VOL. XX NO. 9

ROCHESTER, NEW YORK

OCTOBER, 1982

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

Editor's Note:

The leaves are falling, the callers are calling and we are back dancing regularly. It has been good getting back into the swing of things.

By the time the PROMENADER is in the homes your editor will have become a mother-in-law. My daughter, Katie, will marry Michael Zanett from Caledonia on my birthday, October 2nd. Katie is a square dancer and maybe someday we will get her and Mike dancing in this area.

Nick has returned to the Veteran's Hospital in Buffalo and once again thank you for all the cards and well wishes. He hopes to be home again soon and on the dance floor.

All PROMENADER subscriptions expire with this issue. Each club secretary received a sign-up sheet at the last Federation meeting. Please fill these out and return to Alice & Angie DeFelice at your earliest convenience.

We have found it necessary to increase the subscription cost of the PROMENADER due to rising costs of postage and printing. We are a non-profit publication and all work on the PROMENADER is done by volunteers. We charge only enough to put the issue together and print it and mail it to you.

In another place in this issue you will find a letter from the subscription editors. Please read this and cooperate in this matter to help us keep the cost as the barest minimum.

Till next month, happy dancing and please remember how you felt when you started class and make all those new dancers welcome.

Your Editor,
Arlene

Caller Profile

Jeff Elmore is another example of a reluctant partner at an Open House who turned into an avid square dance fan. In 1974, a friend invited Jeff and his wife, Sally, to an Open House for the Village Squares. Reluctantly, he agreed to go and got turned on to a whole new world. Two years later, he tried his hand at working the other side of the mike. In 1977 he was hired by the Wayne Westerners where he still calls every Thursday night.

This past summer, Jeff and Sally traveled to Nova Scotia where they attended a caller's school run by Gloria Roth and Bill Peters. There, along with 15 other callers from the United States and Canada, Jeff and Sally learned about various calling techniques (not to mention the "Little Birdie" Dance). Jeff also earned his Callerlab accreditation.

Jeff enjoys dancing and calling at all levels of square dancing through the Plus Program. One of the unique features of their calling program is the duets which Jeff and Sally perform on singing calls.

When he's not calling Jeff works as assistant plant manager for the Zotos International, Inc. in Geneva, New York. He and Sally live with their children, Phillip, Monica and Daryl in Newark, New York.

Pinewoods dance camp is always a rewarding experience for Ed and me. This year three other Country Dancers joined us for the week featuring English and American dances. Patty DeMyda, Jeff Folkins and Peter Torpey all agreed it lived up to its advanced billing. The week we attended was run by the Country Song & Dance Society. Live music was used for all five classes as well as for the evening dance party. Since the weather was cool all week, the somewhat energetic dancing was most comfortable. It was however, a little cool for the early morning and late night dips which are a top priority for us.

Beside the classes of morris, long sword, rapper sword and English country dancing--there was also a class in easy level club square dancing taught by Mona Cannell from Ohio. After a rather shaky start, (it was her first time using live music) she did a noble job. As the week went on, she worked with the band and before we knew it we had sing-a-long singing calls as well as regular how-down music for workshop "hash". In four sessions the group was spinning through "square-thrus", "star-thrus", "swing-thrus", "Thars", "alamo swing thrus", plus the calls we use in contras. Oh yes, we even did wheel and deals.

Celebrating the PROMENADER'S 20th birthday this year.

(Reprinted from 1967)

Well, another season of dancing and socializing is under way. I went to a dance the other night and found I still have Summer in my arches. It will take a few more dances before I have the Fall in arches.

Everybody has been telling me about their summer dancing at beautiful and glamorous places like the Poconos, Atlantic City, Detroit, LeRoy and many others. LeRoy?

They didn't give me a chance or I would have told them that I, too, danced in a garden spot, well maybe more like a farm spot. I danced at Ompah, Canada. Ompah is about 100 miles north of Kingston.

It isn't exactly a large town, it's more like a village; to tell the truth it's population is 6, a horse, a cow and 4 people; but what makes it unique is that it is the only place you can buy a beer within an 80 mile radius.

