## D-O-R '81

## Editors' Note:

Doris & Russ Jenkins

Apologies for the lateness of the May issue. It was beset by gremlins in the Addressograph machine and later at the post office.

**Reporters:** August 10th is the deadline for the September issue. Be as specific as possible about Open House dates, class night, class instructor, class location, and class starting dates.

**Readers:** Support our advertisers. Compliment our columnists. Jerry Carmen's latest column was reprinted in the current issue of the FLADA FLYER featuring graduates.

Our first year as editors of PROMENADER, completed with this issue, reinforced what we already knew--square dancers are wonderful! Except now our circle of square dance friends has widened tremendously, and we have been able in some measure to communicate their joys and concerns--making all the work worthwhile.

Have a good summer. We are hanging out the GONE FISHIN' sign until August 10.

Russ and Doris Jenkins

**ABOUT THE COVER.** - The success of DANCE O RAMA depends on people supporting it. The Perkie Tucker Memorial Award Trophy is given to the club doing most to make DOR go--club participation, ticket sales, and attendance. First place went to Merry Mixers, second to Swinging Singles. The Daphne-Norma Leadership Award went to Peg and Myron Huss for their dedication and sustained leadership through calling and teaching over the years.

PROMENADER is published by the Rochester Area Federation of Western Round and Square Dance Clubs, Inc.

**Subscriptions:** \$3.95 per year for nine issues, November through October. The editors reserve the right to edit, omit, or delete any material submitted for publication.

## FEDERATION NEWS

Notes from the meeting of May 13, 1981:

It was announced that Nick and Arlene Caputo of LeRoy, NY, are the new subscription editors for the PROMENADER. Frank and Julie VanDeusen were praised for their three years of work for the PROMENADER.

Ruth Harris reported the 23rd DANCE O RAMA was a success from all standpoints: dancing, attendance, financial, and arrangements. The 1982 callers have been contracted, and three of the needed callers hired for 1983. Ron and Betty Fotch of Brockport were elected DANCE O RAMA chairpersons for 1982. Cay Jackson complimented the various committees involved with DOR arrangements.

Concerning the Fiddlers Picnic on the second Sunday in August, Mike Ford of the Merry Mixers will arrange for two demonstration squares and a caller.

Mike Herne of the Village Squares questioned the criteria used to award the Perkie Tucker Memorial trophy. Frank Salvagio explained the origin of the award, its purpose, the selection of judges, and the point system used to determine the winning club.

Bob Dailey distributed the new SQUARE DANCE fliers to be used by clubs in approaching perspective members. Federation officers were elected: Bob Dailey of the Promenading B's as President; Jim McCollum of the Swinging Singles as Vice President; Will and Arlene Shepler of the Swingin' Eights as Corresponding Secretary, and Pauline Liess of the Swinging Singles as Treasurer, while the office of Recording Secretary is vacant. Term of office starts July 1.

**D O R update**

Thanks to the 785 dancers, 1981 DANCE O RAMA was a great success. Decorations by the Village Squares added to the gala feeling of the dance. Thanks to all the clubs and their members who, through the committees listed below, made 1981 DANCE O RAMA possible. These volunteer workers did a great job.

Let's all accentuate the positive aspects of D-O-R, and 1982 should be even better.

Special thanks to the following who volunteered their time and talents to cue the round dances at Tuttle Hall: Betty Wolcott, Betty Carmen, Brian and Judy Adams, Mike and Linda Liberti, Bernie and Rita Hayward, Bob and Norma Slomcenski, and Howie and Dot De Grave. The DeGraves also chaired the round dance hall. Barbara and Ed Butenhof did the same for the contra hall.

Our expenses will be up due to inflation, and more money was spent on advertising. The five callers, the contra caller, and the round dance leaders total cost was \$1600. It takes over a month to get bills from the college, so we will not have a financial report for about two months, but we should be in the black.

Our dance numbers were within 15 of the number we had last year. About one-fourth of our dancers were from out of the Rochester area.

Ruth Harris 343-1142

Yes sir, 25 years! That is how old the Genesee Dancers are this year. They had a special dinner, arranged by Joe and Angela DiBitetto, to celebrate the occasion.

Waldo Westwater was there. Waldo Westwater, sounds like the name of a cowboy actor from the silent movies. Waldo told of the beginning of the club in 1956. He said he was only a teenager at the time. I don't believe it. I don't know how old he is, but some say he helped row Washington across the Delaware.

Many others told of their part in the history of the club. Dick Casper told about the funniest Set he was ever in. The Set was right in front of Art Harris, who was calling. Howard Green was twirling Joan, when somebody's hand hit Howard's hair piece. It flew out of the Set and landed on the record that was playing. Art looked down and saw the hair piece going around and around on his record. It shook him up a little and then he said, "I knew it was an old record but I didn't know it had a beard."

