Reporters please have March material to us at the address below by Feb. 3.

Perhaps you'll find a few differences in the Promenader this month.

Arlene, after a year of dedicated service, finds she will not be able to continue as Editor. We must all extend our gratitude for the work she's done.

We've done our best to "fill in". We hope all the mail has reached us. The change of address and lack of time made it difficult.

To smooth the way, indeed make the Feb. issue possible at all were the willing workers listed below. Our deepest thanks.

Our dependable subscription editors, Alice and Angie have been a great help and morale booster. They are beginning their second year in this capacity.

We noted an open house by the Swinging Singles, classes beginning on Feb 7. Nice to see a class starting this time of year. Fun is Square Dancing, inflict it on others!

### OPINION - The Problem With Classes

It seems year after year we ask ourselves, where have all the recent grads gone? This topic seems to crop up among callers and dancers at seminars, meetings, informal discussions, in magazines and newsletters. Everyone has an opinion and I have mine. The way I see it, they leave because they are no longer having fun. They struggle through 30-odd lessons, week after week, steady in attendance, faithful to their class and sponsoring club. As long as they were having fun, they were there. No phone calls were necessary, no letters needed to be sent. What happens after graduation that takes the FUN out of dancing - at least for most graduates?

**POOR PREPARATION** The purpose of classes should be to provide an adequate foundation for them to dance successfully with the club. The general dancing level of

the class at graduation, more often than not, is very different from that of the club and new grads find they cannot dance comfortably. Club and class have different callers and often, calling styles are so different, this alone scares many. The club caller may not know where the class is at, so he may "kill" them on their first dance as club members.

**FEWER "MAINSTREAM" CLUBS** Plus level dancing is the "in" thing today and it is generally accepted - at least among callers - that dancers cannot learn all calls to the PLUS level in 30 weeks. Is it really fair to graduate our dancers at mainstream level into our PLUS level club? How can we tell them to join a class, go through the lessons, and they'll be a full-fledged club member able to dance with the club, then on graduation tell them they're not done yet, but they must go through a series of workshops to be able to dance anywhere?

**WHO IS RESPONSIBLE** I saw a letter a short while ago that stated dancer and caller associations should set up programs to further train dancers. First of all, by then, most of the damage is done. Second, the dancer association and most callers have very little influence on club policies.

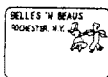

Responsibility for training someone to dance with your club lies solely with your club. If you want that person to stay with your club, your club had better provide him with enough training so he can. Do not tell him he'll be ready when he graduates, and then tell him after he graduates he's really not ready.

**CONCLUSION** Clubs should graduate their classes at the level the club dances or the club should be willing to dance at the level the class graduates. Most people would rather remain with their current class longer than be shuttled about to other workshops.

## Diamond Squares

Happy Valentine's Day, Lincoln's Birthday and Washington's Birthday all rolled into one short month. Since this is the shortest month of the year, make good use of it and plan to attend our dances on Wednesday nights and the first Saturday each month. See our club schedule for level and details. We will be having our Valentine's Day dance on February 9th-bring your best belle or beau and dance to your "heart's" content.

Congratulations to Earl & Audrey Pankratz and Joe & Ruth Buechel who are proud grandparents of two little additions. Did I get the names right this time? Most of our "snowbirds" have deserted us for a sunny and warmer climate-we will miss them all and eagerly await their migration back to us in the spring.

Condolences to Ed & Joan DeTamble on the recent loss of Joan's mother.

In closing, here's a little poem in honor of February:

Alemande left, do si do  
Clap your hands, stamp your feet  
Circle left, swing and whirl  
Swing thru with your favorite boy or girl.

See you in March-forget your troubles with the IRS and come visit our club-guaranteed you'll have a real good time. There are two inevitable choices: taxes or dancing-I much prefer the latter, don't you?

## EKC-O Squares

Hi Square Dancers!

Everyone should be all recovered from the Holiday rushes and let downs following that last minute shopping, wrapping, opening, exchanging and baking and cooking etc.

EKC-O Squares has a new group of people keeping them in line, or square, whatever.

Herman & Millie Mueller have been promoted from Vice President to President.

