SQUARE DANCE

Editor's Note:

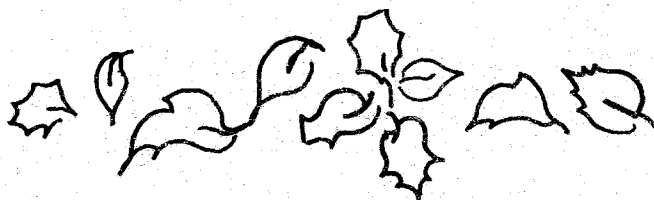

This month seems to be a good time to acquaint you with some of the square dance magazines that are known nationally. We subscribe to three so we'll start with them. Look for subscription information in this issue.

AMERICAN

SQUAREDANCE is the national magazine with the swinging lines published and edited by Stan and Cathie Burdick, Huron, Ohio. This magazine is full of new ideas and interesting features covering the whole square dance scene. Stan is a traveling caller, Meanderin' Stan, who makes dates all over the United States and writes about it monthly. Stan has been the featured caller at Boots 'n Slippers several times. He has many subscription dances that are fun for clubs and also promote his magazine.

The **NEW ENGLAND CALLER** is edited and published by Charlie Baldwin, recently ushered into the Square Dance Hall of Fame. New England is a hotbed of square dancing, and Charlie Baldwin and the **NEW ENGLAND CALLER** both played a major role in the growth of dancing in that area. If you serve on the board of your club you may find new ideas there by noting what other clubs are doing. It is great to have a copy when traveling in New England where the dancing is excellent and the dancers friendly.

continued next column

SQUARE DANCING, the official magazine of the Sets In Order American Square Dance Society has a wealth of information for dancers and callers alike covering every subject in this activity. Membership in the Society entitles you to the magazine and to new Square Dance LP Documentary square dance records. This magazine, out of California with Bob Osgood, editor, was known for many years as Sets In Order. It covers the whole square dance movement coast to coast. In the September issue we found a picture of our Federation booklet for promoting square dancing, a feature on Red Bates in its workshop pages, and a picture of Tom Trainor in an ad for Mountain Records. Tom was caller for Swingin' 8's for years; Red Bates from Massachusetts has often called here at festivals and special dances. This issue also included an illustrated Basic Handbook of Square Dancing endorsed by Callerlab.

Presidents. We hope you will promote **PROMENADER** in your club, and also give your class members an opportunity to subscribe.

Reporters. The deadline for the November issue is October 10. We hope you will include your club level if it is higher than Mainstream. Postal regulations for Third Class Bulk Mail forbid any mention of raffles, games of chance, or 50-50s, so please omit any reference to this sort of thing in your club news or ads.

Happy dancing,

Doris and Russ Jenkins

SEATTLE '81

The 30th National Square Dance Convention registered in excess of twenty-seven thousand dancers, however cancellation requests have taken their toll and the Convention goes on record with an official registration total of 24,379. Washington had 8461 dancers in attendance, California had 4736, and Oregon sent 1793. Numbers were well below the thousand mark after that with 116 registered from New York. 8 provinces of Canada were represented as were 16 foreign countries.

There were 2,946 At-the-Door registrations, unbelievably this included dancers from all States with the exception of Alabama and West Virginia. Additional statistics obtained from registration forms: 10,275 persons indicated they had attended previous National Conventions and 697 indicated a desire to be programmed in some phase of the Convention. There were 1,164 requests for RV space and/or information and 5,051 requests for housing. 737 Cookbooks and 8,645 Program Books were ordered. 277 persons registered on Register-A-Friend registration forms which were mailed with confirmations. Totals include 1,207 Teen and Pre-Teen and 2,590 Solo dancers.

Music for October: Oct. 1, Overacker Corners; Oct. 8, Tompkin Country Horseflies; Oct. 15, Geneseo String Band; Oct. 22, Blackthorn Ceilidh Band; Oct. 29, Sandy Bradley's Friends; Nov. 1, Overacker Corners.

