl, and only occasionally did we go Eastern Style dancing.

In 1959 we saw an ad in the paper for Western Style Square Dancing at Abraham Lincoln School. We went that night and joined Irondequoit Squares. No lessons back in those days, you just went and learned each night as you went along. A couple of years later we joined Swingin' Eights. I worked trick work so dancing was restricted to Saturday nights. Later on we were able to join EKCO Squares, and then Rochester Rollaways.

In 1975 Jeannette and I were chairman of DANCE O RAMA. Even though I wanted to be a caller 20 years ago, I couldn't because of my work. At present I am employed at Optical Gaging Corp. as a chartmaker. I work a straight 8 to 5 shift which I enjoy very much.

We joined Callers Co-op of Rochester a little over a year ago, and I started teaching my first class in September, 1980. It is a combined class of Irondequoit Squares and Pioneer Squares. I must say we learn a lot together. We also have two tape groups where I teach C-1 and C-2 level. At present we belong to Teddy Bears A-2 and C-1 clubs and the Rochester Rollaways.

Jeannette and I dance and enjoy all levels of dancing from Mainstream to Challenge 2. More than the dancing, we enjoy the people.

BOB MEAGHER

CONGRATULATIONS, Genesee Dancers on your 25th Anniversary!

CALLERLAB

The International Association
of Square Dance Callers

Box 679, Pocono Pines, Pa. 18350
717-646-8411

For the quarter beginning April 1, 1981, CALLERLAB has selected one new movement for use in workshops at Mainstream Dances. This move was written by Dick Kenyon and is called RELEASE RECYCLE. The definition and some dancing examples follow: RELEASE RECYCLE: From a $\frac{1}{4}$ tag formation, the ends of the Right Hand Wave and the outside Boys (beaus) extend to the dancer ahead of them and all finish like a RECYCLE. Ends in a starting Double Pass Thru formation. Timing is 6 steps.

DANCING EXAMPLES:

RELEASE RECYCLE

From Static Square (#14 on Formations)

Heads Pass the Ocean, RELEASE RECYCLE, Centers Pass Thru Touch to a Wave, Recycle, Square Thru $\frac{3}{4}$, Trade By, Left Allemande.

Heads Pass the Ocean, RELEASE RECYCLE, Double Pass Thru, Centers In, Cast Off $\frac{3}{4}$, Star Thru, Centers Touch, RELEASE RECYCLE, Centers Pass Thru, Pass Thru, Trade By, Allemande Left.

⑥

Release Recycle (cont.)

From 1p2p (Facing Lines (#22))

Pass Thru, Wheel & Deal, Centers Step to a Wave, RELEASE RECYCLE, Centers Pass Thru, Box the Gnat, Grand Right and Left.

Pass the Ocean, Girls Trade, Recycle, Veer Left, Ferris Wheel, Centers Step to a Wave, RELEASE RECYCLE, Zoom, Swing Thru, Turn Thru, Left Allemande.

Please remember that this is the Quarterly Selection for the quarter beginning April 1, 1981. It does not mean that all clubs or all dancers must use the call but rather is for groups that would like to try something extra. It should be workshopped before being used at any dance labeled Mainstream. For the majority of clubs, this call should be used with standard set-ups only (girl on the boy's right). For groups that can handle variations of Recycle, this call can be used from a variety of Boy-Girl arrangements. However, not all clubs enjoy or desire other than standard positioning.

We are sorry to hear John Butler had a severe case of shingles while vacationing in Florida. It is good to see Mary Smith and Doris Haddleton off the sick list and dancing again. Paul Goebel continues to improve.

Those who attended our mystery dance had a great time dancing to Dick Casper. Thanks for having us, Village Squares.

We are combining Open House and School Appreciation Night on May 13th. The last dance of the year will be the Trail End Dance at Three Acre Party House on May 15th. The special events for the summer months will be in the next issue of this paper.

Boots n' Slippers

Wow! Our regular dancing season is nearly over! By the time you read this, DANCE O RAMA will be history!

Our Trail End Dance will be May 15th at the Red Mens Club. We had a good turnout and a lot of fun at the Ed Fraidenburg dance on April 10th. Also, everyone seemed to enjoy themselves at the class graduation--especially at the wine tasting after-party. Congratulations to our new club members, and welcome aboard.

John and Margaret Adams looked great and were well rested after their Florida vacation. Bill and Nancy Alport had a good time in Myrtle Beach with their beautiful fifth-wheeler. Our sincere sympathy to John and Jane Pyles on the tragic death of their son, Stephen.