Working with them for the year 1983 will be Leo & Rita Leonard, Chuck & Gerry Prister and Jim & Arline Quick. Good luck all!

Walt & Sally Baechel have gone and returned from a Holiday visit to California again this year. They didn't get to dance on the Square Dance float, but did get to partake in all the festivities that go along with the Rose Bowl Parade.

Cliff Bushnell is still slowly recovering from the auto accident he was involved in last October. Esther has been stopping by to see us and says he appreciates all the cards he has received, so let's let Cliff know we are still thinking about him and send him a card with a cheerful note now and then. Maybe it will help him get better a little sooner.

So until next month, see you in a Square!  
Remember February 11th. Wear red for your sweetheart.

## Promenading B's

Sure hope your holidays were happy ones. It's good to be dancing again, and working off all those holiday excesses.

A great time was had by all at the New Year Party given by Ron and Betty annually. Ron really looked 'spiffy' in his new tuxedo. Jack and Dorothy Skelton brought along a picture album of their trip to Hawaii. Thanks, folks, for sharing a little sunshine with us all.

From our hearts to yours, an invitation! Come join all the B's at our Valentine Dance on February 11 at the school. There will be lots of hugging, kissing, and dancing. After all, square dancing is a contact sport!

Don't forget to reserve Saturday, March 26th on you your calendars. That is the date of our annual Black Light Dance. We'll be looking for all our friends, both old and new. Lots more information will be in the next issue of the Promenader.

Triggers

Triggers welcomed 1983 in with a fantastic New Year's Eve celebration. We began the evening with dinner at Barry's Restaurant and then on to festivities with Myron Huss calling. The dance hall was beautifully decorated by Mable Wordingham, the Bos and the Husses in an inspirational bell theme. Participation by everyone in the games chaired by the Sabernicks was a tremendous success. Food, fun, festivities and fellowship was enjoyed by everyone.

We have good news that Vince Kammer is progressing well from a heart problem, and we hope that soon he and Norma will be back dancing with us.

The Herkos became proud grandparents for the first time. Their happiness is a baby girl.

Amature night is always a fun time and this years dance was no exception. What talent!

There is no Triggers dance on February 15th.

We hope the Pierces and Britts are enjoying their winter in the sunny south. The Doerings, Halls and Speers were vacationing in Florida, too, but only for a short time.

Come and dance with us at our February 9th Valentines party. Guests are always welcome anytime.

A warm welcome to our many new members and also to all the guests who have filled our hall on Monday night nights.

With 1982 now past history, we want to thank every one who attended our Banner Dance and helped make it such a huge success. A good time was had by all and seven clubs reclaimed thier banners. Tecumseh once again turned out in full force and captured Dick Casper Casper's shirt and blue jeans. There stood our "Friendly Ghost" revealing vivid rainbow striped shorts. He was a memorable sight to behold.

It was really fun dancing with our class members at the Christmas party at Valley Echo. They proved to be not only good dancers but also a great theatrical group with their clever production of "The Night Before Christmas" complete with scenery and costumes.

Narrator, Andy Platou guided us through a modern version of the old classic. It was an oscar-winning performance that brought well-deserved cheers from the audience.

Our February highlight will be the Valentine Dance on the 14th to which our class is invited. Festivities will begin with a potluck dinner at 6:30 for members and class. Dancing will start at 8:00 at which guests will be welcome. Wear your heart on your sleeve and bring your Sweetie for a good time with good friends. Hope to see you there.

## Web Spinners

The Web Spinners welcomed the new year "in" with a lovely buffet and dance at the Exempt Club. Fifty-two couples from the club and class joined in the celebration! Congratulations to Gloria & Marty Kosten and their committee for such a fun night.

Our Beginner's Ball & Style Show was fantastic as always. It was great to see so many dancing people. All the class members are doing super! Keep up the good work, your more than half way through. You can make it.

February brings our Valentine Dance, on the 11th, with Madge & Homer Roodenburg as chairmen. All clubs are welcomed.

