VOL. XX NO. 7

ROCHESTER, NEW YORK

JUNE-JULY-AUGUST, 1982

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

Dance-O-Rama

1982

Editor's Note:

Finally, the long, hot summer is here! In reflection, D-O-R was great! The PROMENADER thanks each and every one of you who could attend and we enjoyed meeting you all and dancing with many of you.

We also had a wonderful time at the Dick Leger dance at Country Twirlers on May 8th. Dick is certainly a great showman and we were pleased to see so many of the new graduates there. We're looking forward to trying to get to every Federation Club before the end of 1982 to dance with you and get to know all of you.

We especially urge the new club members to dance thru the summer. Dance at other clubs; dance to other callers and don't just dance with other new dancers. We all want to dance with you. Don't take square dancing too seriously. Even seasoned dancers and callers make mistakes. When square dancing is no longer fun then it's time to quit. No one should get mad when a set breaks down, that is part of the fun and the learning...and we never stop learning, whether it's square dancing or something else. Remember, be an angel and keep dancing. See you.

Congratulations to Rita and Orlo Hoadley - 1982 receivers of the Daphne-Norma Leadership Award.

When Orlo accepted the award he said he thought someone had made a huge mistake and he was sure there were others who had done more than they had and a small voice in the far back said "but not as quietly!". Rita said to me later that it was the first time in her life she was speechless. I don't know how much anyone else has done but I'm proud to know these folks and if you've ever been lucky enough to be a guest in their home then you know how sincere they are and how much they love square dancing. We love you, Rita and Orlo.

We hope everyone has a healthy, happy and safe summer and KEEP ON DANCIN'.

See you at the National in Detroit and in the Rochester area.

Your Editors,
Nick & Arlene

VICE PRESIDENTS' CORNER

Interest has developed in forming a square dance club primarily for retired persons who would like to square dance during the day at schools and shopping centers. The club would provide several advantages, not the least of which would be rent free halls and daytime dancing. It would also afford the opportunity to publicize western square and round dancing throughout the Greater Rochester area on a fairly consistent and regular basis, concomitantly providing the various shopping malls in the area with a ready made group of square dancers for demonstrations.

Past queries from schools and shopping centers indicate that, with a little promotion, this could become a very active fun type activity for seniors and anyone else with daytimes that are relatively free.

Accordingly, I am inviting all of you square dancers who might be interested in this to call me, as soon as possible, so that we can determine if there is sufficient interest for such a group. I can be reached during the day at 232-7272 and at night at 244-4038. A message can always be left on my answering device at either number if I am not in at the time of your call. Please call!!!

Federation Vice President

School closed. No dance. Stayed home and watched TV. One of the programs we watched was "The Guinness Book of Records".

Seeing this show gave Fran (my Taw) an idea. She said, "Why can't we get into the Guinness Book of Records?" I said, "I've already set a record by breaking down 22 consecutive sets". She said that it wasn't a record because Dick Casper, when dancing at the Genesee Club, broke down 24 sets. Boy, he's tough competition, I'm glad he became a caller.

Sooooo we decided to build a platform on top of a 40 foot flagpole and dance up there. This should set a record for the highest level of dancing.

The great day arrived, four couples were ready, but only three and a half couples passed the requirements to ascend the pole. The Judges rejected Fran! She forgot her petti-pants and they would not let her go up the pole.

Sooooo we decided to try for a Challenge course record. No good! I kept knocking down the hurdles while promenading and those tires weren't easy to dance thru, either. I finally gave up when I hurt my toe and I got Toe-Maine poisoning.

Sooooo now we thought we would try for the lowest level every danced. We went to Ray and Jane Ross's cottage, got a set together, got our snorkels, went into Conesus Lake and danced underwater. We figured this would be below C-Level, the lowest level you can go.

Our caller was Stan Levandowski, who, underwater looked like a Big-mouth Bass. We moved to the rhythm of the bubbles exiting from his mouth. Everything was going fine, we "Dived-thru", Star-fished thru" and made "Ocean Waves".

Then it happened, one of the spectators, a Northern Pike, thought we were good enough to eat and bit Marge Tracy on the thigh. Needles to say, it broke up the set. (P.S. This is true.)

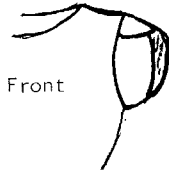

Sooooo we made a record after all. The only set ever to be broken up by a bite on the thigh. Well.....

