WOW!! How many friends can the PROMENADER have! People from all over, even Buffalo! What a response. We still can't believe it, can you? You all must think it's a mighty important paper. The PROMENADER thanks you. What more can we say...thank you, thank you. It'll go on being the best Square Dance paper around.

We don't have a final tally yet as money is still coming in and this has to go to print. Each time you see Bob and Nancy Ellis, give them a special big thanks. Many deserve to be thanked for their part of this event. I can't begin to list their names here. I hope having the PROMENADER appear in everyone's mailbox for the rest of the year will be thanks enough.

CONVENTION AND LEGACY

The National Square Dance Convention has once again asked Legacy to conduct a series of leadership Seminars during the 32nd annual Convention in Louisville, Ky. These daily two hour sessions will be of interest to all dancers, but especially to those involved in the actual running of clubs and federations.

On Thursday, June 23, the main theme will be "Building Trust" with Bo and Agnes Smith of Glen Carbon IL. Leading a discussion on "Relationships" by Bob and Becky Osgood of Los Angeles, Ca. another one on "Communications".

Club money management will be the topic for Friday. Peter J and Jenie Zukauskas of Bel Air, Md. will start out with "Budgets". Ted and Betty Vaile of Peru, In. will continue the discussion with special fund raising projects. This years seminars will conclude on Saturday with a panel on Club Leadership aptly named "Fun Not Frustration" by its moderator Freddie Kaltenthaler of Pocono Pines, Pa. Aply assisting her on the panel will be Loren and Bobby Foster of Sun Parairie, Wi. Bob and Dot Elgin of Harrison City, Pa. and Bob and Janette Kemper of Oak Ridge, Tn.

The Legacy organization was chosen to conduct these seminars as it is the leadership-communication-resource center of the Square Dance Activity. A talent bank of Legacy trustees is always available upon which the Square Dance activity may draw. For more information contact: Executive Secretaries: Don and Vera Chestnut, 2149 Dahlk Circle, Verona, Wi. 53593.

Our 1983 Leadership Conference was a tremendous success. Over 150 people attended, representing 19 area clubs. The Leadership Conference is a joint venture by the Callers' Co-op and the Federation.

Callers' Co-op Moderator Mike Harris opened the afternoon conference by introducing Bob and Jeannette Meagher, chairmen of the conference. After a short introduction by Bob Meagher, the first panel on the Rochester Area Federation ("the Group") was presented. Sitting on the panel were Fayne Doering, Bob and Maryln Dailey, and Jim Davidson. Bob Dailey gave a short talk on the Federation. Jim Davidson presented an excellent report on the findings from the square dance club questionnaire that was sent to all the clubs in the Rochester area. It was very interesting. Then there were questions from the floor on how to join the Federation, where does the money taken in for dues go, insurance, publicity, Promenader, Dance-O-Rama, etc.

Next we had the panel on Dance-O-Rama ("the Event"). The panel consisted of our present Chairmen of DOR, Jerry and Joan Sanford, John Fink, and Bob Meagher. Bob gave a short history of Dance-O-Rama. Then the Sanfords discussed this year's DOR, noting the fact that the price of tickets is still within reason for everybody to attend. It is still being held at Brockport, and will include a seminar on Smooth Dancing. Also, new class graduates should be encouraged to attend. Many interesting questions were asked about callers, dance levels, posting lists outside of halls, etc.

After a short coffee break we resumed by introducing the third panel on Club Officers ("the Management"). On this panel were Fran and Bud Macomber and Dorothy and John Hartman. They were asked questions on how to handle problems within a club on roughness, drinking, proper dress, manners, etc. Also how to handle beginners' classes and how to bridge the gap between class and club.

The last panel was presented on the Callers' cooperative of Rochester ("the Entertainers"). The panel consisted of Jerry Carmen, Chip Kellogg, and Mike Callahan. Many questions were asked, including ones about how to mix couples during the dance, the number system, and the possibility of running two-year beginner classes to cut down on the dropout rate of new people.

Bob Meagher closed the conference by thanking everyone for attending. He then thanked his committee: Peg and Myron Huss, Rita and Orlo Hoadley who were absent because of illness, and his wife Jeannette. He also thanked all the other people who helped, including Bob and Maryln Dailey, Wanda Callahan, and anyone else he forgot to mention. Special thanks to Jerry Carmen and Mike Harris for providing the sound and programming of callers and cuers.

After the conference we had a brief Happy Hour, followed by a buffet supper. Then we had a very nice dance, provided by our local callers and cuers.