Country Dancers have enjoyed seeing some club square dancers at our programs--more often those from Country Twirlers, Cloverleaves, and Swinging Singles. Come again! Many others of you came into our contra hall at DANCE O RAMA to hear Ted Sannella and our live music. I hope you had the courage to dance too--some of you did. Perhaps you would like to try our group some evening as a change of pace. Starting this month I will try to remember to mark the dances that will probably have "better" teaching, (K) --not all callers TEACH well. While none of our dances can be termed "workshops" or "classes" we always walk through all dances and teach the vocabulary that proves bothersome. So much depends on the ratio of newcomers to oldtimers. Do feel free to come to any of our dances. Be prepared for the differences that occur due to our different callers and different bands. While most of our dances are about 80% in contra formation, with some traditional squares and couple dances thrown in for variety, we do have other specialized evenings. Tom Bohrer, one of our regular callers, generally calls English country dances which have a very different styling and type of music.

This month we will also be lucky to have a return engagement by Sandy Bradley--a rapid fired, dynamic, non-stop styled traditional Western square dance caller from Seattle. She is travelling the Eastern coast with her own musical group doing concerts as well as dances. I guarantee anyone who dances with her will accumulate their aerobic points for the week! I recommend her for those with energy to burn as well as to understand the roots of our Modern Square Dance movement. The music will be fabulous! (Sandy is an auctioneer, which should give you some idea of her delivery.)

My husband, Ed Butenhof, has become a traveling caller. Last May, during our trip to England, he had a chance to call a traditional dance in Kent with Jack Hamilton of the Southerners Band. We found lots of interest in contra dancing there. Ed also was guest caller for Tony Parkes summer dance series in Concord, Massachusetts, one evening in August and had a delightful time calling to the superb music of the Yankee Ingenuity Band. The music in New England gets better and better.

Howdy! Miss me? I'm a little late this year. I've been, how the golfers say, not up to par.

I must have hurt my knee when I fell off the bar stool. I was singing "Prosit" for the fourteenth time, when suddenly the Bar moved. The bartender said it didn't move. What does he know with his head in the cash register. That Bar moved, why else would I fall off a bar stool?

Now actually I didn't know I had hurt my knee until I went to the doctor about a nagging cough. He said I had knee-monia!

Well, so much for my ailment.

One of the new members asked, "Who is the Square a Round Town?" Well, I'm just an ordinary city feller, who doesn't dance too well. (that's putting it mildly) I went thru class four times. Not really, but Art Harris said it seemed like it.

Taking advantage of the fact that other dancers would try to avoid dancing with me, I started charging 50¢ to stay out of their sets.

The Rochester Federation officers heard about this and investigated to see if the charge was right. They danced in a set with me and all agreed that it was well worth it to pay, rather than dance with me.

I asked what they thought was wrong with my dancing. Well, they just couldn't put their foot on it. Some said I danced too slow, others said I danced too fast, but most thought I danced half-fast.

Someone asked if I was going to raise my fee this year. No, I'm not. We have enough inflation. There is even inflation in the sets. Sets are getting larger. At the last dance we had five couples in the set or it seemed that way when "Grand Weave" was called.

The Callers are also getting on the band wagon. They say there should be two Callers to get some of those larger and inflated calls out. Such as "Rotate the Wheels" and "All Chase your Ends." Some say the "ends" are getting larger.

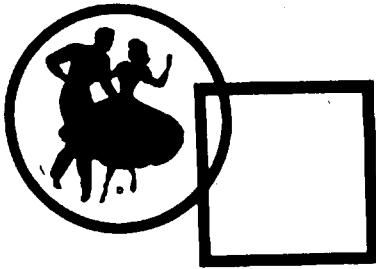

Even the latest Round dances have many inflated movements causing some of the dancers to wear athletic footwear. Gives them more bounce to the ounce. As for me I had to quit Round dancing. To quote Howie DeGraves, "You just don't have athletes feet."

Thanks anyway,
Hal Abberger

Notes from the Sept. 14 Federation Meeting:

President Bob Dailey introduced himself and other officers of the Federation. Among other reports, the annual subscription drive for the PROMENADER was explained by the editors, Russ and Doris Jenkins, while Paul Frost reported 1981 DANCE O RAMA expenses were \$3649 compared to income of \$3743.

Betty Duncan of the Promenading B's reported on arrangements to have square dance demonstration at Long Ridge Mall and Midtown Plaza during SQUARE DANCE WEEK, September 20-26. She agreed to coordinate demonstrations for the Federation for the rest of the 81-82 season. Reports were received on demonstrations at the Finger Lakes Race Track and on four nights at the Monroe County Fair with callers Bob Ellis, Ron Fotch, Mike Callahan, Chuck Prister, and Mike Harris.

