VOL. XX, No. 2

ROCHESTER, NEW YORK

DEC/JAN 1982

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

*A very Merry Christmas
and a Happy New Year*

Editor's Note:

Editing the PROMENADER has been a rewarding experience involving us with you in the mainstream of western square dancing. An activity as large as square dancing is open to many tips and suggestions to avoid potential problems, and we have tried to use the PROMENADER as a vehicle for passing them on. We had planned to continue as editors until June but my health forced an earlier change. I hope to recuperate in Florida this winter.

We appreciate the support and encouragement of many individuals in the task of editing. First and foremost is John Fink, our high quality printer; our columnists: Hal Abberger, Jerry Carmen, Barb Butenhof, and Judy Wilcox. Club reporters--thanks again. Without your information we wouldn't have a paper.

Sincere good wishes to all our square dance friends for the holidays and all through the coming years.

D O R '82

SHARING is the theme of DANCE-O-RAMA, 1982. Rainbows will be the major decorating idea. Keep this in mind when thinking of the outfit you'll be wearing. With rainbows and your memorabilia, our dance halls should be both colorful and interesting this year. So gather up your mementos from past D-O-R dances, out-of-state dances, other country dances, and get them to us by April 15. Or you may phone us to let us know you intend to bring something we may hang up for all to see.

We have received some recipes for the Handbook but no sewing ideas or other helpful hints as yet. The deadline date for the Handbook ideas is February 15.

Please mail recipes, ideas, etc. Include your name and the name of the club you dance with. In return you may pick up a copy of the Handbook free at D-O-R, 1982. Saturday, May 1st, is the date. State University College of Brockport is the place.

Making a square dance dress? A good basic bodice pattern is a good beginning. Necklines can be made scoop, square, sweetheart, or whatever looks best on you, and can be put on same bodice. The sleeve, above all, should be comfortable--Star Thrus are difficult if your sleeve is too snug. A full skirt is best for pretty dancing. Circle, gored, or tiered--all are good! Many dresses can be made from one basic beginning; let your imagination go wild and have fun with all varieties of fabric and trims. Just be sure it's all wash and wear.

Do you want your partner's outfit to match yours? That can be a problem if you don't want to tackle a shirt. A tie in a color to match yours can be bought, or made from your fabric. Also take a white or plain colored shirt and make a yoke for the shirt from your fabric.

Enjoy your sewing. Feel free to call me if you need any help or have questions.

Happy dancing through the holidays,
Judy Wilcox 266-5720

This is the time of year when the clubs elect new officers and by the time you read this the elections will be over. Sooooo I wish to congratulate the losers and offer my condolences to the winners. Some clubs have only one slate of candidates. In one way it's a little unfair to the candidates, it doesn't give them a chance to lose! As for me, being very democratic, I must have a choice. Sooooo I voted for all of the wives.

This is the time of year that Santa Claus receives letters. Well, Santa isn't the only one. I receive letters too. The letters I get are a little different from Santas. Mine ask for advice instead of presents and my nickname, which is short for my last name, is "Abby." Sooooo...

Dear Abby: I would like to Round dance but my husband says he looks like a horse when he Round dances and won't dance with me. What can I do?
...(signed) A Frustrated Round Dancer

Dear Frustrated: "Enter him in the Kentucky Derby and dance with the jockey."

Dear Abby: My wife knitted me a square dance sweater. This was her first attempt and it came out beautiful except for one small part.. It has three sleeves! I would like to wear it to please her, but... any suggestions?"
...(signed) Trying to Please

Dear Pleaser: "Wear the third sleeve as a muffler. What if you do look like an octopus, at least she will be happy!"

Dear Abby: At the dance the other night, we were promenading when "Go Red Hot" was called. I did the call all right but when the girl on my right passed in front of me she stepped on my right foot. Is she supposed to step on my right foot or my left? It makes a difference, as I would not take time to polish that shoe.
...(signed) An Unpolished Dancer

Dear Unpolished: "Neither. Next time, trip her."

Dear Abby: Should a Caller be allowed to make funny noises while he is calling? It bothers us. Should we tell him?
...(signed) Bothered Dancers

Dear Bothered: "Don't tell him, tell his wife not to feed him beans on the night he is calling and everything will quiet down."