Bob Meagher, CCR

DANCE-O-RAMA

What better way to celebrate the 25th anniversary of Dance-O-Rama than to share a great day of dancing with old friends and by making new friends. Make the 1983 graduates feel welcome and comfortable with their newly acquired dancing skills.

Halls include Mainstream, Plus Program, A-1/A-2 with C-1 startips. Round dancers and cloggers will host their own individual hall, both featuring demonstrations.

Our feature presentation will highlight a demonstration on "Smooth Dancing" plus other special surprises.

STOP THE PRESSES

At the March 10th Federation Meeting, a Publicity Committee was established to promote Square Dancing in the Greater Rochester Area. The primary objective of the Committee this year, is to produce a TV commercial and purchase air time during August 1983 to supplement every club's class recruiting efforts.

The entire Square Dance Community can benefit. A telephone number would be aired at the end of the commercial. Anyone calling for more information about Square Dancing would be sent a listing of all Beginner Groups in the Greater Rochester Area, as well as the Federation brochure, "What is Square Dancing?" The listing would include Club Name, Contact Person and Phone Number, Class time, night, and location for each club in the area. Your club's recruiting efforts would be enhanced by this program.

In the last year we have seen four Square Dance Clubs fold in the Rochester area. Many clubs are in financial difficulty. For the last several years, class sizes have been small or non-existent for many clubs. It is time to take positive action. It is time to promote our activity in an on-going, organized way.

In researching this idea, we found that a TV commercial was one of the most effective and reasonable forms of advertising. Yet, we need your financial support. A one dollar donation from every dancer would get this project started. Please help. The Committee's goal is attainable; but with most area dance programs ending in approximately eight weeks, timing is critical. If we are to do anything to help increase class sizes in September, we must have funds now to act on this proposal.

This project is worth a "dollar a dancer" investment. Help promote Square Dancing. Everyone will benefit. (continued on page 6...)

CLUB

NEWS

Belles & Beaus

Our club has been very active this year visiting and dancing with other clubs and attending their special affairs. We have enjoyed meeting and dancing with all you square dancers.

As one of the celebrations planned in conjunction with our 25th Silver Anniversary, about 15 couples had a "Get A Way" weekend at Michael's Inn, Niagara Falls and they all thoroughly enjoyed themselves.

We are sorry to hear Mary Lou Burke broke her arm, as the result of slipping on ice. Also Jack Heagney entered the hospital this past month for open heart surgery. We wish the best to both of them and hope they are soon on the mend.

We are also sorry to report the death of Jerry Flynn, a past president of our club. We wish to extend our deepest sympathy and prayers to the Flynn Family.

March 5, found 12 couples from the club helping to man the phones at Channel 21, by taking pledges so this excellent station can continue to bring us their fine TV programs. They all enjoyed dinner at Rund's before starting the evening.

March also found quite a few of the club members attending Harris Squares annual St. Patrick's Day dance held at Beaver Island Casino on Grand Island. As usual the dancing was great and so was the food.

The latest report on our class of 18 couples is, they are coming along splendidly and will soon be receiving their diplomas.

This is the month when that little fellow in the white outfit with pointed ears and fluffy tail makes his appearance. So from our club to yours Happy Easter!

Don't forget we dance on Monday nights and you are always welcome. Until next month.

Callers' Co-op

April and May are so busy, busy, busy! Your local callers and cuers are running around trying to put the finishing touches on what will probably be the most exciting graduation period in our area for many years.

On Sunday, May 1st, Dave Taylor, the current chairman of CALLERLAB, will be in town. In the afternoon, he will present to the local callers a seminar on Smooth Dancing. He will show us ways to prepare and deliver smooth patterns for our dancers. That same evening all area dancers are invited to attend a special Smooth flowing dance with Dave putting into practice what he preaches. The tuition is \$6.00 per couple and the dance will be at the Redman's Club from 7:00 to 9:30.

On Friday, May 6th, at the Mother of sorrows Church on Mt. Read Blvd. at Latta Road, C.C.R. is sponsoring a dance designed to be a lead in promotional dance for Dance-O-Rama. Local callers and cuers will provide dancing from 8:00 to 11:00 pm. If you have your D.O.R. tickets then you can get into the Trail-In dance for 1/2 price (2.50 per couple). The idea is to try and boost the sale of D.O.R. early tickets and to help persuade our new 'grads' to join us at D.O.R. on Saturday, May 17th.

