ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

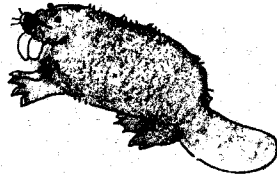

SQUARE DANCE CODE OF ETHICS

1. COURTESY—As a square dancer I respect other dancers and callers and treat everyone with courtesy.
2. FRIENDLINESS—I go beyond the matter of form because those who participate in this activity with me are all my friends.
3. LOYALTY—I support my own club in all activities because it means that the continuance of square dancing depends on my personal loyalty.
4. CLEANLINESS—I do not wish to offend anyone. I am very particular of my personal habits, breath and cleanliness.
5. ABSTINENCE—Many Square Dances are held in public facilities where liquor is forbidden and their continued availability is dependent upon a favorable public image of square dancers. The co-ordination required for following the calls is impaired by drinking and close contact in a square with one who has consumed alcoholic beverages may be offensive. Therefore, I recognize the validity of the efforts to maintain a separation of square dancing from drinking, and will refrain from its use before and during the dances which I attend.

SQUARE DANCE ETIQUETTE

When you have something good going, Why Spoil A Good Thing? It's easy to do when you don't follow the simple (golden) rule of "Do unto others as you would have them do unto you". You can write reams of do's and don'ts and get very specific about situations like cleanliness, not passing up a square when sets are forming and dancing in cliques but it still boils down to the fact that we are people interacting with other people for the purpose of recreation and not competition. The following excerpt from suggestions for people in the "helping professions", such as nurses, teachers, and those who work with the handicapped really says it all when it comes to dealing with people.

Be alert to needs of people and try to meet those needs. What counts in life is what we do for others.

Be genuinely interested in people. You can like almost anyone if you really try.

Speak to people. There are few things as nice as a pleasant word of greeting.

Smile at people. It takes much more effort to frown than it takes to smile.

Call people by name. The most delightful sound to anyone is the sound of their own name. (Thank goodness we wear name badges.)

Be friendly and helpful. If you want to have friends, be a friend.

Be cordial. Squeak and act as if everything you do is a genuine pleasure.

Be generous with praise but cautious with criticism.

Be considerate of the opinions and feelings of others. A controversy often has three sides; yours, the other persons' and the right side.

Always maintain a good sense of humor, lots of patience, and just enough humility, and you will be rewarded many fold.

Friendliness and helpfulness are part of good manners. A good way to insure a friendly atmosphere is to consider yourself as a host. Your interest in others is what friendliness is all about, those who display it are never obliged to seek it.

Remember that square dance callers are people too and are not infallible even though they are expected to be a good example to the dancers they teach and call to. If you forget all else, just try to remember to strive for consideration for the feelings of others, patience, humility and friendliness and every square you are in will be a winner.

CARMEN'S COLUMN

Larry Carmen

Shirley Shaw and her committee have done an excellent job raising money and advertizing our fall classes. A lot of time and effort has also been expended by many other people toward the same end. We all hope this will result in larger classes - or at least enough to form a class. But this is only part of the goal. Traditionally, the real problem has not been getting sufficient members for a new class, but keeping them after they become club members. If we can put the same amount of effort and zeal toward retaining these new members once they have graduated, then something will have been accomplished.

In the business world, advertizing is necessary when the product is introduced, but the customers have to like the results in order to keep on buying it. If the results are good, sales will grow through word of mouth by many satisfied customers. If the product does not satisfy the users, no amount of advertizing can save it for long. And so it is with square dancing. We have a product we are trying to sell and it is our responsibility to make sure the people we sell it to remain satisfied so they can pass the word on to their friends - not just this year, but the next and the next. All the advertizing effort by all those dedicated people will have gone down the drain if the square dance community as a whole does not make a sincere effort to accomplish this.