Thats all for now.

Thanks anyway,
Hal "Abby" Abberger

CLUB NEWS

Boots n' Slippers

Well, our Halloween dance/party is over with all the goblins, scary things and funny faces. How about those two monkeys on the bicycles weaving in and out of the sets, and the inter-sactum (?) all had to pass through with its corpse come alive, witch and ghost. We all had a good time and we congratulate our class members for so many coming to the lesson in costume. Real good spirit! Now comes the real busy season for everyone. Our pot luck supper with the class was a lot of fun and such good food. And of course our Red Bates dance was a real treat. Hope you all survived that big Thanksgiving dinner.

We are looking forward to our Christmas dance Dec. 18 with a \$2.00 gift exchange. Our class will be with us for this dance. Mike will be calling again for us for our New Year's Eve dance and buffet supper. This is a closed dance for club and class. Our big project is the Blizzard Ball on January 9, 1982, at Mother of Sorrows Hall. This has been a huge success the past years and we expect it to be bigger yet this year. All new classes of all clubs are invited. Come and dance with other class members. Also all club members are urged to come. We guarantee you will have a good time. Jerry Carmen will be calling. See ad for more information.

Guess that's all for us. It's been fun. New reporters will be taking over as we head for Florida.

CONTRA CORNER

Last month I wrote about the Contra Hall at National Conventions. As I read over the column I realized I had left out many square dance callers that are doing their best to include some traditional dances as part of the mainstream programming. While it is probable that Contras will do the same as Squares did back in the early 50's and divide into separate styles--both kinds, traditional and modern, meet the needs of their respective groups. Obviously groups that hold a series of classes can use more complicated material than dances that encourage inexperienced as well as experienced people to attend. The two schools of thought as to the way it should be--will be material for discussion at Convention clinics for years.

It is interesting to note, however, that some callers cross the line that seems to divide the groups. Jerry Helt from Ohio, and an excellent club caller I didn't mention last month, is calling for traditional groups. He has been a feature at Country Dancers several times. I was interested to hear that he called at Tony Parkes' group in Concord, Mass., this fall. Jerry has written some excellent contras that are becoming favorites in the traditional groups. It is great to see him accepted as a caller too.

Bob Howell, also from Ohio, had the chance of being on the Pinewoods staff this past summer as a Western caller for the American and English dance week. Ted Sannella did the New England traditional classes and together they handled a talk on the differences between the two. Bob did a great job (he had to work with live music the whole week) and a mixture of dancers with different backgrounds as well as first timers. A real challenge!

There are many camps about the country which are open to anybody. There are always some people with no dance experience--but usually many folk dancers (who travel as much as Club square dancers) and others with specialized interests in dance. Many of the dance weeks combine various types of dance, and campers select as many of the classes as they wish to attend.

Don Armstrong runs a Contra Thanksgiving Party in Binghamton, NY, each year which features contras but also includes squares, rounds, and easy couple dances in the true Lloyd Shaw tradition. It's a fun weekend and about half of the group, or more, are Club square dancers. All sessions with recorded music.

Ralph Page has camp events going throughout the year in or near Keene, NH. The Fall Camp after Labor Day always features Dick Leger as well as contras, and two folk dance groups. Evening parties include material from all the classes. Most sessions are with recorded music.

The Lloyd Shaw Foundation sponsors a Rocky Mountain Dance Week in July in Colorado. Many callers contribute their talents to the program. Classes include some for children, as families (and campers) are encouraged to attend.

My favorite camp, however, is Pinewoods. Sessions run all summer in the Cape Cod area between Buzzards Bay and Plymouth. The camp is run by the Country Song and Dance Society (membership \$20) and hold various kinds of dance and music sessions, including a family week. Ed and I have attended both the American Dance and Music Week and the American and English Dance Week. All sessions are with live music--and the musicians are the top ones in the country. Sandy Bradley, a caller as well as a musician, is often on staff--as is Claudio Buckwald (fiddle) who will be calling for Country Dancers on December 3.

If anyone wants more information about attending one of these camps, give me a ring.

Santa is coming to town, that's true,
Bringing Season's Greetings and joy,
Gloria Roth is coming, too,
With all her talent & vitality --- OH! BOY!

