### ATTENTION ADVERTISERS AND CLUBS;

This coming subscription year, we would like to offer our regular advertisers nine ads for the price of eight!

We have found it necessary, after five years, to raise the ad rates slightly (roughly 10%) to cover increased costs. We hope to make this increase easier on our regular advertisers by making this offer. (The PROMENADER benefits by decreased billing costs, guaranteed budget, and having a working capitol.)

You can take advantage of this offer by sending your first ad and a check covering the price of eight ads by Oct. 3. (See chart below for costs.) Your prepared ads may all be different (if you wish) and must arrive by the deadline for each issue. If, for a special occasion, you desire a larger sized ad, you will be billed for the difference.

Please call me if there are any questions or if you are interested in this offer. 494-2102.

Thank you for your continued support.

## ROCHESTER AREA FEDERATION MEETINGS

Three copies of the minutes of the meetings of the Rochester Area Federation of Western Round and Square Dance Clubs, Inc. (take a new breath) are mailed out to each of the affiliated clubs: one copy to the President of the club and one copy to each of two pairs or couples of club representatives. There's no way that the Corresponding Secretary of the Federation can send mail to somebody whose name & address she/he doesn't know. It is the responsibility of somebody from the club to see that the Secretary is kept informed of the names and addresses of the current occupants of these positions. If somebody out there doesn't know what's going on because he/she isn't getting a copy of the minutes that she/he is supposed to get, better make sure that the Corresponding Secretary knows who and where you are!

Federation meetings are rotated from Monday to Thursday night of the week, so that the interference with club dances is held to a minimum, and doesn't always happen to the reps of the same clubs.

As we start the new season, it is appropriate to ask you, our readers, to think about the needs and objectives of our favorite activity. We would like to use this column for a two-way communication with square and round dancers. You are invited to write or call with your ideas. We will try to summarize these for future columns. Your names will be used only if you consent.

Here are some topics that we think are worth some discussion. You are welcome to suggest others.

1. What should the Federation be doing to promote square and round dancing? Should the objectives or activities be different from past years?
2. Are there any problems that you see? What might be done about them?
3. How do you feel about the dancing levels defined by Caller-Lab, and the creation of clubs at various levels?
4. How did the '83 Federation publicity work for your club? How could it do more for your club next year?
5. How do you like the *Promenader* format? Does it serve your needs? Any suggestions?

For our part, we see the loss of trained dancers, especially in their first year, as one problem that ought to be addressed, and ways found to reduce this attrition. Any comments?

If you are a recent graduate, we hope you have enjoyed your first year's experience and will continue with club dancing. Comments from the new dancer's point of view will be particularly welcome; we tend to forget what it was like to be newcomers.

Mary Lu and Jim Davidson.

You can send a note to 225 Cobb Terrace, Rochester 14620, call us at 473-7672, or leave your message on Jim's answering machine, any time day or night, at 422-9075.

## Editor's Note:

Dear Readers,

We are starting off the fall season with much enthusiasm! Because we have been asked by so many to have another PROMENADER Dance, the PROMENADER is sponsoring A Fall Get-Together on Oct. 2. The main purpose of this dance is just to get together and have a good time - NOT to raise money. (We're solvent!)

We're hoping to be able to invite all our advertisers, but have not yet been able to verify the space. So that's a big maybe at this time.

You'll be able to purchase a subscription at the dance, at your club, or by mailing in the subscription blank in this issue.

Square dancers are great!

## Caller Profile

**JERRY CARMEN**

While a student at the University of Massachusetts in 1962, Jerry was an onlooker at the college square dance club, the "Heymakers", while one of his friends danced. The club sponsored no class, so Jerry was one of the bystanders dragged into a square when one more was needed to fill it.

Through the efforts of "quick teaches" between tips and the patience of the club members, his ability grew, and so did his confidence and enthusiasm. So it was no surprise that when the club's caller graduated, Jerry, along with two other members began a crash course in learning singing calls and hoedowns to keep the club going. One of those other callers was Don Beck, the originator of "Ferris Wheel, Ping-pong Circulate, etc." It was also there that he met his wife Betty, she becoming his favorite dance partner.

After earning a degree in Mechanical Engineering, Jerry came to Rochester with his new bride, Betty, to work for the Eastman Kodak Company.

He now calls for four clubs, teaches a class; and guest calls frequently throughout New York State, Pennsylvania and New England. His calling experience ranges from one-night stands to round dancing and advanced dancing. His wife, Betty, accompanies him often as a round dance cuer and together they sponsor a beginner round dance class during the summer.

He has attended callers clinics under the direction of Earl Johnston, Al Brundage and Dick and Audy Jones. He is also a past moderator and charter member of the Callers Co-op of Rochester.

Jerry and Betty live in Spencerport, New York and have two sons, and two daughters.

## SQUARE DANCE ORGANIZATIONS

Usually our first experience with a square dance organization is the local club. The local club may be dancer owned and operated, caller owned and operated, to some combination of these two. It may or may not sponsor classes and usually adheres to a certain dance program/programs, squares, rounds, clogging, and/or contra. These clubs are a framework on which many other organizations are based.

Area organizations such as our own, Rochester Area Federation of Round and Square Dance Clubs, Inc., serve to promote and coordinate square dance activities in that area. The Buffalo Area is served by FLADA (Frontier Leaders and Dancers Association). The Syracuse Area is served by Central New York Square Dance Association. There are others in the state.