What can we do? Remember, the problem is really ourselves. All the survivors, those who have struggled through classes and the tremendous amount of vocabulary we are expected to learn in our first two years of dancing, do not want to step backwards to a level we fear will interfere with our fun. We must somehow provide a place and atmosphere by which new dancers can progress comfortably and naturally to a point which they can join us. If we cannot step back to meet them, let's give the means so they can step forward to meet us, and have fun doing it!

NEWS

Checkmates

Checkmates entered the new dancing season with great confidence, thanks to Dick Casper's long summer of instruction. How we have appreciated his unfailing patience and good humor!

Membership continued to grow in September after these early joiners: Larry and Ann Bartlett, Elton Clohecy and Shirley Miller, Hal and Joyce Connor, Jack and Connie Dodsworth, Charlie and Norma Fitzgerald, Tom and Gene Fitzgibbons, Tom and Virginia Mercer, Ray and Julia Pacek, Bud and Flo Parker, Dave and Joyce Smart, Don and Eleanor Trescott, Richard and Sandi Warburton.

Now that we can dance to more calls, we do want to look good while doing it. So Mr. Ghost's gentle reminder is to touch hands to establish position at the end of a call. Give discreet hand signals to denote the direction you're going and thus maybe jog the memory of someone less secure. Above all, please try to avoid talking and leave the instructions to the caller.

Club membership is open to all who dance A1, every Tuesday, 8:00-10:30 at the First United Methodist Church, Fairport. Guests are always welcome.

Please note that there is no dance October 25. We can appreciate how busy that week must be for all Ghosts. Happy Halloween to you all!

Cloverleaf Squares

Welcome and congratulations to Leonard Kmiecik, Cloverleaf Squares new treasurer. Unfortunately, Eleanore Miller had to resign but we are all confident that Leonard will also do a great job.

Well, Labor Day has come and gone and we all know what that means. Summer is behind us but a new class and future club members are in the makings. We had a great turnout for our open houses on Sept. 18 and 25. There was a lot of enthusiasm and I hope everyone stays with us.

The 1983 National Convention in Denver, Colorado is also now behind us. Unfortunately, I could not go, but from what I hear it was an awfully busy weekend. Something like nine or ten dances! It's a good thing people had Monday off to rest up.

October holds a couple of activities in store for Cloverleafs. We have a hayride planned that never fails to be a lot of fun. There's usually donuts and cider available. I know a lot of people are looking forward to it.

The end of October is our annual Halloween dance. Last year quite a few people dressed up and there was a prize for the best costume.

Well, until next time, happy Halloween and happy dancing.

Belles & Beaus

Welcome back club members and welcome to our class of 1983-84. It really was not too hard to get back into the swing of it and we did not forget as much as we thought we did.

October is a busy month for our club. Our Silver Anniversary Party is scheduled for Sunday, October 9, 1983, at the Green Lantern Inn. The committee headed by Fran and Hal Abberger tell us that plans are just about completed. Also, our caller, Art Harris, will be celebrating 25 years of calling for Belles 'n Beaus.

Do not forget to sign up for the Steak Roast to be held Sunday, October 16, at Northampton Park, Brockport, New York. See Art and Catherine Widman, for details.

The club wishes to extend its sympathy to Hal and Fran Abberger, on the death of Fran's mother this past month. The two of you had given her such tender, loving care over the years, we are sure she is now at peace.

This past month also found three of our club members on the disabled list, Betty Heindel, Wanda Thrash and Ed Haddleton. We hope you all mend real fast and we see you back dancing soon.

On Saturday, September 17, the club journeyed to Hamlin State Park, to introduce members of the National Campers and Hikers to Square Dancing. We hope we enticed some of their members to join a square dancing club. Some of the club members spent the weekend camping and enjoyed a Pot Luck Dinner on Saturday night and a Wine and Cheese tasting party hosted by the Lilac City loafers and LeRoy Relaxers. Camping Square Dancing, a good time was had by all.

Our class got down to the basics of Square Dancing on Wednesday, September 28. We know you will enjoy dancing and the Club is looking forward to dancing with them.