She'll be at Country Twirlers
On December 5 at 8:00,
So, mark those busy calendars,
You won't want to be late.

Speaking of busy calendars--Country Twirlers have one for December and January. December 12 is our Christmas Party, starting with a potluck supper at 6 o'clock at the First Baptist Church in Chili, with our enthusiastic class invited. We will return to Washington Irving School for the dance. New Year's Eve will be another big time when Jack Barnes will be our caller, again at First Baptist Church.

Moving into 1982, besides enjoying our regular Jim McQuade dances, we will have a special treat on January 23 when Jim will call an Old Timer's Night. That means old tunes and old calls. Last year's was a big success. And last, but by no means least, January 30 will feature Ernie Carviel on stage, with Joan Carviel doing the rounds.

We know you're all busy
With Christmas, and all -
But won't you PLEASE join us,
We always have a ball.

And so, in closing,
We just want to say -
We wish you the merriest,
And happiest Holiday.

Geneva Friendship Squares

Our Halloween Dance on October 23rd, was a very enjoyable evening of dancing with our invited guests from Magic Squares, Wayne Westerners, and the Cayuga Cutups. However, now that the ghosts and goblins are gone for this year, it is time to look ahead to what is coming up for the next two months.

In lieu of a class this year, our club is sponsoring an intermediate workshop for Mainstream Plus 1 and Plus 2. The workshop will start December 2, 1981, and will be for 20 weeks, every Wednesday night, 8:00-10:30 pm. Chip Kellogg will be the caller, and it will be held at the North Presbyterian Church, Geneva, NY. It will be open to all Western Square Dancers interested in renewing their skills as a dancer, and to those of you who desire reinforcement of the new calls, as recommended by Callerlab, being taught continuously at your club dances. For more information, call the number below.

Our only dance in December will be our Christmas Dance with a potluck dinner at 6:30 pm, on December 11.

We hope to see as many club members as possible to our January 8 dance as it will be our regular business meeting. We also have a club dance on January 22.

On behalf of the Friendship Squares of Geneva, we wish you all a very Merry Christmas and the best of everything in the New Year. We hope you will make a New Years Resolution to come dance with us in '82.

JAN. 1982--STAR SPECIALS

Country Dancers

Bands for December are: 3rd, By the Book (new name for Overacker Corners); 10th, Blackthorn Ceilidh Band; and 17th, Genesee River Band.

Eric Rounds has done a wonderful job for Country Dancers. He is now doing all our bookings as well as doing a fair amount of research on tunes for his band. He came to us from Knoxville, Tenn. where he was the prime motivator for the dance group in Jubilee Hall. He has had classical training as well as a rich heritage of Southern and New England dance music. It is a great privilege to hear him and his wife, Marcia Robeson, play on fiddle and recorder. We hope to have them again at DANCE O RAMA in the spring.

Because both December holidays fall on Thursday this year, we will not have dances. The folk dancers will have a New Year's Eve party to which Country Dancers have been invited. Barb and Ed Butenhof and Rich Castner will once again be celebrating in New England at Ralph Page's Year End Camp. Read Contra Corner for more information.

The CDR board meets early each month and will be deciding on a winter dance hall. Most probably we will remain at New Life Community Church in spite of possible parking problems. If you do decide to visit us--there is a fenced-in lot at the end of Rosedale for your use.

Eric, Ed, and Rich can sign Orlo's Silver Book, if you collect signatures.

Copy Cats

11/8 was a special day for Copy Cats and some guests as we were treated to a fun-filled afternoon of dancing and eating, by our most gracious host and hostess, Jim & Pearl Rathke. Chip Kellogg, good natured and patient as always, insisted we could dance what he called. It seems we may have finally done so. Anyway we laughed a lot and had a great time.

Diamond Squares

We had the usual large attendance at our Harvest Dinner dance. Ken Ford, Terry Veniskey, Joyce Dorrance, and Mike Ford were in charge of decorations, and what a beautiful job was done. Centerpieces made with apples were donated by the committee and later given as door prizes. Such a clever idea.

Congratulations to Marge & Hank Nasella, Bud & Nancy Lang, and Lenore & Jay Widener. They all have new grand babies in their families.