Callers Co-op of Rochester (C.C.R.) is another Rochester Area organization geared to the callers and cuers in this area. C.C.R. and R.A.F. (Rochester Area Federation) work hand-in-hand and yearly co-sponsor a Leadership Seminar for all square dancers.

CALLERLAB is an International Association of Square Dance Callers. Membership of about 1,400 callers. Its purpose is to provide leadership and direction for the calling profession while lending strength and direction to the Square Dance movement as a whole. This organization is responsible for establishing the Basic, Mainstream, Plus, Advanced and Challenge Programs. It has established a code of Ethics for callers, an accreditation system for callers, and caller's school curriculum.

LEGACY (an International Assembly) is a leadership, communication, resource center, attempting to establish a public trust for the continued development of square dancing. Legacy represents: Square and Round Dancers, Square and Round Dance Organizations, publications, and caller organizations, National Convention Executive Committee, Square dance record companies and suppliers. It helped form the National Association of Square and Round Dance Suppliers, and Roundlab. It has drawn up the "Leadership Manual", a valuable aid to all square dancers.

The Lloyd Shaw Foundation's objective is to recall, restore, and back the folk rhythms of the American People in dance, music, song, and allied folk arts, as a tribute to the memory of Lloyd Shaw.

The National Square Dance Convention Executive Committee is the organization that sponsors and guides the Annual National Convention. It has completed thirty-two national Conventions.

Roundlab is a professional teacher's organization to promote, protect and perpetuate the general Round Dance Movement. It developed a Code of Ethics and Dress for Roundancers, it is standardizing definitions and words, and it is developing procedures for accreditation for teacher-training schools, and is forming the first Roundlab classic list.

Square Dancers of America, Inc., is a National Organization. Many of the above organizations are members. Square Dancers of America has obtained an excellent insurance policy that is geared specifically to the Square Dance scene, and is available to its members. (Rochester Federation is currently studying this opportunity.)

All you ever wanted to know about square dancing, but were afraid to ask! Do you have a question about square dancing that you can't get answered?

Write or phone the question into the PROMENADER and we'll get you an answer! The question can be about any aspect of square dancing, dress, etiquette, a problem call, history, organizations, publications, clubs, etc.

We will turn the question over to an authority(s) to get an answer. We will (or will not) use your name as you prefer. The research will take a couple of months and we'll only be able to handle one question a month, so get your question to us now. ## Belles & Beaus

Our Golf Tournament held on July 24th, under the Capable direction of Mary Lou and Lowell Burke produced two winners - Mary Lou Burke (no less) and Bob Baker. The picnic committee did a fabulous job of satisfying everyone's hunger after the tournament.

We had about ten couples from Belles 'N Beaus travel to Niagara Falls for the weekend of July 30 and 31, to dance with Art Harris at the Square Dance Extravaganza held at Lackey Plaza in Niagara Falls.

August found many of the Belles 'N Beaus in Alfred, New York for the annual Square Dance Weekend held at Alfred University with Art Harris calling. As usual it was a busy and fun filled weekend.

Our club will start dancing on Monday, September 12 and we are looking forward to another year of great square dancing. We are also looking forward to dancing with our new graduates - we hope to see all you new club members at the first dance! Monday, September 12.

We will have open house on Wednesdays, September 14 and September 21, so remember to bring your relatives, friends and neighbors so they may enjoy some of the fun - you will be doing them a favor. Our class will start dancing on Wednesday, September 28, 1983.

Don't forget club members, we are invited again this year to spend the weekend with the National Campers and Hikers at Hamlin Beach on September 16, 17, and 18, 1983 and introduce their members to the joys of Square Dancing on Saturday, September 17. Chuck Prister in his inimitable way will do the calling. If you can't spend the weekend camping at least try to make the dance on Saturday night. We all had a good time last year. See Art and Jane Donovan for details and don't forget to sign up!

Plans are almost complete on the arrangements for our Silver Anniversary Dinner Dance to be held on Sunday, October 9, 1983, at the Green Lantern Inn. We hope all the old and new, past and present club members are planning on attending this event. Our capable committee are hard at work to bring you a gala celebration.

On Sunday, October 16, we are having a Steak (?) Roast, see Art and Catherine Widman for further details and don't forget to sign up.

Remember we dance on Monday night and guests are always welcome - Until next month.

## Callers' Co-op

Hey caller! Hey cuer! It's that time again. The dancing season is here so let's get together for our first meeting and assemble our plans for this year.

The meeting will take place at our annual picnic in Mendon Ponds Park. All callers and cuers are invited to come whether or not you belong to C.C.R. We'll supply the hamburgers and rolls and you bring a dish to pass, your own drinks and place settings. It will be an informal get together to just have fun, relax and get reacquainted with each other.

Jerry Carmen moves up to senior moderator this year, Mike Callahan leaving his post as the treasurer to take over as junior moderator. Jeff Elmore has bravely volunteered to take care of the treasury this year. What a team.

Don't forget Mendon Ponds Park, Noon till...  
Sept. 11... Let's relax and have some fun.

Information See you there!