There was also a dance hall and a square dance was held there every Saturday night. Wow--ee! what dancing and running! There were no outside lights. Who needed them? Most of the natives were lit up!

They wore real authentic western clothes, like patched up dungarees, one sleeve shirts and long shorts. I saw one girl with a dress, found out she was another tourist. Nearly everyone wore boots. You knew why when you saw the iron blade on a rack. It was there to scrape

the cow stuff off before going into the dance hall.

The music came from a three piece orchestra. A fiddle, jug and piano. The caller was very talented, as he was able to close his mouth and call through his nose. The only call I understood was, "Swang, swang, swang", at which time the girls swang the boys off their feet.

No sir, you haven't danced until you've danced at Ompah.

Thanks anyway,
Hal Abberger

Quote Hanger: Help keep your city clean, Eat pigeons!

Contra, con't.

Mona's afternoon class consisted of lancers and quadrilles and both sessions were sprinkled with contras. The band members that worked with Mona were fantastic--without their concern for her need to have special music the experience could have been a disaster. During the week, the group has a chance to do progressive squares, tantum squares--and some good old cowboy dances.

One of Mona's activities in Ohio is directing an exhibition group that do Shaker Dances. On the day she gave her mid-day presentation she divided the hall by sex and taught us some of the dances. The song leader has spent the first two days teaching the songs to the camp so we had music for the dancing.

Food at Pinewoods is the greatest. The camp is 140 strong--and it can't be easy baking quiche for that number of people. Onion soup is traditional for one of the lunches--and the grand finale is always roast beef with Yorkshire pudding.

The camp is beautiful! Pinewoods is located on two lakes between Plymouth & Buzzards Bay. There are various kinds of housing--most rather rustic. While there is plumbing in a few of the larger "lodge" type buildings and in the shower buildings, most of the camp is still using primitive privies. There are three main dance pavilions so several kinds of classes go on at the same time which involves making choices. There are various kinds of programs throughout the summer, including a family week. Ed and I have attended the American dance and music week and if any of you want further information, give us a ring.

CARMEN'S COLUMN

APD-WHAT'S THE BIG DEAL?

Aside from advanced dancing, one of the most controversial and misunderstood topics to most dancers is the term APD and what it stands for. It is regarded much as an invader from outer space, or as something foisted upon the dancers to purposely create confusion. APD is a Callerlab-originated term meaning All Position Dancing. To many, this means doing the girls part or doing the man's part. This is all wrong. In fact, there are very few calls in use today that specify the man does this and the lady does that.

Before we proceed further, let us distinguish between gimmicks and APD. A gimmick is something that doesn't fit the definition of a call or of a square and requires special rules to accomplish such as, hexagon squares, progressive squares, having the men chain with the ladies courtesy turning, etc. APD involves doing the call according to the definition, but from different partner orientations or positions in the square. Hence, CURLI-Q facing same sex is a gimmick and TOUCH $\frac{1}{2}$ is not.

When I learned to dance many years ago, what we call APD today was just dancing the basics. It was usually the spice thrown in for a little extra fun and challenge and no one took offense or became upset if the caller "worked the basics". I for one, cannot understand why a dancer would rather learn a brand new call than expand his knowledge and ability to dance calls he will probably hear as long as he square dances.

Perhaps dancer attitude of this sort is a reflection of the callers' use of material-or rather, the lack of use. Can it be we callers are neglecting the basics in favor of what is considered more "exotic" plus level material? Is it a credit that our dancers can execute LOAD THE BOAT and SPIN CHAIN THE GEARS flawlessly, but cannot do a SCOOT BACK or CLOVERLEAF properly?

All calls have a starting formation such as facing couples, lines, waves, columns, etc. Definitions usually include two parts; a left-hand and right-hand person, a center and end, an in-facing or out-facing person. Rarely is there a man's part or lady's part perse. Examples of such calls are SLIDE THRU, STAR THRU, CURLI-Q, CALIFORNIA TWIRL, COURTESY TURN. Concerning other calls which do not specify a particular sex, if we learn only one part or one-half the action of a call and are asked to do the other half, we become confused because we have not danced it often enough to learn it. Our square breaks down and we are embarrassed and irritated. So, the real culprit is two-fold---inadequate dancer-preparation and the callers failure to teach and use calls from other positions often enough so they can be learned.