Thanks anyway,
Hal Abberger

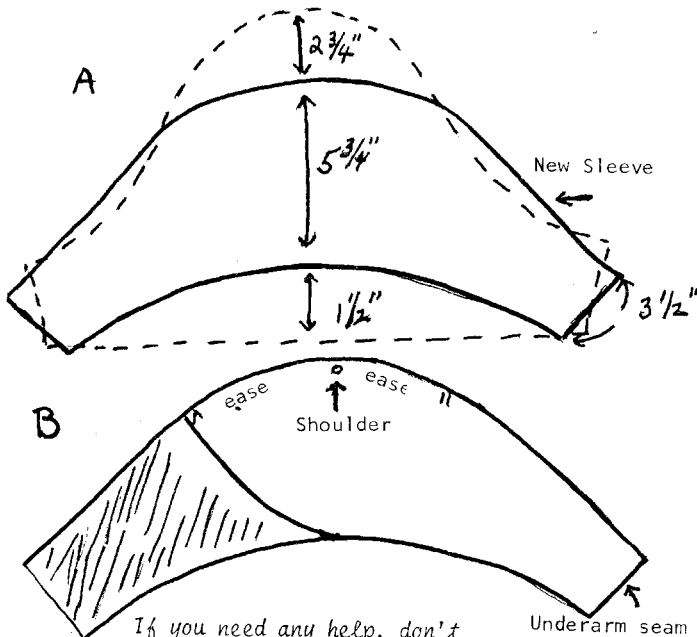

THE TULIP SLEEVE

by Judy Wilcox

For comfort in dancing, the tulip sleeve is very popular. To make the tulip sleeve, take your basic sleeve pattern and use it to alter into a cap sleeve per Diagram A. Use new sleeve to shape the tulip. Front and back are the same, Diagram B. Join at underarm seam and cross over so that the back comes over the front on the finished sleeve.

If you need any help, don't hesitate to call. 266-5720

D-O-R Wrap-Up '82

A month ago we had a super dance. Total attendance was 957. We along with you are looking forward to another good time next year at Dance-0-Rama. Betty and I want to express our thanks to everyone who help us set up, sell tickets and wray up the dance this year. When we asked for help, the Federation clubs came through and we appreciate your making our job an easy one.

A Special thanks to all the graduates for being in the Grande March. You really looked great out there and what a big group! And how about those wonderful cloggers! Rochester's finest, can't say enough about the Cedar Grove Cloggers. You will be remembered for a long, long time. You put on a great show and had a wonderful span of ages -- shows anyone can clog.

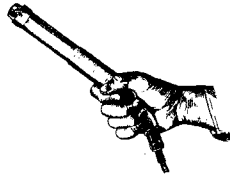

Congratulations to Orlo and Rita Hoadley. They were honored this year, being awarded the Leadership Trophy. Good choice, Myron and Peg Huss are a hard act to follow.

The dance with the "Rainbows" will be remembered...we hope with a smile. We asked you to share and you did not disappoint us--the new dancer felt wanted and we love you all for that. Rainbows are a sign of peach and happiness. We hope your days are filled with many beautiful rainbows. PEACE-

Ron & Betty

Caller Profile

Bud Hands

Shirley and I started Square and Round Dancing five years ago and have been active in all phases of Square Dancing. We are natives of Rochester and met while roller skating. In 1952 we were married. We have two boys and three grandchildren and live on Yorkshire Road in Irondequoit.

I am a metal fabricator at Eastman Kodak Co. Shirley works at Wards Natural Science.

In 1976 Shirley and I started dancing at Village Squares and later became officers in the club. We joined several other clubs and are now presently members of Shamrocks and Teddy Bears A-2 and C-1. We enjoy every level of dancing from Mainstream through Challenge.

Soon after we started dancing I started buying records and tried out calling on "Amateur Night". I have called for basement sessions, demos, senior citizen groups and have done some calling at club dances. I am a member of the Rochester Caller's Co-Op and will be attending Earl Johnston's Caller's College in Troy, New Hampshire this summer.

Shirley and I are avid campers and have enjoyed our trailer while traveling to many Square Dance Festivals throughout the eastern United States and Canada.

Square dancing has given us many new friends and enjoyable times and I am hoping my calling career will add to these pleasures.

CARMEN'S COLUMN

Jerry Carmen

Dear New Dancer,

By now most of you have graduated and probably have joined your sponsoring club or another club that your friends belong to. Chances are you had a wonderful time attending classes and even got a feeling of "family" with the many new friends you made. Now you are graduated and "cast upon the waters" to sink or swim - or so you may feel. You thought you were a pretty good dancer and knew all the calls, but suddenly that caller who has nurtured you along has become a different person behind the mike. It's bad enough you are thrown in with a lot of strangers who are, at best, tolerating your presence, but the calls are coming fast and furious and there are even a few you haven't heard before. You are embarrassed because you lose your direction often and break the square down (or so you think). Someone walks up to you after a tip and says, "If you can't dance, you shouldn't be here!"