The Perky Tucker Memorial Award was withdrawn by the committee in the interest of harmony in the square dance community. The VanDeusens thanked the Federation for the relish tray recognizing their service as subscription editor of the PROMENADER.

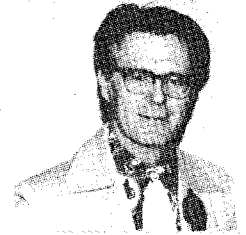

The Orleans Orbits requested and were granted Federation membership. Delegates were reminded that Federation dues of \$8.50 per club should be paid by Oct. 31.

CARMEN'S COLUMN

TWO-YEAR CLASSES

Thanks to those responding to the poll last month. Thanks also to those who took the time to write a letter expressing their opinions. I'll report the results in a future column.

I wonder if you took the time to read and think about what was being said in the CALLERLAB article in last month's PROMENADER? Are we turning out lop-sided dancers who enter the club scene half-prepared and frustrated? Does the pressure to perform take all the fun out of square dancing? Why else would so many people faithfully attend classes for 30 weeks and drop out of the square dance picture shortly after graduation? One of the problems of conducting a class is many clubs are expecting quantity. Dancers feel they are judged by how many calls they know rather than how well they dance them. How about it--is quantity better than quality?

I personally feel the square dance picture in Rochester would be much better if the clubs would require the callers to teach their classes to provide a balanced program and give them the time to do it. This includes styling, simple rounds, mixers, contras, and the basics from more than just a single set-up. Conduct each class like a club dance and give them time to have fun! To accomplish this why not try a two-year program? Start a new class every second year. Since most clubs like to consider themselves Plus 1 or 2, it seems a two-year program would fit in quite nicely. It would provide ample time to dance and become comfortable with almost the entire program. The second year would be just the right level for those drop-outs who want to get back dancing. Mathematically, it makes more sense, too. Currently, if we graduate 4 squares, we are lucky to see one square return in the fall. Now, what if we were to graduate 4 squares after two years and keep them for another 2 or 3 years? Of course, there are no guarantees, but can anyone come up with a better idea? If so, there are thirty or more clubs in Rochester and hundreds more throughout the country waiting to hear from you.

First of all we have a correction on the location of our dances. We are not dancing at the Hilton Community Center as we stated in the September PROMENADER. We are dancing at the Jonathan Underwood School, same as last year.

Our Kick-off dinner dance at Mother of Sorrows Hall on September 11th was a big success and enjoyed by all.

Our Open House will be October 2, at 8:30 PM. Classes will begin Friday, October 9th, at Jonathan Underwood School in Hilton with Jack Sadwick teaching. Let's have a good turnout. Talk up the fun of square dancing to your friends and bring them along with you on Friday nights.

Don't forget our Halloween Dance on October 30th. Get your costume ready. Mark your calendar for November 20th when Red Bates will be our guest caller.

That's all for now, see you in a square.

Cloverleaf Squares

The Cloverleaf Squares held their open houses on September 20th and 27. With both evenings being a success we are planning to have another fairly large class.

We invite anyone who would like to come and join us for an evening of fun with Mike Callahan calling and Mike and Linda Liberti cueing. We dance every Sunday at the Trinity Episcopal Church, 3450 W. Ridge Road, from 8:00-10:30. We hope you'll join us.

On September 5th the Cloverleafs and Singles had a joint five-year reunion at Mendon Ponds. The weather was a little damp and muggy but the food was great. We had our two star cooks working--Lash LaRue with his combination Oregon license plate and hamburger flipper, and Marty Poppins, alias Marty Allen, protecting himself and the fire from the rain with a large black umbrella, cooking half soggy, half char-broiled hamburgers. But the whole day was worth while in spite of the weather.

August 30 the Cloverleaf Squares participated in the demonstration at Finger Lakes Race Track with Bob Ellis who that evening was also guest caller for the club. He was well received and should be congratulated upon surviving the pranks of Lash LaRue.

September found our members back in the swing again with a good attendance at our dances. We extend an invitation to our guests to come and dance with us again. We enjoyed having you.