Our Christmas party will be on December 16th and not on the 23rd as previously announced. Nancy & Bud Lang and Georgia & Jim Powell are in charge of decorations. Our committee informed us that they are donating gifts that will be given to all who attend that dance.

We are all looking forward to our New Years Eve Party. Beverly & Walt Smith have moved to Arizona. We will miss them.

PLUS 1 - PLUS FUN

Our Beginners Club, meeting every Thursday evening at the Blossom Road, Brighton Reform Church, is really progressing well with instructor Bob Meagher pulling it all together. Club members are invited to visit with our new dancers at their Christmas Party and dance instruction session Thursday, December 17, 8 to 10:30 pm. Stop in-- should be an enjoyable evening.

How do you like some of the new music we dance to--we have violence on the South Side of Chicago with a man "meaner than a junkyard dog," fashion and comfort problems with our "Blue Jeans" and have you ever really listened to the words of Amos Moses? How can we have so much fun dancing to that song when he is having so much trouble? What ever happened to songs like Arkansas Traveler, Sourwood Mountain, Comin' Round the Mountain, etc. They don't write songs like that any more!

Still having trouble with Load the Boat? Don't let it bother you--check your May, 1967, PROMENADER (what do you mean, you don't have your copy handy)--way back then they asked dancers, in an unscientific poll, the question, "What is your opinion of Load the Boat?" Answers ranged from "lousy" to censored words, to "it will never sell." All these years, and some of us still haven't got that Boat Loaded.

Still time for reservations for the New Years Eve Gala. The Committee has been working very hard to make your evening welcoming 1982 a most enjoyable and memorable one.

Lots of good holiday dancing ahead--why not join us for an evening of fun at the Friendly Club--Irondequoit Squares.

Our club will have its traditional Christmas Potluck Dinner at 6:30 before the dance on December 19th. Just bring your own place setting and a dish to pass. Here is a good opportunity to meet our new class people, for they will be our guests at both the dinner and dance. Also bring a \$2 value gift marked for a Gent or a Lady for exchanging. Election of officers will also be held on December 19th, so we urge all members to attend.

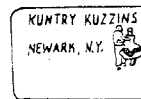

Four couples attended a Promenading B's dance in October and retrieved our long-lost banner. It was the decision of our Board, however, not to participate in the banner stealing henceforth.

It is not too early to be promoting our annual biggie--the Presidents Ball, a class level dance to be held on February 13th at Roth High School. It is always a super evening, so save the date and volunteer to help.

Happy Holidays to everyone!

Kuntry Kuzzins

Kuntry Kuzzins have four great dances coming in December and January, with four great callers:

- Dec. 12th Chip Kellogg -- Christmas dance
- Dec. 26th Bob Ellis
- Jan. 9th Dick Schweitzer
- Jan. 23rd Bob Schlenker

Dottie Reed will be cueing at all four of these dances. Come and join the fun. Visitors are always welcome at our happy Kuntry Kuzzins round and square dances. All dances are Saturday nights at 8:00 pm, Kelley School, in Newark, NY.

We all enjoyed our mystery dance, and Bruce Shaw in November, thank you Bruce for a fine dance and a good time by all.

Dottie and Jerry Reed continually draw the round dancing folks to all of our Kuntry Kuzzins dances. Many enjoy the round dance class on Monday nights with Dottie & Jerry Reed at Kelley School, Newark.

We have to go and buy some Christmas presents. Have a Merry Christmas and a Happy New Year.

Magic Squares

As of November 13, we have discontinued our regular club dances. Instead, the club has joined in with the class and dance Fridays 8-10:30, at class level. Visitors are welcome. Upon graduation of the class we will continue to dance on Friday nights.

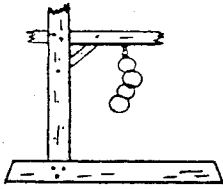

On December 18th, we are having our annual Christmas party. This should be a fun night for all: we will be exchanging gifts. Please mark you gift "boy" or "girl." We will have something extra for the kids, so bring your whole family along.

On October 16, six couples from the Village Squares, showed up to steal our banner. We hope to retrieve our banner real soon, so beware, Village Squares!

I hope everyone has a Merry Xmas and a happy New Year.