For whatever comfort it is, we were all in your shoes at one time. It's just that some of us have forgotten. We stumbled, struggled, broke down squares and forgot which hand to use for a star thru. There are a lot of us out here rooting for you to make it, and by that I mean to persevere long enough to learn the basic calls well. In class you were introduced to the basic calls, but to really learn them you must dance them again and again and again, until you no longer have to think about what you are going to do. Your graduation was a beginning, not an end. Get out there and dance! Only by continuing to dance regularly can you improve your skills. I'm not saying you should go to workshops to learn more, but travel around and seek out the dances that permit you to practice what you have already been taught. If you find a group you feel comfortable with - stick with it.

Look for experienced dancers who want to help you. We're out here in great numbers and look forward to dancing with you and being your friend. Try to ignore the occasional sourpusses out there and confide in us if they bother you. If we have done our job, you will be back with us in the fall bringing your friends to an open house. And that's what it's all about.

Happy Dancing,
Jerry Carmen, and thousands of others

Callers' Co-op

First of all, Congratulations to Rita and Orlo Hoadley for receiving the "Daphne-Norma Leadership" Award for their involvement in square dancing, they truly deserve it. That makes three couples in Caller's Co-op who have received it. Chuck & Gerry Prister were awarded it the first year and Myron and Peg Huss last year.

I would say that this year's D-O-R was a great success, thanks to Betty & Ron Fotch who chaired it. Also, to all who helped in some way or another to make it a success. We had a nice turnout of new graduates and their instructors in the Grand March at the evening ceremony. Congratulations to them all for keeping square dancing alive.

Have you noticed the big interest in clogging these days? - 200 dancers plus at the D-O-R workshop given by Jack Simmonds, and that clogging demonstration by his "Cedargrove Cloggers" during the ceremony - WOW! - JUST GREAT!!

Dave Hass did an excellent job for us at our May 2nd meeting, it's just a shame that so many members had to miss it.

Jerry Carmen, who has been filling in as Co-Moderator has accepted the job for another year.

We would like to have a full membership at the next meeting - June 6th - Covenant Methodist Church - we will be planning next year's program, so come with your ideas as to what you want at these meetings.

And all you dancers out there, have a safe - fun-filled summer and, by all means, "keep dancing".

See you around the squares,
Bob Meagher

Editor's Note: We are in dire need of Caller Profiles. Please take the time during the summer to dash off a few paragraphs about yourself and send it to the Editor. We continue this column without material. The dancers to learn about the callers and look forward to read about you! Don't let them down.

Youth Corner

Attention: Square Dancers with children 7 years of age or older!! Care enough about your kids to share your love of square dancing with them? Keep them busy and share their growing up time with them. Get them into dancing this fall.

Swinging Squares

Swinging Squares will be sponsoring an Open House on the 11th and 25th of September, 1982. This is a friendly group of pre-teens, ages 7 thru 13 who meet at 2:30 until 4:00 p.m. on Saturday afternoons at the Lutheran Church of Concord on Holmes Road, Greece.

Recently, on April 24th, they graduated and celebrated with a pizza party afterwards. A Trail's End is planned for sometime in June.

Their caller is Leslie Bradt, 30 Farmingdale Drive, Hamlin, New York. Telephone 964-8985 for further details.

Please come and join in the fun. All new members and club dancers are welcome.

Hilton Hillbillies

Hilton Hillbillies would like to spread the news that their TEEN CLUB will be meeting at the Parma Town Hall on September 14th for their picnic and Open House. All the fun begins at 3:00 p.m. They will dance until 11:00 p.m. On October 2nd another Open House will be given beginning at 7:00 p.m. until 9:00 p.m.

Most club and class activities are held at the Parma Town Hall on the first and third Saturday of every month. Their President is Kathy Shauman. The caller is Leslie Bradt, 30 Farmingdale Drive, Hamlin, New York. For further details his telephone number is 964-8985. We welcome all new members and club supporters. Hope to see you there.

Contra Corner

Dance-O-Rama is over---and thanks to all the square dancers--the contra hall was a success after all. It seemed like every month I was writing a change of plan--and at the last minute there was one more. He was on a plane coming back from a business trip and couldn't make connections. I was so grateful that Rich Castner was willing--and able to substitute. We thank him--more than we can say.

