Editor's Note:

It is with a heavy heart that I prepare this issue as my partner, best friend and husband is a patient at the Buffalo V. A. Medical Center. He has been there since March 1st and will most likely be in and out for the next six months. Nick is a Vietnam veteran and suffers from the delayed stress syndrome which is a serious nerve disorder. I would like to at this time thank each and every one of you who sent him cards and also for your prayers and letters. We certainly appreciate each one. Anyone who cares to send him a card can send it to:

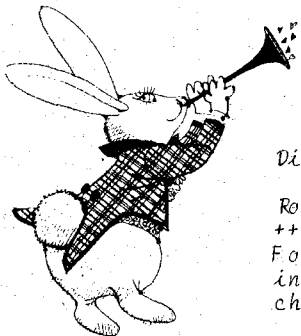

Nicholas Caputo 10-D
V. A. Medical Center
3495 Bailey Avenue
Buffalo, New York 14215

He will be coming home for weekends soon and will be on the dance floor. Thanx, again.

ROUND OF THE MONTH FOR APRIL

TENDERLY

GRENN

The Staff of the
PROMENADER wishes you
all a Happy Easter and
a Happy Spring!!!

Especially for the new dancers we will repeat some of the tips previously in the Promenader.

When making a gathered skirt with three tiers. DON'T use pattern pieces, it's a waste

of fabric, usually.

Measure your desired skirt length and figure the width of the three tiers, graduating each and allow for hem and seams.

EXAMPLE: Finished skirt is 22" long.

Top tier is 6" wide

Middle tier is 8" wide

Third tier is 14" wide

Cut the three tiers across the width of the fabric.

1½ widths for the top tier

3 widths for the middle tier

5 or 6 widths for bottom tier

Don't forget the waist band, too.

Four yards of 44" material will be enough to allow for extra length or error.

Happy sewing and dancing. If you have any questions or for more help, feel free to call me at the Ironda Shoppe.

Judy Wilcox
266-5720

(REPRINTED FROM APRIL, 1963)

Well, the Dance-O-Rama is nearly here. Hope you're going, I'll see you there. My fee is still the same for staying out of your set and as the fisherman said when the fish stole his last worm, "there will be no re-baits".

I went to Brockport College last week to get a preview of the ballrooms and to find the Rathskeller. You see, the Rathskeller is necessary to provide courage to my dancing.

Especially my round dancing. Speaking of round dancing, I often wondered, there is an unwritten rule about not walking out of a square dance set. But what about not walking out of a round dance before it is finished. The following happened to me. Ever happen to you?
Fran: Let's dance this round.

Me: I forgot how it starts, fishes and ah, that little part in between.

Fran: What a memory! Like an elephant, a dead one.

Me: Very funny. Whose turn is it to lead?

Fran: You can lead if you promise to take short steps.

Me: The last time I took short steps I stepped on myself.

Fran: You going to try this one no hands? Take your hands out of your pockets.

Me: I'm only trying to balance myself by putting an equal amount of change into each pocket.

Fran: Oh, let's dance.

Me: You're two beats behind.

Fran: If you would lose a little, I wouldn't have to go so far around.

Me: Well, pardon me, Miss Metrical.

Fran: You just stepped on my knee!

Me: Well, don't stoop.

Fran: Smile, they are all looking at us.

Me: Well, they won't learn anything.

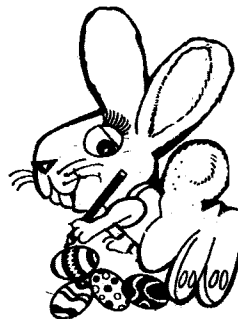

Fran: They will learn how not to...

Me: You're leading again!

Fran: Well, somebody has to...now you're two beats ahead.

Me: Look, you do a half a vine forward and I'll do a half a vine back, then we'll be even again...Fran, Frrann...where are you going? #\$\$&€*%#@ I didn't want to dance anyway, think I'll go to the Rathskeller.

Thanks anyway,
Hal Abberger

RULES FOR BANNER STEALING

1. Clubs wishing to take part in Banner Stealing, must register with the local Banner Stealing Association.
2. Those clubs registering with the Association, must have a miniature banner (travelling) that will be used for stealing.
3. In order to steal a member club's banner, the visiting (stealing club) club, must have no less than four (4) couples (one square), who have paid the guest fee at the host club.
4. In the event that more than one club is in attendance for the purpose of stealing the host club's banner, then it will be the duty of the President of the host club to determine some fair way in which to determine which of the visiting (stealing) clubs will be awarded the banner.
5. Once a club's banner has been stolen, that club may retrieve said banner by sending no less than four (4) couples to the stealing club's dance to retrieve their banner. If a retrieving club also wishes to be eligible to steal the banner of their hosts, they must then have a second four (4) couples in order to be eligible.
6. At no time can a member club allow any other club to take a banner belonging to another club. Also when a club steals a banner from another club, it is the receiving club's duty to safe guard at all times the banner they have stolen. If said banner has not been retrieved by the owning club within a reasonable period of time (three (3) months), the banner should be returned to the owning club.
7. Banner stealing shall be restricted to regular club dances only and does not include any special dances a club might hold and so designate.