Be sure to read the next issue of this great paper for our summertime activities.

I hope everyone is going to the 23rd Annual DANCE O RAMA. The place is Right! The Price is Right! and the Staff is Great! Don't Miss It!

At our April meeting, thanks to the Red Cross, we renewed our "Cardiopulmonary Resuscitation" training for another year.

We also had election of officers:
Moderator: Frank Salvagio
Co-moderator: Mike Harris
Treasurer: Mike and Wanda Callahan
Congratulations!

Our next meeting will be May 17th at the Beef Steak Mining Restaurant in Pittsford Plaza, 2:00 p.m., for our first annual "Spouse Appreciation Dinner."

See you all there,
Bob Meagher

Country Twirlers

Our sincere thanks go to Gary and Alice Bubel for the excellent job they did teaching this year's class of new dancers. April 11 was their big day of Graduation and a great time was had by all. Welcomed into the happy world of square dancing were thirteen new dancers. Thanks also to all the faithful Country Twirlers who helped as angels. Hope everyone remembers the workshops which will continue on Tuesdays through the end of May.

On May 9, Dick Leger will be on our stage, strumming his guitar. Dick is a National Caller from Bristol, Rhode Island, and it's always a good time when he comes. Won't you join us?

How time flies when you're having fun, and it hardly seems possible, but May 16 is our Trail End Dinner and then we return to the Washington Irving School for dancing. However, that won't be the end of Country Twirler activities because the weekend of June 12, 13 & 14 we will all be together again for our campout at Hamlin Beach State Park with dancing, games, potluck supper and a real fun time to look forward to.

Wasn't Jim McQuade surprised when 48 Country Twirlers showed up at Kuntry Kuzzins in Newark where he was guest calling March 28? He wasn't the only one surprised. It was a Mystery Ride, a secret well-kept, and a very enjoyable evening, including the stop at Perkins on the way home.

Our congratulations to all Graduates - WELCOME.

One last reminder to try the Contra Hall during DANCE O RAMA. Also, last year some of our dancers wandered to the other halls to see what club square dancing was all about. I suspect some will do it this year too. Country Dancers are easy to spot--the girls are probably in long skirts, and some of the guys will wear T-shirts or other informal attire. Be friendly--but don't ask them to fill a set unless the vocabulary is at the Basic Level--sorta "Dick Leger" style. If they like what they see they may become future club dancers. We do have some club "drop-outs" that may join you in the graduate hall for the relaxed part of the program.

This past month we were very happy to see members of Cloverleaf Squares at CDR. Don't get discouraged. Club dancers think that contras are easy (i.e., use the same calls over and over). I'm sure you found the dancing to be a whole new ball game. Try us again--and bring your friends. We are always glad to see class and club folk. (Lately, we still have a shortage of girls.)

Last month I mentioned country dances in the New England area. For you travelers, there is also dancing in Knoxville, Tenn., and in Seattle, Washington, with regional accents. Square dance club people do contras in various parts of Ohio and New Jersey. If you travel you might like to try something different one evening.

May 16th will find us dancing at the Webster Masonic Lodge on Orchard Street, Webster, just East of Kittelberger Florists. Ben McGilvery, direct from Arabia, will be cueing rounds and calling tips starting at 7:30 PM. Be sure to join us as this should prove to be a very enjoyable evening. We will again be at the Masonic Lodge on May 30th. Mike Callahan will be calling all singing calls. Dottie Reed will be cueing rounds starting at 7:30 PM.

Circle your calendar for June 12th and reserve this evening for the Trail's End Dance. This is a Friday. Dinner and dance will be held at the Meditterania Club Route 104 in Ontario. Dinner at 6:30 PM, dancing starting at 8:00 PM., Bob Slomcenski cueing rounds and Mike Callahan calling tips until 11:00 PM.

Congratulations to Anabel Minchak, class graduate and new Club member, for winning the quilt at the Leukemia Dance.

Graduation was held on Tuesday, April 28th. We had open house at this dance which proved to be very successful. As always, graduation was a lot of fun for everyone. We wish to congratulate our graduates and welcome them to the Copy Cats Club. We all look forward to dancing with you at our Club dances. Our thanks to Chip Kellogg, class instructor, for another job well done.

Cloverleaf Squares

Cloverleaf Squares are proud to present Ron Libby, Mike Callahan, and Mike and Linda Liberti all in one fantastic night of dancing, May 31. The location of the dance will be announced at a later date so check the flyers at your clubs.