I was pleased that so many class graduates decided to find out what contras were all about. Many of you found them to be confusing. They are, after square dancing. The figures in a contra dance are very simple--but the progression can be tricky. Sometimes you do one part when you are "active" and seem to have a totally different dance when you are "inactive". And--how about that "Fisher's Hornpipe" that Rich called as his second dance? ---A triple? For those of you who stuck it out---you were "active" if you were a "one" and "inactive" if you were a "2" or "3". During the progression, the "1" stayed in their role until the end of the line--but the "2's" and "3's" alternated their parts until they progressed to the beginning of the line. That was a "challenge tip"--and believe it or not--it is one of the classic dances that has stood the test of time. It really isn't considered to be a difficult dance once you have all the basics.

Do let us know if you would like a workshop session next year. There are so many things we did not cover this year. Three figures not used in square dancing are "contra corners", "Hey for three" and "Hey for four" and dances using those terms are probably the most fun to dosomething like "grand square".

For those of you going to Detroit and the National Square Dance Convention--do stop by the contra hall which goes full time--and includes "after parties". The education committee plans a 2 hour workshop each day (Ed will be doing one of them) where all the basics are taught in a progressive order. There are also caller clinics on prompting contras as well as sessions on choosing music for contras. Be sure to check your program for the wide range of programs offered in the "contra hall".

Poetry Corner

Square Dancing

by Lila Strathearn

It's a lot of fun
 There's lots of calls to learn
 Making new friends
 Special dances to attend
 Different outfits for special dances
 Outfits to make
 Laughing after you've been in class for a while
 and you goof
 When you finally make it through class there's
 graduation

The caller is a special person
 He picks on you sometimes
 Especially when he catches you goofing up
 His special task is to teach you to dance
 but make it fun
 He keeps going over different calls if you
 have problems
 You have pins to wear
 Special badges for special dances
 Some times you dance with different partners

Club members standing by if you need help
 Always plenty of refreshments
 Dancing in a barn
 With hay and straw all around
 This is the real atmosphere for square dancing
 It's just a whole lot of fun

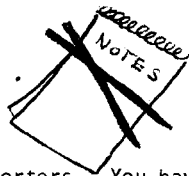

Lila Strathearn is a 1982 graduate and a member of the Promenading B's. She is twenty-five years old and the mother of four children - Johnny, 8; Becky, 7; Beth, 5 and Nikki, 2. Lila and her husband, Ken and the family enjoy camping. They both like to bowl and Lila likes to sew, cook, write poetry and square dance.

The Strathearns live in Warsaw and are planning on going to Hawaii in October for a vacation with the Fotch's.

With the submission of Lila's poem to the Promenader we decided to ask for your contribution and publish the Poetry Corner each month if we do, in fact, receive the material. Your poem need not be about square dancing but may be on any subject. You may include a few sentences about yourself if you like but it is not mandatory. Please help us make the Promenader yours-we welcome any data you care to contribute; poems, articles, pictures, constructive criticism, etc.

Attention Reporters:

A big Thank You to the outgoing reporters. You have done a great job in getting the news to us in plenty of time. Realizing that some of the reporters are new and some change at other times during the year we would like to have a meeting, luncheon, whatever, in the fall to help you in your job as reporter. We would be interested in knowing how many would attend and if it would be worthwhile having. Many reporters are given the task cold without any guidelines and we would like to change this in order to make the PROMENADER more informative. Could you drop us a postcard and let us know if you're interested in some sort of meeting; also whether you would like it in the daytime or evening. If interest is high enough we would have one in the daytime and another in the evening for those who work.

One more item - PLEASE send OPEN HOUSE DATES to the editor by August 3rd, along with your Club News for September. Have a good summer doing what you like to do.

Cloverleaf Squares

Mother's Day was especially enjoyed by our moms this year as they danced to celebrate their special day. Bob Ellis' calling was a special treat as always and we hope he'll keep coming back. The Hamlin Beach State Park was the location of lots of good times and smiles all around when we joined with the Swinging Singles for a picnic.

Don't forget the Cloverleaf Summer Showcase with caller Ron Libby and our regular caller, Mike Callahan and cuers Mike & Linda Liberti. Tickets are still available. Please join us for the evening.

Father's Day, June 20th, means free admission for all the dads.

Trail In and Trail Out dances for Detroit bound dancers are anticipated by one and all. We hope their trip is full of lots of new friends and memories.

Darien Lake Fun Country will be the place to be the weekend of June 26th and 27th as we travel again for a camping spree. We want to see all of you there!

All of you would-be callers are to have your chance at our Amateur Call night on August 1st, but please don't lose our corners!?

Summer wouldn't be complete without a weekend at George Phillips Cottage on August 13-15, but this year will be especially different as George and Bonnie Sheffield have announced their engagement. CONGRATULATIONS! They have wedding plans for December 23rd, 1982.