Genesee Dancers

It's hard to believe, but here we are, holiday time already. It means colorful excitement and festive dances. It's also the time for pats on the backs for our great Genesee Dancers Presidents Dick and Naomi Kingsley and their superb committees and officers as they wind down their year. And that year has been outstanding with those fine parties, special dances, and, of course, our big, once-in-a-lifetime, 25th Anniversary celebration. Makes for very nice memories.

Keep the holiday calendar posted on your refrigerator. The Christmas Party will be December 3rd. Mood enhancement begins at 6:30, dinner at 7:00, and dancing at 8:00. Someone said that Santa may show up. Next big deal is our guest caller, Chip Kellogg, on Dec. 10th. Chip always creates big fun at Genesee Dancers, so you won't want to miss this action.

Well, there's good news and there's bad news. The good news is that our injured member, Nelson Havens, is healing magnificently and will soon be back with us. The bad news is that we will be losing two dances--on Christmas Eve and New Years Eve--Thursdays. So have a great holiday and be ready for lots more wonderful squaring and rounding at Genesee Dancers in the New Year.

Glass Slippers

Carl and Mary Wass, Dick and Sue Palmateer, and I rode in great style in a "Surrey with the Fringe on Top" as the Glass Slippers shared in Brockport State's Homecoming parade. Our picture was on the front page of the *STYLUS*, the college newspaper. Ah, fame! Even though the wind was quite nippy, we had fun. It does make one appreciate the comfort of modern transportation--a car with a heater!

The Glass Slippers are very excited about the special dance we've planned for Saturday, January 16, when Joelle, the personable country-western D.J. will be our guest. For that night only we're moving to the Campus School (Cooper Center) on the corner of Adams and Kenyon Streets. Joelle is full of energy and fun, as you know if you've ever heard her doing her thing on radio station WNYR. We'd love to have a very big crowd to make Joelle feel welcome. Come and meet her, and us.

The Christmas party, on December 16, will begin at 6:30 with a tureen dinner for class and club members. It's also the night we'll elect our officers for 1982.

Many of us will be dancing out the old year with Ron and Betty Fotch. We wish each and every one of our square dancing friends a truly joyous holiday season.

Don't forget our Country-Western Celebrity dance on January 16. You'll have a great time.

Promenading B's

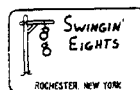

We were happy to see so many visitors at our Halloween Party. Tweety and Sylvester were there, along with the future Mrs. America and Friend (cute!); a couple of windows complete with shades (thought you forgot your costumes, Roger); Pinocchio was there, and how about that librarian! Was that Ron on the centerfold of your geography book, Betty? There were many, many terrific costumes in the Grand Parade--all were winners!

Keep January 22 open to dance to the calls of Joe Uebelacker, our guest caller from Buskirk, NY, who specializes in yodeling. Dancing will begin at 8:00 at Byron-Bergen Elementary School. This will be an opportunity for you to tap your toes and enjoy some very special country art. I, for one, won't miss it. Hope you can all be there too.

The Promenading B's will be having their club/class Christmas Dinner and Dance on December 18. At 8:00 all you square dancing friends are invited to join us for our last dance of 1981. But, we'll be back again on Jan. 8. Until then, the Promenading B's, Ron and Betty Fotch, wish you all a very Merry Christmas and a Happy New Year!

Swingin' Eights

Kick yourself if you didn't attend the Swingin' 8's/ Irondequoit Squares Halloween Dance. Those who did are \$100 richer, as an Arab oil sheik was dispensing \$100 bills. Other astonishing spectacles were a pair of walking totem poles, a 6'4" Boy Scout guiding a tottering old lady, a sexy cocktail waitress, a natty Love-boat captain, Indians, clowns, chefs, etc. Those bulging stomachs, observed later, were not pregnancies--they were tummies full of cider, donuts, cupcakes, and other tasties.

Helen Klein recently had a foot operation. The recovery period is not exactly painless, but we expect she will soon be back with new pep in her step. Speaking of injuries and illnesses, at Swingin' Eights something new has been added--a Sunshine Girl, Freida Tellier. If you know any Swingin' 8's who are ailing, give their names to Freida (671-4762). She and her cohorts will attempt to cheer up the sick ones. Please, guys, don't feign sickness just to get the Freida treatment.