Cloverleaf Squares have now moved to a new, bigger and better location. We will now be dancing at the Trinity Episcopal Church, 3450 West Ridge Road. Our dances will be held from 8-10:30 with Mike Callahan calling squares and Mike and Linda Liberti cueing rounds. So come out and have a good time.

On March 25 the Cloverleaf Squares had a demonstration at the Scribner Road School for disabled children. We all had a good time, especially David and Daryl who even danced in a wheelchair. Hugs and kisses were all the rewards needed to know that we meant something to those kids.

Wedding bells are ringing for Natalie White and Dick Turner. Congratulations to them on their engagement.

The pitter patter of little feet have finally arrived. Patty and Gerard Bus had a baby girl--her name is Susan. Congratulations to both of them.

Morton Country Swingers

The Wine & Cheese Party on March 19, was enjoyed by the Morton Country Swingers and visitors from Spin N Wheels, Promenading B's, Boots & Slippers, Orleans Orbits, and Lockport Curly Q's. Thanks to our visitors for their contribution to the fun. Come again!

The juices began to flow in Swinger country on March 26 with the Swing Into Spring International square Dance. Twenty-two couples were welcomed to the dance from the St. Catharines Pioneer Squares of Ontario, Canada. We danced to the singing calls by Ron Fotch, and enjoyed a high selection of pies in after-dancing refreshments. Thanks to the ladies of the Morton Country Swingers for the pies.

Our class graduated in ceremonies April 2, at our regular dance in the Morton Baptist Church. The members of the class passed the final exam with honors and were duly accepted into our club.

Plans are under way for a Box Lunch Auction, an Ice Cream Social-Youth Dance. Youth clubs will be our guests at our May 14, Ice Cream Social. Special invitations from the "youngsters" of the Morton Country Swingers to the "old timers" of the Hilton Hillbillies and the Wheel N Dealers of Kendall for the Youth Dance and Ice Cream Social have been extended. Rejuvenation will be rampant May 14, at the Morton Baptist Church.

The Grand Swinger will welcome the Triggers, Copy Cats, and Merry Mixers to our regular dance May 21, at the Morton Baptist Church. All square dancers are welcome at our dances.

The Morton Country Swingers plan Trails End dance May 28. Plans are progressing for a swinging campout the weekend of July 24-26. Our Welcome Back Dance is scheduled for September 10. The club has enjoyed a delightful year of square dancing. We hope everyone has had as much fun as we have.

Summa Cum Laude! With Highest Honors! That's what our class is graduating with! Congratulations to each and every one, and to Jack Sadwick, their caller! They "done him proud!" Graduation--Their Day! will be May 27! and will also be a bang-up Potluck Supper! Ah! how well we remember our own! Let's make this an unforgettable occasion for them!

Here it is! Ken Anderson's famous "Summer Workshop" will start off with a bang on May 20! It is such a popular event, we don't have to give it any more publicity! Everyone--new dancers, dancers that have fallen by the wayside, old dancers--wants to get in on the fun! Remember the date!

News Flash: Bud Redmond will be EKC-O Squares' new caller! We consider ourselves very fortunate to have obtained a caller of Bud's calibre. While we sure hate to lose Ken, we heartily welcome Bud to our fold!

Our Get Well Department: Our very best wishes for a speedy recovery to Louis Kuchman, who is now home from the hospital; Ed O'Grady, who also is now home; and Dan Stark, who has been ill. Cards will be welcome to our indisposed members. We miss you all. Hurry and get well!

Genesee Dancers

You have heard us loud-mouth our Big 25 Anniversary for a couple of months now. We just wanted to make sure everyone got the message. And now, just about as you are reading this, the anniversary party is taking place. The date, Sunday May 3rd; the setting, Green Lantern Inn; the attendees, Genesee Dancers old and new; the program, nostalgia galore. As a last gasp on the subject, next month we'll give you the details on how it all worked out.

Quite appropriately, almost simultaneous with the anniversary celebration is graduation. The old meets the new. Chuck Prister and helpmeet Jerry together with some angels have once again triumphed and produced a bevy of up and coming squares. Heartiest congratulations to the newcomers! We're looking forward to graduation on May 7th. Let's all be sure to be there to welcome the new bunch and to twirl the new corners.