Here is my contribution. A column I wrote back in 1973, about Singing Sam Mitchell at the Genesee Dancers:

What a crowd! They had wall to wall dancers and Bob Vincent said that he never saw so many tape recorders. They looked like a giant electronic octopus sprawled around Singing Sam. They plugged into his speakers, the turntable and other recorders. Someone even asked if he could put his plug in Sam's ear for a clearer reception. Sam said it wouldn't come out very good because he doesn't call by ear.

These recording artists reminded me of a flock of nervous Woodpeckers during the mating season. First they would be peck peck pecking the recorders on, then fly off to a Set. Now the Tip is over and here they come flying back to peck peck their recorders off. You couldn't miss those Woodpeckers, they were all a flutter in the front six Sets.

Six sets? Yes, six sets across a four set hall. Ray Seymour told me he knew they were dancing a little close but he didn't know how close until they Chained the Ladies and the guy in the next set Courtesy Turned Ray.

Angie DiBitetto said, in their Set some new calls were introduced, like Do Sa Do and Squeeze Thru. She continued, at one time the Set was soooo tight that when Sam called an Eight Chain Thru, they only had room to do four chains. Man, they were short chained.

Tip Costich said that between Tips he couldn't find an empty chair or a place to set down til he got wind of a seat open in the mens room.

Charlie Tucker got out of the way of the pressing crowd by moving back into the coat racks and he cued the rounds thru the sleeve of an overcoat. At least that's what Roger Bastian said it sounded like.

Singing Sam called a wonderful dance as usual and I goofed as usual. I thought I could have done better if I had another chance. So I'd shout, "Play it again, Sam," but he wouldn't do it. Sooooo I say. . . .

Thanks anyway,

Hal Abberger

# CARMEN'S COLUMN

## DANCE LEVELS

The Callerlab levels system is a list of calls broken down into plateaus or groups of calls to be progressively learned by a dancer, governed by how involved one wants to be. These plateaus are given names such as Basic, Mainstream, Plus 2, A-1, C-2, etc.

This system is most valuable at large dances where people from many different clubs attend, and different halls are provided to accommodate various tastes in dancing. The halls can now be labeled, and a dancer, knowing which level he is familiar with, can now select a hall to dance in and not worry about the caller using many unfamiliar calls.

Clubs use this system also to tell guests what calls they are expected to know when they attend their dance. So, if you should attend a dance labeled "Mainstream," you will be expected to know all the calls in the Basic, Extended Basic, and Mainstream lists. The caller is free to use any other calls outside these lists, but he must walk you through them first.

What do you do if you attend a Plus 2 dance as a guest and the caller is using calls from the Advanced and Challenge lists with no walkthru? Of course, this means the caller is not calling the advertised level, and by not doing so, he is being unfair to you as a guest. My first inclination would be to approach the caller and ask him to stick to the advertised level. I would explain that I'm there to have fun, and if he insists on using calls off the list, to please walk them through first. If I did not get any satisfaction and was sufficiently unhappy, I would ask for my money back and leave.

The point is, if you don't tell the people in charge, nothing can be done. If you are unhappy, immediately confront the caller or the club officers. You will either get compliance or an explanation. From there you can either stay or leave. In any event, you will have made the people who can do something about it aware there is a problem. It is true some will ignore you, but it is more likely you will be thanked and a correction will be made--even if it is the club changing or eliminating its level notation in future advertising.

Dear Friends,

When the Tucker Award was instituted by Frank Salvagio and John Fink some years ago, Perkie and I were fully in favor of the intent of the award - but more than a little embarrassed that it was in our name. We did not feel that we deserved the honor.

However, in view of what has occurred in the recent past - and to recognize the one person most responsible for whatever success we had in our endeavors - it has been decided that the name will be changed to

### THE PERKIE TUCKER AWARD

and that money awards will be granted to the organizations so honored. I am most grateful that Frank and John approved my suggestion.

There will be no change in the process of selection of the recipients of the awards - obviously I cannot participate.

It is my earnest hope that it might be a significant factor in the future development of Tance O Rama.

With great affection

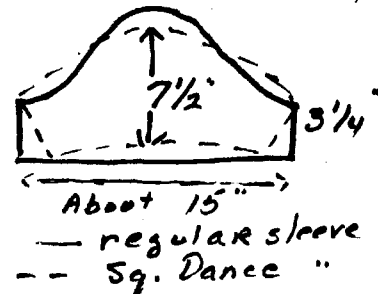

Charlie Tucker

For comfort in dancing, a regular set-in sleeve needs to be altered. It can be varied in many ways--shorter, longer, or different trims. Below is a diagram to use in making a square dance set-in sleeve from your civilian sleeve pattern.

If any help is needed on any patterns, I will be glad to help--just call me at Ironda Shoppe, 266-5720. Have a happy summer.

One of the major concerns voiced by callers from all across the country at this year's CallerLab Convention is the fact that more and more clubs are unwilling to accept the new graduate for his or her ability, whatever it might be. It seems that many clubs are unwilling to back off a little with their dance level and help the new graduate along. Instead, the new graduate is pressured to attend summer workshops and learn the Plus calls on top of all the Mainstream calls, many of which he is not really sure of yet. It's no wonder that these new people get frustrated.