CARMEN'S COLUMN

Carmen

So, you are a club officer or committee chairman and you have a job to be done. It would be so easy if only everyone did their part without a lot of fuss and all you had to do was to thank them for their help. However, how many times have you seen tasks and events poorly planned and coordinated - if anyone can be found to do them in the first place! Any successful event does not just happen, but is the result of careful planning and, most important, management of people. Here are some secrets revealed to you by planners of successful programs. Most appear obvious, but it is surprising how easily forgotten they are in practice.

HAVE A PLAN. Decide what your goals are and write them down. Having a visual reminder helps to keep you on the track.

TURN YOUR COMMITMENT INTO ACTION. You must be careful that your own enthusiasm for your pet project doesn't blind you to other people's reluctance. They may outwardly seem to agree with you, but actually do not. Speak individually to each person on your team. Give them a chance to express their doubts. Ask them specifically what they are willing to do and when they can do it. Put their commitment in writing and review it with them. Try to eliminate any loopholes through which people can duck out at the last minute. Remember also that it's easier to say YES than NO. They may not want to seem disagreeable, so they go along with your plans. It's up to YOU to make sure they really are committed and that their good intentions will turn into action.

COMMUNICATE. Your goals must be compatible with those of the group and you can only know this if you talk to them. You must also learn to listen and let others have their say, even if you don't agree. The best way to talk with others in your group is to have a meeting. Open meetings are the best because you do not omit anyone who has something to contribute. Don't be a "little Caesar" and have everything decided except who's going to do the work.

BE A DELEGATER. The most effective leaders delegate responsibilities and do not try to do everything themselves. List all the tasks that must be done and assign people to be responsible for doing them. The leader should try to keep in touch periodically to make sure things are progressing smoothly. Try to do this without the appearance of badgering.

BE PERSISTANT. So, you can't get anyone to volunteer. Ask people you think will do the job. If you are refused, do not take NO for an answer. Ask again the next dance or meeting, but in a different way so you do not seem like you are prodding. That person may have thought it over and, although they will not approach you, will say yes if asked again. Some require even longer to think about it and will say yes the third, fourth, or even fifth time you go around.

Dance Over The Rainbow

HI ALL- By the time you read this many of the clubs will have signed up to help us prepare, work at and clean up after D.O.R. We want to thank you in advance for all the suggestions and offers of help in preparing for this year's D.O.R. Ask you club Presidents what you can do to help, it is your dance. Local callers in the mainstream hall from 5 to 6:30 p.m.

The Contra Hall will have Jack Simmonds teaching beginner clogging from 3:30 to 4:30 p.m. and Ed Butenhof teaching beginner contras from 4:30 to 5:30 p.m.

Easy and Intermediate Rounds taught from 3 to 5 p.m. by the Reillys and a beautiful round demo by Doris and LeVerne at 9 p.m. in the Round Hall.

To wind up the day, Dave and Gloria will 'Pass the Mike' in the Mainstream Hall and 'Mo' and Clint in the Plus Hall.

Dining at D.O.R.: The Dining Hall is closer to Tuttle Complex, our dance halls, this year. We will be eating at Brockway Hall, follow the rainbow signs.

Belles & Beaus

April and signs of spring are busting out all over. Our friends who traveled to warmer climates are returning and those who remained here have weathered out a very unusual winter with the help of our favorite caller - Art Harris. We hope spring will bring relief to John Butler who was recently in St. Mary's Hospital with a bout of asthma.

Several members spent an evening taking pledges at the Channel 21 auction and reported it was different and fun.

Ah, yes, the Shamrock - that's a sign of Spring! and our annual St. Patrick's Day trip to Art's Club on Grand Island was a huge success. Our guest nights have been well attended and enjoyable. There is nothing like a big crowd to bring out the best in Art!

Let's not forget the Easter Bunny - he has been popping up all over town. A very Happy Easter to every one from Belles 'n Beaus members.

Talking about signs, we wonder if when we are in a strange hall, we should provide reading glasses for a couple of our members? or, Mary and Don, do you think pictures on the restroom doors would be sufficient?

Boots n' Slippers

Boots 'n' Slippers have many happy announcements. First, we would like to congratulate Chuck and Sandy Hurlburt. Their daughter, Kelly, recently received the Letter of Commendation from the Rochester Safety Council for reporting a house fire and then rescuing children from it while she was baby-sitting. Secondly, we extend many best wishes and much happiness to Bob Atwell and Shirley Centalo on their recent engagement. Word is that they will be married the first-----chance they get! Last, but certainly not least, we want to extend congratulations to Sid and Renee Galinsky. They finally mastered Pearly Shells and Tamara.