The North-South traffic has been very busy all winter and still is. Graham and Lorraine Chamberlain, in the market to buy a trailer in Florida were seen recently getting tips on where to look from, you guessed it, those Florida experts, Dick and Carrie Smith. And a lot of people go South to visit a Virgin Island. Bob and Lou Vincent went down and couldn't stop. They visited all of them.

I do wish we had given prizes for the best Irish duds for the St. Pats Day dance. If we had, Maryann Heiler might well have won for her cute green derby.

We welcome our new club members! We all feel like they were already members after the really great job they did helping us with our Easter Dance. Speaking of the dance reminds me to say a big thank you to everyone that helped out in so many ways. If you missed this dance you missed a great dance. Lots of good food, dancing, and some fantastic prizes, plus a parade of hats that were the height of fashion. (I didn't say what year!)

With all this warm weather we are having I'm thinking about all that cool, delicious ice cream on the 13th. That also reminds me that our fans are back and circulating around the club--they keep us cool as in fresh air. We are happy to see our guests take advantage of a free dance and also get acquainted with our club. Please come back now that you have found us.

We were all so sorry to learn that our president Carl Weiss' mother died.

Coming up next month is our strawberry social. Yum! Yum! I see that some of our Sunbirds are starting to arrive along with Spring. See you at DANCE O RAMA! Information Keep smiling & keep dancing, Joyce Tyner

Thanks to our Yellow Rocker Chairmen Gerry and Florian Sobolewski, about 36 club and class members enjoyed a fine dinner at Dino's Restaurant in Churchville before attending Ron Fotch's Black Light Dance at Bergen on March 28th. It was a super evening!

We are very proud of our graduating class this year. We are happy to see that they are attending our own club dances now as well as other club dances in the area.

As an added attraction at our May 9th dance, the Carriage House Dance Fashions will be presenting a fashion show.

A special Mystery Ride is planned for Saturday night, May 16th. It is bound to be lots of fun, so sign up. Further information will be available at our dance, or call our club presidents, the Siverds.

Kuntry Kuzzins

Kuntry Kuzzins will have two dances in May. On May 9 we have a special caller, Tom Tomlinson. Let's have a big turn out for our guest caller. Guests are invited as always. Dottie Reed will be cueing the rounds.

Our caller for the May 23rd dance is Jon McNally, with Dottie Reed cueing rounds. We dance at Kelley School, Newark, N.Y., 8:00 PM.

At our March dance with Jim McQuade we were happy and surprised to have with us a bus load of Country Twirlers on their mystery dance. We thank you all. Again, we thank the Reeds for the decorations. Kuntry Kuzzins want to greet Jack and Rose Smith as our newest members.

April 25th was graduation night for our class. Jeff Elmore, our class caller, and Jon McNally, our club caller, were there to make this a great night of dancing. We welcome all of our class to join with Kuntry Kuzzins.

This issue of the PROMENADER is dedicated to all our graduates. One of the many nice things about square dancing is the fact that no one becomes members of a club because they "knew someone" or had "friends who were officers" --you join a club only after you have been through CLASS! We have all been to CLASS and have experienced the groaning, fear, pain, panic and shock when our instructor uttered those words, "Tonight we will learn Spin Chain the Gears" or, worse yet, the complete mental, moral and physical breakdown when the instructor smiled and called "Ladies to the center for a Tea Cup Chain." Disregarding the hardships, we continued through CLASS and soon, somehow that magical moment arrived and we became graduates and club members.

Midway through this year our class acquired new friends when the group from Pioneer Squares joined in our lessons.

Our class, under the tutelage of Bob Meagher, is ready to join our Club. We welcome them! Together we shall continue to learn and enjoy the fun of dancing. Class graduates have developed a new personal skill, but more important, they have acquired new friends, and will continue meeting and making new friends.

Perhaps all new graduates and "old" club members would like to join us for our All Singing Calls Dance with caller-singer Jon McNally on Saturday, May 30th at the Rochester Christian School. You can all look forward to experiencing our Trail End Dance scheduled this year for Saturday, June 6th, at Valley Echo.

That's what it seems to be all about--nice people visiting with nice people--at least that's what happens at our Club, The Friendly Club, Irondequoit Squares.

Wyco Promenaders

With our nice Spring weather we sure have been having guests from other clubs visit us. The Ebenezer Sets from West Seneca visited our club and stole the traveling banner. At another dance the Tri-County Squares from Sardinia took our President's badge instead of another banner. Now we have to go back and retrieve it. We are going to go traveling now on these nice spring nites and bring our banners back. Banner stealing sure is a lot of fun for a club.