HAVE A SUPER SQUARE DANCE SUMMER! Come and join us for an evening of great fun.

Country Twirlers

We wish to thank Fran & Hal Pyritz, Bud & Evie Ortman, Al & Esther Fiege, Betty Weber and Frank & Nancy Austin and all the people who participated in Jim & Gert Mc Quade's beautiful retirement party. The entire evening was indeed a tribute to two wonderful people. We will miss them both and we wish them our sincere best wishes for a good retirement and hope to see them at the Country Twirlers again.

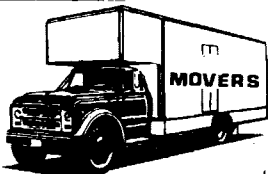

Our last event of the season will be our campout at Hamlin Beach State Park. We will have fun and games on Saturday afternoon and a pot luck supper followed by a dance with Jack Barnes calling.

Our first dance of the new season will be Open House on September 11, 1982. Be sure to bring a friend to this evening of fun with Jack Barnes calling. Our classes for the next season will be Monday evenings 7:30 - 10:00 p.m. We wish to welcome our new class instructor, Mike Herne. Information Reporter,

(Editor's Note: We were happy to be able to dance with the Country Twirlers on May 8th to Dick Leger and we had a marvelous time. Since their club news deadline was before this dance we are happy to report for them that there were 24 sets present!)

Barb and Ed--plus 8 other CDR dancers attended the New England Folk Dance Festival in Natick, Massachusetts on April 24th. The contra halls were so crowded dancing was next to impossible but we still had a good time. When we got tired fighting for dance space we looked over all the handmade craft items for sale--or enjoyed fantastic international dishes which added calories to our waistlines. As always, the music was the greatest. All sessions had live music---even the children's hall which yours truly called in. I'll never want to do Gustaf's Skol to record again!!

Diamond Squares

The Diamond Squares will continue to dance on Wednesday nights and at our Saturday night specials all summer long. Would love to have you all join us at the Covenant Church. So many of our snow birds have returned from Florida. It is so good to have them back dancing with us.

Peter Richardson, a caller from England, was very entertaining when he called at the Green Lantern on April 20th. Handsome Jack Sadwick from Greece, (Greece, N.Y., that is) will be calling for us on June 23rd.

Congratulations to the Giroux and the Sandfords. They have cute little additions to their families. And HAPPY BIRTHDAYS to our caller, Bob Ellis, July 27th and to our cuer, Dottie Reed, August 12th. May they have many, many more.

Our campouts will be at Camp Campbell on July 23rd with Bob Ellis, Dottie Reed and Mike Callahan and at Flint Creek Campgrounds with Dottie Reed and Bob Ellis on August 20th. On July 3rd Bob will be calling at the Parkway Plaza in Canandaigua.

A reminder -- our Plus 1 & 2 Workshop will be on Tuesdays at the Green Lantern.

We wish you all a happy and fun filled summer.

Hi!

The members that spend their winters South are beginning to flock back home. It's nice to see them back and they all look so healthy.

Dagmar Dean has recovered enough from her operation to join us in dancing again. Bill and Eileen Doell also visited us even though Bill isn't quite up to dancing. Ed and Eleanor O'Grady are dancing with us again after spending most of the winter being angels for our great class. Claire Young is recovering nicely and says "Thank you for all the cards". It's nice to see old friends back!

The class will graduate on June 2nd and we are looking forward to having them in the club!

We will be having workshops from June 9th through August 4th, so this would be a good time for any of our past members who have been away or ill or just weren't into dancing for a while to come back and renew friendships and refresh your dancing ability. Come and bring a friend and have a great time.

Betty Wolcott is calling her usual good round dances between the great squares of Bud Redmond, so come and enjoy.

Has anyone seen Richard and Gail Cunliffe or Tom and Ginny Hamlin? We miss seeing you at the dances and wish you would stop by and say hello and dance a few tips with us.

Geneva Friendship Squares

I am writing this on a beautiful spring day which makes one think of new beginnings, such as the spring flowers, green grass and all the trees that are budding - but it also brings to an end our Friday night club dancing season.

However, we will be having two special dances during the summer. Ron Libby will be our guest caller on June 6th and Dick Casper will call for us on August 7th at the Sauerkraut Festival in Phelps, New York.

The weather cooperated, bright and sunny, for our Bob Gambell Dance on April 25th so we had many dancers, at least 13 sets.

This will be our last correspondence for the PROMENADER as the new Publicity Chairmen will take over at our Trail End Dance on May 23rd.