Our Round Dancers are polishing their steps and smoothly dancing to the cuing of the Libertis. Join us in October.

October 24 will be our Halloween Dance. Girls, bring your apparition, and guys, bring your specter, if desired. An imperceptible prize may be awarded. Come and See! December 19, 1981 Christmas Dance....more later.

B is for Busy--that's us. Besides the two National callers this month, we also have three Jim McQuade dances.

E is for Excitement and Expectation--that's what we have when we look forward to November when Mike Callahan will be on stage. See next month's PROMENADER.

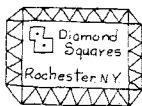

R is for Redmond--yup! Bud Redmond will be winding up the month for us by calling on October 31, and you know what that means. A real treat is in store for all who attend

It is with sadness that we mention the passing of one of our square dancing friends and a member of Country Twirlers, Dick Weber. Our sincere sympathy is extended to his wife, Betty, and family.

Guess that covers everything for this month. Please refer to the schedule in this PROMENADER for times and places of all our events.

Diamond Squares

We will have two special events in the near future. On October 28, we will be enjoying our Halloween Dance. On November 4th, we will be attending our Harvest Dinner Dance at the Green Lantern Inn, Fairport. Make reservations for dinner as soon as possible.

Our Fourth Anniversary Dance was such a huge success! The decorations and refreshments were super. The Pankratz's, Shippers, E. Johnstons, Neebs, and Ellis' went out ratzes, Shippers, E. Johnstons, Neebs, and Ellises went out of their way to make it such a festive occasion. Needless to say, a good time was had by all. We especially enjoyed the dancing dolls decorating the hall and the individual bouquets.

So good to have the Buechels and Limbecks back dancing with us again. A great time was had by all who accompanied Nancy and Bob to Nashville via Trailways. Such a fantastic town. Our appreciation to Mike Callahan for filling in.

Wanted Dottie Reed to know how much we enjoy her rounds at our Saturday Night Specials, and also during the month. A big welcome to all the dancers who attended our workshop and then joined the Diamond Squares!

The excitement and fun of Open House is now a memory, but our classes are very much with us. Be sure to volunteer your services as a friendly, helpful angel. New dancers seem to appreciate some support as they learn the new terms and calls.

We're looking forward to lots of good dancing this month. Our Apple Betty Dance is on October 14. We'll celebrate having Betty Fotch as our Caller's Honey, and we'll enjoy refreshments which have apples as part of the ingredients. If you have a red square dance costume, please wear it.

Halloween dress-up is optional for our Halloween Party on October 28. It's fun to be someone (or something) else for a few hours; so if you want to go all out--do it! We'll try to guess who you are!

Please be sure to mark Saturday, January 16, on your calendar so you won't miss our super Country-Western Celebrity Dance.

Glass Slippers dances are open to all club dancers. We do enjoy company, so come on out to Brockport soon.

Lima Grand Squares

Classes begin on October 2nd and will be open to new members through the 16th.

There's a Halloween party planned for the 23rd to include both class and club.

A little of October was put in September when the Lima Grand Squares, with Dick Casper calling, gave a demonstration at a local church Oktoberfest. This helped make our Open House a huge success.

We are looking forward to having Jeff Elmore as our guest caller on November 20th. Guests are always welcomed. We hope to see you real soon.

Merry Mixers

The Merry Mixers had a fantastic time at Bruce Shaw and Mike Callahan's Fling Fantastic in Niagara Falls, Canada. We met after work Friday, drove to Canada stopping for dinner on the way. After registering we danced and partied. Saturday we danced the entire day with more dancing Sunday morning. We left tired but happy. We had seen old friends and made new ones.

Tendonitis has forced Dolores Duffy to retire from square dancing. We'll miss having her with us every week.

October 26 is our Halloween Party. This year we would like to see everyone dressed properly for the evening.

Nomination of officers for 1982 will be November 2nd. Everyone is requested to attend and nominate your favorite or run for office yourself.

Morton Country Swingers

The Morton Country Swingers extend heartfelt thanks to Walt and Mertle Pound of the Promenading Bees for all the fine times they have given us. Walt and Mertle worked with Chip and Fran Wake arranging the July campout for square dancers at Ridge Campground. Walt has enlivened many of our dances and is our favorite Gorilla. Thanks to Walt and Mertle Pound and the Promenading Bees.