What a week! Dave Taylor on Sunday, Trail-In on Friday, and Dance-O-Rama on Saturday! Plan to make all three of these events and enjoy square dancing at its very best.

We will see you there!

Cloverleaf Squares

First of all, I would like to announce that Cloverleaf Squares has a new President and Vice President. Congratulations go out to Nancy Ostrander, President, and Mark Thone, Vice President. Nancy's address is 32 Rockhurst Drive, Penfield, New York 14526. We were all sorry to find out that Bob Karem, our previous President, had to resign and wish the best of luck to Nancy and Mark. Now that our board is complete, several activities are being planned.

Sunday, March 20 was Cloverleafs' St. Patrick's Day Dance. It went real well. Maybe that's because there were so many four leaf clovers around for decoration! As an added treat, we also had an ice cream social. All sorts of icecream and toppings were available. It got a little sticky but no one seemed to mind.

We had a very nice surprise at our Valentine's Day Dance. The Sweet Adelines Quartet visited us and sang three or four beautiful songs. They were super and we were glad they came. Hopefully we can convince them of a repeat performance soon.

Winter Weekend turned out to be a great time for everyone. Most people got to the camp between five and nine o'clock. It was just one big party until Sunday. Saturday night was amateur caller's night because Mike Callahan couldn't be there. I think that was the best part of the whole weekend. Well, next to all the food, maybe! Special thanks to Mike and Linda Liberti for Friday night dinner.

Well, until next month, happy dancing!

Diamond Squares

Welcome to Spring, not that Winter was so bad, and Happy Easter season to all. We hope to see our snow-birds returning soon - they don't know what kind of a Rochester winter they missed. On Saturday April 2nd, Bob and Nancy Ellis will host one of their 1st Saturday Hoedowns for the "Club Dancer" and "New Dancer". Pass the word along and let's get acquainted with the graduates of 1983!

On the sick list (but improving) are Terry Veniskey and Chet and Sylvia Paul, all recovering from recent surgery. Welcome back to Al Francione and Norm Coates who have both been on the recuperation list.

Best wishes and happy retirement to Earl Pankratz who retired from Kodak in February. Earl will be busy keeping Audrey happy doing all the things they've wanted to do around the house. Maybe Kodak wasn't so bad after all, right Earl?

Many thanks to Bob and Nancy and their clubs for the very successful PROMENADER dance March 13th. We hope that through this benefit dance, the PROMENADER will profit and keep giving us the super newsletter that we're all used to.

Hope to see everyone at Dance-O-Rama on May 7th in Brockport. Diamond Squares are on the Decoration Committee and I know they will do their usual "A-1" job. See you in May.

EKC-O Squares

Hi Square Dancers,

EKC-O Squares is back to dancing on Wednesday nights and back up to Kodak Office on State Street. This is a shorter walk and also easier to find.

A lot of our sun-bird square dancers should be heading North again and soon be joining us for good weekly dancing and fun.

Cliff Bushnell still is recovering slowly from his accident and I am sure would be cheered by some cards or friendly notes from his friends at EKC-O and others that know him.

Also on a sad note, EKC-O has lost another dear friend. Chuck Korn died of a heart attack last month. We all extend our heartfelt sympathy to Jean.

On a happier note, Tom and Ginny Hamlin have consented to be the Vice-Presidents for EKC-O Squares. Congratulations! Congratulations are also in order for Tom Hamlin on his retirement. (Which helped him decide to help EKC-O Squares by becoming Vice-President. This is also a good time to extend Happy Retirement wishes to all EKC-O members who have decided to take life easy starting March 1st.

Happy Dancing!

Fun Luvin' Squares

Spring has sprung and soon the world will be filled with flowers and new graduates. Now is the time to put on those "comfortable" dancing shoes and dance the night away in the "Fun" world of square dancing.

March was very exciting here at Fun Luvin' Squares. We celebrated our first anniversary of regular weekly get togethers in our hall in Brighton. Many of our friends came and joined in the festivities as Craig and Mary Spall were made charter members of the club. These two folks have contributed to our group above and beyond the call of duty, many, many times. Our thanks goes out to them.

Please note, April 6th, there will be no dance as the school is closed. However, on the other Wednesday nights in April, plan on coming over and enjoying yourselves at the Mainstream level of dance, done with a flair. Also join the Fun Luvin' group in the first week of May as we take in all of the special dances that week. Check the callers co-op news and the schedules for the times and places of these events.

We understand our class members are doing great with Chuck Prister and graduation is only a few weeks away!