If we really think about it, it is not APD we don't like. It's becoming confused and breaking down the square. There is no square dance we go to where APD is not used and part of our excitement and enjoyment comes from variations of formations and positions we can do the call from. If we start from a wave and SWING THRU DOUBLE, that's APD because we have started as an end, then as a center. If we WHEEL & DEAL from a two-faced line and from a line facing out, we have done it from two positions. If we SCOOT BACK, then SCOOT BACK again, we have started the call as in-facers once and out-facers next.

*continued next
column ...*

Carmen, continued.

I have always felt that people who know their basics well have more fun because they dance more during the evening. For example, if someone else (naturally) makes a mistake and you find yourself in the wrong position, chances are if you do not know the call from that position, you will break the square down. However, if you know position, you will be able to continue to dance from where you are and will not be standing around watching while others dance. Since the fun comes from dancing and not watching, you will have a better time.

I recommend that dancers urge their callers to pick a different basic each dance and teach it from another position. The secret is not just doing it one dance, but to continue using it each dance thereafter. In this fashion you will become a better dancer and the caller will be able to provide more variety within a given framework. How a caller uses WHEEL and DEAL can be just as challenging as RELAY THE DEUCEY, and proper training will allow you to get through it. Let's forget the term APD and think "knowing your basics."

=Happy dancing the basics,

Jerry Carmer

EK-O Squares

Hi Square Dancers! Square Dance Season is back in full swing. So get your dancing shoes on and join us.

Kodak dancers would like to extend an invitation to all dancers to come visit us. We have a great caller (Bud Redmond) calling for us and a great Round Dance Caller, (Betty Wolcott) cueing rounds.

Come dance with us once and I'll bet "You'll come back, ya all!"

During October, the club switches from Wednesday to Friday dancing and also moves to Kodak Park on Ridge Road West.

Ken Anderson did a great job of calling for us in Sept. It's always nice to have him back with us. He seems to be really enjoying life in Florida.

So, lets all come out dancing and bring your friends and talk past members into coming back. We miss these people and wish they would join us again. Lets make this a good year of dancing.

Happy Dancing

Fun Luvin' Squares

Hi! FUN is the name! FUN LUVIN' SQUARES, that is. We're the area's newest club in the federation and we sure are glad to be here Mainstream! That's the level you graduated at and the level we dance.

Our caller, Mike Herne, keeps it very interesting with his own special flair. He gets us warmed up and then shows us every possible combination for his "PET" call of the night. He and Mary Jane also cue round dances that all square dancers with a very basic knowledge of rounds can join and follow.

All in all, the idea behind "Fun-Luvin' Squares" is FUN (for the dancers). We're not too hard and we're not too easy. Come on over Wednesday nights from 8:00 to 10:15. We meet at the Brighton 12 Corners Middle School, the corners of Elmwood, Weaton & Monroe. All graduated dancers are welcome. Try us. You'll like it. Remember "FUN" is our first name.

Country Dancers

Just a reminder to "new" square dancers, that our club is open to everyone--it's a community dance and no previous experience is necessary. For dancers that are more experienced with contras we are planning a once a month Saturday dance where we will not teach the figures, but will walk thru the dances once. We are hoping to also have English country dancing on Sunday afternoon once a month. We will be doing Playford and Pat Shaw as well as other English dances.

For some of you that might like to try another kind of square dancing, I shall tell you next month about Art Teamerson's bi-monthly dances in Riga--with live music.

What a great time Open House is! Everyone has so much fun finding out that they can do some of the basic calls so quickly.

On October 13, 1982, we'll have our second annual Apple Betty Night, so named for our Betty--Betty Fotch. We all try to wear apple colors that night and the refreshments contain apples in some form. It is an open dance, so we hope some of our friends from other clubs who know Betty will join us.