This has been a good year for our club with many guests at our regular dances, thanks to our caller, Charlie Valent; and we've had good attendance at our special dances.

Our best wishes for you all for a happy, healthy summer.

CONGRATULATIONS TO ALL OF YOU!!

A beautiful cake was baked and decorated by Blanche Roberts for this special occasion; thanks very much, Blanche. Many thanks to our instructor, Chuck Prister and Chief Angel, Gerry Prister. A Special Angel Badge was given to Helen Castor who has been at nearly all the class sessions since September. Pete and Daily Nichols have quite a collection of Square Dance and/or Round Dance diplomas. Does this latest one make number six?

Our Trail's End dinner-dance will be June 10th. The dinner is closed but the dancing starting at 8 p.m. is open to all.

Congratulations to Ozzie and Bea Ostertag who will celebrate their 35th wedding anniversary July 23rd. This calls for a boat ride!

Genesee Dancers and Mike Callahan will be presenting Summer Workshops on Thursdays this summer. Mike will be reviewing any and all calls from Basics through Mainstream plus 2. This is a great opportunity for both graduates and experienced dancers to polish and improve their skills. Everyone is welcome. (See ad elsewhere in this issue for details.) Club dancing resumes on September 9th. NO DANCE September 2nd.

We wish you all a footloose and fancy-free summer.

Glass Slippers

This year our graduation was unusual and impressive. The Country Swingers from Morton and the Orleans Orbits from Medina joined the Glass Slippers in Brockport for the ceremony. Ron Fotch is the caller and instructor for all three clubs.

Ron & Betty, aided by club presidents, Helen & Mike Mattern, Clare & Rosemary Gilbert and our own Dick & Sue Palmateer, had a meaningful graduation, complete with candles, mortar boards, badges and diplomas. There were also some humorous individual awards. The promised goat did not appear, much to the relief of the graduates.

Our June 16th Strawberry Socail has been combined with the Trail-End Dinner at 6:30 p.m. Now we all know what's for dessert?!!

We are all sending our best wishes for a speedy recovery to Betty Fotch. It ain't the same without ya, Betty.

The Glass Slippers wish to add our appreciation for Ron and Betty's great work chairing the Dance-O-Rama. What a pleasure having everything under one roof!

Some of our members have been taking round dance lessons from Betty and Ron. According to Carl Wass things are going really great. He and Mary haven't had a fight yet!

Have a happy summer. We'll see you on Wednesday, September 8th.

HAVE A NICE SUMMER

Henrietta Friendship Squares

Our busy year ends with the Trail end Dance on June 12. Bring one of your family's favorite dishes to pass for our pot luck supper.

Our summer will find us busy and we hope our new graduates will join us for all our coming events. July 11 will find us at Dogwood Shelter in Genesee Valley Park enjoying a club picnic. More details will be coming at our future dances.

Our club welcomes anyone who cares to mix the fun of camping and square dancing to our two weekends at Bonnie Brae campground. Ron and Paul are busy making plans to assure us a good time. It will be a good time with many new friends we have acquired dancing. It is fun to find out what other things we have in common with them.

Our thanks to Ron and Betty for all they have done to make our dancing so much fun. Where would we be without their constant leadership, always with a smile; their never ending guidance and especially their friendship. When we think of dancing we think of Ron and Betty. Thanks again for a job very well done.

Happy summer to all!!! Come square up with us!!

Attendance has been good at our weekly workshops. We are working on the Callerlab Plus Program and Quarterly Selections. Area dancers are welcome to come dance with us any Friday night "just for the FUN of it". Check the calendar as there are several Fridays throughout the summer that we will not be dancing.

We are glad to have Fran & Betty Kinzel back dancing with us. Fran is getting around great with his new hip. Also, Ollie Boughton is starting back to dancing after recovering from his accident. Have a good summer.

A great big "Thank You" to all who came to our Spring Fling dance on April 26th. Another big "Thank You" to all members who worked so hard to make the dance the success that it was.

We will be starting a class in June and we welcome all singles and marrieds. For more information - call 865-5942.

As this is written, we have not yet had our annual Hobo Dance, but, we expect a good turnout and a great time. Thanks to Edgar Wardwell, chief cook, and all other helpers.

Promenading B's

What a fantastic Graduation/Birthday Party we had! Many thanks to Bob & Maryln Dailey for making arrangements for the delicious catered dinner. Ron & Betty Fotch again entertained us--along with our new B's. We all had such a good time! Hope our class enjoyed it as well. (One of our B's like graduation so much, he graduates again...and again...and...No wonder he's such a good square dancer!