Until next month we hope to see you on Monday nights. Check our schedule. Round dancing is held from 8 to 8:30 and Squares from 8:30 to 10:30. Guests are always welcome and we look forward to meeting you.

Merry Mixers

Hope all you swingers out there are all limbered up and ready to "swing thru" our new and exciting season of square dancing.

A fun filled picnic at Rosemary Mykin's cottage on Lake Ontario helped limber up our eager June class members. They are learning so fast under the expert tutorage of our very capable and enthusiastic caller, Mike Harris.

Edgar Wardwell is recuperating from eye surgery and we sure do miss him. Just think, Edqar, how much better you'll be able to see us gals!

We were very saddened to hear of the sorrow in the lives of Jeanette and Bob Meagher. Our prayers and deepest sympathy are with you both.

While Nancy Donald was vacationing in Hawaii this summer, she had to walk 14 stories to her hotel room when the power went out all over the island of Oahu. One lucky break though - the active volcano, Kilauea, after a very recent lava flow, was quiet while she viewed it. She said, "They command respect!"

Well, all of you swinging hobgoblins, ghosts, witches etc., come on over any Thursday and join us for lots of fun. We promise not to scare you! Happy Halloween and boo to you!

Callers' Co-op

Oh, what is so rare as a picnic in September. That's how C.C.R. started its season this year and it was fun to have everyone together again.

The short business part of the afternoon saw the schedule of activities set up for the meetings for the rest of the year. It's going to be an interesting and informative year so we would like all callers and cuers to join us in our sessions.

Our main goal is to work together and bring smooth dancing and fun to all our dancers this year. We, as leaders, are the ones who can do it. So let's all give it a try.

Next meeting, October 2, at 2:00pm, at the Covenant United Church, 1124 Culver Road.

Copy Cats

It's skip and stomp, swing and sway time again as we get off to another fun year at the Copy Cats. We oiled the joints and shook off the rust at the September 10 Squeaky Hinge fall opener. As usual, Dick Casper kept up a fast pace. The club enjoyed its annual picnic on September 11 at Walworth Park. To round out September, we had a 2-night open house to get our new dancers off and running.

October will be a fast paced month at the Copy Cats. On October 8, Mike Callahan will call at the club's regular bi-weekly dance. All are invited to the Penfield Christian School.

October 22 is a date to reserve. The club's presidents, Jim and Liz Culp have been working for months on the annual Mystery Ride. It promises to be very unusual and great fun as this event always is.

Fun Luvin' Squares

First things, first! Our thanks to those Fun Luvin people at Cherry Grove Campgrounds, Dick Sage, Bob Doane and Dick Reagan, who teamed up to piece together Mary Jane's new blue baby car when it fell apart. Great work, guys.

October sees us doing something a little different for fun. Our club is going out to Brockport on Wednesday, October 19, to enjoy the hospitality of the Glass Slippers. We are their guests that night and all of the Fun Luvers wearing a club badge will get in free. To add to the fun that night, our Mike will be sharing the calling chores with that funster, Ron Fotch. What a team that will be. Folks from other clubs should try to come out and support the Slippers that night.

At our regular dances we're still workshopping one plus call each night. We'll continue this policy because it really adds variety to the evening.

Remember, we're on Wednesday nights at 8:00 PM, so come on over for some fun! See ya there.

There are many alternatives available and we have been discussing them for years at the Leadership Conference and other forums, but as of yet nothing has been done. It will have to be done by each individual club and not as a unified effort. We must have a club experiment and be successful, then everyone else will follow suit. Who will be first?

Congratulations to Belles 'n Beaus on their 25th anniversary.

Get ready for October - it's going to be a very busy month, not to mention trying to avoid the ghosts and goblins who accompany this traditional Halloween month. We will be having our annual Halloween dance on October 26. Be original and clever and come in costume.

October 12th, we will be having a Silent Auction under the chairmanship of John and Chris Statts. Bring your unwanted clothes and articles clearly marked with your name, size and asking price. Clothes should be hung in the hall way and there will be a table for other items.