There will be a dance on the 18th even though the school will be closed. It is guest night. Guests clubs invited: Swingin' Eights, Swinging Squares, Tecumseh Squares, Wayne Westerners and Wyco Promenaders

The weekend of February 26th is our trip to Old Forge. There are 26 couples signed up to join the Sno Shufflers for the dinner and dancing. The dinner will be at Nahor's, a rustic Adirondack Hotel, and the dance will be at the Mt. McCauley Ski Chalet. Hopefully, there will be snow for our cross country skiing and other winter fun. There will be no dance on February 25th, at Plank Road School.

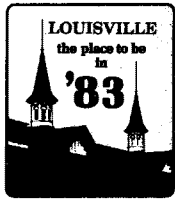

A reminder for March 4th dance. It will be All Singing Calls night by our Bill Wilcox and we welcome all clubs.

Here's to more snowflakes in the sky!

## Wayne Westerners

The Wayne Westerners had an enjoyable holiday season especially at our Christmas dinner-dance when our class was invited to join us. I think everyone will agree that they are doing a fantastic job and are a fun group to dance with.

To begin our 1983 dancing year, we had installation of officers with Len Ofsowitz taking over as President. Lets all give our support to our new officers and our club for the coming year. A Special thank you to our outgoing officers for a job well done and a great big thank you to Jeff & Sally Elmore. We appreciate everything you do to make dancing a fun time in our club. We also want to thank Mike Callahan and Dottie Reed for calling and cueing for us on January 13th. Everyone who missed this dance missed a terrific night of dancing. Thanks again Mike and Dottie.

Hope to see you all around the square in 1983.

## Country Dancers

Mike Leach will be running turning dance workshops again in February from 7:30- 8:00 and clogging will begin at 7:00 (buck and wing style). These workshops cost \$1. to help cover the rental cost of the hall--records are used so we save musician costs. Anyone is welcome to attend - even if they don't plan to stay for the dance. Our regular advanced dance contra series are again scheduled for the third Sat. of the month. Feb. 19th Eric will again be calling. Advanced dances are open to anyone that is comfortable with the contra basics. No real teaching is done, but we do walk through each dance and calling is continued if necessary.

The English Country Dance series is also being continued with various callers leading. Tom Bohrer usually teaches Playford dances (17th & 18th century) while other callers will bring English dances up to the 20th century. Once a month - Sunday afternoons from 2:30 to 4:00 at New Life Church. Call Barb for information. 244-1375

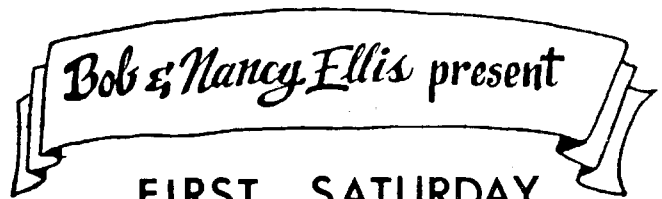

## Letter to the Editor:

Three cheers for Jerry's "Angel Write up".

The quality angels who attend to show off at classes should take note. When they attend to stomp, double, twirl, waist swing, kick and do all the movements that are not in this movement, better off if they stayed at home.

On the other side, the caller should have complete charge and the right to speak up and tell such "angels" nuff of that, gang. I am not teaching what you are doing so please stop now. You are confusing the beginners. That way maybe all this type of dancing would stop and do it gracefully as Pappy Shaw meant it to be. Fun is fun for yourself but don't inflict it on others.

**National Convention news...**

There'll be an entire suite devoted to Sew and Save at the 32nd National. It'll be in the East Wing of the Kentucky Fair and Exposition Center.

You'll be able to pick up some helpful hints there in a room that will be decorated with styles of different seamstresses in the Louisville area. There will also be drawings in which four square-dance dresses will be given away.

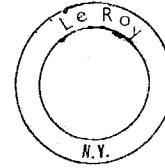

One of the features will be a presentation by the A. Baer Company of Louisville, one of the leading fabric and trim stores in the U.S. There's also a possibility that there'll be a tour of the company, with Baer handling the transportation from the fairgrounds and back.

The Sew and Save hours will be from 9a.m. to 4 p.m. each of the convention's three days. "What we want to do is give people some ideas, and easy way to do things," said Helen Murrell, who with her husband Charles heads the Sew and Save committee. "They can also discover ways to save money," she added.