Please note that our exciting April 14th dance with Ed Foote calling and Bob Slomcenski cuing will be held at Northside Elementary School, Hamilton Road, Fairport. Glass Slippers

Spring is here! Even though a lot of weeks this winter seemed to be Spring, now it is official! What better way to welcome Spring than with a couple of special dances. April 6th, we will have our Easter Dance, of sorts, but since it is after Easter we are calling it "The Tired Bunny Hop". It will be held at the Protectors Fire House on West Avenue in Brockport.

Then on April 13, our caller Ron Fotch has an evening planned for "All Singing Calls". For this dance we will be back at the Ginther School.

All of us of the Glass Slippers would like to take this opportunity to wish everyone a Happy Easter and we hope to see you on the dance floor with your favorite Bunny.

We are happy to report all our "Southern Bells" are back from their various vacation spots ready for some Northern style dancing. Come and Join us for a real good time! We always welcome guests!

WELCOME

With the arrival of April comes the excitement that the anticipation of beautiful spring weather always brings us. It also accelerates the enthusiasm of the happy activities of our square dancers.

Already graduation, which has seemed so far away, is fast approaching. Note the date, April 16, 1983. Let's give our class a royal welcome into our club. They have worked hard under the patient and thorough guidance of their instructor, Bob Meagher. He and Jeannette (Taw) have been instrumental in giving the class confidence and developing their love of square dancing. It's contagious, you know! Thank you both for a job well done. Thanks also to the Angels, the officers, and others in the club who willingly devoted their Thursday evenings to help our class.

We spent a very pleasant evening of dancing to Mike Callahan's calling last month. This month, on April 30th, we are looking forward to dancing to another guest caller, Ron Fotch. Brian Adams will be cuing rounds. Let's join them for a friendly enjoyable evening of dancing.

Accolades to Brian Adams for the excellent job he is doing for our round dancers. He and Jon McNally, our fine caller, make an unbeatable team. Plan to spend an evening with us soon. Find out for yourself what fun we have.

Let's give our whole-hearted support to the Leukemia Dance. Watch for the date.

Our club will not dance on our regular night, May 7th, since that is the date of the Dance-O-Rama at Brockport.

See you dancing!

25th ANNUAL DANCE-O-RAMA

SILVER ANNIVERSARY

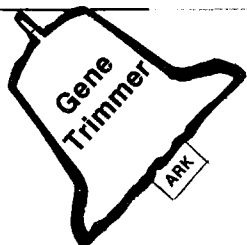

Saturday, May 7, 1983
1:00 PM to 11:30 P.M.

Bruce has been calling since 1967 for dancers at the mainstream through C-4 levels. He runs 3 clubs near his home in New Jersey besides offering workshops at the advanced and challenge levels. He guest calls for clubs in the New York-New Jersey-Connecticut areas. He has called at 13 National Conventions, in addition to dances, workshops and festivals around the country.

He and his wife, Bonnie, are very active in Caller and Dancer organizations at the local, regional and national levels; he is a member of CallerLab and serves on the Quarterly Selection Committee.

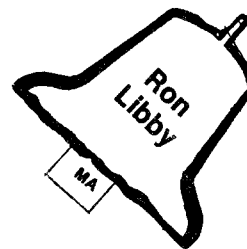

We welcome Bruce and Bonnie to the Dance-O-Rama Festival!

Gene began his full-time calling career in 1974, adding ventriloquism in 1978. He is the author of many square dance publications such as MATCH 'A MELODY, MAINSTREAM FLOW and the FUNDAMENTALS OF HASH CALLING. He is also on the recording staff of TNT Records and has appeared on many recordings.

Gene's home is in Arkansas but he calls at festivals and functions coast-to-coast. He has been dubbed the "Prince of Pantomime". An added treat is his special friend "Roger" who helps with calling at specials.

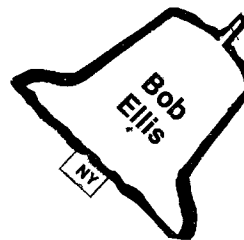

Gene will be a novel treat and a real asset to Dance-O-Rama.

Ron is best known for his singing calls and the interesting way he expresses his hash choreography. His calling has excited dancers in Bermuda, the Bahamas, Hawaii, Japan, Canada and the U.S.

After his discharge from the U.S. Navy Band, Ron traveled with U.S.O. Tours and the Woody Herman Band. In 1968 he decided to become a full-time caller and now makes his home in Coral Springs, Fla. and Maine in the summer.