A big hello to Betty Heindl who is recovering from foot surgery. We hope to see her smiling face and whirling feet back on the dance floor very soon. Belated birthday greetings to Len Prescott who celebrated in a big way with candles that just didn't seem to blow out, did they Lennie?

Our 6th anniversary dance at the Green Lantern was very well attended with everyone having a good time and enjoying the delicious dinner that was served. The 1st Annual Campout and club picnic at Bob and Nancy's was a big success, with lots of good food and fun. Many thanks to the Ellis' for having us and a big hand to Jo Manicone and Jeanette Hathaway who took charge of the arrangements for this fun-filled event.

Bob has formed a new club called Emerald Squares who are dancing the Plus Program on Tuesday nights at the Brighton Reformed Church.

This reporter, for the club's information, has been nurturing and giving lots of T.L.C. to "Baby H.B." who was presented to her at the Woodstream campout. You've all heard of Pet Rocks? Well everyone should have a pet "Baby H.B." Maybe this new fad will catch on someday, John Kurtz,

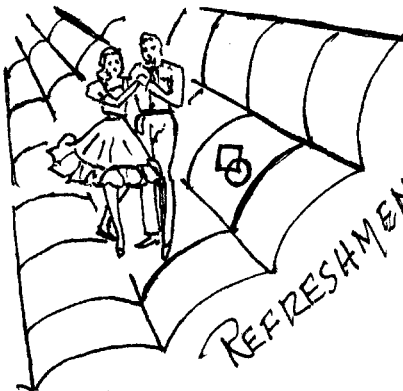

See you in the November issue and a Happy Halloween to all!

RONY AND LEN HALL - 865-0394

A full month of another season of dancing is already behind us. Wasn't it great renewing friendships and exchanging news of our families and our summer activities.

Our September picnic was enjoyed by all who attended, with our lucky campers making it an entire week weekend of fun.

Under the capable guidance of Bob Meagher, our Open House on Sept. 15th proved to be a big success. We are looking forward to a fine beginners' club. They will be meeting, as has become our precedent, on Thursday evenings at our usual location, the Brighton Reformed Church Lodge on Blossom Road. Let's support them with our presence whenever possible.

Ginny Penczek reports plans for the Halloween Dance which we are Co-hosting with the Swinging Eights, are nearing completion. She and her committee promise an entertaining evening with all the atmosphere that visits from Ghosts and Goblins could desire. We are looking forward to seeing whooo will be haunting our hall. So come, members and guests - friends all. Don your most imaginative costumes and join us on the 29th at the Christian School, 260 Embury Road for a night filled with Halloween magic.

As always, we enjoyed having Dick Casper call for us this month and appreciated Gordie Copeland and Jody Mattice cuing for us in the absence of Brian Adams.

Our thoughts and prayers are with Bob and Jeanette Meagher and their family as we extend to them our heartfelt sympathy in the loss of their daughter, Carol Holzer.

Hey dancers - it's the month of ghosts and goblins and the Fall season is finally here after a long, hot summer of dancing. Now that it's cooler, take a ride and enjoy the Fall foliage, and join us at Jerry's Funshop for an evening of enjoyable dancing with Jerry Carmen and all the friendly members of our club.

We're a fun club when we get together and welcome any dancers familiar with the Advanced Program. Our own Betty and Bert Wolcott cue rounds in between squares whenever possible. We meet on the 2nd, 3rd, and 4th Sundays of each month - check the schedule for the time and place.

Anyone who attended the Sampson Fall Festival with our own Jerry Carmen were treated to a real good dance and a fun weekend of camping. Hope to see you in our square one of these days - until then, see you in next month's issue.

Well, summer is over and fall is upon us. Our campout at Cherry Grove was great with terrific weather and good dancing. By the time this is in print, our two Open-House dances for new dancers will be over and hopefully we will have a good class going. We wish to remind our club members that our dues were due in September. We look forward to the Apple Harvest Dance September 29. We invite all square dancers to visit and dance with us. We dance every Thursday night at the Primary School in Williamson, except on nights when the school is closed for holidays, etc.