## Cloverleaf Squares

Welcome Back! I certainly hope everyone had as nice a summer as we at Cloverleafs had. As you may not have known, Cloverleaf Squares danced right through the summer months. Wow, can it get warm by the time the evening ends! On behalf of our club president, Nancy Ostrander, I would like to thank all our faithful dancers for staying with us during the summer and "remaining in uniform". As I may have mentioned in an earlier article, our club has an activity each month. Our June activity was a weekend at Darien Lake. About 10 people camped overnight. Five of us went to Niagara Falls Saturday. That night we cooked out and built a campfire. Sunday was a day at the park. Luckily, the weather held up nicely.

In July, we held a bike ride with Swingin' Singles around the Genesee Valley Park. It was from 11:00 - 4:00 P.M. If people weren't in shape before the ride, I bet they were after! They stopped for ice cream to break up the ride and also to cool off, I'm sure.

In August, the Cloverleafs and Swingin' Singles took a boat ride along Irondequoit Bay. Dinner was included for those who were interested. Also, a semiformal dinner at Rund's was in August for Cloverleafs. It was fun getting together with everyone outside of square dancing

Coming up are our annual open houses. This year, they are on Sept 18th and 25th at 8:00 pm. We hope to get as big a turnout as we did last year.

Well, until October, happy dancing.  
Information Reporter,

## Copy Cats

The Copy Cats are having a great summer of dancing. Chip Kellogg, Mike Callahan, Mike Herne and Dick Casper are providing an exciting variety of dancing for all of us to enjoy.

On September 10th, the club will start the new year with the Squeaky Hinge Dance at the Christian School in Penfield. Time to oil the joints, sweep out the cobwebs, get the feet moving again in tune with the music, and meet all our friends once more for a brand new year.

On September 11th, the club will have its annual picnic at Walworth Park, on Rt 441 just east of Rt 350.

Open House for new dancers will be at the Christian School September 20th and 27th. Again, the Copy Cats are most fortunate to have Chip Kellogg as class instructor. Chip is an outstanding teacher and all who have been in his classes remember the fun they had learning. All wanting to share this great pastime of ours are welcome to join Chip's classes each Tuesday at the Christian School.

Dee Coviello is recovering nicely after an operation. We expect to see her back dancing the light fantastic very soon.

New officers were installed at the Trail's End Dance. Jim and Liz Culp are the Club Presidents, Al and Dot Pheilshifter will serve as secretary, Tony and Mary Culotta are Vice-Presidents, Russ and Gert Harding will try to keep us solvent as Treasurers, Nelson and Myrtle Peck along with Bill and Helen Hafele will take care of the club's future as membership chairmen.

## Boots 'N Slippers

Boots 'N Slippers dancers ended the year with a great Trail End Dance and Pig Roast. Jack Sadwick was 'honored' with the pig's tail! Thanks to those who prepared that feast.

We hope some of you saw us on our float in the Hilton Carnival Parade on July 27th.

On August 12th we had our summer event - a steak roast and a good time was had by all even if it was hot dancing with the mosquitoes.

We will kick off our 1983-84 dancing season with a pot luck dinner on Friday, September 9th, at 6:15 at the Jonathan Underwood School - our usual dancing location. We would like to invite anyone who would like to join us to bring your table service and a dish to pass.

On September 16, while many of us are enjoying Fling Fantastic in Niagara Falls, Mike Harris will be calling for our square dancing. Won't you join him for a Sundae Friday that night?

Brian and Judy Adams became grandparents for the first time recently. Congratulations! Brian will begin a round dance class on Friday nights from 7-8 with round dancing from 8-8:30, and Mike Callahan calling for square dancing from 8:30-10:30. Mike has a record of some new calls available wherever he calls - ask him about one.

We were glad to hear that George Germeroth's hospital stay was a short one and he is feeling his usual chipper self again.

## Checkmates

Well, look at us! We're dancing A-1! After two summers of workshop, Dick Casper is introducing his new A-1 Club, Checkmates. If Tuesday night is good for you, come join Checkmates and continue your A-1 dancing. Guests who can dance A-1 will be most welcome.

Starting September 13, dancing will be every Tuesday 8:00 to 10:30 at the First United Methodist Church, Fairport. Dave and Joyce Smart are Federation Representatives. Charlie and Norma Fitzgerald are serving as club Reporters. This is a Caller's Club where Dick does the work and your happy job is to have a really pleasant evening of dancing. Watch for the new blue badges shaped as shields with white lettering.

We're so sorry to report that Herry Ratliff is ill again in the Rochester General Hospital. He and Mary Ann are greatly missed and we do look forward to his return to good health and to our squares.

## Country Twirlers

Welcome to our 1983-84 season of square dancing. Our first dance is our Open House on Saturday, September 10. Everyone is welcome to come and invited to bring their friends. It will be a great chance to renew friendships, meet new people and limber up our legs. We hope to see you there.

Our campout weekend at Lakeside in June was a great success. Although we had a damp Friday night, the weather cleared and the sun co-operated on Saturday for a delicious picnic followed by Jack Barnes calling a super dance. A special thanks to all who had a hand in organizing and providing for our good time.

## Diamond Squares

Hope your summer was a fun-filled one with lots of square dancing and fun on campouts and special weekend events. Many members of our club attended the National Convention in Louisville, Ky. We had such a good time, met so many nice people and had lots of good dancing to various callers, that we decided to do it again in 1984 in Baltimore, Md. We are already filling up bus #2 so get your name on the list for next year. It's nice to see the familiar faces of Hank and Marge Nassella who have returned from Florida to dance with us this summer. Another of our couples who returned for a visit were the Neebes - it was good to see them again and have Milt refresh us with some new jokes.