I had what I consider a pretty nice calling experience the other night. I called for the Copy Cats' annual Dessert Social dance. This was advertised as a class/club dance. Many class members from different area classes were in attendance. But there were also many experienced dancers there, some of whom have danced for many years. These experienced dancers were from many area clubs, not just the Copy Cats. The whole crowd mixed so well together with enthusiasm that it was just a super evening. Yes, many people probably came for the refreshments. But I would like to think that many of the experienced dancers that attended did so because the dance level (there's that word again!) didn't really make a heck of a lot of difference to them. They wanted an evening of fun, enjoyment and socializing as well as the opportunity to dance with some new folks, help them along if they needed it, and tell them what the wonderful world of square dancing can do for their social life.

As I drove home from that dance, I thought about all these things and considered myself very fortunate to be calling in an area which realizes the importance of bringing new people into the square dance world and accepting them.

Experienced dancers: Never forget that the new people who join our clubs each year will someday be the basis for your M+2 or A 2 or C 1 club. All they need is a little T/L/C.

New Graduates: Remember at this time next year how nervous you were and how you desperately longed to be accepted by the experienced people you admired so much.

MIKE CALLAHAN

## Belles & Beaus

Our busy year ended with the Trail End Dance at the Three Acre Party House. A fun evening was had by all.

We hope our new graduates will join us for all the summer events. Hal Abberger will be in charge of the car rally ending with a picnic at Elich's campground. Contact Hal for more information at 325-3303. Our July 19th event will be Scotch Golf Day at Arrowhead with the Haddletons and Zimmermans in charge. Contact the Zimmermans for more information--544-6864.

The big event of the summer is the Alfred Week-end on August 7-8-9. The Haddletons are the contacts for that event, 1-659-8746.

Bob & Betty Heindl will be our new junior reps for the Federation. John & Jane Oakley will move up as senior reps. Many thanks to Russ & Ethel Heffer for two years of faithful service.

Remember, the tentative date of our fall open house is September 16th. Watch for dates in the September issue of PROMENADER.

Until next time,  
Walt and Bev Smith

## Callers' Co-op

Once in a great while an award is given to a person or persons who really, really deserve one. Well, that award, The Daphne-Norma Award For Leadership, was presented at DANCE O RAMA to Peg and Myron Huss for all that they have done for people in square dancing and promotion of square dancing. Congratulations from all of us at CCR.

Mike Callahan and Jerry Carmen did an excellent job of calling at DANCE O RAMA. It was nice to see Ben McGilvery back for a visit.

Time is soon approaching for the McNally baby arrival --June 3rd. Many happy returns of the day.

Summer is ahead and many callers will be busy running dances, workshops, and campouts. I wish them all success, and look forward to a new season in the fall for CCR.

Have a nice summer--  
Bob Meagher

## Cloverleaf Squares

The Cloverleaf Squares are proud to have graduated a class of forty-three new members. And we extend warm congratulations to all the new square dancers who also graduated this year.

On May 31, Ron Libby came to the Cloverleaf Squares and packed St. Jerome's hall. Ron's singing echoed throughout the hall and captured the hearts of many. The whole evening was a night to remember and a great success. We thank all of you who attended.

The Cloverleaf Squares dance every Sunday throughout the summer. We dance at the Trinity Episcopal Church, 3450 Ridge Rd., off North Ave. Come dance with us on a Sunday evening with Mike Callahan, and Mike and Linda Liberti, from 8:00-10:30, the rounds will be starting at 7:30.

Classes will be starting in the fall. Call 325-8936 for more information. Have a great summer.

Happy dancing,  
Kathy Stockmaster

## Boots n' Slippers

Our regular dancing season is over. It seems like a short year as we now look back on it. We've had a lot of good times. The DANCE O RAMA gets better every year. We were happy to have Mike Callahan as one of the callers. Our last dance of this season will be a memorable one--a whole bus full of square dancers (19 couples) from Grand Squares in Newfane paid us a visit, and took off with our big banner. Our traveling banner is still up in Albion at the Spin N Wheels Club. Looks like we have some traveling to do this fall, gang.

Our best wishes to Florence Germeroth for a speedy recovery from surgery.

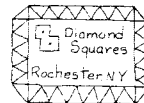

Some of the activities this summer that we won't want to miss are: Dancing on the Float in the Hilton Firemen's Parade in July; our steak roast on August 14th, with a mystery caller, at the North Greece Firemen's Lodge; and the square dancing exhibition at Parma Days in August.

Our new graduates have done very well. We hope they will continue to dance throughout the summer whenever they have an opportunity.

We hope everyone has a happy, safe summer. See you all in the fall.

## Diamond Squares

Summer is the busiest season for Diamond Squares. We continue dancing every Wednesday evening throughout the summer months. Bob Ellis will run a special A-1 workshop tip each night at 9:30 p.m. At 10:00 he will call a Hot Hash tip. Sounds like fun!