The Halloween dance on October 27, 1982, will be a crazy night. Many of us like to dress up and keep the other dancers guessing for a while. Sometimes its not too easy dancing in a costume. I sure had difficulty last year, wearing two boxes, literally a square dancer.

Sue and Dick Palmateer, Carl Wass and Roger Gilbert have all had health problems this past summer. We're calling them the "Over The Hill Gang," but only in jest. They are doing better now, and will be dancing as usual soon. Remember to be an angel and help your class learners.

In addition to our regular scheduled dances on the first and third Saturdays, we will have a fall picnic at Hamlin Beach on Oct. 9, 1982. It will be at the area 3, West Shelter. Members are asked to bring their meat, a dish to pass, place settings and lawn chairs. Several of the members will be camping for the weekend. If you're campers, why not join the group.

On the 30th, we will have our annual halloween dance with the Swinging Eights. We invite you to come in costume if you wish. There will be prizes and much fun so join us at the Ivan Green School on Brown Road, Irondequoit, New York.

Genesee Dancers

Greetings dancers-round & square. We hope everyone is back in the groove again now that the fall dancing season is well underway.

The Genesee Dancers' Trail Back dinner was held Sept. 9th and as always, was a great success with a fine turnout. The meal at the Green Lantern in Fairport was more than we could or should eat, but all those calories did not last long as we danced later to Mike Callahan & Bob Slomcenski. It was a fine evening for everyone.

We understand there was dancing recently on the tables in Las Vegas by the Langs, P. Nichols, Havens and McCrays. We hope they didn't lose their (square/round dance) shirts and skirts!

Don't miss all the autumn colors at your Oct. dances and be sure to top it all off with a Happy Halloween.

A big welcome to all new class members. Ron will have them dancing with our club by holiday time. We urge all club members, especially the 1982 graduates to attend the classes each Mon. PM if possible. Help from each of you encourages the new members. Let's show them, early in their lessons that the Henrietta Friendship Squares really are friendly.

We would like to extend a special invitation to each and every one of you to spend the evening with us on Oct. 9th. We are having an entire evening of singing calls with lots of "Golden Oldies" and a trip or two down memory lane. Come and let Ron & Betty and our club members show you all a good time.

Magic Squares

The summer temperatures didn't slow us down at all. We danced Friday nights at our workshops, took part in the Campbell, Flintcreek and Rainbow weekends, and danced our feet sore at the grand re-opening of Parkway Plaza, the Phelps Sauerkraut Festival and Square Dance Day at Finger Lakes Race Track. Now we are ready to do something good for ourselves. We invite everyone interested in learning to square dance to join us at our Open House on: Friday, October 1st at 8:00 P.M., at the Canandaigua Methodist Church on North Main Street, Canandaigua, New York. Bob Ellis is our caller and he makes learning easy and fun. We will be dancing every Friday evening with Class at 7:00 P.M. and Club at 8:00 P.M. For information call Joyce at 394-8295.

Merry Mixers

We've had a great time this summer with our class - they will be dancing a demonstration with us on Labor Day weekend at the Zoo Fest! We are anticipating a good turnout and we hope for a good response in terms of new dancers.

Mike Harris continues to infect all of us with his enthusiasm. We encourage all guests to come and see what fun we have.

Our new class starts Sept. 27. We look forward to another group as great as our summer class.

Thanks go to Jerry & Dottie Reed for the fine round dancers we see throughout this area at most every dance.

Singing Squares

The Singing Squares welcomed in the 1982-83 year with Open House at the first two dances. Now that we have ceased roving, we are sure that dancing in just one location every week will make it much easier to find us. Dances are held at the Gates-Chili Junior High School at 910 Wegman Road in the small gym. Class instructions has also begun and will be held Monday nights from 8-10:30 in the same area. As in past years, Elwood Johnson is doing double duty as both club president and class instructor.

We invite everyone to our Halloween Dance on Wednesday, October 27th, at 8 PM. Jerry Garmen will be calling squares and Mike & Linda Liberti will cue rounds.