Our 6th anniversary dance will be held at the Green Lantern Inn on September 7th with a dinner-dance. Dinner at 7 pm, dancing at 8pm with Dottie Reed cueing rounds. Make your reservations early for this one! Congratulations to Joe and Ruth Brechel who became grandparents of a little girl named Christie on May 24. Birthday greetings are in order for Bob Ellis on July 27 and Dottie Reed on August 12th. Happy belated birthday greetings to you both and to Cay Jackson who celebrated hers on July 21st.

On the ailing list is Joanne Pettit who suffered an injury to her leg. We hope to see you back on the dance floor soon Joanne. Everyone came out in full "aloha" attire for Hawaiian Night on July 20th and after that, we topped it with our ice cream social on Aug 10th. A good time was had by all at both affairs.

Happy anniversary to Bob and Nancy Ellis who will be celebrating their 8th anniversary on September 30th and to the Fords whose 1st anniversary was August 7th. Until the next issue, have a happy "whatever" you plan to do.

## EKC-O Squares

Hi!

September rolled around quickly and another good year of dancing is coming up.

Mike Calahan is starting us off for our Welcome Back Dance with his usual great calling. It's still air conditioned at Kodak Office (just in case the summer heat is still with us.).

Jack Sadwick has been calling some very good dances this summer and the former class has been very faithful in attending the dances. We have some very good dancing additions to our club now, and both caller and dancers deserve congratulations.

Ken Anderson will be back for another visit on September 28th. Anyone who missed his July visit should be sure to try to get to the September dance.

There is one sad note to report for over the summer. Louie Kuchman passed away. He put up a good fight for several years, but finally lost. We all send Jean our sincerest sympathies.

Hope to see all you squares September 7th.

## Fun Luvin' Squares

Hot Summer? We were quite cool in our little hall. Our thanks to all those funluvin' people who brought all those fans.

We started something a little different for us this past summer. Mike, our caller, wants to continue it through the year. Each night one Plus or Quarterly call was workshopped and used that night only. It provided a little more variety to our dancers and helped many new and not so new dancers over the rough spots that some calls can cause. The whole Plus program will be covered between now and the next spring, one call at a time.

Why not come join us on Wednesday nights. Our first dance is September 21st, at 8:00 PM in the 12 Corners Middle School on Winton Road at Elmwood and Monroe. You just might rediscover what fun in dancing means.

The Geneva Friendship Squares are preparing for a terrific year! Our regular club dances will begin Friday, September 9th at the Geneva Civic Center at the corner of Main and Seneca Streets. Come and bring some friends to dance from 8:00 to 10:30 with our club caller Charlie Valent and cuer Al Overslaught.

The past president Charlie and Sally Tomion have turned over the helm to our capable and enthusiastic officers for the 1983-84 season: Presidents, Roy and Linda Lilyea, Vice Presidents- Basil and Beverly Simons, Secretary - Tom and Barb Wilson, Treasurer - Sandy and Estelle Katz.

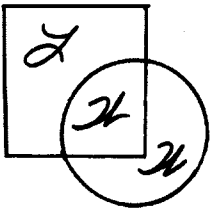

Once again everyone who danced under the stars at the Phelps Sauerkraut Festival, August 6th, enjoyed stepping to the calls of Dick Casper and Cues of Al Overslaught. If you missed it this year, be sure to mark the date for next summer.

The annual Sampson Fall Festival to be held September 16, 17, and 18, certainly will be bigger and better than ever. Callers Red Bates from Hampden, Mass. and Jerry Carmen from Spencerport will provide for your square dancing pleasure. Bob and Nora Slomcenski from Rochester will be the cuers at the fun-filled weekend. Just gazing at the circus-theme decorations planned by the Pratts and Mastellers (with lots of club members' help) will make us all feel we're in the "Big Top"

If you know of anyone who wants to learn to square dance or take a refresher course, join us with Chip Kellogg at the North Presbyterian Church in Geneva on the corner of Genesee and Lewis Streets. Open House dates are Wednesday, September 28th and October 5th from 8:00 to 10:30. Let's spread the word so we can share the fun and friendship with new faces.

## IRONDEQUOIT SQUARES

Can it be possible that hints of Autumn are already signaling the departure of another fleeting summer? Indeed, it's time once more to meet our square dance friends for the fellowship and fun that another year of dancing together brings.

Our club will again be dancing on the first and third Saturdays' of each month from 8:00 to 11:00pm. with rounds at 7:30 pm. We will continue to dance at the Rochester Christian School on Embury Road in Penfield. The good news is that we have been assured that the acoustics problem in the gym will have been corrected by this month. Also to be noted is our 2 X 2 dance structure in which we alternate 2 Squares with 2 Rounds. So come expecting to enjoy better-than-ever dancing with two excellent leaders to guide us: Jon McNally, our caller and Brian Adams, our cuer.

Our Fall Picnic is scheduled for Saturday, September 10th at Hamlin Beach Park. Weekend camping is offered for those who wish it, and of course there'll be dancing. For further information call Gene and Lorrie Richman, phone 265-3080. Let's have a big turnout for this fun planned occasion.

Thursday, September 15th, is a very important date. The Beginner's Club Open House will be held at 8:00 pm at the Brighton Reformed Church Lodge on Blossom Road. Please plan to attend with friends interested in square dancing. Let's make their introduction to the fascinating world of square dancing an impressive one.