Our next dance will be on May 1st with a potluck supper and installation of officers, followed by a nite of dancing. If you can't join us for the supper, feel free to come just for the dance.

On May 15th we will be having a guest caller. May 29th will be a regular club dance with Chip Kellogg doing the calling. Do join us for an evening of dancing. Guests are always welcome.

Promenading B's

It's nice to have friends. We got to see so many of them at our Black Light Dance! Thirty-five clubs were represented! The B's heartily thank all for supporting our dance. We sure hope ya' all had a good time. To put on an affair of that magnitude took a lot of Bee couples and Bee hours. The club thanks each and every one of the workers.

Our presidents will begin their retirement from office this month. I'm sure most of us square dancers don't even realize what an office like that requires of a person. Thanks to them and the rest of the board for so much dedication and for saying "Sure, I'll take care of it" so often. The B's wish the Board a happy retirement, filled with square dancing.

April 24, the new officers will be elected, and will take office at our May 1 dance. All are welcome.

May 2 you'll see the B's manning the ticket booths at DANCE O RAMA, as well as on the dance floor. Hope to see you there.

We'll be partying every Friday night in May at the Byron-Bergen Elementary School. Bonus: this month has five Fridays!

June 12 is Strawberry Social and Trail-end Dance. Ya'all are welcome.

Magic Squares

On May 1 the Magic Squares will be having a Potluck Dinner to officially welcome our new graduates. This will also be Old Members Night. I hope to reminisce with some old familiar faces. This should be a most delightful evening with dining and dancing.

Congratulations go out to Mary Jane and Marvin Teeter. They are the proud parents of a baby girl born on January 20. The baby was named Irene.

On May 8 we will cancel our regularly scheduled dance so we can join our friends the Victor Swing-A-Longs. Congratulations, graduates. It was a tough year but you made it through with flying colors. I hope to see you all dancing with the club this summer.

It's nice to see more visitors joining us Friday nights. It's always a pleasure meeting our fellow dancers.

Singing Squares

We are near the end of our dancing season--heading for the Trail End. Our first dance in May is the 6th. Graduation is May 13th, and closed--members only. But we will be looking for you May 20th, 27th, June 3rd, and June 10th. Our Trail End is June 17th, and closed --members only. There will be more information for members on Trail End later.

Even though our club is small in number, we have had fun and good fellowship. We certainly enjoyed having guests from other clubs join us. We are looking forward to receiving our graduates into our group with a big welcome. Elwood Johnson has done a great job as instructor, as usual.

News note: The Singing Squares are moving their dance location from Thomas Edison School to the Walt Disney Elementary School at 175 Cold Water Road, Gates, effective immediately. Mike Callahan calls the squares and Mike and Linda Liberti cue the round dances. Our dances start at 8:00 - 10:00 when we go downstairs for the "goodies" and a bit of chatter.

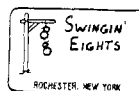

Hope to see you all again soon!

Swingin' Eights

"How Sweet It Is" when Swingin' Eights and Irondequoit Squares get together. It happened again at the April 4th dance co-hosted by these friendly neighborhood clubs, featuring fine performances by Canadian guest caller Norm Wilcox, and jovial Mike Liberti on rounds. Of course, the bountiful sweeties provided by the ladies weren't hard to take either. Ask one of the numerous guests. It was good having Sally Solty-saik back dancing.

Satisfy your Italian appetite at our May 9th Pizza Dance. The schedule for our May 16th dance says Come As You Are. If you wear a smile, the rest doesn't matter.

Don't miss our Trail's End Dinner Dance on Friday, June 5th, at the Ukrainian Civic Center. The Prados and Sheplers are co-chairpeople. This will be the last dance before we reopen in the fall.

Jane Ainsworth, recently in the hospital for an operation is doing O.K. at this writing. Sarah and Al Lichterman will be expecting this fall--expecting a new grandchild, their third. Jan and Bob Winnick got more than they expected when their son's wife recently gave birth to twin boys. The Winnick name also got publicity through the attempted assassination of President Reagan. Their daughter, Jeanne, is a working associate of James Brady, the White House Press Secretary who was shot in the head.

Wayne Westerners

On April 5 we had the pleasure of dancing for the people on the skilled nursing unit of Newark Wayne Community Hospital. Just seeing the smiles on their faces as they listen to the music is enough to warm any heart.

We'd like to welcome all clubs to attend our dances. Please note our full page ad in this issue telling about our annual Apple Blossom Square Dance to be held at 8 pm in the Williamson High School Gym. Club members, please remember, we need all your help to make this a big success.