Plans and arrangements are being completed for the mixed doubles no tap Bowling Tournament sponsored by the Morton Country Swingers. The tournament will be held at Pleasure Lanes, Hilton, October 17 and 18.

This swinging Tournament is open to all Federation Clubs and other swingers wishing to participate. The Champions receive \$100 and a trophy. Other awards will also be worth bowling for. Deadline for entry is Oct. 10. Call Mike Mattern at 964-3231 for entries and information. The Grand Swinger invites all bowlers to enjoy the competition. The more the merrier.

December 5, 1981, is the date of the Annual Morton Country Swingers Christmas Bazaar to be held at the Hamlin VFW. Plan to enjoy dancing and the buffet prepared by the ladies. Make your selections from the display of gifts made available by the members of the Morton Country Swingers. The Grand Swinger welcomes class and club members to meet Santa Claus at the bazaar.

Genesee Dancers

Fun loving Genesee Dancers get a big kick out of everything connected with round and square and none the least of it is Trail Back shenanigans. There was a Big Group at the dinner, greeting good friends after a summer's hiatus, hearing stories about vacations and trips, and all part of becoming reacquainted. For example, Ginny and Ed Penczek spent their vacation in Hawaii squiring around the grandchildren. Lorraine and Graham Chamberlain were forever off running around the world in their Airstream. Elaine Roeder has plenty to tell after her three summer weeks in Red China. Plenty of Geneseeans were over at the Cooperstown dance weekend. The best news is what Cued Bob Slomcenski invented. You know the call Up and Back? The innovation is to Yellow Rock up and then step back. Bob's new idea is to step up and kiss and then back. Pretty good, don't you think?

So October is really getting into the fall swing. Don't fail to be present when one of Syracuse's very finest, Dick Schweitzer, takes the caller reins over from Mike Callahan on October 8. It's going to be just great. The Halloween Dance is also going to be special. Come in costume if you can and let's scare each other to death--and have a good time too. Halloween Dance--Oct. 29th.

Geneva Friendship Squares

Our big event of the summer was the Sauerkraut Festival in Phelps, NY. Our float, that many club members worked diligently on, took Second Prize. We thought it should have taken First Prize, but unfortunately we weren't the judges. Many thanks to everyone who worked and danced on the float. About fifty-eight couples square-danced in the evening to Chip Kellogg and round danced to cueing by Al Overslaugh. Weather-wise it was a beautiful evening, so everyone had a fun time.

We enjoy having guests at all of our dances, so hope to see many of you through the year.

Henrietta Friendship Sqs.

The season started off with a nice turnout at our Open House with lots of enthusiastic newcomers. Ron Fotch started them off explaining an Allemande Left and had them doing the Grand Square before the evening ended!

Congratulations to Ron Fotch who celebrated ten years of calling on September 20th with a big party at Bergen including a Roast!

The Yellow Rockers are planning an event on Saturday, October 3rd. They will meet at 5 PM at Wegman's parking lot (corner of Calkins and E. Henrietta Rd.), proceed to Medina for dinner at the Apple Grove Inn, and then dance with the Orleans Orbits at the Medina YMCA. Call 424-2354 for reservations and information.

The club sends sincere sympathy to Laurie Goff and her family upon the death of her father.

Orange paper, black paper, Jack-o-Lanterns, loud noises and weird sights will all be a part of our Annual Halloween Dance, Saturday, October 31st. Again this year Irondequoit Squares will be combining our energies and talents with the Swinging Eights. DECORATIONS (will probably scare the yell out of you), REFRESHMENTS (undoubtedly cider and donuts plus other goodies), COSTUMES (words will not describe them), PRIZES (selected by a panel of magical, scavenger, apple-bobbing judges) and much more. It is worth your while to bring your non-dancing friends to the party just to see the costumes--start getting ready now--it's always a surprise when the judges announce their decisions and we unmask.

Guest Caller Jim McQuade will be with us Saturday evening, October 17th. We have always had a fun night dancing when Jim was testing our dancing ability.

Did you read the President's Summer letter? He said we would need some of the old timers in the club to help with our Thursday night instruction group--we really wonder who that was meant for--not any of us that are so young of heart (but slow of foot).