Hope to see all of you at the dances this season. It's great to be back. Let's have the best year ever.

**Genesee Dancers**

Welcome back everyone and we hope you had a good summer with lots of fun and sun and dancing.

Our fall season starts on Sept. 8 with Trail Back dinner. This year we are planning a sit-down dinner with a "luau theme", as a kick off for our planned Hawaiian trip, October 1984. A guest speaker from the travel agency will answer our questions and highlight the trip.

Cocktails will be at 6:15, dinner at 7 and dancing at 8 P.M. Caller Mike Callahan and Cuer Bob Slomcenski will be with us again for the season. Dinner is closed for members only but dancing is open to all.

We have mixed emotions about our members Dorothy and John Hartman moving back to California. We are sad to see them leave but happy that they will be re-joining their family in sunny California. John and Dorothy were very active Genesee Club members. Dorothy was most generous with her sewing talents and many are sporting new dresses because of her kind help. Thanks for your friendship! Look for our special ad in the PROMENADER which has the up-to-date news for the fall season.

**Glass Slippers**

We hope everyone had a nice summer - it sure did not lack sunshine! But let's put the heat wave behind us and look forward to "Ocean Waves, Right & Left Thru, and Promenade".

We hope to have a good turn out for our Open House on Sept. 14th at 7:30 PM. So bring all your friends; dancers or non-dancers and let them see what fun we have. Remember, what keeps our club and every club alive and growing is our "Class". They are our life line and future. Our classes will be on every Wed, evening from 7:00 to 8:30. Club dancing from 8:00 to 10:00.

We have a fun year ahead of us. Back by popular demand will be Pat Torpey for our Country Western Celebrity Night. So mark your calendars for Sat. night, January 28, 1984 to join the Glass Slippers for a real good time.

We are starting our dancing season for Club dancing at 8:00 on Sept. 7th at the Ginther School in Brockport and we will be there each week from then on.

*Merry Mixers*

After our long hot summer, welcome back to square dancing! With all the parties, picnics, demonstrations, and new summer class, the Merry Mixers have had a very "merry" and "mixing" summer.

Even though it was a long hot one, our class which started in June is really moving along with our Trail's End dinner dance at the Wishing Well where we all had a lovely evening of good dancing and delicious food. Yours truly was also surprised with a birthday cake presented by daughter, Julie, and son-in-law, Michael.

Next, was a backyard picnic hosted by outgoing presidents Nell and George Burandt. The food was delicious, the dancing fun and meeting productive. Thank you, Nell and George, for your interest and hours of dedication for our club. Best wishes as you travel through life.

July 4th, brought club and class to the home of Gert Hauck, our new president, for a pass a dish and pool party. A splashing good time was had by all!

A memory tip was called by Mike for two of our longtime members, Phyllis Isaac and John Fenton. We will truly miss them both.

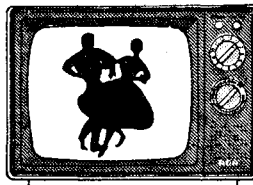

Ruth Vaisey vacationed in Europe and wore her teeny weeny bikini on the Riviera. Gordon King beat the heat by vacationing in Greenland.

We are looking forward to an exciting and fun filled dancing year at our new location on Tuesday Nights.

We would be very happy to have you all come and join us - single or not!

Cure Notes

We are asking all of the Square and Round Dance Clubs and each and every dancer leave their calendars open for Saturday - April 7th, 1984, as the Tentative date for the 9th Annual Leukemia Dance for C.U.R.E.!

We appreciate your time, help and cooperation in saving the date Saturday - April 7th, 1984; after all the Leukemia Dance cannot and will not be a success without each and every single square and round dancers cooperation and most importantly Participation!

Sincerely yours,  
Jon & Sue McNally

Swingin' Eights

Here we are at the start of our 25th year, with all the great memories of dancing, friends, and good times. We are confident that the best is yet to come.

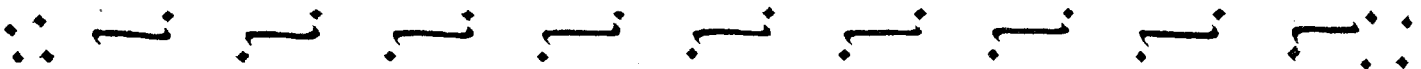

We had an outstanding picnic at the Cranes' daughter and son-in-law's farm in Hilton. The warmth and hospitality of Sue and Malcolm Reynolds were outstanding, and those who attended the picnic enjoyed lots of animals, especially the horses, a real pig roast, and hayrides.

We're opening the season with a Potluck Supper on September 10th, and we'd better stop eating and start dancing. Our Refresher class begins at Pinegrove on October 6th, and will meet each Thursday night. For more particulars, watch for our ad in the September PROMENADER.

We are also looking forward to seeing our Dance Commercial. We are very proud of Shirley Shaw and everyone connected with it.

Well, time to say farewell. We enjoyed being your reporters, but it is time now for our new reporters, Dan and Jeannie Crum to take over.

We'll see you around in our square.

Time for the hive to start buzzing again. We're looking forward to seeing everyone at 8:00 pm., September 9th at Byron-Bergen Elementary School, to start off the new season. Ron Fotch, (who incidentally does a great Willje Nelson), will be back calling for his 12th year.