Look at the special fun dances coming up in the next two months:

Swinging BB's

Swinging B's will have to dance with a livelier step this month in an effort to burn off some of the calories amassed after indulging in two exceptional feasts in November. Of course there was Thanksgiving Dinner, but in no way second to that was our Men's Potluck Supper on November 21. This celebrated annual event has become more of an experience in each passing year as the men endeavor to top their burnt offering from former years. Have you ever heard of Shrimp-on-a-Shingle? One man expressed the opinion that the women try harder at the succeeding dinners. Tell me about it!

Our Christmas Dinner Dance will be held December 12 with the Class invited to join us. It's always nice to see all the swirling red and green dresses.

Happy birthday to Paul Krebs this month. Happy Holiday Season to all, and may we enjoy a peaceful New Year. Information Reporter, Lois Logan 247-0938

Tecumseh Squares

A delicious, unhurried buffet dinner including roast beef, crisp browned potatoes, chef's salad and more, with home-made pies for dessert, awaits you on January 15, 1982, the date of our 11th Annual Midterm Ball. Square dancing for class and club dancers will follow with Bruce Shaw at the mike in our attractive hall at the Red Men's Party House. Dinner will be promptly at 7:00 with Happy Hour at 6:30, and dancing from 8:30-11:00. Admission is \$12 per couple for dinner and dancing, \$4 per couple for just the dance. There will be refreshments during the dance and surprise extras. Great care is being taken to assure an evening to be recalled with pleasure. To make reservations, call JoAnn at 342-6785 no later than January 8th. Other numbers where reservations may be made are in our ad in this issue.

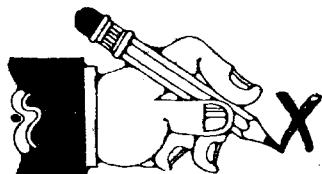

Other upcoming events include our Christmas Party on Dec. 15. Potluck is at 6:30, rounds at 7:30, squares at 8:00. Guests from other clubs are welcome to dance with us that night as they are any regular dance night. Guests are also welcome to bring a dish to pass and join us for the potluck supper.

On December 22, Jack Sadwick will call squares and Brian Adams will cue. December 29th we welcome back Dick Casper to call and Dottie Reed to cue. Young people--teens-- will be putting on a demonstration for us on Jan. 12th if plans work out, and, on Jan. 19th, a group of scouts will be on hand to observe square dancing.

Have joyful holidays this season. Hope to see you at the Midterm Ball on January 15th.

Singing Squares

We would first like to extend belated congratulations to club members Dan and Bonnie Raymond on the birth of their son, Robert. Robbie was born in September.

Christmas is soon approaching, and we will be holding our annual dinner-dance on December 16th at Thomas Edison School. This will be closed--members only. It is always very festive, as the hall will be decorated and gifts will be exchanged.

A new innovation this year is the International Dessert Nite to be held on January 20th. You are invited to bring a dessert of your nationality, and this will be in lieu of your admission to the dance. After the dance, all will have an opportunity to sample the dishes.

Those who have been patronizing the Singing Square dances, or the Wandering Squares as we now often consider ourselves, never really know where they will end up. But please, don't stop looking--we're dancing in the building--somewhere! Due to extra-curricular activities put on by Gates Recreation or the schools, we often find ourselves in a different area. But we are dancing! Please join us.

Swinging Singles

The months of December and January are full of square dance activities. On December 14, the Swinging Singles will welcome the Genesee Dancers and Swingin' Eights as guests; on January 11, the club will welcome the Triggers and the Singing Squares. There will be a class/club Christmas dance on Saturday, December 19. There is no dance on December 28.

The Swinging Singles and the Cloverleaves will join together for a New Year's dance on December 31 at the Trinity Episcopal Church. Amateur Callers' Night is scheduled for January 18. Hope to see some new faces.

The Swinging Singles wishes everyone a warm and cheerful holiday. I wonder if Santa and Mrs. Claus know how to Square Dance?

Triggers

We concluded November with a successful pie nite. Most of the Triggers are now dieting trying to work off the effects of the pie sampling so we can get ready for our Christmas party on Dec. 15th. Dinner is at 6:30. Everyone bring a covered dish and a place setting.