Our new officers for the coming year are:

President: Frank & Julie VanDeusen
Vice-President: Nick & Arlene Caputo
Secretary: Lou & Karen Root
Treasurer: Jake & Gerry Schlenklopper

We wish them success in their new offices.

June 11th we will again have our Trail End Social. Flaky biscuits smothered with luscious, sweet strawberries topped with smooth, creamy, vanilla ice cream are again the traditional fare for the evening. M-m-m! We hope all of the Promenading B's will be able to attend.

Jack Skelton is recovering at home now from his recent heart attack and is looking forward to short visits from his many square dancing friends.

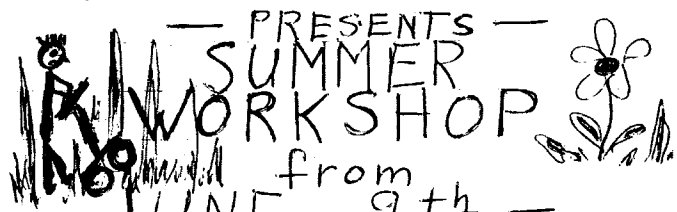

We were so pleased to see Myrtle Pound back on the dance floor again after her recent bout with illness.

The Promenading B's, after 10 years, have laid to rest their original banner. Norma Belluscio presented to the club a beautiful new banner which she designed and made.

We've met and become reacquainted with so many of our square dancing friends who have come to our dances as guests and visitors this year. The B's have loved having you! We hope to see many of you again through the summer at workshops, camping, the Fair and the many other square dancing functions. Have a healthy, happy, restful summer.

Our final dance, June 23rd will be our annual Trail's End in Southampton Park near Brockport which is a closed event.

Swinging Singles

Summer nights might be a bit warm but you'll find the Singles still dancing, some wearing shorts and summer shirts. Jerry Carmen will be workshopping calls from the Plus 1 list throughout the summer.

Hope to see some square dancers on their bikes; a ride on the Barge Canal is scheduled for June 12th. Election of Officers will be held on June 21st; the Board members will celebrate their end of term by enjoying an ice cream social on June 28th along with the new Board members. Our formal dinner-dance will be at Rund's on the 19th of June.

As the new Board is installed, the July and August activities will be shaping up. The George Phillips Cottage weekend is scheduled for July 23/24/25.

I hope the new reporter will have as much fun as I did this past year bring to you all the events and memories our club members have enjoyed. If you want to see some shapely legs (both sexes!), come join our club on Monday nights and don't be afraid to dress COOL!

Tecumseh Squares

Attention all dancers! Attention all dancers! The Tecumseh Squares have updated the summer dance schedule appearing in this issue. We dance every Tuesday night at the Redmen's Club on Lexington Avenue. The dates listed are our special event nights. Guests are welcome at all dances.

Do you remember when we all danced at the "I Love Downtown Festival"? Well, the special badge dangles are now ready. Contact our president to receive yours.

This year's Strawberry Festival, June 29th, will be the biggest ever. We've ordered more strawberries each year of the event and the tradition is continuing. There is a strawberry dessert for everyone.

Thinking of getting your friends and neighbors into square dancing? Would you like to dance the same night and location while they are in class? The Tecumseh Squares have their classes in the hall adjacent to the main dance floor on Tuesday nights. Now you can bring your friends to class and dance at mainstream level and higher at the same time. Start planning now. Our fall Open House is September 21st.

Victor Swing-A-Longs

Victor Swing-A-Longs will be dancing the summer months. We will dance every Monday in June plus July 12, August 9 and August 23. We have some "crowd pleasing" guest callers. Why not come and help us welcome them?

Our August 23rd dance will be an "Ice Cream Social". All that good dancing and ice cream, too...what a way to spend a summer evening!

If you are looking for summer dance fun, come to the Victor Swing-A-Longs---we love guests!

Triggers

Where did the year go? Another dancing season has come and gone. The Triggers finished the year with a big and eventful May. The Spring Fling was a huge success and the Triggers used it as a warm up for our Tribute to Peg and Myron Huss which was held at the Redmen's Club on May 21st. We were very glad you were all able to join us in honoring Peg and Myron for their contribution to square dancing. Thanks for helping us make it a success. We are going to miss Myron calling but fortunately we will be able to share their company as dancers on our club nights in the fall.

The last event of the season will be a family picnic in July. Details will be forthcoming.

At this time we, having dutifully served our year as reporters, are passing the pen to the next reporters and wish them luck.

Hear Ye! Hear Ye! The case of Caller Dick Casper, alias the Friendly Ghost. Plaintiff: Class of 1982. Presiding Judge: Virgil Sturgeon. Prosecuting Attorney: Clarence Peckham. Date: Graduation Night.