September 16th at 8:00 pm. is our open house. Ron and Betty are all set to start a new group do-sa-doing. So mark the date and bring your friends! All it takes is a friendly face and Ron's calling to make the hive Grow.

We've a lot of exciting things planned for the year ahead. Watch for information in future issues and come join us in the friendship, the fun, and the dancing.

## Triggers

Now that we have enjoyed a great summer, it is time, once again, to turn our thoughts to square dancing. On Tuesdays, we dance a plus program from 8:00 pm. -10:30 pm at Parkland School, 1010 English Road (near Route 390). Guests are always welcome.

Triggers Open House dates are at 8:00 pm on Tuesdays, Sept. 20 and Sept. 27. These will be enjoyable dances when friends and new recruits are treated to Triggers hospitality with the smooth calling and teaching abilities of our master caller, Mike Herne. All members please calendar these dates and bring recruits to the free open houses at Parkland School. At this Open House, all non-dancers as well as all dancers are welcome.

Anyone from any club interested in forming a round dance class, not just Triggers members, please contact our Presidents, Rony and Len Hall at 865-0394. This fall we plan to set up round dance basics classes taught by a round dnace cuer.

Ruth and Jim Appleton's July picnic on the lake was great with boating, swimming, card playing, and of course, square dancing. There was lots of gabbing and tasty food, too.

The Herkos had a wedding in their family when their daughter was married in LasVegas. Best wishes to all.

Join us on Tuesdays for a fun-filled square dance night.

## Web Spinners

The 1983-84 season got off to an enjoyable start Sunday June 12th with the Family Picnic at Pultneyville. Gordon and Helen Palmer and their committee did an excellent job. On June 14th several Web Spinners floored two sets plus to entertain the people at Maplewood Nursing Home on Daniel Drive in Webster. A group will have marched and danced in the Webster Firemans Parade on July 21st. We are looking forward to our first regular dance Sept. 9th, with Open House the following week, Sept 16th. Bring a prospective couple.

## Swinging Singles

Wow! What a busy summer we've had picnics, bike rides, trips, square dancing demonstrations amongst dancing and workshops.

In July, we had installation of our new officers. President -Eleanore Miller, Vice President-Jean MacPherson, Secretary-George Gibson, Treasurer-Al Miller, Federation Reps-Robert Van Thof and Carol Van De Velde, Hospitality-Dennis Donovan, Carol Ann Fisher and Edith Sprague.

We put on a square dance demonstration at Greece Towne Mall, it was great to see hundreds of people listening and watching as we danced to Jerry Carmen's calling, but what was best was getting the people watching to participate, everyone had fun.

The month of July ended with a journey to Canandaigua for a visit to Sonnenberg Gardens, a picnic and the evening listening to the RPO 1812 concert. A wonderful day of enjoyment was had by all who attended.

As usual August proved to be another fun-filled, eventful month. It started off with the filming of the TV Commercial, a trip the Genesee Country Museum for the Fiddlers Fair, a boat ride jointly with Cloverleaf Squares on Irondequoit Bay, a weekend camp out on Lamoka Lake and finally an Ice Cream Social ended a very busy summer for us.

Many of our members planned their vacations to coincide with the National Singles Square Dance Convention that was held in Denver over the Labor-Day Weekend.

We will be having our open house on Monday, Sept. 19 from 8:pm to 10:30 pm We are looking forward to another large class to start the fall with us. Our class that started in February is doing excellent under the direction of Jerry Carmen.

We would like to thank the clubs out going officers for a great job done this past year. President Frank Puff, Vice President-Kathy DeTurek, Secretary-Jim McCollom, Treasurer-Barbara Kuplee, Federation Reps-Jim McCollom, Dennis Donovan, Pauline Leiss and Jean MacPherson, Hospitality-Dennis Donovan and Carol VanDeNelde.

## Village Squares

We hope all of our members are looking forward to our first dance of the fall season which will be on Monday, September 12th. There will be two Open House nights for new dancers, Wednesday-September 14th and Wednesday-September 21st. The class this year will be taught by none other than the old pro, Dick "The Friendly Ghost" Casper. Please do your part in soliciting for prospective members to keep our club growing.

The summer schedule was busy with two different series of workshops. Both were well-attended even on those hot and humid nights, and we had fun even though we worked hard. Our "Sunday Monday" was a huge success with a delightful variety of toppings, and those bowls of ice cream were piled high. There were obviously no calorie-counters present that night! We also put on several demonstrations and thank everyone who participated.

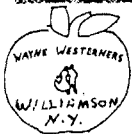

Our new officers are Al and Joan Siegl, President; Elmer and Dottie Pankratz, Vice-President; Ron and Faye Lockner, Class Vice-President; Walt and Carol Turner, Treasurer; Ned and Sue Turner, Secretary; Tom and Marge Reynolds and Chape and Jean Blake, Federation Representatives.

We wish to thank outgoing officers Ron and Faye Lockner, Secretaries, Tom and Marge Reynolds, Treasurers, and Dave and Joyce Smart, Federation Reps. for a job well done.

This promises to be an exciting year with a good variety of dances on the itinerary. We look forward to seeing all of our dancing friends on September 12th, and visitors are welcome.

## Wayne Westerners

It has been a delightful summer although hot and dry. We hope that all square dancers have enjoyed the many special dances and campout weekends this summer, especially our new graduates. We enjoyed our picnic and 15th anniversary dance July 14 at Forman Park and had a good turnout. We are looking forward to our camp weekend at Cherry Grove Campsite in Wolcott Aug 19-21.