Promenading B's

Fall is upon us! With fall comes lots of change, beauty and excitement. The B's have a little of each this month.

October 7th, we will be dancing at the Gilliam Grant Center, right across the street from our usual spot. This change in halls always makes the dancing a little more fun

If your looking for excitement, mark Saturday, October 8th on your calendar. It's time for a Mystery Ride! Only a few people know where we'll wind up. Check for details at our dances and sign up, the more the merrier.

For the rest of the month we'll be back at Byron-Bergen Elementary School, but we will be having lots of fun!

On October 28th, the real beauties come out. It's our Halloween dance and you never know who will show up. Everyone is welcome to dance and join in our fun. Come as yourself or as your favorite ghost, but come have fun.

I have to go to do some more finishing touches on our costumes. See you dancing.

Swinging Eights

Well folks, here we go, a great start to another year. Was really glad to see everyone back to a new season. Want to remind everyone the Swingin' Eights will be sponsoring another refresher course this year. It starts Oct. 13th. See our ad for details.

Halloween is just around the corner and this year we will be dancing with the Irondequoit Squares. So everyone put on your mask and we'll see you there.

Dan and I want to say thank you Al and Sara for the fine work done as our reporters, I only hope we can follow in your steps. Al was spending three days in Mexico on a fishing trip. Hope he gets a big one. I'm glad to report everyone is back dancing and are in good health. Of course after Bruce and Mike get done with us at the Fling, who knows what shape everyone will be in then. Just one note of importance on October 1st, we will not be dancing at Ivan Green, but at the Church of the Ascension, on Riverside and Lake ave.

Sorry for any inconvenience, hope to see you there. Well I guess that's all for now. We'll be seeing you around the pumpkin patch.

Village Squares

It's good to get back into our regular fall schedule, and we are looking forward to a variety of upcoming activities. Our program committee has been very busy planning at least one special dance each month so there will surely be something for everyone.

On October 17th, we will have a Hawaiian Night. Come and join us for a Polynesian evening. Amateur Night will be on October 24th. We hope many of you 'would-be-callers' will show off your talents. You'll never know how well you can do until you give it a try. This is always a lot of fun. The Halloween Dance will be on October 31st. You're invited to come in costume, and prizes will be awarded for the most original ones. Start making your plans now. Let's have all the Goblins bring their ladies out for another great evening.

We always have fun at Village Squares and guests are welcome. If you're looking for a good time and good dancing, come on over on Monday nights.

Triggers

Our fall dancing is in full swing and we are preparing for a fun-filled year.

On September 9, Triggers entertained at the Special Olympics in Rush. It was a fine event sponsored by the Rotary Sunshine Camp. Myron and Peg Huss deserve many thanks for calling for the residents who joined in the dancing. We all had a great time.

Bud Hands is prepared to teach our beginners' class the basics on Thursday nights starting October 6, from 8:00 to 10:30 pm at English Village School. Any interested beginners please call our Presidents Rony and Len Hall at 865-0394 and join us in a great pasttime.

The first Tuesday of each month is guest night, and we welcome guests from all clubs, so please join us.

Those who graduated from square dancing in the Trigger class of 1972 had a reunion August 27. Old acquaintances were renewed.

On October 11, we will have a pasta covered-dish supper to celebrate Columbus Day. October 25 is "Octoberfest" night and a rootbeer party is planned! This sounds like fun.

Renewal of the PROMENADER is due by Oct. 10.

Do join us any Tuesday.

Letter to the Editor

He: Let's go dancing!

She: Where?

He: I don't know, get the Promenader.

She: Oh look, we have five choices for tonight. Isn't it nice that two of our dancing couples take time to put this little paper together for our convenience?

He: Huh!!

She: You mean you never give any thought to what is behind the Promenader?

He: No. We pay for it don't we?