Also, Dottie and Jerry Reed will be with the Club every second and fourth Wednesday of the month. On the second Wednesday, they will teach a round dance at 7:15. On the fourth Wednesday of each month, there will be a review and/or workshop at 7:30 p.m.

Please Note: The Saturday Night Specials now begin at 8:00 p.m. and end at 10:30 p.m. Dottie Reed will be cueing Rounds at these dances, also.

During July and August square dance attire is not a requirement. Feel free to wear casual clothing if you so desire. Just come and dance with us.

On July 15, the Club will have an Ice Cream Social. Ice Cream will be provided by the Club, but each couple is asked to bring their favorite topping.

The annual club picnic will be held on Saturday, August 22, at Forman's Park in Pultneyville. Each couple should bring a dish to pass, their own meat, beverage, and table service. Starting time is 4:30 p.m. We plan to eat at 5:30, after which we will dance until around 9:30 pm.

Diamond Squares will be four years old on August 31st. We will celebrate this auspicious event on September 2nd. Gloria and Herm Shippers and Audrey and Earl Pankratz are in charge of this very special event.

Enjoy a healthy, happy summer!

  - The Club family picnic to be held June 15 at Powder Mill Park--look for Rand Cabin and a group of happy people!
  - Black-top dancing Fridays, July 17 and again Aug. 14 at Brighton Reformed Church, 805 Blossom Road. Board members will provide the meat dishes, the rest of us bring a dish to pass and our dancing shoes.
  - Club Skybrook Campout, July 2-5, all activities being planned by "The Old Ranger" Nelson Coco and Young Nancy.
  - If you survive the first campout, good things to remember include the second summer campout, Aug. 21-23 at Holiday Hill--Old Ranger and Young Nancy in charge.
- Remember to enjoy all the other good things that will be happening to our Club members this summer--the wedding in the family; Hawaiian vacation; visit to relatives; Alaskan vacation; family picnics; new grandchildren; graduations; moving; children getting a job; birthdays and please, please, if you have one, don't forget your wedding anniversary!
- And remember to keep dancing this summer, because when September rolls around, we will all be ready for another year of fun at the Friendly Club--Irondequoit Squares.

Genesee Dancers

It was just magnificent. Nostalgia, the Cult of the Old Timer, joyous reminiscences, and tearful reunions. It was all there at the Big Twenty-Fifty Anniversary celebration. Joe and Angie DiBitetto were chairpersons supreme and, with their fine committee, arranged for great food and wonderful entertainment. 25 year ago founder Waldo Westwater (was known as Mr. Squaredancer of Rochester) told us how it all happened. Charter members: Orlo Hoadley, Claude Abbert, Dick and Carrie Smith, and Jim and Mary Lou Davidson laid on us tales of the "early days."

And of course there is always the "bad boy" of the group. Seems Roger Bastian could always be counted on for action in the fun department, and at the celebration he demonstrated his expertise. Hal Abberger, ever the unabashed comedian, put on one of his hilarious sketches. The years in between have made no difference.

The earliest past presidents included John and Mary Nadig, Bob and Bernice Bourne, Bob and Lucille Vincent, and Dick and Ginnie Casper. Each of them told of historic and funny events of days and dances gone by.

The whole great event showed us one thing: it's the spirit that counts. If the 1980's Genesee Dancers can maintain the same great attitude of fun and adventure of the 1950 folks, there never will be a true "trails end" for this 25 year club.

But back to the present. Genesee Dancers swings on. June brings us the end of the regular dancing season and also a great cure for the summer blahs. That panacea is a full summer of the great dancing you expect from Mike Callahan every Thursday right at the Green Lantern. Look for the ad. Don't miss out on air-conditioned fun. Trails End dinner is on June 11, and summer dancing starts June 18. Finally, August 9th is the Genesee Dancers' picnic at Powder Mills Park. Members will hear more by mail. Save the date.

## Glass Slippers

Graduation is over now and we had a lot of fun at initiation time, we were serious also in our welcome to our latest club members. We have had some guests at our dances and we are all glad to have them come out to our club. Please join us again and help us eat up all those nice ripe, red juicy strawberries on the 17th. On the 24th we will be enjoying our trails end dinner and dance. It is nice to end the year of good dancing this way, but we all feel a little sad that we won't see some of our friends again until September. Thanks to our caller, Ron Fotch, and his wife Betty, it has been a great year.

We have had a few people missing at our dances recently --Bonnie Tennity has been in the hospital, Dick and Sue Palmateer have been on vacation and have been visiting some Glass Slipper Alumni, the Wigtils, in Florida.

We won't be dancing this summer but we are all looking forward to the fall when we can be back together again doing what we all like to do best--Square Dancing!

## Kuntry Kuzzins

On June 25th, Kuntry Kuzzins will have a demonstration at Lyons, NY, for their 150th Centennial year.