The Defendant was accused of the following charges:

1. Wearing his Blue Jeans too tight while riding a Linear Cycle after dark.
2. Observed cutting class and Wheeling and Dealing at the Dixie Derby.
3. Recycling without a permit.
4. Through his negligence he Overloaded the Boat causing all dancers to Scoot Back and Dive Thru an Exploding Wave.
5. The most dastardly deed of all - letting the Gnat out of the Box.

Defending the accused valiantly but unsuccessfully was Defense Attorney, Tom Fitzgibbon. No defender has ever had so many objections over ruled by the Court. The jury unanimously found the Defendant guilty of all of the charges and he was locked in the stocks where he had to call "Blue Jeans" and Little Green Men".

Congratulations to the new graduates. They are a great addition to the club and we look forward to sharing many good times together during the coming year.

Once again there was a large crowd to dance to the Group Therapy String Band and we thank all who came. From the many comments and smiling faces every one enjoyed this special evening.

There will be two different series of summer workshops this year. The A-1 will be on Monday evenings beginning June 7th and the Plus 1 and II will be on Tuesday evenings beginning June 8th. Both will be from 8:00 to 10:30 p.m. at \$3.50 per couple.

We hope everyone will keep dancing through the summer.

Summer time and the livin's still busy. While our club doesn't have a weekly dance, many will be going to other clubs to keep in shape.

July is picnic time again and those "hots" are always delicious. We sure need the dancing afterwards to wear off all the other good food that we have. The last weekend in July will be our annual campout and calling for us this year will be Mike Herne. Our campouts are always fun and relaxing (when not square dancing in the lake at 9 a.m.!).

Summer will go fast and soon Open House (September 13th and September 20th) will be upon us again. Hope our next class will be as SUPER as this year's was.

Many club members and our caller, Jeff Elmore and his wife, Sally had a great time at D-O-R. One member even found a drinking fountain just her size!

Happy Sun Tan and Vacation Everyone!

Demonstration News Corner

Thanks to all the dancers who showed up to expose square dancing to 50,000 people at the Lilac Festival, Sunday, May 16th.

A special thank you to Covie and Betty Duncan for organizing this event and a Yellow Rock to Mike Herne for a superb job of calling.

Not only was square dancing well represented with over 12 sets but the round dancers put on a grand performance along with the Cedargrove Cloggers.

Covie and Betty Duncan are again looking for dancers for the Monroe County Fair from August 6th thru August 14th. Dancing will be inside the Dome Arena and with square dance attire you receive free admission to the fair! Dancers are asked to report at 7 p.m. and show fair goers how great square dancing really is.

Caller Schedule:

Jack Sadwick	Saturday, August 7th
Mike Herne	Sunday, August 8th
Chuck Prister	Monday, August 9th
Mike Harris	Tuesday, August 10th
Jack Simmonds	Wednesday, August 11th

New dancers are encouraged to take part in this event. For further information please call the Duncans at 426-2339. They are home now after an involved traffic accident while on vacation in the south which kept them away for five weeks. Welcome home, Betty & Covie. We missed you.

Web Spinners

Summer is here at last! As this is our last attempt at journalism, we would like to again thank all of you who have expressed their thoughts in our columns. Your thoughtfulness certainly was much appreciated. For those of you who haven't figured out who the writer has been, Shirley and our girls did all the typing. That's all the clues you get!

This season has been good for the Web Spinners. Not only have we enjoyed dancing but the club finances are in super shape. This is primarily attributable to all the special committees keeping their events self supporting. Delores & Al should also receive a special "ATTA BOY" for making the 50/50 really pay off with their innovative ideas. Our new club banners are completed (finally) and the Club received a silver tray for their attendance at the Cure Dance. Our Presidents received a special award for promotion of that dance. All our dancing exhibitions were well attended and our Old Forge trip proved very successful. Our new graduates will become valuable members of our club, we believe. They sure do have talent, don't you agree?

Summer activities start out with our annual family picnic slated for Sunday, June 13th at Foreman Park near Pultneyville. Don't forget to wear your badges. A dancing exhibition is planned for the Webster Senior Citizens on June 11th. Finally, Gordy & Sylvia are planning two round dancing nights on July 15th and August 12th. Any July 4th activity will be determined and club members informed.

At various times throughout the year we mentioned wedding/engagement announcements for various club members and we understand that there are many more planned for the summer months. We offer the club's congratulations to all.

In closing, the Ferrara's and ourselves would like to expend a special thank you to all who have contributed refreshments this year. You have made a special effort to make it happen.

Have a happy and enjoyable summer.