Last camping outing weekend of October 9-10-11 at Hamlin Beach State Park--just a short drive for a weekend of fun--see the old wagon master for full details.

October will be a busy month for us--guests are most welcome--come join us at the Friendly Club--Irondequoit Squares.

After the summer recess, Singing Square members and friends really enjoyed the first few weeks of dancing and becoming reacquainted.

Many exciting and innovative events have been planned for the upcoming months, as well as some changes that have taken place.

In addition to our regular club caller, Mike Callahan, we are pleased to announce that Jerry Carmen will also be calling many of our dances. And as many are now aware, Al Howe has kindly agreed to come out of retirement to call several dances.

October 38th will be the annual Halloween dance with Mike Callahan calling squares and Mike and Linda Liberti cueing rounds. Word has it that many ghouls and goblins will be promenading through Walt Disney school that night.

Swinging Singles

Everyone is welcoming the cooler evenings now that fall
is approaching and the hot, humid summer nights are gradu-
ally fading from memory. The summer workshops are over,
and many who attended them have either learned new steps
or polished up on old ones.

The two nights of Open House were highly successful.
Congratulations to the publicity committee who painted up
the posters and distributed them throughout the area.
Classes are now in full swing under Jerry Carmen's teach-
ing.

Both new class members and club members are looking for
forward to the Halloween dance on October 26. The dance
will give both new and old members a chance to get to know
each other. If the costumes are anything like last year's
the Halloween dance this year will be a chance to catch
some people exercising their creative talents.

One of the difficulties of writing for the PROMENADER
is that the articles must be submitted by the 10th of the
preceding month. So at this writing we can only guess at
the results of our September activities. We assume that
the September 12th Potluck Supper dance produced a lot of
full tummies, a welcome reunion of friends, and a spirit-
ed resumption of our club activities. We anticipate that
the September 24th graduation of our class was a reward-
ing and fun-filled culmination of several months of de-
voted learning. Also, we write with the hope and expecta-
tion that our Open House on September 26th attracted a
large number of prospects for a new class to begin on
Thursday, October 1st, 7:30 to 9:45 PM at Pinegrove Rec-
reation Center, Pinegrove Ave., Irondequoit.

The big event of October will be our annual Halloween
dance, which we will again celebrate with the Irondequoit
Squares, this year at their club, the Rochester Christian
School, 260 Embury Road off Creek St., Penfield. You
remember the great costumes and all the laughs we have
had at previous Halloween parties. Let's do it again!
Wear something funny, scary, or unique--maybe win a prize.
October 31st is the date.

Welcome our class graduates, and guests, with friendli-
ness and smiles--and remember that the art of breaking
down gracefully can produce some of the best laughs.

Well! Here we are starting a new square dance season. Along with all the club members and myself, I'd like to encourage all the people who came to our Open House in September, to come to the classes for beginners that will be every Monday night at 7:30 PM at the Primary School on Highland Avenue in Williamson. For everyone who attended the camping weekend holiday hoedown in Campbell, NY, in August, I'd like to say thanks to Bob and Nancy Wright who were the Wagonmasters and provided us with a lot of fun and laughs. Chip Kellogg who called squares and Bob Slomcenski who cued rounds were great. Wish the whole club could have been there.

The potluck dinner we had on October 1st was no place to be if you're on a diet. All that good stuff to eat! "Oh well, I'll start dieting on Monday." Thank you members for making it a success. On October 8th we will have Mike Callahan as our guest caller, along with Dottie Reed cuing rounds. Our regular club dances will be held every Thursday night at 8 PM, but don't forget, the nights Dottie Reed is cuing rounds, the rounds will be at 7:30 PM. Hope everyone had a happy summer. I'm looking forward to seeing you all on Thursday nights.

Village Squares

Now that our Open House is over, we hope to see many new faces as classes begin. It was also nice to see everyone at our Welcome Back dance. After having a few weeks off it seems good to get back in the swing of Square Dancing!

Saturday, October 10th, will find Village Squares at Hazelwood Lodge in Ellison Park for the Annual Steak Roast. It will be from 12-10 PM.