She: In the first place, two reporters from each club, send in the news about their own club, schedules, ads, etc. This is from 34 clubs. The editors type it up, make a paste-up, include all the necessary ads, suitable embellishments for the month, sort the schedule according to the days of the week and type this up, edit for typing-errors, and run the paste-up over to the printer. (All volunteer time and work.)

He: Well that's not too bad, probably only takes a little-while.

She: Takes about 15 days of actual work.

He: Well that's all there is to it isn't it?

She: NO, when the printer finishes printing and collating the Promenader, (about forty hours of work) all 1,000 copies of the finished Promenader are picked-up by the subscription Editors. They put on address labels, then sort, according to the zip, and delivered personally to the post office. This is at least another eight hours of volunteer work. The editors, the subscription editors, and square dancers who volunteer their time and work, to put out the Promenader, deserve a great big thank you! We sure would miss the Promenader, if we did not get it every month.

Signed,
A Square Dancer

Fall is here with all its beauty and its nice to see those who have been vacationing over the summer back amongst us.

For October, we've planned a fall foliage bike ride along the barge canal on October 15. October 22 finds us going to the Cummings Nature Center for a hike (a great way to stay in shape). On the last day of the month, we're having our Halloween dance for class and club, with a costume contest. So join us if your up to a little witching or spooking.

Our new class has started and we're looking forward to an enjoyable year of dancing with Jerry Carmen.

In the last issue of the PROMENADER, I failed to mention Darlene Hamilton as a newly elected board member. Darlene is treasurer of our class.

It was great to see so many familiar faces on T.V. for the commercial. I think it was a definite plus for square dancing.

SQUARE DANCE MANNERS

(Supplied by the Texas State Federation of Square and Round Dancers.)

Assuming that you always wear your best manners in public, lets talk about manners that apply specifically to square dancing. A well informed square dancer will follow the rules noted here:

1. Arrive on time whenever possible.
2. Form a circle or set up squares promptly when the music starts or at the callers request. Bear in mind that one can be prompt without running. A square dance is not the proper place for a 50 yard dash.
3. Join the nearest square that is forming. If all the nearby squares are filled, hold you hand up high so that the caller can either guide you to a square where you are needed or get some other couples to join you.
4. If time permits, introduce yourself and others within the square. You'll not only acquire a reputation for being friendly but you'll also acquire many new and interesting friends.
5. Listen quietly during any and all instructions from the caller. If you are an average good-hearted soul and you know the call being explained, resist the temptation to explain it to the others in your square. Let the caller do the teaching at that time. When the square is set up and ready to go, the well-informed dancer will let his fellow-dancers hear all of the professional instruction they have come to enjoy. However, after that tip, your friends may appreciate some help from you and it is perfectly in order to offer it.
6. There is no acceptable excuse for rough handling of fellow dancers. Roughness is the mark of ignorance - whether by chance or by choice - and you will do well not to imitate even a more experienced dancer who has chosen to ignore this elementary rule of proper square dance conduct.

7. At the end of every dance be sure to thank the caller with your applause first, then the others in your square. They did contribute to your fun. Thank your partner, too, and escort her to a chair.
8. Friendliness is part of good manners. Square dancing promotes friendliness since it offers endless opportunities for making new friendships. If you are not continually making new friends, you are not getting the most out of square dancing. Another way to insure a friendly atmosphere is to consider yourself as a host. Friendliness comes from within yourself and can best be described as your interest in others. Those who seek it will be wise to look for it at its source; those who display it are never obliged to seek it.
9. Be a well-informed square dancer. Review these rule urles of etiqutte often.

Has anyone heard from the following clubs recently???
If so, please call 225-2796. Thanks.

By now most of us have the rust out of the joints and are swinging our way into another season of fine dancing. Like all clubs, we have a fun year ahead of us. In October, besides our Halloween Party, we have a real special night planned. October 19th, we have Mike Herne coming to join our own caller, Ron Fotch. Two callers plus many guests equal much fun for all. So mark your calendar and join us. It is also our "Apple Betty" Night (Named after our caller's honey.) so that makes for a double treat. Remember, that's Oct. 19 at 8:00.