Morton Country Swingers

The Morton Country Swingers were welcomed back at a Ron Fotch open house on 9/16/82. The Grand Swinger graciously performed the welcome of swingers both old and new. The Grand Swinger was required to do double duty because our welcome back was scheduled on 9/16/82. Thanks come from all the swingers and caller Ron Fotch. Open house by the Morton Country Swingers will continue at the 9/23/82 dance for any new dancers.

Dave Moss of St. Catharines, Canada will call at the Fall Festival dance at the Kendall Grade School, 10/9/82, starting at 8:00. The Morton Country Swingers are sponsoring this special evening for the enjoyment of all Federation dancers. The Grand Swinger is ready to swing with Dave Moss' calls, come and join in the swinging.

On Oct. 2 we will be dancing at the Moose Club in Medina. This will be like an Open House or one-night-stand since there will be Moose members there who (we hope) will want to join in the dancing.

Our Apple-Fest dance is scheduled for Nov. 6. We hope to have even more apple goodies than last year. Of course there will be the usual cider, apples, and baked goods--- and who knows what else?! Come and join us for a fun-filled evening.

Pioneer Squares

WELCOME - WELCOME, we are dancing again on Friday night and looking forward to another fun year. Hope everyone had a good summer.

We ended our dance year with a fun-filled Trail End picnic at the home of our Social Chairpersons Don and Dorothy Marrer. We picniced and danced in their spacious yard til the moon rose high. Jon McNally, our caller, was at his best. Before the evening ended, we planned another summer picnic at the lovely country home of Dotty and Pete Robinson. This was held in July.

Several of our dancers stayed active during the summer by participating in Square Dance exhibitions at the Finger Lakes Race Track Dance. They said it was great.

We started our new season with our scheduled dance on September 10th. As football coaches like to say, "Most of our regulars have returned."

Our October schedule will have us dancing on October 8th. Hope to see many guests. New dancers and old are always welcome. If you haven't danced for awhile, come and join us with our caller Jon McNally. We enjoy having guests dance with us. Our PLUS feature for the evening will be Sue McNally leading us in some of more popular folk dances.

On October 22nd, we will have our annual Halloween Party and Dance. We are looking forward to seeing all of the creative costumes our members and guests will be wearing for the occasion. Put on your favorite costume and join us for the fun. Prizes will be awarded for the best costumes.

Swingin' Eights

The Swingin' Eights held several demonstration dances that were highly successful despite the fact that at the Demo held on August 26th we had to contend with the wind and the rain. Nevertheless, the turnout was great and spirits warm. We look forward to a new season of dancing and hope that we will have recruited a large enthusiastic class of future square dancers.

We were happy to welcome back former Swingin' Eight member, Bob & Marge Berner, who spent the summer vacation here. By the time the snow flies, they will be heading back to the warmth of Florida and we will miss them.

Autumn is here and with the changing foliage and falling leaves, our thoughts turn to pumpkins, witches and Halloween. A great combined Halloween Dance Party is planned with the Irondequoit Squares on Oct. 30th. We will be happy to see you there.

Promenading B's

Hello from the Hive:

We are settling nicely into our fall routine of dancing every Friday night. A big "Hum'dinger" of a welcome to all our new class members. We know you will just love square dancing.

We will have Jim Fraser as our guest caller on Oct. 8th. Come on by and give Jim a "honey" of a welcome to our club.

Don't forget to be getting your costume ready for the Halloween Party Dance on October 29th. We would like to see our dance floor filled with "ghoulies & ghosties and long-leggity beasties" that night. Even if you don't have a costume, come anyway.

Come join us any Friday night at 8p.m. at the Byron-Bergen Central Elementary School.

We'll just "BUZZ" off for now.

Web Spinners

Our cool weather has arrived and how pretty the foliage is becoming. These are truly great square dancing days! Our Open House was fun for all who attended. It was so good to see everyone again. Our new class has begun their lessons. Lots of luck to you all. It is worth every frustrating moment, believe me!

Fifteen couples from Web Spinners went to Woodstream over Labor Day Weekend. Woodstream may never be the same after they all left.

We understand the Magin's have "landed safely" with their trailer on a permanent site at Sunset on Cross Lake. Truly "Web Spinner country" down there now.