Our Trail End Dance will be on June 6th with Jon McNally calling and Dottie Reed cueing the rounds.

Starting on June 1st, Dottie Reed will start a new Round Dance Class at Kelley School in Newark, NY, at 7:00 pm. ALL interested can come and have fun with Dottie and Jerry Reed. Save those Monday nights for Round Dancing.

Looking ahead, on November 28th, Kuntry Kuzzins will have Bruce Shaw as guest caller.

Kuntry Kuzzins wish to thank Jeff Elmore for a fine class this year. We hope our graduates enjoy a lifetime of square dancing fun. Have a good summer round and square dancing.

## Magic Squares

Our special thanks to Gary Bubel for being our guest caller on the evening of May 22.

It's almost summertime and the Magic Squares will be very busy the next few months. We are starting out the month of June with a Mystery Ride. We are meeting at the Victor School at 6:30 and leaving at 6:45. The Victor Swing-A-Longs will be joining us.

On June 13, we will be putting on demonstration dances at the Thompson Nursing Home and the Clifton Hospital.

On July 10, we will be having an Ice Cream Social. I hope all you ice cream lovers out there will join us. It should really taste great after a hot July day.

Our annual family picnic will be held at the home of Jim and Donna Cornett on Sunday, July 26. If it's nice out, members, don't forget your swimsuits.

And last but not least, will be a Pizza Party on August 14. Anyone is welcome to join us, and I hope you all have a very enjoyable summer.

See you on the dance floor.

## Morton Country Swingers

The Morton Country Swingers completed a delightful square dance season with our Trails End Spaghetti Dinner Dance on Thursday evening, May 28. We have enjoyed many new activities and made square dance history this year.

The election of Grand Swinger Joe and Adeline Klafehn with the Legend of the Grand Swinger was historic. Many square dancers qualified for the recitation of the "Legend" by attending three of our regular dances.

The Grand Swinger issued a Baby Shower Challenge to the Federation Clubs when Morton Country Swingers John & Mertle Merriman produced a lovely baby girl. The Baby Shower Challenge has not been answered to date.

When the Pioneer Squares of St. Catharines, Ontario, were guests at the Swing Into Spring Dance, an International Dance Challenge was issued by the Grand Swinger. To date no Federation Club has answered this challenge. The Morton Country Swingers are unchallenged in their enjoyment of square dancing this year.

Summer plans include a Campout for Square Dancers the weekend of July 24-26, at Ridge Campground, Mount Morris. There will be a fine dance on Saturday evening, July 25, at Ridge Campground. We will welcome anyone who would enjoy dancing with us at our campout.

Welcome Back Dance and Open House is scheduled for September 10 at the Morton Baptist Church. The Morton Country Swingers will hold Open House for new members and class on Thursday evenings 9/17&24; come join us.

The Kendall Fireman's Carnival will include a Swingers booth August 9-11. We will be demonstrating and promoting square dancing at the Kendall Carnival.

Thanks to President Mike and Helen Mattern for all the work and fine leadership which is the key to our enjoyment. The standards set by Grand Swinger Joe and Adeline Klafehn will be difficult to equal in the future. Thanks to the President and Grandswinger for this joyous year in square dancing.

Our Trails End Dance will be held Sunday, June 7, at the Geneva Rod and Gun Club, Charlie Valent calling. A good time for everyone.

A Thank you to our out-going officers. They've done a great job. The new officers will take over at the Trails End Dance.

The Sauerkraut Festival will be held again this year in Phelps, August 1, at Firemans Field, Ontario Street, 7:30-10:30. Chip Kellogg is the caller, Al Overslaugh cueing rounds, Fireworks following the square dance. Food, fun, festivities for all. Do come.

## Henrietta Friendship Sqs.

It's June again and the end of the trail. Our pot luck dinner is at 6:30 on June 13th. We hope everyone will attend. A Camping-Dancing Weekend is being planned for some time in August at Bonnie Brae--more about that later.

The fashion show by the Carriage House on May 9th was very enjoyable. We thank our lovely models.

Ben McGilvery has informed us that he is returning to Saudi Arabia to continue his job and calling for the Americans working there. Our club has therefore engaged Ron Fotch as caller. We have enjoyed Ben's calling for many years and we wish him the best. Good luck, Ben and Sadie!

We hope everyone has a great summer. We'll see you in September.

## Country Dancers

Country Dancers will be dancing all summer on Thursday nights. Contra Dancing is a great activity for new graduates, and a good place to bring your friends who are not square dancers. English Country Dancing is more difficult to drop in on, so if it is your first experience with Contra Dancing, come when Ed Butenhof or Eric Rounds is calling.

July 16 is the Family Picnic at Ellison Park, Pavilion Lodge, dancing at 7:30. Children will be included in the dancing early in the evening.

Both the caller list and dance locations are incomplete as of this writing, but we will be dancing every Thursday as listed in the Schedule Pages. Please call me for information regarding the July and August dances.