The Fall Season is coming up fast with our first dance scheduled for Sept. 8. We have scheduled our Open House dances for Monday nights Sept. 12 and 19 at the Primary School and are looking for a good turnout. Coming up also is our Apple Harvest Dance Sept. 29. Happy dancing! Come see us.

### WHO'S YOUR PARTNER?

"Of course I know who my partner is!... Don't I?" Of course you do when you are standing in a set next to him/her, waiting for the music to start. But finding your partner after the calling starts is one of the most complicated subjects in square dancing. The first thing is that there are two very different sets of rules, depending on what kinds of formations the caller gets the set into. You have learned many of these rules in the course of your dancing, without ever having seen a written list. You couldn't dance if you hadn't.

#### Ring Formations

The two kinds of formations are 'Ring Formations' and 'Square Formations'. The basic rule for a Ring Formation is that all four men in the square are doing the same thing at the same time, and so are all four ladies. This doesn't mean that the men are doing the same thing as the ladies;--most of the time they aren't. The squared-up set at the start of the tip is a Ring Formation, and so are such other setups or movements as Left Allemande, Promenade, Allemande Thar, Alamo Star, Circle Eight, Four Ladies Chain, or anything else that can be done as long as the caller is giving calls to all four couples.

#### Square Formations

Anything that isn't a Ring Formation is a Square Formation. Since the squared-up set is a Ring Formation, the only way the caller can get it into a Square Formation of some sort is to have the head couples do something that the side couples don't, or vice versa. Some of the ways that he often uses are 'Heads (or Sides) Square Thru', 'Heads Star Thru', 'Heads Lead to the Right' (whether or not he says 'Circle to a Line'), and there are hundreds of other ways. Then it isn't until he calls 'Left Allemande', or perhaps 'Right & Left Grand' or 'Promenade', that the square gets back into a Ring Formation.

### WHO'S YOUR PARTNER? - continued

Some of this may sound awfully complicated, but it is really mostly things that you have already absorbed whether you knew it or not, and they are things that you need to know if you're going to answer the question, "Who's Your Partner?"

#### Your Partner in Ring Formations

We've already taken a look at what Ring Formations are. Now let's see the rules for finding out who's your partner. In Ring Formations, partners are always a man and a lady, and a man's partner is defined by whichever of these things is the last one that he did:

- a. The lady that he squared up with;
- b. The lady he faced after doing a Left Allemande;
- c. The lady he swung;
- d. The lady with whom he started a Grand Right and Left or any of its variations: Weave the Ring, Grand Sashay, Daisy Chain, etc. You should always, man or lady, take a good look at this person, so you know whom to look for at the other end;
- e. The lady with whom he started a Do Paso;
- f. The lady who was on his right in a Circle of Eight, regardless of how many times a Rollaway or 'Ladies In and the Man Sashay' has been called;
- g. The lady he received from a Ladies Chain or a Flutter Wheel;
- h. The lady that he Promenaded or took home after a sequence of calls.

Notice that Allemande Thar is not on this list, and it doesn't do anything to change who was your partner at the start of the call.

#### Your Partner in Square Formations

The basic principle in finding your partner in any Square Formation is that two dancers who are partners are always facing in the same direction. Couples can be 'normal', with the lady on the right, or 'sashayed', with the lady on the left. It is possible for two couples in the set to be normal and the other two sashayed, and sometimes couples are two men or two ladies. Partners are usually lined up shoulder-to-shoulder, but not necessarily right next to each other. This happens for instance in an ocean wave, where your partner is not next to you but the person who is facing in the same direction as you are. This is the person you look for when you Trade the Wave.

Two partners may sometimes be in 'tandem', which means one in front of the other, or 'nose-to-nape'. Peel Off and any Dixie movement can only be started from tandem partners.

If you are interested in going into the Advanced and Challenge vocabularies of calls, you will probably run into some callers who will use a slightly different definition of partners.

# LET'S MAKE THE "NATIONAL DANCE" DESIGNATION PERMANENT

When the bill to make the Square Dance the National Folk Dance of the U.S.A. was passed in June of 1982, it contained a limiting clause which makes it a fact only until the end of 1983. A new bill, H.R. 1706 has been introduced, to make the designation permanent. The Western New York (Buffalo Area) Representatives: John LaFalce, Jack Kemp and Henry Nowak have indicated they will co-sponsor. Our own Representative, Frank Horton, co-sponsored the original bill.

Now we need your help. Each one of us must write to our Representative Barber Conable and request his Co-sponsorship, and to Frank Horton and request his continued support. Simply copy the form below and mail yo yr address indicated (same for both). Do it

## NOW ! !

The Honorable (Barber Conable - Frank Horton)

### OPEN HOUSE - DO'S AND DON'TS

1. Do make your Open House a party - one which sells the prospective dancer through fun, sociability, and the party atmosphere which music and light refreshments convey. Have promotional literature, produced by professionals (see yellow brochures), available for them to take home.

Don't use the occasion for a hard sell on square dancing. Callers: Don't overwork them; they are not used to square dancing yet.

2. Do let your caller invite visitors to consider the activity as a social and physically invigorating hobby. Let your members provide the visible evidence of what he has to say. Let your paid professional sell the activity.