Claudette & Jim Looney & committee have planned a super Octoberfest for us on October 29th. Don't miss this one at the exempt club.

A Happy Halloween to all the ghosts and goblins who may come knocking at your door.

Tecumseh Squares

September opened the new year with a bang. Bruce Shaw announced a continued progressive program. We will continue to work on the plus calls while two experimentals will be presented each month.

Mike & Linda Liberti are cueing at least one if not two new round dances during the 7:30-8:00 p.m. workshops. They also continue to provide a broad range of rounds throughout the evening.

The square dance season is filled with dancing every Tuesday night year-round. The special events start this year with our Halloween Dance on October 26th. Be sure to come out and look for the goblins and ghosts. You never know who your corner may be!

See you all on Tuesday nights.

Triggers

Now that we have finished telling of our summer adventures, it is time for a fun-filled square dance year. At our first dance with Mike Herne, our enthusiastic new caller, we were put through the paces, helping us get rid of the kinks and rusty spots. For our caller's taw, Mary Jane, we hope that soon you will be off your crutches. It was fun dancing with Myron and Peg and they seemed to be having a good time with not a care in the world. Our Open House dances were September 21st and 28th and in the next issue, hopefully, we will be able to report a beginner's class for Thursday nights.

To those Triggers who helped entertain on October 1st in Rush at the Special Olympics sponsored by the Rotary Sunshine Camp, we say thank you; and, thank you to Myron and Peg for calling.

We look forward to our Halloween Dance on October 26th; a special night with invited guests.

Once again it is time for renewal of the PROMENADER. Our doors are always open to guests. Won't you join us?

It's good to be back to our regular fall schedule and we are looking forward to all the exciting upcoming activities. Our officers have planned another fun-filled season for us with a special event each month. October 18th will be Amateur Night and we hope many of you "would-be callers" will show off your talents and give it a try. You might even surprise yourself when you see how well you can do. It will be a good time for all of us.

Our Halloween Dance will be on Oct. 25th, and will be a masquerade. Start planning now what your costume will be. There will be a prize awarded for the most original one. Let's have all the goblins and their ladies come out for this one for another great evening.

A big welcome to Tom & Mary Reynolds as our new treasurers, replacing Norm & Ginnie Barchet. Our thanks for the Barchets.

We will have round dancing instruction each Monday from 7:30 to 8:00 with Jody Mattice as our cuer. There have been many inquiries about rounds and we hope there will be a large group of eager pupils.

Guests are always welcome at Village Squares. If you're looking for a good time and good dancing, try us. you just might like us.

Fall's here, and we're back to our weekly dances. It's a pleasure to have Bob Meagher as our regular caller-a big "welcome Bob".

Our first Sat. night Special will be on Oct. 16th, with Dick Casper calling for us. Dancing will be from 8:00 to 11:00. We hope to see lots of our friends from other clubs there at the Victor Methodist Church on Main Street.

Starting Oct. 18th, we'll be offering an 8 week "REFRESHER" course. This will be a comprehensive course for people who have been away from dancing and would like to jog their memories and sharpen their skills without taking the full class course. It's also ideal for "spring graduates" who haven't done much summer dancing. Cost will be \$24.00 per couple for the full 8 weeks. This group will meet from 7:00 to 8:30 on Monday nights at Victor Intermediate School Cafeteria.

The Ghosts & Goblins & Funny People will be out on Oct. 25th-it's our annual costume dance for Halloween. There'll be tricks & treats & prizes for best costumes. Everyone is welcomed to come and join the fun.

September was the beginning of our new season and for those of us that didn't dance much this summer, we found muscles that we had forgotten about. OUCH!

It was great fun, as always, dancing to Jerry and Betty Carmen. Hope they come back soon.

Our two "Open House" nights were fun; it's always nice to meet the new "students" and get caught up in their enthusiasm.

Now that we spent September shaking (I mean dancing) off the cobwebs, we are ready to move into October and all the great fall dances including our annual Halloween Dance with those special people at the Lyons Nursing Home.