## Copy Cats

Friday, June 12th, will find the Copy Cats and any guests who would like to join us at our Trails End Dance at the Meditterania Club, Rte. 104 in Ontario. Dinner at 6:30 PM followed by dancing from 8:30-11:00 PM. Mike Callahan will be calling tips and Bob Slomcenski cueing rounds. For reservations and information call 671-6151.

We will be dancing at Rochester Christian School on June 27th. Mike Callahan will be calling tips.

The Copy Cats won't be dancing during July, but we will be back at the Rochester Christian School in August with dances on the 8th and 22nd. Mike Callahan will call at both dances.

Congratulations and best wishes to our new officers elected in May for the '81-82 season. Our sincere thanks for a job very well done by our current officers and everyone else who helped make this year so successful. It has been a fun-filled year.

Our sincere condolences to President Jerry and Joan Beaudin on the death of Jerry's father in Glens Falls,

Be sure to join us on September 12 at the Rochester Christian School for our Open House. Have a wonderful and safe summer.

## Country Twirlers

**PAST** - Another square dancing season has been completed. We won't say ended because each year we are always left with more happy memories of good times with old friends and acquaintances, as well as new.

A few of the more recent affairs at Country Twirlers include the Fashion Show on April 25 - a very different and successful dance; the Dick Leger dance on May 9 - can't say enough there of the fun, laughter and enjoyment by all; and our Trail End Dance on May 16. It was a bang-up affair and makes us just a little sad that this season is over. Those in charge worked very hard and we all thank you.

**PRESENT** - Plans are well underway for our campout at Hamlin Beach State Park, June 12, 13, and 14. June 28 will find Country Twirlers putting on a demonstration at the Gates-Chili Independence Day celebration.

**FUTURE** - Our Open House will be September 12, with Jim McQuade calling. Our first regular dance of the new season will be September 18. Guests are always welcome. Have a safe, happy, relaxed summer!

## Merry Mixers

It is with deep regret that I must tell you that Ben McGilvery will no longer be the caller for the Merry Mixers. Foreign commitments have forced Ben to resign as our caller. Ben will not be giving up calling, as he calls for four clubs in Saudi Arabia. The Merry Mixers will not forget Ben. He and his taw, Sadie, have been with the club since its origin, first teaching rounds, then teaching both rounds and squares. Our love and best wishes go with you, Ben.

We turned our Hobo Dinner into a Graduation Party. Fourteen new graduates were welcomed into the club at that time. Our new graduates are so good they can even dance blindfolded, and proved it. Of course they weren't always in the same square or with the same partner when the tip was over.

Niel Petrelli and George Burandt have set May 22nd for their wedding, followed by a honeymoon in California.

The Merry Mixers were thrilled at being awarded the Tucker Award for the second time.

Remember the Trails End Dinner, June 12, at the Green Lantern Inn, Fairport, at 7:00 pm.

Our thanks to Jack Sadwick for calling for us this year. Jack will be unable to call for us next year. With both Jack and Ben gone, the Merry Mixers must find a caller for next year. Anyone out there interested?

## Promenading B's

There are sooo many facets to Square Dancing! Have you ever been with a newer dancer when another aspect (such as levels, club government, etc.) of Square Dancing opened up to him? Quite an experience!

Another delightful experience: As the "Square up" music started, a new dancer approached us and said they hadn't had the opportunity to dance with us this evening, and would we square up with them? Wow, such an attitude! (We should have been asking them!) It sure made us feel wanted.

The B's will have two dances in June before our dance hall (the school) closes for the summer: June 5 and June 12. Neil Stewart promised the best Strawberry Social yet on record. That happens on June 12, and that's our last dance of the season. 'Course ya'll know you're all welcome!

August 15 will be the B's family picnic. We'll be having good eats and lots of fun at the Gillium-Grant Center, with a dance to follow in the evening. Be sure to get further information on this event, as we're still shaping it up.

A special thanks to Jean and Neil Stewart as they complete their year as B's Presidents. They have been with square dancing and the B's for many years now--7 or 8 that I know of. They've held many, many offices and sure can do up a Turkey Dance. Well done.

Bob and I have to be on to other facets of Square Dancing, so will turn our Reporter's Kit over to another couple.

If your club is dancing this summer you'll probably find some B's as guests, as we don't intend to stop dancing this summer. Call 494-2102 if you want Bob and I to go to a dance with you. We like company to and from a dance.

We thought we had everything all squared away--when out of the blue we were informed we could no longer dance at Thomas Edison School. We are now dancing every Wednesday night at Walt Disney School, 175 Coldwater Rd. from 8-10 pm. Mike Callahan calling squares and Mike & Linda Liberti cueing rounds. We have two dances in June --on the 3rd and 10th. Hope to have you with us then, before we disband for the summer. Make a note of our new location.

Al Howe was our guest caller April 29th, and what a great dance he gave us! It was a fun time, and good to see Al, and hear his golden voice again.

Trail End Dance on June 17th at Northampton Park--closed, members only. Members are asked to please bring a dish to pass, and their own table settings.