We are looking forward to our Halloween Dance, which will be held Monday, October 26th, with Dick Casper calling. We want this year's dance to be extra special, so start thinking about costumes and see who can come up with the most original outfit. There will be lots of fun, prizes, food, etc., and we hope to see many of our old and new friends. I hear it's supposed to be a real thriller, so come join the fun. All club members are welcome. For the first time this year our new class members will be dancing with us.

Dues were due in September. If it accidentally slipped your mind, see Mike and Mary Jane.

A Big Thank You to the couples who were so kind to come out in the rain and dance at the Seneca Park Zoo. The Hernes, Wildeys, Mercers, Lou Trabalzi and Gail Hopkins were the brave ones.

Congratulations to Bob, Carol Schilling for winning the Big Deal at our last summer dance.

Orleans Orbits

Hello from Orleans Orbits. We're an old club with a new club caller and location. Joe Riley was our caller for years and we danced in Lyndonville. This year we have moved to the YMCA in Medina and will have Ron Fotch calling for us. We dance the 1st and 3rd Saturdays of the month from 8-11 PM. We are just off Route 31 on Pearl Street in the old armory. (Keep us in mind when you plan your club's next mystery ride!)

Being in the heart of Apple Country, on Sat. Oct. 3rd, we are holding a special dance--our first Apple-fest. We'll have cider, some special events, and even some surprises. So come on out and join us. Let's get acquainted.

It takes 32 beats to execute STAR THE ROUTE.

Please remember that these are the selections for the quarter beginning October 1, 1981. It does not mean that all clubs or all dancers must use the calls but rather, they are for groups that would like to try something extra. They should be workshoped before being used at any dance labeled Mainstream. Not all clubs enjoy or desire other than standard positioning.

The regular dancing season is underway with round and square dance classes also getting into high gear. Round dance classes are being held in Fairport on Wednesdays with the Copelands as cuers. So if you've thought about round dancing, now is a good time to take a spin. See the Copelands soon if you are interested.

If you know of anyone who may be interested in square dance classes, please let any Board member know and we'll take it from there. Or call the number below for information.

We're still looking for people who are willing to provide a skill or otherwise contribute their services so that club members (especially special event chairpersons) will know that you are interested in making the Web Spinners the greatest club around. Please let Shirley or I know and we will publish a composite listing.

By popular demand, Bill Wilcox has again agreed to provide a pre-dance workshop (7:45 PM) in the school cafeteria. This successful activity is great for loosening up rusted parts or for reviewing particular calls that you have otherwise missed or forgotten or whatever. This is for you, so come early and join the fun.

Club events for October sound very exciting. Dick Leger (National Caller) is scheduled to join us on October 23rd. We are sure a good time will be enjoyed by all who dance to this interesting and different caller.

The end of the month, October 30, brings us our first special event--Octoberfest. Details are still being worked at the moment, but indications are good that the committee efforts will provide us all with a most enjoyable event. Watch for announcements.

SQUARE DANCERS OF AMERICA

P. O. BOX 2., ALTADENA, CALIFORNIA 91001

1982 ENTRY

SQUARE THROUGH THE ROSES

Our booth at the National Square Dance Convention in Seattle was in a very good location, right next to the Detroit Convention pre-registration booth.

Friday evening, as in past conventions, we held an information panel. Over 150 dancers were in attendance viewing slides of float construction, the dancers before, during and after the parade, and the workers during the flowering of the float. Many questions were asked which we were able to answer.

The conclusion of the panel was the drawing for the dancers to dance on the float. They were picked by people out of the audience are: Walt & Sally Baschle, Rochester, N.Y.; Grady & Wanda Jones, Leesburg, Fla.; Romaine & Joanne Orth, Shell Rock, Iowa; Frank & Carrie Jones, Los Angeles, CA; Paul & Georgane Tacke, Westlake Village, California.

These names were announced by John Fogg during the ceremonies preceding the dancing in the stadium Saturday evening.

During the same ceremonies Ken Parker, on behalf of the Tournament of Roses Committee presented the Square Dancers of America a framed picture of the 1981 Float. Charles Naddeo accepted the picture on behalf of all square dancers.

The Grand Float Ball will be held at the South Gate Civic Auditorium December 27, 1981. Float decorating starts December 26th until finished.

Any one coming to Pasadena for the holidays and would like to work on the float, attend the Ball or would like seats for the Parade, write to Box 2., Altadena, CA 91001.

Support your float and buy a rose.