We would like to thank the Promenading B's for asking us to dance with them in February. We had a great time.

We look forward to dancing with Earl Turner on April 23rd. Come and dance with us.

Copy Cats

Was it an organized convoy or a rambling bunch of "lost" dancers? We'll never tell. Mystery Ride Dances are such fun!!!(?)

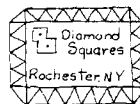

Thanks to all the Copy Cats who stayed for the general meeting. Our leaders are made stronger by dedicated club members.

NOTE 4-10-82 is DESSERT SOCIAL--ladies, hand over your aprons; these tasty delicacies must be prepared by the gentlemen. If they don't do it, they will be fined. Last year it was super delicious! We trust Terry will have a better grip on the cake plate this time. ALL CLASSES WELCOME. See if you can dance off as many calories as you can consume.

Some members are fighting colds and Joan Beaudin went one better and got pneumonia. We hope all are well and ready for dancing in April.

Many thanks to the DeTambles and Aylings for the decorations and planning for our Valentine Party.

All of our Hawaii travelers will have returned home by the time this goes to press. Wish we had gone with them!

EKC-O Squares

Hi!

We are will into Wednesday night dancing again and back up to our original home, Kodak Office. Bud Redmond is calling for the whole month of April, so come and enjoy his great calling and swing into Spring. Betty and Bert Wolcott are calling rounds at 7:30 every Wednesday to help you start the evening off on the right foot (or is that the left foot?). I'm not sure now; depends if you're leading or following, I guess.

Dagmar Dean is recovering at home from surgery and would enjoy hearing from all her square dance friends. Ken Wishau is back dancing after his operation. (Just sitting out once in a while.)

Has anyone seen Bill & Eileen Stockman, Don & Marion Saver or Bob & Marion VanBortel lately? If you do, why not tell them you miss not dancing with them at EKC-O Squares?

February was the annual Caller's Co-op and Federation Meeting and dance at the Green Lantern. According to everyone who attended, it was a successful and worthwhile meeting plus a lot of fun. Chuck & Gerry Prister did a great job in presenting a workshop on better communication between leaders and dancers.

So, let's thing Spring. Get out your pinks, blues, greens and yellows and let the Spring get in your feet and join us at EKC-O Squares for some great Spring Dancing.

Callers' Co-op

Our Leadership Conference that was held in February was a great success. One-hundred and fifty dancers representing twenty-four clubs in the Rochester area were present. Also, there were some square dancers from the Buffalo area.

Chuck Prister started off the conference with a talk on "Leadership" and "How to Lead". He said that leadership requires preparation, involvement, the experience of others and the ability to delegate. It is important to remember that to lead takes 30% applied common sense and 70% communication.

Gerry Prister, was next with her excellent talk on "Positive Ideas on How to Lead", such as:

1. Being on time to perform duties
 2. Have social committee welcome guests
 3. Organize things well in advance
 4. Keep the number of officers low
 5. Keep a notebook of problem solvers to pass on to the next officers
 6. Have a full membership meeting once a year
 7. Talk to the caller, discuss ideas
 8. Promote square dancing whenever possible
- Plus, ideas on angels, halls, classes and much, much more.

Herry Carmen concluded Caller's Co-op part of the program with his talk on "Levels" and "Sportsmanship in Square Dancing".

Next came the Federation's turn with a question and answer talk given by Bob and Maryln Dailey. "Waht is the purpose of the Federation?" Maryln asked Bob answered, "To promote square dancing, round dancing and contras in this area." "How do you do that?", Maryln asked. Bob answered, "By demonstrations, TV, papers, radio, banner stealing, dance-O-Rama, and the Promenader."

Next, Ron & Betty Fotch, Dance-O-Rama chair-people talked about this year's Dance-O-Rama. This year's theme is "Over the Rainbow". Ron urged the clubs to encourage all the new graduates to attend.

Then, the new editors of the Promenader, Nick and Arlene Caputo were introduced to everyone. They then proceeded to do a "Show & Tell" story-book presentation on the Promenader's 20th birthday with pictures and memorabilia collected over that period. Also, how the Promenader is put together from start to finish. Their program was very well done.

Then Mike Harris conducted an open discussion from the floor. After which, each club president was given printed information on leadership, lists of halls available in the area and the latest list of callers.

Happy Hour was next, then a Buffet Supper. After the supper the dancers were entertained by all the local callers and cuers in Caller's Co-op who attended the conference.

Through the combined effort of Caller's Co-op and the Federation, we had a very successful leadership conference.

P.S. Throughout the conference one thing was stressed - "that having FUN in square dancing is what we should all strive for".

-To all CCR Members: Please note: On Sunday, April 7th at the Covenant United Church - 2 p.m. we will have our CPR class conducted by Jody Mattice. Don't miss it.