Also what Oct. would be complete without a Halloween Dance. Come as you like or in costume, of course, we'll have cider and treats. Maybe Ron will come up with the "Tricks" to make the night complete. Come and see the Ghosts on Oct. 26th at the Ginther School in Brockport.

MAINSTREAM QUARTERLY SELECTION

For the quarter beginning October 1, 1983, the Committee has selected the movement "Ripple" for use during workshops in the Mainstream Programs. The definition of "Ripple", written by Curley Custer, follows:

From facing couples: Facing dancers join both hands with each other and circle half, then pass thru. Ends with dancers back to back.

Ripple Right, Left, In or Out. After doing the Ripple, dancers face in the direction indicated by the caller.

1. Ripple - Facing lines end with lines facing out, 8 Chain Thru ends with a trade by set up.
2. Ripple Right - 8 chain thru start and ends with right hand waves. Facing lines ends with Right Hand columns.
3. Ripple In - 8 Chain Thru ends in Facing Lines - Facing Lines ends in starting Double Pass Thru.
4. Ripple Out - 8 Chain Thru ends with lines facing out - Lines facing in ends in completed double pass thru.
5. Ripple Left will result in left handed formations but the dancers will have to adjust their ending positions.

ADVANCED QUARTERLY SELECTION

For the quarter beginning October 1, 1983, John Marshall, Chairman of the CALLERLAB Advanced Quarterly Selection Committee has announced that Shadow To A Diamond has been selected by his committee as the 4th quarterly selection for 1983.

Shadow To A Diamond - From two-faced lines or waves, or 3 and 1 lines with the centers facing out, the ends do a normal Cast the Shadow, the center facing in will Extend and Trade, the center facing out will Split Circulate $1\frac{1}{2}$ to become the end of an ocean wave. The result will be diamonds in one of their various forms, right-handed, left-handed, facing, etc.

SOME TIPS, AND HINTS ON SQUARE DANCE ETIQUETTE

1. Mix around a lot - this keeps you from becoming dependant on your friends for help. A number system is an attempt to keep the same people from dancing together every tip and also to create a situation where each of you can meet and dance with everyone in the group.
2. Always try to be pleasant and patient with each other. Not everyone learns and dances as well as you do.
3. We are engaged in a close contact activity. We must observe the obvious courtesies of neatness, cleanliness and consideration. Halitosis and B.O. add little to the enjoyment of personal contact. Baths before coming to the dance, and Breath Mints, and anti-persperents can always help avoid embarrassing situations.
4. Men - long sleeves at all times please. The ladies dislike the feel of sweaty hairy arms. You are permitted to perspire, but you don't dare be malodorous.
5. Let the people in your square hear the caller/instructor. Honest folks, he is aware of the problems in your square. If you still feel something needs more attention tell the caller after the tip.
6. Did your set break down? Don't feel bad, just learn to recover:
 - A. Keep listening to the caller
 - B. Regroup at home quickly
 - C. Take any partner in any sequence and form into whatever line, circle or square the rest of the floor is in.
 - D. Don't discuss why the group broke down during the tip, the cause is not as important as the recovery. Nobody dislikes a person who makes mistakes, they will eventually improve, but everybody dislikes a dancer who will not regroup and help the square continue to dance.
7. Be sure to do your part as you have learned to do it properly. Being where you should be is more important than telling somebody else where they should have been. The "lost soul" will find the empty niche if everyone else is in the right place.
8. Please dance to the beat of the music. There are no prizes for getting there first or running over people in your way or getting back to home position before the caller or the other sets. This is particularly important in figures like grand square and four ladies chain, and etc.
9. Please be patient with your caller! Callers are people and are not infallible. You are lucky to have a caller. Your patience with the caller, and with each other is most appreciated and will be the most important lesson you will learn in your square dance experience.