3. Do answer their questions, but don't pour on the information. Burdening prospective dancers with too much information, for example, the length of lessons, the ultimate cost, the continuing "levels" of dancing, etc., is frightening. Let visitors convince themselves during the initial 5 or 6 sessions that they like the activity. Don't turn them off before they decide square dancing is worth their time.

# KEEP 'EM DANCING

4. Encourage the "timid" new comer by likening square dancing to marching band maneuvers rather than ballroom dancing. You need not be an accomplished, graceful dancer to enjoy square dancing.
5. Emphasize, if the conversational opportunity arises, the fraternal-like benefits of the activity, such as: instant friends world-wide when traveling; a caring community which supports leukemia and other charitable causes; the new friendships the activity promotes, etc. Leave the scope of national conventions, weekends, and square dance travel tours for later, prior to graduation.
6. Don't make taking a 2 or 3 week vacation a penalty. Prospective dancers planned their year before square dancing came along. You cannot determine if a couple can or cannot "make-up" missed lessons. Some can and some can't. Better to start with 6 squares and end up with 4½ than to wind up with 2 at the start because you scared the rest off with rules, restrictions, and making the activity sound burdensome.
7. Remind your prospective dancers that "we all started at square one, same as you, and look at us now." But, when you demonstrate what you know, have the caller keep it simple. You can quickly create a reaction of "I'll never be able to do that" if what you demonstrate looks complicated or breaks down the square.
8. Do remember to tell the Open House Attendees
  - How glad you are they came.
  - You hope they had a good time' you did!!
  - How well they danced.
  - Perhaps they might like to bring their friends or neighbors next time (based on the fun they had to-night).
  - Its an activity which both he and she can enjoy without competition; no scores to keep and everyone is a winner.
  - Emphasize the fitness aspect; great exercise for both people, and you can do it together. Mentally stimulating and social as well.

Do's and Don'ts - During Established Classes:

9. Don't give the beginner the impression that the basic program will make them experienced, confident, and all-knowing dancers. Let them know during lessons that they are learning the language of square dancing - as unique as any foreign language - and that the basic terms and skills are taught upon which all future dance skills are dependent.

Don't refer to the 3,000-odd listings in Burlison's Square Dance Encyclopedia...2,500 calls are unused, and the ones which are, are only names for combinations of basic terms. The terms in Mainstream, Plus, and approved Experimentals, number less than 110. So don't make square dance vocabulary mind-boggling.

10. Do tell new dancers something of your club's activities, special parties and history. Tell them of the other clubs and of the (optional) round dance programs. Do not make round dancing sound like a mandatory part of the program. Some people agree to square dance only because they don't have to be good 'dancers' or ballroom dancers.

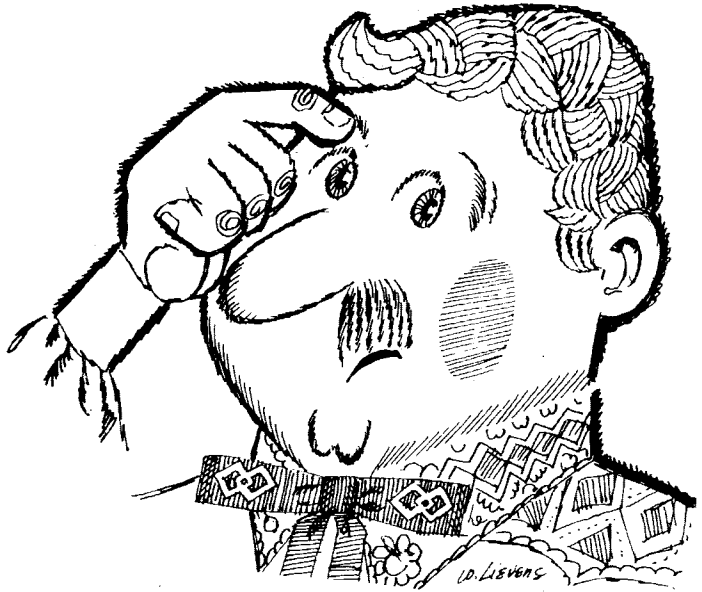

11. During lessons, assure new dancers that they can go as far as they like, and that sufficient clubs and programs exist to assure places to go and enjoy the activity at their level of accomplishment or need. Do not pressure your dancers into 'higher levels.' Let them decide when they are ready to explore other programs.

12. Remember to make new dancers aware of the PROMENADER as a way of keeping up-to-date on the square dance activity in our area. You may also want to let them know about the national publications as well.

**CLUB WAYS TO ACQUIRE NEW DANCERS FOR YOUR CLASS**

1. Personal contact, this is the best. Bring friends and neighbors to open house, also names of friends.
2. Send an invitation from the club, stating time and place and name or names of persons who submitted the potential guests name.
3. Advertise in local papers, ask for free ads first, area Pennysavers, Greece Post (2 areas) picture articles would help. Calender of events, T.U. - D.C. Pat Hutterman.
4. If approached, area fabric stores, store front windows and libraries may offer space. Include open house information.
5. Demonstrations in public affairs and parades, have flyers available on who to contact and information on open houses.
6. Store bulletin boards, pin up flyers.
7. Year around advertising, bumper stickers.
8. Summer - Supplement to D.C. c/o Pat Dougherty.
9. Recommend that 2 couples be on club advertising for 2 year term. The Chairperson to be succeeded by the Co-chairperson and another couple appointed to be co-chairperson.

Let's see.. Where'll I dance tonight??