See you around the squares,
Bob Meagher

Glass Slippers

Several of the Glass Slipper's dancers have been traveling to other clubs. Sometimes we visit by invitation. Sometimes we just get a group together and go. Either way, we've had a great time getting to know other dancers and callers.

Last month nine of us visited the Belles 'n Beaus. We had a fine evening of dancing which we plan to reciprocate soon.

On April 7th we hope to see everyone in as Easter bonnet. There'll be prizes so put your ideas on your head.

We have scheduled April 28th for the graduation of class members. Our class is very able and we are extremely proud of their progress.

Sue and Dick Palmateer, Mary and Carl Wass, Pat and Jim McTamney, Elsie Epke and George Burch did some exhibition square dancing before the Brockport Elk's Gong Show recently. No, we didn't get gonged!

Rose Marie Braddt's lovely afghan was won by Arlene Gerew and it was her birthday, too. Lucky Arlene!

Ron and Betty Fotch, the Slipper's caller and his Honey are up to their badges in preparation for the Dance-O-Rama coming to Brockport State College on May 1st. We're all looking forward to this opportunity to enjoy a grand afternoon and evening of dancing with hundreds of other dancers.

Sue and Dick Palmateer, along with Nancy and Roger Dart, are co-chairing the C.U.R.E. dance on April 3rd at the Churchville Sr. High School.

Save May 12th for the Slipper's Ice Cream Social.

Happy Easter to all our dancing friends.

Henrietta Friendship Squares

April brings two special dances for us. The 3rd will find us at our usual place enjoying Jeff Elmore as our guest caller. Let's all try to be there and give him a big Henrietta welcome.

April 24th will be graduation for seven couples. Ron & Betty make the evening very special and one you will always remember. We welcome you to our club and its activities. There will be many new friendships and much fun ahead for you in our world of square dancing.

A special reminder to all new graduates. Plan to attend D.O.R. in Brockport on May 1st. This is a full day of dancing to many different callers which will prove to be very enlightening.

We would like to wish each and every one of our many friends a very joyous Easter.

Information Reporters,
334-9580 Dick & Donna Generas

We welcome our new club members! The long awaited graduation is finally here and we are certain the graduates will pass their exams with honors. Congratulations to them and to Bob Meagher, their instructor, who prepared them so well. Thanks to the Richmans and Simmonds, club angels, and to the club members who helped out at class so faithfully.

The Valentine Dance will long be remembered by many of the new dancers in the area. The Bierres and their committee made it so with the beautiful decorations and delicious refreshments.

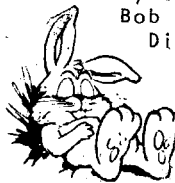

The guest nights in February and March were well represented by many clubs. The Irondequoit Squares thank all the guests for attending and hope all will come back and visit us again.

The sun-seekers are back and looking great. The Cocos cruised, the Nicolettis relaxed in Barbados and the VanBortels visited friends and sunned in Florida.

Don't forget Dance-O-Rama is May 1st.

Genesee Dancers

The Genesee Dancers say let's get more 'spring' in your steps, shake out those 'winter' kinks and turn out for the many exciting square and round dances available to all during spring and summer.

Our entire club congratulates Past Presidents Dave & Sue Ernst who are proud parents of a baby boy, Robert David, eight pounds, four ounces, born on St. Valentine's Day. Such an ideal date for this happy event!

Our April 1st pot luck dinner was a smashing success. The men were not "April Fools" because they did a great job serving and cleaning up - as well as showing us some of them are good cooks. Thanks, guys!

Our snowbirds will soon be returning from the south land. We really miss them and are eagerly anticipating their arrival.

Chuck Prister tells us the class is going great! We enjoyed having them at the Valentine's Dance and are looking forward to their graduation next month.

It's especially nice to have Helen Castor dancing with us again. We missed her while she was recuperating from surgery.

Be ready for something different at the Green Lantern this summer. Genesee Dancers and Mike Callahan will be offering Summer Workshops. More on this later.

That's the news for now and just remember; April dancers bring May prancers.

Country Dancers

Live music for the month includes: April 1st-Rural Valley Revelers from West Virginia with an evening of southern squares, big circle dances and contras. April 8th-New England Swing with an evening of the best squares and contras NE has to offer; (Two of the band members also play with the famed Applejack Band.) April 15th-Claudio Buchwald, Razor Lickers, Trumansburg; April 22nd-Skip Evans, Golden Link String Band; April 29th Ceidlen Beller.

One new addition to our program is a Buck and Wing Style clogging workshop held before the dance each week. Time 7 to 8 p.m., donation \$1. You are welcomed to join the class even if you don't stay for the dance. Dress is casual.... Bring your friends....it's early enough even for the kids. (No taps.)

Contra Corner

Problems always develop during periods of transition and Country Dancers seem to be phasing out of "being a club" towards being a community dance. The "group" isn't a group anymore and that fact has changed it's interest in Dance-0-Rama.