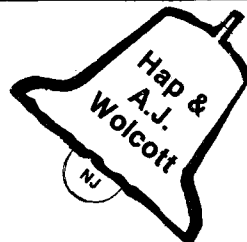

We look forward to dancing to Ron at Dance-O-Rama!

Bob is one of our favorite local callers and instructors. Prior to becoming a "modern" square dance caller, Bob called "Eastern" style for many years and was once a professional magician. He takes his teaching skills into local schools and teaches the basics of Square Dancing and Contras to gym classes.

Guest calling dates take Bob and his wife Nancy, throughout New York, Pennsylvania, Ohio, Michigan, and New England. Together, they do summer square dance campouts and have taken groups on tours to Nashville, Tenn., Hawaii and many other places of interest.

Let's give Bob a big turnout at Dance-O-Rama this year!

Hap and A.J. have been teaching rounds for 6 years. They compose some of their most popular dances such as SUGARFOOT, SUNRISE SUNSET, and RHUMBA MARIA which became a Round Dancer Magazine Classic in 1980. They are members of Roundalab and the Universal Round Dance Council.

They hail from New Jersey where Hap is the teacher and cuer of the team; conducts 3 levels of workshops, teaches basics and they have performed at many festivals and conventions.

Their dancing and round dance choreography have put them in touch with many lovely friends around the country. Their current rounds include TWO LIPS, CABARET, and LOLLIPOPS AND ROSES.

Merry Mixers

When spring comes, you know that the annual Hobo Dinner at the Merry Mixers can't be far behind. This year the event will take place on April 18, 1983. Guests are welcome, but do remember to make reservations ahead so we can be sure to prepare enough food. The cost for the meal has not been set yet, but we'll know before long.

Keep your eyes on this column, folks, we are thinking of changing our dancing night to Tuesday. We will keep you informed. Until we do change, you are welcome to dance with us any Monday night that we dance. Information Reporter, Nancy Donald 865-9220

Morton Country Swingers

The Morton Country Swingers and guests enjoyed a Saint Patrick's Day Dance on March 17th. We hope everyone had an enjoyable evening.

Our special dance in April will be a Bunny Hop on Thursday the 21st. We are inviting Brockport's Glass Slippers and the Village Squares from Fairport.

Each Thursday evening at 7:30 we meet at the Morton Baptist Church. Now that spring is here, why not come out and Join us? Information Reporters, Jim and Toni Roushey 964-3231

Congratulations to Earl Pankratz who retired from Kodak in February. Earl tells me Audrey has lots of home renovations in store for him to occupy his leisure time. ORBITS

The Orbit's Valentine Dance was held Feb. 19 at the Episcopal Church, Medina. Most agreed the cozy quarters were most conducive to good dancing and fellowship. We had a great time with a warm feeling of togetherness. Refreshments in keeping with the theme were delicious!

On Wed. the 23rd the Orbits enjoyed dancing as guests of the Glass Slippers in Brockport. A big thank you goes out to their club for the warm hospitality show shown us.

Come dance with the Orbits on April 16 and 30th.

Tecumseh Squares

April 19, 1983, brings a night of All Singing Calls with our favorite caller, Bruce Shaw.

Those who came last year, will recall what fun we had. Bruce called a real nice dance last year. This year let's see the dance hall full of square dancers, and show Bruce what fun we can have.

Remember the date April 19th. Circle it on your calendar and don't forget to come out for a night of All Singing Calls. See you there.

Swinging Eights

Some of the recent highlights of this past winter included the Ice Cream Social of February 26, and the St Patrick's Sing-A-Long of March 12th. But now that April is here, we can look forward to lovely spring weather and two very special dances that are taking place very soon. On April 16, there will be a Dessert Night. Don't worry about calories, Bruce Shaw will make sure that you will burn up all those calories, dancing the night away. On April 23rd, Bob Ellis will be our guest caller, and the evening should be fun for all. Look for our ad elsewhere in this issue of the PROMENADER, and come dance with us.

We wish a speedy recovery to Verne Avery who has recently undergone surgery. We hope he will be back dancing real soon.

Our Big Month has finally arrived. All those Wednesday nights, with Bill, of struggling to learn calls such as: Skoot Back & Wheel & Deal are coming to an end. Graduation's almost here! We have a great class and all have worked hard for their diplomas. The club will be proud to welcome them to our group.

Our St. Pat's Dinner and Dance was such a fun evening. Lots of hard work by the committee chaired by Harvey and Jean Schwieger. The food was delicious and the dancing just what we all needed afterward for exercise.