Following the Christmas dance we are taking a couple of weeks off before we get together for our New Years Eve Party at Aldersgate Church. In years past we have had a wonderful time dancing on New Years Eve and we plan to resume the tradition this year. Pot Luck Supper begins at 8:30. Come and join us! Guests are welcome but reservations are required. Contact Bob or Mary Speer at 467-8619 if you would like to join us.

In January we are going to give frustrated callers in our club a chance. We are having Amateur Nite on the 19th for anyone in the club who would like to lead us in their favorite call.

A reminder to all members that dues for the Spring Season are due on January 12. Our officers said it was just a coincidence that dues are being collected one week before Amateur Nite, but we wonder?

A blessed Christmas and a Happy, healthy New Year to you all from the Triggers.

By the time you receive this the snow may be flying, everyone will be singing Christmas Carols, and our club will be hustling and bustling with preparations for an exciting Christmas Party at Valley Echo. I'm sure it will be delightful as usual. It's always nice to be with your friends during the holidays. Our class will also be joining us, which is always a special treat.

We would like to thank everyone who works on the PROMENADER. You've done a fine job, and also our best to Russ.

Another thank you goes to our own Dick Casper and the officers this year. They have all worked hard and we appreciate all their efforts. So to Mike & Mary Jane Herne, Don & Monica Wildley, Lou Trabalzi & Gail Hopkins, Norm & Virginia Barchet, thanks for a job well done. To our Federation Representatives A.J. & Aileen Leonard and Dave & Joyce Smart, we thank you too.

Congratulations to Carl & Ida Bundschuk on their Special Night. You're a great couple and we all love you!

Our class is doing great. They seem to be enjoying their dancing as well as each other.

Jean Turner and Marg Reynolds did a bang-up job on our Halloween Party. Everyone was in costume and three couples won prizes--Lou Trabalzi and Gail Hopkins, Elmer & Dottie Pankratz, plus our own Mickey & Minnie Mouse from the class.

A very Merry Christmas and warmest regards to everyone in 1982.

We all had a great time with Jerry Carmen on November 6. We especially enjoy his mixers since they give us a chance to say "Hi" to everyone on the floor. Our dance was rather poorly attended by club members, but we were very pleased to have couples from Rochester and Sardinia to brighten up the crowd. Jim Kelly was in attendance and honored us by calling a set. We hope to see you all there again.

The Wyco Promenaders are planning on attending a Christmas dance given by the Pavilion Club on Dec. 16. After that we will be looking forward to hosting them at our biggie--our Valentine Dance. Don't forget! That dance will be on February 12th. And no snow please! Thanks for your attention. We look forward to meeting you all sometime in the future.

Wow, the Holiday Season is already upon us! Where does the time go? It seems that we've just started.

Our first guest night was such a success that we had to send out an SOS for a relief chuck wagon! Many thanks to all who made that evening most enjoyable, especially to all our guests. A Dick Leger night at the Web Spinners, as most of you know, is a memorable evening and this one was no exception. With an excellent attendance, everyone seemed to be having a great time. We hope you all know how to do your honors correctly now! And who will forget this years Octoberfest? Our ears are still ringing from the Schnitzelbank song, and the laughter from the innocent antics of Gordy and Sylvia. By the way, who were those foreigners with the funny suits and Southern Exposure? The Straubes always do a super job, but as John mentioned to us, they had one heck of a committee. Thanks gang!

December activities include a mystery dance which is still a mystery (obviously). That makes it fun, so save Dec. 4th for a fun night. Excellent chairpersons have been selected for both Christmas and New Years events, so when asked to help, try your best to accept. Your collective support will provide a good time for all. The new class will attend both events. Reservations are necessary for New Years as usual.

January will bring us Jerry Carmen as guest caller on the 8th, and our annual Beginners' Ball and Style Show on the 22nd, featuring Judy Wilcox. So plan for these events.

Congratulations go out to our own Bob Harloff for winning in the local elections. We know he will do his best in the political world as he has done for our club. Good luck, Bob.

Advance planning note - February 19th has been selected to recover our club banner from the Sno-Shufflers of Old Forge who recently visited us. You are needed to make it happen, so let the Magins know if you are interested.

Have a very enjoyable Holiday Season.