It doesn't seem possible that another year of dancing has rolled by. It makes one stop and think how very precious time is, and how we spend it. We hope your summer will be a healthy, safe and wonderful one. Be sure to join us again in the Fall. We shall be looking for you!

## Rochester Rollaways

The highlight of the year for Rollaways was our annual campout featuring Ron Libby. The weekend was a sell-out right away, with guests from Canada, Buffalo, Utica, and Syracuse. Woodstream Campground in Gainsville is a great place for the whole family with fishing in East Koy Creek, a trampoline for the children, swimming, and sightseeing at Letchworth State Park. Campers enjoyed C-1 dancing with star tips, workshops, happy hour, potluck supper, and campfires. Most of us will be back for more at the campout next year: June 6, Woodstream campground, and Ron Libby!

On Saturday, June 27, all Rollaways and A-2 dancers are invited to the SASDA Ross Howell Dance in Syracuse held at Transfiguration Church on Teall Avenue. The level is C-1 with star tips in the afternoon, 1-4 pm, and A-2 in the evening, 8-11 pm. Cost is \$5 for each session, or \$9 for both.

## Swingin' Eights

On Friday, June 5th, we wrap up another fine Swingin' Eights winter-spring season with our Trail's End Dinner Dance at the Ukrainian Civic Center. The Kleins and the Winnicks have joined the Prados and Sheplers on the party committee. With a theme of Holidays of the Year the festivities will be tabbed Hoopla Holidays and will start at 6:30 PM. Those who wish to help make this a really BIG event may bring an elephant (white elephant, that is) to be given to some lucky (?) person. Also, if any plans develop for a Swingin' Eights summer picnic, they will be announced at the party.

For some Swingin' Eights summer means golf, tennis, boating, swimming or fishing. Some will mix in some dancing at camping weekends. For those who wish to upgrade their dancing skills, there are workshops available in the area. Our own class, which didn't start until January this year, will continue working on basics during the summer to be ready for early fall graduation. All tanned and rested we will start our fall season on Saturday, Sept. 12th at Ivan Green School. This will be a Pot-Luck Supper beginning at 6:30 PM with dancing to start at 8:00 PM.

Hopefully we will see you all at the Trail's End Dance, perchance during the summer, and again when we open up September 12th. Guests always welcome.

## Victor Swing-A-Longs

We plan to continue our Monday night dances through the summer months. From June 22 on, we will be at St. Patrick's School of Religion on High Street. It's easy to find--located right beside the school system. We hope to have lots of guests from clubs who are taking the summer off.

## Swinging Singles

Summertime and the livin' is easy with lots of activities and plenty of dancing. Singles continue to dance all summer long, and we cordially invite you to join us on Monday nights in Penfield. Jerry Carmen will be work shopping calls from the Plus 1 list throughout the summer.

We would like to express our appreciation again to Charlie Tucker and the Federation committee for the service award we received at D-O-R in May. It was a nice surprise and a very great honor. Thank you very much!

June's biggest event is the election of new officers on the 15th. Heartfelt thanks to the '80-81 officers for an excellent job, and good luck to the '81-82 crew! They will take office at an ice cream social on June 29 (for a sweet start on an exciting year!). On June 22, we welcome Jack Sadwick as guest caller, and the Libertis as guest cuers. Our formal dinner-dance will be on June 20, at Rund's.

July and August activities are beginning to shape up, but won't be finalized until the new board is installed. George Phillips has invited us to his cottage for a fun weekend on August 8-9. Thinking ahead to fall, our open house will probably be at the end of September. Other activities will be announced at the dances. Hope to see you there!

It has been a pleasure reporting for you this year. I hope my successor has as much fun. See you on the dance floor.

## Tecumseh Squares

A hearty welcome to our graduates, and to all graduates to square dancing. You and all square dancers are welcome at Tecumseh Squares every Tuesday evening all summer long to have fun and at the same time maintain and improve your dancing skills. We dance at air-conditioned and attractive Red Men's Party House, 1001 Lexington Avenue near Mt. Read. Squares are called by Bruce Shaw from 8:00-10:30. From 7:30-8:00 Mike and Linda Liberti have a rounds workshop, and they cue rounds between tips from 8:00-10:30.

Highlighting our summer schedule are our traditional specials: Our Strawberry Festival with biscuits, strawberries and whipped cream is on June 30th. Three weeks later, on July 21st, our Sundaes Tuesday special will feature generous portions of ice cream and delicious toppings. August 11th brings Watermelon Night as well as guest caller Dick Casper. August 4th will bring Jerry Carmen to our floor calling squares for us once again. For more information see our ad in this issue or call the number listed below.

Club members will enjoy a family picnic on June 14th at 1 PM at Hamlin Beach State Park--the West shelter near Parking Lot #3. Your newsletter has more details--or contact Lois Berke, our committee head.

Thanks to all who participated in our successful tag sale, and to all who made our May 19th Gourmet Dessert Night possible.