Once again, I must announce a change in what was a great plan for the contra hall. Ed and I were so smug about luring Tony Parkes to Rochester when plans were made last spring--and it was difficult for us to face the fact that changes were needed. The "officers" were reluctant about financing the band for D_0_R--and it did not look as if we'd have enough dancers participating to pay our part of the D_0_R budget. We face a turning point.

So? What about Dance-0-Rama '82? There will be a clogging workshop arranged by Betty & Ron Fotch in the Contra Hall. There CAN be contras with Ed Butenhof and Rich Castner calling (re-recorded music) if you want it. Ed is willing to do a 1½-2 hour workshop if interest is expressed from at least 20 couples. The accent would be on FUN--like your square dance classes. People who have danced with us before would pick up some styling hints--plus learning some new dances and improving your sense of timing. We would probably start the workshop right after the formal ceremony in the Main Hall. (The Workshop held in the Contra Hall, of course.) Since the schedule will not be on your program card we will have a sign near the registration desk. If we do hear from 40 people--others, of course, will be able to join us that night. It is now up to YOU!

Might I also add that CALLERLAB suggests all dancers be exposed to rounds and contras as part of their square dance education--which is part of the reason they suggest 40 lessons before graduation. Since most of our clubs are lucky to get even 30 lessons in before graduation, most new dancers learn very few rounds--and maybe only one or two contras. This would be an excellent way for any dancer that wishes to broaden their interest to do so in one evening. How about class teachers suggesting to their class graduates to try the mainstream halls in the afternoon--and then when their heads are a little tired--to try the contra hall. I promise that the music will put life back in your feet.

Now that the class season is coming to an end and new clubs

and clubs will be having parties to woo new members--suggest Dance-0-Rama this year. It's a wonderful festival!! It's a great time to dance squares to new voices--and experiment with rounds and contras. Do let us hear from you by April 18th and when we will have to let Ron Cole know our plans.

And--for those of you going to the National Convention in Detroit; Ed will be calling--and doing a two-hour workshop. National always has a full time contra hall--complete with after-parties. Barb Butenhof 244-1375

Once in a Lifetime

by Walt & Sally Baechle
EKC-O Squares

Our trip to California to be in the Rose Parade was like a dream come true. To most people the day after Christmas is a day to relax but for us it was an early departure for California. The 26th of December is when the California square dancers begin decorating the float which will represent the Square Dancers of America in the Tournament of Roses Parade in Pasadena on New Year's Day.

As soon as we arrived, we went into a busy schedule of fittings and practice sessions. The practice sessions are necessary to have the dancers familiarize themselves with the music and calls we would be dancing to and also to have everyone execute the basic steps the same way without extra flourishes or movements.

The float dancers were all honored guests at the Annual Rose Float Ball held on the 27th at South Gate Auditorium attended by over 750 dancers. Jim and Joyce Cullen from Putnam Valley, New York, dancers on the 1980 float and East Coast representatives for the Square Dancer's Float, assisted Bill Myrick as host and by taking pictures before and during the parade.

The first day of practice on the float was December 30th; this was also the first day of judging and all dancers quickly adjusted to dancing on the float. For the next day's judging, everyone had to be in their outfits they were to wear in the parade. We also got to see the many other floats being constructed in the same area. Seeing all the flowers and how they were used was quite fascinating. Our outfits were the result of a great cooperative effort starting with a donation for material from one of the clubs in Los Angeles. The dresses and shirts were designed and sewed by the Do-Sa-Do Shop; men's pants, Barbara's Western Wear, Los Angeles; ladie's shoes, Promenaders; and men's boots, Coast Shoes.

We were guests of the Square Dancers of America for a New Year's Eve dinner. This was our last meal until the end of the parade the next day. The men were presented with bolo ties and the ladies with pendants and earrings with a rose motif as gifts from Arona Enterprises. We all pledged, as we parted for a night's rest before the big event that we would pray that there would be no rain the next day. I'm certain that we, as well as millions of spectators, had our prayers answered because it stopped raining at six a.m. as we arrived at the float staging area. We all proceeded to check the sound system and dancing area to make sure everything was ready to go. When we decided everything was in good shape, we danced a few tips while we were waiting for the parade to start. Just after 8:30 we started moving toward the parade route; after a couple of stops we moved smoothly into our position in the parade. Our excitement reached a peak, which we maintained throughout the rest of the parade, as we made the turn on Colorado Boulevard. This was a thrilling experience for everyone as this is where the large crowd of viewers started. The two million spectators lining the parade route greeted us enthusiastically as we passed by. At the end of the parade they had a motor home waiting for us where we could rest, have lunch and change our clothes.

From there they drove us to the Rose Bowl for the game where we also saw Jimmy Stewart in person. We were able to see the parade on television that night. What a thrill to see ourselves dancing on national television.