I would like to take this opportunity to thank the many guests from other clubs who have been attending our Thursday night dances. Also, thanks to the club members for the tasty refreshments they bring every week.

Don't forget to sign up for the Trail End Dinner to be held on May 28 at the Rowntowner Motor Inn in Newark, N.Y.

All of this is made possible by Jeff and Sally Elmore. So, thanks to you.

Spring has finally arrived and that means graduation time is near. Class members have worked hard and will soon be wearing club badges. I hope all new graduates will attend the DANCE O RAMA on May 2nd.

Neil Petrelli has a sparkle about her these days. Could it be from the diamond George Brandt gave her?

The next issue of PROMENADER is the big June/July/August issue. The deadline for ads, columns, and club reports is May 10.

Web Spinners

Well, spring has finally gotten here, and now it's time for graduations. Twenty-two new graduates join Web-Spinners on April 24th. We all wish you luck on graduation night and many years of happy dancing. A big thanks to all the angels who came every week to help out with the class. It sure helps to know there will be someone there when they are needed. Also, it's time to start thinking of next year's classes, so start asking around to your friends, relatives, etc.

Dates to remember are May 8th. This is singing call night. May 15 is Trails End. This is a closed dance, so be sure to make your reservations at the table. Speaking of trails end, the theme this year is Reminiscing Through the Year. It's going to be very nice and you all know the meals are great, so see you all there.

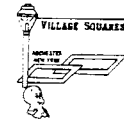

Camping season is upon us and hope to see everyone at the campfire. Bob wishes to thank the Board and everyone who helped him this year. It has been great working with the Board this year, and I know that next year's board will have just as much fun.

Hope everyone has a nice summer and lots of fun dancing. See you all next fall!

For 6 weeks Bill will be calling squares at Plank Road School. These will be on Wednesday nights. Hope to see lots of you there. This will be Mainstream + Fun.

Village Squares

March 30th we surprised our caller, Dick Casper, with a Birthday Party. It was a great evening with Bud Hands, Mike Herne, and Jeff and Sally Elmore doing the calling. Lima Grand Squares, where Dick also calls, presented Dick with a big box of yellow rocks. Wayne Westerners also joined us and we want to thank you all for coming.

Another big Thank You to Belles N Beaus, along with their caller Art Harris, for a delightful evening of dancing and friendship. We also spent a lovely evening with the Diamond Squares and Bob Ellis. Thank you for your hospitality.

May 18th will be our Trail End Dance at Valley Echo this year. Hope to see all our club there.

Well, we are doing it again! For the past few years we have had a highly successful Summer Workshop. So, beginning June 1st, we will have our first dance and workshop. Dick will be teaching M+1 and +2. We hope to see a lot of our friends, and your friends too. Bring them with you and enjoy learning some new calls along with having a good time. Everyone is always welcome at Village Squares.

April 6th our class graduated. What a charming group of people. Village Squares feels honored to have them with us. They are all so talented, friendly, and good dancers. Marge Reynolds wrote a nice poem which she read to the club. Then after the club did a few tricks on the class--the class did their thing. A well-decorated coffin, with a phone no less. Dick had to call from within, and everyone had a ball:

Butterflies Anyone? That's right--Sat. May 16th is our Butterfly Ball. All club members, all new graduates, and those about to graduate are welcome. You can now leave your cocoon and gracefully learn to fly with us on May 16th from 8-11 pm. Dick Casper will be calling and we guarantee an evening you won't forget.

It was nice to have Jerry and MaryAnn Ratliff back dancing with us. We would also like to express our thanks to all the Angels who helped out with the class the past year.

We Welcome the Graduates

Victor Swing-A-Longs

Congratulations to our past presidents, Marty and Nancy O'Connor. On March 13, their daughter, Kristin Elizabeth, was born. Good luck to all the O'Connors, including big brother Matthew.

We're looking forward to our annual Fashion Show Dance on May 8, at 8 PM. Sally's Square Line will provide the western attire, and Gary Bubel will be calling. It promises to be a great evening. Come dance and shop.

The Finger Lakes Symphony Orchestra will present a concert at Victor High School on May 9 at 8 PM. The Victor Swing-A-Longs are proud to be sponsoring this event, and hope many of you will come and enjoy the music. Tickets are \$3 for adults and \$2 for senior citizens and students. They can be obtained from any member of the club.

Our new class is well under way and doing fine!