September will be Open House time--time to introduce friends and relatives and anyone interested to the fine activity. Watch this space in the September issue for information on when in September our Open House will be. Until then, have a good summer and keep on dancing.

## Triggers

Everyone enjoyed our annual Spring Fling on May 12th. We were glad some former members were able to join our celebration. The dancing and talent were as abundant as usual. It was quite a way to end our regular dancing season.

Our next event is the Family Picnic on June 6th at Hamlin Beach. It will be from 4-10 PM at Area #3. Barb and Ed Cuthbert are in charge of it, so contact them if you have any questions.

The Triggers were extremely proud of Peg and Myron Huss receiving the "Daphne & Norma Leadership Award" at DANCE O RAMA on May 2nd. It is an honor they are very deserving of. Without their dedication and love of dance, many of us would not be square dancing today. Congratulations, Peg and Myron.

Triggers will not be having summer dances this year. The Club will start on Sept. 15th. An Open House is planned for September 24th at English Village School from 8:00-10:30 PM. Remember to start checking with friends and relatives for anyone interested in learning Square Dancing.

A Couples Picnic is scheduled for Sept. 26th at Hamlin Beach, save the date. You will receive more information about it.

Have a pleasant summer.

## Wayne Westerners

Thanks to all our club members, our annual Apple Blossom Dance, held on May 15th, was a huge success. The caller, Jimmie Lee, from Ontario, Canada, and Dottie Reed who cued rounds, are to be congratulated for a job well done. By the time you read this article we will have had our Trail End Dinner at the beautiful Rowntowner Motor Inn in Newark. Square dancing around an indoor pool was quite an experience.

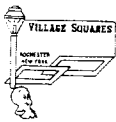

There will be no dances in June, but don't forget our picnic and square dance on July 16, which will be held at Formans Park in Pultneyville, N.Y. Please try to attend.

Keep in mind our camping weekend, held at Sampson State Park on August 7-8-9. This is a great time for club members and their families to get together and really live it up. Please contact our president Frank Clark for details and reservations on the camping weekend.

Since we're coming to the end of another square dance season (although many members will dance during the summer) I would like to take this time to thank our club caller, Jeff Elmore, and his wife Sally, for all their help and patience they've given us, not to mention the participation from all the officers and club members who have made Williamson Primary School a fun place to be on Thursday nights. Looking forward to our new class in September and wishing everyone a safe and happy summer.

## Village Squares

June 1st begins our summer workshop. It sounds like an enjoyable schedule with several special evenings. The workshop will be from June 1st until August 17th, and it includes M+1 and M+2 calls.

We will start off the summer with Hots & Kraut for everyone on June 1st. June 15th will be T-shirt night. July 13th will be Sundae Monday. So come and have a sundae with us. Then on July 27th we are having a Box Dessert Auction. On August 17th we have a very special evening! Ask any Village Square about this one!

We are glad to have Bob & Bunny DuMond back with us. July 25th is Village Squares Picnic at Powder Mill Park at Rand Lodge. A big thanks to Don and Monica Widley for taking charge of the Trail End Dance. Everything was great, and the white elephant auction was a lot of fun.

Now that you have all enjoyed the summer and square dancing activities, we must look forward to fall--and Open House. Ours is September 15 and 22. We hope that during the summer you will tell your friends how much fun Square Dancing is, and bring them with you to Open House. For all club members--our first dance is Sept. 14.

We do hope everyone has a most pleasant summer. Thanks to everyone who puts the PROMENADER together. We think they have done a great job, and hope they enjoy the summer months.

Also, thanks to A.J. and Aileen Leonard for being chairman of Decorations at DANCE O RAMA. Along with all the couples who helped them, they did a fine job.

## Wyco Promenaders

I think most of the classes have graduated and will be joining us in dancing. Our club has elected and installed our new officers. They are: President Dick & Dottie Steiner; Vice president, Bob & Dolly Johnson; Secretary, Jim & Betty Kruppner; and Treasurer, Zane & Emma Jean Reed. We wish them the best of luck in the coming year.

With the nice weather it's been great for traveling. A group of us went to West Seneca to the Swinging Eights and had a great time dancing to Harry Slocum. His jokes are something else. We also brought our banner back that they had stolen. Many Wyco dancers went to Dalton on April 25th for their Monte Carlo dance nite. Everyone had a good time--this is always a fun nite! On April 25th we, your reporters, went to Henrietta Friendship Swingers for their graduation. Our daughter and son-in-law graduated with a large class taught by Ron Fotch. It was really another fun nite with Ron, as always.

A group went to the Tulip Festival in Holland on Saturday nite, May 9th. We had a great time with our own Chip Kellogg, Steve Crowley, and Dick Shimburski calling. As usual the callers did a great job and everyone had a super time.

With summer coming, dancing will be slowing down--but we will be dancing some this summer. For information please call 237-3178. Have a nice summer and don't stop dancing. Check the PROMENADER for summer weekends and dances.