There will be no dance on April 1st, due to easter vacation and schools being closed.

April 8th, we will be dancing at the United Church of Christ on Klem Road. Mark that on your calendars.

Our guest night is April 15th, with guests from: Swingin' Eights, Pioneer Squares, Swinging BB's, Triggers, and Village Squares.

The 29th of April is Graduation night and we all shall be at the Exempt Club ready to celebrate with our new Web Spinners. Joanne and Ted Blanchard are chairmen of this affair. We can still remember this night as our names were read off to come forward for our badges. Judy had to check in the "Black Book" first though, to see if we had passed all the requirements.

Don't forget Dance-O-Rama in Brockport on May 7th. This is always a great way to show-off what you've been learning and dancing all year.

Our thoughts turn toward Spring now and we keep looking for crocuses and snowdrops to peek through the ground. I guess I shall just have to wait for next year for more snow.

Our March "In Like a Lion, Out Like a Lamb" dance was fun and the Whites went all out making their clever calendar cake with its lion and lamb theme, and calendar badges. Their "Do You Know Your Wife, Do You Know Your Husband" game was entertaining, too.

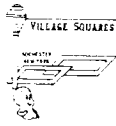

In April, we square dance only the 19th and the 26th. There is no dance April 5 or 12. Vince Kammer is in the hospital and our prayers are with him and Norma. Hope Shirley Brennan will be back dancing with us again soon.

We have two more retirees - Bill Fitzgerald and Len Hall - best wishes to you both. The Sabernicks and Yunas will have much to tell us when they return from their enjoyable Caribbean cruise.

We're looking forward to our Spring Fling on May 10 at 6:00 PM. at Stephen's Restaurant and Party House (formerly Barry's) and guests are welcome.

Village Squares

Our Valentine Dance with the class was great fun. The table at the pot-luck dinner was heaped with a wide variety of goodies, and it was no place for anyone on a diet. It was an evening of good dancing.

The voice of Dick Casper calling "El Paso" was heard recently drifting across the Gulf of Mexico off the coast of Cozumel. Eight members of Village Squares did a tip aboard the MS Starward for Country-Western night using a tape recording of the Friendly Ghost. It was a great experience and the passengers enjoyed Dick's calling.

April will be a busy month. Spring is here and "Spring Fever" is the theme for our class dance to be held on April 9th from 8:00 to 11:00. Our enthusiastic class is working hard to make this dance bigger than last year's. Once again it's a contest between class and club as to who gets out the largest number of couples. All club and class members are invited.

Graduation will be on Tuesday, the 19th. We hope for a large turnout of club members to witness the examination of a great class and to give them a warm welcome into the club.

There are two important dates coming up in May. The Carnival Dance which was so successful last year will be held on the 16th. Our Trail-End Dance will be on the 23rd. Watch next month's issue for details.

We wish all of our dancing friends a Happy Easter. Information Reporters, 377-3255/381-2191 Chape and Jean Blake

Wayne Westerners

The spring season is almost here and at this writing we wonder if March will be the angry Lion as it leaves us.

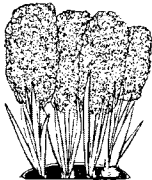

We enjoyed our Valentine Dance with our Class, the desserts were plentiful and real good.

We're looking forward to our St. Pat's Dance, March 17, with Chip Kellogg and Dottie Reed, and we hope you all will join with us on that occasion.

We finally decided to return the Copy Cats banner with the addition of a couple of Kittens but then we became Indian Givers and took it back home again.

We hope there will be a good attendance at the PROMENADER Benefit Dance, we surely want to see the PROMENADER continue in the future.

People

In the Northeast outskirts of our Square Dance Area, the Wheel-N-Dealers have been dancing for more than twenty years. The dedicated work of Don and Margaret Koza has been responsible for keeping this youth group from Kendall going.

Don and Margaret are as enthusiastic today as when they were first getting underway with the group. The Wheel-N-Dealers have fourteen members this year. Don and his daughter, Nancy (now in college) act as advisors. The membership has its ups and downs at the members grow up, but none of them will forget the fun and friendship Don and Margaret have brought into their lives.

Don and Margaret have put a lot of miles on their car picking up kids for the dances held at Kendall School or the Lutheran Church. The Koza's take the kids traveling also. When you see Don and Margaret appear in the doorway, you can count on having another square at you dance.

We thank you, Don and Margaret for sharing dancing with so many!