We were staying a few more days in California so we had the opportunity to go back and dance

on the float the next day. All the floats are parked at Victory Park for three days and anyone with square dance outfits on can dance on the float. Our square dance friends, Kendricks and Betlems, originally from Rochester and now retired in Arizona came to meet us in California. We took them to see the float and also the Queen Mary in Long Beach. We then drove back to Phoenix with them to spend a week in Arizona and while there danced to Beryl Main and Bob Fisk. These two and a half weeks were an exciting and memorable experience we will always remember.

We wish to thank all dancers who enthusiastically supported the float fund by purchasing roses. We hope everyone will continue to participate in the support of this undertaking.

Many thanks to all of our club members for the finger foods which made a lovely refreshment table and to the decoration committee that made our Valentine Dance so festive. Also our thanks to all you dancers who came to dance with us and contributed to the Heart Fund. Charlie Valent did a super job of calling for the the 13 or 14 sets.

March was a busy month what with our St. Patrick's Day Dance and Mike Callahan Dance. All club members please note: Our April 23 dance is a business meeting and April 25th is our Bob Gambell Dance. We have been having many guests at our dances and that makes for a fun evening. Hope you all keep coming to dance with us.

Have a Happy Easter!

Morton Country Swingers

The March 26th "Swing INTO Spring" was a singing, swinging occasion. The St. Catherine's Pioneer Squares and all others enjoyed the singing calls of Ron Fotch. The Grand Swinger inspired the swinging during this international dance. The pies provided by the ladies of the Morton Country Swingers were a refreshing treat that completed the enjoyment of all in attendance.

An April Fool's Dance will take place on April 1st at the Morton Baptist Church at 7:30. The Grand Swinger says "Now that April Fool's Day is past, you're the biggest fool at last". If you don't attend this dance you are a coward and you will be declared a "Fool" for not swinging with the Grand Swinger.

Trail's End Hot Dog Roast is planned at the Morton Baptist Church on April 15th. The Morton Country Swingers will join with the graduation of our class at the Ginther School-Brockport on April 28th, 1982. We have swung, joyously, through another year and are looking forward to next year's dancing.

Thanks for the go to Morton Country Swingers Presidents, Mike & Helen Mattern, for their enthusiasm and leadership during difficult times. Ron & Betty Fotch complete another professional year of fine square dance calling. Thanks to Ron & Betty.

In the past month we've retrieved our traveling banners from Promenading B's and Spin 'n Wheels. We had a good time dancing with both clubs. Thanks to all who participated.

Thanks also to all who brought their wedding pictures to our Sweetheart Dance. It was fun to see all the different styles of dress and flowers and also to see how we all looked many years ago. Bet our caller was hoarse the next day. If you were there, you know why!!

(Anyone have a spare megaphone for sale?)

We have two regular dances in April. It was decided to combine our Graduation with Morton Country Swingers and Glass Slippers at the Ginther School in Brockport....April 28th.

Pioneer Squares

The Pioneer Squares were invited to the Iron-dequoit Squares' dance of February 20th and a very good time was had by all. Dancing to Jon McNally is always a treat!!

Our new club officers had their first business meeting in February and there was a good deal of impute from everyone. From all the reports we expect to have a very progressive year.

Ray & Dorothea Brayer are back from their cruise which took them to Italy, Greece and Africa. We're looking forward to seeing their pictures.

We all gathered at John & Marion Cosmano's home to cut, paste and glitter all those sham-rocks and leprechauns for our Shamrock Caper. 'Twas a wee bit of Ireland.

Our hospitality couple for March will be our Vice-Presidents, John & Marion Cosmano. They look forward to greeting our guests and making them feel at home.

Our dances for April will be on the 2nd, 16th and 30th. This hospitality couple for April will be us--Joe & Marie Watro.

He has called for us here in Rochester at the M.D. dances of a few years ago. He works as an administrator at the Madison-Onieda B.O.C.E.S., was a former engineer at General Electric. SHARING

DORIS & LeVERNE RIELLY... This will be the third time this talented couple from nearby Tonawanda, N.Y. has graced our round dance hall. LeVerne and Doris have taught at State, National and International Conventions. They have been featured in Sets in Order and Round Dancer magazines. They are charter members of the Frontier Leaders and Dancers Association and Round -A-Lab. They have four active round dance clubs and a basic class. Some of the rounds they have written the dances for are: "Moon Over Naples, So What's New, Hold Me, Third Man Theme, Yakity Sax, You Always Hurt the One You Love and All I Need is You". They are avid square dancers and believe that the goal of any dance is to have fun.

We were sorry to hear that TONY PARKS will not be with us in the Contra hall this year. ED BUTENHOF of Rochester, will call contras for us.

Singing Squares

Spring seems to finally be here and the Singing Squares are preparing for an Easter Dance on April 7th at Walt Disney School on Coldwater Road. We welcome all clubs and class members to come and join us for a night of squares and rounds under the direction of Jerry Carmen and Linda & Mike Liberti.

As of February, the club has undergone a few changes. First, Bill & Georgie Turner are our new Presidents (as well as Vice-Presidents) for the remainder of the year. They took the responsibility after the resignation of Sy and Kathy Berger. Secondly, no more of our dances will be held at Thomas Edison School on Buffalo Road. All dances not held at Walt Disney School will take place at the Gates=Chili Junior High School at 910 Wegman Road.

Dancing begins at 8:00 p.m.

Swinging Singles

Jerry Carmen's Irish singing calls added a special Irish charm and merriment to the March 15th St. Patrick's Day dance. Brian Adams and Jack Sadwisk, the Club's guest cuer and caller for March 29th provided a chance for both club and class members to dance to a different style.

The April 5th Hawaiian Night will give many dancers a chance to bombard the eyes with brightly colored shirts and the ladies will really floor the men with the flowers they will wear in their hair. I'm hoping someone will have the nerve to wear a grass skirt---woman OR man! The Club will be welcoming the Boots-

Swinging Singles, cont'd.

n-Slippers, the Promenading B's and the Pioneer Squares as guests on April 12th.

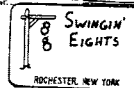

Come and see the fun on April 19th for "Anything Goes Night" and find out the weird things people will do for attention!!

Graduation is fast approaching and the club members are planning for the graduation festivities. The NEW club members will then have a chance to show off their skills at the May Dance-O-Rama.

Gary Hanley and Nancy Falls were married in February---CONGRATULATIONS!

Swingin' Eights

With spring weather approaching, we look forward to the continued enjoyment of dancing with our members and guests. In retrospect, those who attended our dance on February 27th enjoyed a special treat in the form of a delightful fashion show presented by Sally's Square Line. Our own lovely ladies and handsome gentlemen demonstrated the latest styles in beautiful square dance clothes.

With memories of fashion shows, St. Patrick's Day Sing-a-Long and other special dances now relegated to history, we are anticipating future happy events. On April 24th Jerry Carmen will be our guest caller. We welcome guests and hope we have a good turnout. Another joyous occasion will be graduation time for our class. This is always a special time for it represents growth and continuity in square dancing.

The first signs of spring bring out more square dancers. Glad to see old friends. We enjoyed the St. Patrick's Day Pot Luck Supper last month and also enjoyed having the class dance with us.

Our Happy Birthday wishes go to Dorothy Brunshidle (our caller's wife). She had a great trip to San Antonio, Texas to visit friends. She reports they had wonderful, warm weather and even sunshine!

Early in March, a Baby Shower was given at Mary and Al Howard's house for Lois and Harold Logan's expected grandchild. Lois and Harold have gone to Holland to be with their daughter until after their first grandchild is born.

Graduation for our class will be April 24th and our Trail End Dinner will be May 22nd. Information Reporter, 889-1866 Lois Logan

Tecumseh Squares

The "I Love Downtown" square and round dance demonstration was a huge success. Many thanks to all of the clubs who sent squares to dance to Bruce Shaw and the couples who round danced to Mike Liberti's cues. Thrity-seven couples participated and created a great deal of interest for square and round dancing in the Rochester area. If you know of anyone who is interested in square dancing, don't forget to get them involved whenever classes begin.

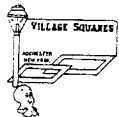

Dick Casper and Dottie Reed certainly were in rare form for our March 16th St. Patrick's Dance. Dottie's rounds kept the floor flowing smoothly and Dick finally found a few of the green men he has been looking for for so long.

Come join us for the fun on April 6th with Jack Sadwick calling squares. Mike and Linda Liberti will be on hand for the rounds.

We always enjoy seeing new faces and renewing old friendships. Please join us Tuesday evenings year-round.

Village Squares

With warm weather just around the corner, we knew Dick Casper would soon have to discard those red long-johns he had on the night Tecumseh stole his jeans. To the accompaniment of kazoos and Elmer Pankrat's boombass, we regrouped the troops and marched into Tecumseh to recapture our banner and the pants belonging to our "Friendly Ghost". So the Village Squares traveling banner is back home once again. We wonder how long it will remain there!

Everyone had a great time at our Valentine Party and we enjoyed having the class with us. The table at the pot-luck supper was groaning under a wide variety of goodies and we must have all gained weight that night from the looks of those heaping plates. We were especially pleased to have so many guests at the dance and we hope they will all come back again soon. It was another evening of really good dancing. Our thanks to Faye Lockner who was general chairman and to Marg Reynolds and her committee for the lovely decorations.

Graduation will be on Monday, April 19th, and the class is working hard for their big night. Let's have all the club members come out that night to welcome them into the club.

Saturday, April 24th, will be a very special night when once again the Group Therapy String Band will provide live music for our dancing pleasure. This was a huge success last year and you don't want to miss it. Be sure to mark your calendar and come out to dance to a very talented group with our own Dick Casper calling. Dick has worked with them many times and together they do a super job. Hope to see you there.

We had a great time at our fashion show and would like to THANK Lola for coming to our small town and being our "STAR" model. Also, we would like to thank the class and guests for coming.

Isn't it great to finally say good-bye to winter and hello to spring?

Be sure to keep May 14th open and plan on joining us for our annual Apple Blossom Dance.

P.S. If ever in need of an auctioneer, you can contact our very own Gil Marshall. He did an excellent job at our club auction!

Triggers

April is reunion month for the Triggers. We are welcoming back the Pierces and Britts from Florida and our Presidents, Ed and Barb Cuthbert from their trip to Germany and England. Ed went on business for Kodak and Barb joined him later.

We are also looking forward to dancing again with Len Hall and Fred Twietmeyer who were both on the disabled list in March. Personally since Fred's been out, we have had a tough time telling our right from our left without him to guide us.

This month's main event is an Easter Egg Hunt on April 6th. At this time we do not know the details, but judging by the committee's success on other events, you can be sure it will be a fun evening. Guests are welcome, so come and join us at 8:00 p.m. at Parkland School.

The Triggers are looking forward to two big events in May. Plans are well under way for our Spring Fling on May 11th. This has always been our big dance of the year so each of you Triggers and Trigger Alumni plan on joining us for an evening of fine food, fellowship and dancing.

Our next big event is a once in a lifetime special tribute to Pag and Myron Huss at Redmen's Party House on May 21st. We're sure that everyone in the world of Square Dancing will want to join us at this dinner dance honoring Pag and Myron Huss for their contribution to square dancing. So make your plans now to attend on May 21st. Everyone is welcome so bring your friends.

Remember this month we do not dance on April 13th (schools closed).

See you dancing!

It seems hardly possible that our regular dancing season is approaching an end. Time flies as the club has been very active.

Our special Valentine Dance was well attended and everyone seemed to have a good time - even the 'odd couple'. The Mascot was a popular attraction!

We had the opportunity to attend a Leadership Conference in Fairport along with other area clubs. This was interesting to us as current board members because we gained some good information on how to improve our club health. After the business meeting and buffet, the Callers Co-op served up a fine menu of their own with a couple hours of dancing. What a great way to see, meet and dance to a number of area callers.

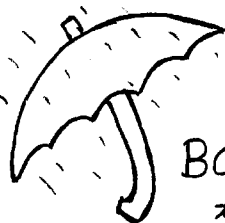

Our trip to Old Forge was very successful. Sixteen couples really enjoyed themselves. The Sno-Shufflers were a terrific host. Many thanks to the Piersons and Magins for early planning and also to the Magins for securing accommodations. For those who want to know how the skiers did, we have a local expert. All inquiries will be handled by Nelson Pett. Thanks, 'Nels', for being such a good sport. You really did good for the first time out. And let us not forget to contribute to a most enjoyable cause - the Sherry Pierson Kiss Collector Club. Sherry, our local collector, is an honorary member of the Sno-Shufflers. Everyone had so much fun it is thought that this will become an annual event. We hope so.

April activities start out on the 2nd with Bruce Shaw as guest caller. A special dance is planned for the 16th with a round dance segment being featured by Gordy and Sylvia. So, for all you round dancers, here is your chance to shine. Come one - come all. On the 23rd the Graduation Dance will be held, with our class ready to bust into the square dancing ranks. A regular dance is planned for the 30th.

Also, on April 3rd is the annual Leukemia Dance. This is a wonderful event for all, with proceeds going to a charitable cause. Let's support this one if you can. Looking ahead, Dance-O-Rama is scheduled for May 1st. This event is especially inspiring to new dancers.

In closing, we would like to extend our congratulations to the graduating class.

Our Valentine Dance was well attended and we wish to thank all club members for the door prizes, cakes and dishes of Jello. The decorations were plentiful and beautiful - a special thanks to Don & Pat Johns. I still can't believe it, but Dolly Johnson decorated each and every napkin, individually and by hand! We had dancers from the Which Way Whirlers, Tri County Squares, Cloverleaf Squares and the Dalton Gang. Many nice door prizes were offered and Jerry Carmen did his usual fine job of calling. Yes, it was a memorable night.

Before closing, I want to thank our friends from Sardinia for their warm hospitality when we attended their dance on a stormy February night. Steiners were stuck for an hour on the way home but finally managed to shovel their way on. In spite of the weather, we had a great time. The caller was excellent and the refreshments were, too.

We are looking forward to warmer weather for our April dances. Once the weather breaks, we expect a bigger turnout. It's been a tough winter. Remember to come early April 23rd for all that great food. See you then.

Which Way Whirlers

Happy Easter! Due to the school being closed for vacation, we are having only one dance this month. Jim Landon from Middleport will be our guest caller.

On March 17th we celebrated St. Patrick's Day by dancing to an Irish caller. Mike Callahan was our caller for the evening and everyone enjoyed a good time dancing with Mike.
